text structure categorization, instructional purposes; 9002664

text/narration theory; recent studies surveyed; 9007087 "textology," J. Petőfi's viewpoint; 9008738

texts/textuality analysis, recent literature critical synthesis; linguistic/ anthropological/literary/critical/sociological approaches; 9001347

textual cohesion analysis, semantic synonymy association, reiteration vs collocation; French discourse; spontaneous conversation; 9008590 textual cohesion evaluation, cohesion markers reclassification; 9003896 textual cohesion, Modern Standard Chinese; grammatical/

phonological/lexical levels cohesive function; 9003894 Thai narrative discourse, meaning sources; grammatical/rhetorical/ sociocultural perspectives; 9006275

Thai oral narrative, final particles na?/chaj maj functions; 9003842 theatrical discourse, quantitative/qualitative conversational analysis; dramatic interaction, repair procedures expression; 9001312 theme constitution/processing, German discourse analysis; 9006249

theme, new definition proposed; 9006259

theological pragmatics, Ezekiel 1 exegesis/literary analysis; 9004575

therapeutic discourse structure/construction, sociolinguistic perspective; 9001257

third person, discursive-pragmatic focus; 9008667

time duration estimates importance, criminal testimony; retrospective duration estimates, "abductor's" speech; 9005083

Tojolabal Mayan discourse markers function; 9008651

topic initiation intelligibility method, naturally occurring talk, formal/informal settings; 9001240

topic initiation/interruption patterns, preadolescent children's dinner conversations; 9008672

topical coherence, best-friends' talk; gender differences; videotape analysis; 2nd-/6th-/10th-graders, adults; 9009380

Toura (Niger-Kongo) focus markers, focalization acts distinction;

Tzeltzal females' speech styles, politeness/confrontation contexts, Tenejapa, Mexico; 9009359

understanding-securing communicative procedures, second-language teaching; methodological suggestions; 9000306

Urim (Papuan) discourse, demonstrative pronouns pa 'that/there'/ti 'this/here' functions; 9006258

USSR radio broadcasts' linguistic features, TV/newspaper language compared; Russian as a second language teaching aid; 9006941

utterance comprehension, meaning derivatives detection; literal sense/ pragmatic meaning distinction necessity; 9001248

utterance, communicative structuring, lexical meaning reflection; Russian functional words semantics; 9008551

verb tenses use, conversation flow, syntagmatic/paradigmatic perspectives; "seprasyntagm" term use, temporal information direct/ indirect provision; 9008716

verbal communication, rhetoric role; 9006277

verbal interaction patterns/structure, schizophrenics/healthy subject dvads: 9009837

verbal interaction/knowledge acquisition relationship; classroom discourse, Italian preschoolers aged 5-6; 9003844

verbal politeness, maximization role; politeness/linguistic intensifica-tion/emphasis relationship; 9001269

verbless presentational constructions, ergativity discourse basis; Tamil data; 9008678

West African poetics, black preaching style socio-interactional/ aesthetic qualities; "rapping," possible Bantu panegyrics origins; tape-recorded oral text, Alabama preacher; 9001313

West German political discourse, rhetorical structure/figures/tropes; W. Brandt's party convention address; 9001329

Wobe (Niger-Kongo) particle mo use, topos role; English/Wobe para-phrases explicit justification; 9003818

word finding difficulty phenomenon, forms/causes; 9001261

word-order typology, discourse-governed word-order languages, Papago (Uto-Aztecan) evidence; 9009336

word/concept/text relationship, Arabic watan 'fatherland' political-ideological connotations; 9003873

writing conferences, modified process writing approach context; teachers' knowledge/communication authority/control; 6th-grade class-rooms; 9003859

writing strategies, social/linguistic knowledge incorporation; interviews/observation/textual analysis; 9008149

writing, subjectivity/objectivity conflict; dialogic approach; 9005760 written argumentative discourse implication, linguistic marks distribution; written protocols analysis; 9001310

written text comprehension, making texts "talk" concept, discourse analysis; 9005676

written texts, language functions; contextual elements; 5th-grade students; 9008145

young Czech linguists conference, Prague, 1987; 9001326

youth jargon, West/East Germany; literature survey, definition prob-lems, sociolinguistic treatment; 9001334

Zairian colonial/neocolonial political discourse use/values; sociol-inguistic analysis; 9009445

Zimbabwean newspaper editorials, text/reader power relationships es-tablishment/maintenance, lexico-grammatical/discourse features contributions; 9009390

Distinctive Feature Theory

binarity hypothesis, modern phonology, distinctive feature theory; brief history, varied opinions; 9000959

contrastive analysis/perceptual tests use, phonological norms determination; 9009068

English feature (coronal), underspecification argument; 9006365 feature geometry, co-occurrence restrictions; E. C. Sagey's articulator node model supported; Yucatec Mayan/Ponapean/Pomo examples; 9003577

Galician vowel system, distinctive features matrix, Galician/Spanish/ Portuguese relationship; 9008325

German phonological historiography, distinctive features diachronic evolution; 9005974

Gitksan (North Amerindian) obstruent voicing/glottalic obstruents, J. G. Hoard's observations critiqued, alternative formulations proposed; 9008360

Hindi dental/retroflex stops, linguotectal contact patterns; electropala-tographic data; native speakers; 9009682

Jakobson, R., Six leçons sur le son et le sens (Six Lessons on Sound and Meaning) genesis; 9006471

linguistic iconicity, theoretical bases; Turkish data; 9009644

phonological hierarchy universality, American Sign Language evidence; 9008316

Semitic languages' guttural sounds, natural phonological class status advocated; 9003548

**Dravidian Languages** 

Badaga (Dravidian) oral literature, sociolinguistic perspective; 9001556

Dakkhini (Hindi-Urdu) correlative marker so syntactic structure reanalyzed; 9005998

Fanagalo creole origin, current hypothesis refuted; 9004288

Kannada (Dravidian) script, vowels/consonants misreadings nature, good vs poor readers; 9003331

language inequality, Mauritius; Hindi/Telugu/Bhojpuri/French/ English status; mass media/educational preferences; 9006994

Malayalam (Dravidian) syllable structure, modular organization sup-ported, stress/meter evidence; well-formedness conditions, diachron-ic perspective; 9000984

morphological rules/syntax interaction, Tamil nominalization process; 9006228

native-language maintenance consequences, multilingual society; Kond tribal people, Orissa, India; 9009465

phonological space measurement, Kannada (Dravidian) vowels /a, i, u/ first/second formant frequencies; deaf vs normally hearing subjects' speech; 9004732

status, vocal indicators; caste/language; questionnaires, recorded conversations; Brahmin/Scheduled caste males; 9009479

Tamil phonology/morphology; autosegmental/lexical phonology framework, nouns/verbs inflectional derivation morphology; 9000952

verbless presenta data; 9008678 sentational constructions, ergativity discourse basis; Tamil

vowel harmony, morphologically conditioned vowel assimilation rule type, nonlinear phonology accounts, Turkish/Icelandic/Koya/Tunica; 9008341

word order/agreement interaction, generalized phrase structure gram-mar predictions; Tamil/Korean data; 9006397

Drug Effects

differential language recovery, bilingual patient; selective amytal test; case study; 9009752

reading performance improvement, hyperactive children; Ritalin use appropriateness/differential effects; 9000507

**Dyadic Interaction** 

Afrikaans definiteness/indefiniteness as degree scale variables, binary contrast theory refuted; 9009367

Alzheimers' patients' language use communication breakdown; inter-action examination; longitudinal study; 9009768

argumentation strategies, native vs nonnative German speakers; dyadic arguments; 9002995

beginning language learners, literary dialogue use proposed; 9002703 bilingualism impact, psychotherapy; therapist's perspective; 9004861 book-reading styles, preschool teachers' variation, book familiarity/ complexity effects, children's participation; 9003816

book-sharing techniques, mothers/infants aged 0:6/1:0/2:0; linguistic/literary/positional/effective behaviors; videotapes; 9000476

British motherese, pitch alterations, acoustic data; 9002275

Bush/Rather interview transcript; 9001339

Bush/Rather interview, concrete social practices/popular reactions; 9001246

Bush/Rather interview, topic redirection practices; 9001304

Bush/Rather interview/confrontation, turn-taking sequences overlap/ resolution strategies; 9001324 child-adult talk, redoing sequences, interactional analysis; 9009382

child-teacher language interaction patterns, mathematical investiga-tions lessons; 9004408

child/adolescent language development, deictic system competence, syntactic acquisition/pragmatic use; Germans aged 10-16; 9000092 children's speech adaptation, influential social/linguistic factors; child-adult interactions; 9002544

children's/caregivers' joint action routines, turn-taking/"equal lead" activities characterization; language samples, parent-developmentally delayed child interaction; 9005009

coherence, psychotic discourse; interviews; 9009836

communication adequacy, metacommunicative act role; Soviet newspapers' interviews functional-communicative analysis; 9001311 communicative behavior patterns, severely handicapped preschoolers; microethnographic research; 9004426

communicative interaction, Inuit children/caregivers; ethnographic study; videotapes, interviews, participant observation; 9004414 communicator image, argumentativenss/verbal aggression impact; G. Bush/D. Rather exchange; 9004418

comprehension strategies, intercultural conversations; ethnomethodologic conversation analysis; German face-to-face conversations, native speakers/Chinese students; 9002970

conversation process rules, social context effect; 9004424

conversational discourse, incidental recognition memory, familiarity/ personal participation role; 9002570

conversational sensitivity/verbal aggressiveness negative relationship, verbal praise disposition positive relationship; 9002023

conversational skills, closed head injury patients; patient/speech-language pathologist interactions; 9007278

conversational statements interpretation, normal variation/moods relation; undergraduate; 9004403

conversational topic change, participants' judgments, global vs local definitions; 9002009

conversational topic organization, Italian conversationalists' procedures: 9002020

conversational units/verbal operants, mands/tacts effect; social verbal behavior, mild/moderate developmentally disabled adults; 9004404 Czech doctor-patient dialogue, discourse analysis; 9006286

developmental psycholinguistics theories' learnability constraints; mother-child dyads; 9002484

dialogic semantics, C. S. Peirce's semiosis/M. M. Bakhtin's dialogism similar processes; 9007109

dialogue cohesion/displacement methods, "other" significance; child-adult discourse; 9001260

dialogue/inner speech descriptive analysis, selected fiction works; 9003812

discourse functions insights, young children's conversations; adult/ child conversations, linkings/continuities/dialogic displacements analysis; 9001322

discourse, hierarchical/functional analysis/status; co-utterance occurrence; 9001233

Dutch use, conversational interactions, second-generation Moroccan immigrants; sociolinguistic/conversational analysis; 9004434

dyadic communication/interpersonal interaction, individual communicative style/dyadic interaction type relationship; 9002017

dyadic interaction, mother/first-born infant; visual-vocal influences; observations; mothers, infants aged 0:2/0:5; 9009356

dyadic vs individual learning, textual errors effect; recall tests; 9004938

English as a second language communicative skills evaluation, interview test development; comment, reply; 9005478

English as a second language instruction, German students, poor per-forming class; dialogue interaction; 9005215

English as a second language learning, conversational crutches use/identification techniques; 9007652

English as a second language learning, foreign students' motivation/ attitudes; in-depth interviews; Malaysian/Indonesian students;

English as a second language students' problem-solving success/ interaction styles; same-sex dyads; 9000208

English-Castilian Spanish dialogue verbs equivalents, literary works originals/translations analysis; 9003505.

ex-communication strategies, face-to-face interactions; interaction/ cooperation/negotiation defining characteristics; 9001321

face-to-face dialogue space, quasi-validation mechanisms; 9004411 gender-based power relation expression, nonverbal behavior role; talk/ mean length of utterance/rate measures; same-/mixed-sex undergraduate dyads; 9009371

haxlàfot social institution, children's swapping exchanges rules/ strategies; Northern Israeli children; 9002016

hearing-impaired children's linguistic/cognitive characteristics; etiolog-ical/audiological/psychological/social/mother-child interaction; children aged 3-7; 9007210

human-machine dialogue, rule-based dialogue generating computation-al system; theoretical prerequisites, speech act theory, dynamic se-mantics, artificial intelligence research; 9001712 imagined vs actual interpersonal communication; Likert-type scale re-

sponses; 9006914

impression formation/medical messages recall, paralinguistic cues re-lationship; 9004432

initial interaction, interlocators' uncertainty/information-seeking/ attraction; 9004417

intercultural/ethnic talk, multiethnic urban settings, Turkey/ Germany; E. Goffman's sociology of communication framework; audiotapes, questionnaire data; 9004423

interview, dialogue structure, question role; interview initiations typology; 9001286

intonation power, speaker's communicative intent information convey-ance; natural infant-/adult-directed speech samples, standardized interactional contexts; 9004420

language attunement, Islamic monastery master/student interaction; Bektashi (Turkish) discourse "nefes" centrality confirmed; 9001330 language production/language comprehension/play/attention, systematic relations; mother-child observation; one-year-olds; 9007438

language socialization process, wh-questions acquisition, Korean children aged 1:8/1:10; 9004412

language use/political dominance relationship, Italian Communist Party members; hierarchical organizational structure, oratory na-

learning-disabled adolescents' content area text comprehension, adjunct questions dyadic use effects; 9004846

lexical density variation, spoken discourse; interview/conversation ex-periment; undergraduates, postgraduates; 9008718

lexical naturalness, native/nonnative discourse; recorded natural conversations; 9008649

linguistic/communicative competence relationship; conversational methods/techniques mastery, naturally occurring conversations; mentally handicapped vs normal individuals; 9001238

maternal control, mother-child interactions; age-/language-matched deaf/hearing children; 9005031

maternal speech prosodic characteristics modification, profoundly hearing impaired vs normally hearing toddlers; 9004730

message efficiency hypotheses, face-to-face spontaneous dialogue; efficiency criteria, psycholinguistic validation suggested; 9001249 microcomputer-based writing, error monitoring; learning-handicapped individuals vs learning-handicapped/non-learning-handicapped dyads; 9007303

mother-child conversational interaction; normal/language-delayed preschoolers; 9009370

mother-infant communication timing, L. Murray's/C. Traverthen's content/style measures limitations; 9002011

mother-infant interaction quality, systems conceptualizaton; temperament, maternal characteristics, social support; 9006912

mother-infant interaction, child partition awareness development; face-to-face/mother-object-child dyads; socio-interactionist constructiv-ism framework; 9009368

native-nonnative English speakers' conversational aspects, instructions effects; 9002018

nonnative fluency, dialogue vs monologue speech; microanalytic ap-proach; English as a second language learners; 9007790

politeness limits, psychotherapeutic/courtroom discourse; "nonpolite"/
"rude" genres distinguished; 9001288

oral-written language comparison, oral-written text conversion, corrections type/motivation; East German printed/broadcast interviews; 9001345

parent-child conversations, reciprocity/involvement/positive/negative factors; less-liked vs popular boys; 9006906
personal pronouns, mothers' use effects, child's verbal interaction; audiotaped interactions; 2-year-olds; 9006917

personality investigation, everyday conversation use; person-talk scenarios' rhetorical nature; 9006910

phonetic/semantic contingency levels, mother-child interactions; video-taped play sessions; normally developing vs Down syndrome chil-dren; 9007316

physicians' verbal compliance-gaining messages selection, patients' ill-ness severity/noncomplicance/control locus effects; 9004409

preschool/kindergarten friends vs acquaintances interaction, gameplaying situations; 9006908

proper name usage, mother-child interactions; language-impaired vs non-language-impaired children; 9006909

prosodic modifications, mothers'/fathers' speech, preverbal infant interaction, cross-language study; 9001688

psychotic adolescent's/mother's discourse, linguistic manifestations; 9002013 qualifiers use, patient-physician discourse; radio medical call-in shows;

9003846 relational partners' influence strategies, videotaped disagreements; 9002019

request form/speaker status interactive effects, request judgments; 9003804

Romanian as a second language instruction, related dialogue drilling value, communicative competence teaching; 9000227

Romanian pragmatic connectors, colloquial dialogue cohesion; 9008717

schizophrenic speech acts, meaning/interpretation relation, form/ content/function; therapist-schizophrenic patients interaction; 9004864

second-language reading, visual aids; dialogue content/context/ speakers introduction; 9000341

sequential ambiguity, telephone openings; "call waiting" data; 9001273

Spanish as a second language, dialogue-to-monologue transformation drills; 9002931

speech analysis, Japanese vs American mother-infant dyads; video-taped interaction; 9009383

spoken/written discourse, black college students/black peers/white re-searcher; interviews/letters/essays; 9002041

state anxiety/interpersonal attraction/speech duration, nonverbal involvement/communication apprehension effects; information-gathering interviews; 9002021

status, vocal indicators; caste/language; questionnaires, recorded conversations; Brahmin/Scheduled caste males; 9009479

stutterers' wives perceptions/attitudes; open-ended questions; thera-peutic recommendations; 9009753

task-based conversational interaction, first-/second-language dyadic problem-solving activity, Vygotskyan psycholinguistic theory; native/nonnative English speakers; 9002008

teacher input language content/structure, severely handicapped children, early language development stages; videotaped teacher-child dyads; 9004881

text genre/format effects, mothers' teaching strategies, black Head Start children's reading tasks; 9005685

topic initiation intelligibility method, naturally occurring talk, formal/ informal settings; 9001240

turntaking/pragmatic language skills, developmentally delayed vs nor-mally developing children; mother-child dyadic interactions;

understanding-securing communicative procedures, second-language teaching; methodological suggestions; 9000306

verbal compliance-gaining strategies, primary care physicians' selection; 9004410 verbal interaction patterns/structure, schizophrenics/healthy subject

dyads; 9009837

verbal matching forms/functions, mothers-precanonical infants interactions; spontaneous dialogues; 9006920

written compositions production, teacher-student interaction role; 9005774

## Ear Preference

dichotic discrimination/ear differences, 4-day-old neonates; highamplitude-sucking procedure, speech/music stimuli effects; 9002596 Economics of Language

German nominal compositions, adjective + noun structures' semantic/ syntactic/stylistic features; 9006230

Ponzio, A., Rossi-Landi e la Filsosofia del Linguaggio (Rossi-Landi and the Philsophy of Language) reviewed; 9008867

Rossi-Landi, F., work characterization; 9009665

word length, iconicity vs economy principles, Russian aspect/case structure; 9008786

Zaire national language policy development, economic factors; 9009515

# **Elementary School**

able/disabled readers' performance, intra-/inter-modal haptic/visual processing tasks; elementary school grades; 9003318

analogy performance, instructional approaches'/peer tutoring effects; gifted/nongifted 6th graders; 9000572 Argentina/Latin America educational system description; children's/

adults' illiteracy remediation needs, primary education role; 9005582

at-risk readers' comprehension improvement, four Chapter 1 teachers' successes/problems, 4th-6th grade; 9009823

average/low-average 2nd graders' reading achievement; phonics reading program; 9007924

basal programs' influence, 4th-grade reading instruction; 9005631 basal reader assessment, skill trace method proposed; 9003268

basal readers' role, elementary school reading programs; improvement techniques; 9005629

basal readers, primary school children's judgments/perceptions;

basal readers, sentence-combining instruction source; 9000683 beginning literacy instruction, dialogue journal writing approach ef-

fect, 1st graders/parents/teachers; 9003378 beginning readers' linguistic retrieval/written words concept/naming ability, developmental course; kindergartners/1st graders; 9003300

beginning reading program implementation, language study inquiry approach application, primary-grade teachers underlying assumptions; case study; 9007971

beginning reading, metalinguistic abilities role; 1st graders; longitudi-nal study; 9000654

beginning writing skills development, total school program use; 9003417

big meaning acquisition; age differences; shape/object descriptions; preschool children, adults; 9007435

bilingual classroom learning experiences, teachers' individual interactional style/structuring participation impact; underachieving Hispanic 1st graders; 9000866

bilingual education, teachers'/parents' perceptions, bilingual learners' academic performance relationship; 1st-3rd grades; 9008183

bilingual students' oral language/academic proficiency relationship as-sessment, Woodcock Language Proficiency Battery; 9003466

bilingual vs mainstream programs, self-concept/intelligence patterns; Wechsler Intelligence Scale for Children/Piers-Harris Children's Self-Concept Scale; Puerto Rican elementary school children; 9008167

British Columbia elementary schools' literacy curriculum, 1945-1960; critical analysis; 9005640

buddy journal benefits, natural reading/writing connection facilitation, 3rd graders; 9007871

Chapter One diagnostic reading materials development, student interview use importance; 9008092

Chapter One/special edcuation literacy instruction evaluation; 2nd graders; 9009815

child cognitive development, category representative types, German preschool/elementary school students' age/typicality norm correlations; experiments; 9007414

child linguistic abilities development/scholastic achievement; culturally advantaged vs disadvantaged background; Spaniards, mean age 6:6; 9000081

child metalinguistic ability development; semantic/morphosyntactic metalinguistic consciousness; Italian elementary school pupils; 9005033

child's theme sense development, narratives; literature familiarity role, age differences; kindergartners/2nd/4th graders; 9002524

child's written meaning creation, kindergarten/1st-grade Hispanic mi-grant children's compositions; 9005546

children's comprehension evaluation/regulation, reading ability effects; 6th graders; 9005705

children's database use/creation, 2nd grade-secondary school; 9005557 children's elicited fictional stories, cohesion analyses application compared; age differences, coherent story construction ability; pre-schoolers/2nd graders; 9000086

children's figurative language comprehension, metaphors/analogies/ models instruction effectiveness; 9000093

children's literature, school adjustment topics; preschool-adolescent audiences; 9000571

children's reading/listening comprehension monitoring; 9002462 children's spelling errors, grade level/interview/across grade level per-spectives; 2nd-5th graders; 9005005

children's word structure knowledge, decoding/spelling instruction implications; 3rd-5th graders; 9007415

children's writing development; primary school teachers' sensitization, relevant text/discourse analysis; 9005747

children's writing instruction, parental involvement program; interviews/questionnaires; 1st-grade students; 9008110

children's writing, student teachers' treatment; contrasting compositions; 9005733

Chilean Spanish students' chronological/linguistic maturity correlation; syntactic complexity index; written discourse; elementary/secondary grades; 9003454

cognitive style/performance field-dependent/-independent dimension, specific reading tasks; 3rd graders; 9003345

cognitive/literacy development relationship; additive seriation, hierarchical classification, reading comprehension, literacy interview; 5th graders; 9005542

complete sentence reading, automatic-spreading activation effects, tar-get-word naming latency; 3rd/6th graders; 9005703

composing process/written product temporal aspects/characteristics, narrative vs factual structures; 1st/2nd graders; 9000791

composition instruction, inner-city elementary school, effective condi-tions; descriptive study; 9008121

comprehension instruction, elementary school teachers; observations, statistical comparison; 9008001

comprehension monitoring/reading comprehension; text difficulty; average 5th-grade readers; 9008046

computer-assisted instruction effect, 1st/2nd graders' vocabulary performance, pre-/posttreatment assessments; 9005565

computer-assisted second-language acquisition, cooperative learning context; oral discourse; 5th-grade Hispanic males; 9005396

computer-assisted writing/reading instruction, 1st-grade students; 9005770

computer-based word study program, response automaticity emphasis effects, reading/spelling ability; 3rd-5th graders; 9005704 computer-mediated text, comprehension differences, reading time/reader preference/learning estimation roles; 5th/6th graders; 9003334

content area reading material/5th-grade students' meanings relationship, peer collaborative discussions; 9007519

content instruction changes, action research use/teachers' involvement; 6th graders; 9000634

context dependence, commercially prepared comprehension materials; 5th graders; 9000668

critical reading readiness development, primary grades; classroom activities; 9005510

critical thinking instruction, language experience approach, commercial advertising use; elementary schools; 9003076

cultural worldwide interdependence; classroom twinning project, overseas letters/reports/projects; 9008192

Curious George series experimental use, 2nd-/3rd-grade poor readers improvement; 9005596

decoding ability prediction, phonological awareness tasks role; readingdisabled/normally reading 3rd-/4th-grade males; 9007307

developing readers' literacy learning, whole language curriculum, cognitive/social aspects; 9007864

developmental articulatory dyspraxia, Milloy Assessment of Praxis validity; original/subsequent experiments; children; 9009778

direct instruction/process writing/time on task observations, elementary/junior high school classrooms; 9003402

direct-speech beginning reading texts, 1st-/2nd-year students' comprehension ability; 9000720

direct/indirect requests, children's pragmatic judgments; 3rd/5th/7th graders; 9005001

directive/interactive prereading strategies, teachers'/elementary learning disabled students' verbal interaction; 9007904

disabled readers' spontaneous correction behavior, self-correction strategies, word-level comprehension improvement priority; 4th graders; 9009809

discourse synthesis process; reading to understand/write concepts; 6th/8th/10th graders; 9005766

DISTAR reading program effectiveness, primary students' developing language skills; 9007973

Dutch as a native language instruction, mono- vs bilingual students' grammatical errors; A. Kerkhoff's study critiqued; 9005125

echolalic children's language acquisition; naturalistic intervention program; 11-year-old child; 9007423

Effective Use of Time Program effects, limited English proficient students' reading/language achievement; students aged 6-12; 9005254

elaboration strategy transfer, elementary/secondary non-learning-disabled/learning-disabled students; 4th/7th graders; 9007300 elderly treatment, children's fiction books, primary grades, 1960-1972/1973-1986; content analysis; 9005646

elementary reading/writing instruction, comprehensive cooperative learning approach; 3rd/4th graders; 9000736

elementary school author program, teachers'/students' activities/

elementary school foreign-language programs, 1960s vs present; 9007642

elementary-level writing instruction, student inspiration, fantasy stories use; 9008143

English as a second language instruction programs, Quebec primary schools; teaching practices, learning outcomes; 5th-/6th-grade native French speakers; 9005335

English as a second language instruction, Nigerian schools; listening/ reading skills development importance, mass media role; 9005282

English as a second language learners' reading/metalinguistic awareness/collaborative environment relationship; observations; native Spanish-speaking 4th-grade remedial/regular classrooms; 9000393

English as a second language learning, peer tutoring context; New Zealand primary school; 9005343

English as a second language students' integration patterns/success, grade-level mainstream class; students aged 6-8/12-16; 9005395 English as a second language students' written production; writing tasks types; 6th graders; 9007787

English as a second language verbal behavior; male Hispanic 2nd/3rd graders; 9007749

English as a second language writing acquisition, first-language knowledge application; meaning negotiation, invented spelling; Spanish-speaking 1st graders; 9000820

English as a second language, "encounter" approach, North Rhine-Westphalia elementary school; 9000197

English as a second language, individual learning development longitudinal study, Lower Saxony elementary schools; 9000264

English morphology acquisition, affixation levels; level-ordering lexical model supported; kindergartners/2nd/4th graders, children aged 5/7/9; 9000064

English reading test performance, influential factors identifiation; Spanish-English bilingual 5th/6th graders; 9000746

English reading/spelling/internal words structure analysis abilities relationship, French immersion/English programs children; 1st graders; 9002538

English-language acquisition process, Comprehensible Input/Language Experience Approach use; 4th-6th graders; 9003183

English-language beginning reading instruction; meaning emphasis/ phonics emphasis approaches; 2nd-/3rd-grade bilingual Spanish readers; 9007591

English/French as a foreign language instruction institution, elementary school level, Greek government's support; curriculum/objectives development; 9002826

English/Kiswahili orality/literacy acquisition aspects; Kenyan primary school children; 9002556

English/Korean relative clauses crosslinguistic acquisition, linguistic iconicity as constraint; Korean grade school bilingual children; 9000156

English/Spanish reading readiness/language development, basal vs Ashton-Warner language experience approaches' comparative effectiveness; Spanish-language-dominant 1st graders; 9000656

ethnic language preservation/use, migrant Yugoslav parents/children, Mannheim, West Germany; questionnaire; 9009454

expository text comprehension, previews effects; more vs less skilled 5th-grade readers; 9007939

expository text reading, students' predictive questions/teachers' prequestions, cognitive levels; kindergarten-5th grade; 9000667

expository text recall; directed reading activity/mapping; 5th/6th graders; 9007868

expository text, interest/student recall improvement strategies; 4th/6th graders; 9003149

factual/inferential comprehension, pre-instruction vs previous experience development effects; 5th/6th graders; 9003218; Finnish as a native lappuage instruction, elementary schools, gramma

Finnish as a native language instruction, elementary schools, grammar position changes, 1841-1970; 9007527
First Grade Readiness Assessment initiation, historical description;

First Grade Readiness Assessment initiation, historical description; 9008076

Foreign Language in Elementary School (FLES), parents' attitudes/ interests; questionnaire; Midwestern parochial school students' parents; 9000335

foreign-language instruction experimental project, Italian elementary schools; language curriculum, functional-notional approach basis; 9000225

French as a foreign language instruction, BELC method; Indian/ Colombian children aged 6-8; 9002704

French as a native language students' spelling proficiency; Italian as a second/heritage language learning; report cards; 9007759

French as a second language communicative competence promotion, grammar teaching role; 6th-grade immersion class; 9000415

French as a second language instruction, analytic/experimental approaches distinguished; COLT (Communicative Orientation of Language Teaching) observation scheme/French immersion compared; 2nd/3rd/6th graders; 9000180

French as a second language instruction, elementary level, Russian first graders; methodology/activities, personal experience; 9000296 French as a second language, primary school, UK Primary French pilot project; East Sussex program's success; 9000257

French dictionary use, French as a native/foreign language primary/ secondary/college level students, France/China/Japan/US; survey; 9001894

French-German bilingual education, elementary students' interaction/ language use; statistical analysis; 9005828

French-immersion education relationship, 1st-/4th-grade Canadian children's tonal skills; 9002737

French-language instruction, Italian elementary schools; teacher training, program development; 9000226

French/German as a second language instruction, elementary school, Upper Rhine border zone; programs/cooperation evaluated; 9000870

functional language use, instruction dialogue journal writing; elemen-tary school students; 9007865

German for special purposes instruction, migrant children, secondary vs elementary/preschool level introduction; 9002823

German-English bilingual education history, Cincinnati public elementary schools; 9000881

good readers'/writers' authorship concepts, 1st/3rd/5th graders; 9002651

grammatical mistakes, monolingual vs bilingual post-elementary school students; debate; 9007691

.Greek/Latin word roots instruction, disadvantaged 6th-grade readers; activities, materials; 9000541

Hawaiian Creole/Standard English speech distribution, Holopono Project classroom, Hawaiian public elementary school; micro-ethnographic approach/perspective; 9001851

hearing-impaired speech quality/intelligibility, teachers' attitudes; educational backgrounds; tape recordings; 9009745

holistic/child-centered 1st-grade literacy environment description;

Hungarian native language instruction, elementary school visitation impressions; International Mother Tongue Education Network presentation; 9000149

independent seatwork assignments, 1st-grade reading instruction, stu-dents' responses; observational study; 9003250 inflectional morphology, poor/normal readers, verbal deficit hypothe-sis aspect; 2nd/4th/6th graders; 9008033

informal reading inventories, elementary teachers' use/evaluations; questionnaire survey; statistical/ethnographic analyses; 9000554

informal reading inventories, invalid accompanying vocabulary questions; 3rd/4th graders; 9008080

informal spelling assessment use, students' orthographic knowledge levels evaluation, student grouping, primary classroom word study/directed reading; 9007859

informational writing, instructional strategies' effects compared; 4th-/6th-/8th-grade students; 9003416

initial reading/writing instruction, West German discovery approach pedagogical/methodical principles; 9000500

instructional reading levels determination, 1986 Metropolitan Achievement Reading Comprehension Test vs basal reader placement tests' validity; 2nd/4th/6th graders; 9000756

instructional/independent reading levels analysis, 2nd/5th graders, selected Christian schools, central Alabama; 9000754

integrated reading/language arts curriculum, comprehensive evalua-tion; low-achieving children's experiences emphasized, primary classrooms; 9000588

intellectual ability/psychomotor skills relationship, bilingual students' academic achievement; English-/Spanish-based comprehension tests; 3rd graders; 9000853

journal-writing process/technique, reading aloud impact; student be-havior, actual writing; pre-kindergarten to 4th grade; 9000805

language development importance, Capital Area Intermediate Unit, kindergarten/1st-grade teachers'/principals'/speech-language spe-cialists' perceptions; 9005110

language duality/attitudes influence, learning process, United Arab Emirates primary schools; sociolinguistic approach; 9002038

language policy/classroom language, English/Swahili/native language use, Kenyan primary schools' science instruction; 9003461

language skills, normal/language-impaired kindergarten/1st-grade English-Spanish bilingual children; 9004796

language structure relationship, basal readers/1st/2nd/4th/6th graders' oral language patterns; 9000520

language-use differences; recordings; mono-/bilingual Dutch 4-/5year-olds; 9007442

learning problems, social construction; language use, special education resource room; 9007322

learning-disabled children's reading/thinking skills enhancement, Informal Strategies for Learning program; reading-disabled 3rd/4th graders; 9009820

letter naming ability development, critical/transitory importance; kin-dergartners/2nd graders; 9000739

limited English proficient elementary-grade students' reading improve-ment, specific activities; 9007991

linguistic performance/academic achievement, sensorineural unilater-ally hearing-impaired children aged 6-12; 9007208

listening comprehension improvement, structured listening activity use; kindergarten-grade 3; 9003103

literacy activities, Spanish-speaking 2nd-grade classroom; ethnographic evaluation methods; 9005540

literacy definitions/practices, 3rd-grade whole language classroom; participant observation, key-informant interviewing; 9003246

literacy materials development, Ghana community involvement; 1st-3rd graders; 9003144

literacy standards, historical study, US elementary education epochs; 9005558

literal/inferential reading comprehension, various prereading activities effects; 5th graders; 9000480

literature predictability, children's preferences/comprehension link; 3rd-8th graders; 9000582

literature response, aesthetic/efferent stances use, age-level differences; 4th/6th/8th graders; 9008049

literature-based reading, teachers' interpretations; qualitative data, ethnographic techniques; elementary classroom case studies;

literature/composition integration, language arts curriculum; philosophical/practical considerations; 9005130

main idea comprehension, text effects; 4th/6th/11th graders; 9005669 Maori (Polynesian) language revitalization attempts, preschool elementary/high school immersion programs development; 9000879

Mapuche elementary school students' Spanish incompetence, phono-logical/grammatical characteristics; Victoria community, Chile; 9000862

mathematics achievement, reading instruction effects; 4th/5th graders; 9000547

mental imagery execises use, elementary comprehension instruction; 4-, stage procedure; 9000538.

metacognitive strategy effects, expository text recall; 3rd graders; 9000162

metadiscourse/anxiety interaction, children's social studies textbooks materials acquisition determination; 6th graders; 9003301

metalinguistic awareness, child language development, intellectual abilities relationship; English-speaking Australian elementary pupils; 9004954

metalinguistic sentience, gifted kindergartners/1st graders; ethno-graphic study; 9000023

metaphor in text effect, new concepts acquisition; 2nd/4th/6th graders; cognitive developmental study; 9007452

metaphorical comprehension, semantic feature analysis instructional method; Utah 3rd graders; 9007899

Michigan Educational Assessment Program's 1987 pilot reading test, 4th graders' performance; 9000750

multiple-meaning expressions use, elementary school teachers;

narrative writing quality, story organizer effects; 4th graders; 9000771 narrative writing; cognitive monitoring strategies; 4th-/5th-grade students; 9008157

native-language pedagogy, Ivory Coast, experimental program; 9007525

Nigerian primary schools' educational reforms results; native-/French-language role; 9007549

novel interpretation instruction approach, 4th graders; 9007855 official classroom vs underground literacy, cultural features influence; 6th graders; 9005746

Ohio Reading Recovery Program, at-risk 1st-graders' good reading strategies development/acquisition; 9003123 oral reading learning rates, instructional/frustration levels; mildly

learning-disabled elementary pupils; 9009822 oral reading performance, proficient vs nonproficient Chinese elementary students; psycholinguistic analysis; 9008028

oral/silent reading miscues, 2nd/4th/6th graders; post hoc psychol-inguistic analysis; 9008050

oral/silent reading rates comprehension, various difficulty levels; 4th graders; 9000687

oral/written narrative retellings similarities/differences, semantic analysis; age-related trends; 1st/3rd graders; 9000055

parent education program effects, parents'/2nd graders' reading practices; 9000610

peers' verbal interaction, small cooperative work groups, communica-tion skills training effects; 5th graders; 9002024

phonological deficiencies role, developmental reading problems; kin-dergarten/1st grade; 9002372

phonological sensitivity/sex/spoken language functions, search-passage type effect, letter cancellation task; Black English- vs Standard English-speaking 4th graders; 9000729

Portuguese as a native language instruction, Brazilian elementary schools, social/science/teaching crises, oral language/grammar teaching proposals; 9007513

precocious readers, early elementary grades; longitudinal study;

preschool literacy/writing development/strategies; longitudinal study; kindergarten-grade one; 9005659

pretesting use, increased free-time allocation, intermediate readers; average/above-average 5th/6th graders; 9005723

primary classroom microcomputer use, generated talk, nature/ quantity; students aged 6-7; 9000068

primary school literacy center, ethnographic investigation; 9007944 primerese text controls/distinctive features counterproductivity, 1stgrade reading instruction; 9003341

proposition recall, imagery effects, text micro-/macrolevels; 5th graders; 9000713

prose processing abilities, self-generated learning strategy training effects; 4th/6th graders; 9000721

punctuation marks/connectors use, 2nd graders; 9000778

reader response efficacy, elicitation vehicle, higher-order/abstract thinking skills use; 4th/8th/11th graders; 9000701

reader/text characteristics effects, reported imagery, pre-/postreading; 5th graders; 9008047

readers' prior knowledge, assessment methods/techniques; 3rd-6th graders; 9000562

reading achievement growth comparison, learning-disabled/lowachievement readers; 3rd-6th graders; 9000730

reading achievement potential, at-risk 1st-3rd graders; contrasted traditional/multi-sensory reading instruction groups; 9000646 reading achievement, basal vs whole language approaches use; 1st

graders; 9007917

reading achievement, Head Start participation effects; longitudinal study; kindergarten-6th grade; 9003191

reading achievement, phonics/reading comprehension/vocabulary achievement causal relationship; cross-lagged panel/path analysis; 2nd graders; 9007895

reading achievement, psychological processes/sex/cognitive processing reading treatment effects; 1st-3rd graders; 9003363

reading achievement, school entry age effect; grades 1-3/6; South Carolina Basic Skills Assessment Program Test; 9005719

reading achievement, success predictors, 1st graders; 9003186 reading achievement, transitional 1st grade attendees; SRA Achievement Test scores; Oklahoma 1st-4th graders; 9003239

reading achievement/hemispheric performance relationship, black vs caucasian 4th/5th graders; 9005653

reading achievement/metalinguistic awareness relationship, 1st/2nd graders; 9000694

reading achievement/performance, whole language vs basal approach 1st graders; Gates-MacGinitie Reading Survey Test Level A; 9007960

reading achievement/self-concept/control locus; play therapy; Gates MacGinite Reading Test/Piers-Harris Childrens' Self-Concept Scale/Intellectual Achievement Responsibility Questionnaire; 1st graders; 9007883

reading achievement/self-concepts/reading attitudes; direct training in active comprehension; at-risk 6th graders; 9007977

reading achievement; cost/demographic variables; 4th graders, Arkan-

reading achievement; supplementary reading approaches; 1st-grade students; 9007962

reading achievement; whole language approach; standardized tests; differing scholastic ability/cognitive style intermediate-grade students; 9007856

reading acquisition approaches compared, 1st-grade high/middle/low reading groups; "whole language" approach supported; 9000539 reading acquisition, nonstandard English dialect-speaking elementary

students; 9007990

reading aloud, traditional vs modeled approach, children's responses; enlarged texts use; kindergartners; 9000505

reading amount/achievement relation; out-of-school activities survey; 5th graders; 9003060

reading attitude survey development/testing, elementary school students; 9000757

reading comprehension ability improvement, seatwork activities class-room implementation; 2nd grade; 9000636

reading comprehension improvement; advance organizers; 4th graders; 9008061

reading comprehension instruction, character event mapping technique; 5th graders; 9005543

reading comprehension instruction, K-W-L/K-W-L Plus strategies' effectiveness; 9007936

reading comprehension instruction, main idea determination, goal set-ting purpose/effectiveness; 4th/5th graders; 9007969

reading comprehension instruction, story frames strategy, 1st-grade classroom; 9003112

reading comprehension instruction/post-reading discussions, teacher feedback; 3rd-6th graders; 9000604 reading comprehension performance, 5th graders, listening/silent reading/round robin oral reading conditions; 9000589 reading comprehension processes described/compared, multiple chcloze tests/retellings/nonassessed reading task; 6th graders; 9005720

reading comprehension training/performance; 3rd/5th graders; 9000603

reading comprehension, component subskills isolation; reading/ spelling/information-processing speed tests; German 2nd graders; 9005692

reading comprehension, prior knowledge/advance organizers relation-ship; children aged 7:1-10:0/7:4-9:11; 9005622

reading comprehension, reading management system effects; 3rd graders; 9003111

reading comprehension, spatial representation effects; 5th/6th graders; 9005677

reading comprehension/composition/speaking/listening skills, wholistic reading technique effects; 6th/8th graders; 9007885

reading comprehension/mathematical problem-solving performance, print size adjustment effects; 1st-3rd graders; 9003308

reading comprehension/recall; prior knowledge, content-related atti-tude; written free recall/multiple choice tests; 6th graders; 9007918 reading comprehension/self-concept improvement, Gestalt Educational Therapy effectiveness; intermediate grade students; 9005538

reading comprehension/text recall, research-supported effective strategies, direct-explanation approach emphasized; 9000618

reading comprehension/topical interests relationship, below-average reading 3rd-6th graders; 9008044

reading comprehension/word recognition ability, specific reading in-struction techniques effects; 1st graders; 9003234

reading comprehension/word recognition/metacognitive performance relationship; 4th graders; 9000697

reading comprehension; logical language training; 4th/5th graders; 9007979

reading deficiencies, individualized remediation program; elementary level teachers/students; 9000573

reading difficulties, preadolescents, componential approach; 4th-6th graders; 9000583

reading disabilities incidence/characteristics, Japan; reading ability/ intelligence tests; 5th graders; 9002363

reading disability remediation, cognitive-adaptationist vs diagnosticprescriptive approach effectiveness; 3rd-grade student; 9002355 reading failure remediation/maintenance program, elementary school

level, Denmark; 9000615

reading fluency/comprehension, repeated reading effects; 2nd-grade transitional readers; 9000700 reading growth/time spent reading relationship; 5th-/6th-grade students; 9008070

reading incentive programs development, independent reading habits motivation; reading-disabled elementary school children; 9003131

reading instruction behavior dependency, classroom's theoretical orientation; teachers' self-profiles/practices incongruencies; 9007932

reading instruction guidelines/techniques, informational text comprehension improvement; elementary students; 9003253

reading instruction practice/literacy theories relationship; 2nd-grade classroom's reading time observations; 9005600

reading instruction practices, middle-level schools surveyed; 9003154 reading instruction status, Nigerian primary schools; 9000530

reading instruction, different classroom settings; 2nd graders; 9007896 reading instruction, direct vs facilitating methods effects, gifted stu-dents' creative reading ability; 5th graders; 9000627

reading instruction, elementary school teachers' beliefs/practices; eth-nographic perspective; 9000661

reading instruction, high-/low-achieving students; exemplary/ satisfactory 4th-grade teachers' expectations; 9007938

reading instruction, mildly handicapped elementary students; quantita-tive/qualitative aspects; 9003196

reading instruction, real literature use approaches, elementary level; 9007981

reading instruction, selected inference types generative-reciprocal pro-cedure, key vocabulary highlighting; 3rd graders; 9003214

reading instruction, systems-based/integrated approaches effectiveness; San Francisco Unified School District elementary/middle schools;

reading journals vs conventional writing assignments use; 4th graders; 9008007

reading lesson content/reading ability, metacognitive awareness; ex-plicit instruction; 3rd-grade low group students; 9007943

reading lessons, students' responses/teachers' rejoinders; 2nd-grade classrooms; 9003245

reading materials preference, textbook vs peer stories; San José (Costa Rica) third graders; 9000671

reading performance; reading while listening/listening/silent reading testing modes; 6th-grade boys vs girls; 9008087

reading problem screening/identification, SEARCH utilization; kindergartners, 1st/2nd graders; 9002414

reading process, full graphemic cues use/spelling ability relationship; 5th graders; 9000689

reading rate, temporal features sensitivity; 9008027

Reading Recovery early intervention program, individualized reading/ writing instruction, low-achieving children; school/home support importance; case studies; 9000628

reading skills development effective facilitation, guided reading/ reading-while-listening/computer-based independent reading; 1st graders; 9000624

reading skills/grammaticality judgments, 2nd graders; sentence-level knowledge/reading disability association; 9002360

reading strategies, staff development program perceived effectiveness; questionnaires; Baltimore County, Maryland, public elementary schools; 9007867

reading strategies, syntactic/semantic/grapho-phonic cue systems reliance; inner-city children aged 7:6-8:6; 9005687

reading teacher discourse improvement, self-directed materials use, fairy-tale-based reading lesson; 9005616

reading test results use, students' basal/content materials placement, elementary school teachers; 9003358

reading, 1st graders' perceptions; participant observation, in-depth interviews, document analysis; 9003069

reading/communication arts integrated K-12 program development, Cincinnati schools; 9005555

reading/information skills instruction, integrated approach; elementary school children; 9003254

reading/language arts curriculum determination, elementary classrooms, teacher vs independent activities; 9007530

reading/language arts curriculum, commercial television entertainment programs integration, 5th-grade level; 9007861

reading/listening comprehension; sentence combining practice; 4th/8th graders; 9008006

reading/mathematics achievement/attitude, remedial 6-weeks summer school program effects; 4th-8th grade; 9003153

reading/spelling skill/phonological awareness/spelling-to-sound knowledge, visible model vs word list treatment effect; good 2nd-/average 3rd-/poor 4th-/5th-grade readers; 9003107

reading/writing achievement, Italian first-grade normal/extendedhours school students; sociocultural variables; tests, questionnaire, observation, interviews; children/adults; 9007953

reading/writing improvement principles, upper elementary groups; 4th grader; 9003252

reading/writing improvement, text structure teaching use; 5th graders; 9007854

reading/writing instruction, creatively designed learning environment; 9007882

reading/writing instruction, integrated program development, elementary school; 9002632

reading/writing instruction, meaningful experiences; first-graders; 9003415

reading/writing integration, daily curriculum; anecdotal reports; kindergarten-4th grade; 9002641

reading/writing practices observation, cross-section classrooms, New Zealand 5-year-olds; 9003200

reading/writing skills instruction, modified key vocabulary approach; 1st graders; 9007966

reading/writing uses, children's knowledge/values; 1st graders; 9003157

reality writing facilitation, primary children; 9005734 recall; three discourse structures; 4th graders; 9007459

repeated reading benefits/uses, remedial/regular students; 9007890 rudimentary second-language exposure/pre-reading disposition/metalinguistic aptitude, cognitive relationships; Spanish kindergartners/1st graders; 9002458

seatwork cost estimation, 2nd-grade classroom; 9008015

seatwork during reading instruction, elementary teachers' theoretical knowledge use/students' on-task behavior relationship; 9007970 second-grade basal readers, universal moral values content analysis; 9008018

second-language (non-English) instruction current provisions, western Australia primary schools; teachers'/principals'/parents' opinions; 9002783

second-language instruction, Italian elementary school, reformation proposal; 9000245

second-language instruction, Polish elementary school; motivation stimulation/maintenance; 9005240

second-language instruction, preschool/elementary school levels; objections refuted; 9002740

second-language learning programs comparative evaluation, Englishspeaking majority language students, Montreal; early/delayed immersion programs/all-French schooling; 9000254

second-language lexical proficiency, French as a second language vs native-speaking 6th graders; verb use, written compositions; 9002982

semantic mapping as prewriting technique use effects, 4th graders' written products; 9005738

serial short-term memory development, articulatory loop use proficiency association; fixed span/running memory/articulation tasks; 5th-6th/11th-12th graders; 9007449

sex role perspectives, children's writing; kindergarten/1st-/2nd-/3rdgrade students; 9008134

short-term memory rehearsal development, pictorial vs spoken stimuli; children aged 6-8/10-11; 9005058

silent reading comprehension, 4th graders' self-monitoring; 9003299 simultaneous/sequential processing scores, reading comprehension relationship; 4th/5th/6th graders; 9000584

southern black children's final consonant production, PROPH computer program analysis; preschool-3rd-grade children; 9000066

Southern English dialects introduction, literature use, elementary level: 9005633

Spanish as a second language instruction impact, elementary level two-way bilingual program; 9000182

speech repetition/phonological encoding abilities, good vs poor 3rd-grade readers; 9005650

spelling achievement, sexual difference; written/proof-reading-type standardized achievement tests; 1st-6th graders; 9007510

spelling errors constancy/change, 1st-6th graders; orderly hierarchical progression evidence; 9007434

spelling instruction guidelines, elementary school level, relevant research/literature basis; 9000168

spelling instruction program development; third-grade class; 9000715 spelling performance/school attitude; color coding; Metropolitan Achievement Test; 6th-grade students; 9007512

spelling problems, underlying causes; junior primary pupils; 9007517 spelling strategies, 1st graders; journal-writing samples, observations; 9007940

spelling/oral reading abilities connections; 3rd/5th graders; 9005707 spoken monosyllabic nouns perception, learning-vs non-learning-disabled children; auditory testing; children aged 8-12; 9007301

standardized reading tests' effectiveness, elementary school level; basal readers'/assessment tests' inconsistent writing types; 9000745 story grammar/interestingness effects, children's narrative recall/

story grammar/interestingness effects, children's narrative recall/ preference, standardized reading comprehension tests; 1st/2nd graders; 9003364

story schema use, black inner city 5th/6th graders' written narratives; good vs poor readers; 9005730

student talk patterns, 5th-grade mathematics class, cooperative learning groups; 9006934

students' writing abilities, whole language vs traditional instruction approaches; writing task; 2nd/6th graders; 9008163

students' writing abilities; teacher training; experiments; kindergartners-11th graders; 9008115

successful Navajo readers' sociocultural environments/home characteristics; 5th graders; 9003146

sustained silent reading program modification, kindergarten/1st-grade use; 9000574

syntactic comprehension difficulties source, young poor readers; 2nd graders; 9002378 teacher verbal behavior relationship, students' perceptions; 4th-6th

grade; 9002010 temporal terms before/after comprehension, good vs poor 2nd-grade

readers; 9000723 test scores, 3rd-/5th-/7th-grade writers; holistic writing assessments, "process" time; 9008129

text comprehension, 4th-6th graders self-evaluation ability, three standards use; 9008075

text controls state of the stat

9000708 text comprehension, inference role; age/knowledge differences; causation descriptions; kindergartners, 1st/2nd/3rd graders; 9007398

text comprehension, oral/silent reading influence; 6th graders; 9003347

text evaluation/revision skills developmental differences, difficulty sources; 4th/6th graders; 9002483

text interpretation, illustrations/pictures use strategies positive/ negative evidence; 5-year-olds, New Zealand; 9000545 text organization/structure, prereading questions/advance organizers; 4th-/6th-grade science textbooks; 9000674

text strategies development/use, whole language classroom effects; retained 1st graders; 9005625

text structure/content schemata operation, isolation/interaction; 5th/7th/9th graders/adults; 9000725

text structure/summarization instruction, expository text learning fa-cilitation; 5th graders; 9000483

textbook use, elementary vs secondary teachers; survey; 9000512 textual forms instruction, successful approaches; current language-learning theory consistency; 3rd-/5th-grade classrooms; naturalistic longitudinal study; 9000775

topic choice, 1st-grade process-writing classroom, related factors; 9000787

traditional reading instruction alternatives implementation/evaluation, 2nd-grade classroom; 9000529

US reading series complete cross-referenced index, kindergarten-8th grade; 9003274

video program effects, 2nd graders' writing; process approach emphasis; 9005755

Vietnamese/English transitional bilingual education program experimental impact, native-/second-language proficiency; kindergarten-2nd grade; 9005829

visual perception deficits/learning disability relationship; letter-like forms task; learning-disabled/normal children, aged 6-7; 9009808 vocabulary acquisition, keyword vs direct instruction effectiveness; developmentally handicapped/learning-disabled/mentally retarded children aged 10:4-13:11; 9004883

vocabulary instruction types/student expression relationship; 4th graders; 9005122

vocabulary instruction, individual word meanings vs word-meaning contextual derivation approaches; 5th graders; 9005566 vocabulary instructional practices, 4th-/5th-grade reading teachers; questionnaire; 9003173

volunteer read-aloud program design/development feasibility, 2nd-grade level; 9007989

whole language instruction practices evaluation, 2nd-/6th-grade class-rooms; 9002640

whole language instruction, applications, literacy development; 9002627

whole language instruction, teachers'/students' advantages/ disadvantages; observations; 1st-grade classrooms; 9003408

whole language program implementation, 1st-grade teachers' experiences; 9007898

whole language program, teacher's role, direct/indirect instruction model; oral/written language development, high risk kindergartners 2nd graders; 9005612

wholistic learning environment, literacy learning natural facilitation; children aged 8:6-11:9; 9000497

Woodcock Reading Mastery Tests' Word Identification Subtest, Forms G/H different classification consequences; fifth-grade stu-dents; 9004922

word processing/revision patterns effects, sixth-grade students' writing quality; 9003406

word recognition latencies, end-of-year 1st-grade readers; repeated readings, consistent vs varied syntax; 9000718

word recognition/spelling cognitive relationship; 1st-3rd graders; 9005666

word-meaning derivation, morphological analysis use effects; multiple-choice vocabulary tests; 3rd/4th graders; 9008004

word-part clues use instruction, elementary students; 9005628 word-reading strategies, comprehension/reading time/phonemic awareness relations; 2nd/3rd graders; 9003307

word-recognition development; closed-captioned TV use; below-average 3rd-/4th-grade readers; 9007986

word-retrieval process/reading acquisition/development, bilingual kin-dergarten to 4th-grade average/impaired readers; 9000867

writing ability, Anglo vs Hispanic elementary school students, bilingual/submersion/regular programs; 4th/6th graders; 9000777 writing ability/motivation; semantic organizer; pre-/posttests; 4th-grade students; 9008131

writing achievement/attitudes, teacher vs peer editing instructional emphasis effects; 5th/6th graders; 9000774

writing experience/activities/ability, 1st graders aged 6-7; 9000792 writing instruction process approach, writing production/behaviors/proficiency, differing play/learning styles; 1st-grade students; 9008138

writing instruction teachers' mechanics/grammar skills vs content skills emphasis impact, writing performance; questionnaire, test scores; 3rd grade; 9000798

writing instruction, alternative methods compared; Cherokee 3rd-8th graders; 9000783

writing instruction, IEA study; Sweden; 9008132

writing instruction, whole language vs traditional approaches, students' writing samples/attitudes; 2nd/6th graders; 9005772

writing perceptions/language skills achievement/written text production ability relationships; 4th graders; 9000772

writing process implementation, Jumanji literature unit use; 6th-grade classroom; 9000782

writing process nature, word processing use; 6th graders; 9008155

writing process, children's conversational model reliance; dialogue writing task; 6th graders; 9003367

writing process, logo programming as vehicle use; student behaviors/ attitudes description; 6th graders; 9000836

writing samples comparison; 1st graders, different social settings, as-signed/unassigned topics; audio-taped/written observations; 9005726

writing use, astronomy principles acquisition; 6th graders; 9003372 written expression, learning-disabled vs normally achieving 4th/8th/11th graders; 9002364

written journal contents, undirected 1st graders; 9003421

written register, young children's control; 2nd graders; 9000838 written response/orthographic knowledge relationship; mixed-grade (1st-3rd)/-ability classroom; 9005648

written texts, language functions; contextual elements; 5th-grade stu-dents; 9008145

written-language achievement/computer use attitudes, teacher com-munication/cooperation effects; 3rd-6th graders; 9000848

## edded Construction

affective lexicon structure, two-dimensional circumplex model questioned: 9006867

command relations, systematic formal treatment; R. W. Langacker's notion redefined; 9006352

Dutch crossed vs German nested dependencies processing difficulty; embedded push-down automaton application validity; 9004967

Lambek calculus application, embedded subjects preposing; 9008823 sentence acceptability, picture noun phrases extraction; experiments; naïve raters; 9008393

speech recognition systems development, speech production process representation, hidden Markov models vs stochastic context-free grammars use; 9007189

verb incorporation, polysynthetic languages, government-binding analysis; 9008813

vocal stress; deception/truth telling conditions; audiotaped interviews; Chinese US immigrants; 9009373

adolescent spoken discourse, addressee-oriented emotional involvement expression, indefinite/nonuniversal features; 9008654

affect communication, verbal/nonverbal behavior roles; interactional TV segments; undergraduates; 9009617

affective communication language style; semantic/lexical/syntactic differences; native vs nonnative English speakers; 9007753

blame, psychological concept/linguistic realization, emotion cognitive theory framework, German subjunctive/blame modals; 9001108 communication disorder, Renaissance Italy; H. Mercuriales's unre-ported case study; 9007291

communication theory, language/mind/society relationship; 9009476 emotion words, rule-governed semantic analysis, K. R. Scherer vs T. Boll/R. Neppl debate; 9003709

emotional language paralinguistic forms, seduction intonation sentences; female speakers; 9002263

tences; temale speakers; 9002203
emotional prosody, neurodevelopmental differences; normal vs right/
left temporal lobe partial complex epilepsy children; 9004764
emotional/cognitive profile determination, B. I. Dodonov's unfinished
sentences method reliability/validity; 9002421

emotions analysis, cognitive processes understanding/goals, natural language emotion terms; 9003710

erotic texts translation, G. Duby's L'Amour en France au XII Siècle (Love in France in the Twelfth Century), "weak"/"strong" translation examples; 9000915

evaluation process/language relationship, lexical/contextual realiza-tion; 9003739

facial expressions, emotions, universality status; language teaching/learning implications; 9005232

German emotion expression, W. Shibles's assertions refuted; 9005367 German emotion words/phrases, cognitive theory of emotion frame-work; English equivalents compared; 9006184

German particles/interjections, meanings/typology, semantic value; 9003747

Grimm brothers' stories revision evidence, emotional tone scores levels/patterns comparison; J. M. Ellis's theory supported; 9004587

humor/affectivity, Jacquetía (Judeo-Spanish of northern Morocco); stylistic means; 9006751 infants' behavioral-emotional states, vocalizations' information trans-mission; listening task; parents/nonparents; 9009374

lateral asymmetries, verbal stimuli processing; cerebral dominance/language/emotion, divided visual field study; 9002611

mood-congruity effect, mood vs knowledge hypothesis; mood-simulation/induction condition, sentence recall; high school students/undergraduates; 9002584

nonverbal affective communication skills, mentally retarded adults; posed facial emotional expressions encoding/decoding ability; 9007317

Russian feeling-denoting nouns' usual/contextual meanings relation-ship, poetry/prose corpus; 9008597

second-language learning, acculturation social/affective variables; questionnaire/interview; adult Iranians, Washington, DC; 9007762 sentence word order, emotion effect; C. E. Osgood's motivation effect

hypothesis; picture description task; Slovenian undergraduates; 9004927

smiling/laughing, symbolic/evolutionary development; face communication; 9009614

Spanish-English/English-Spanish bilinguals' emotional experience, language usage effects; 9005803

speaker's emotional state recognition, listener's cognitive profile; picture interpretation test; Russian undergraduates; 9004926

Volek, B., Emotive Signs in Language and Semantic Functioning of Derived Nouns in Russian reviewed; 9009648

## **Emotional Disturbances**

learning difficulties effect, students' emotional well-being; effective learning environment provision importance; 9005550

learning disabilities, emotional/behavioral disorders relationship, speech-/language-disordered children; 9007294

reading disabilities, social/emotional problems interrelationship; moti-vation/empowerment techniques; 9005665

reading disability, emotional/neurological factors role; psychoeduca-tional techniques; 9005518

A Priori Chapter I Reading Program effects, Asian/Hispanic stu-dents; 9000555

abstract case necessity, government-binding theory, null expletives status; 9008788

academic achievement, Haitian limited English proficient students, New Jersey public high schools; etic/emic ethnographic approaches combined; 9000437

academic foreign language texts reading; Nepal undergraduates; 9007789

accounting students' test performance; language background/question format; multiple-choice/open-ended tests; English as a primary/ secondary language university students; 9007770

acquisition vs learning, reading pronunciation, adult English as a for-eign language learners; 9005426

"acquisition"/"learning" distinction, dead/living language competence; Anglo-Saxon texts, university-level English philology course; 9000911

adjectives distinction, epistemic/metaphysical modality, future vs past tense acceptance; English/Modern Greek/Basque data; 9006052 adolescent spoken discourse, addressee-oriented emotional involvement expression, indefinite/nonuniversal features; 9008654

adverbial clauses use/pragmatics, conversational English; telephone/ face-to-face conversations; 9001259

African English expressions, The Gambia; 9001802

agreement relation nature, situated theory; Arabic/English material application; 9001193

agreement, information-based theory; English agreement application;

aid-based English-language teaching program, justification problems clarification; 9007572

Alabama lexical patterns, Linguistic Atlas of the Gulf States; social distribution; recorded responses; computer sorting program/ statistical test; 9009140

American English as a second language vowel duration acquisition, Arabic/Korean/Spanish/Thai speakers; 9003019

American English core vocabulary, absolute/relative/cumulative fre-

quencies; 9006846 American English spelling reforms, simplified spelling benefits; 9004382

American English usage, four linguistic politeness strategies; face-theory-based quantitative analysis; 9008655

American English vowel system development, normal/phonologically disordered children; females aged 3:8/4:2; case studies; 9009796

American English, Niger-Kordofanian language family genetic relation/exerted phonological/morphological/syntactic/semantic influence; 9001775

American prejudice, stigmatized pronunciations; British attitudes compared; 9000981

American Sign Language text, two English interpretations contrasted, content/register; 9007102

American Spanish vocabulary, English influence; synonymic series;

American Streamline language teaching material, adaptations inadequacy; 9007727

American/British English prepositions compared, close distributional correspondence; 9001695

American/Chinese sex-role concepts contrasted, language/culture/sex-role inventory scores relationship; 9002067

anaphora treatment, N. Chomsky's extended standard theory framework; 9006401

andragogy concept application, adult basic education/English as a sec-ond language program instruction; 9003059

Anglo-Norman as royal court language use, post-Norman conquest England, documentary evidence; 9008972

Anglo-Saxon prose, translation/linguistic assessment; 9008290

Appalachian English miscues, trained preservice teachers' correction responses; 9003203

Appalachian English roots, grammatical features; trans-Atlantic connections; 9006771

Arab argumentative writing, English as a second/foreign language learners; contrastive rhetoric empirical investigation; 9002993

Arabic particle ka meanings, Creole vs Moroccan Arabic, French/ English translations relation; contrastive interlanguage approach;

Arabic-English code-switching, Egyptian child's speech; longitudinal study, quantitative data; 9008188

argumentation, repetition types/functions, American/Costa Rican newspaper editorials; 9009396

argumentative/persuasive student writing analysis/evaluation, linguis-tic/rhetorical measures; English-speaking high school students; 9003388

article use, English as a second language students' writing; description models compared; 9005451

articulatory movements, English vowel production; x-ray microbeam system; Midwestern American English speakers; 9009734

Atlantic creoles origin, serialization syntactic structure; 9004287 Australian Creole English gen particle, core meanings; empirical data;

Australian English /h-d/ words pronunciation, acoustic phonetic de-scription; spectrographic data; male broad/general/cultivated dia-lect speakers; 9009678

Australian English dialect, Adelaide region, postvocalic /r/ retention;

Australian English modals can/should/may/might root semantic meaning; writing excerpts, spontaneous speech recording, questionnaire; British/American English usage compared; 9003713

Australian English Oz term use, L. F. Baum's Wonderful Wizard of Oz possible connection; 9009131

Australian English regionalism, newspaper evidence; 9004204 Australian English, connected speech processes, phonetic/ sociolinguistic viewpoint; adolescents; 9003553

Australian English, sociolinguistic analysis; 9002048

Australian English, southeast lexical usage region defined; 9004177 Australian/Canadian English, British/American English features; magazine evidence; 9004203

Australian/New Zealand English writings, bibliographic survey, past 200 years; migrant/indigenous languages interaction; 9006499 automatic speech output systems, natural intonation pattern creation difficulties; English sentences naturalistic fundamental frequency

contours generation rules; 9007193

avoidance behavior, adult English as a second language learners; Arabic vs Spanish subjects; 9005384

basic English/English as a second language vs freshman composition courses, students' abilities compared; 9003449

beginning English as a second language literacy instruction, content-based approach; 9007581 Beowulf critical analysis, language/sign/gender studies; 9007073

Beowulf, epithetical style; 9009577

Beowulf/The Battle of Maldon, speech act theory application; 9009590

bidialectalism, Black/Standard English controversy; social/cultural issues; 9004212

bilingual (English-German) child's metalinguistic consciousness development; case study; 9004993

bilingual children assessment, standard psychometric tests use difficul-ties, English vs Spanish vs bilingual testing issues; 9009863

bilingual education actual occurrence, realistic population representa-tion; governance issues; 9003457

bilingual education issue, California school system; 9005845

bilingual education, Newton, Mass, alternative; language-minority children's needs consideration; 9003487

bilingual education, US English's position; 9003471

bilingual education/English-only public debate, language-policy issues; 9003469

bilingual instruction, R. Jacobson's New Concurrent Approach, intersentential code-switching systematic incorporation; limited English proficient children, bilingual environment; 9000855

bilingual language processing, language/memory deficits, left thalam-ic/temporal regions lesion patient; Dutch-English bilingual 18-year-old female; 9007287

bilingual special education history, teacher training pre-service/in-service programs; 9009838

bilingual speech/language pathology practices/assessment protocols, Hispanic students' language skills assessment; 9009846

bilingual vs mainstream programs, self-concept/intelligence patterns; Wechsler Intelligence Scale for Children/Piers-Harris Children's Self-Concept Scale; Puerto Rican elementary school children;

bilingual's grammar, internal structure, code-mixing use determina-tion; English-Hindi code-mixed sentences, Stardust international magazine; 9005784

bilingual/polyglot aphasia assessment, tests' validity, comparative evaluation; German-English emphasized; 9002422

bilingualism effects, child's language awareness; metalinguistic skills comparison; English/Spanish unilinguals/bilinguals aged 4-8;

bilinguals' reading strategies transfer, native/second language; English as a foreign language reading instruction implications; 9008204 binarity hypothesis, modern phonology, distinctive feature theory; brief history, varied opinions; 9000959

Black Dialect vs Standard English speaking, teachers' expectations/ children's academic success relationship; 9001785

Black English grammar/pronunciation/rhythm-intonation/over-all us-age, rating scales development; 9004174

Black English Vernacular sound change, final unstressed -y realiza-tions; East Palo Alto, California residents; 9006755

Borkovskiy, A. B., Anglo-russkiy slovar' po programmirovaniyu i informatike (An English-Russian Dictionary of Programming and Information) reviewed; 9001886

British English speech rates, P. Pimsleur's/C. Hancock's/P. Furey's findings misapplication; 9006294

British English unaccented syllables, vowels occurrence, synchronic perspective; 9008304

British motherese, pitch alterations, acoustic data; 9002275 British vs French media, sports events reporting; 9006940

British/American English lexical aspects, Dictionary of Briticisms preparation; 9001875

British/American English spelling differences origin/development; 9006871

British/American English unobtrusive differences generalizations, elicitation experiment support; British public utility notice, native American English speakers' paraphrases; 9001782

Bulgarian/English equality category, logical/semantic aspects, adverbs functional equivalence/use; 9006632

Business English varieties, classification/users/pedagogical implica-tions issues; 9009158

business English, grammatical/communicative characteristics, case studies discussions analysis; 9003805

Business Englishy, language-training programs' effectiveness lack;

Calvino, I., Fiabe Italiane (Italian Fables), English translations comparison, form vs content focus; 9003528

Cambridge English speakers' /l/ vocalization; speaking rate/style; experimental speaking task; 9008375

Gullah complex sentences, equivocal structures; 9006083 modal subordination/pronominal anaphora, discourse; context influ-

ence, interpretation; discourse representation formal semantic theory framework; 9006284 natural language semantics, meaning theory, grammar role; 9008552

noun phrases'/verbs'/sentences' inherent aspectual properties, perfectivity/inchoativity decomposition; Z. Vendler's categories; English/Chinese data; 9006110

partial entailments/inductive inferences, semantic theory, R. Carnap's confirmation functions, logic similarity; 9008567 progressive, formal semantic analysis; 9008578

# Error Analysis

Alzheimer's/Huntington's/Parkinson's disease differentiation, verbal learning characteristics basis; 9007265

antonymy recognition, language-enriched right hemisphere; error analysis, direct vs indirect antonyms; 9005086

aphasia diagnosis, response analysis use, confrontation naming;

aphasics' paragrammatisms, syntactic disturbance vs control break-down; B. L. Butterworth's/D. Howard's hypothesis; 9007261

Azerbaijani writers' Russian literary works, morphological interference, case systems incongruence, norm violation; 9003760

bilingualism effects, child's language awareness; metalinguistic skills comparison; English/Spanish unilinguals/bilinguals aged 4-8; 9005802

bilinguals' reading strategies transfer, native/second language; English as a foreign language reading instruction implications; 9008204

Boston Naming Test/The Word Test, normal males' performance implications, aphasic individuals' diagnosis; 9009758

Bulgarian as a second language, Spanish-speaking students, vowel pro-nunciation difficulties; phonetic interference, error analysis; 9005332 Bulgarian velar consonant /x/, Arabic equivalents, second-language learners' error analysis, linguistic interference effect; 9006629

Centre de traduction littéraire de Lausanne (Lausanne Literary Translation Center) purpose/resources/publications; 9005885

child language acquisition, phonological development; 9007397 child-parent communication, parent's corrections typology; longitudi-nal study data; German children aged 1-3; 9006923

children's grammatical errors awareness, parental repetitions/ clarifications cues; inflectional overgeneralizations, wh-question aux-iliary-verb omission errors; 9000082

children's intentional deviant speech production ability development, age determination; 9004988

children's spelling errors, grade level/interview/across grade level per-spectives; 2nd-5th graders; 9005005

Chinese as a second language learners' compositions/translations, traditional vs new correction methods; English-speaking university students; 9002942

"Codex Diplomaticus Sardiniae" 11th-century letters edition/ translation/linguistic analysis; 9004040

comprehension monitoring performance, text difficulty/error type effects; good vs poor 7th-grade readers; 9005681

computer-delivered comments/advice effects, students' surface error revision; 9005752

consonant/vowel errors pattern, conductive/cochlear hearing loss pa-tients; 9009737

deep dyslexia, semantic paralexis symptom possible origin; K. A. No-lan's/A. Caramazza's dual-deficit model supported; 9005088

disabled readers' spontaneous correction behavior, self-correction strategies, word-level comprehension improvement priority; 4th graders; 9009809

Dutch as a native language instruction, mono- vs bilingual students' grammatical errors; A. Kerkhoff's study critiqued; 9005125
English as a foreign language adult Chinese-speaking learners' reading miscues analysis; first-language influence positive/negative impact; 9003032

English as a foreign language learners' basic language/vocabulary knowledge significance, learners' errors; cross-sectional study; 9005453

English as a foreign language students' written work, errors correction, positive approach; 9002792

English as a foreign language teacher trainees' language sensitivity/ awareness/use, communication/second-language learning; 9005276 English as a second language acquisition, Brazilian learners; error pre-diction, contrastive vs error analysis use; 9007797

English as a second language acquisition, Brazilian Portuguese/ Chilean Spanish phonological transfer errors; 9007806

English as a second language diagnostic testing, multiple-choice grammar tests; interference error analysis; Italian undergraduates;

English as a second language free compositions, Indian learners; error analysis; 9005440

English as a second language Japanese learners' characteristic mispel-lings, enhanced computerized spelling correctors; 9000413

English as a second language, Chilean students' interlanguage; error taxonomy/analysis, written-language data; 9002958

English as a second language, consonant pronunciation/reception, Azerbaijani learners; phonetic interference errors; 9002943

English auxiliaries be/have instruction; written composition error analysis; male Zairian high school students; 9007715

English negative/tag questions responses, error avoidance learning approaches; Japanese students; 9007716 English prenominal adjectives, syntactic restrictions; children's speech corpora; children aged 1:6-2:10; 9007401

English standard vs nonstandard varieties use, second-language in-struction; ethnopolitical/linguistic labels distinction taxonomy; 9000334

English syntax comprehension, native monolingual English/bilingual English-Yiddish/English as a second/third language speakers aged 71-93; 9000036

environmental contaminants as speech errors, psychological processing intrusion; 9009365

error analysis controversies, contrastive vs noncontrastive errors; 9005435

error analysis use effectiveness, reading comprehension assessment, college freshmen; Applegate Reading Comprehension Test/ Cooperative English Test, Reading Section composite scores; 9000743

error prediction/description/correction method, contrastive analysis application; advanced second-language learners' stylistic errors classification, E. A. Levenston's taxonomy; 9000444

fluent aphasia, B. Butterworth's/D. Howard's grammatical errors incidence explanation tested; case study; Italian subject; 9009754

foreign-language writing, revision/self-correction processes; 9007667 French as a foreign language study issues, Nigeria; error sources; 9005382

French as a foreign language, professional training/contact/methods/materials; ANEFLE meeting report, Grenoble, France, 1989; 9005292

French scientific writing, chemistry; linguistic weaknesses identifica-tion, proposed solutions; student errors implications; 9000450

French-English translation errors, specialized subjects/contextual problems/misinterpretation; 9003519

German as a foreign language advanced learners' acquisition strategies; declension errors; 9005394

German as a second language instruction error analysis, linguistic in-terference; Polish high school students; 9000361

German as a second language proficiency, university entrance examination errors analysis; Polish students; 9007741

German as a second language, Bulgarian students, reflexivization errors; linguistic interference, error typology, systems compared; 9000359

German as a second language, perfect participle formation difficul-ties/errors; language laboratory data; 9000188

German script's basic functions, orthography instruction, error gradation/typology; 9004383
German/Arabic interference, preposition an 'at, in, on, to' translation, error analysis; German undergraduates learning Arabic; 9002752

Hong Kong English usage/grammar books, error patterning/frequency/possible causes; 9007781 instructional reading level ascertainment, Betts criteria as guidelines use questioned; 9005718

interlanguage concept, contrastive/error analysis relationship insights; 9005447

interlanguage variation/change, repairs as indicators; advanced vs be-ginning English-speaking French students; 9005436 Italian as a second/native language, essay error analysis; Zurich U undergraduates; 9007555

Japanese mora/syllable structure role/reality, speech errors evidence; 9007165

Japanese-Dutch phonetic contrasts, Japanese immigrants' pronuncia-tion errors, Netherlands; 9009034
language learning/instruction, grammatical concepts introduction de-termination, preschool-aged children; 9005274
language transfer errors analysis, English as a second language Brazil-ian students aged 20-40; 9007800

language transfer errors, correction methods compared; French as a foreign language English-speaking college students; 9003025

language-learning strategies, errors role; descriptive taxonomies;

lexical processing, selective semantics impairment; error types/rates, verbal/oral/written tasks; 52-year-old male; 9007388 lexical resources promotion, foreign-language students' lexical alterna-

tives development; 9005370 lexical-semantic impairment, Alzheimer's disease patients; confronta-

tion naming task/verbal associates recognition task; 9007490

linguistic error analysis, conceptual approaches refinement, second-language acquisition; 9003922

machine translation products, text changes, postediting process; cohesion/coherence distinction difficulty; 9005915

meaning-focused cues effects, underachieving readers' context use/ self-corrections/literal comprehension; 9005579

microcomputer-based writing, error monitoring; learning-handicapped individuals vs learning-handicapped/non-learning-handicapped dyads; 9007303

mislocation errors, cued target letter reporting; lateral masking; experiments; 9008029

monitoring, children's second-language speech; longitudinal study; spontaneous speech, Dutch schools, Turkish 1st graders; 9005458 naming abilities, closed head-injured children aged 8-16; error analysis; 9002608

native-language speech error types, dialect implications; 9007378 native/nonnative speaker interactions, comprehension problems; empirical data; German as a foreign language students/native instructors; 9008700

natural discourse, pragmatic aspects, applied linguistics viewpoint;

nominal group grammatical/lexical errors, Syrian undergraduates' written English; linguistic analysis; 9005442

oral/silent reading miscues, 2nd/4th/6th graders; post hoc psychol-inguistic analysis; 9008050

phoneme-grapheme relationship establishment inability, neurally handicapped; 9009780

preposition errors, Mexican-American basic writing students' compositions; 9005728

reading/writing acquisition process, error analysis; written composi-tions; Brazilian students; 9008098

remedial readers' mispronounced words' characteristics; computer-assisted analysis; junior high school students; 9008051

schizophrenic speech characteristics, neuropsychological theories alternative model, frontal lobe dysfunction; error analysis, confrontation naming task; 9004862

second-language development, new understanding, grammatical categories' innateness basis; 9000423

second-language didactics, contrastive analysis relevance, learner's lan-

guage cross typology; 9002912 second-language instruction, communication-oriented teaching, language system vs language action errors; 9002775

second-language instruction, error correction evaluation/attitude, cultural differences; Chinese/German undergraduates; 9002797

second-language instruction, error didactics; linguistic deviations, didactic potential; 9002750

second-language instruction, new error correction methodology; 9002798

second-language learning, contemporary rule-learning paradigm prac-tical value; 9007650

second-language learning, speech perception, morphosyntactic noniso-morphy; 9005194

sentence error detection/evaluation; prescriptive usage norm knowledge; Dutch material/speakers; 9000035

Soviet-American cultural miscommunication, spacebridges; data-based multifeatured linguistic analysis; 9008656

Spanish as a native language errors, typology, correction strategy; 9000161

Spanish as a second language exams, college students' written errors frequency/distribution; 9007827

speech errors analysis, psycholinguistic investigations tool, mental processes insights; 9000003

speech production, error correction/reformulation, monologues/ dialogues; 9006918

spelling errors accurate assessment importance, appropriate corrective measures implementation; special needs students; 9005113

spelling errors constancy/change, 1st-6th graders; orderly hierarchical progression evidence; 9007434

spelling errors peak, operative linguistic memory breakdown; Russian 3rd-10th graders' writing; 9004934 spelling errors, orthographic-specific comparison; learning-disabled vs normal children; 9005671

stylistic errors, G. Flaubert's Madame Bovary; 9007071

tense/aspect transfer errors, English compositions; Jordanian university students; 9003004

texts' phrase boundaries, adult readers' sensitivity; reading ability/text difficulty interaction; good vs poor college-aged readers; 9003332

Turkish juvenile's German free speech, suprasegmental analysis, accent/melody errors; German/Turkish patterns; 9005987 usage acceptability, academics'/executives' perceptions, language change evidence; questionnaires; 9006266

verb subcategorization acquisition, aspectual inflection; observation/audiotape; Japanese children aged 1:10-2:0; 9007430

verb tenses use, conversation flow, syntagmatic/paradigmatic perspectives; "seprasyntagm" term use, temporal information direct/indirect provision; 9008716

verbal interaction, Swedish language-disordered preschool children; grammatical/interactional ability assessment procedure develop-

vowel errors, phonologically disordered children's speech; 9009784 word sorting as teaching strategy, automatic word-recognition/spelling abilities improvement, informal spelling inventory errors/creative writing samples evaluation basis; 9007857

wordshape errors, language production; English errors, context effects;

Eskimo/Aleut

written communicative skills, assessment reliability; German-speaking English as a second language learners/teachers; 9007820 written English, syntactic error analysis; Arab students; 9007768

agreement, multi-modular view; autolexical syntax theory application, West Greenlandic Eskimo person/number agreement problem; 9006425

Alaskan Native Language Center activities; 9009420

Alutiiq (Yupik Eskimo) stress patterns, M. Hammond's arboreal stress assignment theory possible accounts; nonprosodic phenomena integration; 9005978

Canadian Northwest Territories residents' linguistic status, geolinguistic concerns; 9009406

Canadian Northwest Territories' cultural/linguistic diversity, translation/interpretation problems; 9008279

Central Alaskan Yup'ik Eskimo vs Central Siberia Yupik Eskimo, phonology/morphology/syntax/history; 9009042

Coast Tsimshian (North Amerindian) subject notion viability, ergative basis syntactic operations; Dyirbal/Yidin /Chukchee/Yup'ik Eskimo compared; linguistic universal status questioned; 9001084

communicative interaction, Inuit children/caregivers; ethnographic study; videotapes, interviews, participant observation; 9004414

complex word properties formation, percolation principle inadequacy; Greenlandic (Eskimo)/Winnebago (North Amerindian)/-Kinyarwanda (Niger-Kongo) evidence; 9001191

Eskimo affixal morphology, internal syntax/derivation history; 9008613

Eskimo language studies, K. Rasmussen's contribution; 9003969 Eskimo name avoidance, Inuit name use, prevailing English trend;

Eskimo noun incorporation analysis, lexicalist vs syntactic hypotheses; 9001187

Eskimo verbal affix order, autolexical treatment, morphology/ semantics interface; 9006222

Inuit (Eskimo/Aleut) children's natural language use, first-year formal education; tape-recorded language sampling exercises; 6-year-olds, Arctic Bay, NWT; 9000174

Inuit (Eskimo/Aleut) language change, deterioration/lexical loss, cultural-generational gaps; 9004520

Inuit (Eskimo/Aleut) language status, Canada; state/educational system attitudes; cultural/linguistic identity uncertainty; 9004463

Inuit sociocultural formation, ideology notion application, oral literature organization; 9009441

Inuktitut noun incorporation acquisition; West Greenlandic/Mohawk findings compared; 9002480

phonetic stretching process, A. Woodbury's Yupik data vs English analysis, semantic vs pragmatic interpretation; 9000971

Siberian Yupik Eskimo morphology/syntax; 9003769

stress location, single stressed syllable languages, metrical theory analysis; 9008324

Yupik Eskimo verbal inflection, order analysis; 9008641

**Esophageal Speech** 

Chinese tones production, esophageal speaker; perceptual/acoustic characteristics; 9002332

**Ethnographic Linguistics** 

academic achievement, Haitian limited English proficient students New Jersey public high schools; etic/emic ethnographic approaches combined; 9000437

agonistic discourse, general use/patterns, Donahue TV show; 9001242 American Sign Language folklore communication, ethnography, participant observation basis; 9009609

Anyi communities (Ivory Coast) changing oral narrative tradition description/analysis; storytelling ethnography; 9006510

Arawakan expansion, northwestern Venezuela/northeastern Colombia; archaeological/linguistic/ethnohistorical evidence; 9006817

bargaining strategies, women fish sellers, People's Republic of Congo; salient folklore/linguistic/literary features; ethnographic/sociolinguistic study; 9006514

Basque language status planning; ethnographic evaluation; 9009513 British education, creole's place; current political/educational debate; black adolescents usage; ethnographic fieldwork, 1980-1983/1985; 9004481

Cazden, C. B., Classroom Discourse: The Language of Teaching and Learning reviewed; 9009358

communicative interaction, Inuit children/caregivers; ethnographic study; videotapes, interviews, participant observation; 9004414

counterculture communication, ethnographic analysis; motorcycle gang, naturalistic setting; 9002029

English as a second language teaching, academic listening task case study; Arabic-speaking student; 9000394

ethnolinguistics, general/American; S. Newman's poetry/related works; 9009447
Germans' language/culture, Central Dakotas; ethnographic description; 9002039

Hausa society (Northern Nigeria) literacy material culture writings/ expression, folklore perspective, ethnographic study; 9004479

Hawaiian Creole/Standard English speech distribution, Holopono Project classroom, Hawaiian public elementary school; microethnographic approach/perspective; 9001851

Isletan Tiwa (Tanoan) verbal prefix, functional framework; 9006212 Javanese adults/children interaction, "baby talk" forms, urban/rural communities; 9009379

literacy programs, Mozambican factory, social/political factors; 9004498

measurement systems formulation, terms' meaning stability; ethnographic perspective; 9002088

metalinguistic sentience, gifted kindergartners/1st graders; ethnographic study; 9000023

Quechua (South Amerindian) language maintenance possibilities, Peru rural schools; language planning/school role; 9000859

Quechua language ideology; Puno, Peru; two-year ethnographic study; 9009439

Slovene folk poetry/songs, two-word/same-root combinations, characteristic feature; 9003775

sociolinguistic differences, minority language militants vs nonmilitants; ethnographic approach; Breton speakers; 9004500

student visit planning, language teachers' ideas, ethnographic principles; France; 9002700

successful Navajo readers' sociocultural environments/home characteristics; 5th graders; 9003146

therapeutic discourse structure/construction, sociolinguistic perspective; 9001257

Ethnolinguistics

African oral narrative plot versions, meaning types; oral text, traditional context, dynamics; 9006247

American linguistics history, recent publications reviewed; 9001527

Austrian "old"/"new" minorities, historical outline, Slovenes/Croats/

Jews/Czechs/Slovaks/Hungarians; "autochthonous" minority notion, linguistic/social integration/autonomy; 9002059

Azerbaijani ethnotoponyms, one-/two-component forms, typology, historical value; 9004264

Berbers, people/language origin, hypotheses evaluation, North African origin possibility; 9002007

British primary reading schemes, ethnic Chinese/Japanese peoples' portrayal; 9000684

Cree (North Amerindian) language/people characterization, English language influence; 9001554

Eastern Pocomam folktale presentation/interlinear Spanish translation, discourse analysis; 9001290

ethnic groups' language-culture relationship, USSR; ethnolinguistic studies, language extinction threat; 9002099

ethno-linguistic atlas project, Rio de Janeiro fishermen's speech samples; 9006991

ethnohistorical reconstruction, linguistic evidence use, Carijona tribe; 9009352

ethnolinguistics, general/American; S. Newman's poetry/related works; 9009447

German Jewish names' stigmatization, D. Bering's Der Name als Stigma. Antisemitismus im deutschen Alltag 1812-1933 (The Name as a Stigma. German Everyday Antisemitism 1812-1933) outlined/reviewed; 9001836

Hungarian cemeteries' graveposts semiotic analysis, anthropomorphic/ ethnic/linguistic aspects; 9004621

identity articulation/conflict, linguistic group identity expression; 9009482

indigenous languages investigation/diffusion/protection/instruction, Colombian native organizations formation; ethnic development/ bilingualism, ethnoeducation importance; 9000851

Inner Asia ethnonyms historical value, 13th century; ethnic designations analysis, historical conclusion, Turkish population; 9001814 Italian dialectology, demology/anthropology/material culture studies relevance; 9009132

Talian dialectology/ethnolinguistics research cooperation, 1970s/1980s studies; 9009137

Italian/Hispanic Australian immigrant groups, spoken English foreign accents, Anglo-Australians' evaluations/perceptions/stereotypes; 9004472

Italo-Canadians' ethnolinguistic vitality; Heritage Language Program/ French immersion/community concentration/language maintenance effect; 9004467

Kiswahili (Niger-Kongo) rhetoric, ethnolinguistic analysis, J. K. Nyerere's Elimu Ya Kujitegemea (Education for Self-Reliance) basis; 9003808

Kiswahili political style, ethnolinguistic text analysis, pragmatic model proposals, political language/intercultural communication implica-

tions; 9008724

language contact/bilingualism development relationship; macroscopic model, empirical data; language competence/attitudes measures; Canadian Francophone/Anglophone/unilingual French-speaking high school graduates; 9005813

language, comparative studies ethnic dimension, language featuresnation's character correlation, P. Buijtenhuis's thesis rejected; 9006638

language/culture relation reference, A. Meillet's Indo-Europen research/ethnolinguistics influence; E. Benveniste's opposing positions; 9001525

language/ethnolinguistic diversity/bilingual education status, Britain; 9008181

Lenz, R., Chilean linguistics/glottodidactics/philology/dialectology/ folklore contributions; 9001490

Mayan-Kaqchikel ethnomedicine, Tecpán, Guatemala; native speakers' knowledge questionnaire; Mayan language/culture preservation measures; 9002087

perceived ethnolinguistic vitality/language attitudes; questionnaire; Jewish/Arabic high school students; 9006974

Polish dialectal material recordings catalogue, tapes 348-400 topics list; linguistic/ethnographic relevance; 9004209

situational context notion history, B. Malinowski/J. R. Firth; socio-/ ethno-/pragmalinguistic implications; 9001497

translation, underlying cultural framework importance; 9008268

Veneti/Venedi, C. Nepos's ethnonym Indi designation, Swabian explanation proposed; 9004276

Vietnamese spatial relations, linguistic expression; 9000007

**European Linguistic Theory** 

European linguistics, historical contributions traced; 9006462 "function" term ambiguity, A. V. Bondarko's/European schools' positions compared; 9008782

**Evoked Response** 

electrophysiological processes discrimination ability, known/unknown words presentation, infants aged 1:4; stimulus tapes, auditory evoked response recordings; 9007500

semantic discrimination, nonspeaking mentally retarded adult males; auditory evoked responses; 9004857

**Experimental Data Handling** 

aphasia studies, data collection/interpretation; language-philosophical perspective; 9007279

applied linguistics research methods/foci, history/present state; 9005099

applied linguistics, increasing quantitative studies trend; replication lack; 9005319

child language acquisition research, play context/social milieu bias, E. Huls's claim refuted; reply; 9000058

children's linguistic comprehension, information sampling technique effects; picture identification/toys manipulation; 7-year-olds; 9002550

computer-assisted German as a second language instruction, East German colleges preparatory courses; questionnaire data; 9005264
English as a second language pronunciation, Serbo-Croatian accent,

monitor theory application; adults; 9002990

experimental phonetics methodology, new theoretical framework, segmental/suprasegmental features integration; Bulgarian intonation example; 9007169

language development theory, H. Werner's developmental psychology framework experimental support; 9002482

language experiments design/analysis, traditional controlled message design vs S. Jackson's/S. Jacobs's criticisms; 9003828

phonological oppositions acquisition/loss, R. Jakobson's hypotheses, empirical verification need; 9008364

reading process components, experimental data/methods reexamined; 9000706

reading research, single-subject methodology use supported; 9005574 Sami language shift process; villagers, Finnish Lapland; 1910-1980; 9009403

**Expressive Function of Language** 

expressive discourse, categorial paradigm, student development context; undergraduates; 9000837

multiple-meaning expressions use, elementary school teachers; 9002411

Eye Movement

English as a second language instruction, vocabulary teaching, neurolinguistic programming principles use; 9005209

English complement verb sentences processing, minimal attachment principle generality, human parser universal property; 9004940 eye fixations, reading, letter/word information integration; sentence reading task; university students; 9008041

- eye fixations, words' internal information distribution influence; 9003350
- eye movement records, useful on-line processing information; 9004953 eye movements facilitation, repeated text reading paradigm; university students; 9008039
- eye movements, temporal settings variation effects, sight-reading trumpet music/reading language aloud; 9003342
- Japanese garden path/center-embedded/multiply-left-embedded sentences processing; reading time data, eye movement study; 9000037
- kana/kanji text reading, eye fixation/saccade, Japanese vs English text processing; 9000726
- multiple meanings vs senses processing; readers' eye movements; 9004977
- reading disabilities/cerebral laterality relationship; dyslexic vs normal reading children; 9009812
- reading process components, experimental data/methods reexamined;
- reading subprocesses, eye movement methodology use; eye movement/ cognitive processes relationship; 9005673
- reading time measurement, eye movement recording techniques reevaluated; 9000762
- temporal processing role, dyslexia; word identification task; dyslexic children aged 10.3-14.9; 9004848
- word learning, children's early reading processes; eye movements;

### **Familiarity**

definite constructions use, newspaper editorials, familiarity presupposition, genre conventions; Christian Science Monitor; 9000800

## Feedback

- comprehension monitoring, postresponse information role; retention tests; high school students; 9008069
- dysphasics' behavior, computer/conventional therapy environments; 9009772
- metaphor performance; direct feedback/practice; pre-/posttests; learning-disabled children; 9009802
- second-language testing, student feedback vs-real-life decision-making types integration possibilities rejected; 9005472
- speech production, postlingually deaf; auditory feedback role/acoustic characteristics; descriptive acoustic analysis; 9009744

## Firth

English as a second language use/acquisition, West Germany; Firthian perspective; 9005385

## FLES

- elementary school foreign-language programs, 1960s vs present; 9007642
- Foreign Language in Elementary School (FLES), parents' attitudes/ interests; questionnaire; Midwestern parochial school students' parents; 9000335

- American Sign Language folklore communication, ethnography, participant observation basis; 9009609
- Central American poetry translation, allusion problems; 9005864 Don Quixote, proverb use; discourse function, semantic analysis;
- Eastern Pocomam folktale presentation/interlinear Spanish transla-tion, discourse analysis; 9001290
- English as a second language instruction, folktales/drama use; elementary school classroom; 9005134
- English as a second language instruction, Japanese puppet shows use;
- Even language/folklore, bear taboo; 9008917
- folkore epithet, Russian/Slavic epic texts; invariable epithet notion, historical folk memory; 9002145
- Godié (Niger-Kongo) folk tale structure, stylistic/literary features;
- Hausa society (Northern Nigeria) literacy material culture writings/ expression, folklore perspective, ethnographic study; 9004479
- Modern Greek folklore study, information management systems use;
- reading teacher discourse improvement, self-directed materials use, fairy-tale-based reading lesson; 9005616
- Romanian goddesses Zînd/Sînziene etymology, Indo-European root \*gwen-ā 'female', folklore/fairy tale words; 9001636 Slovene folk poetry/songs, two-word/same-root combinations, characteristic feature; 9003775
- Soviet contemporary prose, folk/dialectal sayings/phrases use/ expressive-stylistic value; 9007088

- Spanish/Russian folklore symbolism comparison, F. García Lorca's poetry; 9009556
- West African poetics, black preaching style socio-interactional/ aesthetic qualities; "rapping," possible Bantu panegyrics origins; tape-recorded oral text, Alabama preacher; 9001313

### Foreign Accent

- English as a foreign language pronunciation instruction, dark vs clear /1/: 9002696
- English compound words accentuation patterns, second-language teaching implications; 9002722
- Italian/Hispanic Australian immigrant groups, spoken English foreign accents, Anglo-Australians' evaluations/perceptions/stereotypes; 9004472
- Old Indic verb accentuation, Balto-Slavic accentology method use; 9006613
- second-language learning, critical period hypothesis, J. E. Flege's account refuted; 9005441
- second-language oral proficiency, pedagogical approaches; 9003031

recall/evaluative judgments, pragmatics effects, semantically related material, disregarded information; 9005054

### Formant Frequency

- Indonesian accent, stress position theories compared; 9003559 Modern Greek vowels, acoustic structure, spectral characteristics definition; 9004701
- nasality, acoustic characteristics, vocal tract manipulation; 9009680 phonological space measurement, Kannada (Dravidian) vowels /a, i, u/ first/second formant frequencies; deaf vs normally hearing subjects' speech; 9004732
- speaking rate effects, formant trajectories/inter-speaker variations; adult male Japanese speakers, adult aphasics; 9002297
- vocal timbre perceptibility/differentiability, French e/ε variation; recorded broadcasts; 9009696
- vocal tract modification, French (i)/(y) transition, formant change role; empirical data; 9009710
- vowel quality, transmission channel/speaker effects perceptual com-pensation; formant frequency differences, /1/-/ε/ vowel continuum; 9002264

free association, voluntary response selection/reaction time; 9002580 semantic priming skills, multiple sclerosis patients; 9007379

## Frege, G.

- categorial grammar, G. Frege's syntactical insights, sequence calculus formalization; 9001454
- Frege, G., proper name's meaning/identity/reference, language-philosophical conceptions; "Über Sinn und Bedeutung" (On Mean-ing and Reference); 9007134
- meaning, systematic theory possibility, Wittgensteinian framework; M. Dummett's/L. Wittgenstein's/G. Frege's principles; 9007138 nondescriptionality conservative position defended, Fregean sense;
- 9001381 polyadic quantifiers, natural language; standard unary reduction, Fregean style; 9001468
- predicate- vs subject-expression, "unsaturated" vs "saturated"; G. Frege's/P. F. Strawson's claims; Nyāya Indian philosophy system alternative; 9002247
- quantification, G. Frege's syntactic categorization problematic nature; constructivist framework, P. Martin-Löf's type theory adapted version; 9002252
- Tichý, P., The Foundations of Frege's Logic reviewed; 9009664
- French
  - Académie Française, language usage judgments, dictionary creation, word admission rules; 9001888
  - acoustic speech analysis, long-term average spectrum; inter-/ intraspeaker variation/similarity; French material; 9007161
- acronyms use, spoken African French, literacy presupposition; 9006848
- ACTFL proficiency guidelines/oral interview procedure, construct va-lidity/accuracy; 9005474
- adults' speaking proficiency, French, Journal des Enfants use; 9007725
- Advanced Placement French Language Examination, high school vs college students' performance; 9005497 African Francophone writers' ambivalence, French language/culture;
- A. Memmi's vs C. H. Kane's acculturation/alienation/emancipation stages; 9002166 agrammatic comprehension behavior, grammatical prerequisites; 9005095
- Algeria's sociolinguistic situation, official dogma vs observable realities, Algerian Arabic/French multilingualism; 9002045

Anglo-Norman as royal court language use, post-Norman conquest England, documentary evidence; 9008972

animal metaphors, French vs English usage frequency; informal interviews; 9006342

anthropological project, French linguistics model contribution; 9001419

Antillean French regional features incorporation, literature development; Chronique de sept misères (Chronicle of Seven Miseries); 9007067

apposition, detailed typology, syntactic/semantic properties; French material; 9001123

appositive constructions semantic typology, adnominal appositive infor-mational role; French material; 9001034

Arabic particle ka meanings, Creole vs Moroccan Arabic, French/ English translations relation; contrastive interlanguage approach;

architecture terminology, French language lack; 9001912

Atlantic creoles origin, serialization syntactic structure; 9004287 Belgian language law (1932), linguistic vs nonlinguistic/political issues basis; 9007034

bilingual dictionary's semantic basis, French-Spanish articles; I. A. Mel'čuk's lexicographic framework application; 9001900

bilingual education controversies, St. Leonard, Quebec/Lafourche Parish, La; 9008206

bilingual education programs development problems, Switzerland; 9005836

bilingual equivalents creation constraints, contextual variation role; French adverb déjà 'already, before'/Romanian equivalents; 9001147

bilingualism/diglossia concepts, Romanian language usage, 1820-1850; French/Romanian correspondence; 9000857

"Branched" French, syntactic phenomena; 9008529

British vs French media, sports events reporting; 9006940

Brunot, F., research methodology development, Histoire de la langue française (History of the French Language); 9008860

business French instruction, US universities; teachers' perceptions, course content/materials; questionnaire; 9000223

Bwa Dubout education center, Guadeloupe; children's scholastic/ French-language problems, remedial efforts; 9005832

Cajun French linguistic structures, variation/change nature; quantitative treatment, social context significance; 9001014

Canada's/Belgium's bilingual situation, territory- vs personal-rights-based systems; Canadian Commissioner of Official Language's Belgium/Hungary visit/comments; 9005793

Canadian basic French programs, national study project, H. H. Stern's multidimensional curriculum concept; 9002810

Canadian bilingualism, government's language training provision;

Canadian French I deletion/gemination, morphologically conditioned

Canadian French I deletion/gemination, morphologically conditioned sound change; 9009006
 Canadian French-language immersion programs implications, US language teaching; content/language teaching integration; H. Hammerly's claims questioned; 9000368

Canadian French/English bilingualism, regional concerns; 9007042 Canadian national government's language policies, Francophone language-minority communities' status; 9007041

Canadian Northwest Territories residents' linguistic status, geolinguistic concerns; 9009406

Canadian Northwest Territories' cultural/linguistic diversity, translation/interpretation problems; 9008279

Chanson de Roland, linguistic analysis; 9007069

Chaudenson, R., 1989: vers une révolution francophone? (1989: Toward a Francophone Revolution?) reviewed; 9006995

child language acquisition, discourse cohesion, cross-linguisic compara-tive study; Chinese/French/German/English speakers aged 4-10; 9002514

child language acquisition, maturation vs universal grammar principles invariance hypotheses; French-speaking children aged 3:0-7:6;

code-mixing aspects, multilingual (French, English, Kikongo, Lingala) child; natural/spontaneous speech samples; 9008200

colloquial/dialect pronunciations representation, contemporary French novel; 9005954

communicative competence, theoretical model, differential interaction model development; prestige/language choice relationship; 9009433 comparative translational studies, G. A. Bürger's "Lénore" 19th-century French translations; 9008231

complement attribute, verbal valences analysis problem; French exam-

computer program user manuals vocabulary/presentation/editing problems; IBM PC User Guide, French vs English editions;

9001904

computer-aided French as a second language learning development, student feedback effect; 9002964

computer-assisted French as a second language instruction, PROLOG use advantages, INSPEECH/FRANZLIT programs; 9002763

computer-assisted language instruction, hypertext use; French as a for-eign language instruction application; 9007571

concrete/abstract poetry, comparative demonstration, modern French poets; 9007055

context/conceptualized language practice, foreign-language instruc-tion; college-level introductory French textbooks, US; 9000379

contrastive analysis use, translated objective information presentation, photo legends/graph labels; science texts, French/Spanish article, English original; 9009050

terminological syntagm place, general monolingual dictionaries; French material; 9001880

TERMIUM French/English linguistic data bank, computerized optical disk: 9001715

textual cohesion analysis, semantic synonymy association, reiteration vs collocation; French discourse; spontaneous conversation; 9008590 transformational generative grammar application, French language global/partial description; 9003664

translation difficulties, new vs original terms' use; 9000933

translation's syntactic aspects, generative grammar effects; Baude-laire's English/French poetry compared; 9002131

translation, French/English mechanics terminology; 9009292 translation, introductory course necessary features; J.-P. Vinay's/J. Darbelnet's standard manual qualities/defects; 9000902

translation, specific linguistic dimensions; syntactic patterns difficul-ties, English-French/-German translation; 9003511 translation/second-language acquisition, "faux amis" understanding/

use; 9004145 verb constructions existence, Indian Ocean French creoles; Morisyen/ Seselwa examples; 9004278

vocabulary instruction status, university level; French as a target language German learners emphasized; 9000350

vocal timbre perceptibility/differentiability, French e/ε variation; recorded broadcasts; 9009696

vocal tract modification, French (i)/(y) transition, formant change role; empirical data; 9009710

Weltanschauung/language relationship, French/Bulgarian existential idioms comparison: 9009046

West Flemish s-plurals, formal/semantic aspects, 19th-century material: 9008634

Wienrich, H., La Grammaire textuelle du français (Textual Grammar of French) reviewed; 9003648

word use frequency statistical analysis, A. de Saint-Exupery's Le Petit
Prince (The Little Prince) English/French/German/Japanese/
Portuguese/Spanish verions compared; 9001698

writing theory, new linguistic approaches; "plurisystem" of writing use, French-speaking children; 9003385
written/oral comprehension/production relations; complex relative constructions; French-speaking Quebec students aged 7-12; 9002549

Zaire armed forces, national vs foreign languages use; 9009514 Zaire language planning ideology/history; 9009541

Zaire national language policy development, sociolinguistic factors; 9009547

Zaire native-language instruction, cognitive advantages; empirical studies; 9008189

Zairian discourse, French/Lingala code-mixing tendencies; 9008184

Zairian language situation, Lingala/Kikongo/Ciluba/French status/ use; 9009507

Zairian preschools, French language use; surveys; Lingala-speaking preschoolers, Kinshasa; 9007662

Frequency of Vibration

binaural information combination across frequency bands; lateralization task; 9007225

language distortion, Freudian psychoanalytic reflections; word/ unconscious structure/relational meaning unusual relationship; obsessive female aged 26; 9004870

language origin, metaphorical/metonymical processes; S. Freud's language origin/evolution hypothesis, sexual needs foundation; 9007131 slips of the tongue, S. Freud's theory, A. Grunbaum's/E. Erwin's criticisms; assertion/evidence relationships clarification; 9002388

Stalin's terror/persecution, Saussurian semiotic/Freudian interpreta-tion; 9002203

function words' function, functional-communicative language description framework; W. Schmidt's contribution; 9006116

### **Function Word**

Czech/Russian connective particles, také/tozhe 'also, too' equivalence/ nonequivalence; P. Adamec's preinformation notion; 9006134

function words' function, functional-communicative language description framework; W. Schmidt's contribution; 9006116 narrative recall, connectives use; French-speaking children aged 5-8;

9005023 Russian imperative grammar/semantics, analytic forms theoretical problems; 9008473

utterance, communicative structuring, lexical meaning reflection; Russian functional words semantics; 9008551

## **Functional Linguistics**

authorization, G. A. Zolotova's concept; typology, model, modality; 9006282

Bahasa Indonesia grammar, systemic-functional perspective; bidirec-tionality realization differences; 9006125

Brazilian Portuguese verb-subject constructions, discourse functionalist analysis; generative functionalists critiqued; 9001471
Brunot, F., functional grammar conceptions; 9008878

Catalan/Spanish left-detachment, comparative functional typology, fo-cal/nonfocal constructions distinction; 9006126

communication adequacy, metacommunicative act role; Soviet newspapers' interviews functional-communicative analysis; 9001311 comparative language study, communicative-functional language description relevance; Russian/German material; 9006641 diachronic semantics, functionalist theory; lexical-semantic change efficiency/expressivity principles; 9003927

Dutch nominal compounds, functionalist perspective; 9008398 French raising-to-object, functional perspective; 9008471

French syntagm celui, function structure/lexical interpretation; 9008528

"function" term ambiguity, A. V. Bondarko's/European schools' positions compared; 9008782

functional grammar meaning characterization, beneficiary interpreta-tion; 9008598

functional grammar theory, recent monograph discussed; Modern Russian data; 9008768

functional grammar, computational implementation; Functional Grammar Machine program description; 9001707

functional grammar, structure-neutral model; 9003933

functional grammar, Teoriya funktsional noy grammatiki. Vvedenie.
Aspektual nost'. Vremenaya lokalizovannost'. Taksis (Theory of Functional Grammar. Introduction. Aspectuality. Temporal Localization. Taxis) reviewed; 9008779

functional-communicative language description model enhancement, text reception research results incorporation; 9006353

functional-communicative language description, cognitive/ psycholinguistic research incorporation; 9006383

functional-communicative language description, development history, East German linguistics; 9006384

functional-communicative language description, development history, East German linguistics; 9006441

functional-communicative language description, didactic application; Russian as a second language teacher trainees, East German pedagogical colleges: 9005098

functional-communicative language description, East German linguis-tics; "linguistic means" concept/term role/chronology; 9006422

functional-communicative language description, grammar-lexicon integration, semantic nets construction; glottodidactic perspective; 9004016

functional-communicative language description, model development history/stages, East German linguistics; 9006410

functional-communicative language description, text typology, commu-nicative function types as criteria; 9006312

functional-communicative language description, text-linguistic issues treatment; text as communication product; 9006320

functional-communicative text linguistics, methodological/descriptive problems; 9008744

functional-communicative text linguistics, tasks; 9008751

functional/transformational grammar relationship, functional grammar as subtheory; 9003940

functional/transformational grammar relationship, P. Miller's func-tional grammar critique refuted; 9003943

German sentences, automatic analysis, lexical functional grammar for-malism; 9009089

glottodidactics, psychological basis, methodology/materials develop-ment, psychological principles; functional-communicative language description framework; 9004930

Isletan Tiwa (Tanoan) verbal prefix, functional framework; 9006212 Kuno, S., Functional Syntax: Anaphora, Discourse and Empathy reviewed; 9008527

language change, D. Lightfoot's "therapy-only" principles critiqued; functional principle/theory, Middle Dutch material; 9003920

language change/linguistic universals/language-specific rules, functional account; 9003937

language functional theory, principles/theses; 9003925 language functions clarification; "role" vs "organic" functions; 9006416

Latin sentential complements, functional grammar perspective; 9001389

linguostylistics, functional-communicative language description framework; 9001375

meaning conception/theory, W. Schmidt's functional-communicative framework suitability; 9006183

Modern Hebrew interrogative forms, synonymous doublets distribution/use; 9003755

Ob-Ugrian passive sentences, functional grammar perspective; 9008453

predication, various grammar models' conceptions; 9001033 presupposition, functionalist interpretation, proposition/sentence/ discourse/common ground relationship; 9003956

radio discussion as text type, statements/functional-communicative features typology; East German material; 9001341

Russian as a second language instruction, Dagestan students; systemic-functional morphology; 9000387

Russian as a second language teacher training, textbook design, functional-communicative language description principles; 9005291

Russian as a second language, motion verbs; functional analysis, sin-gle-multiple direction verbs; 9002782

Russian functional syntax, G. A. Zolotova's Sintaksicheskiy slovar'.

Repertuar elementarnykh edinits russkogo yazyka (A Syntactic Dictionary. The Inventory of Elementary Units of the Russian Language) outlined/reviewed; 9001064

Russian functional syntax, G. A. Zolotova's Sintaksicheskiy slovar'.

Repertuar elementarnykh edinits russkogo yazyka (A Syntactic Dictionary. The Inventory of Elementary Units of the Russian Language), W. Lehfeldt's critique refuted; 9001138

Russian reproduced speech, artistic texts; functional communicative language description framework; 9006243

sentence, utterance/language system element status, functionalcommunicative language description framework; 9006289

Serbo-Croatian subject/object use, syntactic/semantic functions rela-tionship; functional vs relational grammar account; 9006381

Swedish sa construction, functional grammar perspective; 9008408 transformational vs functional grammar, tenets/methods/principles comparison; 9006414

Vachek, J., written language studies, functional perspective; 9005771 valence/case theory controversies; 9008537

vocabulary/grammar, functional-communicative language description, semantic networks/complex paradigms; 9006371

word-order universals/related phenomena functionalist account, head proximity principle; 9003948

## unctional Sentence Perspective

English passive instruction, functionally determined typology; 9007616 Old English word order, flexible/inconsistent character, general principles account; functional sentence perspective theory framework; 9001657

text linguistics, history/methodology/research; 9008732

## **Fundamental Frequency**

American Chinese as a foreign language learners' tone production errors; native Chinese speakers' fundamental frequency patterns compared; 9003003

automatic speech output systems, natural intonation pattern creation difficulties; English sentences naturalistic fundamental frequency contours generation rules; 9007193

children's acoustic parameters use, stressed syllable production characteristics; 2-/3-/4-year-olds; 9002534

children's prosody use, assertive/directive contexts; acoustical analysis; children aged 1.44-2.96; 9005000

Chinese tones production, esophageal speaker; perceptual/acoustic characteristics; 9002332

Dutch fundamental frequency declination, C. Gussenhoven's/A. C. M. Rietveld's time-dependent model questioned; reply; 9004697

English as a foreign language intonation/stress learning system improvement; personal computer use, fundamental frequencies analysis/display; 9000367

English syllabic nasals' constitutive parameters; 9008372

French fricative consonants voicing; sonagrams; Montreal French speakers; 9009686

French intonation, native speakers' vs beginning students' pitch movements; 9004688

frequency-compressed voiceless fricatives, frequency normalization characteristics; /s, f/ perceptual boundary determination, synthetic stimuli; 9002274

fundamental frequency effects, natural/LPC/synthetic speech; native Mexican Spanish speakers; 9007178

fundamental frequency variation, conversational discourse, raised pitch aspects; Fo values data; 9008705

fundamental frequency, sentence type/syntax/stress pattern relation-ship, boundary/accent; Argentine Spanish; 9007173

human voice fundamental frequency value, male/female variation, morning-noon-evening; Italian adults aged 19-47; 9004668

Japanese pronunciation drills difficulties, English-speaking students; Word Accent Training System implementation; 9000303

Korean declarative intonation, acoustic features, fundamental frequency declination hypothesis basis; Seoul dialect speakers; 9007163 male/female pitch description, incorrect characterizations/

experimental measurements interpretations; literature review;

Mandarin Chinese tone recognition, vector quantization/hidden Markov models; mono-vs polysyllabic recognition rate compared; male speakers; 9002289

pitch detection algorithm, fundamental frequency real-time measurement; 9009850

simultaneous auditory signals, perceptual pulse train/vowel segrega-tion separate identification; crossing glides vs steady-state F0s; 9000123

singing voice, electroacoustic analysis, procedure description/ application; Italians; 9004694

speech disorders, Friedreich disease; duration fundamental frequency/ intensity, acoustic paramaters analysis; patients; 9009763

spoken English, Japanese speakers, American vs Japanese listeners evaluations; duration/pitch/intensity changes effects; 9002276 stop consonant voicing contrasts, Japanese/Korean/Burmese/Thai/

Hindi; 9008365 sustained vowels fundamental frequency contours, spectrum analysis; listening task; singers, experienced listeners; 9002277 tactile speechreading aid development/evaluation, voice fundamental frequency effective presentation; 9004886

Taiwanese tones perception cues, height/movement/syllable duration dimensions; 9002270

tonebursts, rate/place/pitch perception; 9004746 visual word recognition, neighborhood frequency effects; lexical deci-sion vs masked identification latencies; 9005056

vocal cord polyp dysphonia diagnosis/postsurgical therapy, spectral analysis role; clinical experience report; 9009788

vocal nodules, fundamental frequency effect; children with/without nodules aged 6-13; 9004811

vocal periodicity objective/noninvasive assessment, fundamental frequency cycle-to-cycle perturbations investigation usefulness; unresolved methodological jitter movement issues; 9004675

voice characteristics, elderly males vs females; 9002340 voicing/voicelessness control, vocal folds' longitudinal tension changes role, cricothyroid muscle activity; American English/Dutch speak-

ers: 9002299 vowel normalization/contrast relation; experiments; undergraduates; 9009687

### Gender

agrammatic comprehension behavior, grammatical prerequisites; 9005095

Dutch gender system acquisition; three-year-old girl; 9002494 Early Middle Dutch plural formation, -s/-er markers occurrence/ origin, noun gender, French influence; 9001641

English -person suffix inconsistent use, nonsexist suffix intent defeat; 9004349

female sex denotation, Spanish occupational nouns; Diccionario de la Real Academia (Dictionary of the Royal Academy) reflection;

feminine gender derivation, formant productivity, Slavic languages derivational divergence causes; 9006649

Foodo (Niger-Kongo) noun class/gender marking; 9008640 foreign loanwords, morphological/syntactic adaptation; M. Tsrnjan-ski's Serbo-Croatian novels, Russian/English/French/German

nouns; 9004151 French as a second language grammatical gender acquisition/ instruction; phonetic/morphological rules, most frequent words;

French as a second language, German students, gender interference problems, didactic remedy; 9000256

French gender acquisition, native speakers vs second-language learners; language acquisition model, linguistics/experimental psychol-inguistics theories combination; 9005388

French grammatical gender identification, inanimate nouns' initial phoneme effects; 9004966

French neuter pronoun role, 13th-20th centuries; 9004061

French nominal/temporal generic expressions, privative opposition analysis; 9006135

gender (dis)agreement syntax/semantics, J. M. Sadock's autolexical approach; 9006430

gender identification, inanimate nouns/noun endings' predictive value, frequent usage effects; native French speakers; 9000030

gender-free English vocabulary use; 9005116

generic word choices, age-/sex-related differences; 1st/7th graders;

German person designations, grammatical/sexual gender relationship, Berlin Hochschulgesetz (Berlin Academic Law),; 9009524 grammatical gender evolution, R. J. Cuervo's/A. Bello's theories sup-

ported; 9006012

grammatical gender, A. Meillet's analysis; linguistics/sociology con-temporaries' ideas compared; 9001519

Greek neutral -s- nouns, deviant derivatives; 9008989

Hittite personifying formant -ant- age, Indo-European gender category history; 9008998

language/gender/social identity/thought relationship, feminists' generic he elimination attempts effects; 9006973

lexical morphology research, gender/number marking; recall/ recognition phases; secondary students; 9006220

Modern Standard Romanian neuter plural endings, distributional rules; 9001131

Montreal French demonstrative determiners (sa)/(se)/(sta) alternation, gender opposition morphological neutralization; 9003768 New High German nominal declension, natural morphology interpre-

tation, gender-number correlation model; 9003766 Old English grammatical gender, diachronic study; 9001604 Polish gender system, sexism examples, natural vs grammatical gender issues; 9002069

Proto-Slavic long vowels reconstruction, posttonic syllables; Slovene-West Bulgarian neuter nouns' accentuation; 9001611

reading-disabled children's differential prognosis, gender/ socioeconomic status/IQ/severity basis; longitudinal study; 9004839

Romance neuter gender evolution, Latin markers diachronic change, Romanian-Italian comparison; 9004048

Romanian names, gender opposition; 9009216

Serbo-Croatian Germanisms, morphological (gender) adaptation; I. Draganovič's Serbskij kuvar (Serbian Cookbook); 9006724

sex-neutral uses, masculine forms, English- vs Spanish-speaking children; 9002505

social gender identity development, gender-marked speech; judgment task; six-year-old children; 9009486

Spanish as a foreign language, grammatical gender instruction, sexist stereotyping consciousness-raising; 9007647

Spanish gender correlation, secondary nomination phenomenon, plants/animals/objects personification; 9003741

Spanish "gender" vowels notion, lexical representation; 9003780

Standard English gender, false concepts, effects, expository prose; 9003376

Ukrainian nouns' number/case/gender semantics, morphological/ communicative analyses; 9006193

verbs' implicit causality; semantic valence/syntactic form/actors' gen-der; questionnaire; Italian-speaking undergraduates; 9007385

General Linguistics

Asoc Lingüística de Medellín (Linguistic Assoc of Medellín); history/main tasks; 9006469

general linguistics development, late 19th-/early 20th-century sche-mas: 9008892

general/French linguistics, recent studies; general progress, theoretical innovations; 9006433

Hagège, C., L'Homme de paroles. Contribution linguistique aux sciences humaines (The Man of Words: A Linguistic Contribution to the Human Sciences) reviewed; 9006367

language encyclopedia, general linguistics overview; 9001398 Romanian linguistic works, thematic-alphabetic bibliography, 1988;

Schuchardt, H., general linguistics contribution, marginal linguistic phenomena focus; 9006447

Generative Phonology

coronal underspecification, segments' structural representations rule application assumptions; 9003532

Eastern Dutch dialects, generative phonology; 9008349

generative phonotactic theory attempt; P. Postal's claims addressed, phonological rules elimination proposed; 9005986

Haitian Creole diphthongs, syllabic representation/distribution; recent generative grammar advances framework; 9005936

Iraqi Arabic morphophonemics, generative phonology framework; 9003784

Latin-to-French evolution steps, /k/ palatalization, prevocalic position, generative phonology/markedness theory account; 9008328

Lucanian Italian vowel u spread, transformational grammar/ generative phonology models; 9009174

palatalization/retroflexion/velarization rules, Russian-Chinese bilingual, Chilean resident; 9000950

phoneme status, generative phonology/phonological change; 9000979 Pingding (Chinese) retroflex consonant infixation alternations; autosegmental analysis; 9008339

standard generative phonology, characteristic abstractness problems; lexical phonology constraints application resolution; Modern English vowel shift; 9005969

Abraham, W., Terminologie zur neueren Linguistik (Terminology of Modern Linguistics) critically reviewed; 9006870

Abraham, W., Terminologie zur neueren Linguistik (Terminology of Modern Linguistics) reviewed; 9006857

adjectives'/nonadjectives' comparative meaning, German hoch 'high'/Berg 'mountain'; 9006164

Afanas'ev, I., Grammatika ruskago i nemetskago yazykov (Grammar of Russian and German Languages) description/critique; 9006501 approval, communicative procedure description, German material; 9006256

"approval," communicative procedure's topical-thematic/actional structures, East German material; 9003875

Arabic metaphors, German translation, semantically/stylistically conditioned difficulties; 9003525

argumentation strategies, native vs nonnative German speakers; dyadic arguments; 9002995

artistic text, meaning determination methodology; story analysis;

shading particles use, spontaneous speech vs artistic prose, German vs Finnish translations; 9008261

Slavic loan/relic words, pre-Pomeranian/Mecklenburg area; 9009105 Slavic/German contacts, Germanisms word-formational adaptation strategies, productive affixes; 9006726

Slovak/German computer-aided translation, equivalence problems; 9006637

Slovene vs German language preference, cultural consciousness/ nationalism feelings influence, southern Carinthia, Austria; 9002083 South Tirol language situation, German-Italian-Ladin coexistence, 1972 autonomy statute; 9006961

south-east European mining technology/terminology, 13th-18th centuries; 9001627

special languages, teaching/terminology formation, German-Bulgarian aspect; conference report, Sofia, 1989; 9002787

specialized language teaching, business German, culture-/style-specific features; 9000192

speech acts invitation, suggestion, agreement, German/Polish comparative analysis; 9006660

Standard German pronunciation, norm codification history; Grosses Wörterbuch der deutschen Aussprache (The Great Dictionary of German Pronunciation) proposals; 9007037

Standard German, monocentric vs pluricentric language cultivation; modern languages evidence; 9002118

standard language theory, written language as cultural base, Austrian language situation; 9008805

students' experience narrations' structure, super-/micro-/ macrostructures relationship; East German fifth grader's story;

style, sociolinguistic conception, ecological-systemic notion; German soccer team members' interactions; 9001366 suffix metastasis/redundancy, South German colloquial material;

9006227

Swedish to German translations, size difference; syntactic/lexical/ morphological differences; 9003520

syntactic/semantic/logical valence, German/Serbo-Croatian verbs; same logical relation/different semantic/syntactic realization; 9001078

technical German word-formation patterns/trends, computer-assisted second-language instruction; symposium/roundtable discussion report, Košice, 1989; 9003773 technical texts' "substitution" verbs, German for special purposes students' reading comprehension; 9007618

television news discourse, US vs Federal Republic of Germany; 9009395

text comparison, Russian-German written weather reports similarities/ differences; 9001693

text meaning realization, super-/macrostructure interaction; German literary texts; 9003885

text reception, lexical-thematic lines analysis relevance; German material; 9003895

text stereotype notion/typology, Czech-German full/partial equiva-lence; 9001703

"textology," J. Petőfi's viewpoint; 9008738

theme constitution/processing, German discourse analysis; 9006249 translation as cross-cultural event, contemporary German translation studies reference; S. Rushdie's Midnight's Children English/German translation; 9005908

translation errors, subject-thematic ignorance cause, German newspa-per/detective stories; 9008242

translation, specific linguistic dimensions; syntactic patterns difficul-ties, English-French/-German translation; 9003511

translational practice, G. F. Kennan's Sketches from a Life, German translation; 9008258

translator training, cultural competence teaching importance, German as a second language instruction curricular models; 9008211

translator/interpreter training, recent developments, U of Hildesheim, Federal Republic of Germany; 9008216

Turkish juvenile's German free speech, suprasegmental analysis, ac-cent/melody errors; German/Turkish patterns; 9005987

Ukrainian WWII novels' Germanisms, thematic classification, stylis-tic-expressive function; 9004580

Ukrainian/German/English locative verbs of state, valence/intentional structure; 9003606

universal grammar paradox, adult second-language acquisition; first-language learner differences, German word order/agreement/negation evidence; 9000400

urban vernaculars, sociolinguistic analysis; case studies; 9002055 valence binding/clause position relationship, sentence parts order rule extension; 9003677

valence theory development, German sentence structure; 9008814 valence-based language comparison, semantic/syntactic/pragmatic va-lence; seminar report, Jyväskylä, Finland; 9001681

Vuk's Rječnik (Dictionary), 1818 vs 1852 editions, German/Turkish loanwords treatment; 9006487

West German guest worker literature characterization, form/language simplicity; 9004578

West German political discourse, rhetorical structure/figures/tropes; W. Brandt's party convention address; 9001329

West Germanic consonant lengthening, reconstruction/formulation;

word formation/phraseology, German Language Instit's annual con-ference report, Mannheim, 1988; 9003777

word use frequency statistical analysis, A. de Saint-Exupery's Le Petit Prince (The Little Prince) English/French/German/Japanese/ Portuguese/Spanish verions compared; 9001698

writing instruction, West German secondary school, didactic model critiqued; research survey, neurological-cognitively based alternative proposed; 9000764

Yiddish, Hebrew-Aramaic origin component verbs, inherited form/ synchronic phonology interplay; 9001602

youth jargon, West/East Germany; literature survey, definition prob-lems, sociolinguistic treatment; 9001334

"zero-German" interlanguage development, German linguistics intro-ductory course; 9007627

Zhirmunskiy, V. M., dialectological work reviewed/evaluated; 9008853

Germanic Language

address forms/functions, intercultural equivalence/difference, formal homology/functional homeology/heterology; German/Danish/Polish; 9008698

Afrikaans boundary signals/pronunciation variation relationship; 9005994

Afrikaans definiteness/indefiniteness as degree scale variables, binary contrast theory refuted; 9009367

Agnon, S. Y., "Talit aheret" (An Other Talit), Yiddish short story's English translation; 9005853

Ancient Greek/Germanic contacts, northern Black Sea area, personal names' Germanic origin; 9006612 articulation rate "just noticeable difference," sentence level, Dutch;

9007156

Belgian language law (1932), linguistic vs nonlinguistic/political issues basis; 9007034

Bergsveinsson, S., bibliography; 9003987

bilingual language processing, language/memory deficits, left thalam-ic/temporal regions lesion patient; Dutch-English bilingual 18-year-old female; 9007287

Bloomfield, L., Colloquial Dutch, second-language teaching material; structuralist principles, didactic-military objectives; 9008889 Bulgarian/Scandinavian post-positional definite article, comparative-typological study, areal mechanism; 9006899

case assignment, attraction phenomenon, older Indo-European languages; 9008424

child language acquisition, discourse cohesion, cross-linguisic compara-tive study; Chinese/French/German/English speakers aged 4-10;

children's literature, language adjustment/variation, Swedish books;

cloze tests parallelism, minimally required blanks; Dutch text; native speakers, Indonesian learners; 9003043

code-mixing/-switching characterization, Afrikaans/English bilinguals, South Africa; 9008186

codex Gissensis, Gothic language/orthography peculiarities; 9008953 COLLATE computer programs development/application, Old Norse manuscripts; 9006702

color semantics, chromonymy; Italian/Dutch color designations; 9006182

communication strategies, interlocutor role, foreign-language speakers; spontaneous English conversation, English/Dutch speakers; 9007720 comparative language study as national character study; Germanic/ Romance examples; 9001680

compound headedness, adjective-noun word-order correlation; Ger-manic, Modern Greek, Modern Hebrew, Romance examples; 9008391

computational linguistics projects, adequate lexical basis; Nijmegen Center for Lexical Information contribution; 9001721

computer-aided dialectal lexicography, Gennep dictionary project re-port; software characterization, automation areas; 9004313

computer-aided dialectal lexicography, Woordenboek van de Vlaamse Dialekten (A Dictionary of Flemish Dialects) project report;

computer-assisted dialectal cartography, P. J. Meertens Instit's work;

computer-assisted dialectal dictionary compilation, Woordenboek van de Drentse Dialecten (A Dictionary of Drenthe Dialects) project history; 9004312

computer-assisted dialectal dictionary compilation, Wordenboek van de Brabantse Dialecten (A Dictionary of Brabant Dialects)/Woordenboek van de Limburgse Dialecten (A Dictionary of Limburg Dialects); 9004308

computer-assisted lexicography, Brabant proverbs dictionary, data processing/dictionary compilation automation; hardware/software characterization; 9004303

computer-assisted lexicography, Vroegmiddelnederlands Woordenboek (An Early Middle Dutch Dictionary) compilation stages, computational technology application; 9004319

Danish language structure/nature; 9008933

Danish/Swedish runic writings analysis, 11th-13th centuries, drængR meanings, 'father'/'husband'; 9004300

developmental language disorders, grammatical analysis; LARSP procedure, Dutch-language adaptation; morphosyntactic patterns, specific language-disordered/hearing-impaired/Down's syndrome children; 9007240

dialect use/attitude, dialect-/Standard Dutch speakers; Attitude/ Motivation Test Battery, Spolsky's identity scale, matched-guise technique; North Limburg/Standard Dutch speakers aged 13-15; 9001805

dictionary collocations research, native Dutch vs French speakers' methods/criteria; 9009258

distance expressions, raising predicates hypotheses; French/Swedish data; 9001418

double object construction syntax, selected Germanic languages; government-binding framework; 9008506

Duinhoven, A. M., Middelnederlandse syntaxis. Synchroon en diachroon (Middle Dutch Syntax: Synchrony and Diachrony) cri-tiqued; synchronic/diachronic language conception value; 9001662

Dutch -ette formations, French suffix assimilation, commercial designations/advertising language, word formational rule, meaning; 9001222

Dutch aard 'earth, soil'/Germanic Ort 'place'/Egert, etymological semasiological analyses, meaning spectrum/derivation; 9004272 Dutch adjectival phrases parsing grammar, Delta system; affix formalism; 9004108

Dutch advertisements'/advisory texts' problem-solution structure analysis/comparison; situation/difficulty/desideratum elements; 9001358

Dutch as a first/second language cue validity, E. Bates's/B. MacWinney's competition model, empirical evidence; 9000057

Dutch as a native language instruction, Dutch high school; oral skills testing, listening ability; 9000165

Dutch as a native language instruction, mono- vs bilingual students' grammatical errors; A. Kerkhoff's study critiqued; 9005125

Dutch as a second language competence assessment, computerized editing test; 9002890

Dutch as a second language instruction, self-reading authentic material design criteria; text's affective factors, syntactic/lexical complexity; 9000271

Dutch as a second language instruction, Turkish/Moroccan adults; space/time/people conceptual domains acquisition; 9005163

Dutch as a second language test vs self-assessment format; adult learners; 9000458

Dutch as a second language, computer-assisted vocabulary acquisition; program presentation; 9000253

Dutch as a second language, computer-assisted vocabulary teaching; Adam & Eve program; 9000196

Dutch binding/coindexing phenomena, Chomskyan framework; syntactic/referential indexes distinction; 9003700

Dutch boxed vs unboxed (chained) constructions readability/ comprehension; question answering time, central element's attention value; undergraduates; 9005688

Dutch conjunction om 'to, for the purpose of diachronic evolution, se-mantic/syntactic functions; 9004055

Dutch conjunction/conjunctional particle dus 'thus, so, consequently' semantic/pragmatic/syntactic features, part-of-speech status, sentential position/combinability; 9001022

Dutch conjunctions want 'for'/omdat 'because'/aangezien 'since, as' semantic/pragmalinguistic differences; nomenclatural changes proposed; 9003757

Dutch crossed vs German nested dependencies processing difficulty; embedded push-down automaton application validity; 9004967

Dutch declarative sentences function, natural dialogues; listeners' onscreen identification; native speakers; 9008650

Dutch derived words, lexical category determination, sound structure determining factor; 9001002

Dutch dialects' umlaut alternation/variation/contact; umlaut reconditioning/deconditioning; J. Goossens's analysis basis; 9005935

Dutch dialects/Germanic languages toponymic elements koud 'cold'/warm 'warm' meanings; 9004252

Dutch endingless plurality forms, quantity/measure nouns; 13th-/ 14th-century legal texts; 9001629

Dutch family name Scheurweg(s), meaning interpretation; earlier proposal supported, new evidence; 9004238

Dutch family name Schietekat, historical/geographic attestation, meaning interpretation; 9004237

Dutch fruit/vegetable names, number assignment, A. Wierzbicka's framework; metro-/gastrolinguistic hypotheses integration; 9003722

Dutch fundamental frequency declination, C. Gussenhoven's/A. C. M. Rietveld's time-dependent model questioned; reply; 9004697 Dutch gender system acquisition; three-year-old girl; 9002494

Dutch handball, Antwerp records analysis, onomastic data; 9004273 Dutch infinitivus pro participio (IPP), new analysis; 9008525

Dutch intermediate sound e[n] spelling, Van Haeringen/Blancquaert commission rule inadequacy; 9001992

Dutch language proficiency comparison, Turkish ancestry/native Dutch children; 9000849

Dutch language status, Belgium, dialects' relationship; diachronic per-spective; 9009135

Dutch Language Union, grammar policy critiqued; 9004546 Dutch language/culture interactions/nature/description; 9004020 Dutch language/literature development/distribution, Flemish/ Afrikaans/Frisian differences compared; 9007018

Dutch legal interpreters, Foundation Instit Dutch Legal Interpreters/ Translators objectives/tasks; 9000891

Dutch lexicographic policy, projects financing; G. Janssens's proposals critiqued; 9004331

Dutch modal particles, use/occurrence frequency/meaning/syntactic position/combinability; 9001046

Dutch negative polar expressions, negative polar trigger relationship; model-theoretical semantics account; 9001154

Dutch nominal compounds, functionalist perspective; 9008398 Dutch o-grade deverbal masculine thematic substantives, surviving re-flexes; 9008966

Dutch orthography reformation, s-joined nominal compositions, new spelling rule criticized; 9004373

Dutch pakkie-an 'clothing, dress' idiomatic meaning, etymology, for-mal/semantic evolution; 9001935

Dutch perceived word segmentation, acoustic-phonetic word boundary markers influence; 9008356 Dutch plural marker -s origin, England vs Northern France; Late Old English/Early Modern English/13th-century Dutch data; 9001581

Dutch pluralia tantum formation, lexical phonology account; 9003762 Dutch positive/negative polar expressions, semantic division, nominal constituents combinability basis; 9008526

Dutch prepositional object, syntactic category status, prepositional object/nominal object/adverbial adjunct differentiation; 9001030

Dutch resident names derivation, -se vs -e affix; dialectal evidence;

Dutch restrictive/appositive relative clause, comma/pause use; written/spoken Belgian Dutch quantitative analysis; 9001020

Dutch secondary school base formation stage final examinations design, bilingual students integration; 9000154

Dutch secondary school's base formation stage final terms, language contemplation/linguistic abilities relationship, teaching plan; 9000170

Dutch secondary school's base formation stage, language teaching evaluation, gauging approach; 9000163

Dutch sequence zich 'oneself'... subject/subject... zich meaning differ-

ence, appropriate/inappropriate sentence part order; 9006177

Dutch situational language use, H. Blok's Taal voor Alledag; feiten en meningen over het taalgebruik van LBO- en MAVO-leerlingen in alledaagse situaties (Language for Every Day: Facts and Opinions of Language Use by Dutch Junior High School Students in Everyday Situations) outlined/critiqued; 9000171

Dutch standard pronunciation, phonological vs phonetic variation, nor-mative/empirical views; tape recordings, multidimensional analysis; native speakers; 9008334

Dutch suffix -tuur origin/productivity; Latin source/borrowings, word list; 9006858

Dutch tense system, traditional treatments, new divisions; 9003625 Dutch toponym Kontich, history/phonetics, -k->-ch change explana-tion; 9004261

Dutch translation theory/practice terminology, glossary; 9000927 Dutch translational theory/practice terminology, glossary; 9005907

Dutch use, conversational interactions, second-generation Moroccan immigrants; sociolinguistic/conversational analysis; 9004434

Dutch van die-constructions semantics/syntax, ambiguity problem; 9008554

Dutch word groups' form/function relationship, F. Zwarts's/L. Haegeman's accounts critiqued; 9003682

Dutch youth jargon knowledge/use, quantitative study; sex/education variables; North-Holland youth aged 16-21; 9004483

Dutch zijn 'to be' + past participle passive, zijn vs worden 'to become' passive, primary vs secondary passive constructions; M. J. van der Wal's framework; 9003608

Dutch-French linguistic border formation, onomastic evidence, Romance toponyms' Ingweonian origin; 9004239

Dutch-language instruction, Federal Republic of Germany; conference report; 9007551

Dutch/Belgian Limburg mining terminology, collection problems; mining term definition, German/French/regional influence;

minority languages' loss/maintenance, functional/structural loss rela-tionship; Maastricht City Dutch dialect (Netherlands) data; dialect attitude measures; 9009143

Modern Germanic languages, sociolinguistic typology; 9004449
Modern Icelandic foot/syllable structure, K. Árnason's "final maximalistic" strategy vs H. Geigerich's English/German foot structure characterization; 9000967

Modern Icelandic strong feminine monosyllabic nouns, inflectional re-alization oversight; 9001038

monitoring, children's second-language speech; longitudinal study; spontaneous speech, Dutch schools, Turkish 1st graders; 9005458

mora-related phenomena, various German dialects' rhythmic makeup; mora level compensation differences, Prokosch's/Streitberg's Laws basis; 9000938

morphosyntax development, Dutch children aged 1-4, GRAMAT developmental profile; 9002486

mother tongue education, South Africa; English vs Afrikaans/Zula (Niger-Kongo) use; 9004490

national technical terminology development, Dutch effort; linguistic standards; 9005917

native-language instruction, Dutch high school, students' languagecultural education, contemplative reading procedure; 9000153

native-language instruction, Dutch secondary school, basisvorming (base formation) stage's language teaching implications; 9000155 native-language/-literature instruction, Hungary; Hungarian/Dutch systems compared; 9000150

new Danish speech material (DANTALE) design, clinical/ experimental speech audiometry, digitally recorded compact disk; 9004889

New High German Wert 'river islet', Germanic etymology; 9009024 nominal phrases' X-bar structures, prenominal adjectives deflection, Dutch; 9003949

Nordic 'curdled milk'-related words, computational geolinguistic

Nordic studies history, Greifswald U; 9003966

Noreen, A., Swedish compositions description/typology; semantic logical criterion; 9003986

North Norwegian city name research; 9004259

Norwegian exocentric nominal compositions, componential analysis/ structural models; morphological/syntactic tendencies; 9006199

Norwegian language description, written-language standards bokmal vs nynorsk, North Germanic languages mutual intelligibility; 9001560

Norwegian language-planning policy, pre-1917 vs 1917-1960s; 9004538

Norwegian names Halogaland/Rogaland/belamork, tribal names Háleygir/Rygir/pilir relation, etymological analysis; 9004245

Old Frisian plural ending morpheme -ar, masculine nouns; origin hypotheses, historical texts; 9001623

Old Frisian pluralization suffix -ar, masculine nouns, origin hypotheses; 9001638

Old Germanic king names Adugisl/Eadgils/Athils, Old Frisian/ English/Swedish attestations comparison; 9004256

Old Germanic name Chvaiionius 'he who produces/makes cheese out of milk' meaning/etymology; 9009022

Old Icelandic i-mutation lack, short-stemmed syncopated forms, phonological explanation; 9006585

Old Icelandic sagas' lexical content, borrowings descriptive-expressive purpose; 9004141

Old Norse poems, simultaneous machine collation, COLLATE programs development; 9001737

Old North Sea Germanic languages' pluralization patterns, -ar ending, masculine nouns; symposium proceedings introduction, Amsterdam, 1987; 9001639

Old Saxon/Middle Low German plural endings -os/-as/-s occurrence, poetic/prose corpus, orthographic explanation; 9001643

onomastic course, Katholieke U Nijmegen; Dutch philology freshmen/ sophomores; 9004244

oral-formulaic theme "hero on the beach," Archaic Greek (Homeric)-Germanic similarities; common Indo-European origin; 9002147

parsing morphology, computational problems; 9006234 pause judgments, dramatic dialogue; overlearned language skills ef-

fects; English vs German speakers; 9007227 personal names usage, northern Norway; 1865/1875/1900 census data, computer analysis; 9004224

personality-descriptive terms taxonomy, Dutch nouns, CELEX data-base; experiments; psychology students/psychologists/ undergraduates; 9007361

phonological awareness stimulation, extensive program effects; longitudinal study; Danish preschoolers; 9002647

Pinocchio, four new Dutch translations; 9008249

Pirandello, L., Il fu Mattia Pascal (The Late Mattia Pascal) German/English/Dutch/French translations; 9008248

politeness degrees communication, speaker's message length; test bat-tery; Finnish/Swedish native speakers; 9008696

proposal actions, Dutch telephone conversations; 9008680

psychological verbs, "inaccusativity" property designation, Dutch material; 9008797

referential communication, first-/second-language similarities/ differences; existing taxonomies' inadequacies; 9000395

Russenorsk creole preposition po, P. Bakker's treatment reconsidered;

Russian intonation, perceptive/linguistic description, linear predictive coding method, Russian-Dutch comparison, glottodidactic relevance; 9004692

Rygh, K., North Norwegian name research pioneer, 1839-1915; 9003975

Scandinavian poetry, Grimm Brothers' linguistic/philological contribu-tions; 9003992

Scandinavian syntax, L. Hellan's/K. Christensen's Topics in Scandinavian Syntax reviewed; 9001128

science concept, Swedish linguistic expressions, 1477-1976; 9008980 Sebba, M., The Syntax of Serial Verbs: An Investigation into Seriali-sation in Sranan and Other Languages reviewed; 9001854

second-language learning, Curacao primary schools, Dutch vs Papia-mento language use issues; 9009492

second-language refresher course, Dutch high school teachers;

second-language testing, culturally unbiased tests; Certificate in Dutch as a Second Language; 9003041

second-language vocabulary knowledge test development, German/ English/French, Dutch high schools; 9005486 semantic language evaluation medium, Afrikaans-speaking pupils;

sentence error detection/evaluation; prescriptive usage norm knowledge; Dutch material/speakers; 9000035

Serbo-Croatian/Germanic languages, paratactic constructions compared, conjunctions equivalence; 9006650

pared, conjunctions equivalence; 900650
settlement names, Harbo/Huddunge/Nora/Ötservåla, linguistic interpretations; Swedish place names Vida/Via/Veda; 9006801
Spanish subjunctive morphemes -ra/-se occurrence, S. Lagerlöf's Nils Holgerssons underbara resa genom Sverige (The Wonderful Journey of Nils Holgersson to Sweden), M. Goulard de Westberg's Spanish translation quantitative analysis; 9003618

special texts, contrastive analysis, culture/paradigm/language/ discourse relationship; German/English/Russian/Finnish sociologi-

cal texts; 9008748

speech synthesis, Dutch diphonemic/allophonemic systems descrip-tion/evaluation/comparison; 9002292

Standard vs Southern Dutch, Belgian Dutch standardization; 9009183 standardized vs dialectal speech position, Norway; 9004213

Stroop task word-translation variant, orthographic facilitation/ categorical interference; Dutch-English translation tasks; Dutch undergraduates; 9006878

subject position, Yiddish verb movement/X-bar theory framework; 9006370

supralaryngeal categories modification, supralaryngeal element elimi-nation; laryngeal specification/Korean neutralization/laryngeal sourcing/Icelandic preaspiration examples; 9003554

Surinam Dutch, lexical/syntactic peculiarities; 9004215

Swedish abstract transitional phrases, structural/functional description: 9008558

Swedish Anglicisms, phonological/morphological/orthographic adaptation, 1940-1980 material; 9006721

Swedish compulsory school children's spoken language, linguistic variation; 9007413

Swedish dialectology, history/status research projects; 9009164 Swedish finite VP-topicalization/Yiddish finite-verb topicalization shared features, German syntax/general syntactic theory implica-

tions; 9001053 Swedish language development, upper level; bilingual education programs, junior/intermediate levels; written compositions/vocabulary tests; Finnish/Swedish pupils aged 7-19, Central Sweden; 9008152

Swedish language-disordered children aged 4:4-10:0, multidisciplinary assessment; 9002343

Swedish loanwords, Turku dialect; phonological/morphological/ semantic systems integration; 9006731

Swedish negative placement, first- vs second-language acquisition; monolingual Swedish 3-year-old vs adult immigrant; 9002512

Swedish pregnancy expressions; anthropological focus; 9009294 Swedish sa construction, functional grammar perspective; 9008408

Swedish to German translations, size difference; syntactic/lexical/ morphological differences; 9003520

syntactic saturation phenomena, parameter constraints theory attempt, government-binding type; Modern Germanic languages; 9008535 temporal reference, natural language; H. Kamp's discourse representa-tion theory supported, Dutch evidence; 9001165

Thesaurus Theutonicae Linguae, J. Maaler's dictionary's influence;

M. Lindemann's study critiqued; 9003965 Tienen field names reconstruction, historical land registry plan recon-struction method; 9004249

translation role, little-known languages' wider visibility creation; 9005914

typological language comparison, phraseological analysis, German/ English/Irish; 9009335

Van Heule, Christiaen, De Nederduytsche spraec-konst (The Dutch Grammar); orthography/prosody rules, syntax, part of speech theory; 9001498

Vasalis, M., Dutch poems' German translation; 9005878 verbal interaction, Swedish language-disordered preschool children; grammatical/interactional ability assessment procedure develop-

ment; 9007260 vowel harmony, morphologically conditioned vowel assimilation rule type, nonlinear phonology accounts, Turkish/Icelandic/Koya/Tunica; 9008341

West Flemish s-plurals, formal/semantic aspects, 19th-century material; 9008634

West German syntax, transformational approach; 9008400

writing strategies, Swedish schoolchildren's essays; students aged 13-19; 9005742

writing/reading instruction, sentence-combining approach; W. I. M. van Calcar's critique refuted; 9003438
Yeats, W. B., "Leda and the Swan" Dutch translation; 9000931

Yiddish as vernacular emergence, Jewish community, Renaissance, Central/Eastern Europe; 9008852

Yiddish language history, verb-second constraint generalization; 9008496

Yiddish maintenance/American Jews' identification interrelationship, South Philadelphia; 9002081

Yiddish words lexicon, American English life/literature adoption; 9006842

Yiddish, Hebrew-Aramaic origin component verbs, inherited form/ synchronic phonology interplay; 9001602

**Gestalt Theory** 

reading comprehension/self-concept improvement, Gestalt Educational Therapy effectiveness; intermediate grade students; 9005538

aphasic patients' gestural communication, rehabilitation, three case studies; 9002339

Bulwer, J., Chirologia-Chironomia reviewed; 9009612

child nonverbal communicative ability development, gesture use; communicative context/intention, semantic/syntactic categories; Italian infants/mothers; 9005040

Chinese character writing, gesture integration; 9009332

"communicational" semiotics proposals, icon/index/symbol interde-pendence; 9002211

gestural communication use, naming enhancement, nonfluent aphasics; 9007259

gestural communication/prosody instruction importance, hearing-impaired children; verbo-tonal method; 9007204

gesture types' roles, speech production; 9009608

gesture/speech production/comprehension, one-word-stage children; 9000053

gestures as basic phonological structure atoms characteristics, compu-tational model context; feature geometry proposals relation;

information transfer, severe articulatory dyspraxia patients; therapy program, communciative success objective; 9009759

Israeli Hebrew speakers' emblematic gestures, recognition/interpretive agreement; 9002186

limb apraxia effect, left-hemisphere-injured aphasic subjects' sign/ gesture acquisition; 9007243

phonology model, gestural approach; synchronic/diachronic phonological patterns; 9002295

speech production gestural modulation, head-movement role; coverbal motor activity form/timing; 9004422
Government & Binding Theory

abstract case necessity, government-binding theory, null expletives status; 9008788

abstract/morphological case distribution, government-binding theory vs generalized phrase structure grammar; 9006358

Albanian/Modern Greek nonactive voice location, morphosyntactic expression; 9006101

attributive adjectives, nonprenominal position occurrence explanation; E. Klein's objection/alternative government-binding theory framework analysis; 9001438

Baker, M. C., Incorporation: A Theory of Grammatical Function Changing reviewed; 9006418

Basque grammatical description, government and binding framework;

bilingual's grammar, internal structure, code-mixing use determina-tion; English-Hindi code-mixed sentences, Stardust international magazine; 9005784

binding principles applications, Standard Peninsular Spanish adult grammar; acquisition predictions; 9006440

binding theory, developmental status; children's knowledge/obedience differences, misinterpretations; 9006380

Brazilian Portuguese inalienably possessed noun phrases implications, government/binding anaphora/indexings theory; 9001406

Brazilian Portuguese null object/proposition structure correlation, gov-ernment/binding theory framework; 9006032

case assignment, attraction phenomenon, older Indo-European languages; 9008424 Chinese verbal compounds, government-binding analysis; 9008812

Chinese vs English long-distance vs local reflexives, principles/ parameters; 9006363

clitic placement phenomenon, government-binding framework; Berber/ Romance languages evidence; 9003944 colloquial Modern Persian; pronominals/controlled elements binding;

9008425 comparative language study, government/binding theory relevance; 9096676

coordination/German syntax, government-binding framework; 9003686 Cree (North Amerindian) configurational structure acquisition, pa-

rameter-setting solution, government-binding syntactic framework;

double object construction syntax, selected Germanic languages; gov-ernment-binding framework; 9008506

double object construction, R. Larson's dative alternation analysis critiqued; 9008803

Eastern Bengali participal adjuncts, government-binding theory per-spective; general syntactic properties; 9001124

English complex anaphors, binding properties; binding theory modifi-cations; 9006393

English imperative construction, government-binding perspective; 9001387

English inflection system development, children's speech, ages 1:6-3:0; N. Chomsky's Barriers syntactic framework; 9000048

English multiple wh-constructions, S-structure interpretation principle vs logical form interpretations; 9006394

English orthography, government-binding relations applicability; 9008816

English verb-particle/-preposition constructions, government-binding theory based previous treatments reference; 9001006

English/Spanish adjunct predicates' syntactic properties, govenment/binding framework; 9001079

European Portuguese topicalization, distinguishing features, binding theory framework; 9006023

French causative constructions, word order/clitic placement/case-marking problems resolution; 9006424

French causative datives, external argument realizations, embedded infinitives; other dative constructions' similarities; 9006088

French relatives, M. Pierrard's La Relative sans antécédent français moderne. Essai de syntaxe propositionnelle (The Relative without Antecedent in Modern French. Outline of a Propositional Syntax)/D. Godard's La Syntaxe des relatives en français (The Syntax of Relatives in French) reviewed; 9008461

generative grammar/Newtonian dynamics, development comparison; 9003941

German es 'it' complementary distribution, empty pronominal pro, sentential arguments; 9008389

government notion, universal grammar model principles/parameters;

government-binding theory  $\theta$ -/case theory modifications,  $\theta$ -role grid arrangement; 9008770

government-binding theory development, initial stages, K. Safir's Syntactic Chains review basis; 9003947

government-binding theory "i-within-i" principle, strict anaphora con-dition argument; 9008796

grammatical/cognitive interactions, children's binding theory/ reference relations knowledge; 9000072

Haitian Creole word pou characteristics, preposition/modal/ complementizer position occupation manifestations; free/disjoint reference data, government/binding theory framework; 9001852

Italian idiomatic prepositions, significant characteristics, binding framework analysis; 9008382

Italian syntax theory/description, L. Burzio's Italian Syntax: A Gov-ernment Binding Approach reviewed; 9001066

Japanese locative/instrumental argument constructions, sentence pairs hypallage phenomena; 9008824

Korean ku 'he'/kaya 's/he' distribution, binding theory/logophoricity notion framework; 9008390

Korean long-distance anaphors binding, cross-linguistic implications;

Korean psych constructions, relational grammar vs government-binding theory approaches, advancement vs retreat analyses;

Kwa (Niger-Kongo) object sharing/projection, serial verb constructions; government & binding theory principles consistency; Yoruba/Surinam Creole Sranan data; 9001009

language acquisition sequence, grammar organization relation; syntactic proposals; 9001061

language typology/universals, generalizations, explanatory power; 9003931

Latin nominal syntagm description, X-bar grammar application; 9001441

lexicon role, government-binding/generalized phrase structure grammar, "generative enterprise" approach differences; 9001466

licensing mechanisms, sentence-internal constituents distribution, government-binding framework; parasitic gap constructions implications; 9006121

minimality, N. Chomsky's vs L. Rizzi's formulations; 9008775 model-theoretic semantics, current developments; 9001140

Modern Greek PRO lack consequences; control theory/empty pronominals arbitrary interpretation, government/binding perspective;

native language acquisition, restrictive phrase structure configurations theory account; 9008784

Niuean (Polynesian) raising phenomenon, non-government-binding solution; 9003640

nominative case noun phrase assignment, government-binding theory proponents' arguments disputed; Arabic data; 9006411

noun phrases' null pronominals syntactic representation, N. Chomsky's Lectures on Government and Binding consistency; 9001414

null pronominal agreement identification conditions, government-binding framework; arbitrary interpretation, identification-based definition; French material; 9006379

Occitan topicalization/prolepsis, syntactic theory fundamental principles violation, government/binding framework; 9006105

Old French syntax, infinitival complements, government & binding analysis; 9009005

Old French V1-type null subject constructions characteristics, prose/ verse; government/binding theory framework; 9006046

Portuguese language acquisition, lexical anaphors/pronouns develop-ment; native Brazilian Portuguese children aged 2:6-7:6; 9007436 predication theory, government-binding framework, Spanish data;

9008820

quantification, null operator constructions, government-binding theo-ry/logical form representation framework; N. Chomsky's analysis reviewed; 9001405

quantified noun phrases, surface differences, Standard Italian/ Genoese/French; government-binding theory framework; 9008380

Romance cliticized constructions/inalienable possession structures transformational analysis, government-binding framework; 9001110 Romanian clitic doubling/wh-movement/quantification, government-binding theory revisions; 9008781

Romontsch predication, predicative marker -s syntactic contexts, copular sentences/past participle agreement/causative constructions, government-binding framework consistency; 9001102

Russian dative subjects occurrence, government-binding theory expla-

Sebba, M., The Syntax of Serial Verbs: An Investigation into Seriali-sation in Sranan and Other Languages reviewed; 9001854

Spanish empty/full pronouns distribution/interpretation, government-binding framework; 9003604

strong/weak sentences unacceptability, N. Chomsky's binding conditions inadequacy; 9006398

subject-to-object raising analysis, S'-deletion alternative refuted, Kore-an evidence; 9006360

syntactic saturation phenomena, parameter constraints theory attempt, government-binding type; Modern Germanic languages; 9008535

Tagalog (Austronesian) nonconfigurationality, government/binding theory framework contradicted; 9001082

thematic dependency relations, structural government role, Turkish examples; 9008771

universal grammar development, comparative studies necessity; language universals/variation, current government/binding theory accountability; 9001465

verb incorporation, polysynthetic languages, government-binding anal-

Vietnamese submissive passive analysis, biclausal structures status; se-mantic/functional constraints, cross-linguistic data; 9006123 West German syntax, transformational approach; 9008400

wh-movement, adjunction constraints/parasitic gaps; N. Chomsky's barriers theory revised; 9006375

word order/agreement interaction, generalized phrase structure grammar predictions; Tamil/Korean data; 9006397
"zero pronominal," grammatical theories reviewed; deletion rules, host-parasite structure alternative model; 9006111

Graduate and Professional Schools

cloze passages, group vs individual completion; graduates vs undergraduates; 9008086

English as a foreign language academic writing skills instruction program, "model paragraphs" basis; advanced postgraduate students; gram, "n 9003411

English as a second language writing, syntax/semantics/rhetoric; Thai graduate students; 9005334

English for academic purposes, listening comprehension tasks/ demands taxonomy, post-graduate social science students; 9000207

English language proficiency scores/international graduate students' academic performance relationship; 9003042

English-language use importance, business graduates'/students' opinions; questionnaires, Belgium, 1960-1969 vs 1980-1985; 9005166 foreign-language study objectives, graduate English majors; 9000433

foreign-language use, current/long-term trends, European manage-ment education; survey; 9009194

foreign-language use, international business graduates; survey;

French-language university development issue/debate, Ontario; 9005846

language for specific purposes offerings surveyed, US colleges/ universities; questionnaire; 9005206

lieracy development, affective conditions; undergraduate prospective vs graduate student professional teachers' beliefs; 9000590

linguistic/cultural training importance, US engineering graduates, U of Illinois programs; 9009202

second-language graduate degree, Venice U; history, current courses/ methods, Italian government's policy; 9002739

writing skills improvement workshop organization/presentation, technical professionals; 9008137

**Grammatical Analysis** 

academic Czech grammar, Mluvnice češtiny 3 (Czech Grammar. Part 3); syntactic conceptions; 9003619

adult second-language learning, universal grammar accessibility; pro-drop parameter acquisition; beginning-advanced native English-speaking Spanish learners; 9005392

grammatical category evolution, social/cultural factors; Georgian adjectives gradation; 9006976

grammatical disability remedial programs, functional grammar properties application; 9007337

grammatical modification, cogni-informational approach; 9008843 grammatical person/social agency; recorded transcripts; Highland New Guinea; 9009480

grammatical terminology code renewal, Belgian Ministry of Education, teaching sources unification; inherent codification problems; 9006862

Indic aspectual system characterization, diachronic perspective; 9008434

indigenous writers, self-editing training courses; 9005103

Indo-European conjunctions' polyfunctionality, meaning derivation;

Italian as a foreign language teaching/learning, communicative teaching methods, grammar role; 9005154

Italian as a second language teaching materials, pedagogical grammars evaluation guidelines/rating form; 9005278

Italian grammar selective review, P. Agazzi's/A. Fallica's/A. Menegoi's La lingua e i testi. Grammatica della lingua italiana (Language and Texts. A Grammar of the Italian Language); 9006120

Japanese grainmar automatic syntactic analysis development, probabilistic approach; 9001089

Japanese no problem resolution, function/place; functors/arguments linguistic analysis; 9001135

Japanese/Ainu descriptive studies, grammar/phonology/morphology/ typology; 9008931

Kleiber, G., Relatives restrictives et relatives appositives: une opposi-tion "introuvable"? (Restrictive Relatives and Appositive Relatives: An Unfindable Opposition?) reviewed; 9001134

Korean case markers' behavior/deletability, degree analysis, lexical/ grammatical conception weight degree; 9008456

Korean periphrastic causative/purposive constructions relationship, W. A. Foley's/R. D. Van Valin's clause linkage theory basis; 9006429 language acquisition, parameter-setting models problem, null subjects; 9005041

language processing principles, text data as evidence; English complex sentences' ordered events grammar; 9002466

Latin computerized analysis, formal grammar automatic tagging, LA-TINFLECTION grammar/TAG program; 9001725

logic-based machine translation revision, slot filler/ordering rules use; 9006697

Lowland South American languages, diachronic/grammatical/ phonological studies; 9008926

Maori verb alternations, differing grammatical analyses implications;

Medieval Castilian y origin, syntagm vs morpheme status; 9006572 Miami Cuban Spanish, functional-notional grammar; interviews; 9006001

Mluvnice češtiny (Czech Grammar) morphology volume outlined; for-mal/functional morphology; 9001204

Modern spoken Welsh verbal constructions' grammatical behavior/ semantic structure, R. Langacker's cognitive grammar analytical program basis; 9003609

morpheme description/classification, Senufo (Niger-Kongo), meta-operational grammar analysis; 9008500

Munteanu, G., grammatical conceptions; 9001488

natural-language negation, function/possible etiology, M. Dummett's antirealism argument; 9007136

neologistic terminology, Des mots à la pensée. Essai de grammaire de la langue français (From Words to Thought: An Outline of French Grammar); 9006865

New Zealand English have grammatical aspects, American/British patterns compared; questionnaire; undergraduates; 9001010

Niger-Kongo language family, principal branches/subfamilies/ historical outline/current inventory/classification, salient phonologi-cal/grammatical characteristics; 9004396

Old Kamil poem "Maturaikkandgi" grammatical description; phone-matic/morphological/syntactic analyses; 9002140

oral texts' simple grammar/vocabulary correlation, East German radio discussions; 9001342

Owens, J., The Foundations of Grammar: An Introduction to Medi-eval Arabic Grammatical Theory reviewed; 9006474

Pănini, linguistics relevance, modern language research; G. Cardona's/S. M. Katre's recent treatments reviewed; 9003989

paradigm notion, French grammar history, Greek origin; 9003998 Persian syntax/specificity aspects, universal grammar theory implica-tions; empirical description; 9008445

phonological phenomena explanations, skeletal tier role, spreading/ locality domains; 9000994

phonology/phonetics/grammar relationship, linguistic science; 9005934

phrase structure theory, unisinistrality concept; 9008819

Portuguese as a native language instruction, Brazilian elementary schools, social/science/teaching crises, oral language/grammar teaching proposals; 9007513 post-tonic rhyming contrast a/o use, A. S. Pushkin's/others' works;

Qur'an recitation, sound system analysis/description; 9000961

relational grammar, notions/applications; 9008769

Russian as a second language instruction, Armenian students; object case grammar teaching, linguistic foundations; 9002727

Russian aspect definition, metaphor role, G. Lakoff's prototype theory perspective; 9008433

Russian verb imet' 'have' as existential verb; English/Japanese/Hindi comparative evidence; 9008589

Saudi Arabian dialectology, verb forms/tenses; 9008929

second-language development, new understanding, grammatical categories' innateness basis; 9000423

second-language grammars' terminological divergence, West German schools; 9005165

second-language instruction, grammar acquisition drills; 9002837 second-language instruction, grammar teaching relevance; S. D. Krashen's monitor model/noninterface hypothesis critiqued; 9000333

second-language instruction, grammar teaching role, pros/cons; 9002868

second-language instruction, grammar textbook's humorous content/ context advocated; 9002796

second-language instruction, grammar- vs communication-oriented methods, possible integration; 9005260

second-language instruction, pedagogical grammar/interface hypothesis dimensions; 9000348

second-language instruction, traditional grammar teaching critique; German auxiliary/full/transitive/intransitive verb distinctions;

"sentence-frame," 17th-/18-/19th-/20th-century German novel;

Serbian-German "contrastive" grammar, A. Dragosavljević's Deutsche Grammatik für die serbische Jugend (German Grammar for Serbian Youth), first contrastive grammar; 9006507

Sesotho (Niger-Kongo) passive/topic organization syntactic function; children aged 2-4; 9004996

Spanish grammatical system's definite article with possessive meaning employment, nominal syntagms control; 9001026

Spanish impersonal vs passive se, syntactic behavior/distinction;

Spanish reflexive constructions reanalysis; 9008538

Spanish se-phrases, syntactic-semantic composition, active vs passive status clarification; 9006114

subject values, agreement forms; Luiseño (North Amerindian) analysis: 9001460

syntax parsing, augmented transition network grammar, nonnative English speakers' writing; 9007740

Tepehua (South Amerindian) grammar issues, role/reference grammar framework; 9006131

text/phraseme semantic/grammatical interrelationships; text's stylistic-expressive dimensions, phraseme's emotive-semantic values; 9001354

naming, phonological information use; rapid naming tasks; 9007473 NetSpraak neural network, grapheme-to-phoneme conversion; 9007507

orthography, language-psychological model, orthography teaching suggestions; 9004358

phoneme-grapheme relationship establishment inability, neurally hand-icapped; 9009780

reading process, simplified/pedagogical definition; silent/oral reading distinction; 9000691

reading/writing acquisition process, error analysis; written composi-tions; Brazilian students; 9008098

Romany phonological system/alphabet, phonemes inventory/Latin script; 9004365

Slavic/Proto-Bulgarian proper names, M. Orbini's 17th-century Il Regno degli Slavi (The Kingdom of the Slavs), transcription strategies; 9009008

spelling research/practice proverbial gap, E. G. Stetson's theoretical view; 9007972

spelling, grapheme-phoneme correspondence rules/word-specific mem-ory interaction theory proposed; 9002574

surface dyslexia, grapheme-phoneme conversion mechanism deficiency; Italian case studies, nonsemantic reading; males aged 60/62/67; 9007298

Vilov, S., written Literary Croatian contribution, orthographic codifi-cation; 9006493

Votyak written language, Cyrillic code adequacy/economy, grapheme-phoneme correspondence/divergence; statistical analysis; 9002000 word recognition ability, phoneme segmentation/single sound-letter correspondence skills; prereading 4-year-olds; 9008068

Graphemics

naming/lexical decision brief stimulus onset asynchrony, graphemic/ associative/syntactic priming effects; 9002589 Greek, Ancient & Modern

11QtgJob translation process, Old Testament/Masoretic Text relationship; 9008265

abstract/morphological case distribution, government-binding theory vs generalized phrase structure grammar; 9006358

active/passive structures comprehension/production, Greek-speaking agrammatic aphasics; picture-/sentence-matching task; 9004787 adjectives distinction, epistemic/metaphysical modality, future vs past tense acceptance; English/Modern Greek/Basque data; 9006052

Albanian/Modern Greek nonactive voice location, morphosyntactic expression; 9006101

ancient Greek postpositives position, Pindar's/Bacchylides's choral lyrics; 9008962

Ancient Greek speech, musical content; computer reproduction, sto-chastic Markovian process use; 9004710

ancient Greek textile vocabulary origins; 9009230

Ancient Greek vocabulary, Modern Greek attestations, G. P. Shipp's Modern Greek Evidence for the Ancient Greek Vocabulary reviewed; 9001594

Ancient Greek/Germanic contacts, northern Black Sea area, personal names' Germanic origin; 9006612

Ancient Macedonia linguistic status, Attic Greek/koine common language determination, 5th century BC; 9001857

Ancient/Modern Greek learning transmission/scholarly methods, handwashing discussion examples; 9001652

biblical translation history/contribution, literary language development: 9008295

case assignment, attraction phenomenon, older Indo-European lan-

guages; 9008424
Classical Latin philosophy/grammar/rhetoric specialized vocabularies,
Greek borrowings; 9001489

clitics/affixes/free words distinction criteria, A. M. Zwicky's work basis; Modern Greek data; 9006211

compound headedness, adjective-noun word-order correlation; Ger-manic, Modern Greek, Modern Hebrew, Romance examples;

consignificare, meanings fusion, medieval Modistic writings; 9006490 Coptic twin graphemes, explanation/hypothesis proposed; 9009241 Corinna's poem title Feoota meaning/origin, Sanskrit borrowing; 9008968

Doric ισαντι 'know', root ablaut; 9006589

Early Greek poetry, alternating rhythm; 9004559
Ephrem the Syrian's "Paraenesis," Slavic translation history contribution; 9008209

German/Modern Greek prepositions/prepositional phrases comparison, N. Fries's monograph reviewed; 9009062

grammatical category ambiguity resolution, inflected/uninflected lan-guages; stochastic methods; 9008401

Greek έγχατα 'bowels', έσχατος 'outermost', morphological derivation; 9008990

Greek κέρασμα 'mixture' Septuagintal meanings, 'mixing vessel'/
'ingredient, seasoning'; syntactic/word-formational arguments;

Greek οργια 'religious holiday' etymology/word formation, alternative derivation; 9006571

Greek λήμος 'wool' Indo-European root reconstruction; 9001637 Greek διημεκής/διαμεκής 'uninterrupted, continuous' attestation/ dialectal/stylistic distribution; 9001622

Greek alphabet origin/development, atomist philosophy context, al-phabet/myth/cosmos relationship; 9001997

Greek Cypriot dialect, English loanwords, linguistic/sociocultual inter-pretations; 9004159

Greek dialect Sphakiá /l/ pronunciation, sociophonetics; age-related differences; 9004700

Greek ichthyonym σμαρίς etymology, verb σμάω 'to rub in'; 9008978 Greek inscriptions, Αερικος form, 2nd century BC; Latin form Africa introduction; 9001864

Greek inscriptions, dialectological studies source; text edition, dialectal peculiarities/"errors" elimination; 9006597

Greek intervocalic -s- restoration proposal, phonetic regularity questioned; 9001584

Greek names' transcriptions, Latin inscriptions, aspirates; 9000996

Greek neutral -s- nouns, deviant derivatives; 9008989

Greek oronym meaning interpretation, manuscript #75, Chalkis island monastery; 9001834

Greek stress/prosodic structure, phonological/acoustic/physiological/ perceptual study; 9008308

Greek verb μαραίνω 'to estinguish, expire'/noun μόρος 'death, part', meanings/derivation/homonymy; 9008991

Greek word tonos, meanings/history; related verb forms; 9006852 Greek/Georgian/Armenian carrot designations, Sanskrit origin, stambha 'post; stem, pillar'; 9008967

Greek/Latin word roots instruction, disadvantaged 6th-grade readers; activities, materials; 9000541

Homeric μητίετα 'the wisest' derivational pattern/suffix; 9008988 Homeric Greek av, synchronic/diachronic/comparative study;

Homeric/Epic χανδάνω 'grasp', Proto-Indo-European root 
•g'end-reflection; αχονδεσ, χονδεν explanations; 9006569
Icelandic Sikiley 'Sicily'/Kýpur 'Cyprus' Greek origin, access route/
chronology; 9004275

Indo-European \*nt, Armenian/Greek reflexes; 9009001

Indo-European impersonal participial constructions, Greek "dative absolute" explanation; 9006593

Italian guai 'woe'/Romance counterparts etymology, Hebraic hoi/Greek ouai/Gothic wai connection, Bible/New Testament translations; 9009021

language spread, modern/classical Latin/Greek compared; 9004488 Latin lexical Hellenisms typology, structural/pragmatic/sociolinguistic criteria; 9001752

Latin/Greek verbal reflexives, case/voice/reference relationship; 9001583

Latin/Romance verbs 'to snow', verbal field; W. von Wartburg's claim refuted; 9008979

Meillet, A., Aperçu d'une histoire de la langue grecque (Outline of a History of the Greek Language) considered; 9001526

Modern Greek compound words structure, valency terms; nouns vs verbs; 9006058

Modern Greek description/characterization; 9008934

Modern Greek folklore study, information management systems use;

Modern Greek PRO lack consequences; control theory/empty pronominals arbitrary interpretation, government/binding perspective; 9001433

Modern Greek problematic clitics, morphological classification benefits; A. M. Zwicky's framework/approach supported; 9001205

Modern Greek vowels, acoustic structure, spectral characteristics definition; 9004701

Modern Greek/German, acoustic vowel space; American English existing normalization schemes extension; 9007162

Muz. 3070/Zogr. 151 textual/accentual problems, textual/linguistic issues; 9001856

Mycenaean Greek medio-passive finite ending, -tai/-toi forms distinction; 9004073

Mycenaean ke-ke-tu-wo-e, Linear B table PY An 261, Greek meaning; 9006581

Mycenean du-ma/Phrygian \*dum- relationship, sacral function designation; 9009235

New Testament Greek, verbal aspect, tense/mood; 9001097 Northern Greece Bulgarian dialect vocabulary; Yu. V. Evangelopulos's corpus; 9006770

Old Greek imperative formation, - suffix; K. Strunk's model supported; 9009013

Old Greek ship designations/shipbuilding terminology; 9001628 Old Russian anthroponyms' phonetic alterations, 14th- to 16th-century business records; Greek borrowings assimilation; 9004045

oral-formulaic theme "hero on the beach," Archaic Greek (Homeric)-Germanic similarities; common Indo-European origin; 9002147 paradigm notion, French grammar history, Greek origin; 9003998

passive term derivation, Latin/Greek origin; prototypical/universal morphology category existence questioned; 9001189

pre-Greek labiovelars evidence, Linear B untransliterated signs/ Knossos tablets name lists; 9004294

proper names referential/connotative uses; Modern Greek reference; 9001823

Proto-Indo-European root seng<sup>wh</sup>- 'sing, intone', Greek ομφη/other Homeric reflexes; 9006570

Russian gimnastika 'gymnastics, physical exercise' etymology/ meaning evolution; Greek source; 9001678

Semitic/Iranian influences, Greek language; 9004154

Septuagint, Hebrew/Greek translational differences, cultural bases; 9008266

Standard Modern Greek vowels/vowel sequences/stress, phonological-phonetic investigation; 9000988 Taylor, D. J., The History of Linguistics in the Classical Period re-

viewed; 9001510

telephone behavior, cultural norms/values reflection, England vs Greece; 9006287

## Guillaum

French relatives, M. Pierrard's La Relative sans antécedent en français moderne. Essai de syntaxe propositionnelle (The Relative without Antecedent in Modern French. Outline of a Propositional Syntax)/D. Godard's La Syntaxe des relatives en français (The Syntax of Relatives in French) reviewed; 9008461

French/Copenhagen linguistic traditions precise coordination, genetic/ arbitrary theories; 9006419

Guillaume, G., internal nominalization transformation tested; 9008809 Guillaume, G., Leçons de linguistique 1946-1947 (série c) (Lessons in Linguistics 1946-1947 (series c)) reviewed; 9008903

Guillaume, G., linguistic theory, gnoseology influence; 9008881 Guillaume, G., psychosystematic theory language, Yugoslav linguists' elaborations; 9008861

lexicology, past/current/new directions; 9001967

operative time, G. Guillaume's vs J. Damourette's/E. Pichon's theories; 9001027

Spanish grammar instruction, aspect description, G. Guillaume's theo-ry basis; 9000216

## Halle, Morris

metrical analysis recent theories' applicability, R. Frost's poetry;

stress erasure convention/relevant Spanish stress data, M. Halle's/J.-R. Vergnaud's An Essay on Stress evaluated; 9001421 Halliday

English @ morphemes interactive process, integrative approach;

syntactic rhetoric, Pride and Prejudice's characters analyzed, M. A. K. Halliday's model basis; 9002167

texts' coherence relations, readers' identification; M. A. K. Halliday's/ R. Hasan's account criticized; psycholinguistic approach possibilities; 9001357

### Handadnas

aphasia profiles/language recovery, non-right-handed vs matched right-handed patients; 9007235

content-area texts, teacher-student mediation approaches; 9005105 dichotic/tachistoscopic language laterality tasks, cross-modal correlation, familial sinistrality; right-/left-handed undergraduates; 9007497

dyslexia, lateralization/space structuration relationship; normal vs dyslexic children aged 10-12; 9007297

event-related potentials, verbal processing; word-reading/figurematching tasks, handedness/sex effects; strongly right-/left-handed males/females; 9002621

mirror writing speed, left- vs right-handers; R. Tankle's/K. Heilman's claim refuted; 9002620

schizophrenic communication disorders, incomplete cerebral lateralization role; 9004872

speech dysfluency/manual asymmetry relationship, adult Down's syndrome patients; videotaped conversations/language assessment tests; 9009829

### Handicap

adult Braille instruction, Finnish Central Federation of the Visually Handicapped; 9007914

augmentative/alternative communication assessment strategies, severely multihandicapped children; symbol/modality preference importance; 9004882

communication development, young visually impaired/ multihandicapped children; child-specific indexing behaviors basis feasibility; 9002391

computer-assisted drill/practice effects, spelling performance; mildly handicapped children aged 9:9-12:9; 9007326

computer-assisted linguistic analysis, mentally retarded psychotic females' texts; 9004856

conversational competence/stigma, mentally handicapped, Northern Ireland; 9004860

English/Spanish functional language instruction, handicapped/ linguistically different students; 9004879

functional language instruction, moderately/severely handicapped culturally/linguistically different students; 9007324

handicapped persons, terminology, Thesaurus:personne handicappé; 9009269

handicapped preschoolers' spontaneous language, teacher estimates vs direct observations; 9002395

hydrocephalic/non-hydrocephalic physically impaired children, educators' judgments, conversational correlates; 9002394

language/reading skills improvement, shared story reading/total communication use; multiply handicapped children; 9002390

linguistic/communicative competence relationship; conversational methods/techniques mastery, naturally occurring conversations; mentally handicapped vs normal individuals; 9001238

reading instruction, mildly handicapped elementary students; quantitative/qualitative aspects; 9003196

reading performance, mildly educationally handicapped vs learning disabled children aged 12-15; 9009806

sign reading instruction, language training procedures use; handicapped preschoolers aged 3/4; 9000622 speech synthesizers, cerebral palsy users; pictogram phonological entry

speech synthesizers, cerebral palsy users; pictogram phonological entry system; 9007344

teacher input language content/structure severely handicapped chil-

teacher input language content/structure, severely handicapped children, early language development stages; videotaped teacher-child dyads; 9004881

vocabulary acquisition, keyword vs direct instruction effectiveness; developmentally handicapped/learning-disabled/mentally retarded children aged 10:4-13:11; 9004883

word recognition learning, primary basal series, repetition requirement; mildly handicapped students aged 8-13; 9000552

writing/word processor use, learning-disabled resource room case studies, minimally handicapped high school students; 9004880

Chinese handprinted characters, optical recognition, string-matching based approach; 9004112

9003430

creative writing, learning-disabled children's lab-based word processor vs pencil/paper use; normal achievers compared; 9004843 handwriting ability, manuscript writing evaluation scale CHES-M;

handwriting practice, UK; 9003445

handwritten letter formation instruction/intervention program, special education children aged 6-7; 9002489

learning-disabled students' written compositions; handwriting vs word processing; secondary students; 9008154

### Harris

Chomsky, N., linguist/social critic careers; personal interview; 9006464

Harris, Z. S., transformational theory, historical outline; 9001512 Hearing Aids

auditory perception, hearing-impaired individuals' skills training; 9009748

cochlear implant patients' rehabilitation process, psychological factors/social adaptation; 9002400

cochlear implant patients' verbal material/environmental noise recognition ability; test results; 9004895

cochlear implants, acoustic simulation; 9009852

communication aids effectiveness, postlingually deaf adults; audiolingual evaluation, questionnaires; 9009855

hearing aids, consonant recognition performance/subjective ratings relationship; hearing-impaired users; 9009740

lipreading instruction/hearing-aid use, elderly patients; 9004887 monosyllabic word discrimination, hearing-impaired/non-hearing-impaired students, classroom settings; amplification effects; 9004719

multichannel cochlear implants, children; case studies; 9002397 speech discrimination, simulated bilateral cochlea distortion effect; 9007228

speech perception improvement, portable tactile aids use, hearingimpaired; 9004893

speech perception/hearing ability improvement, multiple cochlear implant patients; vowel/consonant confusion tests; 9002398

speech perception/production, tactile aids use, hearing-impaired people; 9004901

speechreading, historical perspective; 9009615

spoken language development, hearing-impaired children, technological aids importance; 9009854

tactile speech indicator, deaf-blind clients' adaptive telephone device; 9007332

tactile speechreading aid development/evaluation, voice fundamental frequency effective presentation; 9004886

tactual artificial hearing devices development, technological advances; 9002399

tactual communication, current research; clinical application, hearingimpaired; 9004897

**Hearing Conservation and Improvement** 

cochlear implant patients' rehabilitation process, psychological factors/social adaptation; 9002400

cochlear implant patients' verbal material/environmental noise recognition ability; test results; 9004895

cochlear implants, acoustic simulation; 9009852

ear canal electrical stimulation, communication aid; profoundly deaf patients; 9004885

Eustachian tube function restoration, retraining method; 9009851 multichannel cochlear implants, children; case studies; 9002397

new Danish speech material (DANTALE) design, clinical/ experimental speech audiometry, digitally recorded compact disk; 9004889

pitch detection algorithm, fundamental frequency real-time measurement; 9009850

speech perception/hearing ability improvement, multiple cochlear implant patients; vowel/consonant confusion tests; 9002398

spoken language development, hearing-impaired children, technological aids importance; 9009854

tactual artificial hearing devices development, technological advances; 9002399

## Hearing Disorders

acoustic/phonetic cue integration time course, sensorineural hearing impaired; 9004731

American Sign Language morphological subsystems acquisition, deaf children with deaf vs hearing parents; 9007093

auditory detection/discrimination/speech processing, aging/noisesensitive/hearing-impaired listeners; 9007223

auditory disability measurement, dichotic cues presentation method; 9004723

auditory dysfunction evaluation, Willeford Competing Sentence Test's natural sentence use; 9007357

auditory perception, hearing-impaired individuals' skills training; 9009748

auditory temporal processing/speech intelligibility, age/mild sensorineural hearing loss effects; adults aged 20-30/60-70; 9004742 auditory training, analytic distinctive feature approach; 9007331

auditory-visual speech recognition, visual cues derived benefits, age effects; hearing-impaired adults; 9004722

auditory/audio-visual speech-reception thresholds measurement, sentences in noise; 9007214

bilingualism, deaf communities' psycho-social/cognitive necessities; 9005799

bioprogram hypothesis, autonomous sign languages evidence; P. Ba-ker's Autonomous Languages reviewed; 9004609 cochlear implant patients' rehabilitation process, psychological fac-tors/social adaptation; 9002400

cochlear implant patients' verbal material/environmental noise recognition ability; test results; 9004895

cochlear implants, acoustic simulation; 9009852

communication aids effectiveness, postlingually deaf adults; audiolingual evaluation, questionnaires; 9009855

communication instruction, structure-global/verbal-tonal approaches interrelationship; theoretical foundations, common characteristics; 9007219

communication problems effect, teaching hard-of-hearing children; 9002396

computer-based speech training advances, profoundly hearing-impaired children; 9004900

computer-based speech training, profoundly hearing-impaired children;

consonant/vowel errors pattern, conductive/cochlear hearing loss patients; 9009737

cued speech use, speech therapy, US schools/programs; 9004896 cumulative cloze use, contextual build-up investigation, deaf vs hearing readers; 9004728

deaf adolescents' reading comprehension, hearing mothers' communi-cation strategies/skills relationship; residential schools; 9007212

deaf child education, oral language/sign language use pros/cons; discussion; 9007203

deaf child education, oral vs sign language use; convention report, Orvieto Scalo, Italy, 1989; 9007222

deaf children's comprehension; teachers' conversation control; natural/controlled classroom conversations; Australia; 9009742

deaf children's educational continuity importance, social integration emphasis; early detection programs, France; 9007213

deaf children's reading ability/comprehension problems, interrogative/ declarative sentence distinction test; 9002314

deaf children's sign language/English as a second language acquisition order, H. Lane's beliefs, psychological vs economic/political primacy; 9004720

deaf Chinese children's name signs acquisition/development/linguistic structure: 9004735

deaf community, sociolinguistic analysis, identity/education/attitudes/discourse features; 9009455

deaf signers' short-term memory coding, M. A. Shand's primary lan-guage coding hypothesis reinterpreted/refuted; 9005057

deaf speech perception system, reliability/performance; 9009718 deaf students' reading vocabulary increase, fingerspelling method; 9002182

deaf vs hearing children's emergent literacy, associated environmental factors; children aged 5:3-6:11; 9005663

"deaf writing" distinguishing characteristics/rules; deaf Quebec residents writing vs Standard French samples; 9004726

deafness diagnosis/intervention moment appropriateness, natural preverbal communication process; varying opinions; 9007209 deafness/bilingualism concepts, Brazilian deaf people's perspective; 9005798

developmental language disorders, grammatical analysis; LARSP procedure, Dutch-language adaptation; morphosyntactic patterns, specific language-disordered/hearing-impaired/Down's syndrome children; 9007240

dynamic orometry use benefits, visual articulatory training, hearing-impaired; 9004892

dyspraxic speech, hearing-impaired vs normally hearing children; lon-gitudinal study; 9007282

ear canal electrical stimulation, communication aid; profoundly deaf patients; 9004885

English as a foreign language instruction, hearing-impaired students' special needs; 9007595

English-language instruction/speech development encouragement methods usefulness, mainstream schools, hearing-impaired children;

Eustachian tube function restoration, retraining method; 9009851 expressive language therapy; acoustic amplification; mean length of utterance/attention span measures; language-impaired preschool children; 9009738 figurative language, severely/profoundly hearing-impaired children's comprehension; 9004729

fingerspelling decoding technique, word identification alternative route; deaf/dyslexic readers; 9000560

fingerspelling role, simultaneous communication; deaf children's teachers' fingerspelled utterances form/content/use; 9004604

gestural communication/prosody instruction importance, hearing-impaired children; verbo-tonal method; 9007204

hearing aids, consonant recognition performance/subjective ratings re-lationship; hearing-impaired users; 9009740

hearing impaired, language therapy, pragmatics relevance; 9002312 hearing status/language acquisition effects, personality development; 9002542

hearing vs tactile aids use, oral language comprehension improvement; deaf children aged 3:6/4:0; 9007333

hearing-impaired children mainstreaming, questioning/training teacher strategies; 9004890

hearing-impaired children's early education, Japan; teaching methods' history, verbo-tonal method current use; 9007217

hearing-impaired children's language acquisition, appropriate instruc-tional/evaluation methods use; 9009853

hearing-impaired children's linguistic education, oral language/reading skills development; total communication vs audio-oral method effec-tiveness; 9002307

hearing-impaired children's linguistic/cognitive characteristics; etiolog-ical/audiological/psychological/social/mother-child interaction; children aged 3-7; 9007210

hearing-impaired children's narrative abilities, propositions/cohesion; self-constructed story recall; 9009736

hearing-impaired children's sentence-writing ability; syntactically more-/less-structured sentences task; 6th/7th graders; 9009743

hearing-impaired children's speech/language progress, systemic train-ing program, tactual vocoders use; 9004888

hearing-impaired children's stress contrasts, acoustic analysis; 9007216 hearing-impaired children, psychoeducational assessment, current lan-

guage/intelligence concepts importance; 9002315
hearing-impaired French-/English-speaking adolescents' spontaneous
speech, statistical analysis, speech rate/syntactic maturity/reprise/
repetition use; 9004734.

hearing-impaired speech quality/intelligibility, teachers' attitudes; educational backgrounds; tape recordings; 9009745 hearing-impaired speech therapy, DYNAMO system application, articulatory movements display/imitation; males/females aged 8-11; 9009856

hearing-impaired, sociolinguistic situation, sign languages research history; 9002316

hearing-tactics knowledge; questionnaire; hearing-impaired individuals; 9004891

hearing/speech-language disorders, at-risk neonates/infants determination, prenatal/perinatal/early childhood factors; 9007207

immediate factual learning performance; pre-/post-/adjunct questions; experiments; profoundly deaf postsecondary students; 9009735

interactive video use, bilingual American Sign Language/English in-struction, deaf children; 9002310 language acquisition description/comparison, deaf adolescent girls; 9004733

language development, hearing parents' deaf children, category structure/sign overextension/new sign acquisition relations; 9009739

language specificity, lexical organization; American Sign language/ English, deaf signers'/hearing subjects' lexical organization; 9002309

language teaching, hearing-impaired children, dynamic proximo-distal exercises use; 9007330

language/space relationship, child language acquisition, speech/hearing therapy implications; 9005003

language/speech acquisition, verbo-tonal method/cued speech joint use; hearing-impaired children; 9007205

linguistic performance/academic achievement, sensorineural unilaterally hearing-impaired children aged 6-12; 9007208

lipreading instruction/hearing-aid use, elderly patients; 9004887 manual communication systems, teacher preparation/use, deaf/ hearing-impaired classrooms; Ohio public schools; 9002185

maternal control, mother-child interactions; age-/language-matched deaf/hearing children; 9005031

maternal speech prosodic characteristics modification, profoundly hearing-impaired vs normally hearing toddlers; 9004730

mediated learning/spontaneous comparison/categorization/reading comprehension, functional relationship; deaf children; 9003090 monosyllabic word discrimination, hearing-impaired/non-hearing-impaired students, classroom settings; amplification effects; 9004719 multichannel cochlear implants, children; case studies; 9002397 musical rhythms role, communication instruction, hearing-impaired children; verbo-tonal method; 9007206

name signs, worldwide cultural significance/expression, deaf culture;

new Danish speech material (DANTALE) design, clinical/ experimental speech audiometry, digitally recorded compact disk; 9004889

notetaking issue, hearing-impaired students, encoding vs external storage research reviewed; 9004878

ongoing conversations proper entry place choice, normal hearing vs hearing-impaired subjects aged 12-21; 9004416

phonation problems remediation, hearing-impaired children; speech training/sensory aids use; 9004894

phonological space measurement, Kannada (Dravidian) vowels /a, i, u/ first/second formant frequencies; deaf vs normally hearing subjects' speech; 9004732

pitch register improvement training program, profoundly hearing-impaired young adults; 9004899

preschool hearing-handicapped students, communication mode deter-mination; 9009857

print information processing, encoding strategies; prelingually/ profoundly deaf children; 9008040

psychoacoustic/speech comprehension abilities relationship, unilateral/ bilateral cochlear hearing-impaired patients; 9004724

reading ability, related cognitive skills, individual differences, deaf students aged 16-19; 9002308

reading/writing pragmatics, hearing impaired language therapy impli-cations; 9002313

speech deterioration, postlingually acquired deafness; listeners' judg-ments; deaf/normally hearing subjects; sociolinguistic analysis;

speech language levels modification, mainstream classroom teachers, hearing-impaired students; 9007334

speech perception improvement, portable tactile aids use, hearingimpaired; 9004893

speech perception, age/temporal resolution/hearing loss/consonant perception interactions; normal/hearing-impaired young adults vs elderly individuals; 9004740

speech perception, auditory/visual cues róle; McGurk effect, normal/ hearing-impaired listerners; 9004739

speech perception, unilaterally hearing-impaired children; noise/ reverberation effects; 9004736

speech perception/hearing ability improvement, multiple cochlear implant patients; vowel/consonant confusion tests; 9002398

speech perception/production, tactile aids use, hearing-impaired people; 9004901

speech production, postlingually deaf; auditory feedback role/acoustic characteristics; descriptive acoustic analysis; 9009744

speech stimuli response times, amplification effects; adults aged 51-80; 9007211

speechreading competence, experience/linguistic context effect; post-lingually deaf/normally hearing adults; 9004725

speechreading performance, verbal inference-making/working memory capacities tested; 9004727

speechreading, historical perspective; 9009615

speechreading, practice effects, same vs different CID sentence lists; 9007221

spoken language development, hearing-impaired children, technologi-cal aids importance; 9009854

tactile speech indicator, deaf-blind clients' adaptive telephone device; 9007332

tactile speechreading aid development/evaluation, voice fundamental frequency effective presentation; 9004886

tactual artificial hearing devices development, technological advances;

tactual communication, current research; clinical application, hearingimpaired; 9004897 tonal/speech thresholds relationship, age/hearing loss comparative study; normal-mild hearing loss subjects aged 50-79; 9004738

"top down" reading instruction method, severely deaf children; interactive model basis; 9004721

visible speech synthesis, facial animation system implementation; mus-culoskeletal models, parametrically controlled polygon topology;

9007180

visual perception/sign language comprehension abilities relationship, deaf children; 9007218

visual processing tests, hearing-impaired students' performance; read-ing performance relationship; 9007220

vocabulary teaching instruction, semantic elaboration/fit methods effectiveness; hearing-impaired/learning-disabled students; 9000160

vowel perception aspects, normal hearing/hearing-impaired listeners; durational differences effect; 9004737

vowel perception, stimulus duration/inter-stimulus interaction effects; normal vs hearing-impaired subjects; 9002311

vowel production/modification, glossometric measurements/patterns; hearing-impaired speakers' speech improvement possibilities; 9002296

word discrimination, noise effects; hearing-impaired vs normally hearing adult Finnish speakers; 9007230

word-recognition skills, profoundly/prelingually deaf children; cognitive processes; 9007215

written language assessment, hearing-impaired students; 9009741

hearing/speech-language disorders, at-risk neonates/infants determi-nation, prenatal/perinatal/early childhood factors; 9007207

reading performance/IQ genetic correlations, Colorado Adoption Project data; standardized tests, multivariate path model application; 9007369

History of Linguistics

Alanas'ev, I., Grammatika ruskago i nemetskago yazykov (Grammar of Russian and German Languages) description/critique; 9006501

Algonquian (North Amerindian) languages description, earliest vocabularies; baron de Lahontan's 18th-century contributions; 9001553

American Indian languages, E. Sapir's collected works; 9006450 American linguistics history, recent publications reviewed; 9001527

cognition, dual code theory, verbal/imagery components; concrete/ abstract material processing/retention; concreteness effect level; 9000027

conversational discourse, repetition/dialogue/imagery; linguistic/

literary analysis contribution; 9006293

Dupin, L., political poster's intellectual/emotive impact; semiological study; 9009634

English as a second language instruction, vocabulary teaching, neurol-inguistic programming principles use; 9005209

English idiomatic phrases, mental images association; definition/ paraphrase tasks; undergraduates; 9007387

formal/iconic elements relation, political posters; 9009643

French as a second language civilization instruction, audiovisual materials use; 9005201

French underwear advertisements, image/text relationship, euphemism/metaphor use; 9009620

general/specific/autobiographic images generation retrieval, long-term memory information use; 9002443

generic he use, male bias increase, users' imagery; 9004478

hearing/seeing/reading complementarity; 9005664 imagery, "allusionary base" component; reading instruction/language

learning implications; 9002429

images, linguistic anchoring, denotation/connotation; verbal/pictorial languages parallels/differences; 9004623

images/texts interaction, J.-M. Folon's limited lexical elements/ forms/colors use; 9009626

Indian figure representation, North American advertising imagery, 1900-1930; 9002037

Japanese motion verbs iku/kuru, auxiliaries -te-iku/-te-kuru meanings relationship, categorization theory framework; 9008566

kindergartners' writing skills, guided imagery effectiveness; 9000815 listening/reading/writing comprehension facilitation, visual imagery strategy use; 9000542

literal/metaphoric expressions concreteness characteristics, psychologi-cal response; 9004978

mental imagery execises use, elementary comprehension instruction; 4-stage procedure; 9000538

mnemonic imagery use, science content information recall; above-/ below-average 8th graders; 9003317

number expressions, vivid imagery presence, Italian/Portuguese/ Spanish/German phrases compared; 9002755

paradoxical memory, intentional learning, expectation-violation effect; normal/bizarre sentences, mental imagery construction, free/cued recall tests; 9000105

poster as short form, literary terms; 9009628

poster interpretation, advertising/propaganda/communicative functions; 9009630

posters, general bibliography, WWII-present; 9009621

proposition recall, imagery effects, text micro-/macrolevels; 5th graders; 9000713

public posters/billboards, peripheral images; 9009627

publicity posters' characteristics/functions, Madagascar; 9009640 reader response, selected short stories, imagery/affect/structural importance relationships; convergence/divergence, quantitative/ qualitative methods; college classroom; 9003336

reader/text characteristics effects, reported imagery, pre-/postreading; 5th graders; 9008047

second-language instruction, guided imagery application; 9007603 short-term recognition memory, rehearsal vs imaging instructions condition; 9007446

short-term recognition processes, event related potentials evaluation; 9007448

text/image interaction, F. Guardi's Italian poster; 9009623 textual figure, realistic literary discourse relationship; 9008733

visual image experience/memory; vivid vs nonvivid imagers, abstract/ concrete nouns, short-/long-term memory; 9002565

written occupational narratives, guided imagery effects; 9003398

### Imitation

child language acquisition, syntactic competence development; imita-tion/transformation/word recognition tasks; preschoolers aged 5:1-6:0, adults; 9007412

intonation mimicry, 10- to 12-month-old children; voice analysis, fundamental frequency measurement; 9007433

reciprocal reading technique, reading behavior modeling; 9005541 speech results, late palatal surgery, previously unoperated Sri Lankan cleft plate adolescents; 9009861

writing instruction, basic writers, modeling approach, imitation pedagogical tradition derivation; 9008135

### Implicature

English demonstrative pronouns, cognitive status, givenness hierarchy;

Grice, P., Studies in the Way of Words reviewed; 9007137 public posters/billboards, peripheral images; 9009627

publicity posters' characteristics/functions, Madagascar; 9009640 Indexicals

deixis, referential usages, functional components; 9008675

natural language semantics, meaning theory, grammar role; 9008552 sentential particles, Japanese conversation; social context functions; 9006248

temporal indexicals, direct reference theory criticized, relational theory of time incompatibility; 9007141

Indic Languages

Bangani grammatical archaisms, morphologically conditioned vowel alternations; 9006614

Bengali verb system, past tense analysis; continuum, future perfect discrepancies; 9006013

Bengali/Turkish long/short voiceless stops, consonant length perception; closure duration cue dominance, geminate/nongeminate distinction; 9004678

bilingual's grammar, internal structure, code-mixing use determina-tion; English-Hindi code-mixed sentences, Stardust international magazine; 9005784

comprehension monitoring, balanced vs nonbalanced bilingual children aged 5-6; 9008197

Corinna's poem title **F**εροια meaning/origin, Sanskrit borrowing; 9008968

Dakkhini (Hindi-Urdu) correlative marker so syntactic structure reanalyzed; 9005998

Eastern Bengali participal adjuncts, government-binding theory perspective; general syntactic properties; 9001124

English-Hindi code-mixed varieties range/functions, Hindi poetry; aesthetic effect; 9005808

English-language separate identity evolution, Pakistan; elite/mass media effects; 9009096

English/Hindi language contacts; lexical/morphological/phonetic assimilation; 9006736

Fanagalo creole origin, current hypothesis refuted; 9004288 foreign-language learning/teaching, communicative approach/ computer use, Hindi augmented transition network; 9007728

Greek/Georgian/Armenian carrot designations, Sanskrit origin, stambha 'post, stem, pillar'; 9008967

Hindi (Indic) Sanskritization/Englishization/modernization efforts, official policies/efforts; 9007023

Hindi dental/retroflex stops, linguotectal contact patterns; electropalatographic data; native speakers; 9009682

Hindi dialect stress rule, syllable weight sensitivity; 9008319

Hindi dialects description, genetic/typological classification problems; 9009153

Hindi language planning, India, English role, 1947-1980; 9009509 Hindi language spread, multilingual situation, India; 9004515

Hindi-Urdu agreement system, generalized phrase structure grammar perspective; 9006366

Hindi-Urdu phrase structure, configurationality diagnostics; T. Imai's claim challenged, Hindi asymetrical syntactic properties; 9006122 Indic adhi homophones, three Indo-European roots; 9004047

Indic aspectual system characterization, diachronic perspective;

Jaina (Indian) secular literature, 9th- to 14th-century Apabhramsa; ancient Indian cultures insights; 9004235

Konkani (Indic) Portuguese loanwords, historical perspective; 9004166 language inequality, Mauritius; Hindi/Telugu/Bhojpuri/French/ English status; mass media/educational preferences; 9006994

Maithili (Indo-Aryan) verb agreement, control agreement principle, generalized phrase structure grammar framework; 9006432

migrant students' Danish word-order proficiency; cloze test; Yugoslav/ Turkish/Pakistani 4th/6th graders; 9009431

North Indian Urdu standardization/modernization, sociolinguistic effects; 9006945

Old Indic cvi-formations history, Slavic i-stem abstract formations' minor role; 9008942

Old Indic verb accentuation, Balto-Slavic accentology method use;

Old Kamil poem "Maturaikkandgi" grammatical description; phone-matic/morphological/syntactic analyses; 9002140

Rig-Vedic vipanya meaning, 'in (spiritual) excitement'; P. Thieme's interpretation corrected; 9004043

Rom (Indic) lexicology, Srpskohrvatsko-Romsko-Engleski Rěnik (Serbo-Croatian-Romany-English Dictionary) analyzed; 9004338

Roman script use encouragement, India's languages; Third Roman Lipi Parishad conference, 1988; 9004367 Romany phonological system/alphabet, phonemes inventory/Latin script; 9004365

rule application, negative constraints existence, Hindi evidence; 9008369

Sanskrit relative-correlative constructions as conjoined structures, typological/language-specific evidence; 9006386

Sanskrit verbal abstracts, su prefix, stylized Vedic constructions; 9006523

Semitic/Persian languages/cultures, Indic influence, Sanskrit "sugar" words infiltration; 9001642

Sinhala (Indic) passive clauses formation/meaning/discourse func-tions; 9006057

Sinhala (Indo-Aryan) empty categories acquisition, adverbial clause types subset, permissible null subjects; 9002502

stop consonant voicing contrasts, Japanese/Korean/Burmese/Thai/ Hindi; 9008365

Vedic Sanskrit texts, predicated past participle tense; 9006053 verb agreement/AGR simple relation assumption questioned, case assignment reference; Indo-Aryan languages data; 9006377

voiced aspirated/breathy voiced/murmured/phono-aspirated" terms dispute; Hindi data; 9003568

Indo-European Languages

Albanian language origin, comparative/socio-historical aspect;

Albanian language typology, parallel texts' cognate vocabulary ap-proach; 9004390

Albanian/Modern Greek nonactive voice location, morphosyntactic expression; 9006101

Anatolian \*h3, word-initial position reflexes; 9001624

Armenian, A. Meillet's significant contributions/initial analysis supported; 9001518

Armenian, G. Klingenschmitt's etymologies questioned, phonological constraints violation; 9004044

Balkan linguistics, secondary genetic affinity, Albanian/East Romance contacts, Latin/Illyrian elements; 9006895

bilingualism/interlinguistic attitude relationship, Alto Adige/Italo-Albanian area data; 9005835

Cağman Lycian inscription, interpretations critique; 9008971 case assignment, attraction phenomenon, older Indo-European languages; 9008424

colloquial Modern Persian; pronominals/controlled elements binding; 9008425

Dutch o-grade deverbal masculine thematic substantives, surviving re-flexes; 9008966

eighteenth-century Albanian manuscript, Latin elements; 9008981 Etruscan bronze mirror engravings/inscriptions meaning, cruisie 'Etruscan'/taliθa 'young girl'; Etruscan-Aramaic contacts; 9001868

Etruscan, Indo-European Anatolian language status evidence; 9009229 European language/culture, pre-Indo-European invasion, new archaeological evidence; 9009244

Fortunatov, F. F., Indo-European comparative linguistics course, 1884-1885 lectures, comparative declension introductory lecture; 9006457

genitive-adjectives/appartenance-derivatives, pronominal origin, functional/formal viewpoints; 9008941

Greek ληνος 'wool' Indo-European root reconstruction; 9001637 historical linguistics studies/archaeology interaction; C. Renfrew's Indo-European language theories; criticisms, response; 9004069

historical linguistics, Eighth International Conference papers; 9008937 Hittite ALAN.ZÚ/KA x UD proper translation, E. Badali's interpretation discussed; 9004295

Hittite alpu/dampu, history/cognates; 9008965

Hittite element -ti, present mediopassive form marker, diachronic development; 9001674

Hittite elzi 'scales (of a balance)', Indo-European root/etymology; 9006551 Hittite LUkuwana-, specialized meaning development, Proto-Indo-

European 'dog' reflex; 9006573

Hittite personifying formant -ant- age, Indo-European gender category history; 9008998

Hittite preterit ending -ar, attestations, Indo-European origin; 9008997

Hittite regal titles, Tawanannas use/adaptation; 9009250 Hittite, English-language introduction; W. H. Held's/W. R. Schmalstieg's/J. E. Gertz's Beginning Hittite reviewed; 9006814

Homeric Greek αυ, synchronic/diachronic/comparative study;

Homeric/Epic χανδάνω 'grasp', Proto-Indo-European root
•ghend-reflection; αχονδεσ, χονδεν explanations; 9006569
Indic ádhi homophones, three Indo-European roots; 9004047 Indo-European \*-i-/\*-ii-, Tocharian history/distribution; 9001599 Indo-European \*át 'but' reconstruction; 9006535 Indo-European \*nt, Armenian/Greek reflexes; 9009001

Indo-European archaeological/linguistic data correlation; 9009231 Indo-European conjunctions' polyfunctionality, meaning derivation; 9008465

Indo-European divine names etymology, G. Dumézil's hypothesis; 9001827

Indo-European form \*(s)kwalo-s, \*(s)kwali-s 'sheat-fish' reconstruction; 9004299

Indo-European homeland, Anatolia evidence supported; 9009238 Indo-European impersonal participial constructions, Greek "dative absolute" explanation; 9006593

Indo-European labyrinth, word/structure meaning, history/evolution; 9006579

Indo-European language classification, Soviet theories; Nostratic language family redefinition; 9006891

Indo-European language/archaeology/myth, research/information synthesis; language origins, common cultural heritage; 9006816

Indo-European languages origin, agriculturally based diffusion theory; 9001869

Indo-European languages' origin; language reconstruction methods described; 9006542

Indo-European languages' original speakers, archaeological data/ parallel religious schemes; 9001866

Indo-European laryngeal metathesis, Tocharian evidence; 9004049 Indo-European laryngeal phonemes, phonological reconstruction; 9003537

Indo-European numerals history, semantic motivation, morphological composition; 9004086

Indo-European numerals, writing/number systems analogies, semiotic nature; 9004078

Indo-European phonological reconstruction, The New Sound of Indo-European: Essays in Phonological Reconstruction reviewed/ critiqued; 9006606

Indo-European r-ending verbal paradigms reconstruction; typological (Finno-Ugric) perspective; 9006557
Indo-European rain designation, taboo words; 9001580

Indo-European root \*pet- 'to fly, swoop', Latin root peto base; 9001647

Indo-European root klep- 'lay hand to', Tocharian representation, metaphorical/figurative meaning; 9008936

Indo-European sigmatic aorist, Latin verb roots' vocalism; 9004052 Indo-European sigmatic aorist, Latin verb roots' vowel gradation; B. Khodorkovskaya's theses contested; 9004064

Indo-European speakers origin issues; Proto-Indo-European: The Archaeology of a Linguistic Problem. Studies in Honor of Marija Gimbutas reviewed; 9001573

Indo-European studies, A. Meillet's comparative approach vs F. de Saussure's views; 9001539

Indo-European suH 2nto- 'sunny', Germanic/Tocharian forms, syllable restructuring; 9001600

Indo-European verbal categories, V. I. Georgiev's reconstruction, J. Feuillet's critique; 9006588

Indo-European/Altaic contacts, T. V. Gamkrelidze's/V. V. Ivanov's data re-examined; 9006903

Indo-European/Kartvelian language contacts, common roots evidence; 9009127

Indo-European/Uralic language family relationship, comparative/ typological perspective; 9004388

Indo-Portuguese Creole evolution, Indian languages/Neo-Latin Literary Portuguese verbal systems comparison; 9001853

Indo-Uralic nouns/verbs reconstruction; 9006564

Kartvelian Indo-Europeanisms, Indo-European laryngeal's reflex; 9004053

language change, typological explanations, current theories; J. L. By-bee's arguments critiqued; 9006888

Latin caverna 'cavern'/urna 'urn' etymology, common Indo-European source/meaning; 9009019

Latin/Old Church Slavonic typological parallel, first-person forms thematization; 9001675

lexical interference, semantically related/paronymous Russian/ Armenian words; Armenian Russian as a second language learners; 9005338

Luvian words/forms interpretation, hieroglyphic/cuneiform corpora; 9008992

Luvian/Lycian phonetic/lexical isoglosses; 9008993

Luwian hieroglyphic sign value, zu vs sû; 9004297 Luwian walwi-/walwa- 'lion'/Indo-European \*wlk'wo-s 'wolf'/Hittite walku(w)a- 'evil' relationship evidence; 9001615 Lydian accent/vowel nasalization; critical reply; 9008960

Meillet, A., comparative research contributions; 9001517

Messapic nominal inflection, nominal classes/paradigms/ morphophonological laws/rules/exceptions; 9009009

Mycenaean Greek medio-passive finite ending, -tai/-toi forms distinction; 9004073

Old Europe/ancient Crete writing, cultural continuity case advocated; 9009239

Old Persian cognate, Sanskrit pánthāḥ 'path', i-stem status improbability; 9006522

origin of language, comparative method use; 9009346

Ostir, K., life/academic career; 9006452

Proto-Indo-European consonant system reconstruction, glottalic theory; 9006527

Proto-Indo-European grammar, pre-Indo-European active structure residues; 9008982

Proto-Indo-European 'name'/'me' reconstruction; 9001576

Proto-Indo-European speakers identification, Proto-Indo-European: The Archeology of a Linguistic Problem. Studies in Honor of Marija Gimbutas reviewed; 9001865

Proto-Indo-European, pre-Indo-European substratal linguistic/cultural influence; 9009247

Proto-Indo-European, prenasalized stops reconstruction; 9004058 Renfrew, C., Archaeology and Language: The Puzzle of Indo-European Origins reviewed; 9006521

Romanian daş 'lamb', origin/meaning/etymology; questionnaire data; 9009307

Romanian gresie 'grindstone, whetstone', etymology/origin; 9001586 Romanian ogór 'plowed/planted field'/Albanian ugár 'fallow land' se-mantically compared, Bulgarian roots traced; 9001705

Russian as a second language teacher training, Armenian colleges, translation theory/practice teaching; linguistic interference, syntactic/morphological/lexico-semantic transformations; 9003496

Russian-Armenian action noun comparative analysis, derivative means/patterns similarities/differences; second-language teaching implications; 9001684

Russian-Armenian word compositions, dependent component's categorial affiliation/combinability relationship; 9001207

Saussure, F. de, Mémoire sur le système primitif des voyelles dans les langues indoeuropéennes (Notes on the Primitive Vowel System in Indo-European Languages) contextualization effort; 9006454

Schleicher, A., Indo-European languages decay, evolutionary typology; language-biology parallelism; 9001541

Slavic \*k=norz= 'boar' etymology, primitive Indo-European adjective-building class relic; 9004025

Slovene dialectal \*sēl 'seeding, grain', Slavonic formation thesis reject-ed; Hittite cognate, Old Indo-European derivative; 9001590 south-east European mining technology/terminology, 13th-18th centu-

ries; 9001627 space notion/designations, Indo-European languages; 9004643

stress reconceptualization, metrical structure re-evaluation implica-tions; 9008323

Tocharian A/B 'gap/hole' designations, H. C. Melchert's Hittite luttāi- 'window' interpretation critiqued; 9006552

Tocharian B orotse-pacere 'grandparents', K. T. Schmidt's interpretation discussed; 9006607

Tocharian non-Indo-European substratum, W. Krause's Finno-Ugric hypothesis; 9008943

toponymic word formation, Turkic/Indo-European languages, affixal/ nonaffixal formation; 9006795

Umbrian perfect suffix -nky-, alternative explanation, phonological reanalysis; 9009018

unified/standardized literary Albanian use, Albanian residents/ nonresidents; language characteristics/status; 9004195

Uralic weak -p-/-t-, Indo-European equivalents; 9006531 Vlac cătun age/diffusion, Medieval Balkan Peninsula; proposed etymologies; 9001873

Yugoslavia national languages role, regional tensions; 9009458

Indo-Iranian Language

Avestan words, da/si roots; Vedic cognates; 9006558

Avestan Yast codex rediscovery, eleven orthographic peculiarities;

Azerbaijani-Persian versified dictionary, Tedzhridi-l-lighet; author-ship, compilation year/place, lexical entry structure; 9004307 bilingual Farsi-English patient's task-specific agrammatism; 9005093

Bulgarian/Dari (Afghanistan) vowel systems comparison; Afghan Bulgarian as a second language learners' pronunciation problems; 9006630

caldeograms' determinative components, Middle Iranian; 9006815 Early New Persian verbal system use, morphological/phonetic characteristics, mid-11th-century text Vis-u Rāmin; 9001200

English as a foreign language learners' English structures acquisition; Farsi-English translation tasks; Iranian undergraduates; 9005452

English/Persian verbs, contrastive analysis; English as a second language instruction implications; 9006654

group vs individual speech behavior norms; (d3) use, interviews; Qatari speakers; 9009404

Indo-Aryan ergativity origins/elimination; functional theory shortcomings; 9006887

Indo-Iranian languages split ergativity interpretation, related problems: 9006886

Iranian-European languages typological similarities, phonology/ morphology/syntax; past contacts/parallel development/common source; 9002003

Kalasha/Khowar (Indo-Aryan) inferentiality/evidentiality distinctions coding; Turkish particle mis/Lhasa Tibetan coding compared; 9006003

Kurdish language standardization process, 1918-1985; nonprescriptive study; 9009437

Latin zanca 'shoe', Iranian borrowing reconstruction; 9009026 Modern Persian specification strategies; recorded interactions; 25-year-old male-adult native/-child native/-nonnative speakers; 9006262

morning star (Venus), Iranian/Avestan designations; 9004229 native-language maintenance consequences, multilingual society; Kond tribal people, Orissa, India; 9009465

Old Avestan hatam meaning, textual occurrences; semantic/syntactic analysis; 9006559

Old Indo-Aryan aliklava-/jäskamadá-/krvayá- meanings/attestations;

Old Persian cognate, Sanskrit pánthāḥ 'path', i-stem status improbability; 9006522

Old Persian writing, cuneiforms origin theories evaluated; 9009243 Persian overt/nonovert subjects occurrence constraints, child language

data reference; Persian-speaking 6-year-olds; 9006042
Persian prefixed verbs evolution, *Tārixī Bayhakī* (The History of Bayhakī) attestations; 9006595

Persian simple/prefixed/compound verbs, 11th-century Tarix-i Beyhaki (The History of Beyhaki) statistical analysis; 9001646

Persian syntax/specificity aspects, universal grammar theory implica-tions; empirical description; 9008445 Semitic/Iranian influences, Greek language; 9004154

Semitic/Persian languages/cultures, Indic influence, Sanskrit "sugar" words infiltration; 9001642

Indo-Pacific Languages

Andamanese linguistics, published/unpublished material bibliography; 9004170

Botin (Papuan) 'come/go' deictic forms, narrative discourse use, syntactic distribution; 9006221

Kairi (Papuan) tone patterns, sandhi processes, autosegmental theory approach; 9008348

Proto-Piawi (Papuan) personal pronouns possible origin, Nisgha (North Amerindian) compared; 9006529

Siroi (Papuan) narrative discourse, tail-head linkage; 9006299 Surinamese creoles, Moravian Brethren's/Hernhutters' manuscripts; 9001838

Urim (Papuan) discourse, demonstrative pronouns pa 'that/there'/ti 'this/here' functions; 9006258

Infant Vocalization

articulatory development, normal vs cleft lip/palate infants; 9002303 babbling, linguistic significance; tracheostomized infant; 9005016 babbling/early speech patterns, vocal/verbal/gestural behaviors; structured/unstructured situations; infants aged 0:9-2:0; 9005039

baby talk structure/function, Italian day-care center; 9006921 communication disorders development, at-risk infants/toddlers identification/intervention; 9007354

impaired communication development, at-risk children assessment/ intervention guidelines; 9007351

infant babbling behavior examination, later normal language/speech acquisition predictions; 9005015

infant cry/noncry vocalizations, acoustic classification system; 9004793

infant crying, adult tolerance; fundamental frequency, temporal pat-terns; acoustic feature analysis; nonparents; 9007472

infant repetitive babbling, multisyllabic vs other types; empirical data; infants aged 0:7-0:11; 9007426

infant's phonetic/phonological development, crying/babbling/firstword stages; case study; 9002479

infants' behavioral-emotional states, vocalizations' information transmission; listening task; parents/nonparents; 9009374

infants' intonation, developmental changes, suprasegmental features; tape recordings; first-born Australian infants, English-speaking families: 9007444

infants' normal noncry vocal development stages, assessment protocol; 9005032

intonation mimicry, 10- to 12-month-old children; voice analysis. fundamental frequency measurement: 9007433

language outcome/early related factors; high-risk infants, post-second-grade; 9004822

mother-infant communication timing, L. Murray's/C. Traverthen's content/style measures limitations; 9002011

preverbal infants' vocal behaviors, prosody patterns; 9007149 reduplicated/variegated babbling, phonetic complexity evaluation; quantitative analysis; infants aged 0:6-0:8; 9005037

verbal matching forms/functions, mothers-precanonical infants inter-actions; spontaneous dialogues; 9006920

verbal/behavioral/affective responses, atypical infant cries; high vs low pitch effects; 9004421

Inflection

adjunct complements/syntactic representations, purpose sentences; inflection role, compound sentences; Romance languages capacity/ subjunctive problems; 9006130

case system, syntactic definition importance; Russian material; 9003643

Catalan regular verb inflection/formation, lexical phonology frame-work: 9001024

Crimea Gothic Vvarthata 'you/he made'/malthata 'I said', preterit tense paradigm, personal endings assimilation; 9008987

Fortunatov, F. F., Indo-European comparative linguistics course, 1884-1885 lectures, comparative declension introductory lecture; 9006457

German inflectional morphology, noun phrase hierarchy, suppletion phenomena; 9003919

German nominal declension, prescriptive norm vs developmental tendencies; 9006533

grammatical category ambiguity resolution, inflected/uninflected lan-guages; stochastic methods; 9008401

inflectional morphology, inflection mechanism, characterization; 9003794

inflectional morphology, naturalness concept explored; 9001224 lexical morphology research, gender/number marking; recall/ recognition phases; secondary students; 9006220

lexicon, inflective morphology as integral part; R. Lieber's On the Organization of the Lexicon reviewed; 9006864

Mapudungu (South Amerindian) morphosyntactic functions, verb transition phenomenon, affixes, transitive values assignment;

Messapic nominal inflection, nominal classes/paradigms/ morphophonological laws/rules/exceptions; 9009009

New High German nominal declension, natural morphology interpretation, gender-number correlation model; 9003766

Polish dialectal verb inflection, West Pomerania, former Northeastern borderland residents' speech analysis; linguistic integration phenomena; 9004175

Polish masculine inanimate nouns' accusative-genitive case forms identity, psychomechanical explanation; 9008379

productivity notion, different aspects/mechanisms, inflectional morphology reference; 9001217

Russian inflectional forms morphology, diagrammatic iconism princi-ple, descriptive effectiveness, natural morphology framework; 9003781

Russian toponyms in -a(-ya) declension, inflected/noninflected forms, style/text type variation; 9001192

Russian verbal morphology, anomalous verb structure/conjugation/ tense paradigms; 9003774

Tocharian ai-flexion, Indo-European oi-stem nouns' inflection reflex; A. J. van Windekens's argument rejected; 9001598

Tocharian non-Indo-European substratum, W. Krause's Finno-Ugric hypothesis; 9008943

Turkish copulative verb cliticization treatment, A. M. Zwicky's syntax-phonology interface framework; 9001088

Yupik Eskimo verbal inflection, order analysis; 9008641

cochlear implant patients' rehabilitation process, psychological fac-tors/social adaptation; 9002400

cochlear implant patients' verbal material/environmental noise recog-nition ability; test results; 9004895

cochlear implants, acoustic simulation; 9009852

multichannel cochlear implants, children; case studies; 9002397

psychoacoustic/speech comprehension abilities relationship, unilateral/ bilateral cochlear hearing-impaired patients; 9004724

speech perception/hearing ability improvement, multiple cochlear implant patients; vowel/consonant confusion tests; 9002398

hearing-impaired children's linguistic/cognitive characteristics; etiolog-ical/audiological/psychological/social/mother-child interaction;

children aged 3-7; 9007210

intelligence/oral language/reading comprehension/written expression relationships, dyslexic vs nondyslexic 2nd-6th graders; 9003337

monitoring, children's second-language speech; longitudinal study; spontaneous speech, Dutch schools, Turkish 1st graders; 9005458 reading performance/IQ genetic correlations, Colorado Adoption Project data; standardized tests, multivariate path model application; 9007369

reading-disabled children's differential prognosis, gender/ socioeconomic status/IQ/severity basis; longitudinal study; 9004839 single- vs mixed-sex bilingual education effect, nonverbal intelligence/ vocational aspiration; Raven's test, questionnaire; Iranian high school students; 9005797

verbal intelligence/fluency covariation; writing task; children aged 8-11: 9008165

writing instruction process approach, writing production/behaviors/ proficiency, differing play/learning styles; 1st-grade students; 9008138

Intelligence Testing

bilingual vs mainstream programs, self-concept/intelligence patterns; Wechsler Intelligence Scale for Children/Piers-Harris Children's Self-Concept Scale; Puerto Rican elementary school children; 9008167

diagnostic information attainment, at-risk readers; informal analysis, Slosson Intelligence Test use; 9005717

Expressive One-Word Picture Vocabulary Test, differential performance, verbal intelligence overall estimate, children aged 2:0-11:11; 9009862

learning disabilities definition/evaluation, IQ test scores usefulness disputed: 9002377

reading achievement/disability prediction, memory/naming speed use, IQ control methods effects; children aged 8-11; 9004826

reading disabilities incidence/characteristics, Japan; reading ability/intelligence tests; 5th graders; 9002363

receptive developmental language disorder, auditory processing deficit questioned; brainstem auditory evoked potentials, WISC-R/WAIS-R IQ test/Peabody Picture Vocabulary Test; 9002321

single- vs mixed-sex bilingual education effect, nonverbal intelligence/ vocational aspiration; Raven's test, questionnaire; Iranian high school students; 9005797

Intelligibility

auditory/audio-visual speech-reception thresholds measurement, sentences in noise; 9007214

communicative coherence deficiency, remedial therapy program; child aged 5:2; 9002333

connected discourse intelligibility assessment, objective/subjective measurement procedures compared; 9006278

task-based conversational interaction, first-/second-language dyadic problem-solving activity, Vygotskyan psycholinguistic theory; native/nonnative English speakers; 9002008

teacher speech act adjustment, preschool language-delayed children, conversational/task-oriented/language-teaching behaviors; 9009786 teacher verbal behavior relationship, students' perceptions; 4th-6th

grade; 9002010 teacher-student communication, effective language use requirements; 9004428

9004428 telecommunication, psychological studies, sender/medium/receiver relationship; new/ecological approach; 9004441

telephone behavior, cultural norms/values reflection, England vs. Greece; 9006287

topic initiation intelligibility method, naturally occurring talk, formal/informal settings; 9001240

topic initiation/interruption patterns, preadolescent children's dinner conversations; 9008672

topical coherence, best-friends' talk; gender differences; videotape analysis; 2nd-/6th-/10th-graders, adults; 9009380

traditional communication frameworks/new electronic forms compared; technological communication's broadening effect, technological deterministic models' uses; 9002014

understanding-securing communicative procedures, second-language teaching; methodological suggestions; 9000306

verbal compliance-gaining strategies, primary care physicians' selection; 9004410

verbal interaction patterns/structure, schizophrenics/healthy subject dyads; 9009837

verbal interaction, group psychotherapy; sequential analysis; 9004863 verbal interaction, Swedish language-disordered preschool children; grammatical/interactional ability assessment procedure development; 9007260

verbal interaction/knowledge acquisition relationship; classroom discourse, Italian preschoolers aged 5-6; 9003844

verbal matching forms/functions, mothers-precanonical infants interactions; spontaneous dialogues; 9006920

verbal politeness, maximization role; politeness/linguistic intensification/emphasis relationship; 9001269

verbal production/social interaction/play behavior, language-impaired preschool children; 9004817

verbal-behavior patterns, student-centered small-group discussion, 8 short stories; audiotaped sessions; secondary-level students; 9006933 verbal/behavioral/affective responses, atypical infant cries; high vs

low pitch effects; 9004421
verbal/nonverbal behavior perception, decoding, empirical studies
evaluation; 9009606

vocal stress; deception/truth telling conditions; audiotaped interviews; Chinese US immigrants; 9009373

women's language characterization, minimal response/hedge/tag question usage; all-female natural conversations; 9009411

written argumentative discourse implication, linguistic marks distribution; written protocols analysis; 9001310

Interrogative Statement

children's grammatical errors awareness, parental repetitions/ clarifications cues; inflectional overgeneralizations, wh-question auxiliary-verb omission errors; 9000082

Chinese question words, existential quantifiers status; 9003756 conversational involvement, direct mail buying behavior; "speech-like" conversational features; 9003871

deaf children's reading ability/comprehension problems, interrogative/ declarative sentence distinction test; 9002314

Dutch declarative sentences function, natural dialogues; listeners' onscreen identification; native speakers; 9008650

English as a foreign language literature, examination question types; 9007567

English conversation, declarative/nonclausal questions interpretation, morphosyntax role; 9006132

English multiple wh-constructions, S-structure interpretation principle vs logical form interpretations; 9006394

English negative/tag questions responses, error avoidance learning approaches; Japanese students; 9007716

English or use variation; question type; undergraduates; 9007395
English tag questions structure, copying hypothesis explanatory inade-quacy; 9003588

French as a second language communicative competence instruction, Dutch students; appropriate question usage rules formulation; 9002841

French as a second language instruction, East German schools; question as linguistic activity notion/characteristics; 9000193

French interrogation marking, postverbal particles -tu/-ti; Quebec French speakers; 9009701

French interrogative clauses, communicative function classification; 9008659

German/Japanese echo questions, intonation patterns, constituents restrictions: 9006298

immediate factual learning performance; pre-/post-/adjunct questions; experiments; profoundly deaf postsecondary students; 9009735

indirect-object dative questions deviance, American English idiolects; psycholinguistic tests, sociolinguistic interviews; adults, children aged 4-6; 9008454

interrogative speech acts, politeness principles; English questions typology/analysis; 9006241

interrogative speech pragmatics; regular associations, question type/ suggestions conveyed; 9003835

interview, dialogue structure, question role; interview initiations typology; 9001286

Modern Hebrew interrogative forms, synonymous doublets distribution/use; 9003755

multiple wh-constructions syntax, discourse-linking role; Romanian data, parallel English counterparts; 9003598

Plautus theatre expository scenes, interrogative strategy; 9001369 preschoolers' inquiries content/frequency, parents reading aloud, home environment; longitudinal study; audiotaped interactions; 9005517 question generation from texts; children aged 5/9-10; 9003192

question generation from texts; children aged 5/9-10; 9003192 reading comprehension instruction, alternative strategies/questions; R. G. Stauffer's Direct Reading-Thinking Activity; 9000607

G. Stauffer's Direct Reading-Thinking Activity; 9000607 reading content, teacher questioning/student response interactions; 7th-grade social studies classes; 9005598

/th-grade social studies classes; 9005398
rising intonation role, yes/no questions/queclaratives; A. Batliner's/
W. Oppenrieder's criticisms addressed; 9000958

Romanian enunciation, intonation patterns; 9008318 Russian negation violation; colloquial speech, modal/irrealhypothetical utterences, rhetorical questions; 9006138

Russian purpose/cause questions, logical-semantic structure, pochemu 'why'/zachem 'what for/why' interchangeability; 9003745

second-language instruction, student-teacher interaction, students' questions analysis; 9002918

Spanish interrogatives, direct/indirect questions, subclassification; 9001117

speech acts identification, contextual/linguistic information use; answer obviousness rule tested; adults; 9004963

speech delivery speed, interrogative vs declarative sentences; adults; 9002281

undergraduate research paper writing instruction, research/writing procedures interaction; 9008123

wh-question comprehension development, Mandarin-speaking child; 9002523

wh-questions/temporal adjuncts extraction, children's knowledge/ acquisition; picture question response task; children aged 3-5; 9002510

Intonation

automatic speech output systems, natural intonation pattern creation difficulties; English sentences naturalistic fundamental frequency contours generation rules; 9007193

Colloquial Jordanian Arabic stress/pitch contour/rhythm, instrumental/auditory analysis; 9003567

discourse analysis, intonation communicative functions; intonation, verbal/nonverbal communication relationship; 9006246

emotional language paralinguistic forms, seduction intonation sentences; female speakers; 9002263

English as a foreign language intonation/stress learning system improvement; personal computer use, fundamental frequencies analysis/display; 9000367

English double copula use, cleft sentences; spontaneous conversations, Australia; 9003644

English intonation, systematic perspective; tones/keys account; 9005946

English intonation/Japanese pitch accent training system, high-speed speech analysis system/personal computer use; 9002286

English nucleus placement problems; central rules vs highlighting debate implications; 9000956

English stress intensition, Spanish-speaking students' common mis-

English stress/intonation, Spanish-speaking students' common mistakes; 9005296

experimental phonetics methodology, new theoretical framework, segmental/suprasegmental features integration; Bulgarian intonation example; 9007169

Finnish existential clauses' syntax/pragmatics/intonation; 9003687 French as a second language competence, intonation recognition skill persistence; Japanese subjects; 9007773

French focalization, new intonational unit /CC+/; 9008336 French intonation acquisition, native Canadian English/Japanese speakers; cross-linguistic influence; 9002997

French intonation patterns, acoustic-perceptive spaces correlation; statistical/psychological multidimensional analyses; native French speakers/listeners; 9009705

French intonation, native speakers' vs beginning students' pitch movements; 9004688

infants' intonation, developmental changes, suprasegmental features; tape recordings; first-born Australian infants, English-speaking families: 9007444

intonation contours generation rules, sentences, infinite length/ complexity; Russian material; 9001446

intonation grouping, psychological perspective; metrical phonology, empirical support; 9005944

intonation knowledge processes; French/English; 9009677

intonation mimicry, 10- to 12-month-old children; voice analysis, fundamental frequency measurement; 9007433

intonation phonostylistics, social background/sex influences; interviews; male/female Venezuelan speakers; 9009704

intonation power, speaker's communicative intent information conveyance; natural infant-/adult-directed speech samples, standardized interactional contexts; 9004420

intonation's emotive nature, D. Bolinger's views; French/Hungarian support; 9003543

intonation, linguistic/extralinguistic/paralinguistic functions, speaker characteristics; German speech melody; 9005968

intonation, translation importance, Bulgarian short stories/Russian translations comparative-literary analysis; 9009052

intonational syntagm analysis; Quebec French speakers; 9008354

Korean declarative intonation, acoustic features, fundamental frequency declination hypothesis basis; Seoul dialect speakers; 9007163 mental representations language model, intonation, ethological vs cognitive human communication approaches; 9002267

Old Croatian literature critical edition, transliteration/transcription problems, oral language features representation, intonation/pause marking; 9006503

poetic text's suprasegmental organization, vowel intonation/harmony; Russian poetry; 9004567

English sounds perception, Japanese undergraduates/high school students, second-language learners; data reanalysis; 9007775

English-Japanese dictionary, pragmatic information/considerations importance; 9004323

English-Japanese learners' dictionaries, compilation problems; lexicographical devices appraised; 9004316

English/French/German/Japanese/Russian translations, speakers' interdependency; 9003499
English / Japanese nominal anaphora, syntactic/semantic properties:

English/Japanese nominal anaphora, syntactic/semantic properties; 9006639

English/Japanese politeness strategies, Japanese talkshow discourse; 9008709

English/Japanese politeness strategies; Japanese talkshows discourse analysis; 9003857

English/Japanese semantic category of place, syntactic realization:

English/Japanese semantic category of place, syntactic realization; 9008478

English/Japanese sentence/case structures contrasted, C. Fillmore's case grammar model basis; 9003623

English/Japanese temporal reference, tense morphemes' behavior; 9006658

euphonical change form use, H. Ichiyo's novel; 9007080 expository prose "decoding," specific difficulty sources; US science/ social studies texts/Japanese materials compared; 9000773

first-language acquisition, cross-linguistic anaphora directionality studies, Japanese data; universal structure dependence; 9000077

French as a second language competence, intonation recognition skill persistence; Japanese subjects; 9007773

French personal/indefinite pronoun on 'one/we/they/people', referential functions/occurrence constraints, Japanese/French constrastive analysis; 9008516

German language/culture status, Japan; 9005341

German vs Japanese text construction, characteristics; 9006332

German/Japanese echo questions, intonation patterns, constituents restrictions; 9006298

Hagenauer, C., Japanologist, A. Meillet's methodology use; 9001551 individual discourse variation, intercultural interaction; Japanese natives/Australian-English Japanese as a second language learners conversation; 9006288

Japanese "accusative" o/"dative" ni case particles; historical changes; 9008476

Japanese advertising, English elements adoption; 9009400

Japanese agrammatism, cross-language approach; 9005096

Japanese aphasics' syntactic comprehension, language-specific/universal factors role, category/thematic role order effects; 9004781

Japanese as a foreign language acquisition, personal experiences; 9007570

Japanese as a foreign language courses importance/enrollment increase, Korea/Australia; 9004218

Japanese as a foreign language instruction, audiolingual method vs counseling-learning approach; existing university-level language instruction program integration; 9000349

Japanese as a foreign language learning motivations, US businesspeople, Japan; 9009193

Japanese as a foreign language writing, "keeping up the standard" vs "lowering the standard" strategies; survey/think-aloud/interview/text data; adult students; 9000840

Japanese automatic sentence style conversion, dearu style; 9006703 Japanese case particles/cases/valency functions/relationship; 9006074 Japanese case-shifting transformation; 9008802

Japanese characters as word elements, pattern shapes similarities; quantitative analysis; 9006709

Japanese compound suru verbs, unaccusativity evidence; 9008403
Japanese computerized dictionary, various symbols/characters occurrence frequency; 9001921

Japanese conjunction dakara, discourse marker functions, conversational interaction; 9006270

Japanese consonant recognition, pair-wise discrimination method application, two-class discriminant analyses combination; 9002288

Japanese conversational discourse repetition/ellipsis, conversational in-teraction cognitive domain; 9001275

Japanese garden path/center-embedded/multiply-left-embedded sentences processing; reading time data, eye movement study; 9000037 Japanese grammar automatic syntactic analysis development, probabi-listic approach; 9001089

Japanese honorific expressions length/politeness degree relations, evaluation criterion proposal; interviews; adults; 9002076

Japanese imperatives, explicitly stated subject occurrence frequency; I. Syôtarô's Onihei Hankatyô series; 9006081

Japanese inflectional leveling process, change-resistant infinitive forms, dialectal data quantitative analysis; 9008343

Japanese intercultural communicative strategies, multinational companies; naturalistic inquiry; document analysis, in-depth interviews, extensive observation; 9004430

Japanese juvenile books' vocabulary changes/reader age relation, sta-tistical analysis; elementary-high school levels; 9000682

Japanese kana words reading, dual-route lexical access hypothesis va-lidity; lexical decision task; Japanese university students; 9008074

Japanese kanji, linguistic properties affects, children's writing/reading skills development; elementary/junior high school students; 9001991

Japanese language origin, quantitative methods application, language comparisons; 9001673

Japanese language rhythm, acoustic-spatio-temporal characteristics; French as a second language Japanese learners' experience perspective; 9005979

Japanese language schools "Americanization," Hawaii, 1919-1927; 9005211

Japanese language use, linguistic variation/friendship networks, sex/ age differences; questionnaire; junior high school students/parents; 9004485

Japanese lexical/structural properties, children's acquisition; 3-year-olds; 9000083

Japanese linguistics, Japan/Europe/US beginnings, history, language specifics; 9006466

Japanese locative/instrumental argument constructions, sentence pairs hypallage phenomena; 9008824

Japanese magazine Chūō-Kōron (Central Review) vocabulary changes, 1906-1976; statistical analysis; 9002036

Japanese minor phrase formation constraints, prosodic tree structure model: 9005982

Japanese mora/syllable structure role/reality, speech errors evidence; 9007165

Japanese motion verbs iku/kuru, auxiliaries -te-iku/-te-kuru meanings relationship, categorization theory framework; 9008566

Japanese no problem resolution, function/place; functors/arguments linguistic analysis; 9001135

Japanese palatal syllables /ni/, /ki/, electropalatographic study; 9002301

Japanese politeness phenomena, conversational universals counterevidence; social context importance; 9001298

Japanese postposing construction, government and binding framework; 9008501

Japanese priest Kukai's "Shōji-jissō-gi" (The Meanings of Sounds, Words, & Reality) characters/words, statistical analysis, semiotic subject determination; 9002208

Japanese pronunciation drills difficulties, English-speaking students; Word Accent Training System implementation; 9000303

Japanese pure kanji agraphia, left posteroinferior temporal lesions cause; 9002617

Japanese recipes, clause-linking markers, -i/-te/-ru continuity hierar-chy; 9008741

Japanese reciprocity expression; 9008436

Japanese restrictive/nonrestrictive clauses syntax; Higginbotham's the-ta discharge theory/Speas's project system; 9008442

Japanese sentences grammatical voice recognition/memory; context; recall task; graduates/undergraduates; 9007470

Japanese syntax, discourse phenomena, morphology/syntax interface; 9006091

Japanese unaccusativity characterization, semantic mismatches tests; 9008523

Japanese understood noun phrase, zero anaphor expression; subjects' explicit/implicit manifestation, Western languages contact influ-

Japanese utterances interpretation, context importance; text linguistic perspective; 9006316

Japanese verb suru θ-marking, J. Grimshaw's/A. Mester's examination inadequacy, alternative suggested; 9006382

Japanese verb suru, J. Grimshaw's/A. Mester's analysis reviewed; light verb notion/ergativity hypothesis questioned; 9001442

Japanese vocabulary, kanji occurrence frequency statistical measure; word-tokens/-type coverage measurement methods; 9001998

Japanese vs American politeness strategies; social distance/power, age; request/invitation decline task; undergraduates; 9009442

Japanese wa-phrase generation/licensing, transformational-generative treatment; 9008446

Japanese word accent/vowel devoicing/duration; adult male/female Tokyo dialect speakers; 9002268

Japanese words writing form variation analysis, statistical method use; M. Nomura's formula compared; 9001995

Japanese, bimoraic foot structure evidence; 9005976

Japanese-Dutch phonetic contrasts, Japanese immigrants' pronunciation errors, Netherlands; 9009034

Japanese-English code-switching, topic-comment constructions; 9005825

Japanese-English machine translation systems development, existing components/problems/needs; 9005895

Japanese-German dictionary, headwords' semantic classification; translation words number/meaning proximity; H. Okutsu's Neues japanisch-deutsches Wörterbuch (A New Japanese-German Dictionary); 9001905

Japanese/Ainu descriptive studies, grammar/phonology/morphology/ typology; 9008931

Japanese/Bulgarian writing systems comparison, languages' typology/ writing systems relationship; 9009041

Japanese/English verb transitivity, double object constructions; 9009040

Japanese/English word processor operation; 9001996

Japanese/Korean phonological comparison, J. B. Whitman's contribution; 9004102

kana/kanji text reading, eye fixation/saccade, Japanese vs English text processing; 9000726

kanji acquisition/instruction, nonnative Japanese learners; survey, classroom experiment; 9005410

knowledge-based machine translation applications, transfer vs interlingua systems; 9005898

language attitudes, Standard Japanese vs Kansai dialect; matchedguise technique; Kansai dialect natives; 9009159

language variation, cultural dimension; sales talk, Japan vs US; 9007007

lexical noun phrases subcategories, morphological/semantic/ referential/syntactic/interpretive aspects; 9008513

linguistic politeness, neglected universal aspects; P. Brown's/S. Levinson's principles questioned; Japanese evidence; 9001277

literacy, cognitive assumptions; Japan's exceptional achievement; 9002050

literacy, Japan vs Western societies, anthropological perspective; 9002049

native-/second-language acquisition parallel, German as a second lan-guage, Japanese students; universal grammar principles violation; undergraduates aged 19-21; 9005448

natural language sentence/text coordination, pragmatic functions; Japanese coordinate constructions; 9006303

noun ergativity/case assignment, J. Grimshaw's/A. Mester's argument transfer generalizations; 9006438

noun phrase/prepositional phrase asymmetry; D-structure adjunction approach, null operator constructions; 9006434

Ohno, S., morphological classes/nouns proportion mathematical for-mulation, typical Japanese text; linear regression adjustment, value/ account; 9002172

orthography/phonology relationship, Japanese/English/Serbo-Croatian; 9007471

peer-writing techniques adaptation, Asian technologies/cultures;

politeness strategies, Japanese/American perceptions; 9008683 prosodic modifications, mothers'/fathers' speech, preverbal infant interaction, cross-language study; 9001688

prosodic morphology, truncation types unexplainability, Japanese names; 9008821

reading comprehension test items, discourse analysis; English, Japanese subtests, Japan university entrance exam; writers'/readers' perspectives; 9000748

reading disabilities incidence/characteristics, Japan; reading ability/ intelligence tests; 5th graders; 9002363

schizophrenic text, context-independent construction/interpretation, Japanese context-dependent interpretation compared; 9006305

schizophrenic/aphasic neologisms compared; Japanese schizophrenic patients' writing characterized; 9002341

sentential particles, Japanese conversation; social context functions; 9006248

speech synthesis, various voice qualities; polynomial glottal source model; male/female Japanese speakers; 9002287

Standard Japanese distributional data, computerized multidimensional analysis methods; tentative quantificational dialect division; 9001790 stop consonant voicing contrasts, Japanese/Korean/Burmese/Thai/

syntax/morphology boundary distinction, Japanese material; 9001111

text comprehension, instantiation occurrence/absence; 9005075 Tokyo Japanese downstep, syntactic/rhythmic effects, unmarked pitch pattern determination; 9000970

translation difficulties, Japanese/English syntactic differences; 9008270

translation, typologically diverse languages; 9008274

vowel merger, statistical tests evaluated; Japanese data; 9000977 word meanings analysis, semantic differential method; Japanese 3syllable words checklist; female speakers' judgments; 9001163

word recognition, nonalphabetic writing systems; literature review;

word use frequency statistical analysis, A. de Saint-Exupery's Le Petit Prince (The Little Prince) English/French/German/Japanese/ Portuguese/Spanish verions compared; 9001698

"zero pronominal," grammatical theories reviewed; deletion rules, host-parasite structure alternative model; 9006111

### Judgment Tasks

abstract/concrete words processing, sentences, supportive context effects; judgment tasks, decision times; 9004983

attribute inferences/semantic similarity judgments, linguistic factors contribution: 9003746

Australian English /h-d/ words pronunciation, acoustic phonetic de-scription; spectrographic data; male broad/general/cultivated dia-lect speakers; 9009678

automatic/volitional semantic processing, aphasic patients; semantic priming/relatedness judgment tasks; 9004974

basal readers, primary school children's judgments/perceptions;

Broca's aphasia patients' metalinguistic judgments ability; linguistic rule usage violations, semantic/syntactic domains; white agrammatic/normal speakers aged 33-78; 9007283

Chinese poem, English translations; native English speakers' ratings, poetic feeling degree; 9005875

conservation skills development/sentential well-formedness judgment ability, children aged 3:5-6:6; judgment tasks, interviews; 9005035 conversational topic change, participants' judgments, global vs local definitions; 9002009

digits, odd vs even judgments, reaction time lengths; 9002569

English as a foreign language teacher trainees' language sensitivity/ awareness/use, communication/second-language learning; 9005276

English family names, Bulgarian transcription; Reeves/Tomkins, final s vs z; aesthetic acceptability ratings; 9006875

extraposed relatives coreference possibilities, children's knowledge; plausibility judgment tasks, previous findings compared; children aged 4/5 vs college students; 9000063

hearing aids, consonant recognition performance/subjective ratings re-lationship; hearing-impaired users; 9009740

hearing-impaired children's stress contrasts, acoustic analysis; 9007216 hydrocephalic/non-hydrocephalic physically impaired children, educa-tors' judgments, conversational correlates; 9002394

identical letters, lower-/uppercase judgments, different stimuli effects; size interpretation vs perceived size change; 9002361 infants' behavioral-emotional states, vocalizations' information transmission; listening task; parents/nonparents; 9009374

lexical-semantic impairment, Alzheimer's disease patients; confronta-tion naming task/verbal associates recognition task; 9007490

memory predictions, processing ease influence; judgment tasks; 9000095

pause judgments, dramatic dialogue; overlearned language skills effects; English vs German speakers; 9007227

phonological lexicon role, oral reading, neurologically damaged left hemisphere patient; 9007251

preschool stutterers' disfluencies, mothers' judgments; 9004824 reading skills/grammaticality judgments, 2nd graders; sentence-level knowledge/reading disability association; 9002360

recall/evaluative judgments, pragmatics effects, semantically related material, disregarded information; 9005054

request form/speaker status interactive effects, request judgments; 9003804

semantic illusion phenomenon; semantic relatedness effect; inaccurate name statements; undergraduates; 9007393

semantic-phonological associates, mediated priming nonoccurrence evi-dence; lexical decision tasks, single-letter strings; 9004980

speech sounds processing/tritone paradox relationship; experiments; 9009747

spoken English, Japanese speakers, American vs Japanese listeners' evaluations; duration/pitch/intensity changes effects; 9002276 stutterer stereotypes, "I stutter. So what!" t-shirt message impact; retail store clerks' perceptions; 9009791

successive cyclicity, grammar/parser; self-paced reading, end-of-sentence acceptability judgment tasks; 9000031

symbolic judgments, cerebral hemispheres' role, semantic congruity influence; 9007508

syntactic change investigation, experimental approach; Mandarin Chinese bei-passive use, Taiwan vs Mainland residents; 9006097

time duration estimates importance, criminal testimony; retrospective duration estimates, "abductor's" speech; 9005083

verbally/numerically expressed uncertainties, opinion revision; university students; 9007367

word meanings analysis, semantic differential method; Japanese 3-syllable words checklist; female speakers' judgments; 9001163

## Junior High, Middle School

background knowledge effects, learning-disabled students' acquisition, self-questioning reading comprehension improvement strategy; 7th/8th graders; 9005608

beginning second-language/-culture study achievement/attitude/group dynamics, feedback effects; adolescents, interdependent cooperative groups; German classes; 9000391

children's database use/creation, 2nd grade-secondary school; 9005557 children's literature, school adjustment topics; preschool-adolescent audiences: 9000571

classroom reading problems; interviews; 13-/14-year-old students; 9008058

composition writing holistic scores/sense of audience; concurrent com-position/speech instruction; 9th-grade students; 9008109

comprehension monitoring performance, text difficulty/error type effects; good vs poor 7th-grade readers; 9005681

comprehension/comprehension monitoring influence, teacher verbal modeling characteristics relative merits; 8th graders; 9003124 computer-assisted reading instruction, remedial readers' motivation improvement; junior high school students; 9005539

content reading activation, historical computer simulations use; 7th/

8th/10th graders; 9000686 content study skills application, co-listed reading classroom; 8th-grade

remedial reading students; 9007887 content-area reading assignments, high school classroom discussions, 5-step intervention program; 7th-12th graders; 9007852

cooperative learning research overview; classroom grouping techniques use, middle/secondary level classrooms; 9000664

creative written response, media selection/reading ability/gender/IQ effects; 8th graders; 9005749

derivational morphology, older students' tacit/explicit knowledge; vocabulary/spelling instruction implications, intermediate grades;

direct instruction/process writing/time on task observations, elementary/junior high school classrooms; 9003402

direct narrative instruction effects, 8th graders' comprehension abilities; 9003084

direct/indirect requests, children's pragmatic judgments; 3rd/5th/7th graders; 9005001

disabled readers' phonetic/semantic deficits distinction; 8th graders; 9002367

discourse synthesis process; reading to understand/write concepts; 6th/8th/10th graders; 9005766

Dutch situational language use, H. Blok's Taal voor Alledag; feiten en utch situational language use, H. Blok's Idal voor Alledag; jetten en meningen over het taalgebruik van LBO- en MAVO-leerlingen in alledaagse situaties (Language for Every Day: Facts and Opinions of Language Use by Dutch Junior High School Students in Everyday Situations) outlined/critiqued; 9000171

elaboration strategy transfer, elementary/secondary non-learning-disabled/learning-disabled students; 4th/7th graders; 9007300

English as a foreign language teaching materials evaluation, communicative theory based model development/application; Republic of China junior high; 9002941

English as a second language instruction, native-speaker teacher use; Tokyo junior high schools; 9000365

English as a second language students' integration patterns/success, grade-level mainstream class; students aged 6-8/12-16; 9005395 expository compositions revision/quality, word processing use effects; 7th graders; 9000765 expository text comprehension, individual/teacher-directed/cooperative learning instructional methods effects; 7th graders; 9003179

expository text comprehension/retention; reading strategy direct instruction; 7th-grade students; 9007967

expository writing improvement, background knowledge increase effects; 9005737

expressive/explanatory/persuasive writing, personality type relation-ship; 7th/8th graders; 9000842

factual/inferential comprehension, pre-instruction vs previous experi-ence development effects; 5th/6th graders; 9003218

incidental word learning/word meanings derivation from context ability, instruction effects; 8th graders; 9005568

informational action books as special resources, middle-school level science/social studies concepts portrayal; 9003264

informational writing, instructional strategies' effects compared; 4th-/6th-/8th-grade students; 9003416

integrated whole brain instruction effect, student writing; 8th graders;

interactive pedagogical program/additive bilingual environment, Hispanic immigrant middle school students' response; participatory/quasi-experimental evaluation designs; 9000865

language experience approach, content-subject matter use, middle school; 9005609

language facility development strategies, middle school students;

language learning/policy hypotheses, English/French as a native language instruction; observations; Montreal middle school children, French immersion program; 9007528

literature instruction, whole language perspective strategies, student-initiated oral/written responses focus; junior/senior high school stu-dents; 9000587

literature predictability, children's preferences/comprehension link; 3rd-8th graders; 9000582

literature response, aesthetic/efferent stances use, age-level differences; 4th/6th/8th graders; 9008049

middle school reading program development, thematic units/individual reading assignments use; 9005537

mnemonic imagery use, science content information recall; above-/ below-average 8th graders; 9003317

mnemonic strategies use ability, individual differences; standardized/ experimenter-designed tests; 8th graders; 9000111

monitoring strategies development/use, good vs adequate readers; 8th graders; 9005651

mythology relevance/inclusion, junior high school language arts program; 9008017

narrative comprehension, story impression method; Degrees of Read-ing Power test; junior high school remedial reading students; 9007863

paper/CRT modality factors effects, reading rate/comprehension; 8th graders; 9000503

paragraph-writing skills improvement, metacognitive text structure strategy use, learning-disabled adolescents; 9002382 poor vs good middle-school readers, characteristics/deficits compared; 7th/8th graders; 9000712

reader response, experienced adolescent readers' author constructs; 9008032

reading achievement test performance, group size/examiner familiarity effects; junior high school remedial readers; 9000751

reading achievement/attitudes; sustained silent reading approach; reading/writing tests; 7th/8th graders; 9007920

reading achievement/birth order relationship; Metropolitan Achievement Test Scores; 7th/8th graders; 9005626

reading attitude achievement relation, Bast Los Angeles junior high school; lower-class Hispanic vs talented/gifted 7th graders; 9005601 reading comprehension monitoring; gifted 7th graders; 9003235

reading comprehension test achievement, test-wiseness/positive test motivation vs test-taking self-esteem awareness training influence; 8th graders; 9003355

reading comprehension, first- vs second-language prose; national cul-ture interaction/effect; Nigerian 7th graders; 9000717

reading comprehension, schema-related strategies effects; 8th graders; 9005577

reading comprehension, semantic/syntactic complexity effects, learning-disabled 7th/8th/9th graders; 9002354

reading comprehension, student-generated paragraph summaries effects; 7th/8th graders; 9005656

reading comprehension/composition/speaking/listening skills, wholistic reading technique effects; 6th/8th graders; 9007885

reading comprehension/vocabulary/attitude, repeated readings methods' effects; 5th-/6th-grade middle school students; 9003078

reading content, teacher questioning/student response interactions; 7th-grade social studies classes; 9005598

reading instruction practices, middle-level schools surveyed; 9003154 reading instruction, systems-based/integrated approaches effectiveness; San Francisco Unified School District elementary/middle schools; 9000629

reading motivation instructional methods, reluctant readers; 8th graders; 9005534

reading workshop development/implementation/effect, learning-disabled 6th-8th graders; 9005585

reading/communication arts integrated K-12 program development, Cincinnati schools; 9005555

reading/listening comprehension; sentence combining practice; 4th/8th graders; 9008006

reading/mathematics achievement/attitude, remedial 6-weeks summer school program effects; 4th-8th grade; 9003153

remedial readers' mispronounced words' characteristics: computerassisted analysis; junior high school students; 9008051

remedial reading instruction, computer networking system/guided practice effectiveness; middle-school students; 9005551

revision stage instruction, 8th-grade teachers' beliefs vs practices; case studies; 9008156

sensory experiences effect, 9th graders' understanding, selected poem's figurative language; 9000167

Spanish as a second language achievement/attitudes, educational me-dia effects; junior/senior high school classrooms; 9000362

spelling performance/self-assessment technique relationship, learning-disabled vs non-learning-disabled secondary students; 9007304

students' word schemas understanding; semantic regularities ratings; 7th/10th graders, undergraduates; 9007392

text comprehension, 4th-6th graders self-evaluation ability, three standards use; 9008075

text material content comprehension, audiotaped versions effects; 7th graders; 9000649

text structure/content schemata operation, isolation/interaction; 5th/7th/9th graders/adults; 9000725

TV viewing time/pleasure reading relationship, self-reported behavior, 11-to-16-year-olds; 9000559

US reading series complete cross-referenced index, kindergarten-8th grade; 9003274

visual approach as organizing framework, various discourse styles writing planning/execution; low-literacy-achievement 6th/7th graders; 9003441

vocabulary instruction as prewriting technique; 7th graders; 9000527 word processing/keyboard instruction effect, middle school students' compositions; 9005757

writing conference as collaborative literacy event; 9th-grade teacher-student conversations, discourse analysis/descriptive case studies;

writing instruction, alternative methods compared; Cherokee 3rd-8th graders; 9000783

writing quality/performance/apprehension/concepts/attitudes; writing collaboration; 7th graders; 9008164

writing scores comparison, California Assessment Program Direct Writing Assessment vs Writing Proficiency Test of Redlands Uni-fied School District, 1988; 8th/9th graders; 9005764

writing/self-monitoring strategies; pre-/posttests/student journals/ observations/interviews; learning-disabled 8th graders; 9009839

written composition curriculum, instructional procedure, middle grades use; 9003418

written expression, learning-disabled vs normally achieving 4th/8th/ 11th graders; 9002364

# Kindergarten

alphabet learning, kindergarten child's perspective; 9007841 beginning readers' linguistic retrieval/written words concept/naming ability, developmental course; kindergartners/1st graders; 9003300

bilingual students' oral language/academic proficiency relationship as-sessment, Woodcock Language Proficiency Battery; 9003466

child bilingualism, Italian kindergartens, mixed (Italo-Croatian) mar-riages; 9008175 child's theme sense development, narratives; literature familiarity role,

age differences; kindergartners/2nd/4th graders; 9002524 child's written meaning creation, kindergarten/1st-grade Hispanic mi-grant children's compositions; 9005546

children's literacy achievement, parents'/teachers'/principals' roles; middle- vs lower-class background influence; 9005513 classroom library reading, kindergarteners; 9003178

communicative inequality; native Indian/nonnative children, cross-

cultural kindergarten class instructional dialogue; 9006302 composition instruction, inner-city elementary school, effective conditions; descriptive study; 9008121

elderly treatment, children's fiction books, primary grades, 1960-1972/1973-1986; content analysis; 9005646

emergent literacy, recent research; traditional kindergarten writing limitations, current recommendations; 9000473

English as a second language instruction, Russian kindergartners; methodology/activities, personal experience; 9000179

English negatives acquisition, St. Lucian French creole speakers; kindergartners; 9000441

expository text reading, students' predictive questions/teachers' pre-questions, cognitive levels; kindergarten-5th grade; 9000667

kindergarten readiness/admittance criteria, chronological age vs developmental ability; 9005515

kindergarten reading acquisition, teachers' conceptual frameworks/ instructional behavior relationship; reading profile/observations/ interviews; 9007874

kindergarten reading program, learning environment establishment framework; 9003125

kindergarten reading programs testing practices, developmental vs academic tests; 9000744

kindergarten reading success program development/approach/ application/objectives, Durham, North Carolina; 9007837 kindergarten teachers' communicative behavior, typical features/

characteristics; 9006916 kindergarten writing program description, literacy growth continua-

tion; 9000811 kindergartners' emerging literacy; daily self-generated writing/word processing/phonics instruction; pre-/posttests/Rating Technique for Early Attempts to Rate Stories/Metropolitan Readiness Test;

kindergartners' oral reading performance/attitudes, beginning reading programs' effects; 9003067

kindergartners' print concepts attainment, specific read-aloud strategies effects; 9003062

kindergartners' reading/spelling/writing performance; Writing to Read program; Atlanta, Georgia; 9008162

kindergartners' writing skills, guided imagery effectiveness; 9000815 kindergartners' writing/reading performance relationship; California Achievement Test; 9007843

language experience approach/invented spelling integration, kindergarten; 9007878

language skills, normal/language-impaired kindergarten/1st-grade English-Spanish bilingual children; 9004796

language-use differences; recordings; mono-/bilingual Dutch 4-/5year-olds; 9007442

letter naming ability development, critical/transitory importance; kin-dergartners/2nd graders; 9000739

lexical development, written context learning; kindergartners; 9002499 listening comprehension improvement, structured listening activity use; kindergarten-grade 3; 9003103

literacy development/social interaction relationship; kindergarten students; 9007875

literacy instruction/learning, kindergarten classrooms' social/linguistic environments; naturalistic study; 9000472

literacy-related behavior development, classroom exercises/ experiences; kindergarten classroom; 9000471

literate behavior, pretend play episodes; children aged 4/5; 9003071 metalinguistic awareness tasks, kindergarten-aged stutterers' vs nonstutterers' performance; 9004766

metalinguistic sentience, gifted kindergartners/1st graders; ethno-graphic study; 9000023

Missouri Kindergarten Inventory of Development Skills, 1st-grade reading achievement prediction inability; 9008097

native-language learning, "incidental teaching" procedure use; teacher training, appropriate communicative responses; kindergarten teacher; 9000152

phoneme awareness tests' reliability/validity/relative difficulty; kindergartners; 9002423

phonics meaningful/functional instruction, invented spelling activity; preschoolers, kindergartners; 9000626

phonological deficiencies role, developmental reading problems; kin-dergarten/1st grade; 9002372

preschool literacy/writing development/strategies; longitudinal study; kindergarten-grade one; 9005659

preschool/kindergarten friends vs acquaintances interaction, gameplaying situations; 9006908

print awareness development, three instructional approaches effect; kindergartners; 9007844

print literacy development, kindergartners' word processor use;

punctuation marks use/distribution, kindergartners; 9000789 reading achievement, Head Start participation effects; longitudinal study; kindergarten-6th grade; 9003191

reading achievement, kindergarten screening as predictor reliability/validity; 9007842

reading aloud, traditional vs modeled approach, children's responses; enlarged texts use; kindergartners; 9000505

reading instruction, high risk beginning readers; students' taperecorded oral story renditions, enlarged text compilation result; 9005623

reading instruction, kindergarten level, Georgia; 9007848

reading problem screening/identification, SEARCH utilization; kindergartners, 1st/2nd graders; 9002414

reading readiness skills development, phoneme segmentation training effect; kindergartners; 9005505

reading readiness, phoneme segmentation training effects, kindergartners; 9000485

reading/writing instruction methods, sound analysis vs writing fundamentals; Russian kindergartners; 9005727

reading/writing instruction, whole language approach, writing-to-read system introduction impact, kindergarten classroom; 9005736

reading/writing integration, daily curriculum; anecdotal reports; kin-dergarten-4th grade; 9002641

rudimentary second-language exposure/pre-reading disposition/ metalinguistic aptitude, cognitive relationships; Spanish kindergart-ners/1st graders; 9002458

school readiness, social/educational/linguistic factors influence; ecological perspective; preschool Hispanic children; 9000069

sex role perspectives, children's writing; kindergarten/1st-/2nd-/3rdgrade students; 9008134

storybook reading, kindergarten teachers' instructional methods, fa-cilitative characteristics, child's literacy development; 9005572

students' writing abilities; teacher training; experiments; kindergartners-11th graders; 9008115

sustained silent reading program modification, kindergarten/1st-grade use; 9000574

text comprehension, inference role; age/knowledge differences; causation descriptions; kindergartners, 1st/2nd/3rd graders; 9007398

Thiberge Picture Test calibration, young children's language conditioning assessment; native French-speaking/immigrant kindergartners; 9005509

US reading series complete cross-referenced index, kindergarten-8th grade; 9003274

whole language program, teacher's role, direct/indirect instruction model; oral/written language development, high risk kindergartners-2nd graders; 9005612

word recognition instruction, bigrams use, high/low segmenters; kindergartners; 9007978

word-retrieval process/reading acquisition/development, bilingual kindergarten to 4th-grade average/impaired readers; 9000867

writing products/behaviors, kindergarten children; 9008136 writing/literacy learning, social processes/individual strategies; kinder-gartners; 9000786

writing/reading instruction, computer enhancement, kindergarten classroom; 9000550

written language functions awareness, kindergartners' perceptions/ reading readiness relationship; 9003074

Chinese character-based writing systems simplification, East Asia; designs' linguistic effects; 9004369

comprehension process levels distinction, dynamic model, English/ Korean examples; 9001434

computer-aided Korean language processing, parser-generator/ grammar description; 9009080

donkey sentences/specifier binding sentences explanation, Korean quantifying sentences data; 9008444

English-Korean grammatical crossovers proliferation; Englishlanguage instruction influence, Korean students; 9004149

English/Korean relative clauses crosslinguistic acquisition, linguistic iconicity as constraint; Korean grade school bilingual children; 9000156

English/Korean temporal variables, cross-linguistic/developmental/ native/nonnative analyses; 9006634

English/Korean textual coherence, students' argumentative writing; 9003386

German vowels, continuous vs categorial perception; sound identifica-tion/discrimination tests; native German/Korean learners of German; 9009750

Hanguel, Korean writing system organization/function; 9006873 Japanese/Korean phonological comparison, J. B. Whitman's contribu-tion: 9004102

Korean ascension constructions, rule characterization; relational grammar framework; 9003597

Korean case markers' behavior/deletability, degree analysis, lexical/ grammatical conception weight degree; 9008456

Korean case markers' morphological status, postpositions compared, bound words/inflectional suffixes distinguishing criteria use; 9001225

Korean children's complement phrasal constructions acquisition, syntactic/semantic characteristics, theoretical implications; spontaneous speech data; children aged 1:5-3:0; 9000073

Korean declarative intonation, acoustic features, fundamental frequency declination hypothesis basis; Seoul dialect speakers; 9007163

Korean derived words, analysis problems; 9008626

Korean double subject constructions, marked case assignment, morphosyntactic characteristics; 9001050

Korean honorific speech behavior, speech levels organization; rural village, Korea; 9009496

Korean immigrants, US, language maintenance/assimilation efforts; 9008173

Korean ku 'he'/kaya 's/he' distribution, binding theory/logophoricity notion framework; 9008390

Korean lexicon, phonological/morphological structure, glottometric analysis; 9008338

Korean long-distance anaphors binding, cross-linguistic implications; 9008544

Korean periphrastic causative/purposive constructions relationship, W. A. Foley's/R. D. Van Valin's clause linkage theory basis; 9006429 Korean phonology; social variables; questionnaire, interviews, recordings; Korean speakers; 9009469

Korean phrase structure grammar, restricted syntactic framework; 9006061

Korean processive/descriptive verbs differences, definition criteria/ classification; 9008462

Korean psych constructions, relational grammar vs government-binding theory approaches, advancement vs retreat analyses; 9006036

Korean psych-adjective sentences, subject determination/grammatical function analysis problems; 9008449

Korean restructuring phenomenon, auxillary verbs; universal grammar principle/parameters theory explanation; 9006359

Korean scrambling/acceptability phenomena; 9008463

Korean sociolinguistic studies review, 1970s-1980s; 9009484
Korean speech, "deference/politeness" terms, sociolinguistic use discrepancies; 9009440

Korean suffix-like dependent forms, syntactic derivation process; 9008620

Korean tense/aspect, tense/event time distinguished; 9001109 Korean voice formation types, causative/passive constructions correlation; 9006085

Korean word order/scrambled sentences, A. Ojeda's multidominance structure description; 9006347

language socialization process, wh-questions acquisition, Korean children aged 1:8/1:10; 9004412

language/style acquisition, sociolinguistic perspectives; Korean children; 9002519

lexicon organization model, head-driven/generalized phrase structure grammar, English-Korean machine translation system application; 9008828

Middle Korean Ch'ong-Won constructions, interfering meanings; 9006168

natural language processing, Korean research/trends; 9009073 North Korean government language policies' characteristics; historical analysis; 9009523

North vs South Korean language use, evolutionary reasons/ mechanisms; 9009453

paragraph recursion, grammatical hierarchy context/natural texts use; English/Korean short narrative texts analyzed; 9003880

phonological theory proposal, unification-based grammar formalism, Korean phrase structure grammar approach; 9008312

Russian/Korean vocabulary, N. P. Matveev's 1900 Reference Book to the City of Vladivostok; dialects' phonetics/phonology; 9006828 sentence pairs controller choice contrast; obliqueness hierarchy, Keenan's/Comrie's accessibility hierarchy basis; English/Korean examples; 9006417

Soviet Korean language description; Korean immigrants, Leningrad; 9008935

stop consonant voicing contrasts, Japanese/Korean/Burmese/Thai/ Hindi; 9008365

subject-to-object raising analysis, S'-deletion alternative refuted, Korean evidence; 9006360

supralaryngeal categories modification, supralaryngeal element elimi-nation; laryngeal specification/Korean neutralization/laryngeal sourcing/Icelandic preaspiration examples; 9003554

word order/agreement interaction, generalized phrase structure gram-mar predictions; Tamil/Korean data; 9006397

word recognition, nonalphabetic writing systems; literature review;

# Labov, William

discourse analysis, sociolinguistic methods application; Brazilian Portuguese political report, quantitative Labovian analysis; 9006261

French as a second language, Portuguese students' story-telling ability; narrative analysis, W. Labov's/J. Waletzky's framework; 9002668 French phoneme /R/ optional deletion, parce que 'because'; working-class French children aged 10-12; 9004671

Language and Culture

aboriginal learning styles, neurological relationship possibility, B. Ed-wards's right-brain cognition/learning modes basis; 9007503 Abouré (Ivory Coast) community language/culture, war lexicon;

language role, immigrants' lives; native German speaker's personal experiences, US; 9005417

language socialization process, wh-questions acquisition, Korean children aged 1:8/1:10; 9004412

language teaching, dictionaries' more active role envisioned; 9000311 language teaching/learning, current issues/future perspectives, terminology/attitude changes; 9000248

language variation, cultural dimension; sales talk, Japan vs US; 9007007

language, comparative studies ethnic dimension, language featuresnation's character correlation, P. Buijtenhuis's thesis rejected; 9006638

language-learning trips, authentic/enriching language/culture interactions; 9007696

language/culture relation reference, A. Meillet's Indo-Europen research/ethnolinguistics influence; E. Benveniste's opposing positions; 9001525

language/culture relationship; annual LEND conference report, Urbino, Italy, 1989; 9005145

language/discrimination issues, roundtable discussion; 9008207 language/ethnicity, socio-psychological issues integration, Jewish educational context; Jewish Ethnodynamic Questionnaire; 9006964

language/gender research problematics; speech vs silence role; 9006966

language/ideology relationship, J. Haider's political speeches, discursive/rhetorical strategies; 9006257

language/ideology relationship, lexicographic word representation, East German Wörterbuch der deutschen Gegenwartssprache (A Dictionary of Contemporary German) editions compared; 9001902

Dictionary of Contemporary German) editions compared; 90019 language/literature/culture relationship, modern society; English/ German/Romance linguists/philologists meeting; 9001567

language/policy/gender, Rwanda cooperative; social equality progress/obstacles; 9004508

language/politics, anthropological approaches; 9004477

language/socialization relationship, male-centered expressions use, female experience trivialization; observations, child's behavior/ converstion; 9002539

learning styles, different perspectives integration, cognitive/ perceptual/cultural elements; 9007371

legal texts' sexist/nonsexist language content; British vs American textbooks; 9004492

library materials, cultural pluralism representation importance/ demand; 9003283

limited language proficiency effect, school performance; 9005289 lingua zerga origination/use, 16th-century Italian plays use; 9004596 linguistic normalization process, Catalonia, Spain; elites' attitudes survey; 9004494

linguistic politeness, neglected universal aspects; P. Brown's/S. Levinson's principles questioned; Japanese evidence; 9001277

linguistic subcultures as linguistic integration expression, rural/urban societies, Bucharest; 9002102

linguistic-cultural behavior differences, pedagogical implications; 9004452

linguistic/cultural competence stimulation, foreign-language classroom; authentic documents use; 9005229

linguistic/cultural identity relationship, Yugoslav youth, Sweden; questionnaires; 9009459

listening/reading comprehension measurement, sentence verification technique, developing countries; 9005714

literacy approach, tribal colleges, Native American community; 9007894

literacy as social process/issue, Kaingang Indians, Guarapuava, Paraná, Brazil; Portuguese/Kaingang oral/written functions/uses; questionnaires, observations, interviews; 9005526

literacy crises, print-to-electronics transition destabilizing effects; 9001348

literacy education, Ivory Coast, educational/cultural goal restructuring; 9009539

literacy instruction, Third World, P. Freire's approach applicability; interviews; adults, Dar-es-Salaam, Tanzania; 9009450

literary social conflicts, descriptive/explanatory model sketched; 9009598

literary text comprehension, foreign experiences processing; high school students' literary narrative reception analysis, cognitive processes: 9000711

literary texts production encouragement, native African languages; linguistic/cultural traditions preservation; 9004601

literary translation problems, O. de Andrade's Serafim Ponte Grande Italian edition; 9005852

literature interpretation, East-West comparative poetics viewpoint; 9009585

Mande jugu 'bad'/nyi 'good' uses/interpretations; 9008583 manipulative language use, Gdańsk Nazi newspapers' anti-Polish vocabulary; 9007003

Maori language use, New Zealand educational system, Te Reo O Te Tai Tokerau project; 9003485

Mayan-Kaqchikel ethnomedicine, Tecpán, Guatemala; native speakers' knowledge questionnaire; Mayan language/culture preservation measures; 9002087

minority language preservation, historical/cultural considerations, Sauris German (Italy); 9009417

modern-language instruction increased popularity, European market unification; teaching methods/curricula restructuring, GB; 9005247 Mong subdivisions, linguistic/cultural differences; Njua translation debate: 9006513

mother tongue education, South Africa; English vs Afrikaans/Zula (Niger-Kongo) use; 9004490

mother-tongue maintenance, language competence/use; Lebanese immigrant children aged 10-11, Melbourne, Australia; 9000880

multicultural reading instruction, necessary schema establishment importance, advance organizer use; 9003166

multiculturalism task force, Saskatchewan Council of Educators of Non-English Speakers briefing; 9007694

multinational Englishes use, second-language instruction; Japanese learners; 9000319

naming, persons/places/businesses/products; related topics, current trends; 9004225

narrative construction styles, linguistic/educational implications; psycholinguistically relevant structures; 9003822

national development/cultural identity, translation/language training role; Zaire; 9009526

nations/nationalities problem, linguistic studies relation, A. Meillet's biased conclusions; 9001486

Newari/Nepali (Tibeto-Burman) languages, native speakers' attitudes/reactions, government policies; N. Suwal interviewed; 9004528

nicknames use/derivation, American female vs male blues singers; 9001830

Nigerian English lexico-semantic variation causes/types, sociolinguistic framework; international intelligibility, communicative strategies; 9001781

North American Indian culture history speculation, E. Sapir's six phyla classification impact; 9006458

North Korean newspapers' cultural language characteristics, linguistic analysis; 9006942

Old Russian language/culture study, M. Velikiy's 11th-century.gospel; 9001661

oral reading behavior, culturally familiar/nonfamiliar expository texts; Miscue Analysis Profile/Reading Miscue Inventory; Iranian English as a second language readers; 9008048

Papua New Guinea English, Post Courier birthday notices, sociolinguistic analysis; 9002066

personal experience narratives, quantitative analysis; Nahuatl/ American English speakers; 9009438

phraseology, culture-specific nature, German/Hungarian material; 9009300

Polish emigrés' ethnic identification/language/values; Rokeach Value Survey; Great Britain/Tasmania; 9002064

politeness strategies, Japanese/American perceptions; 9008683 political diglossia, social-attitudes expression, Poland; 9009498

political discourse analysis, lying/deception as language game/ communicative right; 9006290

political discourse/public language use, conference report, Düsseldorf, 1989; 9008679

political metaphors, apartheid ideology vs other rhetorical communication; 9002054

political vocabulary, Buryat pre-Glasnost Soviet minority; 9004484
Polynesian/South American linguistic parallels, Easter Island evidence; 9009353

Portuguese Americans, language/culture maintenance; education/ church/mass media/cultural organizations role; Ironbound community, Newark, NJ; 9002097

preschool multilingualism, second-language learning as cultural learning, paedolinguistic approach; 9000868

preschoolers' oral conversational language, written texts formalized language relation; D. Olson interviewed; 9003257

Proto-Indo-European, pre-Indo-European substratal linguistic/cultural influence; 9009247

Québécois language role, French Canadian culture portrayal, theater environment; translation problems/politics; 9006953

reading comprehension performance, cultural schemata influence, able vs less-able English as a foreign language 12th graders, Thailand; 9000737

reading primers preparation, non-Western cultures' learning styles importance; Sabaot (Nilotic) example; 9008045

reading, culturally based assumptions/attitudes, English as a second language/bilingual education implications; 9007588

reading, pleasure vs utilitarian purposes, dualistic social implications; 9003204

register role/significance, Spanish-English bilingual legal setting; interpreted testimony, evaluative reactions; 9002042

rhetorical tradition lack, Germany, causes; contemporary parliamentary speeches success; 9001285

Russian as a second language listening proficiency development, listening comprehension exercise network (LCEN) use; 9002879 Russian phonetic nature, historical/cultural aspects; 9004021

schizophrenic text, context-independent construction/interpretation,

Japanese context-dependent interpretation, Japanese context-dependent interpretation compared; 9006305
Scholastic Aptitude Test, Hispanics' differential item functioning, language/cultural characteristics/explanations; 9004512

second-language acquisition, culture transfer; English-stated theme poster development; Indian female college students; 9003027 second-language instruction, error correction evaluation/attitude, cultural differences; Chinese/German undergraduates; 9002797

second-language learning, acculturation social/affective variables; questionnaire/interview; adult Iranians, Washington, DC; 9007762

second-language learning, intercultural myths dispelled; 9004456 second-language learning, student motivation/cultural perceptions re-lationship; 9002724

second-language teaching, "culture/communication" relevance, defini-tion/typology; intercultural/interethnic/exolinguistic communica-tion; 9000340

second-language testing, culturally unbiased tests; Certificate in Dutch as a Second Language; 9003041

Semitic/Persian languages/cultures, Indic influence, Sanskrit "sugar" words infiltration; 9001642

sex dialects/stereotypes effects, speech evaluations; natural male-female conversations recreated; 9002070

Slavic linguistic nationalism, sociolinguistics role; 9002122 Slavic literary languages codification, Italian Trecento model;

Slavic nationalism/linguistic purism relationship; 9002100

Slovak Studies yearbook, Slovak/Italian culture/literature contribution; 9008902

Slovene vs German language preference, cultural consciousness/ nationalism feelings influence, southern Carinthia, Austria; 9002083 social contexts/routine formulae relationship; Public Accusation Meeting/general greetings; People's Republic of China Cultural Revolution; 9009444

social reality construction, language's role, social science research/ theory; gender/class/race discussions; female youth group members, England; 9004470

socio-cultural linguistics; C. E. Osgood's selected papers; 9006988 sociolinguistic differences, minority language militants vs nonmilitants; ethnographic approach; Breton speakers; 9004500

sociolinguistics history, China; 9006956

Sorbian languages promotion/advancement, East Germany; 9002127 Soyinka, W., narrative devices/African views; 9009589

Spanish as a second language instruction, recipes use, vocabulary/ geography/culture learning; 9002838

Spanish language overview, phonological characteristics, French/ Italian compared; 9001774

Spanish language, Ecuatorial Guineans' attitudes; 1983 vs 1988 survey results; undergraduates; 9002084

Spanish-language maintenance, West Liberty, Iowa, Mexican community; ethnographic observations/informal conversations/ questionnaire; native Spanish speakers; 9002109

Spanish-language use features, transferring/code-switching/modeling, first- vs second-generation Cuban Americans; 9002078

special texts, contrastive analysis, culture/paradigm/language/ discourse relationship; German/English/Russian/Finnish sociologi-cal texts; 9008748

specialized language teaching, business German, culture-/style-specific features; 9000192

speech analysis, Japanese vs American mother-infant dyads; video-taped interaction; 9009383

speech/social relations, Zinacantán region, Mexico; monolingual Tzotzil vs Tzotzil-Spanish bilingual speakers; 9006969

spoken/written discourse, black college students/black peers/white re-searcher; interviews/letters/essays; 9002041

Standard English instruction, class/cultural background bias; 9005108 standard/prestige use survey, terminological confusion, English/ Canadian English general description; 9001801

student visit planning, language teachers' ideas, ethnographic princi-ples; France; 9002700

text linguistics/translation science relationship; 9008745

text, cultural elements translation procedures/strategies; 9005873 Thai narrative discourse, meaning sources; grammatical/rhetorical/ sociocultural perspectives; 9006275

Thai students' communication/social difficulty, cultural adaptation process, US; 9006975

translatability, linguistic relativity hypothesis critique, language/ culture/cognition relationship; 9008289 translating process/product loyalty, phrastic/subphrastic/transphrastic language levels influence; 9005855

translation as cross-cultural event, contemporary German translation studies reference; S. Rushdie's Midnight's Children English/ German translation; 9005908

translation errors, subject-thematic ignorance cause, German newspaper/detective stories; 9008242

translation intercultural problem, special-language texts, macro-/ microlevels; 9008264

translation quantification, scientifically based methods need, cultural equivalence importance; 9005916

translation studies, cultural dimension integration; 9005910 translation theory, unanswered theoretical questions logocentrism;

translation's psychological, social, ideological aspects; 9005854 translation, bilingual equivalence dictionaries' inadequacy, crosscultural dictionary compilation considerations; 9008246

translation, underlying cultural framework importance; 9008268 translation/culture interaction, Romanian history, 14th century-present; English works translation effect; 9000886

translation/intercultural communication, Translation und interkultu-relle Kommunikation (Translation and Intercultural Communication) reviewed; 9008212

translator training, cultural competence teaching importance, German as a second language instruction curricular models; 9008211

translator training, cultural competence teaching importance, secondlanguage vs translator didactics; 9008303

Trubetzkoy, N. S., 1233 article reprint; 9008900

Trubetzkoy, N. S., K probleme russkogo samopoznaniya (On the Problem of Russian Self-Knowledge) chapter reprint; 9008899

typography/language/thought interrelations, association web; 9004379 Weltanschauung/language relationship, French/Bulgarian existential idioms comparison; 9009046

Wolof (Niger-Kongo) indexifiers, speaker/hearer proper distance establishment; 9006190

women's language characterization, minimal response/hedge/tag ques-tion usage; all-female natural conversations; 9009411

word/concept/text relationship, Arabic wajan 'fatherland' political-ideological connotations; 9003873

writing invention/numerical concepts development, Sumeria; developmental psychology implications; 9006881

Yiddish maintenance/American Jews' identification interrelationship, South Philadelphia; 9002081

Yugoslavia national languages role, regional tensions; 9009458 Zaire national languages promotion, Church of Christ; 9009529

Zimbabwean newspaper editorials, text/reader power relationships es-tablishment/maintenance, lexico-grammatical/discourse features contributions; 9009390

Language Diversity

Arabic fruit designations diversity, climatic/historical/geographical factors/commercial contacts; 9004230

Canadian Northwest Territories' cultural/linguistic diversity, translation/interpretation problems; 9008279

English varieties, multilingual setting, Nigeria; social/diatypic/ geographical varieties; 9004172

English-only movement, instruction/language policy implications, language minority students; language diversity politics, cognitive/linguistic/cultural factors relationship; 9000869

language diversity preservation, Europe; A. Decaux's opinions; 9003495

language unity/diversity, Nigeria's language policy; conflicting objectives/ideological motivations/orientations; 9004529

language/ethnolinguistic diversity/bilingual education status, Britain;

languages' relatedness, A. Meillet-H. Schuchardt debate; 9001480 linguistic normalization process, Catalonia, Spain; elites' attitudes survey; 9004494

literary text comprehension, foreign experiences processing; high school students' literary narrative reception analysis, cognitive processes; 9000711

# Language Laboratory

English as a foreign language instruction, language laboratory uses; 9002834

English as a foreign language instruction, visually impaired students' laboratory use; 9007695

German as a second language, perfect participle formation difficul-ties/errors; language laboratory data; 9000188

German foreign-language instruction, educational technology/objective testing procedures stagnation; 9005196

language laboratory technology uses, articulation facilitation, high school/college language-teaching programs; 9005284

language-teaching methods/materials evolution, 1940s-present; technological devices overuse/potential; 9005314

second-language instruction, language laboratory use; 9002885 second-language instruction, traditional/modern methods, technological media use; 9007726

### Language Pathology

acoustic relative timing measures constancy, stutterers'/nonstutterers' fluent utterances; 9004819

acquired dyspraxia remediation, two treatment techniques compared; 9007267

acquired vs developmental stuttering definitions/etiologies/treatments; written questionnaires, telephone interviews; speech-language clinicians; 9009775

active/passive structures comprehension/production, Greek-speaking agrammatic aphasics; picture-/sentence-matching task; 9004787

acute lymphoblastic leukemia vs nonneurologically impajred children's language abilities; 9007262

agrammatic aphasics' comprehension deficit, cause hypotheses evaluated; trace deletion hypothesis supported; 9002331

agrammatic aphasics' sentence comprehension, syntactic/semantic contributions; A. Caramazza's/E. Zurif's semantic constraint hypothesis supported; 9002347

agrammatic patients' language deficits, pragmatic linguistic perspective; case study; 9002322

agrammatism/interlanguage analogy, logical morphology/syntax reduction; 9004809

agraphia patients' language accessing, hemiplegic writing use; reply, earlier observations; 9009761

Alzheimer's disease, linguistic/nonlinguistic writing impairments; fluent aphasics compared, paralinguistic performance differences;

Alzheimer's patients' auditory comprehension, speech rate/syntactic complexity effects; statistical analysis; 9007284

Alzheimer's/Huntington's disease, associated category fluency deficits compared; 9002351

Alzheimer's/Huntington's/Parkinson's disease differentiation, verbal learning characteristics basis; 9007265

Alzheimers' patients' language use communication breakdown; interaction examination; longitudinal study; 9009768

American English vowel system development, normal/phonologically disordered children; females aged 3:8/4:2; case studies; 9009796

anatomical correlates, dizygotic twins aged 4:9; atypical left-right peri-sylvian configurations, elevated gonadotrophic hormones level influence: 9002614

anomia, moderate aphasia; lexical representation access problems, af-fected psycholinguistic process; 9002336

anorexia nervosa patients' spontaneous language peculiarities, form/substance; 9004799

aphasia diagnosis, response analysis use, confrontation naming;

aphasia profiles/language recovery, non-right-handed vs matched right-handed patients; 9007235

aphasia typology/lesion location/lateralization, native Chinese-speaking stroke patients; 9007252

aphasia, bilinguals/American Sign Language signers; neurolinguistic processing theoretical model implications, literature review/ synthesis basis; 9009765

aphasia, current standardized formal tests vs alternatives; 9007241 aphasia, H. Grashey's/C. Wernicke's contributions translations;

aphasia, isolated orthographic disorders occurrence rarity; language type/attentional deficits role; 9004806

aphasic adults' naming performance, stimulus color effect; 9007285 aphasic Janguage disability treatment, neurobiological contributions;

aphasic language, linguistic/neurolinguistic research results; 9004771 aphasic patients' gestural communication, rehabilitation, three case studies; 9002339

aphasic speech production, quantification system development/possible applications; 9002344

aphasic word processing, cognitive neuropsychological case study; 9004785

aphasics' cueing responsiveness, grammatic class/cue type effects; verbs'/nouns' retrieval mechanisms/lexical organization differences contribution; 9004794

aphasics' naming difficulty differences, fluent vs nonfluent patients' confrontation naming/picture description tasks; 9009751

aphasics' paragrammatisms, syntactic disturbance vs control break-down; B. L. Butterworth's/D. Howard's hypothesis; 9007261

aphasics' pragmatic factors/patterns of reference retention ability, cross-linguistic generalization; picture task, interview; English-/ German-/Italian-speaking Broca's/Wernicke's aphasics; 9009799

aphasics' responses, Wh-questions; difficulty hierarchy; 9004808 aphasics' word retrieval, picture/word matching tasks facilitative use; case studies vs group study; 9009776

aphasics, clinical profile/treatment, normative grammatical categories counts use; 9009790

aphasiology, A. R. Luria's model/views; 9004751

aphasiology, A. R. Luria's taxonomy/other widely used classifications coincidence; 9004815

apraxic/conduction aphasic sentence production, speech rate/ absolute/relative timing effects; R. D. Kent's/M. R. McNeil's study replicated; right-handed adult males; 9004798

articulation disorders, school intervention, speech-language pathologists'/teachers'/children's roles, classroom/intervention settings, children's perceptions; 9004914

articulation/phonological disorders, textbook; 9002323

articulatory responses, articulation-disordered children, two articula-tion tests compared; 9007271

auditory brainstem responses, stutterers vs nonstutterers aged 15-36;

auditory comprehension impairment, aphasics; array size/picture re-latedness/situational context influence; 9009782

auditory/phonetic memory use, normal aging effects; identification/ discrimination/anchoring tasks; undergraduates, individuals aged 55-70; 9002454

autism condition, missing I/pronoun reversal distinctive feature; 9004792

autism, diagnostic criteria overgeneralization, developmental dyspha-sia/Asperger's syndrome misclassification; 9004757

autism, neurological treatment scope; 9004797

autism, theory of mind hypothesis evidence outlined/evaluated; reply; 9004758

autistic children's expressive language behavior, multilingual context, India: phonological/syntactic aspects, specific/isolated/salient features; males aged 5/6/11; 9004762
autistic children's language comprehension difficulties, specific vs interacting cognitive deficits; 9004795

autistic children's speaker-addressee personal pronouns use/ comprehension, normally developing/mentally handicapped children; 9004789

autistic children's spontaneous speech frequency/diversity improve-ment, functional/semantic language intervention program; mildly/ severely retarded males aged 4-16; 9004911

autistics' specific language/communication impairments, nonspecific impairments contrasted; 9004774

basal temporal language area characterization, left temporal lobe epi-lepsy patients; 9005084

behavioral language therapy development, severely developmentally disordered children; sign/other augmentative language systems use indication; 9007091

bilingual language processing, language/memory deficits, left thalam-ic/temporal regions lesion patient; Dutch-English bilingual 18-yearold female; 9007287

bilingual/polyglot aphasia assessment, tests' validity, comparative evaluation; German-English emphasized; 9002422

bilingualism, acquisition/maturity/loss aspects; 9005807

bizarre/intermingled speech, impaired self-monitoring relationship; psychiatric patients; 9004791

body part names auditory comprehension, body awareness visuo-spatial tasks relationship; verbal tests; female/male aphasics aged 54-75; 9004753

Boston Naming Test/The Word Test, normal males' performance implications, aphasic individuals' diagnosis; 9009758

Broca's aphasia patients' metalinguistic judgments ability; linguistic rule usage violations, semantic/syntactic domains; white agrammatic/normal speakers aged 33-78; 9007283

Broca's aphasia, adaptation/impairment symptoms correspondence;

Broca's aphasics' language reception/comprehension failure sources, competing hypotheses; 9002346

Broca's aphasics' speech evaluation, post-therapy, intensive/non-intensive periods; 9002324

Broca's area aphasia, functional systems construction; operculum/ lower motor cortex lesion cases; 9007233

calculation disorders, A. R. Luria's model reviewed; 9004778

categorization skills, goal-oriented ad hoc vs common categories access/organization; aphasic adults; 9004784

child language development facilitation, child-related professionals handbook; 9007356

child language disorders, assessment/therapy textbook; 9002335 child language impairment, cross-linguistic perspective; 9004999 child-onset aphasia, linguistic/nonlinguistic functions, long-term aspects; 9007288

children's spoken/written language, impairments/delays types/causes; 9002328

Chinese tones production, esophageal speaker; perceptual/acoustic characteristics; 9002332

cohesion, schizophrenic narratives; S. Rochester's/J. R. Martin's cohesive ties categories modification; 9007242

communication disorder, Renaissance Italy; H. Mercuriales's unreported case study; 9007291

communication disorders development, at-risk infants/toddlers identification/intervention; 9007354

communication disorders, international perspective; 9004777 communication skills assessment methods, language-impaired adults; observational assessment, elicited conversation, formal language task; 9007248

communication theory, language/mind/society relationship; 9009476 communication/language skills deficits, fetal alcohol syndrome children aged 4.5-9.5 vs nonverbal cognitive ability-matched controls; quantitative/qualitative performance differences; 9007236

communicative coherence deficiency, remedial therapy program; child aged 5:2; 9002333

communicative competence assessment instruments, cultural bias reduction; C. S. Simon's Evaluating Communicative Competence: A Functional Pragmatic Procedure reviewed; 9007342

communicative competence measurement, severely communication-impaired persons; theory-based instrument initial validation;

component times analysis, word-finding difficulties, picture-naming tasks; language-impaired children; 9004813 computer literacy skills development curriculum, language-disordered

preschoolers; 9007346

concept formation, nonverbal categorization tasks; brain-damaged aphasic/nonaphasic patients; 9004783

conduction aphasics' between-word speech errors, exchanges/shifts/ copies; 9007264

connected speech disfluencies reduction, self-monitoring strategy use, mildly aphasic individuals; 9004821

constructional apraxia meaning, A. R. Luria's findings significance;

conversational behavior, semantic-pragmatic-disordered children aged 8-12; inappropriate utterances characterization; 9007238

conversational charactristics, semantic-pragmatic-disordered children; quantification method reliability/validity; 9007232 conversational remarks pragmatic interpretation, right hemisphere damage effects; 9007263

conversational skills, closed head injury patients; patient/speech-language pathologist interactions; 9007278 corpus callosum involvement, cerebral lateralization; dichotic listening task; callosal agenesis/callosotomized/hemispherectomized patients;

developmental articulatory dyspraxia, Milloy Assessment of Praxis va-lidity; original/subsequent experiments; children; 9009778

developmental dysphasia, grammatical characterization; German children; 9002326

developmental language disorders, grammatical analysis; LARSP procedure, Dutch-language adaptation; morphosyntactic patterns, specific language-disordered/hearing-impaired/Down's syndrome children; 9007240

developmental phonological disorders/normal speech development; 4year-olds; 9009767

deviant language emergence, Fragile X/Down syndrome/autistic males; conversational analysis; 9007315

differential language recovery, bilingual patient; selective amytal test; case study; 9009752

dysphagia program development, Akron City Hospital; testing methods, management programs development; 9002413

dysphagia treatment, speech-language pathologists' involvement; course outline presented; 9002404

dysphagia treatment, speech-language pathologists' special problems/

challenges; 9002412 dysphasics' behavior, computer/conventional therapy environments; 9009772

dysphonia, 77-year-old male's abrupt onset, initial misdiagnosis reasons; 9007234

dyspraxic speech, hearing-impaired vs normally hearing children; lon-gitudinal study; 9007282

echolalic children's language acquisition; naturalistic intervention program; 11-year-old child; 9007423

emotional prosody, neurodevelopmental differences; normal vs right/ left temporal lobe partial complex epilepsy children; 9004764

expressive language therapy; acoustic amplification; mean length of utterance/attention span measures; language-impaired preschool children; 9009738

fluent aphasia, B. Butterworth's/D. Howard's grammatical errors incidence explanation tested; case study; Italian subject; 9009754

frontal cortex focal damage, alexia/agraphia development; case study; 9007480

frontal language disorders, current clinical/anatomical profiles/ theories evaluated; general frontal lobe function theory developed; 9002600

frontal lobe functions disorders, A. R. Luria's concept/evaluation/ treatment approaches; preservation problem; 9004759

functional dysphonia sufferers' personality aspects/stress-coping strat-egies; 9007249

functional language/memory skills, moderately severe Alzheimer's disease patients; 9004775

German aphasiology studies history, reading/writing disorders types/models; 9004779

gestural communication use, naming enhancement, nonfluent aphasics; 9007259

giant cell arteritis signs/symptoms, speech/respiratory manifestations; elderly female; 9002342

global aphasia treatment program development, semantic processing cognitive neuropsychological models use; 9007237

global aphasia without hemiparesis (GAWH), prerolandic infarction; case studies; 9004770

grammatical disability remedial programs, functional grammar properties application; 9007337

grammatically/lexically ambiguous sentences' dual meanings, normal vs language-disabled teenagers' interpretation/paraphrase abilities; 9008030

hemiplegic writing phenomenon, limb prosthesis use; aphasia patients; 9002325

impaired communication development, at-risk children assessment/ intervention guidelines; 9007351

infant cry/noncry vocalizations, acoustic classification system; 9004793

information transfer, severe articulatory dyspraxia patients; therapy program, communciative success objective; 9009759

integration/information sequences/short-term memory/Token test per-formance relation, aphasic subjects; modified token tests problems;

Japanese agrammatism, cross-language approach; 9005096

Japanese aphasics' syntactic comprehension, language-specific/-universal factors role, category/thematic role order effects; 9004781

Japanese pure kanji agraphia, left posteroinferior temporal lesions cause; 9002617

Journal of Fluency Disorders foundations; 9007292

"language & cognition" distinction use, inherent problems, cognitive-communication disorders work; clinical forum; 9002327

language deficits, theoretical perspectives; 9007258

language functioning/discourse production changes, normal aging; 9004765

language impairment pattern, Alzheimer's disease/multi-infarct de-mentia/elderly patients; D-Test Battery, Luria's Neuropsychological

Investigation basis; 9007496

language impairment, closed-head-injured children aged 8-17; followup study; 9007494

language outcome/early related factors; high-risk infants, post-second-grade; 9004822

language pathology study, major trends; 9009760

language performance deficits, elderly depressed patients; 9009793 language policy history, national language question, Brazil; indigenous language/bilingual education projects; 9004532

language processing, temporal constraints; syntactic priming task; Broca's aphasics; 9007250

language skills, normal/language-impaired kindergarten/1st-grade English-Spanish bilingual children; 9004796

language-disorder characteristics, learning-disabled students; specific assessment/remediation strategies; 9004828

language-disordered children, current identification criteria, national inconsistencies; 9002416

language-impaired/normal adolescents' power/familiarity/task imposi-tion, sociological variables, request mitigation; 9002345

language/aging, current research review; 9009771

learning disabilities, emotional/behavioral disorders relationship, speech-/language-disordered children; 9007294

lexical processing, selective semantics impairment; error types/rates, verbal/oral/written tasks; 52-year-old male; 9007388

lexical semantics, right hemisphere contributions; 9000130 lexical/semantic system dissociation, pathologic population; Al-zheimer's disease patients vs normal controls; 9004801

limb apraxia effect, left-hemisphere-injured aphasic subjects' sign/ gesture acquisition; 9007243

linguistic profiles, pragmatically disordered children; case studies; 9007404

linguistic/metalinguistic prerequisites, language-disordered children's reading/spelling ability development; 9007269

literacy achievement, cognitive skills prerequisite questioned; severely retarded Italian boy aged 8:11; comment, reply; 9005508

Luria, A. R., neurolingustic/aphasia approaches' significant features; 9004803

Luria, A. R., neuropsychological/neurolinguistic theories, neuropsy-chological testing context; 9004763

memory/neurolinguistic processes, A. R. Luria's theory; 9004790 metalinguistic awareness tasks, kindergarten-aged stutterers' vs nonstutterers' performance; 9004766

metalinguistic/-communicative skills role, language-impaired children's conversational behavior; 9007246

music reading/text reading abilities measurement, alexic subject case study; 9002606

naming/word-finding deficits/anomia, A. R. Luria's definition/ description; 9004754

narrative discourse analysis/description, right-hemisphere-damaged adults vs neurologically normal/left-hemisphere damaged aphasic adults: 9004814

nonfluency rate, difficulty suggestions effect; tongue twisters; normal-speaking adult males; 9004786

nonstutterers' speech disfluencies, syntactic complexity/production task effects; 3-/5-/7-year olds; 9007255

normal/abnormal speech fluency developmental stages, child/adult stuttering insights; 9004805

oral diadochokinesia/nonlinguistic rhythmic skills development, nor-mal/speech-disordered children aged 3-5; diadochokinetic rates test, statistical analysis; 9009769

orthography pathology, case history; 9004820

perseveration/semantic memory degeneration link; 9007478

phoneme-grapheme relationship establishment inability, neurally handicapped; 9009780

phonological assessment, procedures critique; 9009859

phonological disorder, assessment procedures/therapy development insights; case study; male child aged 4:3; 9007343

phonological disorders, qualitative/quantitative descriptions; language-disordered children aged 3:0-4:9; 9007247

phonological lexicon role, oral reading, neurologically damaged left hemisphere patient; 9007251

phonological memory deficits, language-disordered children; vocabu-lary acquisition, short-term memory involvement; 4-year-olds; 9007254

phonological systems development, J. A. Gierut's intervention program/evidence reanalyzed; reply; 9003542

phonologically delayed children's responses, pictured stimuli; 9004755 picture/word association performance, preliterate children/adults;

preschool stutterers' disfluencies, mothers' judgments; 9004824

progressive aphasia without generalized dementia case study, physical/ management problems vs linguistic deterioration; 64-year-old male;

progressive aphasia, dementia development occurrence; longitudinal analysis; 9007257

progressive aphasia, Pick's disease patient; clinical/ neuropsychological/neuroradiologic observations; 59-year-old male; 9007256

pronoun use, normal vs language-impaired children; spontaneous speech samples; 9005034

proper name usage, mother-child interactions; language-impaired vs non-language-impaired children; 9006909

psychiatric patients' speech, paralinguistic characteristics; schizophre-nics/depressives/anxiety neurotics; 9009835

psycholinguistic abilities/nonfluency patterns, stutterer/language-impaired child/nonstutterer aged 3:8-3:9; initial follow-up conversations; 9007273

reading/writing disorders, brain-damaged adults, A. R. Luria's neuro-dynamic approach application; 9004768
receptive developmental language disorder, auditory processing deficit questioned; brainstem auditory evoked potentials, WISC-R/ WAIS-R IQ test/Peabody Picture Vocabulary Test; 9002321

repetition deficits, conduction/Broca's/Wernicke's aphasic syndromes; 9007268

repetitive language symptoms, neurological disorders possible associa-tion; historical overview; 9009798

respiratory function, pseudobulbar palsy; spirometric/kinematic assessment; 9007274

Rett syndrome, longitudinal developmental case report; female aged 14:2: 9007253

schizophrenic/aphasic neologisms compared; Japanese schizophrenic patients' writing characterized; 9002341

scripts as knowledge representation, nonfluent aphasic evidence; 9002349

semantic relationships processing, normal/aphasic subjects; 9004750 semantic/pragmatic language disorder, main characteristics; oral-/ written-language complementary therapy strategy; 9002348

sequential approximations, phonological analysis, charm/government theory basis; conduction aphasic's spontaneous discourse; 9004752

short-term syntax instruction, generalization effects; language-impaired children aged 4:4-6:3; 9002406

spastic dysarthria, treatments efficacy, perceptual analysis basis; 9002329

specifically language-impaired children, cross-linguistic differences; Hebrew- vs English-speaking children; 9008637

speech act responses, language-impaired children aged 7:3-11:9; structured dialogue; 9004818

speech characteristics/coronary heart disease incidence relationship; audiotaped structured interviews, Multiple Risk Factor Intervention Trial; 9007281

speech disorders, Friedreich disease; duration fundamental frequency/ intensity, acoustic paramaters analysis; patients; 9009763

speech dysfluency/manual asymmetry relationship, adult Down's syndrome patients; videotaped conversations/language assessment tests; 9009829

speech intelligibility/second formant transitions slope relationships, dysarthric men/women; 9002334

speech production, Friedreich's disease patients; electromyographic analysis; 9009764

speech-/language-disordered children, parents' needs/difficulties; 9002405

speech-/language-impaired populations size, epidemiological data, UK; speech therapists need determination; 9007339

speech-language intervention, autistic male child; 9004917

speech-language pathologists' language consultation provision impor-tance, natural context, severely language-delayed children; 9004908 speech-language pathologists' roles, public schools; 9002418

speech-language pathology clinical supervisors' verbal behaviors, in-structional program effects; 9004918

speech/language communication disorders progress, major policy issues/changes/barriers; 9004772

spontaneous conversational speech, unilateral left-/right-hemisphere damaged children vs normal controls; stuttering type fluencies, normal nonfluencies, speech rate; 9004749

stressing patterns, language-impaired preschool children; L. A. Wie-man's results compared; 9004782 stutterer stereotypes, "I stutter. So what!" t-shirt message impact; re-tail store clerks' perceptions; 9009791

stutterers' concurrent cognitive processing/letter sequence transcrip-tion deficits; parsing components hypothesis rejected; 9007289

stutterers' genetic history/speech-associated variables relationship; previous studies reanalyzed; 9009770

stutterers' respiratory abilities; speech tasks, kinematic analysis, pre-/posttreatment; 9004802

stutterers' speech, overall physiological performance, peak intraoral air pressure/consonant closure duration measures; 9004788

stutterers' vs nonstutterers' maximum speaking rate, silent/lipped/ overt speech; speech planning/execution deficits; German-speaking adults; 9009785

stutterers' wives perceptions/attitudes; open-ended questions; therapeutic recommendations; 9009753

stutterers'/nonstutterers' fluent/disfluent speech segments evaluation; videotaped speech segments, stutterers'/speech pathologists'/naïve college students' ratings; 9009787

stuttering causes identification difficulties; 9007239

stuttering frequency mesurement, children's spontaneous speech; 9004760

stuttering management, speech pathologists/self-help groups relationship; 9007277

stuttering onset, speech/nonspeech behaviors; children; 9009789 stuttering therapy, "smooth speech" procedure, M. Onslow's/R. Ingham's criticisms questioned; 9007245

stuttering, neuroscience model; 9007276

subcortical structures role, aphasia; 9007244

Swedish language-disordered children aged 4:4-10:0, multidisciplinary assessment; 9002343

syntactic/semantic/pragmatic abilities relationship, treated aphasic adults, first postonset year; 9004810

tardive dyskinesia speech disorders, organic brain dysfunction evidence; 9004823

teacher speech act adjustment, preschool language-delayed children, conversational/task-oriented/language-teaching behaviors; 9009786 transcortical motor aphasia patient's language impairment, possible mechanisms; observations; 9009755

transcortical motor aphasia, right hemisphere lesion; right-handed male's language evaluation; 9002350

turntaking/pragmatic language skills, developmentally delayed vs normally developing children; mother-child dyadic interactions; 9007266

TV-assisted assessment, unintelligible preschool child's speechlanguage evaluation; 9004902

velopharyngeal insufficiency management, instrumental/oral assessment importance/effectiveness; speech-language pathologists' opinions; 9004913

verb processing, aphasics' sentence comprehension; verbs' lexical properties; 9004812

verbal interaction, Swedish language-disordered preschool children; grammatical/interactional ability assessment procedure development; 9007260

verbal memory decline, Alzheimer's disease patients; 9004804 verbal production/social interaction/play behavior, language-impaired preschool children; 9004817

verbal supraspan, age-related differences; normal adults vs head trauma/unilateral cerebrovascular patients; 9007286

visual reception/word retrieval/word acquisition performance, secondary dementia, Parkinson's/Huntington's/Alzheimer's disease patients; 9004773

voice characteristics, elderly males vs females; 9002340

voice disorders prevalence, children aged 6-10, rural school division; longitudinal study; 9004807

voice therapy development, laryngectomy patients; resocialization/ esophageal voice use objectives; 9007270

vowel errors, phonologically disordered children's speech; 9009784 vowel production/modification, glossometric measurements/patterns; hearing-impaired speakers' speech improvement possibilities; 9002296

word fluency generation skills, acutely brain-injured patients; 9009766 word fluency performance, common vs ad hoc categories use; closed-head-injured vs non-brain-damaged subjects; 9002337

writing processes/products, disrupted written competency perspective; T-units, syntax, referencing ability; brain-damaged adults; 9002338 writing, semantic influence disruption, left prefrontal lesion patient; 9007280

written/oral language instruction attempts, "wild boy of Aveyron" case reviewed; 9008130

Language Planning

academic Czech grammar, Mluvnice češtiny 3 (Czech Grammar. Part 3); syntactic conceptions; 9003619

second-language teaching methodology, R. J. Di Pietro's Strategic Interaction reviewed; 9005365

second-language teaching methodology, valence theory/prototype semantics integration; 9005326

second-language teaching methods' ineffectiveness, creativeexploratory language use proposal; 9002800

second-language teaching, Franco-German summer camp project description, precamp preparation activities; 9000251

second-language teaching, monolingual approach; semiotic evidence, word/meaning/reality relationship; 9005228

second-language teaching, suggestopedic method effectiveness; A. Vielau's critique rejected; 9000272

second-language teaching/learning, creative language use/metaphor importance, G. Vico's approach/principles; 9007578

second-language testing methods/evaluation criteria, linguistics contribution; 9007826

second-language vocabulary acquisition, concordances use; 9007548 second-language vocabulary acquisition, context vs keyword methods;

second-language vocabulary instruction, Vocab Sheets use; 9002730 second-language vocabulary teaching techniques; 9007677

second-language/first-language teacher conversion problems; Italian teachers, Italy vs abroad; 9002679

solicits/responses/classroom interaction, beginning/advanced English as a second language grammar/discussion lessons; adults; 9002940

Soviet Union, national bilingualism development; language teaching methods/materials; 9003460

Spanish as a foreign language grammar instruction, beginning-level textbooks' methodological changes; 9007717

Spanish as a foreign language, grammatical gender instruction, sexist stereotyping consciousness-raising; 9007647

Spanish as a second language achievement/attitudes, educational me-dia effects; junior/senior high school classrooms; 9000362

Spanish as a second language instruction impact, elementary level two-way bilingual program; 9000182

Spanish as a second language instruction, comprehension approach critiqued; 9002914

Spanish as a second language instruction, recipes use, vocabulary/geography/culture learning; 9002838

Spanish as a second language listening comprehension achievement, song/music text vs narrative/dialogue methods effects; high school students; 9000181

Spanish as a second language written accuracy, grammar supplementation effects; university-level intermediate Spanish content course; 9000244

Spanish as a second language, dialogue-to-monologue transformation drills; 9002931

Spanish grammar instruction, aspect description, G. Guillaume's theory basis; 9000216

Spanish-English cognates teaching, inductive strategies; 9007598

Spanish-language summer programs, Guanajuato State, Mexico; students' perceptions, selective language acquisition experiences; questionnaire; 9000371

special language instruction, didactic goals/requirments; special/ general language teaching comparison; 9002732

special language teaching, profession-oriented second-language instruc-tion, East German colleges; 9008647

specialized language vs general schools, USSR; 9005267

speech/communication programs evolution, US universities; 9004912 spelling instruction, student-directed strategies use; learning-disabled/ behaviorally disordered students; 9002357

spoken language practice, communicative activities, existing methods vs pyramid discussion; 9005226 °

student visit planning, language teachers' ideas, ethnographic principles; France; 9002700

student writing content, ethics/aesthetics/taste/sensibility issues;

suggestopedia teaching method, basic principles; 9002777

suggestopedia, A. Vielau's critical remarks, L. B. Illy's critique refuted: 9005357

suggestopedia, second-language teaching method effectiveness; A. Vielau's critique refuted; 9002894

suggestopedia, second-language teaching method; critique rejected, method distortions rectified; 9000269

Swedish language development, upper level; bilingual education programs, junior/intermediate levels; written compositions/vocabulary tests; Finnish/Swedish pupils aged 7-19, Central Sweden; 9008152

tactual artificial hearing devices development, technological advances;

teacher planning/decision-making practices, English as a second lan-guage/bilingual/regular classrooms; questionnaire; 9000209

TESOL post-secondary textbooks trends/philosophical premises/ methodologies; Peoples Republic of China perspective comparative evaluation; 9000357

text linguistics role, university-level foreign-language study; 9002759 theatrical/dramatic techniques use, language classroom spontaneous speech elicitation; 9002816

traditional teaching methods, whole language approach integration; 9002646

translation teaching methods investigation, classroom interaction anal-ysis; Arabic-English teaching situation case study; 9002667

translator training, cultural competence teaching importance, secondlanguage vs translator didactics; 9008303

TV broadcasts pedagogical use, language classroom; 9002926 understanding-securing communicative procedures, second-language teaching; methodological suggestions; 9000306

universal grammar theory principles/parameters implications, language teaching; 9000219

unmotivated second-language learners, effective teaching strategies, negative attitude reduction; 9000336

USSR radio broadcasts' linguistic features, TV/newspaper language compared; Russian as a second language teaching aid; 9006941

video camera use/activities, foreign-language teaching aid; 9006941 video camera use/activities, foreign-language classroom; student progress self-monitoring/-evaluation; 9005281 video use, language classroom; information/research consolidation project; 9002843

vocabulary instruction status, university level; French as a target lan-guage German learners emphasized; 9000350

vocabulary instruction, first-/second-language oral translation use;

9002771

vocabulary instruction, individual word meanings vs word-meaning contextual derivation approaches; 5th graders; 9005566 whole language program implementation, 1st-grade teachers' experiences; 9007898

word-meaning instruction, context use; discriminant teacher-training, "microteaching" concept; 9002865

WORDWORKS, computer-assisted English as a second language instruction program, criterion-referenced evaluation; 9002889

workplace literacy program, peer tutoring; nonnative English speakers;

writing as process vs product, first-/second-language composition in-struction implications; 9003371

writing instruction, Dutch educational system, historical perspective; methodology/materials; 9000794

writing instruction, West German secondary school, didactic model critiqued; research survey, neurological-cognitively based alternative proposed; 9000764

written composition instruction, foreign science students; question-naires; research scientists/professors; 9008141

written-language instruction, experience/communication analyses, text structure/style/grammar examination; composition teaching meth-odology; 9000828

written-language instruction, G. E. Lessing's rhetorical principles; 9000801

written/oral language instruction attempts, "wild boy of Aveyron" case reviewed; 9008130

"zero-German" interlanguage development, German linguistics intro-ductory course; 9007627

## Language Therapy

acquired dyspraxia remediation, two treatment techniques compared; 9007267

alaryngeal speech, characteristics/nonverbal communication deficit therapy; management techniques suggested; 9002403

Alzheimer's patients' communicative behaviors generalization/ maintenance facilitation, caregiver training; 9004905

aphasic word processing, cognitive neuropsychological case study; 9004785

aphasics' word retrieval, picture/word matching tasks facilitative use; case studies vs group study; 9009776

articulation disorders, school intervention, speech-language pathologists'/teachers'/children's roles, classroom/intervention settings, children's perceptions; 9004914

augmentative/alternative communication assessment strategies, severely multihandicapped children; symbol/modality preference importance; 9004882

autism, communication training, changing approaches traced; 9004909 autistic children's spontaneous speech frequency/diversity improve-ment, functional/semantic language intervention program; mildly/ severely retarded males aged 4-16; 9004911

behavioral language therapy development, severely developmentally disordered children; sign/other augmentative language systems use indication; 9007091

Broca's aphasics' speech evaluation, post-therapy, intensive/non-intensive periods; 9002324

cerebral palsied child/environment relationship, therapeutic approach; case studies; 9007336

child language development facilitation, child-related professionals handbook; 9007356

child language disorders, assessment/therapy textbook; 9002335 children's classroom language use, clinically useful/reliable description, on-line Social Interactive Coding System advantages/ limitations; 9007350

Communication Attitude Test, children's speech-associated beliefs questionnaire; normal-speaking 2nd-8th graders; 9004907 communication disorders development, at-risk infants/toddlers identification/intervention; 9007354

communication disorders, international perspective; 9004777 communication skills assessment methods, language-impaired adults; observational assessment, elicited conversation, formal language task; 9007248

communicative behavior, autistic child; behavioral therapy; case study;

communicative coherence deficiency, remedial therapy program; child aged 5:2; 9002333

communicative competence assessment instruments, cultural bias reduction; C. S. Simon's Evaluating Communicative Competence: A Functional Pragmatic Procedure reviewed; 9007342

computer-assisted language retraining possibilities/limits, motor deficits subjects; 9007352

deafness diagnosis/intervention moment appropriateness, natural pre-verbal communication process; varying opinions; 9007209

dysphagia management, family education/instruction importance; 9002407

dysphagia program development, Akron City Hospital; testing methods, management programs development; 9002413

dysphagia treatment, speech-language pathologists' involvement; course outline presented; 9002404

dysphagia treatment, speech-language pathologists' special problems/ challenges; 9002412

dyspraxic speech, hearing-impaired vs normally hearing children; longitudinal study; 9007282

echolalic children's language acquisition; naturalistic intervention program; 11-year-old child; 9007423

English-language instruction/speech development encouragement methods usefulness, mainstream schools, hearing-impaired children; 9002306

expressive language/learning problems, defective infant formulas Neo-Mull-Soy/Cho-Free immediate/long-term effects; fraternal twin boys; 9007355

functional communication goals alternative vs traditional curricula, severely/moderately mentally handicapped adults/adolescents; 9007348

functional language instruction, moderately/severely handicapped cul-turally/linguistically different students; 9007324

gestural communication use, naming enhancement, nonfluent aphasics;

global aphasia treatment program development, semantic processing cognitive neuropsychological models use; 9007237 grammatical disability remedial programs, functional grammar properties application; 9007337

handicapped prelanguage children's communication skills improve-ment, adult- vs child-initiated interaction style effects; children aged 2:6-2:10; 9007349

hearing impaired, language therapy, pragmatics relevance; 9002312 hearing vs tactile aids use, oral language comprehension improvement; deaf children aged 3:6/4:0; 9007333

hearing-impaired children's speech/language progress, systemic training program, tactual vocoders use; 9004888

impaired communication development, at-risk children assessment/ intervention guidelines; 9007351

infants' normal noncry vocal development stages, assessment protocol; 9005032

information transfer, severe articulatory dyspraxia patients; therapy program, communciative success objective; 9009759

language comprehension assessment method, motor-impaired children; potential advantages, handicapped/nonhandicapped populations; 9002402

language intervention principles/procedures, classroom-based model, language-impaired preschoolers; 9002417

language services delivery system, Cleveland Heights-University Heights City School District; 9002409

language-disordered children, current identification criteria, national inconsistencies; 9002416

language/grammatical deficits remediation, structured role play thera-py use, language-delayed children; case studies; 9004906

nonvisual alternative display output technique, graphic-based computers, blind persons' use; 9007353

okay occurrence, language therapy situations; 9002410 phonological assessment, procedures critique; 9009859

phonological disorder, assessment procedures/therapy development insights; case study; male child aged 4:3; 9007343

phonological disorders, qualitative/quantitative descriptions; language-disordered children aged 3:0-4:9; 9007247 pragmatic skills assessment schemes, B. B. Shulman's Test of Prag-

matic Skills evaluated; 9002408

pragmatic teaching strategy effects, nonspeaking children's informa-tion requests initiation abilities; 9004904

psycholinguistic abilities/nonfluency patterns, stutterer/language-impaired child/nonstutterer aged 3:8-3:9; initial follow-up conversa-

psychotherapeutic treatment, dyslexic/personality-disordered child; J. Piaget's assimilation/accommodation concepts; 9007340

reading problem screening/identification, SEARCH utilization; kin-dergartners, 1st/2nd graders; 9002414

scripts as knowledge representation, nonfluent aphasic evidence; 9002349

semantic/pragmatic language disorder, main characteristics; oral-/ written-language complementary therapy strategy; 9002348

short-term syntax instruction, generalization effects; language-impaired children aged 4:4-6:3; 9002406

sign-language vocabulary instruction, interactive videodisc system effi-ciency/effectiveness; 9004916

special needs infants/toddlers, assessment/intervention issues, special education perspectives; 9007325

speech perception assessment procedures applicability, clinical setting; phonologically disordered children aged 6-10; 9007335

speech synthesizers, cerebral palsy users; pictogram phonological entry system; 9007344

speech therapy tests use, children's/adolescents'/adults' verbal/written language examination; 9007341

speech training technology history, computer-based aids impact; 9004910

speech-/language-disordered children, parents' needs/difficulties; 9002405

speech-/language-impaired populations size, epidemiological data, UK; speech therapists need determination; 9007339

speech-language intervention, autistic male child; 9004917

speech-language pathologists' language consultation provision impor-tance, natural context, severely language-delayed children; 9004908 speech-language pathologists' roles, public schools; 9002418

speech-language pathology clinical supervisors' verbal behaviors, in-structional program effects; 9004918

speech-language services, family involvement, parents' attitudes; survey, northern Illinois; 9002401

speech/language communication disorders progress, major policy issues/changes/barriers; 9004772

speech/language diagnostic tests evaluation, psychometric criteria use; 9004903

spontaneous language/cure responses, adult-/child-directed play; dynamic assessment, statistical/descriptive analysis; normally developing vs language-impaired preschoolers; 9002419

stuttering management, speech pathologists/self-help groups relation-ship; 9007277

stuttering therapy, "smooth speech" procedure, M. Onslow's/R. Ingham's criticisms questioned; 9007245

touch talker, alpha-numberics vs minsymbols as retrieval codes;

TV-assisted assessment, unintelligible preschool child's speech-language evaluation; 9004902

velopharyngeal insufficiency management, instrumental/oral assess-ment importance/effectiveness; speech-language pathologists' opin-ions; 9004913

voice therapy development, laryngectomy patients; resocialization/ esophageal voice use objectives; 9007270

voice/speech disorders treatment, accent method, myoelastic/ aerodynamic phonatory theory basis; 9007338

written/oral language instruction attempts, "wild boy of Aveyron" case reviewed; 9008130

Language Universals

agonistic discourse, general use/patterns, Donahue TV show; 9001242 Bulgarian/English/Russian tense-aspect systems, tense neutralization, typological universal; 9006626

closed licensing domain universal principles, Romance AGR parameter application, English/Romance languages parasitic gaps explana-tion; 9008799

Coast Tsimshian (North Amerindian) subject notion viability, ergative basis syntactic operations; Dyirbal/Yidin/Chukchee/Yup'ik Eskimo compared; linguistic universal status questioned; 9001084

code-switching, seed concept constraints unified theory; 9005822 color naming, cross-cultural universal status questioned; 9006719

color terms meaning, basic components, evolution; 9009094 Columbian Spanish color terms uses, metaphoric language use enrich-

communication theory, language/mind/society relationship; 9009476 consonant epenthesis as regular sound change; universal conditions/ constraints establishment possibilities; 9005975

Coseriu, E., Neogrammarians' phonetic law conception critique;

English as a second language learners' interlanguage, implicational universals/interrogative structures; native Japanese/Korean/Turkish speakers aged 16-32; 9002972

English infixes nonexistence refuted, "interfix" term extended; 9008624

English-/French-Bantu code-mixing, universal constraints evidence; 9008443

first-language acquisition, cross-linguistic anaphora directionality studies, Japanese data; universal structure dependence; 9000077

French color terms, linguistic relativity/universality status questioned;

"function" term ambiguity, A. V. Bondarko's/European schools' posi-tions compared; 9008782

gender resolution rules need, Lama (Niger Kongo) language; left dislocation/agreement interaction data; 9006443

glottalized consonants, definition proposed, glottalic airstream mechanism; Lendu (Nilo-Saharan) preglottalized/implosive stops phonological contrast; 9007160

"glottalized" term, redefinition advocated, glottalized consonants, Lendu (Central Sudanic) data; 9003545

Indo-European conjunctions' polyfunctionality, meaning derivation; 9008465

Italian/English subjecthood category comparison, universal subject-hood principles framework; 9008834

Japanese aphasics' syntactic comprehension, language-specific/universal factors role, category/thematic role order effects; 9004781 Japanese politeness phenomena, conversational universals counterevidence; social context importance; 9001298

language change/linguistic universals/language-specific rules, functional account; 9003937

language topology, state/event/process basic concepts; 9003924 language typology/universals, generalizations, explanatory power; 9003931

language universals, bottom-up vs top-down typological approaches: 9009092

language universals/translatability relation; 9008226

languages' commonalities/variants, Explaining Language Universals reviewed: 9006718

lexical acculturation process, seven-day system, cross-language pat-terns, cross-cultural salience hierarchy; 9001745

linguistic politeness, neglected universal aspects; P. Brown's/S. Levinson's principles questioned; Japanese evidence; 9001277

linguistic universals statements, hierarchical ordering, wh-element extraction data; 9008774

location/direction spatial relations expression; form/meaning universal principles; 9001747

middle voice, typological/semantic/diachronic approach; universal characterization integration, cognitive-based grammar theory;

native language acquisition, restrictive phrase structure configurations theory account; 9008784

native-/second-language acquisition parallel, German as a second lan-guage, Japanese students; universal grammar principles violation; undergraduates aged 19-21; 9005448

natural phonology, naturalness/markedness conceptions, phonological vs universal natural processing; L. Bauer's/E. Gussmann's critiques refuted: 9005949

numerical expressions' internal/external syntax; 9009093 phonological hierarchy universality, American Sign Language evidence; 9008316

phonological rhythmic alternation, clashes/lapses development, deriva-tion course; Italian data; 9000987

male laryngeal cartilages, morphometric change/aging process; 9004716

voice change factors, aging process; 9004714

actualization, Romance compound past tenses evidence; 9006604 Athanasian Creed, Czech translation, Tomáš from Štítný's independent translation; 9001614

Bavarian law formula/practice, per aures trahere 'to pull (someone) by the ears'; Dopsch's/Wolfram's interpretations corrected; 9004059 Benkő, J., Latin-Romanian glossary description/analysis; 9008850

Bernardine Polish/Latin 16th-century catechistic texts' transcription/ transliteration/facsimile; 9004088

bicasual declination existence/functioning/syntactic importance; F. Perrer's Lo Codi books; 9006077

Caesar's Commentarii de bello Gallico (Commentaries on the Gallic War) Czech translations, I. Bureš's/J. Kalivoda's versions, semantic-stylistic comparison; 9000932

Catalan, Romance language family position; 9009345

Christian Latin authors' "death" terminology, dormio analyzed; 9008947

Classical Latin philosophy/grammar/rhetoric specialized vocabularies, Greek borrowings; 9001489

Classical Latin "Praedicativum," syntactic function; 9001069 Classical Latin sentential particles use/function; 9001104 Comenius, J. A., linguistic/pedagogical contributions; 9008870

complex s- onsets, Latin, historical trends; 9000940 consignificare, meanings fusion, medieval Modistic writings; 9006490 contracted writing forms, abbreviations development relationship, Lat-

in inscriptions, Rome/northern Africa, pre-8th-century; 9006812 Costin, M., Romanian chronicle, Latin versions' authorship/date/ place of origin; 9008225

Daco-Romance -rv-/-rb- partial transmutation, possible reasons; Ser-bo-Croatian kurva 'whore' influence; 9006568

Dagome name etymology, Vatican Dagome iudex document data; 9004033 Dante's standardized language creation/promotion, De vulgari

eloquentia; 9006494

definiteness role, syntax, Spanish/Latin data; 9006040 Della Bella, A., Dizionario, italiano, latino, illirico (An Italian-Latin-Illyrian Dictionary), Italian vocabulary sources; 9004324

Dutch suffix -tuur origin/productivity; Latin source/borrowings, word list; 9006858

eighteenth-century Albanian manuscript, Latin elements; 9008981 English spelling proficiency; Latin language study; spelling tests; 11th graders; 9007876

Exeter Book's Latin riddle solution, anagram approach; 9004034 German phrase wir sitzen alle in einem Boot 'we are all in the same boat' origin/history/usage; 9009315

Gothic gadikis 'form' explanation, Codex Ambrosianus A; 9009023 Greek inscriptions, Αερικός form, 2nd century nc; Latin form Africa introduction; 9001864

Greek names' transcriptions, Latin inscriptions, aspirates; 9000996

Greek/Latin word roots instruction, disadvantaged 6th-grade readers; activities, materials; 9000541

Icelandic suffix -ari, history/origin/attestations; Latin borrowing, oc-cupation names, Modern Icelandic frequency; 9003791

iconic serialization semiotics, text linguistics, anaphoric/cataphoric coreferencing; Latin material, M. Bense's "Great Matrix" application; 9002210

Indo-European impersonal participial constructions, Greek "dative absolute" explanation; 9006593

Indo-European root \*pet- 'to fly, swoop', Latin root peto base; 9001647

Indo-European sigmatic aorist, Latin verb roots' vocalism; 9004052 Indo-European sigmatic aorist, Latin verb roots' vowel gradation; B. B. Khodorkovskaya's theses contested; 9004064

Italian dialects' sigmatic conditional paradigms, /-r-/-less forms origins; 9009004

Italian spalla "shoulder", phonetic anomaly; -tl- cluster problematic nature/further development; 9008984

Juvénal, Latin adjectival derivation, syntactic/pragmatic approach; 9001370

Kiliaan's Etymologicum, Latin geographic names designation/ etymological interpretation; 9004234

language spread, modern/classical Latin/Greek compared; 9004488 Late Latin -(t)im adverbs; Latin/Galician terms etymological relationship; 9006539

Latin -tudo words, Accius's use, stylistic effects; 9001492

Latin abstract nouns, suffix containing -s-, grammatical genre attribution; 9001218

Latin adjectives, derived forms relational meanings; 9001169 Latin as a second language instruction, necessity questioned; 9007724 Latin as a second language instruction, Polish high schools; outside school activities; 9002860

Latin bo:s, reflex origin, traditional scholarly opinion questioned; 9006554

Latin c suffixes, Romance development/formation; 9006216

Latin causal connectors, discourse function; 9001059 Latin caverna 'cavern'/urna 'urn' etymology, common Indo-European source/meaning; 9009019

Latin complex sentence syntax, semantic ambiguity; 9001159 Latin computerized analysis, formal grammar automatic tagging, LA-TINFLECTION grammar/TAG program; 9001725

Latin dependency syntax, computerized analysis; 9001407

Latin deponent verbs, voice, new approach; 9001197 Latin first-person singular sum vs Oscan súm; borrowing evidence refuted; 9004083

Latin fore ut use, available future infinitive substitute; synchronic/ diachronic/syntactic/semantic/pragmatic factors; 9004080

Latin future tense, tense/modality viewpoints; 9001081

Latin gerund ablative, historical development; 9001610

Latin illocutionary parentheticals, discourse use; 9001319

Latin instruction, Polish high school; proverbs/sayings as teaching material: 9005371

Latin lexical Hellenisms typology, structural/pragmatic/sociolinguistic criteria; 9001752

Latin lexicalized metaphors, semic analysis; 9001161

Latin linguistics/language teaching, communicative approach advocated; 9000451

Latin mergus 'gull', Old Czech rendition; 9006574

Latin morphology, morphological theory, generative grammar framework; 9001215

Latin nominal composition/case, syntactic group/compound distinction criteria; 9001085

Latin nominal syntagm description, X-bar grammar application; 9001441

Latin obligation typology, case; 9001018

Latin preverbs, lative/aspectual notions; 9001037

Latin pseudoconditionals, noninferential meaning determination; 9001178

Latin reflexive functioning, subject/predicate opposition linguistic relevance; 9001094

Latin sentential complements, functional grammar perspective;

Latin subordinate clause structuring, formalization; 9001470 Latin subordinate sentences terminology/classification, content determinative/circumstantial constructions subdivision; 9006002

Latin suffix \*-to, voice expression; 9001051 Latin temporal notions "time in which"/"time since which"/"time un-til which"/"duration," functional value; 9001173

Latin tense description, two-dimensional temporal system; 9001083

Latin theme constituents, typology; 9001272

Latin third declension, synchronic morphology; 9001221

Latin utterance temporalization, morphological marking; 9001202 Latin verbs introducing subjunctive completives, semantic/syntactic field; 9001170

Latin vitellus 'yolk'/'calf', homonymy vs polysemy, Romance distribution, Sardinian dialect peculiarity; 9001672

Latin zanca 'shoe', Iranian borrowing reconstruction; 9009026 Latin-English technical translations problems, interpretation reliance, translator variation; 9004038

Latin-Romance interference, prepositional constructions, medieval period, Iberian peninsula; 9004153

Latin-to-French evolution steps, /k/ palatalization, prevocalic position, generative phonology/markedness theory account; 9008328

Latin/Greek verbal reflexives, case/voice/reference relationship; 9001583

Latin/Old Church Slavonic typological parallel, first-person forms thematization; 9001675

Latin/Romance verbs 'to snow', verbal field; W. von Wartburg's claim refuted; 9008979

Latin/Slavic initial f development parallel, K. Brugmann's account supported; 9008970

"Liber Sapientiae" lexicon, Latin biblical texts; 9008975

linguistic reconstruction, typological analysis importance, Latin/ Berber ipsa 'that itself, herself'/ta 'that' contact; 9009334

merwunder semantic field, Romanesque texts/lexicographic works, Low Middle Ages; 9006855

Middle/Early Modern English amber/white gold designations electre/electrum/a(u)mber, Latin/French borrowings; 9006596 noun-/adjective-based Latin suffixes, semantic function; 9001201

Old English translations' passive constructions, Latin originals, Old English Bede/"Pastoral Care"; 9008448

Old French femme que femme translation/meaning, Latin original in-terpretation, rebuttal; 9008263

Old Germanic name Chvaiionius 'he who produces/makes cheese out of milk' meaning/etymology; 9009022

Old High German particles thon/ia/thanne, grammatical analysis; Latin source texts compared; 9006333

Old Polish 1433 mass canon facsimile/transcription/transliteration, Latin-Polish interlinear translation; Polish language history study source; 9004298

Old Portuguese vocabulary, variants, Latinisms/pseudo-Latinisms;

Old Spanish documents morphosyntactic analysis, Veruela monastery letters (1157-1301); Medieval Latin-Romance relationship; 9008976

Old/Middle English lexicon changes; frequency analyses; 9008950 passive term derivation, Latin/Greek origin; prototypical/universal morphology category existence questioned; 9001189

praelatus concept development/evolution; origin-High Middle Ages; 9006578

Proto-Romance object-verb-subject base hypothesis arguments; 9001400

relic translation/history, Saint John the Baptist, Amiens; 9008223 Roman anthroponymy, name-assigning practices; 9009222

Romance neuter gender evolution, Latin markers diachronic change, Romanian-Italian comparison; 9004048

Romance verbs historical development, J. L. Bybee's lexical/ derivational/inflectional continuum application; Latin/French material; 9006198

Romance word families etymology, broader perspective advocated; 9004060

Romanian language attestations, 14th-/15th-century Walachian/ Moldavian Latin documents; 9008963

Romanian principalities' chancellery documents' Latin vocabulary, Medieval Latin/Romanian words, Classical Latin/Romanian/ Latinized word formation; 9008964

Romanian, Romance language family position, Latin borrowings analysis; 9009350

Romanian/Italian morphophonemic evolution similarity, Latin vowels /e/ɔ/diphthongization; 9009126

Romany phonological system/alphabet, phonemes inventory/Latin script; 9004365

Romontsch predication, predicative marker -s syntactic contexts, copular sentences/past participle agreement/causative constructions, government-binding framework consistency; 9001102

Sardinian Romanization history/chronology, Latin varieties' role, vul-gar/archaic/innovative forms; 9001589

Serbo-Croatian family name Kožičić-Benja etymology, benja appellative, Latin source; 9006583

Spanish hace 'ago', Latin facere 'to make' reflex; 9004042

Spanish word stress account, four-step algorithm/stress-bearer deletion rule; diachronic/synchronic analysis; 9006591

Spanish-Latin-Nahuatl (Mexican Amerindian) trilingual manuscript dictionary; Fray Bernardino de Sahagún erroneous attribution;

Symmachus, Q. A., Latin vocabulary/syntax; 9008969

Taylor, D. J., The History of Linguistics in the Classical Period reviewed; 9001510

West Balkan Slavic-Early Romance contacts evidence, Early Slovene/ Serbo-Croatian vowel systems data; 9001664

word formation, J. Swift's romance vocabulary; statistical analysis; 9001210

Yugoslav hydronym Tribižet/Trebižet/Trebižat, Latin etymology; 9006785

### Learning Disabilities

abbreviation spelling instruction, constant time delay procedure; computer-assisted instruction program; mild learning handicapped adolescents; 9009842

adolescent dyslexic boys' naming ability/oral fluency; spoken vs written work, teacher awareness importance; 9002381

anomalous binaural coordination, dyslexic/nondisabled dextral boys aged 9-14; 9002362

autistic/mentally retarded children's language/adaptive behavior, sensorimotor period cognitive concepts development relationship; 9002375

automaticity/naming/reading processes, learning-disabled vs normally achieving college students; 9002365

background knowledge effects, learning-disabled students' acquisition, self-questioning reading comprehension improvement strategy; 7th/8th graders; 9005608

causal language assessment/facilitation, learning-disabled adults/ adolescents, Piagetian theory approach; 9007308

cognitive/academic/linguistic profiles, learning-disabled vs normally achieving college students; routinely administered test battery; 9009817

component reading/spelling/language processes familial resemblance, dyslexics subgroups; 9004855 computer literacy instruction, reading-disabled vs non-reading-disabled 8th graders; Cognitive Scale of the Minnesota Computer Literacy Awareness Assessment; 9007964

computer-assisted learning, special needs population, mainstream classrooms applicability; hardware/software continuing adaptations; 9007347

computer-assisted reading instruction, learning-disabled students; 9003128

creative writing, learning-disabled children's lab-based word processor vs pencil/paper use; normal achievers compared; 9004843

decoding ability prediction, phonological awareness tasks role; reading-disabled/normally reading 3rd-/4th-grade males; 9007307

decoding strategies comparison, dysphonetic dyslexic children aged 10-13; 9002361

developmental dyslexia, distributed interactive model; 9004830 developmental dyslexia, literature review, cognitive psychological framework; 9007306

direct instruction program effectiveness, "hard to teach" students;

directive/interactive prereading strategies, teachers'/elementary learning disabled students' verbal interaction; 9007904

disabled readers' phonetic/semantic deficits distinction; 8th graders;

discourse comprehension/interpretation, narrative them delayed pre-sentation effect, left/right hemisphere-damaged patients; 9005087

DISTAR vs traditional basal reading program use effectiveness, learning-disabled students' reading achievement; 9004838 dysgraphia diagnosis, English teachers'/learning-disabled specialists' roles; 9003423

dyslexia causes/characteristics, simplified spelling use; 9004837 dyslexia treatment, tinted glasses use; 9002383

dyslexia, coherent conception establishment difficulties, cognitive hypotheses development demonstrated; 9002380

dyslexia, lateralization/space structuration relationship; normal vs dys-lexic children aged 10-12; 9007297

dyslexia, recent investigations/directions; possible causes/diagnosis/ remediation, conflicting theories; 9002370

dyslexia/other reading disabilities qualitative differences, criteria development difficulties; 9002353

dyslexic readers' object-naming deficits; children aged 8-10; 9002379 dyslexic students' learning difficulties, teachers' identification/ teaching methods; 9009818

dyslexic subtypes, developmental model/perspective application; 9002371

dyslexic/learning-disabled students, Dartmouth College; successful instructional methods/services, accommodations; 9002374

dyslexics' electroencephalograms; rest closed/open eyes, reading task; dyslexic/normal Spanish-speaking children aged 8-11; brain wave/ activity; 9007302

dyslexics' literacy, syllable division ability prerequisite; dyslexics aged 7-15; ten-year project; 9002356

dyslexics' word-recognition problems, assessment strategy; 9004834 elaboration strategy transfer, elementary/secondary non-learningdisabled/learning-disabled students; 4th/7th graders; 9007300

English-/French-speaking school settings/instructional strategies use, learning-disabled children; questionnaire; Toronto teachers; 9003138

expressive/receptive language/motor responses, integrated motor program effects; developmentally delayed preschoolers; 9000085

French as a foreign language instruction, special needs children, mainstream integration; 9005252

French dyslexic children's family characteristics, retrospective study;

graphic organizers effectiveness, content-area secondary school classrooms; learning-disabled/remedial/normal education students; 9004836

Hispanic students, increasing limited English proficiency/learning disabilities population, special education trends; 9009810

language minority children, special education placement, traditional assessment criteria application problems; 9009821

language-disorder characteristics, learning-disabled students; specific assessment/remediation strategies; 9004828

learning difficulties effect, students' emotional well-being; effective learning environment provision importance; 9005550

learning difficulties/theory of systems, general relatives; social interaction role, knowledge construction; 9007299

learning disabilities definition/evaluation, IQ test scores usefulness disputed; 9002377

learning disabilities, adult basic educators' perceptions; questionnaire; 9009819

learning disabilities, emotional/behavioral disorders relationship, speech-/language-disordered children; 9007294

learning disability diagnosis, Jordan Left-Right Reversal Test validity; children aged 5-12; 9009865

learning-disabled adolescents' content area text comprehension, adjunct questions dyadic use effects; 9004846

learning-disabled children's reading/thinking skills enhancement, Informal Strategies for Learning program; reading-disabled 3rd/4th graders; 9009820

learning-disabled instruction, sentence writing vs tutorial techniques; college students; 9009843

learning-disabled students' reading performance; computer-assisted extensive decoding practice; 9007908

memorized spellings instruction; computer-assisted constant time delay procedure; 9009847

memory performance, automatic purposive semantic processing strategies use; learning-disabled vs nondisabled individuals; 9007311

metaphor performance; direct feedback/practice; pre-/posttests; learning-disabled children; 9009802

microcomputer-based writing, error monitoring; learning-handicapped individuals vs learning-handicapped/non-learning-handicapped dyads; 9007303

motor-perceptual function/performance, nondisabled vs readingdisabled males; neuropsychphysiological analysis; 9009807

narrative prose comprehension/production/story grammar, learningdisabled vs normally achieving students; 9004842

oral reading learning rates, instructional/frustration levels; mildly learning-disabled elementary pupils; 9009822

paired-associate learning, auditory/visual symbolic information; information processing analysis; skilled vs learning-disabled readers; 9005068

paragraph-writing skills improvement, metacognitive text structure strategy use, learning-disabled adolescents; 9002382

phonological deficiencies role, developmental reading problems; kindergarten/1st grade; 9002372

print-acquisition-disabled males' thinking styles/literacy proficiency; 9004849

psychologically induced dyslexia/learning disabilities possibilities; professional resistance; 9002373

reading achievement growth comparison, learning-disabled/lowachievement readers; 3rd-6th graders; 9000730

reading achievement/disability prediction, memory/naming speed use, IQ control methods effects; children aged 8-11; 9004826

reading acquisition process; hemisphere-specific stimulation; P-/L-dyslexics; 9009803

reading comprehension facilitation, learning-disabled students; metacognitive goals, instructional strategies; 9007296

reading comprehension instruction, K-W-L/K-W-L Plus strategies' effectiveness; 9007936

reading comprehension instruction, story grammar use; learningdisabled high school students; 9009811

reading comprehension processing bottleneck hypothesis tested, disabled reader training program; 9003151

reading comprehension, direct instruction strategies use, learningdisabled students; 9004851

reading comprehension, semantic/syntactic complexity effects, learning-disabled 7th/8th/9th graders; 9002354

reading disabilities cognitive profiles, monozygotic/dizygotic readingdisabled twins, genetic influence; 9004833

reading disabilities genetic/environmental etiologies; Colorado Reading Project twin data; 9002368

reading disabilities identification, listening/reading discrepancy scores use; learning-disabled vs normal 4th-6th graders; 9004853

reading disabilities incidence/characteristics, Japan; reading ability/intelligence tests; 5th graders; 9002363

reading disabilities/foreign-language learning difficulties relationship; case reports; learning-disabled college students; 9007293 reading disability remediation, cognitive-adaptationist vs diagnostic-

prescriptive approach effectiveness; 3rd-grade student; 9002355 reading disability subtypes, cluster analysis classification; psychometric test battery results; reading-disabled children aged 8:5-16:9;

9008094
reading disability, cerebral laterality/other cognitive/
neuropsychological functions relationship; reading-disabled/nonreading-disabled boys aged 8-12; 9002369

reading-disability, normative/pathological incidence viewpoints; 9004845

reading disability, within family transmission, gender-influenced polygenic threshold model's prediction abilities; 9002359

reading instruction, mildly handicapped elementary students; quantitative/qualitative aspects; 9003196

reading instruction, reading-disabled students' attentional difficulties; 9009813

reading learning rate, sex differences, intensive summer reading clinic; 9004827

reading performance, mildly educationally handicapped vs learning disabled children aged 12-15; 9009806

reading performance/symbol-processing speed, reading-disabled vs control children; longitudinal analyses; 9002358

reading problems, dysfunctional educational dynamics perspective; 9007305

reading progress predictors, mainstream handicapped students; 9009841

reading rate/recall ability, instructional/mastery levels; repeated readings; learning-disabled vs nondisabled 3rd-5th graders; 9008064 reading skills/grammaticality judgments, 2nd graders; sentence-level knowledge/reading disability association; 9002360

reading workshop development/implementation/effect, learningdisabled 6th-8th graders; 9005585

reading-disabled children identification, Digit Naming Speed Test effectiveness/incremental validity; 9004831

reading-disabled children's differential prognosis, gender/ socioeconomic status/IQ/severity basis; longitudinal study; 9004839

reading-disabled students' spelling remediation, process-based approach; J. P. Das's/R. Conway's CAP program aspects basis; 9004852

reading-disabled/dyslexic children's counting/naming rate/ phonological sensitivity/memory span; test battery, statistical analysis; children aged 9-12; 9009801

reading/learning disability, ecological systems view evolution; 9007295 reading/spelling/memory impairments, cognitive analysis; learning-disabled children; 9004835

reading/writing disabilities, causes/evaluation/treatment; 9003220 rhyme/alliteration phonological sensitivity, attention deficit disorder vs dyslexic children aged 7:0-11:0; 9009800

sensory perception/reading disability misconceptions, sensory screening/training programs; 9004829

small group instruction, sight word recognition performance; constant time delay/writing-spelling practice/reinforcement; mentally retarded/learning-disabled students; 9009849

specialized reading program development, dyslexic students; screening/identification guidelines; 9002376

spelling difficulties remediation suggestions, adults; 9005118 spelling errors, orthographic-specific comparison; learning-disabled vs normal children; 9005671 spelling instruction modifications, learning-disabled students; 9004832 spelling instruction, learning-disabled students; intelligent computerassisted instructional tutoring system application; 9007310

spelling instruction, student-directed strategies use; learning-disabled/ behaviorally disordered students; 9002357

spelling performance/self-assessment technique relationship, learning-disabled vs non-learning-disabled secondary students; 9007304 spelling rule usage, learning-disabled vs normally achieving 4th/6th graders; 9004825

spoken monosyllabic nouns perception, learning- vs non-learning-disabled children; auditory testing; children aged 8-12; 9007301 strategic/independent reading promotion, think cards use; 9005531

syntactic comprehension difficulties source, young poor readers; 2nd graders; 9002378

syntactic comprehension difficulties, source identification; good/poor 2nd-grade readers; 9004850

temporal processing role, dyslexia; word identification task; dyslexic children aged 10.3-14.9; 9004848

verbal coding deficits, learning-disabled readers; multiple-stage model;

9004854

verbal recall, language-impaired children vs language-/chronological-age counterparts, thematic organization effects; 9000117 visual perception deficits/learning disability relationship; letter-like forms task; learning-disabled/normal children, aged 6-7; 9009808

vocabulary acquisition, keyword vs direct instruction effectiveness; developmentally handicapped/learning-disabled/mentally retarded children aged 10:4-13:11; 9004883

vocabulary knowledge; task alternatives; Cognitive Abilities Test; learning-disabled vs normally achieving students aged 10-12; 9009824

vocabulary recall/comprehension, keyword learning method effects; learning-disabled adolescents; 9004841

vocabulary teaching instruction, semantic elaboration/fit methods ef-fectiveness; hearing-impaired/learning-disabled students; 9000160

word identification strategy effectiveness, learning-disabled adoles-cents' reading comprehension improvement; 9004840

word knowledge improvement/increase, three procedures effects; older disabled readers; 9005580

word-recognition/math ability improvement, token reinforcers use; severely learning-disabled youth; 9004844

writing instruction, process approach, communicative purpose/problem solving emphasis; learning-disabled students; 9004847

writing instruction, word processor use benefits, learning-disabled writers; 9000766

writing/self-monitoring strategies; pre-/posttests/student journals/ observations/interviews; learning-disabled 8th graders; 9009839

writing/word processor use, learning-disabled resource room case studies, minimally handicapped high school students; 9004880 written expression, learning-disabled vs normally achieving 4th/8th/11th graders; 9002364

Learning Theories

aboriginal learning styles, neurological relationship possibility, B. Edwards's right-brain cognition/learning modes basis; 9007503 acquisition vs learning, reading pronunciation, adult English as a for-eign language learners; 9005426

applied linguistics research methods/foci, history/present state; 9005099

cerebral plasticity/organization, environment/learning structuring role influence; neurological approach, neocortex/high cognitive processes emphasis; 9000131

child language acquisition, contrast pragmatics; 9007403

child language learning/development, facilitating guidelines; 9002511

child language-learning process, mysteries examined; 9002548 child's learning process facilitation, parents' supplemental activities importance; 9002515

children's concept/word meaning development, nominal/natural kinds; 9005013

children's lexical acquisition rate/content/vocabulary spurt; mothers' diaries; children aged 1:2-1:10; 9005002

children's verb meaning acquisition, J. Locke's unaided word-to-world mapping theory insufficiency; 9002508

Chomsky, N., language knowledge concepts critique; 9008791 classroom language-learning processes, topicalization role; 9000358 classroom second-language acquisition research, technology/theory synergism; 9005402

cognitive mechanisms, learning from metaphors; concretizing/ assimilation/structurizing theories' theoretical/empirical support;

college freshmen reading/writing courses integration, theoretical/instructional support; 9007933

command language syntax representation, metaphorical/flowchart/ textual means; learnability comparison; 9002661

computer-assisted instruction/interactive learning effective use, individualized instruction; 9005283

computer-assisted language learning improvement; cognitive style; quantitative/qualitative experiments; beginning Spanish undergrad-uates; 9007685

content material learning, mnemonic technique effectiveness, keyboard instructional method; 9003160

content-area comprehension facilitation, writing as essential/effective instrument evaluation; 11th graders; 9000578

curriculum development, learner data use approach; Australian Adult Migrant Education Program data; 9007671

decision-making process model development, humanities-based foreignlanguage curriculum; 9007686

developing readers' literacy learning, whole language curriculum, cog-nitive/social aspects; 9007864

dyadic vs individual learning, textual errors effect; recall tests; 9004938

embossed codes relative utility; braille, printed capital letters, Morse code; blindfolded sighted subjects; 9002568

English as a foreign language acquisition success; learner/social context, learner characteristics; proficiency tests; Hebrew-speaking 7th graders; 9007782

English as a foreign language instruction, Brazil; current theories' classroom reflection; 9005169

English as a foreign language instruction, meaningful information communication basis; Brazilian young adults; 9005270

English as a second language acquisition, preschoolers, "silent period" role; Vietnamese child; 9005390

English as a second language acquisition, psychological process, be-haviorist account critique; 9000428

English as a second language learners' reading/metalinguistic awareness/collaborative environment relationship; observations; native Spanish-speaking 4th-grade remedial/regular classrooms; 9000393

English as a second language pronunciation, Serbo-Croatian accent, monitor theory application; adults; 9002990

English as foreign language learners' language/learning concepts; interviews; native German-speaking students; 9005423

English proficiency testing, Examination in Communicative Use of English as a Foreign Language/TOEFL compared; 9007833

English vs German as a second language learning, sentence processing, transfer timing; English undergraduates, native German speakers aged 17-36; 9000419

foreign-language acquisition factors/functors, collection/description/ ordering; 9000414

foreign-language classroom acquisition, S. D. Krashen's input hypothesis evaluated; German as a foreign language learners; 9005422

foreign-language instruction emphasis, fluency vs reading/writing skills attainment; 9005285

foreign-language instruction, communicative approach use theoretical/ experimental bases; 9005321

foreign-language instruction, communicative skills framework; 9007643

foreign-language instruction, natural approach/oral verse-making techniques similarities; 9007734

foreign-language learning abilities diagnosis, psychological aspects; 9007818

foreign-language learning aptitude, adults, cognitive learning programs; theoretical/practical aspects; 9000234

foreign-language learning style/motivation, individual variation; cognitive theory framework; 9002441

foreign-language learning, motivation conceptualization; questionnaire; Hungarian-speaking English as a foreign language adult beginning/ intermediate learners; 9007763

foreign-language learning, school setting, realistic theory development; 9007682

foreign-language lesson, narrative view, ethnography/social psychology insights basis; 9005235

foreign-language reading proficiency, linguistic code acquisition vs specific ability; 9005251

foreign-language teaching programs, proficiency concept impact; 9005208

foreign-language teaching, communicative competence goal, teachers' theoretical framework/classroom practice; 9007589

foreign-language teaching/linguistic theory construction, bidirectional relationship alternative view; 9005192

French as a second language instruction theories/methodologies history, US, 1927-1989; French Review articles; 9005297

French as a second language, German beginners; students' questions as learning strategies manifestation; 9002869

German as a second language acquisition, classroom learning styles effect; studial/experiential learning styles distinguished; 9000409
German as a second language adult learners' word order rules acquisi-

tion, classroom vs naturalistic setting; 9000408

German as a second language instruction, North Rhine-Westphalia late resettlers; programs/material critique, theoretical requirements practical application failure; 9000353

German as a second language instruction, speaking/listening/reading/ writing skills interrelationship/reciprocal action; G. König's ap-proach elaborated; 9000338

Hebrew as a second language learning, day-care immersion, child aged 1:10-3:0; developmental sequence; 9005418 imagery, "allusionary base" component; reading instruction/language learning implications; 9002429

inflectional morphology, poor/normal readers, verbal deficit hypothesis aspect; 2nd/4th/6th graders; 9008033
initial reading/writing instruction, West German discovery approach pedagogical/methodical principles; 9000500

innate/acquired abilities interplay, language-learning processes mathematical models; stimulus-response/generative grammars explanations; 9000012

interactive language learning/teaching principles, technology age;

interactive language-teaching/-learning principles; 9005313 introspection/intentionality, advanced second-language acquisition; English as a second language German females; 9002996

language acquisition, grammar knowledge facilitation; 9002986 language acquisition, traditional theories' fundamental assumptions challenged; children's categorization acquisition; 9005019

language development theory, H. Werner's developmental psychology framework experimental support; 9002482

language learning/teaching, language intuition/dialogue/exploration-of-patterns/preferred language/short-circuit hypotheses; 9007564 language syllabus design/assessment principles, applied linguistics as framework; 9005307

language teaching/testing theoretical foundations development, class-room findings application; unified theory development problems; 9005430

language-learning conceptions, behaviorist/cognitive/voluntarist approaches/models; 9002985

language-learning strategies choice/use, good vs poor learners, affective factors; existing research reviewed/synthesized; 9000325 language-learning strategies, methods/findings/instructional issues; research review; 9003008

language-proficiency testing/theory, recent shifts, limited English-proficient students; 9005485

language-teaching theory, method concept/historical analysis short-comings; 9005295

language-teaching/-learning methods linking, metamethodological activities use; 9005304

learning assistance models elements combination, prospective college students use; 9000581

learning difficulties/theory of systems, general relatives; social interac-tion role, knowledge construction; 9007299

learning strategies; German classes, French schools; autonomy emphasis; 9005161

learning styles, different perspectives integration, cognitive/ perceptual/cultural elements; 9007371

lexical strategies, second-language learner proficiency correlation; English-speaking Russian as a second language learners; 9005455

linguistic abilities, traditional/intuitive vs scientific models; 9000189 literacy achievement, cognitive skills prerequisite questioned; severely retarded Italian boy aged 8:11; comment, reply; 9005508

literacy, contemporary teaching changes, children's reading/writing acquisition insights basis; 9002660

literacy, historical/feminist/V. N. Voloshinov's, M. M. Bakhtin's the-oretical approaches, classroom reading behavior examples; 9007945 literacy-learning expansion, reading/writing activities integration, whole language teaching approach; 9005591

mediated learning/spontaneous comparison/categorization/reading comprehension, functional relationship; deaf children; 9003090

metadiscourse/anxiety interaction, children's social studies textbooks materials acquisition determination; 6th graders; 9003301

metaphor in text effect, new concepts acquisition; 2nd/4th/6th graders; cognitive developmental study; 9007452

metaphorical comprehension, semantic feature analysis instructional method; Utah 3rd graders; 9007899

narrative consciousness/writing abilities development, children aged 8-11 vs 15-18; 9008159

orthography, language-psychological model, orthography teaching suggestions; 9004358

parameter fixation conceptualization attempt, domain-specific learning explicit model; grammar ontogeny problem; 9000013

perceived verbal/paralinguistic immediacy, perceived cognitive learning, accommodation relationship; 9007453

perceptual learning styles, aptitude/treatment/interaction studies reviewed/applied, literacy instruction; 9003121

phonological knowledge/generalization learning relationship character-ization, phonologically disordered children; 9002594

reader-response, literature/student writing equivocal application; 9000776

reading acquisition, development considerations, biological/linguistic development correlation; 9003298

reading disability remediation, cognitive-adaptationist vs diagnosticprescriptive approach effectiveness; 3rd-grade student; 9002355

reading instruction behavior dependency, classroom's theoretical orientation; teachers' self-profiles/practices incongruencies; 9007932

reading instruction framework reconstruction/alteration, specific activities/differing learning styles relationship; 9003145

reading learning rate, sex differences, intensive summer reading clinic; 9004827

reading recall/recognition measures, PORPE-trained vs questionanswer strategy use; college freshmen; 9003231

reading/cognitive learning processes development, learner cooperation importance; 9005649

recall-recognition tasks, informative extended discourse concretization facilitative effects; 9000738

rote learning use, second-language classrooms; Japanese vs US students' attitudes; questionnaire, recognition/recall tests; 9005344

second-/foreign-language learning teacher recommendations/ suggestions; indirect/direct strategies; 9005439

second-/foreign-language reading comprehension, background infor-mation/schemata role; 9005249

second-language acquisition instruction, cognitive theories/learning strategies research applications; 9005437

second-language acquisition process, cognitive-psychological theory; Russian as a second language East German learners; 9003024 second-language acquisition research contributions, current learnability theories/principles; 9003016

second-language acquisition research, theoretical implications;

second-language acquisition theses, native-/second-language genera-tion patterns/strategies similarity; 9002944

second-language acquisition, subjective vs objective learning theories; teachers'/students' language teaching/learning reflection; 9003002 second-language acquisition/instruction, cognitive theory of acquisition influence; 9005172

second-language development, new understanding, grammatical categories' innateness basis; 9000423

second-language instruction, grammar teaching relevance; S. D. Krashen's monitor model/noninterface hypothesis critiqued; 9000333

second-language instruction, mistake correction vs prevention, learning psychology viewpoint; 9007607

second-language learning strategies, A. Wenden's/J. Rubin's Learner Strategies in Language Learning reviewed; 9002937

second-language learning theory/practice, cognitive/action psychology contribution; 9007366

second-language learning, cognitive/hemispheric processing styles role;

second-language learning, individual differences; 9007798

second-language learning, learner autonomy notion; symposium report;

second-language learning, metalinguistic performance/interlinguistic competence relationship; 9007751

second-language oral comprehension/production acquisition process, S. D. Krashen's model basis; liaison/access strategies; 9005454

second-language textbook research, principles/theses/criteria; German as a second language instruction; 9002857

second-language vocabulary learning, memory-psychological studies survey; 9007620

spelling strategies, 1st graders; journal-writing samples, observations; 9007940

substrate hypothesis development/interpretations; second-language ac-quisition findings applicability, substrate influence research, creolis-tics research basis; 9006808

syntactic categories learning, structured input use; natural language coherence appropriate use, learning process guidance/facilitation;

teacher education, pre-/in-service educators, strategic overlay model implementation; 9007922

teaching/learning conceptions, precise/predictable reciprocal activities vs events/subject matter interrelationship; L. Wittgenstein's lan-

guage game; 9007115

text structure/summarization instruction, expository text learning facilitation; 5th graders; 9000483

text-based materials recall facilitation, organizational word visuals use;

verbalization effects, discrimination reversal learning, moderately mentally retarded children; appropriate/inappropriate cues, relevant stimulus dimension; 9004859

vocabulary instruction, current methodologies' ineffectiveness; 9000576 vocabulary learning, captured mental imagery/mental imagery/ sentence writing only methods compared; 9005114

vocabulary/spelling acquisition, reading relationship; input hypothesis supporting evidence; 9002522

word acquisition, contextual information use; sorting/cohyponym tasks/color/material/shape tasks; preschoolers; 9007396 word learning, children's early reading processes; eye movements;

9003296

word recognition ability, phoneme segmentation/single sound-letter correspondence skills; prereading 4-year-olds; 9008068

work methods/discipline instruction, collective/structural approach re-quirement; 9005157 writing instruction, curriculum reform need, visual vs verbal learners;

drawing integration; 9008140 writing instruction, stasis historical development/modern use; 9008146

written-language instruction/process, personality/task/cognition/text type variables, writing/reading instruction relationship; 9000803

Letter Recognition and Discrimination

eye fixations, reading, letter/word information integration; sentence reading task; university students; 9008041

hemifield facial/letter identification, physical/name matching effects;

letter naming ability development, critical/transitory importance; kindergartners/2nd graders; 9000739

letter processing, spelling vs reading; neurologically impaired subject's spared/impaired performance, complex pattern; 9002615 letter searching, words/nonwords, time differences; initial encoding/

subsequent scan emergence; 9002572

letter-by-letter reading, prelexical basis; case study; right-handed male; 9005689

literacy development, alphabet/precursor speech sounds role/ relationship; 9003165

phonics meaningful/functional instruction, invented spelling activity; preschoolers, kindergartners; 9000626

reading proficiency development/nature, contemporary research over-view: 9005504

semantic priming skills, multiple sclerosis patients; 9007379 spelling/decoding instruction integration, word order/structure basis; 9000558

stimulus letter sensitivity improvement; fixation point presentation; viewing task; undergraduates; 9007447

target letters selective identification, target/noise letters size effects; C. W. Eriksen's/J. E. Schultz's assertion supported; 9002592

# Lévi Strauss

poststructuralism/linguistics tense relationship; French structuralism/ poststructuralism development history; 9007133

Lexical Theory

associativity/stratification, lexical model fundamental properties meaning/implications; anxieté 'anxiety' analysis; 9001146

asymmetry concept, external/internal arguments structure, Mandarin Chinese ba-construction evidence; 9001416

Chinese bei sentences, unified lexical functional grammar account; 9003617

French (a, e, ε) relation, paracyclic autolexical phonology solution; 9008368

lexical diffusion, phonetic routes; Hispanic dialects' ongoing sound changes; 9003540

lexical/postlexical rules distinction, post-/noncyclic application argument, derived environment constraint subjectivity; Basque evidence;

Modern Standard German palatal fricative (c)/velar fricative (x) distribution, lexical phonology theory reference; 9000963

non-lexical categories characterization, feature matrices use; English clauses; 9006372

Abouré (Ivory Coast) community language/culture, war lexicon; 9006511

Abraham, W., Terminologie zur neueren Linguistik (Terminology of Modern Linguistics) critically reviewed; 9006870

Abraham, W., Terminologie zur neueren Linguistik (Terminology of Modern Linguistics) reviewed; 9006857

acronyms use, spoken African French, literacy presupposition;

affective lexicon structure, two-dimensional circumplex model questioned; 9006867

agreement, multi-modular view; autolexical syntax theory application, West Greenlandic Eskimo person/number agreement problem;

Algerian riddles structure/lexical analysis; Bou-Tielis village residents; 9008914

American English core vocabulary, absolute/relative/cumulative frequencies; 9006846

Anichkov, I. E., idiomatics theory outlined; 9003960

antonymic words' metaphorization, antonymic relation loss; E. Kit-tay's/A. Lehrer's claim contradicted, Serbo-Croatian evidence; 9006158

Arabic synonymy studies, history/current research; theory formation urged; 9004347

artificial intelligence terminology creation, multiple realizations, intertextual continuum; 9001966

Australian English, southeast lexical usage region defined; 9004177 axiological modality, classifier/nonclassifier distinction, pragmalinguistic framework; 9008661

axiological strategies, natural language vocabulary's axiological potential; evaluations typology, linguistic expression strategies; 9001929

Azerbaijani vocabulary, polysemous development, meaning alteration types; 9004343

Bologna Italian dialect, morphophonemic alternation, C. F. Hockett's description methods limited applicability; 9009171

Bulgarian technical terminology formation; 9009301

Bulgarian/Serbo-Croatian lexical approximates, typology; 9006616 Catalan terminology, historical/socio-political developments; special-ized terminologies systematic program; 9001931

Classic Arabic/Modern High Arabic word frequency comparison, absolute/relative frequencies, text length/style; 9004340

collocations definition/compilation, technical-scientific vocabulary;

"color" books, journalistic Russian, history/semantic motivation; 14th-century England; 9001978

color terms, lexicographic definition, historical/contemporary Italian lexicons; 9009260

comparative lexicology, equivalence types; 9006621

comparative texteology, equivalence types, vocable comparative texteology, onomasiological/semasiological/syntagmatic/paradigmatic orientations/aspects/approaches; 9004354

comparative/contrastive lexicology, lexical equivalence/correlation, sememe overlaps; 9006667

complex lexical items formation modés, medicine vs information science; 9001963

conjunctive proverbs, form/meaning/definition/hierarchy; 9009316 Croatian lexicon frequency structure, I. Furlan's/Z. Sojat's frequency lists: 9006845

Czech argots, J. Hubáček's Malý slovník českých slangů (Concise Dictionary of Czech Slang) reviewed; 9009261

Czech hat designations, history/presence, semantic motivation; 9004243

Czech horse riding/racing terms corpus, quantitative analysis, word-formational patterns/affixes; 9001976

Czech/Bulgarian secondary prepositions development, nouns/verbs/adverbs as bases; analogical patterns; 9006562

Dahalo (Kushitic) vocabulary list, "probable etymology," Bantu loans; 9001936

derivative lexical meaning, diachronic vs synchronic notion; grammati-cal/lexical meaning relationship; 9006145

diachronic polysemy/historical heterosemy, Russian historical designa-tions contemporary interpretation; 9006547

dictionaries, encyclopedias, glossaries; historical sketch; 9006836 discourse analysis/transsentential linguistics terminology, formation/ etymologization problems, designative adequacy/specialization; 9006250

discourse popularization, lexicological observations; 9001960 discourse-vocabulary relationship, text's lexical realization; word as symbol/index, pragmadiscursive/indexical meaning; English material; 9001308

Dutch pakkie-an 'clothing, dress' idiomatic meaning, etymology, for-mal/semantic evolution; 9001935

Dutch pluralia tantum formation, lexical phonology account; 9003762 Dutch suffix -tuur origin/productivity; Latin source/borrowings, word list; 9006858

Dutch/English telescopic words, word-formation patterns; 9001961 Dutch/Germanic ding 'thing', etymology/meaning evolution/ extension/derivations/legal specialization; 9001579

Ehlich, K., Interjektionen (Interjections) reviewed; 9009312 encyclopedia development/editing process, linguistic questions; 9009262

English -gry words classification; Old English/French origins, unique occurrences; 9001974

English -person suffix inconsistent use, nonsexist suffix intent defeat; 9004349

English fuck verb/adverb/gerundive/nominal uses, G. Matthews's Little Red Rooster, 9006854

English language vocabulary, naval terms/slang contribution; 9004350 English lexicology, J. Tournier's Introduction descriptive à la lexicogénétique de l'anglais contemporain (Descriptive Introduction to the Lexicogenetics of Modern English)/Précis de lexicologie anglaise (An Outline of English Lexicology) outlined; 9009321

English neologisms, DNA/rape/drinking/insanity themes; 9006838 English neologisms, widespread adoption chances; 9004342

English neologisms/phrases explanations; 9009313

English sports vocabulary, social implications; 9009481 English word formation, dramatic developments/modern trends, scientific terminology; 9001970

English/French/German/Spanish multilingual/glossary, energy/ techniques evolution/defense terminology; 9001954

expert knowledge activation terms' specific nature, appropriate description instruments development; 9001945

expert system computer program development; terminological consultant role; 9001984

Florenskiy, P. A., term notion, linguistic/philosophical analysis; 9001500

foreign-language instruction, lexico-grammatical theory application;

French -o lexical items, semantic values; contemporary dictionaries;

French croquignole 'crunchy little pastry', first attestations; 9009305 French expressions, color use reasons, English parallels; 9001952

French language purification, Anglicisms elimination; 9006868 French newspaper language, lexical formation patterns; L'Humanité material; 9004440

French phrase blanchiment de l'argent 'money laundering' origin/use; 9004337

French political vocabulary, 1980s, positive/negative values expression, terms typology, evaluative meaning analysis; 9003740

French projet 'project, plan, design' term, semantic field; 9008585 French scientific vocabulary history, Centre National de la Recherche Scientifique studies; 9009304

French scientific vocabulary history, project/publication; 9009303
French tonton 'uncle'/diable 'devil' political men designations,
Libération daily newspaper, 1988 election; 9006943

French word/lexical item differences; 9001969

French-language lexical innovations, 1789 Revolution era; 9004352 French-language use promotion problems, technical language world; IMB/U Laval joint project; 9001964

French/Bulgarian interjections comparison, lexical status/semantic modality; 9009069

French/English allergy testing, terminological confusion; 9009310 French/Italian bilingual dictionary creation, bilingual lexicology scientific bases renewal/affirmation; 9001878

function words' function, functional-communicative language description framework; W. Schmidt's contribution; 9006116

Galician words' meaning/origin/attestation; 9009265

general/French linguistics, recent studies; general progress, theoretical innovations; 9006433

German conjunctions, lexical/syntactic features hierarchy; 9003596 German event nominalization, derived nouns' idiosyncracies; 9003590 German infinitive complement structures, matrix verb's control behavior; lexicon role; 9003662

German infinitive constructions occurrence; valence carriers' semantic features/lexical-semantic grouping; 9001113

German length/weight designations, phraseological occurrence; meaning/connotation/origin/attestation; 9001958

German masculinity/femininity expression, Frau 'woman'/Weib 'woman/wife' semantic/stylistic differentiation, diachronic development; 9006144

German particles, meanings/functions typology; semantic discursive functions; 9006853

German particles/interjections, meanings/typology, semantic value; 9003747

German phrase wir sitzen alle in einem Boot 'we are all in the same boat' origin/history/usage; 9009315

German sentences, automatic analysis, lexical functional grammar for-malism; 9009089

German slogan Sympathisanten 'sympathizers' meaning, pejorative connotation/affix; political reality/language relationship; 9001983 German technological developments/procedures/devices expression, term formation problems; 9001975

German umlaut, phonological/nonsegmental/multilevel analysis, dia-chronic perspective, morphological/lexical factors; 9005967

German vocabulary characterization, phonological/morphological system contributions; language/culture interaction; 9001982

German word classes, milieu criterion; 9006850

German-Czech/Slovak phraseology, comparative studies; 9001972 German/Finnish typologically identical phraseological units, partial/ quasi-equivalence; 9009314

German/Serbo-Croatian biblical proverbs, biblical source fidelity/ modification; 9004103

Greek word tonos, meanings/history; related verb forms; 9006852 Guyanese Creole whichin meaning/syntax/morphology; 9009299 Hausa (Afro-Asiatic) lexical expansion, political language as source; 9006998

ideological vocabulary description, T. A. van Dijk's macrostructural analysis; UK weekly *The Economist*; 9003900

information science, new technologies, terminotics concept; 9001927 international electrotechnical vocabulary, International Electrotechnical Commission, electricity/related fields standardization; 9001939 Italian semilearned words, etymological/lexicographic aspects; 9009320

Japanese-German dictionary, headwords' semantic classification; translation words number/meaning proximity; H. Okutsu's Neues japanisch-deutsches Wörterbuch (A New Japanese-German Dictionary); 9001905

Jula (Niger-Kongo) numerals/numbering system, kelen 'one'/other meanings; 9006716

Kayabí (Tupi-Guaraní) expressive words, ideophones/onomatopoeias; communicative function, syntax, phonology; 9006869

Kiswahili (Niger-Kongo) lexical expansion, African new nation development, Tanzanian linguistic situation; 9004450

Korean case markers' behavior/deletability, degree analysis, lexical/ grammatical conception weight degree; 9008456

Korean lexicon, phonological/morphological structure, glottometric analysis; 9008338

language architecture, Standard vs regional French, lexical/ lexicographic problems; 9008826

language definition labyrinth complexity, few/word; 9009275 language-contact lectures, formal linguistic perspective; 9004150 Latin mergus 'gull', Old Czech rendition; 9006574

lexematics (structural semantics) didactic application, Spanish as a native language instruction; 9003736

lexical ambiguity, J. del Encina's poetry; 9004548

lexical contrastive analysis, method/objective/material, Yugoslav linguistics; conceptual dictionaries compilation proposal; 9006627 lexical meaning theories, objective vs subjective approach; 9008557 lexical system's oppositions, identity/equivalence/privation/ disjunction, semantic/formal/formal-semantic; oppositions theory history; 9004335

lexical-generative analysis, German subject control verbs, empty category notion; comment, reply; 9001473 lexicological contributions, Czech sports terminology/onomatopoeic words formation; Sborník Pedagogické fakulty v Plzni, Jazyk a literatura journal contributions; 9001971

lexicology status, linguistics/applied linguistics relations, 1950-1970; 9001934

lexicology, past/current/new directions; 9001967

lexicology/lexicography/literature terra incognita, literary writers' word/dictionary use/exploration; 9001922

lexicon decay, computation formula/index; 9004334

lexicon, inflective morphology as integral part; R. Lieber's On the Organization of the Lexicon reviewed; 9006864

medical texts' metaphorical language use, English/French/Spanish scholarly papers; 9009319

medical vocabulary, J. F. Socarras's presentation; Spanish lexical deficiency; 9006851 merwunder semantic field, Romanesque texts/lexicographic works,

Low Middle Ages; 9006855 mixonyms, term/composition category/pattern; French material;

9009291 monolingual dictionary, new types development; decoding/general purpose; 9006823

monosemy/polysemy functions, communication; semasiological approach, onomasiological terminology; 9001930

Nebrija's Diccionario/Vocabulario, lexicographic analysis; 9009267 Neo-Latin vocabulary crisis, S. Vasselli's dictionary; lexical "fast food"; 9006839

neologistic terminology, Des mots à la pensée. Essai de grammaire de la langue français (From Words to Thought: An Outline of French Grammar); 9006865

new English terms use, 1988 presidential elections/medical meta-phors/media-related terms; 9004333

new English words, media-based/fashion terms; 9009290

peace research, linguistics role; 9009475

phraseological intensifier, lexical item's literal meaning loss; Polish material; 9006860

phraseology, culture-specific nature, German/Hungarian material; 9009300

Polish lexical exponents of equivalence, semantic analysis, logical rela-tion expression; 9001141

Polynesian/South American linguistic parallels, Easter Island evidence; 9009353

polysemy/homonymy, polysemy disintegration; lexicological/ lexicographic aspects, diachronic/synchronic viewpoints; 9006866 Proto-Algic/-Algonquian color term development, gender symbolism; 9008918

restricted language use/benefits; Airspeak/Seaspeak; 9009309 Rhaeto-Romance, Romance language family position; 9009168 Rom (Indic) lexicology, Srpskohrvatsko-Romsko-Engleski Rěnik

(Serbo-Croatian-Romany-English Dictionary) analyzed; 9004338 Romanian age/time expression words, origins/productivity; 9001932 Romanian daş 'lamb', origin/meaning/etymology; questionnaire data;

Romanian dictionary DEX-supplement, omitted neologisms list;

Romanian înțelegut 'understood' formation history; 9009302 Romanian language attestations, 14th-/15th-century Walachian/ Moldavian Latin documents; 9008963

Romanian neologism zacherlina 'insecticide powder' origin, an-throponymic base/German borrowing; 9009317

Romanian pată 'spot/stain', Latin etymology supported; 9009306 Russian antonymic pronouns tam-tut 'there-here' semantic analysis, written vs oral language use; 9009308

Russian borrowings study, historical lexicology/lexicography task; 9001761

Russian diplom 'diploma'/diplomatiya 'diplomacy' history, etymology/semantic evolution; 9009296

Russian diplomatic language terminology, general language use; lexi-cal-grammatical changes, morphological/word-formational modifications; 9001977

Russian drugoy/inoy 'another, other', pronominal vs adverbial status, semantic scope; 9009297

Russian gal'vanoplastika 'galvanoplastics', Russian etymology; 9009311

Russian introductory-modal certainty-degree words, semantic-logical analysis/typology; 9001182

Russian motion verbs, directional modification, lexical means/affixes; 9008556

Russian simplified words, word composition pattern, typology; 9004345

Russian vvodnye slova (introductory words) typology, binary classifi-cation; 9001985

Russian-Uzbek lexicological terminology, Russian influence, borrowings typology; 9001981

scientific terminology, Physiocrats social nomenclature; syntactic/ semantic phenomena; 9001968 scientific terms definition, technical/concept terms distinguished;

9001947

scientific texts' lexico-semantic relations measurement, methodological problems; 9001355

scientific texts, special language concepts' semantic relations; 9008734 Slavic vocabularies study/description methodology; symposium report, Nové Vozokany (Czechoslovakia), 1989; 9006859

Slavonic dialectology, Dialektologicheskiy atlas russkogo yazyka (Dialectological Atlas of the Russian Language) reviewed; 9009149

Soviet applied linguistics, principal research areas; linguistic processors/machine translation/applied lexicology/automatic lexicography; 9002625

Spanish amalgam words, political-journalistic jargon, blending as word-formation strategy; 9009318

Spanish-language 16th-century borrowings, native Amerindian lan-guages; early explorers' unwritten history evidence; 9001949 Spanish/Basque vocabularies, lexical playfulness similarities; 9009059 special language community creation/development, electrical engineer-ing field; 9004351

special languages research, human sciences base notions/terms; 9004341

special languages, teaching/terminology formation, German-Bulgarian aspect; conference report, Sofia, 1989; 9002787

special vs general vocabulary, intra-/interlinguistic terminology comparative study; 9006644

specialized terminology use/editorial management, Soviet journal Priroda (Nature); 9006847

specialized terms, approximate definition justification; Romanian material; 9009293

specialized text, quantitative approach, medical/ecology/mathematics texts; 9001980

Standard French lexical delocutivity, derivational model; 9006843 subjective word frequency, subjective/objective orderings correlation; French undergraduates; 9001926

Swedish pregnancy expressions; anthropological focus; 9009294 synergy research, computerized linguistic development/expert systems, terminology importance; 9001965

synonymy role, specialized terminological vocabularies; 9001957 technical jargon/terminology formation/development, special-general language relationship, lexical/syntactic influence; 9001940

technical-scientific terminological databases compilation, extralinguis-tic reality reference notion; nominal syntagm's internal structure/ referential value; 9001879

terminological data bank implementation/establishment, financial factors; 9001941

terminological databases automatic management, computer programs development; technical materials translation; 9001946

terminological nomination, lexico-semantic derivation; primary vs sec-ondary nomination; contrastive studies relevance; 9006863 terminological projects, "cutting edge" fields, special problems; U La-

val (Quebec) office automation terminology project; 9001933 terminological research, UN; translation vocabulary precision/

homogeneity improvements; 9001973 terminological studies, current status/contributions, communication field; 9001951

terminology research standardization/normalization, linguists/ specialists cooperation; 9004339

terminology studies, ideal vs real terms; requirements contradiction, motivation vs conciseness; Russian linguistic terminology; 9006856 terminology work, personal computer, concept-oriented approach; 9001979

terminology/lexicology differentiation problems, "word" definition dif-ferences, free/bound predicates distinction; 9001955

terminotics, modern linguistic information processing/derived "indus-trial" products context; information science contributions; 9001928 text cohesion/coherence, referential connectors, typology, Slovak ma-terial; 9003705

text reception, lexical-thematic lines analysis relevance; German material: 9003895

text style markers recognition, English/Italian popular/specialized texts; readers aged 25-45; 9008739

textual production process, proto-terms' specific linguistic characteris-tics/properties; mental representations construction/linguistic se-quences creation relationship insights; H. Heine's *Lutezia*; 9001956

translation, French/English mechanics terminology; 9009292 translation/interpretation, students/teachers program colloquium; terminological needs, various situations/European countries; 9005862

Ukrainian meteorological terminology development, native sources/ international formants integration; 9004344

Ukrainian/Russian political vocabulary formation; 9004353 verb description, modular-integrative model, content/expression levels

components, semantic micro-/medio-/macrostructure; 9003758 verb lexematics/syntax relationship/interdependence, Spanish tratar 'to treat'; 9003635

vine cultivation vocabulary, Ponta Grossa, Brazil; questionnaire; grape growers; 9009323

Vinogradov, V. V., Russian linguistics contributions; 9003997 women's social role, English/Serbo-Croatian proverbs, negative attitude; 9004348

word as palimpsest, superimposed phonological/written messages, con-texts; 9009298

word classes/parts of speech, Latin grammar origin, historical review; 9008872

"word" definition problems, text division; distinctive phonological ele-ments importance; 9001959

word in text/dictionary entry distinction disappearance; acoustic pho-netic/semantic definitions inadequacies; 9001944

word's importance, figurative discourse, semiotic study; 9001943 word's unique meaning derivation possibility, D. Kaiser's arguments reviewed; 9001953

word, lexical/morphological/syntactic/phonological definitions, A. M. Di Sciullo's/E. Williams's On the Definition of Word reviewed;

9009322

word-formation processes, five-feature typology; 9006849

word/phrase structure/formation compared, semantic/syntactic aspects; 9001962

word/term concepts, general vs special language, knowledge structuring as differentiating feature; 9006841

words' appearance/origin dating issues, simple methods outlined; 9001937

Linguistic Interference

adult second-language learning, universal grammar accessibility; prodrop parameter acquisition; beginning-advanced native Englishspeaking Spanish learners; 9005392

Azerbaijani writers' Russian literary works, morphological interference, case systems incongruence, norm violation; 9003760

Balkan languages' elative degree expression; lexical/morphological means similarity, calquing, interference; 9004399

Balkan languages' equative constructions, structural/lexical similarities interference, "contact kinship"; 9004398

Balkan languages' tense forms similarity, areal characteristics, pattern calquing, mutual contacts effect; 9004400

biliteracy framework, interrelated continua series proposed; 9005806 Bulgarian as a second language, Spanish-speaking students, vowel pronunciation difficulties; phonetic interference, error analysis; 9005332

Bulgarian velar consonant /x/, Arabic equivalents, second-language learners' error analysis, linguistic interference effect; 9006629

Centre de traduction littéraire de Lausanne (Lausanne Literary Translation Center) purpose/resources/publications; 9005885 composing experiences. Thai English as a second language writers:

composing experiences, Thai English as a second language writers; self reports; 9007746

diglossia, standard-nonstandard varieties interaction, phonetic/lexical changes, Romania; 9009148

English as a foreign language adult Chinese-speaking learners' reading miscues analysis; first-language influence positive/negative impact; 9003032

English as a second language diagnostic testing, multiple-choice grammar tests; interference error analysis; Italian undergraduates; 9002701

English as a second language, consonant pronunciation/reception, Azerbaijani learners; phonetic interference errors; 9002943

English as a second language, Dutch learners, communicative competence/interim language notions, compensation strategies; 9005463

English-Spanish contact/conflict, Anglicisms invasion, code-switching, sociolinguistic interference/transfer; 9001767

Esperanto-German false friends, alphabetic list; 9001758

foreign-language phoneme acquisition, initial stages, influencing factors; English-speaking Polish as a second language learners; 9003014

French as a foreign language study issues, Nigeria; error sources; 9005382

French as a second language, German students, gender interference problems, didactic remedy; 9000256

French intonation acquisition, native Canadian English/Japanese speakers; cross-linguistic influence: 9002997

speakers; cross-linguistic influence; 9002997

French mother tongue intergenerational transmission, mixed mother-tongue families, Canada; 1981 census data; 9004510

German as a second language instruction error analysis, linguistic interference; Polish high school students; 9000361

German as a second language, Bulgarian students, reflexivization errors; linguistic interference, error typology, systems compared; 9000359

German-Slavic onomastic contacts, interference, history; 9001818
German/Arabic interference, preposition an 'at, in, on, to' translation, error analysis: German undergraduates learning Arabic: 9002752

error analysis; German undergraduates learning Arabic; 9002752 interference errors, tentative axioms; Igbo (Niger-Kongo) dialects evidence; 9005438

interlanguage pragmatic competence, second-language learners' speech act performance; Spanish as a second language English-speaking adults; 9000421

interlanguage use/variation, native Taiwanese speaker; oral English taped samples; sociolinguistic factors; 9003005

interlanguage variation/development, planning explanation; monologic production tasks; English as a second language Japanese learners; 9002969

Italian immigrants' language behavior/attitudes, New Zealand; census data, interviews; Turangi residents; 9009449

Italian-German bilingualism/diglossia, Ticino canton, bilingual families' linguistic behavior; 9009099

language acquisition/interlanguages, multilingual settings, descriptive framework development; 9003023

language transfer errors, correction methods compared; French as a foreign language English-speaking college students; 9003025

language transfer, cross-linguistic influence; sophisticated theoretical framework need: 9007799

language transfer/translation relationship, second-language learners' interlanguage phenomenon reflection; 9007758

language-contact lectures, formal linguistic perspective; 9004150 language/reality representation, essays' semantic content/language relationship, Sardinian vs Italian; rural/urban high school students; 9005830

Latin-Romance interference, prepositional constructions, medieval period, Iberian peninsula; 9004153

lexical interference, semantically related/paronymous Russian/ Armenian words; Armenian Russian as a second language learners; 9005338

lexical organization/representation access procedures, bilingualism effect; 9005781

linguistic interference, intra-/interlinguistic situations; 9006738 Polish Americans' language, American English borrowings assimilation, phonetic/morphological adaptation, native/host language interference: 9004144

Quechua/Nimara interference, Peruvian Spanish; sociolinguistic/ pedagogical perspectives; 9006954

Russian as a second language teacher training, Armenian colleges, translation theory/practice teaching; linguistic interference, syntactic/morphological/lexico-semantic transformations; 9003496

Russian/Bulgarian bilingualism, intonational patterns, neutral/modal intonation, interlinguistic interference; 9005816

Serbo-Croatian/US English contact/interference, American Croatian newspaper language; preposition use, US English pattern; 9006723

Slovene/non-Slovene epitaphs, sociolinguistic analysis; language interference/contact, contemporary language use reflection; 9002079

Spanish verb morphology/semantics transfer/continuation/ modification, language-contact situations; Spanish-based creoles; 9004160

transfer role, first-language/second-language acquisition; interference errors, context/communicative situation role; 9007803

transfer/interference problems, second-language/translation teaching perspective; psycholinguistic/sociolinguistic literature survey; 9007609

Turkish juvenile's German free speech, suprasegmental analysis, accent/melody errors; German/Turkish patterns; 9005987

Linguistic Relativity

French color terms, linguistic relativity/universality status questioned; 9006720

language acquisition, linguistic relativity/cross-cultural contexts; 9002101

language/gender/social identity/thought relationship, feminists' generic he elimination attempts effects; 9006973

translatability, linguistic relativity hypothesis critique, language/culture/cognition relationship; 9008289

Linguistics, Teaching

anthropological linguistics, introductory courses' aims/cultural content integration; 9008913

Guillaume, G., Leçons de linguistique 1946-1947 (série c) (Lessons in Linguistics 1946-1947 (series c)) reviewed; 9008903

Hock, H. H., Principles of Historical Linguistics reviewed; 9001663 linguistic research, F. Weber de Kurlat's contributions; 9006468 linguistic/cultural training importance, US engineering graduates, U of Illinois programs; 9009202

linguistics instruction, English-speaking countries, R. Quirk's books' value/uses/impact; 9000145

translation profession, current demands, US business/science/research sectors; membership survey, American Translators Assoc; 9008244 "zero-German" interlanguage development, German linguistics introductory course; 9007627

Lipreading

language/speech acquisition, verbo-tonal method/cued speech joint use; hearing-impaired children; 9007205

lipreading instruction/hearing-aid use, elderly patients; 9004887 Revised Shortened Utley Sentence Lipreading Test, validity/

efficiency; 9009848 speechreading competence, experience/linguistic context effect; postlingually deaf/normally hearing adults; 9004725

speechreading performance, verbal inference-making/working memory capacities tested; 9004727

speechreading signal, /p,b,m/ visible articulatory movements; 9004695 speechreading, practice effects, same vs different CID sentence lists; 9007221

Listening Comprehension

auditory perception, music/speech similarities; 9002318 authentic foreign-language listening texts usefulness, beginning students; 9002960 cloze tests/response analysis results, listening/reading ability; children aged 8-9/11-12/13-14; 9003184

Dutch as a native language instruction, Dutch high school; oral skills testing, listening ability; 9000165

English as a second language acquisition, listening comprehension strategies, mental processes; intermediate level Hispanic learners; 9000431

English as a second language instruction, German students, listening comprehension, psycholinguistic conception; 9005290

English as a second language learners' comprehension, information type relation; native-nonnative speaker conversational adjustment; 9002971

English as a second language learners' engineering lecture comprehen-sion, listening strategies instruction; 9007673

English as a second language teaching, academic listening task case study; Arabic-speaking student; 9000394

English as a second language, listening comprehension instruction, componental drills; 9002824

English for academic purposes listening comprehension, autonomy relevance; 9002831

English for academic purposes, listening comprehension tasks/ demands taxonomy, post-graduate social science students; 9000207

English language/literature instruction, new ideas/methods need, changing cultural attitudes importance; 9007515 English listening micro-skills, Korean students; diagnostic test, item analysis; 9000397

English-language instruction, listening comprehension as neglected area; 9005318

foreign-language instruction, comprehension-based method, "active listening" key; 9007666

foreign-language learners' listening comprehension, receiver apprehension influence; Puerto Rican undergraduates; 9007744 French as a second language instruction, listening comprehension in-

struction, radio dramas use; 9002829

German as a second language instruction, Chinese students, beginner level; listening comprehension didactics; 9000381

German as a second language listening comprehension instruction, vid-eotaped subtitled TV programs use; 9002698

intermediate-level Spanish aural/oral instruction, video materials use; Australia; 9007644

listener/speaker text/task interaction, academic lectures, secondlanguage listeners' performances, post-prerecorded texts presenta-tions; 9003015

listening comprehension as reading gains predictor; 1st-8th graders; 9003137

listening comprehension improvement, structured listening activity use; kindergarten-grade 3; 9003103

listening comprehension skills instruction, "Learning to Listen & Listening to Learn" program; high school English students; 9007553 listening comprehension/culturally relevant materials relationship, Canadian Native Indian children aged 7-8; 9005259

listening skills development importance, children's speaking/reading/ writing achievement; 9005117

listening/reading comprehension measurement, sentence verification technique, developing countries; 9005714

listening/reading/writing comprehension facilitation, visual imagery strategy use; 9000542

native-language instruction, listening skill development; 9000147 reading comprehension/composition/speaking/listening skills, wholistic reading technique effects; 6th/8th graders; 9007885 reading disabilities identification, listening/reading discrepancy scores use; learning-disabled vs normal 4th-6th graders; 9004853

reading/listening comprehension; sentence combining practice; 4th/8th graders; 9008006

Russian as a second language instruction, reading/listening comprehension teaching methodology; colloquium report, Potsdam, 1988; 9002804

Russian as a second language listening proficiency development, listen-ing comprehension exercise network (LCEN) use; 9002879 second-language instruction, listening comprehension, pedagogical criteria; 9000288

second-language instruction, reading/comprehension models/approaches; literature survey; 9007594

second-language learners' communicative proficiency evaluation, AC-TFL/ASLPR scales' content/administration problems; 9005476

second-language listening comprehension, background knowledge effects; Spanish as a second language learners; 9005428

Spanish as a second language listening comprehension achievement, song/music text vs narrative/dialogue methods effects; high school students; 9000181

spoken language phonotactics implications, English as a second/ foreign language learners' speech production/perception; 9003552 standardized listening tests results; printed information amount; 3rd-8th graders; 9008036

Literacy

academic reading/writing, adult college/university students; academic language use, cultural/economic/political interactions; 9003147 adult basic education recruitment/retention, research review/synthesis, success factors; English speakers aged 17+; 9000486

adult education reading assessment, autonomous/pragmatic literacy models; Test of Adult Basic Education earlier vs modified version;

adult illiteracy, educational/sociological/psychological consistencies observed; 9003219

adult learners' reading/writing acquisition, "literacy continuum" stages; case study; 9000536

adult literacy improvement, annual reports use; 9003056

adult literacy instruction, computer technology use; privacy, immediate feedback, individualized instruction; 9000655

adult literacy instruction, Kenya; 9003185

adult literacy instruction, Language Experience Approach; 9003053 adult literacy instruction, students' background knowledge, activation/ cooperative learning methods; 9003199

adult literacy instruction/policy issues; descriptive analysis; quantitative/qualitative reading performance; 9000466

adult literacy intergenerational project, family intervention/prevention model; low-reading-skilled adults; 9000608

adult literacy literature review, 1980s; 9004451

adult literacy media campaign, respondents' demographic/economic/ educational characteristics; 9000465

adult literacy programs appraisal, distortion sources; 9000515 adult literacy programs, computer integration; 9000666

adult literacy programs, effective psychological design criteria;

adult literacy programs/native language use; Zaire; 9009511 adult literacy promotion politics, international perspective; developmental strategies/approaches; 9000493

adult literacy service providers surveyed, Idaho; 9000467 adult literacy, computer-assisted instruction/technology use importance; 9007921

adult literary, tutor training, paired reading technique; 9000638 adult nonreaders' reading concepts, knowledge- vs print-based strategies; 9005678

adult poor readers' inference generation ability, content/structure clues effects; 9000699

adult reading comprehension, expository text structure strategy, read-er-only vs reader-author instruction; 9000478

adults' reading progress assessment, classroom research development/ execution; teacher research advantages/limitations; 900549

Amis, K., linguistic observation/impersonation ability, writings' sociolinguistic value; 9004581

ancient Roman education, Greek-Latin advanced literacy transfer; historical investigation; 9002622

Argentina/Latin America educational system description; children's/ adults' illiteracy remediation needs, primary education role; 9005582

assisted reading efficacy, reading success facilitation strategy, adult disabled readers; 9003241

attrition problem, adult literacy programs; causes, solutions; 9003082
Baka literacy project, Southern Sudan; limited community involvement; motivation/attitudes/needs; 9003085

beginning English as a second language literacy instruction, content-based approach; 9007581

beginning literacy instruction, dialogue journal writing approach effect, 1st graders/parents/teachers; 9003378

beginning reading, metalinguistic abilities role; 1st graders; longitudinal study; 9000654

biliteracy framework, interrelated continua series proposed; 9005806 black sermon as literacy event, Chicago-area black churches; partici-pant observation; 9003840

braille literacy decline causes, societal beliefs/misconceptions; 9005694

censorship/student literacy relationship; 9000665

children's classroom story writing, forms development; 9000788 children's literacy achievement, parents'/teachers'/principals' roles; middle- vs lower-class background influence; 9005513

children's literacy assessment, group administered norm-referenced tests vs individual teacher assessment; 9000749

children's literature/literacy, A. P. L. Sarrat Saumell's opinions; 9003291

children's spoken/written language development, birth to age 8; early language experience influence; 9002504
Cima, A., "Cherubino" (The Cherub) interpretation/translation; literary-critical perspective; 9008292

cognitive/literacy development relationship; additive seriation, hierarchical classification, reading comprehension, literacy interview; 5th graders; 9005542

college literacy achievement assistance, nontraditional students; text/teacher-student interaction uses, context-based study; 9005127 computer-assisted literacy training, low income adults/children;

creative reading, social service activity, elderly persons; participants, dynamics, materials; 9005499

critical literacy development, basic writers' integrated skills reinforcement program; 9003368

critical reading instruction, counter-construction role, socially critical perspective; 9003233

cultral adaptation, vernacular literacy programs, Irian Jaya (Indonesia); 9007928

deaf vs hearing children's emergent literacy, associated environmental factors; children aged 5:3-6:11; 9005663

developing readers' literacy learning, whole language curriculum, cog-nitive/social aspects; 9007864

direct instruction concept, myths reconsidered; 9000490 dyslexics' literacy, syllable division ability prerequisite; dyslexics aged 7-15; ten-year project; 9002356

early literacy as social/cultural phenomenon, bilingual home; natural-istic research methodology; participant observation, journal keeping, written products analysis; 9003110

early literacy learning, microcomputer use; developmental writing approach application; 9000534

early literacy, frequent story reading exposure positive effects; 4-year-olds; 9000475

early literacy, interest/purpose/choice roles; 9003209

emergent literacy behaviors, home environment effect; preschoolers; 9003063

emergent literacy, cognitive processing/language development roles, children aged 4-6; 9002540

emergent literacy, recent research; traditional kindergarten writing limitations, current recommendations; 9000473

emerging literacy preparation, two-fold theory, parents' roles; 9003072 English as a second language pedagogy, castelike Hispanics, higher education; J. Habermas's communicative competence theory, P. Freire's literacy theory; 9002881
English/Kiswahili orality/literacy acquisition aspects; Kenyan primary school children; 9002556

English/Spanish/bilingual language background/literacy skills relationship, Hispanic adults aged 21-25; 9003057

Expository Writing Program, literacy environment creation; 9003206 first-/second-language literacy, current perspectives; 9007766

French as a national language status/retention/promotion, Franco-phone African nations; 9005796

functional literacy promotion, cooperative learning use; college students' medical procedure enactment/recall; 9003194 functional literacy, children's vs adults' values; 9007886

functional literate ability, low-literate prisoners; 9003051

functionally illiterate adults, spelling strategies/spoken code use; Montevideo, Uruguay; 9003054

Ghana literacy programs, local management implementation; 9003181 global literacy, political dimensions, UNESCO literacy program;

Guatemalan Constitution, Cakchiquel version, knowledge/usefulness/intelligibility; questionnaire; Cakchiquel Indians; 9002098

Hausa society (Northern Nigeria) literacy material culture writings/ expression, folklore perspective, ethnographic study; 9004479

Hmong adolescents' literacy, use, resettlement process, US; 9009461 illiteracy as world problem surveyed, human equality planetary viola-tion connection; democracy concept; 9006996

illiteracy causes/problems/remediation attempts, Latin America view-point; 9005597

illiteracy problem, US education system, immigrant influx/ demographic change/undereducated/disadvantaged populations; 9007907

illiterate parents problems, children's successful school preparation; 9000537

imagery, "allusionary base" component; reading instruction/language learning implications; 9002429

independent reading, principals' narrow views/educators' limited per-ceptions; remedial strategies; 9000633

initial reading/writing instruction, West German discovery approach pedagogical/methodical principles; 9000500

Intergenerational Literacy Model Project, Spanish-speaking parents'/ children's Spanish/English literacy development; bilingual model evolution, curricular components; 9005593

Inuit (Eskimo/Aleut) children's natural language use, first-year for-mal education; tape-recorded language sampling exercises; 6-year-olds, Arctic Bay, NWT; 9000174

job-specific literacy instruction; military literacy programs; 9000614 kindergarten writing program description, literacy growth continua-

kindergartners' writing/reading performance relationship; California Achievement Test; 9007843

Kuo language development project, Chad/Cameroon regions; 9003130 language/literacy development, multilingual learners; current re-search/issues; 9000882

left brain hemisphere, language specialization, literacy role; Portuuese-language aphasia screening test; unilingual adult Lusophones;

letter naming ability development, critical/transitory importance; kin-dergartners/2nd graders; 9000739

lieracy development, affective conditions; undergraduate prospective vs graduate student professional teachers' beliefs; 9000590

linguistic description, rule system stereotypes vs observable linguistic behavior, educational implications; 9008810

literacy acquisition topography; Quebec literacy provision effects, pub-lic attitudes; 9005560

literacy acquisition, bilingual setting; Turkish children, West German, schools; 9005823

literacy acquisition, standard vs revised picture; 9004525

literacy activities, Spanish-speaking 2nd-grade classroom; ethnographic evaluation methods; 9005540

literacy approach, tribal colleges, Native American community; 9007894

literacy as social process/issue, Kaingang Indians, Guarapuava, Paraná, Brazil; Portuguese/Kaingang oral/written functions/uses; questionnaires, observations, interviews; 9005526

literacy assessment issues, global perspective; 9009494

literacy assessment, classroom context, internal alternative; 9000742

literacy campaign, Upper Silesia, post-WWII Poland; government policy, institutional forms, teaching materials, statistical data; 9005126 literacy campaigns successes/failures, Third World countries vs technologically advanced societies; 9005553

literacy crises, print-to-electronics transition destabilizing effects; 9001348

literacy crisis, US, cognitive vs motivation problem; 9007884 literacy definition expansion, adult remedial readers; competency-based definitions vs adults' needs; interview; 9000557

literacy definitions/practices, 3rd-grade whole language classroom; participant observation, key-informant interviewing; 9003246

literacy development campaign, Ethiopian Evangelical Church Me-kane Yesus, Ethiopa; 9003221

literacy development, alphabet/precursor speech sounds role/ relationship; 9003165

literacy development, bilingual context; observation/interviews; Cape Verdean women; 9009432

literacy development, readers'/writers' empowerment; belief questioning; low-/regular-achieving 3rd/6th/9th graders; 9007897

literacy development/social interaction relationship; kindergarten students; 9007875

literacy education, Ivory Coast, educational/cultural goal restructur-ing; 9009539

literacy importance, family environment; 9007873

literacy improvement, formal instruction supplementation, extracurricular apprenticeships; 9007959

literacy improvement/self-understanding relationship; 9003155

literacy instruction attempt failure, 21-year-old male; remedial suggestions, whole language theory base; 9000600 literacy instruction improvement, counterpart strategy lessons, fine-tuned reading/writing commonalities; 9000580

literacy instruction, Australian isolated educational settings, satellite communications technology use; 9005618

literacy instruction, classroom practices' social/cultural/political/ economic implications; 9003172

literacy instruction, competing approaches; formalists vs epistemic theorists; 9005769

literacy instruction, Italy; interview; 9007862

literacy instruction, social contexts considerations; 9003211

literacy instruction, Third World, P. Freire's approach applicability; interviews; adults, Dar-es-Salaam, Tanzania; 9009450

literacy instruction/learning, kindergarten classrooms' social/linguistic environments; naturalistic study; 9000472

genre as textual variable, Scots/Amerian English historical evidence; 9006338

"genre" term usage changes, translation studies systemization/ improvement; 9005874

German/French translations comparison/description, H. Ibsen's/A. Strindberg's plays; 9008282

Hausa (Chadic) poetry theme changes, social concerns reflection; 9002136

integral translation, fictional narrative texts, comparison/description method; 9005913

Italian dialectology research, language history/philology cooperation;

Italian immigrants' literary production, Australia; poetry/prose/drama writings; 9009117 Keats, J., "Lamia"/"Peræa" identity; 9004602

language-myth relationship, Germanic ballads'/sagas' hero Wēland; name's etymology/meaning/mythical role; 9004012 language/représentation aspects, J. Joyce's literary work; 9004585 large literature corpora use; FRANTEXT database; 9001711 lexical creativity/neologisms use, R. Gómez de la Serna's literary works; 9002179

lexical/focal preferences, J. J. Rousseau's Emile excerpts; 9004592 lexicology/lexicography/literature terra incognita, literary writers' word/dictionary use/exploration; 9001922

lingua zerga origination/use, 16th-century Italian plays use; 9004596 linguistic/metalinguistic markers interaction, poetic text, J. B. P. Molière's La Critique de l'école des femmes (The Critique of the School for Wives); 9009570

literary scholarship, structural analysis uses/limits, morphological concepts hierarchy basis; 9004600

literary statistical data, computer output control process; G. B. Shaw's rhetoric changes research; 9003914

literary style, major determinants/statistical analysis; 9003907 literary text formation, semantic-figurative system's role; K. Simonov's dramas; 9004576

literary texts production encouragement, native African languages; linguistic/cultural traditions preservation; 9004601

literary understanding, qualitative research necessity; verbal data;

literature, quantitative studies critique; cultural value/generalizability reduction; 9004603

Macbeth, Quebec French translation ramifications; translator's "per-locutionary work," theme/space/time interaction; 9000888

Modern Literary Arabic short story/essay, reference/substitution/ ellipsis cohesive role; text analysis; 9002176

narrative genre typology, direct vs indirect narration, features dichotomy; 9002168 narrative skills/genre knowledge abilities, primary school children; narrative tasks; 9007416

Nun's Priest's Tale, Chaucer's fox statement credibility; 9004594 Old Icelandic sagas' lexical content, borrowings descriptive-expressive purpose; 9004141

personal deixis, drama text, Plautus's Miles Gloriosus; 9007048 personal/place names roles, S. Shepard's dramas; 9004263

Pinter, H., The Proust Screenplay, cinematographic language/ expression means; 9002158

Plautus theatre expository scenes, interrogative strategy; 9001369 Poe, E. A., C. Baudelaire's French translations' influence, English/ French critics; 9000894

poetic speechlessness, J. M. R. Lenz's social dramas; 9004584 poster as short form, literary terms; 9009628

Ramos, G., O Relogio do Hospital (The Hospital Clock), tense forms use, communicative attitude/perspective expression; 9004579 readability formula development, novels' stylistic age basis; 9005634 Röhl, E., journalism/satire, language use/creativity; 9009594

Russian childhood-relating literature, "strangeness" technique; linguis-tic/literary-stylistic aspects; 9001372

Russian journalistic texts, Finnish translations criticized; 9008297 Russian literary title I odin v pole voin (And One in the Field Is a Fighter) origin, G. A. Machtet's novel's title source; 9002170

Scandinavian settings toponymy, place names' literary meanings, H. H. Jahnn's Fluss ohne Ufer; 9001815 "sentence-frame," 17th-/18-/19th-/20th-century German novel; 9009588

Sheridan, B., journal grammar, oral vs written language use; 9009579 Sorescu, M., theatrical writing, irony/humor/paradox contributions; 9002159

Spanish ideographic structure use, J. J. Tablada's Li-Po y otros poemas (Li-Po and Other Poems); 9002141

storyless narration, modern prose narration techniques; F. Mayröcker's works; 9002177

stylized ballad language understanding, computer-aided analysis; F. J. Child's *The English and Scottish Popular Ballads*; phatic language function; 9003915

Tess of the d'Urbervilles name, derivational basis; 9004241 text genre/format effects, mothers' teaching strategies, black Head Start children's reading tasks; 9005685

text interpretation, syntactic/pragmalinguistic means; Brazilian jokes; 9003897

text meaning realization, super-/macrostructure interaction; German literary texts; 9003885

text structures' cognitive functions, G. Büchner's Dantons Tod (Danton's Death); 9006323

The Masses, women writers, multiple social languages rhetorical use; 9004586

Towneley Judgment Play, pronouns thou/thi/ye/you/youre use; 9009567

translated literature, Canadian "literary polysystem" reference; L.-P. Le May's "Evangeline" translation; 9000887

translation of novels, Gerusalemme liberata (Jerusalem Liberated) bilingual edition, translation processes; 9008296

translation role, C. Simon's work acceptance/familiarity; 9000924 translations' stylistic acceptability, two contemporary Finnish translations compared, L. Frank Baum's The Wizard of Oz; 9005901

translator/author historical relationship, theoretical perspective;

Ukrainian feuilleton, genre formation; O. Makovey's production analysis; 9004593

Ukrainian political caricature syntax, typical structures, dialogical/ monological texts; 9006344

Webster, J., The White Devil/The Duchess of Malfi, hyperbole, literary/rhetorical device; 9004560

Williams, W. C., poetry's sound/punctuation patterns; 9002135 WordCruncher full-text-retrieval system, multilingual literary texts usage/problems; 9001720

writing behavior/processes, fiction writers vs college composition stu-dents: 9008116

Literary Theory

African literature instruction, cultural value ideological questions emergence, African universities; tentative classification, continuity/ rupture incorporation; 9004597

artistic text, meaning determination methodology; story analysis; 9008725

Banfield, A., Unspeakable Sentences: Narration and Representation in the Language of Fiction reviewed, pragmatic perspective; 9001337 Becque, H., deceptive/cynical language use, Les Corbeaux; 9004588 Beowulf critical analysis, language/sign/gender studies; 9007073 bilingual Russian writers, neurolinguistic research findings; 9002601

Bryusov, V., poetic language renovation program; 19th-/20th-century Russian poetry; 9004554

causality, narrative discourse; scientific/narrative causal explanations distinction; 9007083

Chernyshevskiy, N. G., "Esteticheskie otnosheniya iskusstva k deystvi-tel'nosti" (Aesthetic Relationships between Art and Reality) vocabulary analysis; 9001364

Chomsky, N., language knowledge concepts critique; 9008791 code-switching, W. Soyinka's artistic use, The Interpreters, 9002174 composition theory/curriculum, personal voice/style place/treatment; 9002175

Dante, language origins discussion, De vulgari eloquentia; 9004589 Dickens, C., English language use, linguistic idiosyncrasy blend;

direct style definition, differentiation system components; The Canter-bury Tales excerpts; 9001373

English prose historical evolution, multidimensional analysis; fictional narratives, expository essays, letters; 9007084 English vocabulary, J. Skelton's contribution significance; 9004599

French novel themes, statistical descriptive analysis; 9004591 French-German Late Medieval passion plays' structure comparison; coordination vs succession/disorder principles; 9002180 French-language use/Arab identity, Francophone countries' writers; T.
B. Jelloun's poetic voice; 9002164

Gardt, A., James Joyce auf deutsch: Möglichkeiten der literarischen Übersetzung (James Joyce in German: Possibilities of Literary Translation) reviewed; 9008213

Goytisolo, J., Reivindicación del Conde Don Julián (Vindication of Count Don Julián), fundamental narration strategies, bodily func-tions relations; 9002156

Grimm brothers' stories revision evidence, emotional tone scores levels/patterns comparison; J. M. Ellis's theory supported; 9004587 Kafka, F., early works' physiological/phenomenological/linguistic psychology; 9007086
Keats, J., "Lamia"/"Peræa" identity; 9004602

language ambivalence, V. Woolf's novels; 9002157

language poetry, language-oriented/-centered writing; structural/ideological limits; 9002146

lexical creativity/neologisms use, R. Gómez de la Serna's literary works; 9002179

lexical richness measurement method, mean frequency role; W. Shake-speare's theatrical vocabulary; 9007085

lexical/focal preferences, J. J. Rousseau's Emile excerpts; 9004592 lingua zerga origination/use, 16th-century Italian plays use; 9004596 literary discourse, metalinguistic strategies; 9002173

literary hero crisis, "I" reality questioning, philosophical/literary implications; 9004595

literary language, meaning/structure/culture issues; 9007089 literary modeling theory need, possible framework; 9006308

literary modeling theory need, possible framework; 9006308 literary scholarship, structural analysis uses/limits, morphological concepts hierarchy basis; 9004600 literary science/linguistics interaction, literary text analysis, linguistic concepts/procedures application; 9004577 literary social conflicts, descriptive/explanatory model sketched; 9009598

literary statistical data, computer output control process; G. B. Shaw's rhetoric changes research; 9003914 literary style history, new theoretical approach, text linguistics models basis; 9001379

literary text comprehension, foreign experiences processing; high school students' literary narrative reception analysis, cognitive processes; 9000711

literary texts production encouragement, native African languages; linguistic/cultural traditions preservation; 9004601

literary theory, J. Culler's Ferdinand de Saussure/D. Sless's In Search of Semiotics reviewed; 9009603

literary title functions, text-semiotic dimensions; climbing routes designation, German/English literary titles; 9006318

literary translation vs literary texts translation, terminological distinction, theory formation; 9008227

literary translation, micro-/macrocommunicative situations rendition, standard/nonstandard language use; 9003502

literature, quantitative studies critique; cultural value/generalizability reduction; 9004603

Marlowe, C., verb use, stylistic analysis; 9002152

metrical analysis recent theories' applicability, R. Frost's poetry; 9002143

migrant literature, guest workers as writers/poets, West Germany; 9004573

Modern Literary Arabic short story/essay, reference/substitution/ ellipsis cohesive role; text analysis; 9002176

myth/language relationship, Uanhenga Xitu's Mestre Tamoda (Master Tamoda) analyzed; 9009595

narrative genre typology, direct vs indirect narration, features dichotomy; 9002168

Nun's Priest's Tale, Chaucer's fox statement credibility; 9004594 Ohno, S., morphological classes/nouns proportion mathematical for-mulation, typical Japanese text; linear regression adjustment, value/ account; 9002172

Old Testament paronomasia/proper names, rhetorical function/ literary effect; 9004590

oral vs written poetry criticism/teaching/translation; 9004568 "pedagogical" "theory constitutive" metaphors distinction, scientific language; 9001378

philology, scientific discipline history; 9009587

poetic text meaning, text structure significance, texteme/texteme units theme-forming role; story analysis; 9008722

poetic text's composition/architectonics, short story analysis; 9008755 poetic/literary text's metalinguistics, M. Fritz's novel, critical reception; 9007076

prosodic function theories, formal vs rhetorical; 9009599

realist discourse, nonfigural metonymic perspective; 9003917

Russian funeral lament lines typology, syntactic/pattern relationships, colon structures; 9002148

Russian funeral laments, 9-/13-syllable suntactic/phonological parallelisms; 9002138

second-person point of view nature/functions, narrative structures; subjectivity/authority challenges; 9002169
Slavic countries/languages, Italian Trecento poets' ignorance; 9009604

Slavic literary languages codification, Italian Trecentò model; 9009601

sociolinguistic perspective addition, "dominated" languages' literature examination; Catalan example; 9006986

Soviet contemporary prose, folk/dialectal sayings/phrases use/ expressive-stylistic value; 9007088

speech acts analysis, I. Compton-Burnett's A Family and a Fortune; 9002161

storyless narration, modern prose narration techniques; F. Mayröcker's works; 9002177

stylistics, intimate letters vs literary fictional counterparts, 17th century; rhetorical/linguistic levels; 9007082

syntactic rhetoric, *Pride and Prejudice*'s characters analyzed, M. A. K. Halliday's model basis; 9002167

"technology in language and literature," bibliography; 9000143 text analysis, linguistic vs literary approaches; 9008735

text/narration theory; recent studies surveyed; 9007087

The Masses, women writers, multiple social languages rhetorical use; 9004586

translated literature position, literacy polysystem; 9005865 translation as impossibility question answered; 9005858

translation theory, J. Derrida's deconstructionism application; 9008294

translation theory, pragmatic/action-oriented approach; 9008238 translation theory, unanswered theoretical questions logocentrism; translation's psychological, social, ideological aspects; 9005854

translation theory/practice, various interpretations; paraphrase/ translation similarities/differences; 9005909

visual codification process, Peruvian Indian G. Poma de Ayala's illustrated chronicle; 9002162

West German guest worker literature characterization, form/language simplicity; 9004578

Williams, W. C., poetry's sound/punctuation patterns; 9002135

Logic of Language

affective or licensing, gapped coordinate structures; 9006350 agentives, canonical form; stit grammar/formal semantics; 9002218 annotative/referential utterances differentiation criteria; 9006304 anti-realism, semantics/logic; M. Dummett's formulation supported; 9004658

argument construction, "reason" statement requirements; 9008712 averbal thinking, existence supported; 9009659

axiological strategies, natural language vocabulary's axiological poten-tial; evaluations typology, linguistic expression strategies; 9001929

Bulgarian/English equality category, logical/semantic aspects, adverbs functional equivalence/use; 9006632

comparativity logic/semantics, axiological/temporal comparison; Ukrainian material; 9006176

competitive function learning algorithm, clustering tasks application; 9009087

concessive clauses, Spanish linguistics treatments, critical survey; 9008494 deixis source/foundation problem, basic linguistic reflection lack;

dialogue study/mathematical logic recent association, word play/game theory studies reference; 9001265

English good/should/would, logical properties; deontic logic familiar paradoxes; 9007122

English predicate logic, introductory text; 9004656

feature structure algorithms specification flexibility/correctness, simple calculus; logical formalism, automata use; 9006392

Frege, G., proper name's meaning/identity/reference, language-philosophical conceptions; "Über Sinn und Bedeutung" (On Mean-ing and Reference); 9007134

God, term definability; T. Aquinas's arguments atheistic conclusion, W. K. Essler's first cause definition; 9004663

group intentionality reduction, properties intentionality; extensional framework inadequacy; 9007129

"grue" color concept, philosophical discussion; 9009663 interval semantics, C. L. Hamblin's critique rejected; 9001152

Latin pseudoconditionals, noninferential meaning determination; 9001178

linguistic sign, monopartite/logical conception, experience/theory relationship, hypothetic-deductive language description system; 9008837

linguistics/logic integration, Russian causal constructions basis; 9009658

logic-based machine translation revision, slot filler/ordering rules use; 9006697

logic/language relationship, E. Coseriu's/Aristotle's views; "logos semantikós" concept; 9007145

logical reasoning, semantic/syntactic processing role, Wason selection

task, content effect; experiments; undergraduates; 9007375 meaning change, "scene inference" role; English self; 9006149 modality, metalinguistic approach formalization; 9009669

natural language processing, human-computer interface; 9009082 natural logic components, logico-mathematical approaches alternative;

natural-language temporal contexts analysis, three-dimensional semantics; H. Reichenbach's framework, English complex sentence;

neural controller, back-propagation algorithm, dynamic/static targets; 9009088

Noreen, A., Swedish compositions description/typology; semantic logical criterion; 9003986

paradoxical sentence types, liar/barber/heterological paradox; reflex-ivity principle support; 9007139

paralogy rhetoric, Platonic/Aristotelian logic discourse production, classical paradigmatic categories continued employment; 9001284

predication, logico-semantic/syntactic relation status; "second predication" notion; 9001080

preference, possible world semantics, logical properties; 9002234 presupposition, logical-semantic category computation, expert systems;

propositional logic inferences prediction, text comprehension process; M. D. S. Braine's/B. J. Reiser's/B. Rumain's model supported; 9004942

quantification, null operator constructions, government-binding theo-ry/logical form representation framework; N. Chomsky's analysis reviewed; 9001405

Russian introductory-modal certainty-degree words, semantic-logical analysis/typology; 9001182

Russian premise-conclusion sequences syntactic realization, explicit/ implicit subject, predication typology; implicit lexical means prepon-derance; 9001055

Russian purpose/cause questions, logical-semantic structure, pochemu 'why'/zachem 'what for/why' interchangeability; 9003745 scope interpretation/psych-verb syntax, R. May's/A. Belletti's-L. Rizzi's analyses combination proposed; 9001431

semantic networks as knowledge representation, artificial intelligence use; common properties/features; 9003715

Serbo-Croatian enclitic word order, syntactic distribution; 9006039

Serbo-Croatian/Italian binary compositions comparison, semantic-logical structure principles, interlinguistic equivalence; 9006668

syllogistic reasoning, language indicators/errors; syllogistic problems, written essays; 9004955 syntactic/semantic/logical valence, German/Serbo-Croatian verbs; same logical relation/different semantic/syntactic realization;

9001078

terminological nomination, lexico-semantic derivation; primary vs sec-ondary nomination; contrastive studies relevance; 9006863 text linguistics, notions/relations/definitions logical formulas; 9008756

text production aspects, argumentative value; 9006321 Tichý, P., The Foundations of Frege's Logic reviewed; 9009664

translation limits, cognitive development impositions; practical adjust-ments; 9003515

Trendelenburg, A. F., movement notion, metaphor/analogy relation-ship; 9001511

Logical Form

abstract case necessity, government-binding theory, null expletives status; 9008788

Chinese reflexivization, pronoun ziji, N. Chomsky's/D. Lebeaux's movement to INFL framework; 9001386

closed domain condition support, Spanish syntax evidence; 9001396 direct/indirect causality relations, language-independent vs -specific syntactic realization; English vs Spanish causatives' underlying ambiguity, logical form level; 9006437

English multiple wh-constructions, S-structure interpretation principle vs logical form interpretations; 9006394

Haitian Creole word pou characteristics, preposition/modal/ complementizer position occupation manifestations; free/disjoint reference data, government/binding theory framework; 9001852 language universals, bottom-up vs top-down typological approaches; logical form, adequate syntax theory/semantic interpretation properties; quantificational interpretation, symmetrical theory; 9001439 model-theoretic semantics, current developments; 9001140

negative polarity licensing, logical form conditions, English/Hindi contrasts; 9008818

Quechua/Turkish case/argument status, subject/predicate "chain" relation: 9001444

Russian nominalization, base/derivative semantic form mapping, product notion; 9003681

## Long-Term Memory

causal reasoning on-line assessment, comprehension process; 9003294 general/specific/autobiographic images generation retrieval, long-term memory information use; 9002443

language changes, normal aging processes, neuropsychological factors; test battery; males/females aged 30-79; 9007482

pictorial memory; immediate/delayed picture-recognition task; apha-sics/nonaphasic left-/right-brain-damaged patients/normal con-trols/Alzheimer's disease patients; 9007491

verbal memory disorders, Alzheimer's vs multi-infarct dementia patients; recall/recognition tasks; 9007489

verbal memory measures, story/list recall tests; head-injured patients; 9005051

visual image experience/memory; vivid vs nonvivid imagers, abstract/ concrete nouns, short-/long-term memory; 9002565

vocabulary instruction method, long-term retention; 9007980

word recognition, synonymic/antonymic relations processing; feature lists comparison, long-term memory structure; 9000106

### Machine Translation

Asian writing systems, computer representation/program development difficulties; 9006692

Chinese 80-TMFC machine translation project, analysis/ transformation/synthesis stages; 9000922

computational linguistics, scientific applications; 9009091 computer-aided translation, control module TEXTPAT; 9003514

English-French machine/human translation, thematization effects; 9005863

English-French translation, Canadian defense order bilingual docu-mentation requirement; Lexi-tech company creation; 9000901

English/Czech machine translation experiment, dependency grammar basis; problems/solutions; 9003517

finite automata theory use, dates/related adverbs automatic recogni-tion, French language texts; 9009085

French translation market, newly available modems/computer cards reviewed/compared; 9005904

Japanese-English machine translation systems development, existing components/problems/needs; 9005895

knowledge-based machine translation applications, transfer vs interlingua systems; 9005898

knowledge-based machine translation, lexicographic support; 9006698 language study, computer use influences; machine translation, mathematical modeling, descriptive approaches; 9004126

language/speech processing laboratory, U Neuchâtel, basic/applied research; 9004923

lexicon organization model, head-driven/generalized phrase structure grammar, English-Korean machine translation system application; 9008828

logic-based machine translation revision, slot filler/ordering rules use; 9006697

machine translation development, users' needs influence; 9005882 machine translation products, text changes, postediting process; cohesion/coherence distinction difficulty; 9005915

machine translation research/development, history/ALPAC report's effects; 9000934

machine translation systems future development, understanding capa-bilities introduction; 9006708

machine translation systems, semantics role; 9006678

machine translation use, Spanish-English/English-Spanish translation, Pan American Health Organization; 9006710

machine translation, achievements/problems; 9005884

machine translation, compositional approach; 9006695

machine translation, problems identification/solution; paraphrasing

component, synthesis stage; 9000912
machine translation, S. Nirenburg's Machine Translation: Theoretical
and Methodological Issues outlined/reviewed; 9001709

machine translation, Siemens's METAL technical text translation system: 9006693

machine translation, terminology translation programs, Term > Tracer/TexAn; 9000905

METAL machine translation system, grammatical computation/ lexical storage interdependence; 9008458

natural language, computer understanding; 9006690

Plassard, F., Panorama de la traduction assistée par ordinateur (Pan-orama of Computer-Assisted Translation) reviewed; 9005892

Russian proper names, computer-aided German renditions; 9005923 Russian temporal nouns semantic coding, Russian-to-English machine translation; temporal subclassification criteria; 9005921

Schubert, K., Metataxis, Contrastive Dependency Syntax for Machine Translation; 9001738

Soviet applied linguistics, principal research areas; linguistic proces-sors/machine translation/applied lexicology/automatic lexicography; 9002625

translation quantification, scientifically based methods need, cultural equivalence importance; 9005916

translation research databanks, TRANSBIB prototype system; 9008247

translation, computer-assisted terminology work, linguistic problems; Slavic examples; 9005899

translation, terminology banks, automated dictionaries use; 9005857 translational information processing principles, cognitive perspective; 9005920

translator's glossary construction, Lotus "Symphony" program; 9005879

translator/interpreter training, language data processing course, U of Saarland; 9008237

Argentine Spanish intervocalic stops automatic recognition, statistical models; hidden Markov models elaborated; 9007184

automatic consonant recognition, discriminant analysis/hidden Markov method integration; 9009688

automatic speech recognition, Spanish digits spectral variability computation, hidden Markov models applied; 9007187

hidden semi-Markov models, explicit state occupancy modeling, H. Derin's scheme application; 9007186

large vocabulary/continuous speech recognition, acoustic modeling technique; 9007190

Mandarin Chinese tone recognition, vector quantization/hidden Markov models; mono- vs polysyllabic recognition rate compared; male speakers; 9002289

prosody/stress information importance, automatic speech recognition systems; hidden Markov model approach; 9007185

semicontinuous hidden Markov models, continuous output probability density functions; 9001719

speech recognition systems development, speech production process representation, hidden Markov models vs stochastic context-free grammars use; 9007189

SPHINX speech recognition system, recent progress/future outlook; 9007191

### Martinet

linguistic change, four figurative models historically traced; 9006470 Masking

naming, phonological information use; rapid naming tasks; 9007473 semantic processing, centrally masked binocularly presented words; 9004982

signal detectability, monotic/dichotic noise bands presence, equal unequal levels; power-spectrum masking model supported; 9005081 Mass Media

advertising humor, semantic theory application; 9006936 advertising language, M. Geis's The Language of Television Advertising/T. Vestergaard's, K. Schrøder's The Language of Advertising reviewed; 9009386

advertising posters' contents, psychoanalytic approach; 16th-century/ later/modern posters; 9009629

advertising, nonverbal components; 9002035

Arabic as a second language instruction, computer/mass media materials use; 9005288

argumentation, repetition types/functions, American/Costa Rican newspaper editorials; 9009396

audiovisual texts' interactive meaning representation; Peircean approach; 9009646

Australian English regionalism, newspaper evidence; 9004204 Australian/Canadian English, British/American English features; magazine evidence; 9004203

billboards/posters semiotic structure, readers' limited viewing time consideration importance; 9009625
British tabloid newspaper headings, linguistic features; 9009389

British vs French media, sports events reporting; 9006940 children's reading skills/TV viewing relationship, research reviewed; 9003061

children's TV/movie/video exposure, visual interpretation instruction advocated; 9007905

class/gender portrayal, pragmatic/syntactic code use strategies, prime-time TV shows; 9002032

Colloquial Israeli Hebrew word order, visual vs auditory input; 9008844

computer-assisted language instruction, A. Hirvela's arguments refuted: 9007672

definite constructions use, newspaper editorials, familiarity presupposi-tion, genre conventions; Christian Science Monitor; 9000800

discourse genres, English newspapers, Singapore/South India/Sri Lanka; 9009387

discourse representation, spoken/written media discourse; trends, implicit ideologies relationship; 9001256 discursive paradigms, media discourse, 1987 British General Election

defense debate; 9009393

French/Mexican Spanish newspaper corpora; 9009330

Dutch advertisements'/advisory texts' problem-solution structure analysis/comparison; situation/difficulty/desideratum elements; 9001358

electronic text impact, literacy/culture; infomania lure; 9006689 English -person suffix inconsistent use, nonsexist suffix intent defeat; 9004349

English adjectival -less/-free semantic status, product labeling/ advertising; 9009176

English as a second language instruction, German gymnasium; screen-play as a text type; 9005193

English as a second language instruction, Nigerian schools; listening/ reading skills development importance, mass media role; 9005282

English as a second language literature reading, integrated readerresponse method; 9007584

Wittgenstein, L., world/language structures philosophy; 9002236 word as palimpsest, superimposed phonological/written messages, contexts; 9009298

word meaning diachronic change, 19th-century Literary Czech, con-temporary reader's perspective; 9001377

word meanings analysis, semantic differential method; Japanese 3-syllable words checklist; female speakers' judgments; 9001163 word's unique meaning derivation possibility, D. Kaiser's arguments

reviewed; 9001953 ord/concept/text relationship, Arabic wajan 'fatherland' political-ideological connotations; 9003873

words interplay, literature/everyday communication; 9001149 Yeats, W. B., "Leda and the Swan" Dutch translation; 9000931

writing, semantic influence disruption, left prefrontal lesion patient; 9007280

## Memory

advance organizers, knowledge activation/integration view support; reading/paraphrasing texts; 9003309

adverbial complex sentences recall, event order vs syntactic structure; sentence recall tasks; 9007454

African Grey parrot's spontaneous vocalization, meaning/functional significance, referential mapping technique; 9009619

anomalous suspense, outcome uncertainty; well-known US history episodes, minor changes; 9000100

aphasia, H. Grashey's/C. Wernicke's contributions translations; 9004769

aphasics' cueing responsiveness, grammatic class/cue type effects; verbs'/nouns' retrieval mechanisms/lexical organization differences contribution; 9004794

auditory/phonetic memory use, normal aging effects; identification/ discrimination/anchoring tasks; undergraduates, individuals aged 55-70; 9002454

bizarre sentence effect, list length/sentence conplexity interacting effect; bizarre vs common sentence recall; 9005067

causal reasoning on-line assessment, comprehension process; 9003294 causal relatedness memory effect, sentence pairs, varied encoding task effect; 9002562

children's memory, semantically related sentences/pictures; 6-/7-year-olds vs 10-/11-year olds; 9007460

children's narrative types memorability; personal experience narratives recall tasks; undergraduates; 9008691

clausal representations building/accessing, advantage of first mention vs clause recency, contradictory phenomena; 9000099

cognition, dual code theory, verbal/imagery components; concrete/ abstract material processing/retention; concreteness effect level; 9000027

cognitive distance patterns, narrative text representations; connectivity vs position hypothesis; 9003304

cognitive/auditory memory abilities, higher vs lower reading achievement gifted children; 9003313

communication apprehension/anticipated interaction effects, student recall, instructional messages; 9000096

communication/language skills deficits, fetal alcohol syndrome children aged 4.5-9.5 vs nonverbal cognitive ability-matched controls; quantitative/qualitative performance differences; 9007236 conjoint retention, spatial information use, verbal information recall

facilitation; sentence recall tasks; 9007455

content material learning, mnemonic technique effectiveness, keyboard instructional method; 9003160

conversational discourse, incidental recognition memory, familiarity/ personal participation role; 9002570

deaf signers' short-term memory coding, M. A. Shand's primary lan-guage coding hypothesis reinterpreted/refuted; 9005057

discourse comprehension, text-based/situation-based information representation; 9002461

discourse comprehension/recall, knowledge schemas use; parallel dis-tributed processing vs nonconnectionist biofunctional schema theo-ries; 9002450

dyadic vs individual learning, textual errors effect; recall tests;

elaborative inference, reading; compatibility hypothesis refuted;

English as a second language instruction, vocabulary teaching, neurol-inguistic programming principles use; 9005209

expository text comprehension/retention, content-related attitude ef-fects; Likert-scale questionnaire; pro-/antinuclear attitudes;

expository text recall; directed reading activity/mapping; 5th/6th graders; 9007868

expository text, interest/student recall improvement strategies; 4th/6th graders; 9003149

expository texts' sequential elements recall, diagrams impact; 9003310 eye movements facilitation, repeated text reading paradigm; university

figurative expressions comprehension/acquisition, phrasal/lexical memory use; computational models; 9000041

foreign-language learners' scientific journal recall, text structure instruction effects; 9003302

foreign-language readers' expository prose recall/retention, top-level rhetorical structure effects; advanced placement Spanish students; 9000709

functional language/memory skills, moderately severe Alzheimer's dis-ease patients; 9004775

general/specific/autobiographic images generation retrieval, long-term memory information use; 9002443

generation cues memory enhancement, actively/passively produced responses; 9000102

geographic naming nature/uses, memory spaces establishment; child-hood recollections; 9001825

grammar instruction, mnemonic devices/special explanations use; 9005046

immediate recall task, irrelevant item adaptation; 9000119

implicit-memory measures compared, anagram vs word-fragment solution; 9000114

impression formation/medical messages recall, paralinguistic cues re-lationship; 9004432

incidental learning tasks, word generation/verification/evaluation, cognitive effort reflection; 9000104 inconsistent text, adult vs 7th-grade readers'/listeners' recall; 9000731 information encoding/retrieval, textual context/prior knowledge ef-

fects, spreading activation theoretical construct basis; 9000098 information memorization, semantic representation issue reexamined; children aged 4/5; 9002473

inner language/speech, historical development/Soviet psychology framework; subvocalization phenomenon; 9002425

integration/information sequences/short-term memory/Token test per-formance relation, aphasic subjects; modified token tests problems;

Japanese sentences grammatical voice recognition/memory; context; recall task; graduates/undergraduates; 9007470

kanji/kana words, orthographic difference effect, incidental memory;

keyword/contextual methods effects, earth/space science vocabulary words acquisition/retention; 5th graders; 9007463

lecture learning, note taking/memory/language proficiency effects; native vs nonnative English speakers; 9000407

letter clusters recognition instruction, mnemonics efficacy; reading-disabled students; 9005613

lexical decision task, semantic/graphic priming effect; lexical access theory/semantic memory network model; 9000113

memory automaticity, conversation topics/components; age-related deficits; 9002567

memory organization packets, generalized knowledge structures, story comprehension; memory associations evaluation; 9000109

memory performance, automatic purposive semantic processing strategies use; learning-disabled vs nondisabled individuals; 9007311

memory predictions, processing ease influence; judgment tasks; 9000095

memory psychophysiology, electrocortical approach; 9000112 memory/consciousness functional relationship, word/nonword recognition recollective experience; 9002564

memory/neurolinguistic processes, A. R. Luria's theory; 9004790 metacognitive strategy effects, expository text recall; 3rd graders; 9000162

mnemonic imagery use, science content information recall; above-/ below-average 8th graders; 9003317

mnemonic strategies use ability, individual differences; standardized/ experimenter-designed tests; 8th graders; 9000111

mnemonic text-processing strategies development/evaluation, botany concepts instruction; 9003167

mood-congruity effect, mood vs knowledge hypothesis; moodsimulation/induction condition, sentence recall; high school students/undergraduates; 9002584

mouthed/vocalized modality effects, concurrent load influence; visual search task/words serial recall; 9000015

narrative recall, connectives use; French-speaking children aged 5-8; 9005023

occurrence/origin memory, mental operations repetitions effects; 9002585

oral diadochokinesia/nonlinguistic rhythmic skills development, nor-mal/speech-disordered children aged 3-5; diadochokinetic rates test, statistical analysis; 9009769

oral rhetoric strategy, 17th-century pamphleteers; comprehension/ retention facilitation, mixed literate/illiterate audience; 9001340 orthography pathology, case history; 9004820

paradoxical memory, intentional learning, expectation-violation effect; normal/bizarre sentences, mental imagery construction, free/cued recall tests; 9000105

pictorial memory; immediate/delayed picture-recognition task; aphasics/nonaphasic left-/right-brain-damaged patients/normal controls/Alzheimer's disease patients; 9007491

picture name recall, semantic/nonsemantic verbal elaboration effect;

proposition recall, imagery effects, text micro-/macrolevels; 5th graders; 9000713

prose recall, superordinate concepts vs subordinate ideas, oral vs written modes; 9005052

reader's pre-existing passage topic knowledge, memory as function, headings effect; 9003351

reading achievement/disability prediction, memory/naming speed use, IQ control methods effects; children aged 8-11; 9004826

reading comprehension/recall improvement, retelling strategy use; 9003162

reading comprehension/recall strengthening, recitation principle, teaching strategies; 9000621

reading comprehension/text recall, research-supported effective strategies, direct-explanation approach emphasized; 9000618

reading disabilities identification, listening/reading discrepancy scores use; learning-disabled vs normal 4th-6th graders; 9004853

reading recall performance, teacher feedback types compared; 9003136

reading recall/recognition measures, PORPE-trained vs question-answer strategy use; college freshmen; 9003231

reading-disabled/dyslexic children's counting/naming rate/ phonological sensitivity/memory span; test battery, statistical analy-sis; children aged 9-12; 9009801

reading/spelling/memory impairments, cognitive analysis; learning-disabled children; 9004835

recall superiority, generation use, semantic features activation cause; 9007382

recall-recognition tasks, informative extended discourse concretization facilitative effects; 9000738

recall; three discourse structures; 4th graders; 9007459

recognition units, single-/two-kanji-compound words, lexical access; priming effects; 9002586

repetitive reading/recall relationship; low/high achievers; 9007858 script actions recall, relevance/detail expectancy effects/roles; 9002576

script-based texts/witnessed scene, forward vs reverse recall; 9005053 script-typical events encoding, script theory assumptions contradicted; distracting task; 9000118

second-language learning, auditory memory vs perception, older vs younger adults; English/Spanish test batteries; 9007795 second-language vocabulary learning, memory-psychological studies survey; 9007620

second-language vocabulary teaching, word's meaning guessing approach experimental testing; pregnant/nonpregnant context effect; Dutch high school students, French vocabulary; 9000110

selective access, cued recall; retrieval cues/encoding domains roles; 9002578

semantic memory enhanced activation; generation effect, word vs non-word rehearsal frequency effects; 9002566

semantic memory impairment assessment, methodological issues; Alzheimer's type dementia/anomia patients; 9007486 semantic priming skills, multiple sclerosis patients; 9007379

sentence, recognition memory, single unit vs simple elements series status; experiments; 9007457

sentential semantic representations; cued recall paradigm; mildly re-tarded adolescents/nonretarded 4th/10th graders; 9009832

serial short-term memory development, articulatory loop use proficien-cy association; fixed span/running memory/articulation tasks; 5th-6th/11th-12th graders; 9007449

short paragraph reading/recall, inconsistent text-structure detection ability; 4th/6th/8th graders; 9005697

short-term memory deficits relationship, semantic vs syntactic sentence information recall; left-hemisphere-damaged aphasics; 9002577 short-term memory phonological store; irrelevant speech habituation,

visual short-term memory task; 9005064

short-term memory rehearsal development, pictorial vs spoken stimuli; children aged 6-8/10-11; 9005058

short-term recognition memory, rehearsal vs imaging instructions condition; 9007446

signal-relevant recall improvement, number signals vs preview sen-tences use; junior/senior high school students; 9007451

speechreading performance, verbal inference-making/working memory capacities tested; 9004727

spelling curriculum, traditional memorization vs new approaches/ methods, English phonetics comprehension emphasis; 9005131 spelling errors peak, operative linguistic memory breakdown; Russian 3rd-10th graders' writing; 9004934

spelling, grapheme-phoneme correspondence rules/word-specific mem-ory interaction theory proposed; 9002574

spoken/written sentence comprehension, phonological short-term memory store role; G. Vallar's/A. D. Baddeley's approach/ conclusions questioned; reply; 9000034

story grammar/interestingness effects, children's narrative recall/ preference, standardized reading comprehension tests; 1st/2nd grad-ers; 9003364

target words recognition/recall, identical targets/cues; 9005059 text cohesion effects, student recall; 9000669

text recall, experimenter-provided elaborations influence; plot-irrelevant paragraphs; 9005073

text recall/comprehension, reading goals effects; 9003346

text reception; meter; aesthetic responses/memory probing tasks; undergraduates; 9007469

text retention/comprehension, contributing/influential factors; text features analysis; 9002591

text-based materials recall facilitation, organizational word visuals use;

text-signaling devices effects, reading/memory processes; 9002451 textual cohesive devices role, narrative comprehension/recall; 9006325 "tip of the tongue" state, age/semantically/phonologically similar words influences; 9007456

touch talker, alpha-numberics vs minsymbols as retrieval codes;

verbal memory decline, Alzheimer's disease patients; 9004804

verbal memory disorders, Alzheimer's vs multi-infarct dementia pa-tients; recall/recognition tasks; 9007489

verbal memory measures, story/list recall tests; head-injured patients; 9005051

verbal processing effects, memory performance; recoding interference underlying mechanisms; 9002588

verbal recall, language-impaired children vs language-/chronological-age counterparts, thematic organization effects; 9000117

verbal recall, visual/semantic components, sensory/semantic features; verbal learning task; 9000120

verbal supraspan, age-related differences; normal adults vs head trau-ma/unilateral cerebrovascular patients; 9007286

verbal vs figural display memory, coded representations, kanji/kana/figures; dual-coding model reference; 9002563

verbal/spatial information processing/recall, simultaneous nature, sex-ual differences; 9000024

visual image experience/memory; vivid vs nonvivid imagers, abstract/ concrete nouns, short-/long-term memory; 9002565

visual processing tests, hearing-impaired students' performance; read-ing performance relationship; 9007220

visual word recognition, neighborhood frequency effects; lexical decision vs masked identification latencies; 9005056

visual word recognition, phonological/graphemic/semantic interference; 9002571

vocabulary acquisition, deficient readers' past/current strategies influence, mnemonic-/semantic-based strategies application; 4th/5th graders; 9007407

vocabulary comprehension/retention, Vocuabulary Overview Guide effects; 9002629

vocabulary recall/comprehension, keyword learning method effects; learning-disabled adolescents; 9004841

vowel perception, large-scale integrated spectral representation exis-tence; "trace of F'2 in memory" search; 9002273

word list/picture memory models applicability, coherent discourse memory; 9005060

word naming, frequency/lexical access roles; 9002579

word repetition strength/duration, stimulus repetition/spacing effects; adults; 9005049

word retrieval, incidental memory; elaboration; recall/recognition tasks; undergraduates; 9007467

word-fragment cuing test, cue depreciation effect; 9007462 word/picture interference effects, free recall; 9005048

working memory model, memory updating mechanisms; 9007458 written spatial descriptions, comprehension/recall processes; experiments; undergraduates; 9007450

Mental Retardation

American Sign Language vs Amerind signs acquisition, moderately/ severely mentally handicapped children; 9007313

augmentative communication system acquisition, attention/ communication/sociability changes, success concomitants; severely mentally retarded subjects; comment, reply; 9002385

autistic children's spontaneous speech frequency/diversity improve-ment, functional/semantic language intervention program; mildly/ severely retarded males aged 4-16; 9004911

autistic vs Down's syndrome children's/adolescents' narrative storytelling ability; 9007314

autistic/mentally retarded children's language/adaptive behavior, sen-sorimotor period cognitive concepts development relationship; 9002375

computer-assisted linguistic analysis, mentally retarded psychotic fe-males' texts; 9004856

computer-assisted speech as alternative communication system, nonspeaking severely mentally handicapped; 9009605

computer-assisted word learning, specific cognitive interactions; men-tally retarded subjects aged 12-22; 9007312

conversational competence/stigma, mentally handicapped, Northern Ireland; 9004860

developmental language disorders, grammatical analysis; LARSP procedure, Dutch-language adaptation; morphosyntactic patterns, specific language-disordered/hearing-impaired/Down's syndrome children; 9007240

deviant language emergence, Fragile X/Down syndrome/autistic males; conversational analysis; 9007315

Down's syndrome children's speech therapy, therapist-patient interaction; 9009831

Down's syndrome/other mentally retarded adults, syntactically indi-cated sequence comprehension; 9009830

functional communication goals alternative vs traditional curricula, severely/moderately mentally handicapped adults/adolescents; 9007348

intentional prelinguistic communicative behaviors, profoundly mentally retarded children aged 6-12; 9002386

language production ability, mentally retarded adults; interviews; 9009828

learning-disabled students' written compositions; handwriting vs word processing; secondary students; 9008154

literacy achievement, cognitive skills prerequisite questioned; severely retarded Italian boy aged 8:11; comment, reply; 9005508

mentally handicapped adolescents' word lists/sign labels free recall; memory tasks; 9009827

mentally retarded adults' conversational skills maintenance/ generalization; self-monitoring; modeling/behavior feedback/social reinforcement; 9009833

nonverbal affective communication skills, mentally retarded adults; posed facial emotional expressions encoding/decoding ability; 9007317

nonverbal pragmatic communication skills use, ability level/age effects; mentally retarded vs non-mentally retarded students; 9007092 oral reading, teacher behavior/responses; moderately mentally retarded children: 9003232

phonetic/semantic contingency levels, mother-child interactions; video-taped play sessions; normally developing vs Down syndrome chil-dren; 9007316

reading/spelling processes, impaired literacy functions, Klinefelter XXXY syndrome; U. Frith's reading/spelling development framework; 9002387

receptive language development/mental age relation, mental retardation; 9002384

semantic discrimination, nonspeaking mentally retarded adult males; auditory evoked responses; 9004857

sentential semantic representations; cued recall paradigm; mildly re-tarded adolescents/nonretarded 4th/10th graders; 9009832

small group instruction, sight word recognition performance; constant time delay/writing-spelling practice/reinforcement; mentally retard-ed/learning-disabled students; 9009849

social nonverbal communication behaviors, preschool children/severely retarded special education students; 9002189

speech dysfluency/manual asymmetry relationship, adult Down's syndrome patients; videotaped conversations/language assessment tests; 9009829

speech/speech-like acts natural logic, unified categorization system; developmental data; retarded/normal children; 9005027

structured communication events use, increased teacher-provided communication opportunities, severely mentally retarded individuals; 9004858

stuttering/cluttering prevalence, mentally handicapped adults; staff member questionnaires/assessment interviews; hospital residents/ training center clients; 9009795

verbalization effects, discrimination reversal learning, moderately mentally retarded children; appropriate/inappropriate cues, relevant stimulus dimension; 9004859

vocal response increase procedures effectiveness, therapist prompt, Down syndrome infants/preschoolers; 9002392

Chicano Spanish/English, bilingual education information; 9000850 Chicano, concept/designation/language/culture; conversations/ questionnaire; San Antonio/El Paso; 9009414

discourse features, Mexican/English as a second language/Mexican-American/Chicano/Anglo high school students' compositions; educational policies formulation implications; 9006273

English, Anglo/Mexican-American varieties; speakers' attitudes, so-ciolinguistic relationships; Corpus Christi, Texas; 9006992

language proficiency retention, contributing factors; Hispanic limited English proficient community college students; 9005446

preposition errors, Mexican-American basic writing students' composi-tions; 9005728

Mexican Amerindian Languages
Eastern Huasteca Nahuatl (Mexican Amerindian) plural formation,
Classical Nahuatl influence; 9008625

personal experience narratives, quantitative analysis; Nahuatl/ American English speakers; 9009438

plural marking, Chalcatongo Mixtec (Mexican Amerindian); 9008630 Spanish-language 16th-century borrowings, native Amerindian languages; early explorers' unwritten history evidence; 9001949

Spanish-Latin-Nahuati (Mexican Amerindian) trilingual manuscript dictionary; Fray Bernardino de Sahagún erroneous attribution;

speech/social relations, Zinacantán region, Mexico; monolingual Tzotzil vs Tzotzil-Spanish bilingual speakers; 9006969

Tzeltzal females' speech styles, politeness/confrontation contexts, Tenejapa, Mexico; 9009359

## Middle Ear

Eustachian tube function restoration, retraining method; 9009851 **Modal Logic** 

Latin future tense, tense/modality viewpoints; 9001081

## Mode

action resultativity, semantic category philosophical-linguistic analyses, Modern Russian; 9006165

Arabic aspect, A. Roman's/J. Dichy's conceptions; "literary" Arabic synchronic teaching problem; 9000346

Arabic horizontal movement verbs' grammatical semantics, active participle's/imperfect's action type expression; 9003591

Arabic primary/derived verbs' aspectual values, semantic perspective; 9001139

aspect marking, Gegbe prepositions, cognitive approach, multi-categoriality; 9008811

aspect/mood distinctions, tonal change identification; 9002936

blame, psychological concept/linguistic realization, emotion cognitive theory framework, German subjunctive/blame modals; 9001108

Brunei Malay (West Indonesian) verbal constructions, aspectual uses;

Bulgarian agrist/imperfect opposition, counterarguments; anteriority/ referentiality features noncorrelation; 9006064

Bulgarian tenses typology, information/attitude type criteria; utter-ance modes distinguished; 9006197

Bulgarian/English/Russian tense-aspect systems, tense neutralization, typological universal; 9006626

Bulgarian/Ukrainian conclusive modality, adverbs/verbs/particles functions; 9006646

Chinese as a second language learners' difficulties, aspectual suffix use; texts' inadequate treatments; 9000184

comparativity logic/semantics, axiological/temporal comparison; Ukrainian material; 9006176

Dioula (Niger-Kongo) prospective/progressive aspects reanalyzed; 9008592

Dutch modal particles, use/occurrence frequency/meaning/syntactic position/combinability; 9001046

English as a foreign language learners' aspect/modality acquisition difficulty; 9005178

English as a second language secondary level texts' aspect treatment, verb types/constraints; "constructivist" approach, speech act theory basis; 9000247

English aspect comprehension/production/choice, children/adults; 9002465

English modal auxiliary can use, sensation verbs, psychomechanical account; 9008579

English modal/epistemic verb/adverb co-occurrence predictability/ formality; 9003725

English possessive structures to have a  $N_{\nu}$ , A. Wierzbicka's analysis critiqued, aspect expression; 9001042

English tense sequence, tense vs modal feature denotation, reference/ quasi-speech/real speech time; 9008479

English tense/aspect/modality/negation acquisition; taped conversa-tions; Khmer native speakers; 9007801

English when-sentences aspectual properties/interpretive problems; 9008600

English/German aspectual compositionality; verb classification approach formulated, simple sentences' temporal aspectual meaning prediction ability; 9001071

English/Japanese sentence/case structures contrasted, C. Fillmore's case grammar model basis; 9003623

French adjoining subordinate clauses, categorical status/internal struc-ture/lexical restrictions, distribution characterization; 9001129

French as a second language subjunctive instruction; text reception/ production, beginning/advanced learners; 9002680

French passé récent, venir de + infinitive, usage restrictions; tense/ mood meaning, time adverbs co-occurrence, pragmatic constraints;

French past perfect tense, aspectual/modal meaning, second-language teaching, Russian students; 9008498

French present tense, genericity notion context; 9006054

French simple vs periphrastic future tense, modal/context usage difference, subjective vs objective contents expression; 9008509

French verbal aspect/genericity interaction; imperfect/simple past aspectual distinctions status; 9006133

French/Bulgarian interjections comparison, lexical status/semantic modality; 9009069

French/Bulgarian modal forms comparison, Bulgarian bykh + I-participle usage; 9009031

functional grammar, Teoriya funktsional'noy grammatiki. Vvedenie. Aspektual'nost'. Vremenaya lokalizovannost'. Taksis (Theory of Functional Grammar. Introduction. Aspectuality. Temporal Localization. Taxis) reviewed; 9008779

Gallo-Italic dialectal formation, future imperative desinence common origin; Larzac inscription/Umbrian data, P. H. Hollifield's analysis refined; 9001588

German aspect, intercategorial combinability, aspect/tense/voice/ action mode; 9001060

German exclamative mood, accent pattern, verb-first position effect;

German exclamative's sentence mode status, specific prosodic properties: 9003671

German factual conditionals, verb tense/mood conbinability patterns; 9008472

German lassen vs gelassen 'to let', participle forms use; processual vs resultative aspect rules; second-language teaching relevance;

German nonembedded verb-final structures, subordinate/main clause status, modality, speaker's attitude; 9003696

German particles, meanings/functions typology; semantic discursive functions; 9006853

German sentence mode, concept/category definition; declarative/ interrogative/imperative modes, derivation rules; 9003655

German tense/aspect formal representation, H. Kamp's discourse rep-resentation theory compositional version framework; 9001385

German-Bulgarian modal structures comparison, "missing accompanying condition" as modal category; 9003750

Guinea-Casamance Portuguese creole tense/aspect/mood system, D. Bickerton's typical creole TMA system comparability; 9004290 imperative constructions perception/identification, German vs Russian

listeners; phonetic/lexical/grammatical factors; 9006664 Indic aspectual system characterization, diachronic perspective; 9008434

Italian dialects' sigmatic conditional paradigms, /-r-/-less forms origins; 9009004

Italian/Spanish posteriority expression comparison, Boccaccio's Decameron/D. J. Manuel's Conde Lucanor (Count Lucanor);

Korean tense/aspect, tense/event time distinguished; 9001109 Latin preverbs, lative/aspectual notions; 9001037

Russian aspect definition, metaphor role, G. Lakoff's prototype theory perspective; 9008433

Russian imperfective vs perfective verbs of motion use, future reference; semantic features; 9001040

Russian negation violation; colloquial speech, modal/irreal-hypothetical utterences, rhetorical questions; 9006138

Russian perfective present, future tense function, meanings types/ frequency; belletristic material; 9003692

Russian predicative expressions' factivity/nonfactivity; modality concept relevance; 9003721

Russian simple infinitive sentences synonymy, objective necessity modal meaning expression; native-language teaching relevance; 9001019

Russian temporal expressions, verbal aspect/valence, semantic agreement; 9001132

Russian verb place, aspectual oppositions system, semantic characteristics dependency; 9008564

Russian verb, lexical meaning/aspectual characteristic; 9008587

Russian verbal aspect prediction, Z. Vendler's semantic classification; 9006174

Russian vs Azerbaijani verb aspect, formation pattern/restrictions, analytical/morphological means; 9004105

Russian vvodnye slova (introductory words) typology, binary classification; 9001985

Russian/French temporality expression, aspect/tense systems comparison; 9008415

shading particles use, spontaneous speech vs artistic prose, German vs Finnish translations; 9008261

Slavic perfective present tense's present-time meaning, Russian/ Polish/Czech/Serbo-Croatian treatments; Common Slavic parallel, modal meaning; 9001706

Spanish decomposed forms vs regular simple transitive verbs behavior; Medieval Spanish texts; 9009010

Spanish dependent para clauses, subjunctive/infinitive alternation; semantic/pragmatic factors; 9006082

Spanish grammar instruction, aspect description, G. Guillaume's theory basis; 9000216

Spanish mood choice, Neg-transportation/Neg-trace; 9008493

Spanish sentences typology, modality/verbal mood/modus as typologi-cal criteria; 9008439

Spanish subjunctive future tense, diachronic decay, syntactic causes; 9009020

Spanish subjunctive morphemes -ra/-se occurrence, S. Lagerlöf's Nils Holgerssons underbara resa genom Sverige (The Wonderful Journey of Nils Holgersson to Sweden), M. Goulard de Westberg's Spanish translation quantitative analysis; 9003618

Spanish syntax, perfective/imperfective verbal aspectual contrast, verbal action existence/nonexistence distinction; 9003601

Spanish verb morphosyntactic structure, mood/tense aspect/voice; G. García Márquez's "Crónica de una muerte anunciada"/M. Delibes's "cinco horas con Mario"; 9001068

tense/aspect transfer errors, English compositions; Jordanian university students; 9003004

Van Voorst, J., Event Structure reviewed, aspect spatial theory cri-

tiqued; 9003923

verb phrase development, perfective marking, Standard English/ Trinidad Creole; audiotaped recordings; Trinidadian children;

verbal aspect, deictic model; Portuguese evidence; 9003612 verbal aspect, perfective/teletic distinction, unified analysis proposed; 9006014

verbs, aspectual/semantic classification, nonmetaphorical uses; MET-AL machine translation system development/enhancement; 9006679 Vernacular Irish English tense/aspect categories; sociolinguistic obser-

vation, grammaticality judgments, formal analysis; 9001052 West African Portuguese-based creoles, tense/mood/aspect markers/ morphemes; West African languages influence; 9004293

word length, iconicity vs economy principles, Russian aspect/case structure; 9008786

**Montague Grammar** 

German tense/aspect formal representation, H. Kamp's discourse representation theory compositional version framework; 9001385 modality, metalinguistic approach formalization; 9009669 model-theoretic semantics, current developments; 9001140

Morphology

Abha (Saudi Arabia) dialect phonology/morphology, modern linguis-tic descriptive methodology; 9006517

affix vs process morphology, semiotic/diachronic/grammatical evidence; 9003796

Afro-Asian deictic-relative morphemes, Egyptian realization; 9008949 agreement relation nature, situated theory; Arabic/English material application; 9001193

agreement, multi-modular view; autolexical syntax theory application, West Greenlandic Eskimo person/number agreement problem; 9006425

Aleppo Arabic, Christian/Muslim varieties, geographic/sociolinguistic variation; Christian Aleppo texts' phonological/morphological peculiarities; 9004173

Algerian Arabic verb phonoloy/morphology aspects; 9000944 Altaic verb stems reconstruction, word family method; 9008955

American English, Niger-Kordofanian language family genetic relation/exerted phonological/morphological/syntactic/semantic influence; 9001775 American Indian ugh syllable usage, settlers' comprehension; Southwestern Chippewa examples; 9003783

American Sign Language morphological subsystems acquisition, deaf children with deaf vs hearing parents; 9007093

American Sign Language phonological simplification, morphological complexity effects; profoundly deaf children aged 4:5-9:0; 9007099

American Sign Language verbs' morphological complexity acquisition, native/late signing children; holistic vs analytical approach; 9002503

Arabic broken plural, prosodic domain circumscriptiom model; 9008631

Arabic grammarian tradition, earlier vs later theories; hollow verbs morphophonological analysis; 9003999

Arabic language use, computer software systems, morphological analysis necessity; 9004114

Arabic theoretical linguistics, major trends, modern-day contributions;

Arabic verbs, phonological/morphological structure, semantic valence classification; 9006137

Athabaskan languages' nominal arguments promotion/demotion expression, different grammatical systems use; 9006124

Athapaskan linguistics, current perspectives; 9004015

Austronesian languages, contact-induced change; comparative Austronesian Project Symposium, 1989; 9004143

automatic morphological dictionaries compression, methods; 9009072 automatic morphological essay analysis, Ukrainian system; disjunctive word class, homonym's speech part status determination; 9001734

Azerbaijani er word-formational productivity/dialectal occurrence; historical-etymological study; 9004184

Azerbaijani verb formation, obsolete affixes/patterns; historical documents: 9003772

Azerbaijani writers' Russian literary works, morphological interference, case systems incongruence, norm violation; 9003760

Bafut (Niger-Kongo) language structure; 9008921 Baltic/Slavic/North-Germanic noun + verb compositions' structure/ function/productivity/distribution; 9003786

Bapotó-Móngo (Niger-Kongo) dialect, preliminary description; phonological processes, noun/verb morphological classification/conjugation; 9001566

Basque/Ibero-Caucasian typological isomorphism, verbal morphology overlap; 9004387

Bologna Italian dialect, morphophonemic alternation, C. F. Hockett's, description methods limited applicability; 9009171

Botin (Papuan) 'come/go' deictic forms, narrative discourse use, syntactic distribution; 9006221

Bulgarian agrist/imperfect opposition, counterarguments; anteriority/ referentiality features noncorrelation; 9006064

Bulgarian nominalization means, literary/colloquial/neutral forms; 9008618

Bulgarian technical terminology formation; 9009301

Bulgarian tense categories hierarchy, grameme features, morphemic expression; second-language teaching relevance; 9006108

Bulgarian tenses typology, information/attitude type criteria; utter-ance modes distinguished; 9006197

Californian Penutian morphological elements probable reconstructions, earlier data compared; 9006201

Canadian French I deletion/gemination, morphologically conditioned sound change; 9009006

Catalan, automatic morphological analyzer design/implementation; 9006696

categorial word-formational chain, concept definition/descriptive relevance; Russian speaking verbs; 9001203

Central Alaskan Yup'ik Eskimo vs Central Siberia Yupik Eskimo, phonology/morphology/syntax/history; 9009042

child language development, derivational morphology acquisition; English/Italian experimental literature surveyed; 9000074

child neologisms, word-formational strategies/productive affixes; Italian data; 9002525

Chinese verbal compounds, government-binding analysis; 9008812 clitics/affixes/free words distinction criteria, A. M. Zwicky's work basis; Modern Greek data; 9006211

complex word properties formation, percolation principle inadequacy; Greenlandic (Eskimo)/Winnebago (North Amerindian)/ Kinyarwanda (Niger-Kongo) evidence; 9001191

computer-assisted scientific text analysis, grammatical homonymy oc-currence solution, algorithm description; 9004120

computerized text analysis, automatic morphological analysis algorithm: 9009078

Creek (North Amerindian) -wa absolutive, previous synchronic/ diachronic analyses reviewed; 9006214

Creek (North Amerindian) morphosyntax semantics, nominalization/ verbal derivational morphemes; 9001153

Crow (North Amerindian) negation, logical structure; verbal suffixes ssaa/leeta use; 9006204

Czech comparative phraseologisms, form changes, syntactic/ morphological alterations; 9003652

Daco-Romanian, northwestern dialects' labials/palatals/dentals convergence, morphophonological rule generalization; 9008373

derivation, adequate definition proposed, affix/affixoid addition/ subtraction/agglutination; Romanian material; 9001226

derivational morphology, older students' tacit/explicit knowledge; vo-cabulary/spelling instruction implications, intermediate grades; 9007440

derivative lexical meaning, diachronic vs synchronic notion; grammati-cal/lexical meaning relationship; 9006145

Diyari (South Australian) metrical foot existence, stress placement/ reduplication/versification/stem vowel allomorphy evidence;

Dutch -ette formations, French suffix assimilation, commercial designations/advertising language, word formational rule, meaning; 9001222

Dutch derived words, lexical category determination, sound structure determining factor; 9001002

Dutch fruit/vegetable names, number assignment, A. Wierzbicka's framework; metro-/gastrolinguistic hypotheses integration; 9003722 Dutch pluralia tantum formation, lexical phonology account; 9003762

Dutch resident names derivation, -se vs -e affix; dialectal evidence; 9006792

Dutch suffix -tuur origin/productivity; Latin source/borrowings, word list; 9006858

early Black English present tense marking, historical variation; 9009169

Early New Persian verbal system use, morphological/phonetic characteristics, mid-11th-century text Vis-u Rāmin; 9001200

Electronic Dictionary of Spanish, additional grammatical information incorporation potential devaluation; 9009286

empty pronominal category pro licensing/identification theory, overt agreement morphology lacking languages; 9008795

English -ly adverbs, inflectional forms correspondence nonexistence; P. Kiparsky's/M. Aronoff's theories modified; 9001227

English Ø morphemes interactive process, integrative approach; 9001216

English a-prefixed participles use; interviews; McDonough County, Illinois; 9008615

English compound morphology prominence relations/structure; com-pound stress, metrical account; 9003765 English compound nouns derivation, T. Roeper's/M. E. A. Siegel's

first sister principle criticized; 9006206

English conversation, declarative/nonclausal questions interpretation, morphosyntax role; 9006132 English cultural/linguistic influence, French language/culture;

English derivational morphology acquisition, relational/distributional/ syntactic properties knowledge; 4th/6th/8th graders; 9000091 English feature (coronal), underspecification argument; 9006365

English infixes nonexistence refuted, "interfix" term extended; 9008624

English inflectional morphology acquisition, obligatory contour principle function; 9002509

English interfixation, whatchamacallit origin analyzed; 9001206 English interfixation/infixation distinction; -ma- interfix uses; 9003778

English morphology acquisition, affixation levels; level-ordering lexical model supported; kindergartners/2nd/4th graders, children aged 5/7/9; 9000064

English recent abbreviations/acronyms, word-formation patterns' wid-ening parameters evidence; 9001196

English suffix system instability, adjectival suffixes -uous/-ious phonetic convergence; 9003779

English tense/aspect/"aktionsart" systems acquisition; Ciluba-French speakers; 9000424

English verbal direct object complements, infinitive vs gerund occurrence, semantic contrast, psychomechanical explanation; 9008405 English word formation, dramatic developments/modern trends, scien-

tific terminology; 9001970 English word roots etymologies; 9004030

English-/French-Bantu code-mixing, universal constraints evidence; 9008443

English-Spanish orthographic false friends, phonetically/ morphologically motivated pseudocognates; 9001910

English-Yoruba code-mixing morphosyntax, bilingual education per-spective; recall, controlled elicitation, surreptitious taping, TV/radio recordings; 9008190

English/French tensed sentences/infinitives compared, surface differences; 9001451

English/Japanese temporal reference, tense morphemes' behavior; 9006658

English/Ukrainian inflectional morphology, simultaneous naturalistic acquisition; native German-speaking adults; 9005421

Eskimo affixal morphology, internal syntax/derivation history; 9008613

Eskimo noun incorporation analysis, lexicalist vs syntactic hypotheses; 9001187

Eskimo verbal affix order, autolexical treatment, morphology/ semantics interface; 9006222

Esperanto phonological/lexical/morphological systems; 9009198 Estonian/Latvian case-marking strategy, periphrastic construction use similarity; 9008639

Finnish transitional dialect variation, nonfirst syllables' i-ending diphthongs; Töysä residents; 9008623

Florentine Italian phonetic/morphosyntactic characteristics, Standard/ Florentine Italian relationship; 9009133

Foodo (Niger-Kongo) noun class/gender marking; 9008640 French affix -iste, pejorative connotation development; extra-/ interlinguistic causes; journalistic style; 9006205

French as a foreign language instruction, verbal morphology taxonomy; 9002897

French as a second language grammatical gender acquisition/ instruction; phonetic/morphological rules, most frequent words; 9000366

French impersonal constructions, active/passive morphology; traditional characterization inaccuracies; 9006404

French morphology instruction, word frequency lists usefulness; 9001223

French nominal compositions, determining/determined elements syntactic relationship; 9008612

French phonology, lexical processes, three levels proposed; 9005959 French verbs, historical change; morphological complexity frequency; theoretical/empirical studies; 9008996

French word-final (3) - (0) tensing, morphophonological rule, phonologization; 9008345

French/Bulgarian perfective/imperfective aspect expression, past tense comparison; 9008421
French/Bulgarian subordinate future-expressing sentences comparison;

9009054

French/Serbo-Croatian pronominal verbs, morphological/syntactic equivalence; 9006669

Galician patronyms formation models, suffix -z, morphological/ phonological factors interaction; medieval documents; 9009224

Gallo-Italic dialectal formation, future imperative desinence common origin; Larzac inscription/Umbrian data, P. H. Hollifield's analysis refined; 9001588

generative grammar, morphological component role reconstructed; morpheme-based model rejected, Jackendorff's model elaborated; 9001194

generative-based grammatical analyses, Spanish, 1985-1986; supplemental annotated bibliography; 9003942

German as a second language grammar instruction, preposition-case agreement; horizontal approach; 9002807

German as a second language instruction, word formation strategies; 9005255

German as a second language, perfect participle formation difficul-ties/errors; language laboratory data; 9000188

German business texts, morphosyntactic structures; German as a second language teaching material; 9003891

German event nominalization, derived nouns' idiosyncracies; 9003590 German inflectional morphology, noun phrase hierarchy, suppletion phenomena; 9003919

German morphological categories formation, semantic/formal varia-tion/opposition role; 9006209

German morphology, efficient natural-language parsing, BETA system; 9001208

German nominal compositions, adjective + noun structures' semantic/ syntactic/stylistic features; 9006230

German nominal/lexicalized nominal compositions anomalous accentuation; Prague school framework, reference perspective functional differentiation, theme/rheme morphological manifestation; 9003557

German plural formation patterns/markers, umlaut/nonumlaut trends; child language acquisition research/diachronic perspective/nonsense words tests analyzed; 9001219

German strong masculine/neuter nouns' genitive/dative forms, ending -e quantitative analysis, Mannheimer Corpus material; 9001648

German tripartite nominal compositions' accentuation patterns; components connection/proximity effect; 9003570

German umlaut, phonological/nonsegmental/multilevel analysis, dia-chronic perspective, morphological/lexical factors; 9005967

German verb suffixes/prefixes, heads of construction status; 9008633 German verbs formation patterns/rules, nominal/adjectival bases; glottodidactic implications, Russian students; 9003790

German vocabulary characterization, phonological/morphological system contributions; language/culture interaction; 9001982

German word-order, dependence grammar/X-bar theory/ morphological typology characterization; 9008642

German/Polish nomina instrumenti word-formation models, unilateral approach; 9006233

German/Polish prefixed verbs, syntactic properties usage difference reflection; glottodidactic orientation; 9006226

Greek έγχατα 'bowels', έσχατος 'outermost', morphological derivation; 9008990

Guaraní agreement paradigms morphophonology, derivational domain analysis; 9008361

Haitian Creole compound nouns, morphological head intrinsic defini-tion proposed, semantic/syntactic features; 9001195

Haitian Creole compounding strategies, Fongbe (Niger-Kongo)/ French influences, generative morphology framework; 9001840

Haitian Creole vs French/Fon (Niger-Kongo) morphologies; creoles' morphological simplification assumption contradiction; 9001211

Halkomelem (North Amerindian) clausal organization, nominal hierarchy, morphological/syntactic characteristics; 9006035

Haya (Niger-Kongo) verbal morphology, linear order determining fac-tors/co-occurrence restrictions; 9003788 "head" notion application, English morphology; percolation counterevidence; 9006200

Hebrew Bible broken/double plural formations, comprehensive view; 9003793

Hittite element -ti, present mediopassive form marker, diachronic development; 9001674

Hungarian dative, distribution/function/meaning/form; 9001199

Hungarian verbal affixes -hat/-het/-tat/-tet status; 9003761 Ibero-Romance suffix -aina, etymological analysis, Spanish/Catalan/ Portuguese/Galician words; 9006219

Icelandic antonyms, formation patterns; 9003785

Icelandic suffix -ari, history/origin/attestations; Latin borrowing, oc-cupation names, Modern Icelandic frequency; 9003791

Igede (Niger-Kongo) noun class distinction, vowel prefixes basis; 9006195

Index of Productive Syntax development, child language corpora syntactic/morphological complexity evaluation; longitudinal data; normally developing children aged 2:0-4:0; 9007432

Indo-European numerals history, semantic motivation, morphological composition; 9004086

inflectional morphology, inflection mechanism, characterization; 9003794

inflectional morphology, naturalness concept explored; 9001224 inflectional morphology, poor/normal readers, verbal deficit hypothesis aspect; 2nd/4th/6th graders; 9008033

interlanguage morphology variation, s plural marking, Chinese-speaking English as a second language learners' speech; 9007811 Iraqi Arabic morphophonemics, generative phonology framework; 9003784

Iraqw (Southern Cushitic) vocabulary list, morphological/ orthographic/phonological information; 9001565

Italian nominal suffixes, Italian/Serbo-Croatian equivalence, compara-tive analysis; 9006672

Jula (Niger-Kongo) derivative -ya, meaning; 9008627

Kairi (Papuan) tone patterns, sandhi processes, autosegmental theory approach; 9008348

Keenan, E. L., "Remarkable Subjects in Malagasy"; Austronesian languages cross-referencing typology; 9003767

Kisi (Niger-Kongo) phonology/morphology described; 9000951 Korean case markers' morphological status, postpositions compared, bound words/inflectional suffixes distinguishing criteria use; 9001225

Korean derived words, analysis problems; 9008626

Korean lexicon, phonological/morphological structure, glottometric analysis; 9008338

Korean suffix-like dependent forms, syntactic derivation process; 9008620

Kwakiutl (British Columbia) reduplication processes, moraic theory basis; 9008636

language change/variation, various themes; 9001409

language contact situation, Federal Republic of Germany/West Berlin; foreign workers' German varieties, verb morphology develop-

language encyclopedia, general linguistics overview; 9001398

language typology, theoretical issues, Linguistic Typology symposium 1987; 9009338

language-contact lectures, formal linguistic perspective; 9004150 language-particular underspecification; Gengbe (Niger-Kongo) /e/, Yoruba (Niger-Kongo) /i/; 9001380

Late Latin -(t)im adverbs; Latin/Galician terms etymological relationship; 9006539

Latin abstract nouns, suffix containing -s-, grammatical genre attribution; 9001218

Latin c suffixes, Romance development/formation; 9006216

Latin deponent verbs, voice, new approach; 9001197

Latin morphology, morphological theory, generative grammar framework; 9001215

Latin third declension, synchronic morphology; 9001221

Latin utterance temporalization, morphological marking; 9001202

lexical morphology research, gender/number marking; recall/ recognition phases; secondary students; 9006220

lexical morphology/phonology, Fula (Niger-Kongo) nominal classes; 9008352

lexical representation access mechanisms/organization mode, affixed words; morphology studies contribution; 9006207

lexical representations morphological organization, orthographic lexi-con; adult Italian speakers; 9001209

lexicon models, morpheme's organizing/accessing role; paraphrase task; 10th/11th graders; 9008072

lexicon, inflective morphology as integral part; R. Lieber's On the Organization of the Lexicon reviewed; 9006864

linguistic phenomena relative nature, fuzzy markedness, Balkan language identity; 9006436

literary scholarship, structural analysis uses/limits, morphological concepts hierarchy basis; 9004600

Lowland South American languages, diachronic/grammatical/ phonological studies; 9008926

Ludlings/Surrogate languages, alternate phonologies/morphologies; 9000939

Madija (South Amerindian) noun morphology; 9008629

Malagasy (Austronesian) phonological/morphological processes, phonological constraints/stress rules; 9003539

Maori verb alternations, differing grammatical analyses implications; 9006224

Mapudungu (South Amerindian) morphosyntactic functions, verb transition phenomenon, affixes, transitive values assignment; 9003663

mental lexicon organization model; morphological rules, lexemes/ affixes dictionaries; 9000016

Messapic nominal inflection, nominal classes/paradigms/ morphophonological laws/rules/exceptions; 9009009

Middle English reciprocal pronouns' historical development; selected Early Modern English comparisons; morphological analyses;

Miwok (North Amerindian) phonology/morphology, phonological representations nature; 9008332

Mluvnice češtiny (Czech Grammar) morphology volume outlined; for-mal/functional morphology; 9001204

Modern Greek problematic clitics, morphological classification bene-fits; A. M. Zwicky's framework/approach supported; 9001205

Modern Hebrew word structure, phonological character; process-based morphology approach; 9005929

Montreal French demonstrative determiners (so)/(se)/(sta) alternation, gender opposition morphological neutralization; 9003768

Moore (Niger-Kongo) nominal suffixes, classifying/quantifying func-tions pluralism name; verbal quantification parallels; 9006218 mora, prosodic status, lexical phonology/morphology framework; 9003578

morpheme description/classification, Senufo (Niger-Kongo), meta-operational grammar analysis; 9008500

morphological agreement typology, syntactic consequences; weak/ strong agreement distinction; Turkish material; 9006396

morphological rules/syntax interaction, Tamil nominalization process; 9006228

morphological structure representation, lexicon, auditory lexical decision experiments; 9000124

morphology/syntax interaction, dominant views compared; 9001220 morphology/syntax interrelationships, L. S. Ermolaeva's/M. K. Sabaneeva's morphosyntax domain proposal rejected; 9001475

morphology/word structrue, generative grammar framework; 9008622 morphosyntactic co-occurrence types distinction, J. M. Saddock's autolexical syntax theory; 9006400

morphosyntactic interaction, restrictive theory, rule systems/ grammatical components principle distinction basis; 9008643 morphosyntax development, Dutch children aged 1-4, GRAMAT de-

velopmental profile; 9002486

natural morphology; history/assumptions/traditional views incorpora-tion, transformational grammar/European structuralism ideas assimilation; 9003795

New High German nominal declension, natural morphology interpre-tation, gender-number correlation model; 9003766

Newari (Tibeto-Burman) case-marking distinctions/patterns semantics, morphological cases use; 9003714

Newari (Tibeto-Burman) dialects Dolakhali/Kathmandu contrastive analysis, phonological/morphological/syntactic differences; 9004097 nominal plural marking systematic variations, Hong Kong English; in-terviews/transcripts/essays; Cantonese speakers; 9008611

nominal subject interpretation, generic status, linguistic/situational context basis rejected; 9006029

North Somali dialects grammar/phonology description; M. Lamberti's Die Nordsomali-Dialekte. Eine synchronische Beschreibung (The North Somali Dialects. A Synchronic Description) reviewed;

Norwegian exocentric nominal compositions, componential analysis/ structural models; morphological/syntactic tendencies; 9006199 noun-/adjective-based Latin suffixes, semantic function; 9001201 Old Frisian pluralization suffix -ar, masculine nouns, origin hypotheses: 9001638

Old Literary Finnish/Modern Standard Finnish case usage differences, foreign influence/morphosyntactic evolution; 9001634

Old North Sea Germanic languages' pluralization patterns, -ar ending, masculine nouns; symposium proceedings introduction, Amsterdam,

Old Spanish documents morphosyntactic analysis, Veruela monastery letters (1157-1301); Medieval Latin-Romance relationship; 9008976 optional-required subjects transition, early child language; subject-taking vs non-subject-taking verbs, developmental predictions; 9000084

parsing morphology, computational problems; 9006234 passive constructions, morphology relevance; 9001188

passive constructions, verbal morphological signaling, cross-linguistic survey; 9008619

passive term derivation, Latin/Greek origin; prototypical/universal morphology category existence questioned; 9001189

Persian simple/prefixed/compound verbs, 11th-century Tarix-i Beyhaki (The History of Beyhaki) statistical analysis; 9001646 phrasal compounds generation, morphology-syntax interface; English/ Tagalog/Vietnamese word-formation examples; 9006407

phraseological derivation, translational aspect; German/Russian/ Ukrainian material; 9003770

Piaroa (Venezuela) language description, nominal morphosemantics; 9006516

Pima (Central Amerindian) postposition incorporation structure/

nature; 9006217
Pima/O'odham (Central Amerindian) switch-reference markers, existence questioned; 9006225
Character Mixtee (Mexican Amerindian); 9008630

plural marking, Chalcatongo Mixtec (Mexican Amerindian); 9008630 plurality expression, plural words use, grammatical category variation; 9001029

Polish formant -mistrz, meaning change/diachrony/formational pro-ductivity, German borrowings/Polish occupation names; 9003771 Polish masculine inanimate nouns' accusative-genitive case forms identity, psychomechanical explanation; 9008379

Polish vocative/nominative cases interchangeability, personal names; dialectal/inter-domain spoken/written monologues/dialogues;

Polish words' computerized lexical-grammatical classification; G. G. Belonogov's/I. M. Davydova's morphological analysis modified;

Polish/Bulgarian indefinite pronouns semantics/morphology, translational equivalence, statistical analysis; 9006655

Portuguese word formation, nominal suffixes, singular/double occurrence; grammatical/semantic aspects; 9008609

primary/secondary term formation, technical support; 9003789 productivity notion, different aspects/mechanisms, inflectional morphology reference; 9001217

prosodic morphology, truncation types unexplainability, Japanese names; 9008821

Quebec French future/conditional morphology, specific variations; 19th-/20th-century corpora; 9003782

repetition priming effect, morphemic relationships influence; 9001213 Romance verbs historical development, J. L. Bybee's lexical/ derivational/inflectional continuum application; Latin/French material; 9006198

Romanian adverb, G. Ciompec's/D. Nica's recent treatments reviewed; 9008497

Romanian language attestations, 14th-/15th-century Walachian/ Moldavian Latin documents; 9008963

Romanian names, gender opposition; 9009216

Romanian patronym suffix -escu origins debate, Spanish/Portuguese suffixes comparison; 9008621

Romanian un/o, triple homonyms theses rejected, cardinal quantitative adjective unu 'one'; 9008608

Romanian/Italian morphophonemic evolution similarity, Latin vowels /ɛ/ɔ/diphthongization; 9009126

Romantsch/Northern Italian suffix -unz(a), origin/geographic distri-bution, productivity dialectal difference; 9004046

Romontsch predication, predicative marker -s syntactic contexts, copular sentences/past participle agreement/causative constructions, government-binding framework consistency; 9001102

Rundi (Niger-Kongo) verb extension system, morphological/syntactic analysis; 9001214

Russian as a second language instruction, Dagestan students; system-ic-functional morphology; 9000387

Russian coordinated/uncoordinated word combinations, adjectival/ prepositional attributes, semantic typology, syntactic synonymy; second-language teaching implications; 9001198

Russian diplomatic language terminology, general language use; lexi-cal-grammatical changes, morphological/word-formational modifications; 9001977

Russian inflectional forms morphology, diagrammatic iconism principle, descriptive effectiveness, natural morphology framework; 9003781

Russian morphological dictionary, IBM-compatible personal computers; 9006682

Russian nominal suffixes phonemic structure, consonant/vowel fre-quencies; morphophonological/phonetic perspective; 9001190

Russian nominalization, base/derivative semantic form mapping, product notion; 9003681

Russian nouns derivation, unstressed word-forming suffix -ushk-, 17th-century manuscripts; 9008616

Russian palatalizations, phonological alternation status vs morphophonological explanation; 9008317

Russian toponyms in -a(-ya) declension, inflected/noninflected forms, style/text type variation; 9001192

Russian verbal morphology, anomalous verb structure/conjugation/ tense paradigms; 9003774

Russian vulgar reduplication structure, productive model; 9008607 Russian word formation, truncation/transderivational constraints, level-ordered morphology theory basis; 9006208

Russian-Armenian action noun comparative analysis, derivative means/patterns similarities/differences; second-language teaching implications; 9001684

Russian-Armenian word compositions, dependent component's categorial affiliation/combinability relationship; 9001207

Russian-Ukrainian synonymic series, structural/morphological/ semantic/stylistic/diachronic parallels; 9004099

Russian/Czech autochthonous/international suffixes, autonomous systems, assimilation/adaptation tendencies; 9006232

Russian/French temporality expression, aspect/tense systems comparison; 9008415

Ruthenian morphology, M. Smotryc'kyj's/P. Berynda's/I. Vyšens'kyj's 17th-century writings; 9008635

Saanich (North Amerindian) actual aspect, infixation/reduplication/ metathesis, fundamental cognitive differences; 9006215

Sanskrit verbal abstracts, su prefix, stylized Vedic constructions; 9006523

Sark (Norman-French) dialect, pronominal clitics morphophonemics, assimilation/deletion rules; 9000975

second-language learning, interlanguage as communicative code; adult learners of Italian; 9007750

semantic classification, philosophical approaches; language-teaching implications; 9004970

Serbo-Croatian Germanisms, morphological (gender) adaptation; I. Draganovič's Serbskij kuvar (Serbian Cookbook); 9006724

Serbo-Croatian instrumental case meanings, English equivalents; literary prose; 9006210

Serbo-Croatian/Italian nominal suffixation; Serbo-Croatian suffixes' meaning, Italian nonequivalence, translational rendition; 9006229

Sesotho (Niger-Kongo) transitivizing morpheme restrictions; applica-tive/causative verbs argument structures; 9006071

Sesotho-English bilingual code-switching strategy, morpho-syntactic aspects; sociolinguistic approach; 9003473

Siberian Yupik Eskimo morphology/syntax; 9003769

simple/complex contamination, derivational process; contamination/ paronymy/folk etymology relationship; 9003797

Slavic word formation comparative study, international symposium pa-pers collection outline, Moscow, 1984; 9006203

Slovak impersonal structures, syntactic/semantic/morphological peculiarities; 9008573

Slovene folk poetry/songs, two-word/same-root combinations, characteristic feature; 9003775

Spanish adjectives formation, derivative process/stages analysis; 9008614

Spanish compound words lexical classification, existing vs possible words morphology; 9006196

Spanish gender correlation, secondary nomination phenomenon,

plants/animals/objects personification; 9003741 Spanish "gender" vowels notion, lexical representation; 9003780 Spanish noun-phrase pluralization, final /s/ aspiration/deletion; functional hypothesis global support; 9003792

Spanish subjunctive morphemes -ra/-se occurrence, S. Lagerlöf's Nils Holgerssons underbara resa genom Sverige (The Wonderful Journey of Nils Holgersson to Sweden), M. Goulard de Westberg's Spanish translation quantitative analysis; 9003618

Spanish suffix -or(a), one vs several base forms, morphosemantic analysis; 9008617

Spanish syllabification/morphemic structure, phonological rules; 9003776

Spanish verb morphology/semantics transfer/continuation/ modification, language-contact situations; Spanish-based creoles;

Spanish verb morphosyntactic structure, mood/tense aspect/voice; G. García Márquez's "Crónica de una muerte anunciada"/M. Delibes's "cinco horas con Mario"; 9001068

Spanish word formation, English influence; 9009106

Spanish/Bulgarian possessive pronouns, possessor gender/number morphological similarities/formal differences; 9006645

Spanish/Portuguese inflected verb forms automatic generation, morphophonemic rules; 9001212

specifically language-impaired children, cross-linguistic differences; Hebrew- vs English-speaking children; 9008637

Split (Yugoslavia) dialect, morphological changes, variation frequency index; speakers' age, Literary Serbo-Croatian influence; 9006972

stress erasure convention/relevant Spanish stress data, M. Halle's/J.-R. Vergnaud's An Essay on Stress evaluated; 9001421 suffix metastasis/redundancy, South German colloquial material; 9006227

Swahili (Niger-Kongo) linguistic bibliography, 1964-1984; 9004014 Swahili (Niger-Kongo) morphologically based agreement, S. R. Anderson's hypothesis tested; 9006223

Swedish Anglicisms, phonological/morphological/orthographic adaptation, 1940-1980 material; 9006721

syntax/morphology boundary distinction, Japanese material; 9001111 Taiwan Sign Language, verbs' morphological characteristics; autoseg-mental phonology framework/transcription system; 9008638

Tamil phonology/morphology; autosegmental/lexical phonology framework, nouns/verbs inflectional derivation morphology; 9000952

technical German word-formation patterns/trends, computer-assisted second-language instruction; symposium/roundtable discussion report, Košice, 1989; 9003773

topic/focus morphemic marking, case vs pragmatic functions; 9008610 Tubu (Saharan) desegementalization/tone, Daza dialect "definite" marking; 9006231

Turkish morphologization tendencies, postposition ile 'with' case suffix transformation; 9003763

Turkish tense suffixes morphological naturalness; W. Mayerthaler's morphological markedness calculus; 9003764
Ukrainian nouns' number/case/gender semantics, morphological/communicative analyses; 9006193
Ukrainian/Russian political vocabulary formation; 9004353

Welsh soft mutation morphophonological phenomenon, R. Lieber's/A. Zwicky's discussions reviewed/critiqued; 9001420

West African Portuguese-based creoles, tense/mood/aspect markers/ morphemes; West African languages influence; 9004293

word class, precise determination criteria lack; Serbo-Croatian material; 9006000

word formation, J. Swift's romance vocabulary; statistical analysis; 9001210

word formation/affixation theory, syntactic/transformationalgenerative approaches inadequacy; G. Fanselow's semantic account supported; 9003787

word formation/phraseology, German Language Instit's annual con-ference report, Mannheim, 1988; 9003777

word structure analysis, morphological head concept relevance; 9008632

word structure, derivation structure conditions; 9008606

word, lexical/morphological/syntactic/phonological definitions, A. M. Di Sciullo's/E. Williams's On the Definition of Word reviewed; 9009322

word-formation, semantic/structural aspects, affix desemanticization; Ukrainian material; 9006170

Yaka (Niger-Kongo) utterances, morphological/morphotonological elements; 9008628

Yoruba (Niger-Kongo) compounds, morphological/phonological/ syntactic processes interaction; 9001186

Yupik Eskimo verbal inflection, order analysis; 9008641

Motor Theory of Speech Perception neurolinguistics, E. Keller's/M. Gopnik's Motor and Sensory Processes of Language introductory article, Italian translation; 9007495

foreign language, involuntary verbal rehearsal phenomenon, other involuntary mental processes compared; 9007663

music education, reading/writing/thinking skills integration; 9000528 music reading/text reading abilities measurement, alexic subject case study; 9002606

music theory developments, linguistic basis, past 30 years; annotated bibliography; 9008794

music/natural language perception/comprehension/processing analogy, heuristic value; 9007365

musical rhythms role, communication instruction, hearing-impaired children; verbo-tonal method; 9007206

musical score reading deficiency, neurologically impaired musician; 9002618

Nenets folksong oral tradition, expanded melodic scale construction; 9003823

psychophysical data applicability, longer speech sequences; musically experienced females; 9005078

second-/foreign-language instruction, songs/music role, positive bene-fits; 9002758

six-tone rhythmic patterns discriminability, differing tempos; 9005080 Spanish as a second language listening comprehension achievement, song/music text vs narrative/dialogue methods effects; high school students; 9000181

speech, musical-harmonious structure, harmoneme/tacteme/intoneme units introduction; colloquial Turkish evidence; 9003569

tagmemic communication model application, musicology; phonemic/ morphosyntactic/semantic-pragmatic-communicative analysis; 9006446

tone sequences delayed recognition, tonality/tonal scheme/contour effects; J. C. Bartlett's/W. J. Dowling's conclusions tested; 9002317 tonebursts, rate/place/pitch perception; 9004746

Unamuno, M. de, poetry analysis, sound/rhythm/music role; 9002132 Western musical notation origin, historical/semiotic aspects; 9001999

## Narrative Structure

autistic vs Down's syndrome children's/adolescents' narrative storytelling ability; 9007314

Banfield, A., Unspeakable Sentences: Narration and Representation in the Language of Fiction reviewed, pragmatic perspective; 9001337 basal readers' story structure, Houghton Mifflin/Scott, Foresman Reading Programs; 9000681

Beowulf/The Battle of Maldon, speech act theory application; 9009590

Botin (Papuan) 'come/go' deictic forms, narrative discourse use, syntactic distribution; 9006221

causality, narrative discourse; scientific/narrative causal explanations distinction; 9007083

child's theme sense development, narratives; literature familiarity role, age differences; kindergartners/2nd/4th graders; 9002524 children's classroom story writing, forms development; 9000788

children's intertextuality development, different narrative contexts; girls aged 7; 9002558

children's narrative types memorability; personal experience narratives recall tasks; undergraduates; 9008691

cognitive distance patterns, narrative text representations; connectivity vs position hypothesis; 9003304

cohesion, schizophrenic narratives; S. Rochester's/J. R. Martin's cohesive ties categories modification; 9007242

composing process/written product temporal aspects/characteristics, narrative vs factual structures; 1st/2nd graders; 9000791

content-area learning enhancement, writing use, primary grades; 9005735

didactic narratives' morals, comprehension-generating model; adult/ child readers; 9003305

discourse comprehension/interpretation, narrative them delayed presentation effect, left/right hemisphere-damaged patients; 9005087 early literacy, frequent story reading exposure positive effects; 4-yearolds; 9000475

English as a foreign language written compositions, grammatical/ lexical cohesion; Arab college students; 9007772

English compositions, expression maturity assessment; Caribbean secondary school students; 9000839

English monologue, organizational units identification/description; training presentations data; 9008715

English narrative/narrativity use, first-generation Moroccan migrants, West London; 9007748

English/Chinese narratives structures, college students, Taiwan;

episodic structure, children's fantasy narratives; cohesive devices corre-lation/effect, on-line discourse processing; children aged 4; 9006279 fictional discourse nature, instructional suggestions; M. Spark's "Miss

Pinkerton's Apocalypse"; 9001236 French-English translation case study, R. Carrier's Le Dame qui avait des chaînes aux chevilles (Lady with Chains); 9000900

Gooniyandi (Australian Aboriginal) humorous tale "Thirsty Bull," structural analysis; K. Allan's alternative analysis; comment/reply/ rejoinder; 9001353

Goytisolo, J., Reivindicación del Conde Don Julián (Vindication of Count Don Julián), fundamental narration strategies, bodily functions relations; 9002156

hearing-impaired children's narrative abilities, propositions/cohesion; self-constructed story recall; 9009736

high school students' narrative passage retention/comprehension, sche-mata activation effects, different structural levels; 9003319

honor/status discourse, narrative styles, Arab society; north Lebanon fieldwork; 9004474

language/reading skills improvement, shared story reading/total communication use; multiply handicapped children; 9002390

linguistic coherence, system-theoretical conception; 9008836

literary narrative/language/ideology, Peruvian Indian/black popula-tions, M. Scorza's Redoble por rancas/G. Martinez's Canto de sirena themes; 9009602

main idea identification, picture stories/written narratives; alternative main idea statements ranking; 2nd/5th/8th graders; 9003353

Modern Literary Arabic short story/essay, reference/substitution/ ellipsis cohesive role; text analysis; 9002176

Mohawk (North Amerindian) personal spoken narrative dynamics, spontaneous conversation; linguistic/social behaviors; 9006244 myth as narrative, Ancient Near Eastern texts' structure/meaning;

narration, necessary verb forms typology; instructional guide, first-/ second-language comparison; parole facts basis; 9000230 narrative comprehension, causal structure effects; 9005702

narrative consciousness/writing abilities development, children aged 8-11 vs 15-18; 9008159

narrative construction styles, linguistic/educational implications; psy-cholinguistically relevant structures; 9003822

narrative discourse analysis/description, right-hemisphere-damaged adults vs neurologically normal/left-hemisphere damaged aphasic adults; 9004814

narrative discourse composing/editing/rewriting, reading/writing story grammar based process; teacher's role; 9000825

narrative essay, minority students' revisions, intervention strategies effect; 9000440

narrative nature, discourses/literacies, discourse/ideology relationships; 9006968

narrative prose comprehension/production/story grammar, learning-disabled vs normally achieving students; 9004842 narrative recall, connectives use; French-speaking children aged 5-8;

narrative story mapping instruction, missing link approach; 9003091 narrative text comprehension processes, adults vs children; compara-tive study segmented auto-presentation method application; 9000702

narrative texts' propositions' centrality, causal relations' role; 9008750 narrative writing quality, story organizer effects; 4th graders; 9000771

narrative/description aspects, E. Roulet's discourse analysis model, argumentative dimensions; unified approach; 9003855

onomastic techniques, L. Bemelmans's Dirty Eddie; 9002155 oral-language characteristics, story retellings; prekindergarten children aged 4; 9000088

oral/written narrative retellings similarities/differences, semantic analysis; age-related trends; 1st/3rd graders; 9000055

past-experience narration, young children's ability; children aged 2:1-2:3; longitudinal study; 9007429

Persian overt/nonovert subjects occurrence constraints, child language data reference; Persian-speaking 6-year-olds; 9006042

personal experience narratives, quantitative analysis; Nahuatl/ American English speakers; 9009438

problem-solving schemata, narrative vs expository text structures; comprehension facilitation strategies; 9000724

Quebec vernacular French exclamation woup, sentence/narrative discourse contexts, linguistic uses; 9003832

reading ability/textual structures instruction relationship; La Fon-taine's fables reading activity; fifth graders; 9008073

recall, prereading rhetorically oriented framework effects, structurally different expository texts; 9005061

rootplay/leading words/thematic links significance, Book of Judges; literary devices identification possibilities; 9007074

second-person point of view nature/functions, narrative structures; subjectivity/authority challenges; 9002169

semantic/structural information/constraints integration, reading pro-cess, information integration theory/functional measurement basis; high school students; 9003352

Siroi (Papuan) narrative discourse, tail-head linkage; 9006299 story comprehension improvement, below average readers; story impressions writing activity, narrative texts reading preparation;

story grammar/interestingness effects, children's narrative recall/ preference, standardized reading comprehension tests; 1st/2nd graders; 9003364

story schema use, black inner city 5th/6th graders' written narratives; good vs poor readers; 9005730

story-grammar approach vs X-bar story grammar, narrative processing aspects explanation abilities; 9006109

storytelling, communicative functions/abilities influence, individual differences; 9002022

storytelling/language behavior analysis; organizational folk theories creation; 9003810

textual cohesive devices role, narrative comprehension/recall; 9006325 Thai narrative discourse, meaning sources; grammatical/rhetorical/ sociocultural perspectives; 9006275

verb forms use, sentence/narrative contexts; adults; 9001013 written occupational narratives, guided imagery effects; 9003398

Nasal Structures

contour tones/affricates parallel properties, initial tone association/ spreading/OCP effects; Chinese/Lalana Chinantec/Japanese data; 9001005

Eastern Algonquian (North Amerindian) intrusive nasal vowel development, nasality/vowel duration/height connections; 9001003

German syllabification/velar nasal/schwa nature reexamined; R Wiese's stratal division/D. Steriade's claim supported; 9000962

laryngeal/velopharyngeal/labial activity temporal relationship, naso-metric/phototransductive measurements, normal adults' reaction times; 9004712

nasalization processes, universal grammar perspective; segment struc-ture hierarchical theory/spreading/mapping parameter incorporation; 9000991

rule application, negative constraints existence, Hindi evidence; 9008369

velopharyngeal impairment, speech pressures management; cleft lip/ palate speakers; 9004717

National Language

cultural expression, national languages role; Lubumbashi, Zaire; 9009549

health care information dissemination. Zairian national languages'

language planning theory, historical development; 9009512 language use rights, Zaire military justice system; 9009525

native language use right, judicial proceedings; Zaire; 9009506 Nigerian primary schools' educational reforms results; native-/French-language role; 9007549

Switzerland's language situation, national languages/dialectal diversity; census/statistical data, attitudinal polls, interviews; 9006990

Yugoslavia national languages role, regional tensions; 9009458

Zaire armed forces, national vs foreign languages use; 9009514 Zaire language planning ideology/history; 9009541

Zaire language policy, native-language instruction, implementation/ attitude problems; 9009537

Zaire language/education policies, colonial vs independent periods; 9009540

Zaire national language policy development, economic factors; 9009515

Zaire national language policy development, sociolinguistic factors; 9009547

Zaire native-language education policies/outcomes, 1974-1984; 9009544

Zaire native-language instruction, cognitive advantages; empirical studies; 9008189

Zaire native-language instruction, experimental didactic approach; 9009538

Zairian discourse, French/Lingala code-mixing tendencies; 9008184 Zairian national language policy, permanent government commission

proposed; 9009542 Zairian national languages usage, noneducation settings; 9009531

Zairian national languages use, education/government; 9009530 Zairian written press, national languages use; 9009508

Zairian written press, national vs official language role; 9009527 Zairians' literacy development, national language media role; 9009536

Native Language Instruction

'acquisition"/"learning" distinction, dead/living language competence; Anglo-Saxon texts, university-level English philology course; 9000911

adult literacy programs/native language use; Zaire; 9009511 applied/computer linguistics, 18th Annual Congress of Gesellschaft für Angewandte Linguistik (Society for Applied Linguistics), Heidelberg, West Germany, 1987; 9000142

Argentina/Latin America educational system description; children's/ adults' illiteracy remediation needs, primary education role; 9005582

argumentative text analysis, Brazilian schools, logbook technique; 9006329

audience sense development, writing; author/reader stance roles techniques; 9005740

authentic vs imitation reading/writing distinction importance, improved school-based literacy experiences; 9005111

basic English/English as a second language vs freshman composition courses, students' abilities compared; 9003449

beginning reading instruction, whole language vs language experience approaches' effects; S. A. Stahl's/P. B. Miller's study critiqued; 9007968

beginning-student writing, linguistic analysis; 9003407

bilingual special education, theoretical framework; causal analysis, intervention model; 9009840

Brazilian Portuguese native language instruction, regional phonetic variation; 9005120

Castilian orthography instruction, adults; 9007511

Catalan instruction, Catalonia; local government's language planning/ promotion efforts; 9007028

child language disorders, assessment/therapy textbook; 9002335 children's figurative language comprehension, metaphors/analogies/ models instruction effectiveness; 9000093

children's TV/movie/video exposure, visual interpretation instruction advocated; 9007905

children's writing control development, nonnarrative forms instruction curricular integration; 9000844

Chinese/English bilingual classroom, reading instruction, prediction strategies/materials adaptation; 9005790

classroom reading program evaluation, context/input/process/product (CIPP) model; 9003188

cognitive abilities/reading behavior/academic skills characterization,
Upward Bound Project participants; 9008063

college literacy achievement assistance, nontraditional students; text/ teacher-student interaction uses, context-based study; 9005127

command language syntax representation, metaphorical/flowchart/ textual means; learnability comparison; 9002661

composition writing holistic scores/sense of audience; concurrent com-position/speech instruction; 9th-grade students; 9008109 computer-assisted drill/practice effects, spelling performance; mildly handicapped children aged 9:9-12:9; 9007326

contemporary expressive writing pedagogies, theoretical origins; classi-cal rhetoric, romantic poetry, humanist therapy; 9003419

content area reading material/5th-grade students' meanings relation-ship, peer collaborative discussions; 9007519

content text comprehension; rewriting; 11th-grade students; 9007526 developmental classroom, teacher's vs students' values/expectations/ goals; classroom observation, survey data; 9003422

Dutch as a native language instruction, Dutch high school; oral skills testing, listening ability; 9000165

Dutch as a native language instruction, mono- vs bilingual students' grammatical errors; A. Kerkhoff's study critiqued; 9005125

Dutch secondary school base formation stage final examinations de-sign, bilingual students integration; 9000154

Dutch secondary school's base formation stage final terms, language contemplation/linguistic abilities relationship, teaching plan; 9000170

Dutch secondary school's base formation stage, language teaching evaluation, gauging approach; 9000163

Dutch situational language use, H. Blok's Taal voor Alledag; feiten en meningen over het taalgebruik van LBO- en MAVO-leerlingen in alledaagse situaties (Language for Every Day: Facts and Opinions of Language Use by Dutch Junior High School Students in Everyday Situations) outlined/critiqued; 9000171

educational language planning, theory/practice; 9002633 English as a first/second language writing instruction/skills development relationship; 9000826

English as a native language instruction, current status; 9000148 English as a second language instruction, prescriptive grammar role reevaluation; 9007702

English grammar, secondary/primary level textbooks' description/ prescription; Queensland Dept of Education Survey, 1987; 9007524 English language instruction approaches, history/attitudes; 9002662

English language, discourse analysis perspective textbook; 9003824 English language/literature instruction, new ideas/methods need, changing cultural attitudes importance; 9007515

English programs described, secondary Near East South Asia Region overseas schools; questionnaire; 9000146

English teaching research, annotated bibliography; 9002630

English writing instruction, teacher training/instructional practices/ student achievement relationship; teacher interview, student survey; 9000834

English-language curriculum changes, at-risk high school students; 9007533

English/Korean relative clauses crosslinguistic acquisition, linguistic iconicity as constraint; Korean grade school bilingual children; 9000156

English/language arts instruction, recent trends, professional litera-ture; 9005128

English/Spanish functional language instruction, handicapped/ linguistically different students; 9004879

expository text discussion, collaborative learning, secondary school; 9000158

Finnish as a native language instruction, elementary schools, grammar position changes, 1841-1970; 9007527

foreign-language writing proficiency/processes, research/practical aspects, Dutch high schools; 9007723

French as a native language students' spelling proficiency; Italian as a second/heritage language learning; report cards; 9007759

functional language use, instruction dialogue journal writing; elementary school students; 9007865

gender-free English vocabulary use; 9005116

German as a native language instruction textbooks' communicativestylistic suitability, lexical-semantic complexity; 5th-7th grade;

German as a native language instruction, condition notion, philosophi-cal/pedagogical aspects; Marxist-Leninist framework; 9002644

German as a native language instruction, technology implications;

German as a second/first language instruction, Luxemburg, teacher training/upgrading; 9005203

German comma placement, clarification rules proposed; native-language teaching implications; 9004370

German comma usage rules, methodology proposed; 9004356 German instruction, plays/linguistic activity experimental characters, students' communication means testing; 9002631

German-language/-literature instruction, text treatment/processing, cognitive model; 9000164

German/Turkish children's scholastic performance, German chemistry textbook comprehension/readability; Berlin high school students;

good readers'/writers' authorship concepts, 1st/3rd/5th graders;

grammar instruction effect, students' writing ability/grammaticality;

grammar instruction, mnemonic devices/special explanations use; 9005046

grammar instruction, videotaped structural units approach; delayed-recall tests; 9007534

grammar study, progressive development plan; 9002653

grammars/dictionaries proliferation necessity, languages' irregularity/ unpredictability, native/nonnative speakers' use; 9002781

grammatical concepts instruction, concept teaching principles use; English sentence concept, students' perceptions; 9002638

grammatical mistakes, monolingual vs bilingual post-elementary school students; debate; 9007691

Greek/Latin word roots instruction, disadvantaged 6th-grade readers; activities, materials; 9000541

handwriting/writing vs keyboarding instruction, whole language perspective; 9002642

Hungarian native language instruction, elementary school visitation impressions; International Mother Tongue Education Network presentation; 9000149

informational writing, instructional strategies' effects compared; 4th-/ 6th-/8th-grade students; 9003416

Inuit (Eskimo/Aleut) children's natural language use, first-year formal education; tape-recorded language sampling exercises; 6-year-olds, Arctic Bay, NWT; 9000174

Italian as a native language instruction history, Middle Ages-19th century; 9007529

Italian schools, dialects instruction, bibliography; 9007514

language acquisition ecology; school achievements, native language vs innish use, Swedish-speaking comprehensive school, Finland;

language arts curriculum reform topics, inservice training provision, Educational Television Network, Los Angeles, Calif; 9002637

language arts instruction, Slingerland approach, users'/supporters' perceptions; 9002650

language assessment/testing issues, standardized measures vs Primary Language Record; 9005106

language conception/training relationship, historical perspective; written language instruction; 9006530

language development importance, Capital Area Intermediate Unit, kindergarten/1st-grade teachers'/principals'/speech-language specialists' perceptions; 9005110

language experience approach, content-subject matter use, middle school; 9005609

language facility development strategies, middle school students; 9007522

language learning as creative acquisition, recent linguistics works/ language-teaching literature; 9007651

language learning/policy hypotheses, English/French as a native language instruction; observations; Montreal middle school children, French immersion program; 9007528

language policy/classroom language, English/Swahili/native language use, Kenyan primary schools' science instruction; 9003461

language stimulation, sound field amplification/teacher-training paired approach effect, Head Start children; 9002666

language-in-education planning, second-/foreign-language teaching fo-cus; 1980s survey; 9007610

learner's dictionary, recent lexicographic trends; La Petit Robert des enfants (Le Petit Robert for Children)/Le Robert oral-écrit (Le Robert Oral-Written Dictionary); 9006826

lexematics (structural semantics) didactic application, Spanish as a native language instruction; 9003736

listening skills development importance, children's speaking/reading/ writing achievement; 9005117

literacy acquisition, bilingual setting; Turkish children, West German schools; 9005823

literacy campaign, Upper Silesia, post-WWII Poland; government policy, institutional forms, teaching materials, statistical data; 9005126 literacy lessons, control issues, literacy educators vs basals; 9000166

literacy promotion, effective educational conditions; traditional notions vs new perceptions; 9002665

literacy, contemporary teaching changes, children's reading/writing acquisition insights basis; 9002660

literacy-learning expansion, reading/writing activities integration, whole language teaching approach; 9005591

literature teaching, teacher as reader/reader as teacher relationship; high school English teachers; case study; 9007998

literature/composition integration, language arts curriculum; philo-sophical/practical considerations; 9005130 metacognitive strategy effects, expository text recall; 3rd graders;

metaphor communication problems, test-by-result experiment; didactic implications; 9001276

narrative analysis, super-/macro-/microstructure relationship; T. A. van Dijk's framework; East German fifth/sixth graders' life experience stories; 9006280

native language polyglossia, diatopic/diaphasic/diastratic varieties continuum, native-language instruction implications; 9009185

native-/second-language acquisition parallel, German as a second language, Japanese students; universal grammar principles violation; undergraduates aged 19-21; 9005448

native-language education, praxeological model, public attitudes; informal interviews; Zaire; 9009516

native-language instruction research, Chile; 9000173

native-language instruction, Dutch high school, students' languagecultural education, contemplative reading procedure; 9000153

native-language instruction, Dutch secondary school, basisvorming (base formation) stage's language teaching implications; 9000155 native-language instruction, formal grammatical instruction necessity; teaching strategies; 9002643

native-language instruction, listening skill development; 9000147 native-language learning, "incidental teaching" procedure use; teacher training, appropriate communicative responses; kindergarten teacher; 9000152

native-language pedagogy, Ivory Coast, experimental program; 9007525

native-language/-literature instruction, Hungary; Hungarian/Dutch systems compared; 9000150

Navajo community/school, parental involvement/community control; native-language use, reservation as content/curriculum source; 9003468

oral/written language relationship theories reevaluation, purpose/ reasons consideration; 9005112

Ort, E. W., Twice as Less: Black English and the Performance of Black Students in Mathematics and Science reviewed; 9005121

phonemic segmentation effects, code acquisition, poor/normal phonetic decoders; Spanish-speaking Peruvian 2nd graders; 9005024

phonological awareness stimulation, extensive program effects; longitudinal study; Danish preschoolers; 9002647

Portuguese as a native language instruction, Brazil, teacher's professional/political qualifications upgrading; 9007521

Portuguese as a native language instruction, Brazilian elementary schools, social/science/teaching crises, oral language/grammar teaching proposals; 9007513

Portuguese as a native language instruction, Brazilian schools, standard/nonstandard varieties relationship; 9007520

Portuguese language teaching, text grammar contributions; 9002645 Portuguese reading/writing instruction, Brazil, teachers' linguistic training need; questionnaire data; 9000169

process writing frequent noninclusion, children's content areas writing instruction; prewriting/writing/postwriting phases; 9000843

punctuation marks/connectors use, 2nd graders; 9000778 radio news report, text type linguistic/communicative analysis; Westdeutschen Rundfunk (West-German Radio); second-/native-language teaching material; 9002033

reading achievement/performance, whole language vs basal approach 1st graders; Gates-MacGinitie Reading Survey Test Level A; 9007960

reading aloud importance, child's imagination/language development; book selection guidelines, classroom-level activities; 9002626

reading instruction methods, Spain, phonics emphasis; 9005554 reading instruction practices, middle-level schools surveyed; 9003154 reading instruction, night school program, Thematic Experience Approach; 9007516

reading strategies assessment, strategy interview guides' limitations; 9005119

reading/communication arts integrated K-12 program development, Cincinnati schools; 9005555

reading/language arts curriculum determination, elementary classrooms, teacher vs independent activities; 9007530

reading/writing acquisition process, error analysis; written compositions; Brazilian students; 9008098

reading/writing instruction, integrated program development, elementary school; 9002632
reading/writing integration, daily curriculum; anecdotal reports; kin-

reading/writing integration, daily curriculum; anecdotal reports; kindergarten-4th grade; 9002641

Spanish as a native language composition instruction rationale, college level; 9005109

spelling achievement improvement, group contingencies acceptability/ effectiveness; 5th graders; 9005129

spelling achievement, sexual difference; written/proof-reading-type standardized achievement tests; 1st-6th graders; 9007510

spelling curriculum, traditional memorization vs new approaches/ methods, English phonetics comprehension emphasis; 9005131 spelling difficulties remediation suggestions, adults; 9005118

spelling arricatules remeatable suggestions, adults, 900118 spelling errors accurate assessment importance, appropriate corrective measures implementation; special needs students; 9005113

spelling instruction modifications, learning-disabled students; 9004832 spelling instruction, whole language approach incorporation methods; developmental changes facilitation; normal/poor spellers; 9000159

spelling performance, hemispheric thinking style/spelling strategies effects, field dependence/independence relationship; 9004957

spelling performance/school attitude; color coding; Metropolitan Achievement Test; 6th-grade students; 9007512

spelling problems, underlying causes; junior primary pupils; 9007517 spelling research/practice proverbial gap, E. G. Stetson's theoretical view; 9007972

spelling/decoding instruction integration, word order/structure basis; 9000558

spoken-/written-language "continuum" theory, metaphor study; 9002654

Standard English instruction, class/cultural background bias; 9005108 student answer completeness/correctness; advance organizers; experiments; 8th graders; 9007983

students' writing abilities, whole language vs traditional instruction approaches; writing task; 2nd/6th graders; 9008163

summary writing instruction, guided reading procedure extended; 9005743 teacher education, wholistic theories application; 9002659

teacher education, wholistic theories application; 9002659 text structure categorization, instructional purposes; 9002664 traditional teaching methods, whole language approach integration; 9002646

Vietnamese/English transitional bilingual education program experimental impact, native-/second-language proficiency; kindergarten-2nd grade; 9005829

vocabulary comprehension/retention, Vocuabulary Overview Guide effects; 9002629

vocabulary instruction method, long-term retention; 9007980 vocabulary instruction types/student expression relationship; 4th graders; 9005122

vocabulary instruction, remedial teachers' strategies; 9003227 vocabulary learning, captured mental imagery/mental imagery/ sentence writing only methods compared; 9005114

vocabulary learning/development research importance/lack; 9005115 vocabulary teaching instruction, semantic elaboration/fit methods effectiveness; hearing-impaired/learning-disabled students; 9000160

wax tablet, writing instruction tool use; medieval letter/literary forms; 9001994

whole language classroom, assessment method effectiveness questioned; responsive evaluation proposed; 9005107

whole language classroom, written-/oral-language instruction; 9003451

whole language instruction practices evaluation, 2nd-/6th-grade classrooms; 9002640

whole language instruction, applications, literacy development; 9002627

whole language program implementation, 1st-grade teachers' experiences; 9007898

whole language program implementation, New Hampshire rural school; 9002656

whole language theory, research foundations/development; 9002635 whole language, distinct/accurate definition efforts; 9002663

whole-language instruction, future implementation possibilities; 9002649

whole-language instruction, future influence; 9002639

whole-language instructional movement, possible misunderstandings; 9002652

whole-language movement, historical roots; 9002636

whole-language program development/implementation, Quebec educational system; 9002648

word use relationship, standardized spelling tests vs basal spelling programs; grades 2/4/6/8; 9007532

writing as process vs product, first-/second-language composition instruction implications; 9003371

writing instruction, curriculum reform need, visual vs verbal learners; drawing integration; 9008140

writing instruction, West German secondary school, didactic model critiqued; research survey, neurological-cognitively based alternative proposed; 9000764

writing instruction, whole language vs traditional approaches, students' writing samples/attitudes; 2nd/6th graders; 9005772

writing instruction, word-processing programs contribution; 9008144 writing-across-curriculum movement, mass education cooperation, 1900-1930; 9002657

written composition teaching/learning, text cohesion/coherence criteria; 9003442

written register, young childreh's control; 2nd graders; 9000838 young children's literacy skills development, names use; 9000172

Zaire language policy, native-language instruction, implementation/ attitude problems; 9009537

Zaire language/education policies, colonial vs independent periods; 9009540

Zaire native languages use, secondary school humanities instruction; 9009543

Zaire native-language instruction, cognitive advantages; empirical studies; 9008189

Zaire native-language instruction, experimental didactic approach; 9009538

Zaire native-language instruction, secondary school teachers' attitudes/instructional approaches; questionnaire; 9009518 Native Speaker

affective communication language style, semantic/lexical/syntactic differences; native vs nonnative English speakers; 9007753

cloze tests parallelism, minimally required blanks; Dutch text; native speakers, Indonesian learners; 9003043

colloquial Russian utterances, perceived stress, rhythmical organiza-tion; native speakers; 9000983

dialect intelligibility tests, sample variation interpretation; 9006760 English as a second language comprehension, textual sequence interac-tive role; cloze tests; native vs nonnative speakers; 9002989

English vowel duration/formant patterns, stressed/unstressed syllables; native vs nonnative speakers; 9002977

English yes/no questions formation, native US speakers vs Singapore English speakers; audio-taped conversations; adults; 9007809

French language competence/usage self-evaluation; questionnaire; Bel-gian Romance philology students; sociolinguistic perspective; 9009425

German complex sentence melodic architecture; experimental/applied phonostylistic study; 9005990

Korean scrambling/acceptability phenomena; 9008463

language proficiency assessment, FSI/SIL vs ACTFL ratings, formats/sampling/evaluations; universal rating scale development impossibility; 9005469

mental grammar, nonexistence, human linguistic knowledge representation, multiple redundant cognition-integrated systems; 9008832 monolingual dictionary, new types development; decoding/general purpose; 9006823

native speaker/native tongue distinction, expertise/affiliation/inheritance terms limited usefulness; 9009473

native-language speech error types, dialect implications; 9007378 second-language acquisition, "discourse frames" organizing strategy; native-speaker improvisations, video elicitation; Italian as a second language learners; 9005158

Spanish as a foreign language oral proficiency, native speakers' judg-ments; 9005467

task-based conversational interaction, first-/second-language dyadic problem-solving activity, Vygotskyan psycholinguistic theory; native/nonnative English speakers; 9002008 unnaturally sounding well-formed sentences, restriction violations evi-

dence; 9008502

writing performance/test-taking strategies, native vs limited English proficient students; think-aloud protocols; 9003403

Yaqui (North Amerindian) passives grammaticality, native speakers' judgments validity; 9008409

Yoruba (Niger-Kongo) quantifier words, semantic interpretation; A. S. Lawal's claims empirically supported; reply; 9006136

automatic text compression, adaptive algorithm, compression coeffi-cient; Russian natural-language/formal texts; 9001739 averbal thinking, existence supported; 9009659

axiological strategies, natural language vocabulary's axiological potential; evaluations typology, linguistic expression strategies; 9001929

cognitive processes study framework use, knowledge representation computer applications improvement; Kantian concept; 9006680 collective semantics, natural language processing; lexical ambiguity, semantic relations; 9003717

computational linguistics introductory textbook, POP-11 natural language processing; 9004117

context-free grammar, reduplication construction accommodation model; 9006704

creole languages genesis, relexification theory, formation processes ex-planatory basis; Haitian Creole syntactic/semantic properties; 9001847

evaluation, linguistic/philosophical/logical aspects, evaluative meaning expression, natural language; 9003706

knowledge representation theory, natural language graphics; diagram generation; 9004118

meaning study limitations, linguistics discipline; semantics unity/ variation: 9001151

meaning, Davidsonian theory objectivity evidence; 9006166 medical expert systems, decision processing semantic aspect, network/ methodology, normalized natural language; 9009086

menu-based natural language interfaces principles design, visual search processes nature; 9004123

music/natural language perception/comprehension/processing analogy, heuristic value; 9007365

natural language discourse, nonsingular concepts representation;

natural language generation possibility, artificial intelligence plans basis; 9006687

natural language messages analysis, cognitive approach; 9006715 natural language optimal latent structure, information maximization;

natural language processing, PROLOG; computational linguistics introduction; 9004116

natural language processing, activation/connectionist models spreading; 9008780

natural language processing, human-computer interface; 9009082 natural language processing, Korean research/trends; 9009073

natural language processing, multiprocessing model; 9008778 natural language processing, question-answering systems/frameworks overview; 9006713

natural language processing/knowledge representation, massively par-allel model, distributed control; 9004109

natural language semantics, alternative mathematical model; 9008586 natural language semantics, intensional entities structuring finiteness/flexibility; thematic roles formal theory; 9006146

natural language semantics, meaning theory, grammar role; 9008552 natural language semantics/computerized semantic representation, two semantical accounts necessity; 9001463

natural language understanding programs, artificial intelligence appli-cation, computer system development; 9006685

natural language, automatic processing, R. Schank's research; interview; 9003759

natural language, computer understanding; 9006690

natural language, meaning theory, semantic compositionality principle;

natural language, structure-discerning semantical theory, adequate motivation provision; 9008581

natural-language action-guiding rules intrinsic/extrinsic motivation, English/Hungarian examples; 9001412 natural-language negation, function/possible etiology, M. Dummett's

antirealism argument; 9007136

natural-language semantic characterization, generic interpretations problematic aspects; "generic" vs "iterative" reading distinction; 9001145

natural-language temporal contexts analysis, three-dimensional seman-tics; H. Reichenbach's framework, English complex sentence; 9001155

natural-language texts' discourse-level structure, empirical abstracts;

numerical-spatial conceptions, linguistic/mathematical representation;

polyadic quantifiers, natural language; standard unary reduction, Fregean style; 9001468

space orientation/movement direction, linguistic representation, Viet-namese peculiarities, Vietnamese-Russian comparison; 9004925

speech synthesis/recognition, natural language processing, conference proceedings; 9002294

spoken natural language sentence parsing, uni<sup>2</sup>/bidirectional chart parsing techniques compared; 9001741

syntactic category disambiguation, 500-unit neural network, natural-language data; low-level bottom-up process hypothesis; human lan-guage processing models development; 9001708

temporal language, restricted French fragment, Prolog acceptability/compositionality algorithms; 9002428

temporal reference, natural language; H. Kamp's discourse representa-tion theory supported, Dutch evidence; 9001165

thought processes, language necessity theory rejected; 9009661 unification grammars use, linguistic descriptions analysis/synthesis; 9006694

word/term concepts, general vs special language, knowledge structur-ing as differentiating feature; 9006841

X-bar theory use, phrase structure hypotheses delimitation; new version, heuristic language-description tool; 9006395

Natural Phonology

backgrounding, natural phonology process; word frequency effect; new evidence; 9003541

cognitive linguistics-natural phonology/text linguistics parallels; 9008783

metric/lexical/autosegmental/natural phonology, suprasegmentals/ processes/rules/domains treatment; 9008367

natural phonology, naturalness/markedness conceptions, phonological vs universal natural processing; L. Bauer's/E. Gussmann's critiques refuted: 9005949

phonology/phonetics relationship; 9000968

Negative Statement

affective or licensing, gapped coordinate structures; 9006350

Catalan/Aragonese/Castilian negative polarity terms thematization, diachronic/comparative perspectives; 9006537 children's negation production, V. Volterra's/F. Antinucci's typology; high/low socioeconomic status; Chilean Spanish-speaking children aged 2:8; 9000067

concessivity, causality subcategory; Serbo-Croatian negated construc-tions; 9006163

Crow (North Amerindian) negation, logical structure; verbal suffixes ssaa/leeta use; 9006204

Dutch negative polar expressions, negative polar trigger relationship; model-theoretical semantics account; 9001154

English negative/tag questions responses, error avoidance learning approaches; Japanese students; 9007716

English negatives acquisition, St. Lucian French creole speakers; kindergartners; 9000441

English tense/aspect/modality/negation acquisition; taped conversa-tions; Khmer native speakers; 9007801

English vs French propositional attitude/factive verbs use contrasted, negation interaction; semantic examination; 9001174

French argumentative connective *même* 'even' acquisition, children aged 7:0-8:11/9:11-11:3; 9000050

French negative structures, popular slang usages, semantic/sytactic behavior; 9001130

interval semantics, C. L. Hamblin's critique rejected; 9001152 Italian reduced negation, standard vs dialect, geography/diachrony, formal/informal speech; 9009155

Japanese no problem resolution, function/place; functors/arguments linguistic analysis; 9001135

Madak (Austronesian) verb phrase, aspect/modality operations; 9006068

negation as a modality, communicative-syntactic vs structural-syntactic negation; Russian/English material; 9001168 negative polarity licensing, unified analysis rejected; 9006427

negative sentence verification, semantic relation/contrast effect, exceptionality hypothesis; 9000040

negatives significance, syntax/semantics/pragmatics roles; 9001452 Old French actual/virtual coordinator ne/ni analyis, et/ou 'and, or substitution, ne; 9006093

Portuguese negation, support verb reduction description; 9008492 Romance languages predicate negation strategies, word-order changes, similarities; 9001649

Russian negation violation; colloquial speech, modal/irreal-hypothetical utterences, rhetorical questions; 9006138

Russian/Polish motion verbs' negated dependent infinitives aspect se-lection, 3-way opposition, perfective vs indeterminate/determinate imperfective sub-aspects; 9001041

second-language acquisition research, theoretical implications;

strong negation systems semantics, sequent calculus subformula property basis; 9007114

Swedish negative placement, first- vs second-language acquisition; mo-nolingual Swedish 3-year-old vs adult immigrant; 9002512

Neologism

acronyms use, spoken African French, literacy presupposition; 9006848

child language acquisition, word formation correctness/transparency; Italian 2- to 8-year-olds' neologisms; 9005014

child neologisms, word-formational strategies/productive affixes; Italian data; 9002525

Dutch -ette formations, French suffix assimilation, commercial designations/advertising language, word formational rule, meaning;

English neologisms, DNA/rape/drinking/insanity themes; 9006838 English neologisms, widespread adoption chances; 9004342

English neologisms/phrases explanations; 9009313

French language purification, Anglicisms elimination; 9006868 lexical creativity/neologisms use, R. Gómez de la Serna's literary works; 9002179

Neo-Latin vocabulary crisis, S. Vasselli's dictionary; lexical "fast food"; 9006839

neologistic terminology, Des mots à la pensée. Essai de grammaire de la langue français (From Words to Thought: An Outline of French Grammar); 9006865

paranoid schizophrenics' linguistic devices use, speech fragments, structured interviews; neologisms' source; 9004866

Romanian dictionary DEX-supplement, omitted neologisms list;

Romanian neologism zacherlina 'insecticide powder' origin, an-throponymic base/German borrowing; 9009317

schizophrenic/aphasic neologisms compared; Japanese schizophrenic patients' writing characterized; 9002341

Spanish advertising language, communicative functions; loanwords use, positive/persuasive connotations; 9002030

Spanish underground publications' jargon, word-formational peculiarities; 9001942

Nervous System Pathology

acquired dyspraxia remediation, two treatment techniques compared; 9007267

acquired vs developmental stuttering definitions/etiologies/treatments; written questionnaires, telephone interviews; speech-language clini-cians; 9009775

agrammatic comprehension behavior, grammatical prerequisites; 9005095

Alzheimer's/Huntington's/Parkinson's disease differentiation, verbal learning characteristics basis; 9007265

Alzheimers' patients' language use communication breakdown; inter-action examination; longitudinal study; 9009768 aphasia test batteries' appropriateness, adult closed-head-injured pa-

tients; 9007502 aphasic language disability treatment, neurobiological contributions; 9007477

aphasic speech, phonetic/phonemic disruptions, ideas evolution; 9007498

auditory brainstem responses, stutterers vs nonstutterers aged 15-36; 9009794

augmentative/alternative communication use, cerebral palsy students; positioning/communication relationship; 9007327

basal temporal language area characterization, left temporal lobe epi-lepsy patients; 9005084

Broca's area aphasia, functional systems construction; operculum/ lower motor cortex lesion cases; 9007233

cerebral palsied child/environment relationship, therapeutic approach; case studies; 9007336

computer-assisted language retraining possibilities/limits, motor defi-cits subjects; 9007352

conversational skills, closed head injury patients; patient/speech-language pathologist interactions; 9007278 dementia, operational definition; 9007479

frontal cortex focal damage, alexia/agraphia development; case study; 9007480

global aphasia without hemiparesis (GAWH), prerolandic infarction; case studies; 9004770

language comprehension assessment method, motor-impaired children; potential advantages, handicapped/nonhandicapped populations; 9002402

language impairment pattern, Alzheimer's disease/multi-infarct de-mentia/elderly patients; D-Test Battery, Luria's Neuropsychological

Investigation basis; 9007496

language impairment, closed-head-injured children aged 8-17; follow-up study; 9007494

language performance deficits, elderly depressed patients; 9009793 lexical processing, selective semantics impairment; error types/rates, verbal/oral/written tasks; 52-year-old male; 9007388

limb apraxia effect, left-hemisphere-injured aphasic subjects' sign/ gesture acquisition; 9007243

music reading/text reading abilities measurement, alexic subject case study; 9002606

musical score reading deficiency, neurologically impaired musician; 9002618

perseveration/semantic memory degeneration link; 9007478 phoneme-grapheme relationship establishment inability, neurally handicapped; 9009780

phonological oppositions acquisition/loss, R. Jakobson's hypotheses, empirical verification need; 9008364

pictorial memory; immediate/delayed picture-recognition task; apha-sics/nonaphasic left-/right-brain-damaged patients/normal con-trols/Alzheimer's disease patients; 9007491

progressive aphasia without generalized dementia case study, physical/ management problems vs linguistic deterioration; 64-year-old male; 9007275

progressive aphasia, Pick's disease patient; clinical/ neuropsychological/neuroradiologic observations; 59-year-old male; 9007256

repetitive language symptoms, neurological disorders possible associa-tion; historical overview; 9009798

respiratory function, pseudobulbar palsy; spirometric/kinematic assessment; 9007274

semantic memory impairment assessment, methodological issues; Al-zheimer's type dementia/anomia patients; 9007486

spatial hemineglect syndrome, spatial attention deficit; left hemisphere role; 9007505

speech characteristics/coronary heart disease incidence relationship; audiotaped structured interviews, Multiple Risk Factor Intervention Trial; 9007281

speech disorders, Friedreich disease; duration fundamental frequency/ intensity, acoustic paramaters analysis; patients; 9009763

speech production, Friedreich's disease patients; electromyographic analysis; 9009764

speech synthesizers, cerebral palsy users; pictogram phonological entry system; 9007344

spontaneous conversational speech, unilateral left-/right-hemisphere damaged children vs normal controls; stuttering type fluencies, normal nonfluencies, speech rate; 9004749

spontaneous speech, temporal/syntactic/lexical form differences, Al-zheimer's/Huntington's/Parkinson's disease patients; 9002607 subcortical structures role, aphasia; 9007244

tardive dyskinesia speech disorders, organic brain dysfunction evidence; 9004823

thalamic dementia, infarct location correlation; case studies; 9007485 transcortical motor aphasia patient's language impairment, possible mechanisms; observations; 9009755

verbal memory decline, Alzheimer's disease patients; 9004804 verbal memory measures, story/list recall tests; head-injured patients; 9005051

verbal supraspan, age-related differences; normal adults vs head trau-ma/unilateral cerebrovascular patients; 9007286

visual attention, left sylvian strokes; task-specificity hypothesis pre-sented, unilateral visual neglect; 9005091

word fluency generation skills, acutely brain-injured patients; 9009766 word fluency performance, common vs ad hoc categories use; closed-head-injured vs non-brain-damaged subjects; 9002337

Neurolinguistics agrammatic comprehension behavior, grammatical prerequisites; 9005095

agrammatics' written sentence comprehension, deficits/strategies diversity; 9005085

anatomical correlates, dizygotic twins aged 4:9; atypical left-right peri-sylvian configurations, elevated gonadotrophic hormones level influ-ence; 9002614

antonymy recognition, language-enriched right hemisphere; error anal-ysis, direct vs indirect antonyms; 9005086

aphasia research, discourse analysis approach; critique; 9008682 aphasia test batteries' appropriateness, adult closed-head-injured patients; 9007502

aphasia, H. Grashey's/C. Wernicke's contributions translations; 9004769

aphasia/nonverbal cognitive disorders relationship; nonverbal tests; aphasics/normal controls/nonaphasic right-/left-brain-damaged pa-

tients; 9007488

aphasic agrammaticalism/child language acquisition parallels, regression hypothesis validity; 9009783

aphasic language disability treatment, neurobiological contributions;

aphasic speech, phonetic/phonemic disruptions, ideas evolution; 9007498

attentional dysfunction; aging processes; normal adults/frontal-lobe-lesion patients; 9007493

basal temporal language area characterization, left temporal lobe epi-lepsy patients; 9005084

bilingual Farsi-English patient's task-specific agrammatism; 9005093 bilingual Russian writers, neurolinguistic research findings; 9002601 brain sentence syntax, S. P. Stich's theory critiqued; 9004931

cerebral functions intrahemispheric organization, sex differences; ante-rior/posterior lesions incidences evaluated, aphasic/nonaphasic left-hemisphere-damaged males/females; 9000132

cerebral hemispheres specialization, visual spatial frequencies processing; contrast-sensitivity functions, visible persistence durations, accuracy/reaction times; 9000135

cerebral maturation/asymmetries, P. I. Yakovlev's teachings/scientific career; 9005090

cerebral plasticity/organization, environment/learning structuring role influence; neurological approach, neocortex/high cognitive processes emphasis; 9000131

children's color terms development, recent psycholinguistic/ neurolinguistic data reference; established patterns, methodological issues; 9002506

code-switching/-mixing studies, 1970-1988; selected bibliography; 9005810

communication competency, hemispheric processing approach, anxiety effects; 9002616

contralateral processing, ipsilateral influences; normal adults vs neglect patients; 9000137

corpus callosum involvement, cerebral lateralization; dichotic listening task; callosal agenesis/callosotomized/hemispherectomized patients;

deep dyslexia, semantic paralexis symptom possible origin; K. A. No-lan's/A. Caramazza's dual-deficit model supported; 9005088

dementia, operational definition; 9007479

dichotic/tachistoscopic language laterality tasks, cross-modal correla-tion, familial sinistrality; right-/left-handed undergraduates;

discourse comprehension/interpretation, narrative them delayed pre-sentation effect, left/right hemisphere-damaged patients; 9005087

electrophysiological processes discrimination ability, known/unknown words presentation, infants aged 1:4; stimulus tapes, auditory evoked response recordings; 9007500

English as a second language instruction, vocabulary teaching, neurol-inguistic programming principles use; 9005209

event-related potentials, rhyme-matching task; pictorial stimuli; right-handed young adults; 9007483

event-related potentials, verbal processing; word-reading/figure-matching tasks, handedness/sex effects; strongly right-/left-handed males/females; 9002621

foreign accent syndrome, Argentine patients' speech acoustic analysis/ neuroradiology; articulatory deviations, prosodic/segmental aspects; 9007272

foreign-language instruction, current approaches reassessed, latest neurolinguistic research reference; 9007579

frontal cortex focal damage, alexia/agraphia development; case study; 9007480

frontal language disorders, current clinical/anatomical profiles/ theories evaluated; general frontal lobe function theory developed; 9002600

generative linguistics, aphasiology studies value; agrammatic Broca's aphasic; 9008838

glottodidactics, Italian new series; first three volumes outlined; 9005345

Japanese agrammatism, cross-language approach; 9005096 Japanese pure kanji agraphia, left posteroinferior temporal lesions cause; 9002617

Kana/Kanji processing, left-/right-hemisphere-damaged patients; word-processing tasks; 9000134

language changes, normal aging processes, neuropsychological factors; test battery; males/females aged 30-79; 9007482

language impairment, closed-head-injured children aged 8-17; follow-up study; 9007494

language organization, brain, tone language/bilingualism contribu-tions; 9007506 language origin/evolution, cognitive-map theory, hippocampus, aphasic clinical evidence; 9000029

language, neurolinguistic/psycholinguistic/cognitive aspects, epil-inguistic activity; aphasics' language behavior, therapist as regula-tor/epilinguistic action stimulator; 9004767

lateral asymmetries, verbal stimuli processing; cerebral dominance/language/emotion, divided visual field study; 9002611

left brain hemisphere, language specialization, literacy role; Portuguese-language aphasia screening test; unilingual adult Lusophones;

letter processing, spelling vs reading; neurologically impaired subject's spared/impaired performance, complex pattern; 9002615

lexical semantics, right hemisphere contributions; 9000130

lexical-semantic impairment, Alzheimer's disease patients; confronta-tion naming task/verbal associates recognition task; 9007490

Luria, A. R., neurolingustic/aphasia approaches' significant features; 9004803

Luria, A. R., neuropsychological/neurolinguistic theories, neuropsy-chological testing context; 9004763

memory/neurolinguistic processes, A. R. Luria's theory; 9004790 modern neuropsychology issues, 1960-present; split-brain studies disparate/irreconcilable results; 9002612

motor-perceptual function/performance, nondisabled vs readingdisabled males; neuropsychphysiological analysis; 9009807

music reading/text reading abilities measurement, alexic subject case study; 9002606

musical score reading deficiency, neurologically impaired musician; 9002618

naming abilities, closed head-injured children aged 8-16; error analysis; 9002608

narrative discourse analysis/description, right-hemisphere-damaged adults vs neurologically normal/left-hemisphere damaged aphasic adults; 9004814

neologistic speech automatisms, complex partial seizures; right-handed female aged 18; 9002603

NetSpraak neural network, grapheme-to-phoneme conversion; 9007507

neurolinguistic/neuropsychological research, past/present developments; 9000133

neurolinguistics fundamental notions; aphasia criteria/classification revision; 9005092

neurolinguistics, E. Keller's/M. Gopnik's Motor and Sensory Processes of Language introductory article, Italian translation; 9007495 neurology study, hemisphericity theory basis, 1970s vs 1980s version; 9005097

neuroscience's pedagogical applications, brain development/organization; 9000139

oral movements/speech output control relationship; aphasia/Token/ apraxia/speech production/syllable identification tests; right-handed unilateral right-/left-hemisphere-damaged patients; 9002610 perseveration/semantic memory degeneration link; 9007478

phonetic categories acquisition, cerebral hemisphere involvement; Mandarin consonants differentiation tasks; English/French speakers; 9007487

pictorial memory; immediate/delayed picture-recognition task; aphasics/nonaphasic left-/right-brain-damaged patients/normal controls/Alzheimer's disease patients; 9007491 reading disability, emotional/neurological factors role; psychoeducational techniques; 9005518

reading psychophysiological bases, sensation vs perception; 9000695 residual reading ability, deeply dyslexic patient; 9007492

rhyming performance deficits, callosal agenesis children; brain organization/lateralization implications; 9002619

right hemisphere language/reading processes; callosotomy/ hemispherectomy patients; 9007484

right-hemisphere advantage, lexical decision tasks; two-character Chinese words/nonwords tachistoscopically presented; 9002609

second-language instruction, mistake correction vs prevention, learning psychology viewpoint; 9007607

selective attention/lexical knowledge interaction, neglect dyslexia patients; 9007501

semantic memory impairment assessment, methodological issues; Alzheimer's type dementia/anomia patients; 9007486

semantic/associative priming, cerebral hemispheres; lexical decision tasks; right-handed undergraduates, adults; 9002604

senile dementia prevalence, Tokyo population; 1973/1980/1987 surveys; 9007504

single word processing, positron emission tomographic studies; subjects aged 18-49; 9005094

Soviet psycholinguistics history, A. A. Leont'ev's speech action theory development/elaboration; 9007360

spatial hemineglect syndrome, spatial attention deficit; left hemisphere role; 9007505

speech perception, neurological bases/biological foundations; 9002613 speech recognition systems improvement, neural networks use; 9007192

spontaneous speech, temporal/syntactic/lexical form differences, Alzheimer's/Huntington's/Parkinson's disease patients; 9002607

stutterers' linguistic lateralization; verbal-manual interference test, control/music condition; males/females aged 9-38; 9002602

stuttering, neuroscience model; 9007276

thalamic dementia, infarct location correlation; case studies; 9007485 time-sharing paradigm reassessment, standard ANOVA/ANCOVA procedures use; 9000138

verbal memory disorders, Alzheimer's vs multi-infarct dementia pa-tients; recall/recognition tasks; 9007489

vision-action route impairment, right-handed unimanually apraxic patient; 9000136

visual attention, left sylvian strokes; task-specificity hypothesis pre-sented, unilateral visual neglect; 9005091 visual-verbal literacy model, electroencephalograph use; 9002605

voice disorders/speech disturbances, neurological context, central/ peripheral nervous system; congress report; 9002352

writing instruction, West German secondary school, didactic model critiqued; research survey, neurological-cognitively based alternative proposed; 9000764

writing instruction/research, hemispheric functions natural connection; cerebral hemisphere functions dichotomies; 9003382

## **Neurotic Disorders**

anorexia nervosa patients' spontaneous language peculiarities, form/ substance; 9004799

language performance deficits, elderly depressed patients; 9009793 psychiatric patients' speech, paralinguistic characteristics; schizophre-nics/depressives/anxiety neurotics; 9009835

Weeks, D. J., The Anomalous Sentences Repetition Test use evaluated, early dementia/severe depressive disordered/geriatric patients;

## Nilo-Saharan Languages

African writing systems development, Western writing systems inade-quacy; 9006877

Central Sudanic phonological reconstruction difficulties; 9003538 glottalized consonants, definition proposed, glottalic airstream mechanism; Lendu (Nilo-Saharan) preglottalized/implosive stops phonological contrast; 9007160

"glottalized" term, redefinition advocated, glottalized consonants, Lendu (Central Sudanic) data; 9003545

literary texts production encouragement, native African languages; linguistic/cultural traditions preservation; 9004601

Päri (Western Nilotic) tone system/nonautomatic downstep, Luo (Eastern Sudanic) underlying differences; morphological evidence; 9000937

reading primers preparation, non-Western cultures' learning styles importance; Sabaot (Nilotic) example; 9008045

Tubu (Saharan) desegementalization/tone, Daza dialect "definite" marking; 9006231

amplitude modulation temporal integration, wideband noise carriers; summation process, actual integration/statistical accumulation mod-els; 9004747

Argentine Spanish voiced stops fricative status, vowel-consonant-vowel sequences; noise characteristics; 9007171

auditory/audio-visual speech-reception thresholds measurement, sentences in noise; 9007214

cochlear implant patients' verbal material/environmental noise recog-nition ability; test results; 9004895

hearing/speech-language disorders, at-risk neonates/infants determination, prenatal/perinatal/early childhood factors; 9007207

intensity discrimination/loudness, tones in broadband noise; 9002598 psychoacoustic/speech comprehension abilities relationship, unilateral/ bilateral cochlear hearing-impaired patients; 9004724

speech discrimination; noise/reverberation; hearing tests; hearing-impaired/normal hearing subjects; 9009749

speech perception, unilaterally hearing-impaired children; noise/ reverberation effects; 9004736

speech processing/plate sorting tasks simultaneous performance; speech stimuli type/noise level/speech processing stage/sorting task difficulty level; 9000127

spoken word recognition, word frequency/neighborhood density effects; auditory priming paradigm, P. A. Luce's/D. B. Pisoni's predictions supported; 9000101

synthesized speech intelligibility; time/frequency/noise changes; soft-ware simulated channel vocoder use; 9009724

word discrimination, noise effects; hearing-impaired vs normally hear-ing adult Finnish speakers; 9007230

words/nonwords detectability, lexical status influence, amplitude-modulated/unmodulated broadband noise environment; 9002320

sense Syllables

dyadic communication, subject preferences; contingent postural echo; nonsense syllable tasks; undergraduates; 9009384

hearing aids, consonant recognition performance/subjective ratings re-lationship; hearing-impaired users; 9009740

Nonstandard Dialect

Australian Creole English gen particle, core meanings; empirical data; 9008707

Australian English /h-d/ words pronunciation, acoustic phonetic de-scription; spectrographic data; male broad/general/cultivated dia-lect speakers; 9009678

Austrian German varieties, supraregional/Standard/social status perception; sample evaluation; college-educated residents; 9009466

Basque, stylistic/sociolinguistic/dialectal variation; standard/ nonstandard relationship, Basque typological features; 9006762 bidialectalism, Black/Standard English controversy; social/cultural issues; 9004212

Bulgarian nominalization means, literary/colloquial/neutral forms; 9008618

Cajun French linguistic structures, variation/change nature; quantita-tive treatment, social context significance; 9001014

Chilean linguistic identity development, 1842 literary movement, J. V. Lastarria's contributions; 9004574

Chinese language-use patterns, education role; questionnaires; ethnic Chinese school children, Singapore; 9004493

code-switching, Russian as a native/second language, three types dis-tinguished; 9005812

colloquial vs prostoretchiye Russian, research overview; 9002080 Contemporary German diversification, West/East German, regional varieties, pluricentrism principle; H. Moser's notions/P. von Polenz's critique supported; 9001789

Contemporary German, standard vs nonstandard varieties, conceptual framework; 9009471

Cracow Polish social stratification, age/education/social origin/ parents' birthplace variables; interviews, formal text readings; 9002058

dialect attitude, listener's sex/origin effects; matched guise technique, personality traits rating; West German 10th graders; 9006764

dialects in contact, P. Trudgill's fixed route hypothesis syntactic valid-ity; Cakavian-Standard Serbo-Croatian; 9004146 diglossia, standard-nonstandard varieties interaction, phonetic/lexical

changes, Romania; 9009148

Dutch language status, Belgium, dialects' relationship; diachronic perspective; 9009135

English greasy/greazy isogloss, Pennsylvania counties; 9004207 English national varieties, differentiation history/second language instruction implications; 9004189

English who vs whom usage patterns; questionnaire; 9004214 Florentine Italian phonetic/morphosyntactic characteristics, Standard/ Florentine Italian relationship; 9009133

French ma + infinitive je vais research; 9006022

Galiani, F., linguistic-philosophical theory, dialect/Literary Italian relationship; 9003970

German complex verb predicates, standard/regional word order compared; 9001137

German language standardization, historical outline, dialectal/ idiolectal/sociolectal division; 9609435

German varieties, Standard-dialect-regional relationship, West Germany; statistical/quantitative data; 9009460

Italian emigrants' reentry, linguistic/sociolinguistic consequences; dia-lect preservation, Standard Italian influence; Mascalucia (Italy) res-idents; 9009405

Italian reduced negation, standard vs dialect, geography/diachrony, formal/informal speech; 9009155

Italian second-generation immigrants' language acquisition, dialect/ Standard Italian/English mastery; longitudinal study; fifth/sixth graders, Sydney elementary school; 9005834

Japanese language use, linguistic variation/friendship networks, sex/ age differences; questionnaire; junior high school students/parents; 9004485

Kharkov Russian accentuation variants, nominal forms; 9002269 language culture/cultivation, Czechoslovakia; publications/policies/ meetings/terminology; 9004535

language spread/use patterns relationship; 9004524

language variation, East German cities; standard/colloquial/dialect re-lationship, speakers' use/attitude; Berlin language situation; 9007000

language/reality representation, essays' semantic content/language re-lationship, Sardinian vs Italian; rural/urban high school students;

languages in contact, convergence phenomenon, Standard/dialects re-lationship, Italy; 9009122

linguistic variation/norms, Quebec French vs Standard French lexical-grammatical studies; 9009150

literacy policies, fascist Italy, 1920s/1930s; 9009519

literary translation, micro-/macrocommunicative situations rendition, standard/nonstandard language use; 9003502

Modern Germanic languages, sociolinguistic typology; 9004449 Modern Štokavian raising accent territorial varieties, physiological-acoustic analysis; 9005960

national language, sociofunctional stratification, standard/ nonstandard/dialectal/colloquial German; 9006959

national varieties, East vs West German; national variants thesis rejected: 9006756

native ianguage polyglossia, diatopic/diaphasic/diastratic varieties continuum, native-language instruction implications; 9009185

Nigerian English use, secondary school student's letter; 9009161

nonstandard French vocabulary, typology; 9009142 Polish migrant peasant-worker's dialectal/standard language use; J. Samulski's written/oral language analysis; 9004211

Portuguese as a native language instruction, Brazilian schools, stan-dard/nonstandard varieties relationship; 9007520

reading acquisition, nonstandard English dialect-speaking elementary students: 9007990

Romanian age/time expression words, origins/productivity; 9001932 Rome's sociolinguistic situation, Standard/nonstandard/dialect/idiom relationship; 9009488

Slavic diglossia history/future impact, literary languages development, high/low varieties relationship; 900!658

Split (Yugoslavia) dialect; morphological changes, variation frequency index; speakers' age, Literary Serbo-Croatian influence; 9006972

Standard French semantic modifications, African societies context;

Standard German, monocentric vs pluricentric language cultivation; modern languages evidence; 9002118

Standard vs non-Standard English varieties use, Aboriginal vs non-Aboriginal children aged 4-7; 9003836

Standard vs Southern Dutch, Belgian Dutch standardization; 9009183 standardized vs dialectal speech position, Norway; 9004213

Upper Lusatian as cultural language, norm variation, pre-1937/post-1945 forms; 9006963

urban dialectology research, Split (Yugoslavia) idiom; young vs old residents' speech, phonological/syntactic/morphological features;

you all vs y'all/ya'll issue; informal survey; U of South Carolina students; 9004201

Nonverbal Communication

advertising, nonverbal components; 9002035

affect communication, verbal/nonverbal behavior roles; interactional TV segments; undergraduates; 9009617

African objects interpretation, linguistic image; language of art notion;

alaryngeal speech, characteristics/nonverbal communication deficit therapy; management techniques suggested; 9002403

American Sign Language folklore communication, ethnography, participant observation basis; 9009609

American Sign Language morphological subsystems acquisition, deaf children with deaf vs hearing parents; 9007093

American Sign Language, phonological structures/processes, spoken languages compared; 9002183

aphasia, bilinguals/American Sign Language signers; neurolinguistic processing theoretical model implications, literature review/synthesis basis; 9009765

bioprogram hypothesis, autonomous sign languages evidence; P. Ba-ker's Autonomous Languages reviewed; 9004609

child nonverbal communicative ability development, gesture use; communicative context/intention, semantic/syntactic categories; Italian infants/mothers; 9005040

children's American Sign Language acquisition, nonreferential-referential language transition; 9004606

comic strip interpretation, narrow semiotic/nondemonstrable inference models' contributions; 9002196 computer-assisted speech as alternative communication system, non-

speaking severely mentally handicapped; 9009605

deaf child education, oral language/sign language use pros/cons; discussion; 9007203

deaf children's sign language/English as a second language acquisition order, H. Lane's beliefs, psychological vs economic/political prima-

cy; 9004720
deaf community, sociolinguistic analysis, identity/education/attitudes/
discourse features; 9009455

deaf signers' short-term memory coding, M. A. Shand's primary lan-guage coding hypothesis reinterpreted/refuted; 9005057

deaf students' reading vocabulary increase, fingerspelling method; 9002182

deaf students' sign reception, angle of presentation developmental effects; 9007100

deafness/bilingualism concepts, Brazilian deaf people's perspective; 9005798

discourse analysis, intonation communicative functions; intonation, verbal/nonverbal communication relationship; 9006246

drama text's staging directions, typology; semantic/stylistic character-istics, mixed communicative units, linguistic-paralinguistic components; 9002171

dyadic communication, subject preferences; contingent postural echo; nonsense syllable tasks; undergraduates; 9009384

facial expressions, emotions, universality status; language teaching/ learning implications; 9005232

fingerspelling role, simultaneous communication; deaf children's teachers' fingerspelled utterances form/content/use; 9004604

first-language acquisition, American Sign Language vs spoken lan-guage, developmental milestones timing differences; 9005020

gender-based power relation expression, nonverbal behavior role; talk/ mean length of utterance/rate measures; same-/mixed-sex under-graduate dyads; 9009371

gesture types' roles, speech production; 9009608 graphic art, subway/building walls, France; y'a pas de lézard 'there is no lizard/no problem', phrase use, possible origins; 9004611

information transfer, severe articulatory dyspraxia patients; therapy program, communciative success objective; 9009759

Israeli Hebrew speakers' emblematic gestures, recognition/interpretive agreement; 9002186

language development, hearing parents' deaf children, category struc-ture/sign overextension/new sign acquisition relations; 9009739

language didactics, corrective phonetics, nonverbal parameters importance; 9002260

manual communication systems, teacher preparation/use, deaf/ hearing-impaired classrooms; Ohio public schools; 9002185 name signs, worldwide cultural significance/expression, deaf culture; 9007098

natural sign languages, sociolinguistic situation; 9002188

nonverbal affective communication skills, mentally retarded adults; posed facial emotional expressions encoding/decoding ability; 9007317

nonverbal behavior stability, interactional theory requirements; 9009607

nonverbal communication differences, conversation initiation, male/ female educational administrators; 9004605

nonverbal communication's language status/features; 9007090

nonverbal pragmatic communication skills use, ability level/age effects; mentally retarded vs non-mentally retarded students; 9007092 nonverbal signs' communicative function, colloquial German/Russian; 9007094

Polish vs Croatian greeting formulas, invocative/evocative classes; 9008699

politeness coherence, pediatric discourse; third-party presence effects; 9006905

primate comparative studies overview, field/laboratory progress; chim-panzees' language-relevant accomplishments/numerical abilities, computer-based language training situation project; 9004610 proper name signatures, visible/legible (graphic) media; communica-tive implications, semantic meaning; 9002195

sign language dictionaries development, Australia/Italy/Mexico/New Zealand/Thailand; 9002187

sign language processing, native/nonnative acquisition effects; 9002184

sign languages study contribution, linguistic structure/biological pro-cesses interplay investigation; Chinese/American Sign Language signers; 9004608

sign-language vocabulary instruction, interactive videodisc system effi-ciency/effectiveness; 9004916

signed/spoken language patterning duality, psychological perspective; 9004607

silence, communicative value, poetic-aesthetic/biblical emphasis; 9002181

smiling/laughing, symbolic/evolutionary development; face communication; 9009614

social nonverbal communication behaviors, preschool children/severely retarded special education students; 9002189

speech act theory/action theory intersection; 9009652

speech acts typology, communicative/pragmatic/syntactic criteria, verbal/nonverbal/written/oral components; 9003837

speechreading, historical perspective; 9009615

speechreading, practice effects, same vs different CID sentence lists;

TV language's visual/auditory elements, word/picture relationship; 9002034

verbal/nonverbal behavior perception, decoding, empirical studies evaluation; 9009606

Nonverbal Languages

American Sign Language morphological subsystems acquisition, deaf children with deaf vs hearing parents; 9007093

American Sign Language phonological simplification, morphological complexity effects; profoundly deaf children aged 4:5-9:0; 9007099 American Sign Language text, two English interpretations contrasted, content/register; 9007102

American Sign Language verbs' morphological complexity acquisition, native/late signing children; holistic vs analytical approach;

American Sign Language vs Amerind signs acquisition, moderately/ severely mentally handicapped children; 9007313

American Sign Language, phonological structures/processes, spoken languages compared; 9002183

American Sign Language, verb agreement system's linguistic code, se-mantic structure mapping; backward verbs; 9006356

American Sign Language, vocabulary/syntax proficiency measure development; 9009616

behavioral language therapy development, severely developmentally disordered children; sign/other augmentative language systems use indication; 9007091

bioprogram hypothesis, autonomous sign languages evidence; P. Ba-ker's Autonomous Languages reviewed; 9004609

Bulwer, J., Chirologia-Chironomia reviewed; 9009612

children using Signed Exact English, adults' American Sign Language conversations understanding; videotapes, questionnaires; 9009611

children's American Sign Language acquisition, nonreferential-referential language transition; 9004606

deaf adolescents' reading comprehension, hearing mothers' communi-cation strategies/skills relationship; residential schools; 9007212

deaf child education, oral language/sign language use pros/cons; discussion; 9007203

deaf child education, oral vs sign language use; convention report, Orvieto Scalo, Italy, 1989; 9007222

deaf children's sign language/English as a second language acquisition order, H. Lane's beliefs, psychological vs economic/political primacy; 9004720

deaf community, sociolinguistic analysis, identity/education/attitudes/discourse features; 9009455

deaf signers'/hearing subjects' similar visuo-spatial orientation; H. Poizner's/E. S. Klima's/U. Bellugi's What the Hands Reveal about the Brain reviewed; 9007096

deaf students' reading vocabulary increase, fingerspelling method; 9002182

deaf students' sign reception, angle of presentation developmental effects; 9007100

fingerspelled word recognition/rapid serial visual processing, hearing adults; novice vs expert sign language interpreters; 900961:

fingerspelling role, simultaneous communication; deaf children's teachers' fingérspelled utterances form/content/use; 9004604

first-language acquisition, American Sign Language vs spoken lan-guage, developmental milestones timing differences; 9005020

gestural communication/prosody instruction importance, hearing-impaired children; verbo-tonal method; 9007204

hearing-impaired children's linguistic education, oral language/reading skills development; total communication vs audio-oral method effectiveness; 9002307

hearing-impaired, sociolinguistic situation, sign languages research history; 9002316

interactive video use, bilingual American Sign Language/English in-struction, deaf children; 9002310

language specificity, lexical organization; American Sign language/ English, deaf signers'/hearing subjects' lexical organization; 9002309

language/speech acquisition, verbo-tonal method/cued speech joint use; hearing-impaired children; 9007205

lipreading/audiovisual speech perception abilities measurement, psy-choacoustics/speech audiometry analogous techniques adaptation;

monastic sign languages, contemporary/historical perspectives; 9007101

musical rhythms role, communication instruction, hearing-impaired children; verbo-tonal method; 9007206

name signs, worldwide cultural significance/expression, deaf culture; 9007098

natural sign languages, sociolinguistic situation; 9002188 nonverbal behavior stability, interactional theory requirements;

9009607 nonverbal communication's language status/features; 9007090 nonverbal language training, simultaneous sign vs graphic symbol communication methods; severely handicapped preschool children;

9007328 phonological hierarchy universality, American Sign Language evidence; 9008316

remedial reading instruction, vowel-sound-stick word attack; secondary remedial students; 9003226

sign language dictionaries development, Australia/Italy/Mexico/New Zealand/Thailand; 9002187

sign language processing, native/nonnative acquisition effects; 9002184

sign language, certified interpreters' characteristics; brain dominance patterns; 9007095

sign languages study contribution, linguistic structure/biological processes interplay investigation; Chinese/American Sign Language signers; 9004608

sign-language vocabulary instruction, interactive videodisc system effi-ciency/effectiveness; 9004916

signed/spoken language patterning duality, psychological perspective; 9004607

social nonverbal communication behaviors, preschool children/severely retarded special education students; 9002189

Taiwan Sign Language, verbs' morphological characteristics; autoseg-mental phonology framework/transcription system; 9008638

visible speech synthesis, facial animation system implementation; mus-culoskeletal models, parametrically controlled polygon topology;

visual perception/sign language comprehension abilities relationship, deaf children; 9007218

North Amerindian Languages

Alaskan Native Language Center activities; 9009420

Algonquian (North Amerindian) languages description, earliest vocab-ularies; baron de Lahontan's 18th-century contributions; 9001553

American Indian languages, E. Sapir's collected works; 9006450 American Indian ugh syllable usage, settlers' comprehension; Southwestern Chippewa examples; 9003783

Amerindian languages, configurational analysis attempt; Ojibwa (North Amerindian) evidence; "empty/no NP" hypothesis; 9001016 Amerindian linguistics, M. Haas Festival Conference contributions; 9004019

Arabic/Islamic presence, pre-Columbus Americas; 9009248 Athabaskan languages' nominal arguments promotion/demotion expression, different grammatical systems use; 9006124

Athapaskan linguistics, current perspectives; 9004015

Athapaskan verb complex, affix positions/zones; history, underlying methodological principles, current status; 9003628

Bearlake Athapaskan relative clauses, Navajo comparison; 9003665 Blackfeet (North Amerindian) primary/secondary object distinction, semantic basis; 9006154

Californian Penutian morphological elements probable reconstructions, earlier data compared; 9006201

Canadian Northwest Territories' cultural/linguistic diversity, translation/interpretation problems; 9008279

Central Pomo (North Amerindian) speech, language contact effects; 9009111

Chinook Jargon vocabulary, standard dictionaries'/word lists' nonin-clusion; 9009280

Choctaw (North American) tone association, right-to-left association; 9005989

Coast Tsimshian (North Amerindian) subject notion viability, ergative basis syntactic operations; Dyirbal/Yidin /Chukchee/Yup'ik Eskimo compared; linguistic universal status questioned; 9001084

Coast Tsimshian syntactic ergativity, topicalization/relativization; 9006890

complex word properties formation, percolation principle inadequacy; Greenlandic (Eskimo)/Winnebago (North Amerindian)/ Kinyarwanda (Niger-Kongo) evidence; 9001191

consonant-vowel theory validity, Karok (northern California) compensatory lengthening data; 9008313

Cree (North Amerindian) configurational structure acquisition, parameter-setting solution, government-binding syntactic framework; 9000079

Cree (North Amerindian) language/people characterization, English language influence; 9001554

Creek (North Amerindian) -wa absolutive, previous synchronic/ diachronic analyses reviewed; 9006214

Creek (North Amerindian) morphosyntax semantics, nominalization/ verbal derivational morphemes; 9001153

Crow (North Amerindian) negation, logical structure; verbal suffixes ssaa/leeta use; 9006204

Cupan (North Amerindian) absolute nouns, vowel length/stress relationship; 9008347

Dakota (North Amerindian) reduplication, ablaut/palatalization rules over-/underapplication; 9005984

Eastern Algonquian (North Amerindian) intrusive nasal vowel development, nasality/vowel duration/height connections; 9001003

ethnolinguistics, general/American; S. Newman's poetry/related works; 9009447

feature geometry, co-occurrence restrictions; E. C. Sagey's articulator node model supported; Yucatec Mayan/Ponapean/Pomo examples; 9003577

genetic language classification, three comparative linguistics levels distinguished; J. H. Greenberg's recent Amerindian languages classification works reviewed; 9006894

Gitksan (North Amerindian) obstruent voicing/glottalic obstruents, J. G. Hoard's observations critiqued, alternative formulations proposed; 9008360

Halkomelem (North Amerindian) clausal organization, nominal hierarchy, morphological/syntactic characteristics; 9006035

Hare (North Amerindian) evidential marking, semantics; 9008399 Isletan Tiwa (Tanoan) verbal prefix, functional framework; 9006212 Kalapuya (North Amerindian) languages, historical phonology;

Kosati (North Amerindian) men's speech, excrescent-š use patterns;

Koyukon (North Amerindian) incorporation process/function;

Kwakiutl (British Columbia) reduplication processes, moraic theory basis; 9008636

language change mechanisms, B. L. Pearson's "Savannah and Shaw-nee: The End of a Minicontroversy," commentary; 9009107 linguistic anthropology, Western Apache language/culture; 9008909 Luiseño (Uto-Aztecan) agreement role, categorial grammar perspective: 9006117

male/female speech patterns, Pueblo languages; 9009485 Métif (French-Cree) evolution, relexification process; 9001839 Miwok (North Amerindian) case systems' unusual features, problematic analyses; 9001067

Miwok (North Amerindian) phonology/morphology, phonological representations nature; 9008332

Mohawk (North Amerindian) laryngeal consonants status/
"degenerate" nature; /?-/h/ discrepancies; 9000942

Mohawk (North Amerindian) personal spoken narrative dynamics,
spontaneous conversation; linguistic/social behaviors; 9006244 native American oral records/language preservation, American Philo-sophical Society Library efforts; 9004010

Navajo (North Amerindian) speakers' Navajo vs English literacy, B. Spolsky's/P. Irvine's "special diglossia" existence; literacy/empowerment relation; 9006982

Navajo/Choctaw (North Amerindian) verb agreement parameters; 9008540

North American Indian culture history speculation, E. Sapir's six phyla classification impact; 9006458

Ojibwa (North Amerindian) positive politeness use/strategies conventionalization, P. Brown's/S. Levinson's typology contradicted; 9001317

Proto-Costanoan (California) numerals reconstruction; 9008948 Proto-Piawi (Papuan) personal pronouns possible origin, Nisgha (North Amerindian) compared; 9006529

Quapaw language data, exinct status/limited phonological analysis; 9004011

Quechua/Turkish case/argument status, subject/predicate "chain" re-lation; 9001444

relational grammar, multistratal syntactic representation use, syntactic structure description; Southern Tiwa/Tzotzil/Georgian data;

Saanich (North Amerindian) actual aspect, infixation/reduplication/ metathesis, fundamental cognitive differences; 9006215

Spanish-language 16th-century borrowings, native Amerindian languages; early explorers' unwritten history evidence; 9001949

subject values, agreement forms; Luiseño (North Amerindian) analysis; 9001460

Tanoan verbal agreement markers, direct-inverse pattern analysis; 9008450

Timucua (North Amerindian) phonological/grammatical systems description; 9008923

vowel harmony, morphologically conditioned vowel assimilation rule type, nonlinear phonology accounts, Turkish/Icelandic/Koya/ Tunica; 9008341

word-order typology, discourse-governed word-order languages, Papa-go (Uto-Aztecan) evidence; 9009336

writing instruction, alternative methods compared; Cherokee 3rd-8th graders; 9000783

Yaqui (North Amerindian) passives grammaticality, native speakers' judgments validity; 9008409

Yokuts (North Amerindian) demonstrative/personal pronouns, pro-posed Stammbusch details demonstrated; 9001592

## Nostratic

Germano-European reconstruction, Nostratic obstruent system evidence; 9004393

Indo-European language classification, Soviet theories; Nostratic language family redefinition; 9006891

Indo-European/Uralic language family relationship, comparative/ typological perspective; 9004388

Nostratic languages, comparative phonology; 9002002

Nostratic theory, Turkic  $r \sim z/l \sim 3$  alternation, sibilant vs liquid precedence; E. A. Khelimskiy's evidence contested; 9002004

Arabic nominal attributes, genitive combination vs prepositional groups; structural-semantic analysis, obligatory/facultative occurrence rules; 9003693

article-noun order, verb/object vs object/verb languages; 9008402 axiological modality, classifier/nonclassifier distinction, pragmalinguistic framework; 9008661

bizarre sentence effect, list length/sentence conplexity interacting effect; bizarre vs common sentence recall; 9005067

case grammar, B. Pottier's deep-structure cases, Serbo-Croatian/ Hungarian data comparison; 9008572

case system, syntactic definition importance; Russian material; 9003643

child neologisms, word-formational strategies/productive affixes; Italian data; 9002525

compound headedness, adjective-noun word-order correlation; Germanic, Modern Greek, Modern Hebrew, Romance examples; 9008391

concrete nouns pluralization, semantic aspects; Spanish examples; 9003742

Croatian sibilation, nominal classes/semantic categories; Standard Croatian norm violation; 9005988

Czech/Russian/German verb-noun constructions comparison, E. Herrmannová-Dreselová's Die Funktionsverbgefüge des Russischen und des Tschechischen (Functional Verb Constructions in Russian and Czech) reviewed; 9009051

definite/indefinite subject nominal syntagms referential value, modalities influence, genericity; 9006011

dependency grammar, heads/dependents as primitive elements notion dispensability; Oromo (Cushitic) nominal relations data; 9001445

derivational polysemy, noun base → derivative verb polysemy transfer, reverse/metaphorical polysemy transfer; Russian material; 9001175 determiner phrase hypothesis, Spanish syntactic tests as supporting evidence; 9006024

deverbal noun construction, thematic restrictions, English/Japanese;

discourse/anaphor resolution structure, nouns/pronouns role; ambigu-ous antecedent paradigm; 9008681

Dutch endingless plurality forms, quantity/measure nouns; 13th-/ 14th-century legal texts; 9001629

Dutch gender system acquisition; three-year-old girl; 9002494 Dutch nominal compounds, functionalist perspective; 9008398

Dutch plural marker -s origin, England vs Northern France; Late Old English/Early Modern English/13th-century Dutch data; 9001581

Early Middle Dutch plural formation, -s/-er markers occurrence/ origin, noun gender, French influence; 9001641 Eastern Huasteca Nahuatl (Mexican Amerindian) plural formation,

Classical Nahuatl influence; 9008625

English 3-part noun combinations, stress wavering phenomena; native informants; 9008455

English as a second language adult learners' article use, mass/count noun distinction comprehension; instructional recommendations; 9000214

English compound nouns derivation, T. Roeper's/M. E. A. Siegel's first sister principle criticized: 9006206

English generic paradigms, acceptance/interpretation taxonomy; 9006010

English rhythm/language change relationship, disyllabic nouns/verbs asymmetry; psycholinguistic approach; naïve raters/listeners; 9000126

Eskimo noun incorporation analysis, lexicalist vs syntactic hypotheses;

female sex denotation, Spanish occupational nouns; Diccionario de la Real Academia (Dictionary of the Royal Academy) reflection; 9009416

feminine gender derivation, formant productivity, Slavic languages derivational divergence causes; 9006649

Foodo (Niger-Kongo) noun class/gender marking; 9008640 French aller chez/à/au(x) constructions usage; 9008464

French complex nominal syntama, internal structure/"affective" semantics; 9001035

French compound nouns, historical development/acceptance; 9003589

French dimension nouns usage; 9008548
French grammatical gender identification, inanimate nouns' initial phoneme effects; 9004966

French le/les 'the' generic interpretation; 9006062

French nominal/temporal generic expressions, privative opposition analysis; 9006135

French nominalized relative celui qui 'he who' constructions, generic/ specific use; 9006087

French-Polish nominalization tendency, adjective substitution, French prevalence grammatical/psychological causes; second-language teaching implications; 9004096

gender identification, inanimate nouns/noun endings' predictive value, frequent usage effects; native French speakers; 9000030

general/specific/autobiographic images generation retrieval, long-term memory information use; 9002443

generic word choices, age-/sex-related differences; 1st/7th graders; 9009489

German composition noun + freundlich 'friendly', Polish equivalents, morphological-syntactic/semantic aspects; 9006643

German event nominalization, derived nouns' idiosyncracies; 9003590 German nominal compositions, adjective + noun structures' semantic/ syntactic/stylistic features; 9006230

German nominal declension, prescriptive norm vs developmental tendencies; 9006533

German orthography, nouns' initial capital letters, reader usefulness; 9004366

German preposition mittels 'by, through, by means of normative use; Duden card index/Mannheim Institute of the German Language attestations: 9009535

German strong masculine/neuter nouns' genitive/dative forms, ending -e quantitative analysis, Mannheimer Corpus material; 9001648

German substantive word type/peripheral groups types relations, morphological/syntactic/semantic levels; 9008505

Greek neutral -s- nouns, deviant derivatives; 9008989

Haitian Creole compound nouns, morphological head intrinsic defini-tion proposed, semantic/syntactic features; 9001195

Hawaiian noun/adjective/adverb loanwords, English lexicon; 9001755 Igede (Niger-Kongo) noun class distinction, vowel prefixes basis; 9006195

Inuktitut noun incorporation acquisition; West Greenlandic/Mohawk findings compared; 9002480

Italian nominal suffixes, Italian/Serbo-Croatian equivalence, comparative analysis; 9006672

Italian support verb avere 'to have' nominalizations, morphophonologi-cal relationship; 9008397

Japanese verb suru, J. Grimshaw's/A. Mester's analysis reviewed; light verb notion/ergativity hypothesis questioned; 9001442 Kharkov Russian accentuation variants, nominal forms; 9002269

Koyukon (North Amerindian) incorporation process/function; 9008378

Latin abstract nouns, suffix containing -s-, grammatical genre attribution; 9001218

lexical cohesion, written discourse, nominal groups use; 9008729 lexical morphology/phonology, Fula (Niger-Kongo) nominal classes;

literary texts semantics development, kinds notion basis; 9006181 Madija (South Amerindian) noun morphology; 9008629 Malagasy (Austronesian) nominalization, cognitive grammar theory basis; noun/verb central concepts; native speaker; 9003952

Messapic nominal inflection, nominal classes/paradigms/ morphophonological laws/rules/exceptions; 9009009

Métif (French-Cree) evolution, relexification process; 9001839 Miwok (North Amerindian) case systems' unusual features, problematic analyses; 9001067

Mixtec/Tzotzil (Central Amerindian) noun/numeral classifiers; referential perspective; 9004095

Modern German common nouns as indexical words, theory citique;

Modern Greek compound words structure, valency terms; nouns vs verbs; 9006058

Modern Icelandic strong feminine monosyllabic nouns, inflectional re-alization oversight; 9001038

Modern Spanish noun determination; 9003676

morpheme description/classification, Senufo (Niger-Kongo), metaoperational grammar analysis; 9008500

New High German nominal declension, natural morphology interpre-tation, gender-number correlation model; 9003766

New Zealand English, collective nouns, singular/plural use controversy; questionnaire data; S. Johansson's findings compared; 9003587

nominal group grammatical/lexical errors, Syrian undergraduates' written English; linguistic analysis; 9005442

nominal plural marking systematic variations, Hong Kong English; in-terviews/transcripts/essays; Cantonese speakers; 9008611

nominal/verbal genericity issues, class prediction/traversing types; aspect/stativeness roles; 9006072

nominative unit's meaning, inner form role, gnoseological/ sociopsychological/paradigmatic/syntagmatic factors regulator; 9003748

nonspecificity/attributivity/indefinite articles use, Romance languages; T. Givón's referentiality hierarchy; 9006127

Norwegian exocentric nominal compositions, componential analysis/ structural models; morphological/syntactic tendencies; 9006199

noun ergativity/case assignment, J. Grimshaw's/A. Mester's argument transfer generalizations; 9006438

noun quality, J. C. Milner-N. Ruwet debate reopened, textual semiotics perspective; 9001036

noun stripping, true incorporation distinction; P. W. Davis's/H. K. Hardy's arguments refuted; 9003647

noun-/adjective-based Latin suffixes, semantic function; 9001201 noun-noun/adjective-noun phrases comprehension process, various modified noun phrases interpretation; 9004969

Ohno, S., morphological classes/nouns proportion mathematical for-mulation, typical Japanese text; linear regression adjustment, value/ account; 9002172

Old Frisian plural ending morpheme -ar, masculine nouns; origin hypotheses, historical texts; 9001623

Old Frisian pluralization suffix -ar, masculine nouns, origin hypotheses; 9001638

Peirce, C. S., individuation theory, proper nouns semiotic analysis; 9007143

phrase interpretation, generic vs nongeneric status determination, pragmatic principles; 9006019

Piaroa (Venezuela) language description, nominal morphosemantics; 9006516

Polish gender system, sexism examples, natural vs grammatical gender issues; 9002069

Polish masculine inanimate nouns' accusative-genitive case forms identity, psychomechanical explanation; 9008379

Portuguese negation, support verb reduction description; 9008492 Portuguese predicative nouns supported by estar, sentence nucleus formation evidence; 9008491

Portuguese word formation, nominal suffixes, singular/double occurrence; grammatical/semantic aspects; 9008609

proper nouns' linguistic status, French dictionaries; gender, morphosyntax, derivation, lexicalization; 9001898

Proto-Slavic long vowels reconstruction, posttonic syllables; Slovene-West Bulgarian neuter nouns' accentuation; 9001611

reading process, German noun capitalization effect, skilled/uskilled/ dyslexic readers; German orthography reform debate implications; 9000690

reading/vocabulary instruction/improvement, picture nouns use; 9003135

Romanian noun complements/possessives, pronoun său use/analogical meaning; 9001114

Russian as a second language computerized instructional/drill program, correct noun formation production; 9000274

Russian deverbal nouns as sentence subjects, syntactic functions/ semantic characteristics; 9003634

Russian feeling-denoting nouns' usual/contextual meanings relation-ship, poetry/prose corpus; 9008597

Russian nominal groups analysis, X-bar theory framework, B. Haftka's dislocation mechanisms; 9003622

Russian nominalization, base/derivative semantic form mapping, product notion; 9003681

Russian nominals denoting transportation means, lexical functions;

Russian noun + adjective phrases, syntactic/discursive functions;

Russian pluralia tantum nouns, lexicographic treatment, history, classification; 9008384

Russian prepositions v 'in'/na 'on' usage, denotative/connotative rules; second-language teaching implications; 9000236

Russian temporal nouns semantic coding, Russian-to-English machine translation; temporal subclassification criteria; 9005921

Russian toponyms in -a(-ya) declension, inflected/noninflected forms, style/text type variation; 9001192

Russian-Armenian action noun comparative analysis, derivative means/patterns similarities/differences; second-language teaching implications; 9001684

Saudi Arabian dialectology, verb forms/tenses; 9008929

Serbo-Croatian humans/animals/plants/artifacts nouns, componential analysis; features proposed; 9006189

Slavic verbal-nominal phrases, analytical predicative construction;

Slovak impersonal structures, syntactic/semantic/morphological peculiarities; 9008573

Somali (Cushitic) oral poetry, nouns/verbs without lexical meaning occurrence (infills), listerner's active role increase; 9002129

Spanish body part nouns use, transitive sentences; 9008482

Spanish common noun + preposition/adverb word groups structure/ function; 9005995

Spanish "gender" vowels notion, lexical representation; 9003780 Spanish unstressed suffixes, R. Menéndez Pidal's analysis reevaluated; 9004089

spatial-temporal localization as sentence supercategory, nominal group reference, predicative expression type; 9001015

Swahili (Niger-Kongo) morphologically based agreement, S. R. Anderson's hypothesis tested; 9006223

Tocharian ai-flexion, Indo-European oi-stem nouns' inflection reflex; A. J. van Windekens's argument rejected; 9001598

Tubu (Saharan) desegementalization/tone, Daza dialect "definite" marking; 9006231

Tully (northeastern Australia) dialects; interviews; 9009129

Ukrainian nouns' number/case/gender semantics, morphological/ communicative analyses; 9006193

Volek, B., Emotive Signs in Language and Semantic Functioning of Derived Nouns in Russian reviewed; 9009648

Wolof (Niger-Kongo) indexifiers, speaker/hearer proper distance es-tablishment; 9006190

# Noun Phrase

Afrikaans definiteness/indefiniteness as degree scale variables, binary contrast theory refuted; 9009367

Akan (Niger-Kongo) reflexivization, application/marking conditions, G. Carden's/W. A. Stewart's parameters; 9006103

Amerindian languages, configurational analysis attempt; Ojibwa (North Amerindian) evidence; "empty/no NP" hypothesis; 9001016 anaphoric relations, noun phrases; encoding mechanisms, constraining principles; 9001457

Arabic nominal attributes, genitive combination vs prepositional groups; structural-semantic analysis, obligatory/facultative occurrence rules; 9003693

Brazilian Portuguese inalienably possessed noun phrases implications, government/binding anaphora/indexings theory; 9001406

Chinese complex noun phrases, empty categories formal properties, generalized phrase structure grammar framework; 9008842 Chinese noun phrase position hierarchy, definiteness effect; 9008499

deep extraction, subjacency principle counterevidence; cognitive account; 9006368 definite NPs, accompanying uniqueness implications; 9008804

discourse/structural markedness interaction; production/ comprehension tasks; Japanese-speaking English as a second lan-guage learners vs native speakers; 9005389

Dutch van die-constructions semantics/syntax, ambiguity problem; 9008554

empty noun phrases, referent assignment theories/principles; Thai ma-terial: 9008487

English arguments' asymmetric distribution, specifier position, noun phrases; M. Anderson's/B. Rozwadowska's deverbal nominals pro-posals' inadequacies; 9006405

English bare noun phrases in direct object position, quantificational interpretations; 9008806

English noun phrase exactness degree, quantitative/qualitative aspects; semantic features/relations actualization; 9003718

English pre-/postmodified noun phrases' explicitness, quantitative vs qualitative aspects; 9006151

English relative phrase types survey, referent grammar basis; supplementary accessibility hierarchy; 9003675

English/French extraction from noun phrase/opacity/genitive subjects, applicable universal grammar principle(s); 9001450

English/French light verb constructions, extraction out of NP cases, tree adjoining grammar framework; 9006346

English/Japanese nominal anaphora, syntactic/semantic properties; 9006639

expletive noun phrases, object position; P. Postal's/G. K. Pullum's claim refuted, theta criterion; 9006431

extraction domains condition/empty category principle, C.-T. J. Huang's distinction, NP-trace evidence; 9001393

extraposition from noun phrase constructions, base-generation status supported; 9006364

French as a second language learners' subject/direct object/genitive restrictive relative clauses acquisition, relational vs configurational basis; undergraduates aged 16-20; 9005411

French embedded constructions, que/qui/dont status; 9008460 French noun phrase, relative/absolute word order, unified treatment;

9001023

preschoolers' spoken communication, form/content distinction, literacy relationship; 9007838

primary classroom microcomputer use, generated talk, nature/quantity; students aged 6-7; 9000068

productive lexicon attrition, Portuguese third-language speakers aged 9/13; 9000401

public examinations assessment criteria validity, alternative design;

reading comprehension/composition/speaking/listening skills, wholistic reading technique effects; 6th/8th graders; 9007885

reading/writing acquisition process, error analysis; written composi-tions; Brazilian students; 9008098

Russian antonymic pronouns tam-tut 'there-here' semantic analysis, written vs oral language use; 9009308

Sarawak (Malaysian) oral literature translation procedure criticized, methodology/lexicography/rhetorical theory/translation theory knowledge/use; comments; 9003523

second-language acquisition, first-language group differences signifi-cance; traditionally oral vs literate culture representatives; 9005409 second-language instruction, oral language teaching, speaking forms typology; 9005337

second-language instruction/testing, content-/form-related criteria, oral/written language skills evaluation; 9003034

sequential approximations, phonological analysis, charm/government theory basis; conduction aphasic's spontaneous discourse; 9004752 Sheridan, B., journal grammar, oral vs written language use; 9009579

Somali (Cushitic) oral poetry, nouns/verbs without lexical meaning occurrence (infills), listerner's active role increase; 9002129

speech characteristics/coronary heart disease incidence relationship; audiotaped structured interviews, Multiple Risk Factor Intervention Trial; 9007281

speech production, postlingually deaf; auditory feedback role/acoustic characteristics; descriptive acoustic analysis; 9009744

speech, musical-harmonious structure, harmoneme/tacteme/intoneme units introduction; colloquial Turkish evidence; 9003569

spoken Australian English, database design/collection/description; 9004200

spoken English proficiency testing, Speaking Proficiency English Assessment Kit usefulness; 9005487

spoken French varieties' grammatical differences, sociolinguistic stratification interpretation; 9006889

spoken language ontogeny, genetic factors, mono-/dizygotic twins evidence; 9000075

spoken-/written-language "continuum" theory, metaphor study; 9002654

status, vocal indicators; caste/language; questionnaires, recorded conversations; Brahmin/Scheduled caste males; 9009479

storytelling use, teaching tool, spoken/printed media communication improvement; 9007963

Swedish compulsory school children's spoken language, linguistic variation; 9007413

text constitution, world knowledge role; oral discussion analysis; 9003876

Thai oral narrative, final particles na?/cháj máj functions; 9003842 translation norms idea extension, oral language/interpretation; creation/application problems; 9005905

verbal communication intelligibility/acceptability relationship;

verbal fluency; age/sex variables; tests; adolescents; 9007428 verbless presentational constructions, ergativity discourse basis; Tamil data; 9008678

vocal stress; deception/truth telling conditions; audiotaped interviews; Chinese US immigrants; 9009373

written/oral storying, educational value; 9000513

**Oral Language Teaching** 

conversation skills instruction, interactive videodisc use; 9005589 deaf child education, oral language/sign language use pros/cons; discussion; 9007203

deaf child education, oral vs sign language use; convention report, Orvieto Scalo, Italy, 1989; 9007222

English as a foreign language instruction, pronunciation representation systems; 9002776

English as a second language instruction, drama texts use; 9007659 English as a second language oral skills instruction, learner-/teachercontrolled video use strategies; Arabic students; 9000232

English as a second language oral skills instruction, Soviet schools; historical perspective; 9000312

English/language arts instruction, recent trends, professional litera-ture; 9005128

foreign-language instruction, natural approach/oral verse-making techniques similarities; 9007734 foreign-language students' literature reading/text analysis tasks diffi-

culties, oral readings use; 9002789

French as a foreign language, unconventional university-level teaching approach, oral expression promotion; 9002913

hearing-impaired children's linguistic education, oral language/reading skills development; total communication vs audio-oral method effectiveness; 9002307

literature instruction, whole language perspective strategies, student-initiated oral/written responses focus; junior/senior high school stu-dents; 9000587

multiple-meaning expressions use, elementary school teachers; 9002411

narrative discourse, constitutive elements, functional/formal characteristics; H. Weinrich's tense theory; French as a second language, Portuguese students; 9003799

oral-language testing model research/development/implementation, Texas middle school/secondary/university settings; 9003037

Portuguese as a native language instruction, Brazilian elementary schools, social/science/teaching crises, oral language/grammar teaching proposals; 9007513

second-language instruction, oral language teaching, speaking forms typology; 9005337

second-language learners' conversational skills development, teacher challenges; IUT Paris V project; 9002746

second-language oral proficiency, pedagogical approaches; 9003031 second-language speaking skill testing, oral interview test; grading scales, administration; 9000463

spoken language instruction, current approaches; 9007735

spoken language phonotactics implications, English as a second/ foreign language learners' speech production/perception; 9003552

spoken language practice, communicative activities, existing methods vs pyramid discussion; 9005226

vocabulary instruction, first-/second-language oral translation use; 9002771

# **Oral Reading**

adolescent dyslexic boys' naming ability/oral fluency; spoken vs written work, teacher awareness importance; 9002381

children's storytelling, meaning prediction/language patterns anticipation accuracy, repetitious language patterns/cumulative story events facilitative effects; 9005581

English/Spanish oral reading miscues, comparative analysis; Spanishspeaking bilingual 6th graders; 9003314

eye movements, temporal settings variation effects, sight-reading trumpet music/reading language aloud; 9003342

journal-writing process/technique, reading aloud impact; student behavior, actual writing; pre-kindergarten to 4th grade; 9000805

kindergartners' oral reading performance/attitudes, beginning reading programs' effects; 9003067

kindergartners' print concepts attainment, specific read-aloud strategies effects; 9003062

literacy-related behavior development, classroom exercises/ experiences; kindergarten classroom; 9000471

oral reading learning rates, instructional/frustration levels; mildly learning-disabled elementary pupils; 9009822

oral reading performance improvement, self-monitoring strategy training; 8-year-old female; 9007926

oral reading performance, proficient vs nonproficient Chinese elementary students; psycholinguistic analysis; 9008028

oral reading performance/attitude improvement experiments, 4thgrade classroom; 9000630

oral reading speed, foreground/background computer-display color effects; visually impaired junior/senior high school students; 9003340

oral reading, reading/literacy development classrooms; adult poor readers' positive/negative memories/current reading achievement correlation; 9000499

oral reading, teacher behavior/responses; moderately mentally retarded children; 9003232

oral/silent reading rates comprehension, various difficulty levels; 4th graders; 9000687

phonological lexicon role, oral reading, neurologically damaged left hemisphere patient; 9007251

poetry, oral performance/silent reading similarities; 9007057 poetry, writing/performing/interpreting complex interrelationships; 9007051

900/051 read aloud sessions, sensitive issues/problems technique, bibliotherapy; 9000647

reading aloud importance, child's imagination/language development; book selection guidelines, classroom-level activities; 9002626

reading aloud, traditional vs modeled approach, children's responses; enlarged texts use; kindergartners; 9000505

reading comprehension performance, 5th graders, listening/silent reading/round robin oral reading conditions; 9000589

reading comprehension testing, listening as alternative method; oral reading styles effects; high school students; 9003359

reading difficulty indicators, oral reading accuracy/comprehension validity; instructional-/frustration-range performance; functionally illiterate adults; 9000464

reading fluency, role redefinition; 9007956

reading instruction, classroom reading aloud programs acceptance; 9007995

reading process, simplified/pedagogical definition; silent/oral reading distinction; 9000691

reading/reading comprehension, oral tradition/parenting skill influential role; low-income families; 9000491

repeated reading benefits/uses, remedial/regular students; 9007890 spelling/oral reading abilities connections; 3rd/5th graders; 9005707 storybook reading, kindergarten teachers' instructional methods, facilitative characteristics, child's literacy development; 9005572

text comprehension, oral/silent reading influence; 6th graders; 9003347

visual poetry style, "words-in-freedom" denotation, F. T. Marinetti's symbolic poetry; 9007058

vocabulary acquisition, stroy listening; teacher explanation effects, learning permanency; 7-/8-year-olds; 9004998

volunteer read-aloud program design/development feasibility, 2ndgrade level; 9007989

# Oral Structures

articulatory development, normal vs cleft lip/palate infants; 9002303 articulatory movements, English vowel production; x-ray microbeam system; Midwestern American English speakers; 9009734

expiratory lung pressure, phonation; airway interruption method, mean air flow/vocal pitch/intensity measurement combination; professional singers; 9002300

German as a second language pronunciation instruction, phonation/ oral structures' articulatory movements illustration; 9000316

Japanese palatal syllables /ni/, /ki/, electropalatographic study; 9002301

male laryngeal cartilages, morphometric change/aging process;

palatal consonants, articulatory characteristics, phonetic classification; 9009707

palate shape measurement, inner contour; palatotracer developed; 9002304

phonetics, English/French bilingual dictionary; 9002271

speaking rate effects, formant trajectories/inter-speaker variations; adult male Japanese speakers, adult aphasics; 9002297

speech production, Friedreich's disease patients; electromyographic analysis; 9009764

tongue position, vowel production precision, differing inventory size effects; native English vs Spanish speakers; 9007201

visible speech synthesis, facial animation system implementation; musculoskeletal models, parametrically controlled polygon topology; 9007180

voice change factors, aging process; 9004714

vowel intelligibility oral manipulation/maintenance, choral singing; spectral analysis; 9004672

# Origin of Languag

Bichakjian, B. H., Evolution in Language reviewed; 9006369 Japanese language origin, quantitative methods application, language comparisons; 9001673

language origin, J. G. Herder's/A. Copineau's/J. N. Tetens's/D. Tiedemann's essays compared, Berlin Academy competition; 9001546

language origin, metaphorical/metonymical processes; S. Freud's language origin/evolution hypothesis, sexual needs foundation; 9007131 language origin/evolution, cognitive-map theory, hippocampus, aphasic clinical evidence; 9000029

language origins, interdisciplinary approach; 9001571 origin of language, comparative method use; 9009346

prehistoric man's intellectual development/technological innovations interaction, language origin new perspective; 9000017

# Orthography

abbreviation spelling instruction, constant time delay procedure; computer-assisted instruction program; mild learning handicapped adolescents; 9009842

African writing systems development, Western writing systems inadequacy; 9006877

American English spelling reforms, simplified spelling benefits; 9004382

aphasia, isolated orthographic disorders occurrence rarity; language type/attentional deficits role; 9004806

Asian writing systems, computer representation/program development difficulties; 9006692

automatic text processing, hyphen use, Russian material; 9001743 Avestan Yast codex rediscovery, eleven orthographic peculiarities; 9006553

bilingualism issues/types, Uruguay; immersion vs submersion programs effects, children's bilingual development; orthographical strategies; 9005795

British/American English spelling differences origin/development;

Castilian orthography instruction, adults; 9007511

children's spelling errors, grade level/interview/across grade level perspectives; 2nd-5th graders; 9005005

children's word structure knowledge, decoding/spelling instruction implications; 3rd-5th graders; 9007415

Chinese character-based writing systems simplification, East Asia; designs' linguistic effects; 9004369

Chinese handprinted characters, optical recognition, string-matching based approach; 9004112

codex Gissensis, Gothic language/orthography peculiarities; 9008953 comma's distinctive function, sentences; judgment/orthographic tasks; children aged 8-9/10/11-12/14-15/17; 9001032

computer-assisted drill/practice effects, spelling performance; mildly handicapped children aged 9:9-12:9; 9007326

computer-assisted German word/syllable division, digital decomposition; 9004374 computer-assisted Russian word division; algorithm description, test results; 9004110

computer-based word study program, response automaticity emphasis effects, reading/spelling ability; 3rd-5th graders; 9005704

Coptic twin graphemes, explanation/hypothesis proposed; 9009241 Croatian Socialist Republic, Cyrillic alphabet use, students' views;

Czech standard orthography/normative language use, language cultivation collection outlined; 9007020

derivational morphology, older students' tacit/explicit knowledge; vo-cabulary/spelling instruction implications, intermediate grades; 9007440

developmental spelling, traditional teaching methods/instructional the-ory/practices comparison; 9007948

ory/practices comparison; 200726
domestic objects' designations, phonographic variation, Quebec
French/Mexican Spanish newspaper corpora; 9009330
Dutch intermediate sound e(n) spelling, Van Haeringen/Blancquaert
commission rule inadequacy; 9001992

Dutch orthography reformation, s-joined nominal compositions, new spelling rule criticized; 9004373

Dutch restrictive/appositive relative clause, comma/pause use; writ-ten/spoken Belgian Dutch quantitative analysis; 9001020 dyslexia causes/characteristics, simplified spelling use; 9004837

Ekavian syllable quantity notation, vowel doubling; J. Vujič's Putešestvije po Ungariji, Valahiji, Moldaviji, Besarabiji, Hersonu i Krimu (A Journey through Hungary, Walachia, Moldavia, Bessarabia, Kherson, & Crimea); 9006520

English anthroponyms/geographic names, Romanian adaptation, phonetic/orthographic assimilation strategies; 9009100

English as a second language Japanese learners' characteristic mispel-lings, enhanced computerized spelling correctors; 9000413

English Cut Speling system, conflicting efficiency criteria; 9004384 English cut spelling, morpheme integrity retention vs modification problem; 9004368

English family names, Bulgarian transcription; Reeves/Tomkins, final s vs z; aesthetic acceptability ratings; 9006875

English orthography, government-binding relations applicability; 9008816

English simplification, Internasional Union for the Canadean Langwa-je efforts; 9004363

English spelling proficiency; Latin language study; spelling tests; 11th graders; 9007876

English spelling reform proposal, minimized interference with traditional spelling principle basis; 9004381

English spelling reform, historical perspective; 9004380 English-Spanish orthographic false friends, phonetically/ morphologically motivated pseudocognates; 9001910

English/Romance languages improper/proper apostrophe uses; 9004386

European language recognition, orthographic clues; 9009329

Fante (Niger-Kongo) language, spoken/written form relationship; existing/proposed orthographic system; 9004355

French as a native language students' spelling proficiency; Italian as a second/heritage language learning; report cards; 9007759 French dictionary Robert oral-écrit creation, phonetic transcription

word classification basis; 9001925

French orthography reform issue; 9009331

French orthography reformation/simplification, pros/cons; 9006884 French-based creoles development, Indian Ocean, lexicography/ orthography; recent dictionaries reviewed; 9004280

French-language spelling reform, A. Allais's ideas; 9001986 functionally illiterate adults, spelling strategies/spoken code use; Montevideo, Uruguay; 9003054

German comma placement, clarification rules proposed; native-language teaching implications; 9004370

German comma usage rules, methodology proposed; 9004356 German comma use rules, separating/inclusive comma; Duden rules modification; 9004372

German foreign (Greek) words division, language syllable vs speech syllable principle; 9004385

German majuscule/minuscule writing, syntactic function, text divi-sion/comprehension facilitation; 9004377

German orthographic reregulation proposals, press/public reactions; 9004357

German orthography reform, history/current attempts, German Language Instit's proposal; 9002125

German orthography reform, works, committees, meetings, proposals; 9006876

German orthography reformation, Seventh International Labor Conference report, Vienna, 1989; 9006882

German orthography reformation, study group meeting report, Bad Homburg, 1989; 9006879

German orthography, in-word capital I origin/diffusion; orthographic problems/advantages; 9004376

German orthography, nouns' initial capital letters, reader usefulness; 9004366

German script's basic functions, orthography instruction, error gradation/typology; 9004383

gifted spellers' early/current reading/spelling practices; question-naires; spelling bee finalists; 9005683

Gothic gadikis 'form' explanation, Codex Ambrosianus A; 9009023 Greek alphabet origin/development, atomist philosophy context, al-phabet/myth/cosmos relationship; 9001997

Hanguel, Korean writing system organization/function; 9006873 informal spelling assessment use, students' orthographic knowledge levels evaluation, student grouping, primary classroom word study/directed reading; 9007859

invented spelling, conscious phonological knowledge use/reading relation; preschoolers; 9005652

Iraqw (Southern Cushitic) vocabulary list, morphological/ orthographic/phonological information; 9001565

Italian as a second language, word/syllable division rules; 9005328 Japanese kana words reading, dual-route lexical access hypothesis va-lidity; lexical decision task; Japanese university students; 9008074

Japanese kanji, linguistic properties affects, children's writing/reading skills development; elementary/junior high school students; 9001991 Japanese vocabulary, kanji occurrence frequency statistical measure;

word-tokens/-type coverage measurement methods; 9001998 Japanese words writing form variation analysis, statistical method use; M. Nomura's formula compared; 9001995

Japanese/Bulgarian writing systems comparison, languages' typology/ writing systems relationship; 9009041

Japanese/English word processor operation; 9001996

Chinese National Phonetic Alphabet juhin fuuhaw computerization, typeable letters, teaching materials; 9004364

kanji/kana words, orthographic difference effect, incidental memory; 9002595

kindergartners' reading/spelling/writing performance; Writing to Read program; Atlanta, Georgia; 9008162

language experience approach/invented spelling integration, kindergarten; 9007878

language planning, corpus planning subfield, literature review; 9009504

lexical morphology role, writing process; acquired dysgraphia patient 'evidence; 9008100

lexical representations morphological organization, orthographic lexi-con; adult Italian speakers; 9001209

Lingala orthography, standardization/tone transcription proposals; 9009325

Lozins'kiy, Y. I., Literary Ukrainian orthography/alphabet/cultivation proposals; 9003978

Mapudungun (Araucan) alphabet proposal, grapheme-phoneme corre-spondence, sociolinguistic aspects; 9001988

memorized spellings instruction; computer-assisted constant time delay procedure; 9009847

Obregón, B. de, "Historia de los descubrimientos de Nueva España" (History of the Discoveries of Nueva Españna), transcrip-tion/linguistic studies; 9008945

Old Croatian literature critical edition, transliteration/transcription problems, oral language features representation, intonation/pause marking; 9006503

Old English vowel system, length parameter importance; 9003556 Old French manuscript Le Livre de jostice et de plet, re-edition need; 9009017

Old Kajkavian texts transcription, modern Croatian orthography; punctuation role, transcription principles/rules; 9006883

Old Norse poems, simultaneous machine collation, COLLATE programs development; 9001737

Old Saxon/Middle Low German plural endings -os/-as/-s occurrence, poetic/prose corpus, orthographic explanation; 9001643

orthographic complexity, parametric orthography knowledge/use acquisition, grammar; 9001993

orthographic reform, German-speaking countries; historical docu-ments, 1901-1903; 9002114

orthography pathology, case history; 9004820

orthography reform, Italy/France, 18th century; 9001504

orthography, language-psychological model, orthography teaching suggestions; 9004358

orthography/phonology relationship, Japanese/English/Serbo-Croatian; 9007471

Pentateuchal manuscripts, Qumran Cave IV; physical characteristics, orthography, script, paragraphing; 9001858

Portuguese compound/syntactic group distinction, semantic isolation criterion, orthographic ambivalence; 9006104

post-tonic rhyming contrast a/o use, A. S. Pushkin's/others' works;

Qumrān Minor Prophets manuscripts, Cave IV; critical/annotated edition, paleography/orthography; 9001863

reading process, German noun capitalization effect, skilled/uskilled/ dyslexic readers; German orthography reform debate implications;

reading-disabled students' spelling remediation, process-based ap-proach; J. P. Das's/R. Conway's CAP program aspects basis; 9004852

reading/spelling performance; word study computer program; word knowledge inventory; 9008000

reading/spelling processes, impaired literacy functions, Klinefelter XXXY syndrome; U. Frith's reading/spelling development framework; 9002387

reading/spelling skill/phonological awareness/spelling-to-sound knowledge, visible model vs word list treatment effect; good 2nd-/average 3rd-/poor 4th-/5th-grade readers; 9003107

reading/spelling/memory impairments, cognitive analysis; learning-disabled children; 9004835

reading/writing instruction methods, sound analysis vs writing fundamentals; Russian kindergartners; 9005727

recognition system, cursive script; 9004129

Roman script use encouragement, India's languages; Third Roman Lipi Parishad conference, 1988; 9004367

Romanian/English orthographical differences anecdote, English phonetic spelling adoption argument; 9004361

Romany phonological system/alphabet, phonemes inventory/Latin script; 9004365

Russian adjectives predana/predanna 'devoted, faithful' orthography, meaning distinction; 9009328

Russian barbarisms/exoticisms, orthographic barbarism; loanword assimilation phase; 9001749

Russian orthography, spelling peculiarities; borrowings adaptation; 9004375

Russian proper names, computer-aided German renditions; 9005923 Serbo-Croatian Anglicisms orthographic variants, adaptation models original orthography preservation vs pronunciation spelling; 9006730

Sichuan Yi syllabary development, Sani-Yi writing system relation; 9004362

Slavic written languages development/history/evolution/codification; Tenth International Slavists Congress report, 1988; 9001595

Slavic/Proto-Bulgarian proper names, M. Orbini's 17th-century Il Regno degli Slavi (The Kingdom of the Slavs), transcription strategies; 9009008

Somali (Cushitic) literacy development programs; 9007029

spelling achievement improvement, group contingencies acceptability/ effectiveness; 5th graders; 9005129

spelling achievement, sexual difference; written/proof-reading-type standardized achievement tests; 1st-6th graders; 9007510 spelling changes history/current reform movement, France; 9004360

spelling curriculum, traditional memorization vs new approaches methods, English phonetics comprehension emphasis; 9005131 spelling difficulties remediation suggestions, adults; 9005118

spelling errors accurate assessment importance, appropriate corrective measures implementation; special needs students; 9005113

spelling errors constancy/change, 1st-6th graders; orderly hierarchical progression evidence; 9007434

spelling errors peak, operative linguistic memory breakdown; Russian 3rd-10th graders' writing; 9004934

spelling errors, orthographic-specific comparison; learning-disabled vs normal children; 9005671

spelling instruction guidelines, elementary school level, relevant re-search/literature basis; 9000168

spelling instruction modifications, learning-disabled students; 9004832 spelling instruction program development; third-grade class; 9000715 spelling instruction, learning-disabled students; intelligent computer-

assisted instructional tutoring system application; 9007310 spelling instruction, student-directed strategies use; learning-disabled/ behaviorally disordered students; 9002357

spelling instruction, whole language approach incorporation methods; developmental changes facilitation; normal/poor spellers; 9000159 spelling performance, hemispheric thinking style/spelling strategies effects, field dependence/independence relationship; 9004957

spelling performance/school attitude; color coding; Metropolitan Achievement Test; 6th-grade students; 9007512

spelling performance/self-assessment technique relationship, learning-disabled vs non-learning-disabled secondary students; 9007304

spelling problems, underlying causes; junior primary pupils; 9007517 spelling reform debate progress, France; 9004359

spelling reform, Malay Peninsula/Indonesia, historical perspective; 9004378

spelling research/practice proverbial gap, E. G. Stetson's theoretical view; 9007972

spelling rule usage, learning-disabled vs normally achieving 4th/6th graders; 9004825

spelling strategies, 1st graders; journal-writing samples, observations;

spelling variation, newspaper ownership relationship; Australian style guides; 9009394

spelling, grapheme-phoneme correspondence rules/word-specific mem-ory interaction theory proposed; 9002574

spelling/decoding instruction integration, word order/structure basis;

spelling/oral reading abilities connections; 3rd/5th graders; 9005707 spelling/reading/phonological skills development, early interactive processes; 1st-3rd grade; 9000693

spelling/sight word reading accuracy remediation, oral fluent model use, reading-deficient senior high school students; 9000653

Stroop task word-translation variant, orthographic facilitation/ categorical interference; Dutch-English translation tasks; Dutch undergraduates; 9006878

Swedish Anglicisms, phonological/morphological/orthographic adaptation, 1940-1980 material; 9006721

translation errors, subject-thematic ignorance cause, German newspaper/detective stories; 9008242

typography/language/thought interrelations, association web; 9004379 Van Heule, Christiaen, De Nederduytsche spraec-konst (The Dutch Grammar); orthography/prosody rules, syntax, part of speech theory; 9001498

Vilov, S., written Literary Croatian contribution, orthographic codifi-cation; 9006493

visual word recognition, orthographic/phonological code role; 9007466 vocabulary/spelling acquisition, reading relationship; input hypothesis supporting evidence; 9002522

Volga-Bulgarian-Chuvash tu- 'do, make,' meaning/lexical status evolution traced; 9001626

wax tablet, writing instruction tool use; medieval letter/literary forms; 9001994

Western musical notation origin, historical/semiotic aspects; 9001999 word in text/dictionary entry distinction disappearance; acoustic phonetic/semantic definitions inadequacies; 9001944

word recognition/spelling ability variance, orthographic processing ability explanation; 9008067

word recognition/spelling cognitive relationship; 1st-3rd graders;

word sorting as teaching strategy, automatic word-recognition/spelling abilities improvement, informal spelling inventory errors/creative writing samples evaluation basis; 9007857

word use relationship, standardized spelling tests vs basal spelling programs; grades 2/4/6/8; 9007532

word-recognition ability, varying spelling-to-sound correspondences; good/poor readers/spellers.aged 9-11.5; 9000732

writing evolution, technology effects; structural/functional changes;

writing invention/numerical concepts development, Sumeria; developmental psychology implications; 9006881

writing strategies, social/linguistic knowledge incorporation; interviews/observation/textual analysis; 9008149

writing, earliest stages; "secret" character; Homer's Iliad; 9001987 writing, semantic influence disruption, left prefrontal lesion patient; 9007280

writing, sound system basis, writing systems compared; 9001989 writing/alphabet history, individual alphabet samples; 9006880 writing/cognitive processes interaction, lateralization factors; 9000019 written response/orthographic knowledge relationship; mixed-grade (1st-3rd)/-ability classroom; 9005648

Yoruba (Niger-Kongo) orthography, tonal/vowel representations disparities; dictation writing, error analysis; 9006874

Zulu (Niger-Kongo) writing constraints/possibilities/role, 1950s; English/Zulu symbiotic parallel existence; 9001990

# Outer Ear, Pinna, Auricle

ear canal electrical stimulation, communication aid; profoundly deaf patients; 9004885

Paired Associate Learning

causal relatedness memory effect, sentence pairs, varied encoding task effect; 9002562

cognitive distance patterns, narrative text representations; connectivity vs position hypothesis; 9003304

elaboration strategy transfer, elementary/secondary non-learning-disabled/learning-disabled students; 4th/7th graders; 9007300

facilitation without interference, modified Stroop task; J. M. Rusted's findings replicated; 9005069

Jexical processing; associative/mediated/rhyme priming; auditory lexical decision task; 9007380

memory predictions, processing ease influence; judgment tasks; 9000095

paired-associate learning, auditory/visual symbolic information; information processing analysis; skilled vs learning-disabled readers; 9005068

paradoxical memory, intentional learning, expectation-violation effect; normal/bizarre sentences, mental imagery construction, free/cued recall tests; 9000105

response time theory development attempt, observed phenomena description, judgment connection; 9005047

sentence processing, highly/less related proper names; paired-associate tasks, multiple-choice knowledge test; Dutch university students; 9007374

spoken word recognition, word frequency/neighborhood density effects; auditory priming paradigm, P. A. Luce's/D. B. Pisoni's predictions supported; 9000101

word recognition, word-/sentence-level contexts effects; Italian undergraduates; 9005050

**Paleolinguistics** 

ancient Greek textile vocabulary origins; 9009230

ancient languages presence, pre-Columbus Paraguay; 9009252 Andamanese finguistics, published/unpublished material bibliography;

Arabic proverb history/attestation, 2nd/8th century; 9001870 Arabic/Islamic presence, pre-Columbus Americas; 9009248

Aramaic legal papyri documents, Elephantine, Egypt; 9006820 Arawakan expansion, northwestern Venezuela/northeastern Colombia; archaeological/linguistic/ethnohistorical evidence; 9006817 Avestan words, dā/si roots; Vedic cognates; 9006558

Avestan Yašt codex rediscovery, eleven orthographic peculiarities; 9006553

Bernardine Polish/Latin 16th-century catechistic texts' transcription/ transliteration/facsimile; 9004088

Cağman Lycian inscription, interpretations critique; 9008971 caldeograms' determinative components, Middle Iranian; 9006815

Campbell, J., Oriental Mythology reviewed; 9009242 Caroline script origin time, Philippine/Caroline/Easter Islands;

Chinese ting oracle bone graph, meaning; 9009232

Codex Cumanicus lexical items translation; 9001859

codex Gissensis, Gothic language/orthography peculiarities; 9008953 contracted writing forms, abbreviations development relationship, Lat-in inscriptions, Rome/northern Africa, pre-8th-century; 9006812 Coptic twin graphemes, explanation/hypothesis proposed; 9009241

Cretan payment verbs, 7th-/1st centuries BC; 9001855

Danish/Swedish runic writings analysis, 11th-13th centuries, drængR meanings, 'father'/'husband'; 9004300

Dilmun (Arabic Gulf/Kuwait region) culture, reconstructive writing system use; 9009233

early Egyptian literary text, G. Posener's Le Papyrus Vandier (The Vandier Papyrus) reviewed; 9001872

Easter Island pictorial hieroglyphic tablets, meaning decipherment; 9009237

Egyptian influence, Egyptian scribes' Akkadian texts, 14th-13th centuries BCE; 9006811

Elamic personal names analysis, Persepolis tablets; 9006819

Etruscan bronze mirror engravings/inscriptions meaning, cruisie 'Etruscan'/taliθa 'young girl'; Etruscan-Aramaic contacts; 9001868 Etruscan, Indo-European Anatolian language status evidence; 9009229 European language/culture, pre-Indo-European invasion, new archaeological evidence; 9009244

Freising Fragments' vocalic/accentuation characteristics, paleographic study; Pre-Slovene/Slovene strata; 9001596

Gaulish inscription meter, Archaic Irish poetry similarities, significant alliteration presence; 9004296

Glagolitic script, history/use, Bohemia; unknown fragments; 9001867 Gnezdovo inscription, historical/linguistic history, Arabic origin suggested; 9006818

Greek inscriptions, Αερικος form, 2nd century BC; Latin form Africa introduction; 9001864

Greek inscriptions, dialectological studies source; text edition, dialectal peculiarities/"errors" elimination; 9006597

Hafran Aramaic 'this ml' meaning, Hebrew/Aramaic correspondences; archaeological data; 9009251

Hebrew language, Book of Ecclesiastes, syntactical studies; verbal system; 9006813

Hispano-Celtic Botorrita inscription interpretation/tentative grammar; 9001860

Hittite ALAN.ZU/KA x UD proper translation, E. Badali's interpretation discussed; 9004295
Hittite LUkuwana-, specialized meaning development, Proto-Indo-

European 'dog' reflex; 9006573

Hittite regal titles, Tawanannas use/adaptation; 9009250

Hittite, English-language introduction; W. H. Held's/W. R. Schmalstieg's/J. E. Gertz's Beginning Hittite reviewed; 9006814

Homeric/Epic χανδάνω 'grasp', Proto-Indo-European root 
\*g'end-reflection; αχονδεσ, χονδεν explanations; 9006569

Indo-European archaeological/linguistic data correlation; 9009231 Indo-European form \*(s)k\*\*alo-s, \*(s)k\*\*ali-s 'sheat-fish' reconstruction; 9004299

Indo-European homeland, Anatolia evidence supported; 9009238 Indo-European language/archaeology/myth, research/information synthesis; language origins, common cultural heritage; 9006816 Indo-European languages origin, agriculturally based diffusion theory; 9001869

Indo-European languages' original speakers, archaeological data/ parallel religious schemes; 9001866

Kensington Runestone authenticity, linguistic evidence; 9009245 language of praise, Roman honorary inscriptions, Italian municipals AD 1-300; comprehensive collection; 9001862

language origins, interdisciplinary approach; 9001571 Luwian hieroglyphic sign value, zú vs sû; 9004297

medieval forest regulations, Tirol's Taufers estate regulations manuscripts; linguistic/paleographic analyses; 9001640

Mesopotamian city names, 3rd millenium BC; Diri/Proto-Diri/ Akkadian/Semitic data; 9006794

Muz. 3070/Zogr. 151 textual/accentual problems, textual/linguistic issues; 9001856

Mycenaean ke-ke-tu-wo-e, Linear B table PY An 261, Greek meaning; 9006581

Mycenean du-ma/Phrygian \*dum- relationship, sacral function designation; 9009235

Ogam script origin/development/history, B. Fell's/others' proposals opposed; 9009246

Ogam script origin/history, B. Fell interviewed; 9009249

Old Avestan hātam meaning, textual occurrences; semantic/syntactic analysis; 9006559

Old Bulgarian studies, fifth summer colloquium report, Sofia, 1989; 9006580

Old Europe/ancient Crete writing, cultural continuity case advocated; 9009239

Old Persian cognate, Sanskrit pánthāḥ 'path', i-stem status improbability; 9006522

Old Persian writing, cuneiforms origin theories evaluated; 9009243 Old Polish 1433 mass canon facsimile/transcription/transliteration, Latin-Polish interlinear translation; Polish language history study

source; 9004298 oral vs written language, parietal Paleolithic art semiological function; 9001871

Pentateuchal manuscripts, Qumran Cave IV; physical characteristics, orthography, script, paragraphing; 9001858

pre-Greek labiovelars evidence, Linear B untransliterated signs/ Knossos tablets name lists; 9004294

prehistoric Irish petroglyphs, analysis/interpretation; anthropological context; 9009240

Proto-Indo-European root seng<sup>wh</sup>- 'sing, intone', Greek ομφη/other Homeric reflexes; 9006570

Proto-Indo-European speakers identification, Proto-Indo-European: The Archeology of a Linguistic Problem. Studies in Honor of Marija Gimbutas reviewed; 9001865

Proto-Indo-European, pre-Indo-European substratal linguistic/cultural influence; 9009247

Qumran Minor Prophets manuscripts, Cave IV; critical/annotated edition, paleography/orthography; 9001863

Sanskrit verbal abstracts, su prefix, stylized Vedic constructions;

South Slavic manuscripts study, international conference report, Belgrade, 1988; 9001861

9006523

Tes inscription, Turkic runic script; reading/interpretation suggestions;

Veneti/Venedi, C. Nepos's ethnonym Indi designation, Swabian explanation proposed; 9004276

Vlac cătun age/diffusion, Medieval Balkan Peninsula; proposed etymologies; 9001873

writing/alphabet history, individual alphabet samples; 9006880

**Paralinguistics** 

communication theory, language/mind/society relationship; 9009476 emotional language paralinguistic forms, seduction intonation sentences; female speakers; 9002263

Patterns (Language)

children's storytelling, meaning prediction/language patterns anticipation accuracy, repetitious language patterns/cumulative story events facilitative effects; 9005581

developmental language disorders, grammatical analysis; LARSP procedure, Dutch-language adaptation; morphosyntactic patterns, specific language-disordered/hearing-impaired/Down's syndrome children; 9007240

isolated words/phrases auditory perception, vowel sequences; 9005082 Japanese characters as word elements, pattern shapes similarities; quantitative analysis; 9006709

linguistic change, pattern explanation; 9006349

nonverbal communication's language status/features; 9007090

personality investigation, everyday conversation use; person-talk scenarios' rhetorical nature; 9006910

text type/kind, global text pattern; 9006311

word-order explanation, noun phrases; O. Behaghel's ordering principles vs natural-language patterns; 9006100

Pauses

English-Ukrainian assertive-interrogative structures semantics/ phonetics, tonal/dynamic contours, pauses; comparative-statistical analysis; 9006139

French as a foreign language learners' speech hesitation/fluency; operational definitions, casue analysis; spontaneous oral productions; 9003022

German as a second language instruction, Serbo-Croatian speakers; sentence phonetics, accent/logical pause/utterance division; 9000233

Old Croatian literature critical edition, transliteration/transcription problems, oral language features representation, intonation/pause marking; 9006503

oral discourse pause phenomena, ambiguous sentences meanings; 9002262

pause duration predictability, question-answer verbal exchange; 9004419

pause judgments, dramatic dialogue; overlearned language skills effects; English vs German speakers; 9007227

pause location surmising, native vs nonnative language effects, overlearned habits influence; 9007391

Romanian enunciation, intonation patterns; 9008318

Peabody Picture Vocabulary Test

language characteristics, linguistically precocious 2-year-old; 9005017 receptive developmental language disorder, auditory processing deficit questioned; brainstem auditory evoked potentials, WISC-R/WAIS-R IQ test/Peabody Picture Vocabulary Test; 9002321

spoken monosyllabic nouns perception, learning-vs non-learningdisabled children; auditory testing; children aged 8-12; 9007301 Stanford-Binet IV test validity, precocious toddlers; 9009867

vocabulary ability measures comparison; Peabody Picture Vocabulary Test-Revised/Picture Vocabulary subtest of the Test of Oral Language Development/Expressive One Word Vocabulary Test/Receptive One Word Vocabulary Test; normal-hearing older preschool children; 9002420

Peiro

audiovisual texts' interactive meaning representation; Peircean approach; 9009646

Beowulf critical analysis, language/sign/gender studies; 9007073 dialogic semantics, C. S. Peirce's semiosis/M. M. Bakhtin's dialogism similar processes; 9007109

Eco, U., C. S. Peirce's sign theory/semiotics inaccurate paraphrases/ misconceptions; 9007111

fragmentation/discontinuity discourse, multidimensional semantic possibilities; C. S. Peirce's linguistic sign openness semiotic foundation; 9001234

iconic index uses/functions, description/explanatory tool, sound change/rhyming slang; 9007106

information processing teaching methods, C. S. Peirce's semiotics perspective; 9009641

Jakobsonian linguistic thought relationship, C. S. Peirce's semiotic principles; 9007105 language iconicity theory, Plato's arbitrariness/iconicity conceptions; 9002225

language theory, K. Burke's contributions/tropes vs R. Jakobson's triad/metaphor/metonymy/contrast; 9003926

linguistic iconicity, theoretical bases; Turkish data; 9009644 literary translation, specialized nature; 9001919

Peirce, C. S., complete Polish bibliography, 1897-1987; 9009637 Peirce, C. S., individuation theory, proper nouns semiotic analysis;

9007143

Peirce, C. S., Sesquicentennial International Congress report; 9009638 rhetoric/method integration, pragmatic grounds, realist communica-

tion philosophy; 9002251 semiotic self-reality, sign classes, elementary matrix characterized; 9002199

sign semiosis as cognition/self-conscious process, C. S. Peirce's semiotics revision; 9009639

sign/text concepts, semiosis model, contextualization basis; L. Hjelms-lev's/C. S. Peirce's views; 9004622

Walther, E., Charles Sanders Peirce-Leben und Werk (Charles Sanders Peirce-Life and Work), introduction reprinted; 9001552

Wittgenstein, L., translation views, language-philosophical thought relation; 9007123

world languages' subject/object/verb possible orders, numerical distribution; C. S. Peirce's semantic relations characterization; 9004391 Perception

adult second-language perception/production correlation, predictive account evidence; 9007752

aphasia, isolated orthographic disorders occurrence rarity; language type/attentional deficits role; 9004806

articulatory perception, phonetic gesture level; word recognition task, visual linguopalatal contact patterns; 9007158

auditory perception, music/speech similarities; 9002318

bilingual education programs, return migrant students, Puerto Rico; participants'/parents'/teachers' perceptions; questionnaires; 9003493 bilingual education, Michigan school board members' perception/

knowledge; telephone survey; 9003464

Bilingual Grammar School educational experiences influence, graduates' perceptions, bilingual society language use/social/occupational behaviors/further education; program's pedagogical aspects; 9000854

developmental dyslexia, literature review, cognitive psychological framework; 9007306

English as a second language textbooks, Algerian secondary school students' reactions; differential perceptions/achievement relation; 9000398

English language use, specific difficulty domains, Vietnamese refugees' perceptions; 9005407

foreign-language high school teachers' perceptions, first year students' classroom abilities/motivation; questionnaires; 9002844

foreign-language learning/teaching, pupil/teacher perceptions, southwest England; questionnaire, interview; 9000392

hearing measurements, single-channel tactile aid, coding strategies; 9004748

hydrocephalic/non-hydrocephalic physically impaired children, educators' judgments, conversational correlates; 9002394

isolated words/phrases auditory perception, vowel sequences; 9005082 learning disabilities, adult basic educators' perceptions; questionnaire; 9009819

Mandarin tone 2/3 distinction perception, syllable duration effects; native English vs Mandarin speakers; 9007152

music/natural language perception/comprehension/processing analogy, heuristic value; 9007365

newstelling/-writing syntax, readers' perceptions; presidential news content analysis; 9004442

Nigerian media language, Second Republic period; young/old Nigerians' perception, "foreignness" vs "Nigerianness"; 9002031

occupational competence perception; stuttering; semantic differential scales ratings; undergraduate students; 9009792

parent involvement, school-initiated home-based reading program; mothers'/teachers' perceptions; questionnaires; 9005528

perceived reality, quantum aspects; perception's active/creative role reconsidered; 9000008

personal voice, appositive/parenthetical structures, commentative functions; first-/second-order reflective mentality distinction; professional writing; 9000823

phonemic/nonphonemic bilabial stops categorial identification; infants/children/adults; 9009746

reading, 1st graders' perceptions; participant observation, in-depth interviews, document analysis; 9003069

second-language learning, auditory memory vs perception, older vs younger adults; English/Spanish test batteries; 9007795

sex dialects/stereotypes effects, speech evaluations; natural male-female conversations recreated; 9002070

sexually harassing communication perception/awareness, locus of con-trol/gender influence; college students vs full-time working adults;

sound pressure change perception, pressure-discrimination hypothesis, nearby sound sources' relative distance; 9007224

space perception, psychological models survey; D. Marr's computational model; 9002424

Spanish-language summer programs, Guanajuato State, Mexico; students' perceptions, selective language acquisition experiences; questionnaire; 9000371

speech discrimination, simulated bilateral cochlea distortion effect; 9007228

teacher verbal behavior relationship, students' perceptions; 4th-6th grade; 9002010

tonebursts, rate/place/pitch perception; 9004746

visual perception/sign language comprehension abilities relationship, deaf children; 9007218

visual processing tests, hearing-impaired students' performance; read-ing performance relationship; 9007220

vowel perception, large-scale integrated spectral representation exis-tence; "trace of F'2 in memory" search; 9002273 word discrimination, noise effects; hearing-impaired vs normally hear-

ing adult Finnish speakers; 9007230

writing perceptions/language skills achievement/written text produc-tion ability relationships; 4th graders; 9000772

### Person

Crimea Gothic Vvarthata 'you/he made'/malthata 'I said', preterit tense paradigm, personal endings assimilation; 9008987

French second-person pronoun usage complexity, conflicting/changing values representation; 9006240

Germanic unemphatic pronoun subject obligatory use, strengthening theory framework; pronoun's unaccentedness role; 9006086

second-person point of view nature/functions, narrative structures; subjectivity/authority challenges; 9002169

third person, discursive-pragmatic focus; 9008667

conality and Personality Investigation

bilingual education, psycho-educational values vs sociological perspectives; 9005839

bilingualism, Yugoslav research surveyed; 9008179

communication willingness, individual personality influence; predispo-sition measurement, direct observation, talkativeness variation simulation; 9004427

dialect attitude, listener's sex/origin effects; matched guise technique, personality traits rating; West German 10th graders; 9006764

dyadic communication/interpersonal interaction, individual communi-

cative style/dyadic interaction type relationship; 9002017
emotional/cognitive profile determination, B. I. Dodonov's unfinished sentences method reliability/validity; 9002421
everyday personality language use, scientific purposes; 9007362

expressive/explanatory/persuasive writing, personality type relation-ship; 7th/8th graders; 9000842

foreign-language learners' communication apprehension, US research; 9007635

functional dysphonia sufferers' personality aspects/stress-coping strategies; 9007249

German personality-descriptive terms, comprehensive taxonomy devel-opment; rating tasks; graduate students/psychologists; 9007359 hearing status/language acquisition effects, personality development; 9002542

Kierkegaard, S., depressive cyclothymaniac personality, psychosemio-tic analysis; 9004619

language attitudes, Standard Japanese vs Kansai dialect; matched-guise technique; Kansai dialect natives; 9009159

linguistic repression/self-alienation relationship, L. Smith's Oral History; 9007062

personality investigation, everyday conversation use; person-talk sce-narios' rhetorical nature; 9006910 personality terminology classification, five-factor model reliability; 9007363

personality-descriptive terms taxonomy, Dutch nouns, CELEX data-base; experiments; psychology students/psychologists/ undergraduates; 9007361

prose memory, time of day/passage difficulty effects, individual differences; adults; 9005066

psychogenic dysphonics' personality assessment; Minnesota Multiphasic Personality Inventory; 9004780

second-language acquisition, personality factor, female-learners' diffi-culties; F. Reimann's typology; 9005464

second-language development, age/attitude/motivation/aptitude effect; longitudinal study; Chinese child's interlanguage development; 9005427

second-language learning, individual differences; 9007798

second-language learning, learner's personality change effect; psychol-inguistic remarks; 9002999

speech characteristics/coronary heart disease incidence relationship; audiotaped structured interviews, Multiple Risk Factor Intervention Trial; 9007281

text analysis/author's personality image; Czech letter's content/ communicative intention/expression means; 9003879

written-language instruction/process, personality/task/cognition/text type variables, writing/reading instruction relationship; 9000803

audience analysis/adaptation/essay persuasiveness relationship, college-level writing; 9003375

audience/topic awareness/adaptation patterns, persuasive writing, good/below-average writers; 9003432

lying/persuasion discourse strategies explanation, semiolinguistic perspective; 9001254

relational partners' influence strategies, videotaped disagreements; 9002019

skepticism construction devices/methods, Bush/Rather interview; 9001315

# Pharyngeal Structures

laryngeal/velopharyngeal/labial activity temporal relationship, naso-metric/phototransductive measurements, normal adults' reaction times; 9004712

Passavant's ridge, cleft palate speech role; electromyographic, histological data; 9009733

velopharyngeal impairment, speech pressures management; cleft lip/ palate speakers; 9004717

velopharyngeal insufficiency management, instrumental/oral assess-ment importance/effectiveness; speech-language pathologists' opin-ions; 9004913

# Philosophy of Language

Abron (Niger-Kongo) two-argument predicates, formal logic ap-proach; 9007144

action resultativity, semantic category philosophical-linguistic analyses, Modern Russian; 9006165

adverbial modifiers' spatial-temporal proximity expression, model-theoretic semantic analysis; 9009660

agentives, canonical form; stit grammar/formal semantics; 9002218 anti-realism, semantics/logic; M. Dummett's formulation supported; 9004658

antirealism, H. Putnam's doctrine refuted; 9002235

aphasia studies, data collection/interpretation; language-philosophical perspective; 9007279

argument construction, "reason" statement requirements; 9008712 artificial intelligence prospects; 9002253

assertive/directive speech acts meanings, analytical concepts critiqued; 9007119

averbal thinking, existence supported; 9009659

axiological strategies, natural language vocabulary's axiological potential; evaluations typology, linguistic expression strategies; 9001929 believing/saying/expressing connections, declarative sentence situa-tions; 9002244

Bely, A., language philosophy, Humboldtian tradition; 9004638 Bloomfield, L., work/philosophy; 9008869

brain sentence syntax, S. P. Stich's theory critiqued; 9004931

Burkhardt, A., Soziale Akte, Sprechakte und Textillokutionen. A Reinach's Rechtsphilosophie und die moderne Linguistik (Social Acts, Speech Acts, and Text Illocutions. A. Reinach's Law Philoso-phy and Modern Linguistics) reviewed; 9008677

Burkhardt, A., Soziale Akte, Sprechakte und Textillokutionen. A. Reinachs Rechtsphilosophie und die moderne Linguistik (Social Acts, Speech Acts, and Text Illocutions. A. Reinach's Law Philosophy and Modern Linguistics) reviewed; 9008694

Burkhardt, A., Soziale Akte, Sprechakte und Textillokutionen. A. Reinachs Rechtsphilosophie und die moderne Linguistik (Social Acts, Speech Acts, and Text Illocutions. A. Reinach's Law Philosophy and Modern Linguistics), F. Hermanns's/W. Motsch's critique refuted; 9008652

Cartesian skepticism, B. Stroud's defense, linguistic response; 9004637 causality, narrative discourse; scientific/narrative causal explanations distinction; 9007083

Chauviré, C., Wittgenstein reviewed; 9002228

Churchland, P., scientific realism, philosophical foundations critique;

communicative action theory, J. Habermas's philosophical theory outlined/critiqued; 9004635

communicative intentions, explanatory theory, new account; 9007128 community language views, L. Wittgenstein's texts interpretations challenged; 9004662

complementary opposites, linguistic/literary manifestation, modern science's attitude change required; 9002221

conceptual schemes, D. Davidson's argument reconstructed/defended; charity vs strong discrimination principles; realist position clarified; 9002223

Condillac, É. de, 18th-century linguistic theorist, artificial signs evolution theory; 9004660

conditional statements' projection strategy/truth conditions, R. C. Stalnaker's position disputed; 9002242

conditionals, probabilistic theory development; 9002241

contextualist language theory emergence, historical/comparative review: 9009670

counterfactuals, similarity vs metalinguistic approach; 9007124 critical thinking, dialogue theory general outline; 9001335

de dicto/de re beliefs as sentences in the head, G. Harman's/J. Fodor's arguments improved; 9002254

deontic speech pragmatics, systematic study; 9007121

discourse/aesthetics of novel, M. Bakhtin's philosophy of language; T. Bubnova's seminars; 9009592

Dutch besef 'sense/notion'/beseffen 'to realize/be aware' philosophical meaning/content; 9004661

Eco, U., C. S. Peirce's sign theory/semiotics inaccurate paraphrases/ misconceptions; 9007111

English predicate logic, introductory text; 9004656

English singular terms class delimitation, M. Dummett's criteria failure; 9007146

entropy concept, order principle, philosophy; 9005465

European linguistics, historical contributions traced; 9006462 evaluation, knowledge-theoretical/philosophical/psychological aspects, language-evaluation dialectics, Marxist-Leninist framework;

form-substance dichotomy, E. Coseriu's vs L. Hjelmslev's conceptions, structuralist redefinition; 9008825

Frege, G., proper name's meaning/identity/reference, language-philosophical conceptions; "Über Sinn und Bedeutung" (On Mean-ing and Reference); 9007134

French poststructuralists, F. de Saussure's structuralism interpretations; 9009673

Galiani, F., linguistic-philosophical theory, dialect/Literary Italian relationship; 9003970

game-theoretical semantics, philosophical issue vs linguistic matter status; 9002233

God, term definability; T. Aquinas's arguments atheistic conclusion, W. K. Essler's first cause definition; 9004663

good, P. T. Geach's attributive adjective view; 9007135

Goodman, N., grue/bleen paradox; 9002232

Gramsci, A., coherence/translatability principles, nonconformist political strategies; 9001509

Greek Sophists' attitudes, language/politics; research difficulties; 9004642

Grice, P., Studies in the Way of Words reviewed; 9007137. group intentionality reduction, properties intentionality; extensional framework inadequacy; 9007129

"grue" color concept, philosophical discussion; 9009663

Heidegger, M., language understanding/educational significance; her-meneutic/phenomenological methodology; 9002226

human communication complexity, shared language nature, personal/ social factors; 9002219

idiolects, D. Davidson's/M. Dummett's theses rejected; 9009656 interpretation, charity principle, empirical basis; 9007125

interpretation, D. Davidson's theory vulnerability, Quinean approach resolution possibilities; T-manuals construction; 9002222

judgment making/interpretation, particular thing/individual applica-tion; comment, reply; 9004634

Kierkegaard, S., depressive cyclothymaniac personality, psychosemio-tic analysis; 9004619

Kleist, H. von, speech/thought relationship, Aristotelean language model critiqued; 9002250

knowledge archaeology, epistemic rupture/typography relationships, M. Foucault's views; print/oral culture changes, two-century transition; 9002239

language acquisition/use, world experience necessity; pragmatic approach; 9002427

language as signs, view critiqued; 9004653

language change nature, sound change comparative study application, language family trees; 9007126

language contextualization, philosophical/pragmatic/empirical as-

pects; symposium report; 9008697

language dialectics, linguistic forms intellectual structure individualization; anthropological cultural space; 9007142

language for specific purposes as language games, L. Wittgenstein's language use/function theory basis; 9004644 language iconicity theory, Plato's arbitrariness/iconicity conceptions; 9002225

"language of thought hypothesis," incorrect assumptions; 9009654 language ontology, materialistic-idealistic dialectic aspects; language as idealistic system/material speech; 9006409

language origin, Bhartrhari's traditional Indian philosophy vs J. Derrida's modern Western deconstructionist thought; 9004636

language origin, J. G. Herder's/A. Copineau's/J. N. Tetens's/D. Tiedemann's essays compared, Berlin Academy competition;

language origin/meaning, tenses/written form evolution, domination structure; response; 9006444

language philosophy, Kantian influence, historical perspective; 9007116

language philosophy/linguistics, inter-bellum Britain; Linguistic Thought in Britain reviewed; 9006460

language vagueness, logico-philosophical questions/syncategorematic terms/linguistic uses relation; scalar modifier application, absolute concept; 9004655

language/ideology relationship, theoretical/methodological questions; 9009655

language/thought relationship, representational states' nature; 9004659

language/world view, Ancient China; Gon-sun Long's philosophical studies; 9007117

langue/parole, irreducible language approaches, application/ connected/philological disciplines; 9002240

Laurent, J., La parole singulaire (The Singular Word) reviewed;

Leibniz, G., substitution principle, referential opacity necessary/ sufficient condition questioned; 9002231

Lenin, V. I., language/cognition dialectical-materialistic conception, linguistic positivism critiqued; 9006476

linguistic competence, truth conditional models, R. Kirkham vs Dummett; 9009672

linguistic displacement, B. Pascal's Lettres Provinciales (Provincial Letters); 9007130

linguistic philosophy, K. P. Moritz's contributions; 9008866 linguistics/logic integration, Russian causal constructions basis; 9009658

linguists as social critics, charity/ideology concepts; 9004654 literary hero crisis, "I" reality questioning, philosophical/literary implications; 9004595

literary theory, J. Culler's Ferdinand de Saussure/D. Sless's In Search of Semiotics reviewed; 9009603

logic/language relationship, E. Coseriu's/Aristotle's views; "logos semantikôs" concept; 9007145

meaning theories proposals, related philosophical issues; 9002248 meaning theory, realist/antirealist programs debate; 9002249

meaning, Gricean account; 9002217

meaning, systematic theory possibility, Wittgensteinian framework; M. Dummett's/L. Wittgenstein's/G. Frege's principles; 9007138 meaning/metaphor/religious discourse, operational identity; 9002230 medieval poetic language conception, French poetics analysis; alchemic/poetic objectives overlap; 9007049

modal subordination/pronominal anaphora, discourse; context influ-ence, interpretation; discourse representation formal semantic theory framework; 9006284

modality, metalinguistic approach formalization; 9009669

Modistae's speculative grammars questioned, three grammars considered; 9008846

natural language, meaning theory, semantic compositionality principle; 9002229

natural-language negation, function/possible etiology, M. Dummett's antirealism argument; 9007136

Navya-Nyaya technical language development/universal use; 9007118 neurology study, hemisphericity theory basis, 1970s vs 1980s version; 9005097

normative inferential vocabulary, social linguistic practice explication; 9004646

numerical-spatial conceptions, linguistic/mathematical representation; 9007372

paradoxical sentence types, liar/barber/heterological paradox; reflex-ivity principle support; 9007139 Pascal, B., philosophical writing, truth/justice rhetoric; 9009662

Peirce, €. S., individuation theory, proper nouns semiotic analysis;

Peirce, C. S., Sesquicentennial International Congress report; 9009638 performatives theory/characterization; previous analyses' inadequacies, necessary remedial elements; 9004657 philosophy notion/internal relatedness, L. Wittgenstein's later writings; 9004633

phonology, philosophical perspective; empirical science, epistemologi-cal/methodological/ontological components; 9005928

plurality, G. Link's theory; alternative approach; 9004647 poetic language, piety/impiety opposing attitudes; 9009565

Ponzio, A., Rossi-Landi e la Filsosofia del Linguaggio (Rossi-Landi and the Philsophy of Language) reviewed; 9008867

poststructuralism/linguistics tense relationship; French structuralism/poststructuralism development history; 9007133 pragmatic necessity, synonymy principle, W. Kneale's "Modality, De Dicto and De Re" framework; 9002256

pragmatism, various positions' questionable relation; R. Rorty's characterizations; 9007127

predicate- vs subject-expression, "unsaturated" vs "saturated"; G. Frege's/P. F. Strawson's claims; Nyāya Indian philosophy system alternative; 9002247

preference, possible world semantics, logical properties; 9002234 private language argument, structure theories; 9004651

prophetic language form/function, Hebrew Scripture/Geneva Liturgy; 9009674

Putnam, H., meaning theory explanation, knowledge role; 9002245 quantification, G. Frege's syntactic categorization problematic nature; constructivist framework, P. Martin-Löf's type theory adapted version; 9002252

radical translation situation, W. V. O. Quine's thesis rejected; 9009671

reality construction, language role; 9009657

referential/attributive expression, contextualist proposal; 9002243 relevance, pragmatic theory adequacy, D. Sperber's/D. Wilson's theory critique; 9009667

rhetoric attitudes changes, responsible issues/circumstances historically surveyed, 17th century; 9004649

rhetoric/method integration, pragmatic grounds, realist communica-tion philosophy; 9002251

Rossi-Landi, F., work characterization; 9009665

rule-following skepticism, speaker's meaning individuation; 9009666 Russian being/nonbeing verbs, phases; conceptual/linguistic/notional-logical worlds, dialectical-materialistic framework; 9006179

Saussure, F. de, Cours de linguistique générale (Course of General Linguistics), philosophy; 9008855

Searle, J. R., intentionality thesis validity defended; R. Carleton's objection refuted; 9002237

semantic paradoxes, "dialetheic" treatment; 9002227

semantic research, naïve basic asssumptions misleading/deceptive role; 9008601

semantic/psychological theory nature, physicalism doctrine relations, S. Schiffer's argument refuted; 9004648

semiotics/linguistics relationship, linguists'/semioticians'/philosophers' views; 9004631

sentence type, philosophical treatment, declarative fallacy; 9009650 stituational semantics, counterfactuals meaning; "lumping" relation, counterfactual reasoning/propositions; 9004645 social rule establishment/following, L. Wittgenstein's/S. A. Kripke's/isolationist perspectives; 9002224

sorites paradox, vagueness/incoherence; L. Burns's claims refuted; 9002246

space notion/designations, Indo-European languages; 9004643 speech act theory/action theory intersection; 9009652

strong negation systems semantics, sequent calculus subformula property basis; 9007114

Tallis, R., Not Saussure: A Critique of Post-Saussurean Literary Theory reviewed; 9009653

Tarski semantics logical apparatus/conceptual relativism; D. David-son's translatability as symmetrical relation misconceived notion; 9002220

teaching/learning conceptions, precise/predictable reciprocal activities vs events/subject matter interrelationship; L. Wittgenstein's language game; 9007115

temporal indexicals, direct reference theory criticized, relational theory of time incompatibility; 9007141

tensed/tenseless sentences, M. Beer's co-reporting theory disputed;

text production/reception, Marxist-Leninist account; 9008758 theological language, nature/philosophy; 9002216

thought language, four-part content classification system; 9004652 thought processes, language necessity theory rejected; 9009661

Tichý, P., The Foundations of Frege's Logic reviewed; 9009664 Trendelenburg, A. F., movement notion, metaphor/analogy relation-ship; 9001511

truth/linguistic competence, M. Dummett's philosophical conceptions misinterpretations; 9002238

typology, history awareness preservation; 9009339

Vietnamese spatial relations, linguistic expression; 9000007 Western civilization development discontinuities; M. Foucault's Les

Mots et les chose (Words and Things); 9007120

Wittgenstein's meaning theory, other minds problem consequences;

Wittgenstein's philosophy, contingency interpretation; 9007132 Wittgenstein, L., I use descriptions/judgments obscurities clarified; 9004639

Wittgenstein, L., Lecture on Ethnics reviewed; 9004650

Wittgenstein, L., major philosophies; 9006509

Wittgenstein, L., rule-following discussion problematic background; rule-following games, epistemic concepts nonapplicability; 9004640 Wittgenstein, L., translation views, language-philosophical thought relation; 9007123

Wittgenstein, L., world/language structures philosophy; 9002236 Wittgensteinian philosophical semantics/Marxist history theory, val-vue preservation/moral life forms importance; 9004641 writing theory/pedagogy, composition theory/teaching alignment; 9002255

American Spanish phoneme occurrence frequency; transcriptions; Spanish-speaking authors; computer-assisted statistical analysis;

expiratory lung pressure, phonation; airway interruption method, mean air flow/vocal pitch/intensity measurement combination; professional singers; 9002300

French fricative consonants voicing; sonagrams; Montreal French speakers; 9009686

frequency-compressed voiceless fricatives, frequency normalization characteristics; /s, J/ perceptual boundary determination, synthetic stimuli: 9002274

German final devoicing, contradictory theories reconciliation, lexical phonology framework; cyclic syllabification; 9005980

Gitksan (North Amerindian) obstruent voicing/glottalic obstruents, J. G. Hoard's observations critiqued, alternative formulations proposed; 9008360

palate shape measurement, inner contour; palatotracer developed; 9002304

phonology model, gestural approach; synchronic/diachronic phonologi-cal patterns; 9002295

Polish obstruents, conditional voicing neutralization, 14th-/15th-century emergence/present-day status debate; 9004684

soft palate role, laryngeal functions/selected voice qualities; simultaneous velolaryngeal videoendoscopy technique; subjects aged 23-69; 9004718

speaking rate effects, formant trajectories/inter-speaker variations; adult male Japanese speakers, adult aphasics; 9002297

speech delivery speed, interrogative vs declarative sentences; adults; 9002281

speech synthesis, various voice qualities; polynomial glottal source model; male/female Japanese speakers; 9002287 surface waves growth, vocal folds' mucosal wave application; 9002302

vocal cord vibration, intervocalic consonant release; sustained phona-tion, high-speed digital image recording observations; 9002298 voice onset time, oscillographic vs spectrographic measurements; 9004667

voice/speech disorders treatment, accent method, myoelastic/ aerodynamic phonatory theory basis; 9007338

"voiced aspirated/breathy voiced/murmured/phono-aspirated" terms dispute; Hindi data; 9003568

voiced plosive sounds perception, acoustic cues' influences; 9004673 voicing/voicelessness control, vocal folds' longitudinal tension changes role, cricothyroid muscle activity; American English/Dutch speakers; 9002299

# nation Disorders

articulatory development, normal vs cleft lip/palate infants; 9002303 children's phonetic ability, normal vs disordered development; theory, assessment, treatment; 9005007 giant cell arteritis signs/symptoms, speech/respiratory manifestations; elderly female; 9002342

Passavant's ridge, cleft palate speech role; electromyographic, histological data; 9009733

phonation problems remediation, hearing-impaired children; speech training/sensory aids use; 9004894

psychogenic dysphonics' personality assessment; Minnesota Multipha-sic Personality Inventory; 9004780

singing voice, electroacoustic analysis, procedure description/ application; Italians, 9004694

vocal nodules, fundamental frequency effect; children with/without nodules aged 6-13; 9004811

voice disorders/speech disturbances, neurological context, central/ peripheral nervous system; congress report; 9002352

voice prosthesis application, alaryngeal speech rehabilitation; tracheoe-sophageal phonation primary use; 9004915

vowel production/modification, glossometric measurements/patterns; hearing-impaired speakers' speech improvement possibilities;

### nation Structures

American English as a second language vowel duration acquisition, Arabic/Korean/Spanish/Thai speakers; 9003019

articulatory development, normal vs cleft lip/palate infants; 9002303 articulatory organs movement, computational representation, DYNA-MO system; 9009723

articulatory organs movement, computational representation, DYNA-MO system; signal control, voiced/voiceless/nasalization/vertical jaw position; 9009728

babbling, linguistic significance; tracheostomized infant; 9005016 children's phonetic ability, normal vs disordered development; theory, assessment, treatment; 9005007

dysphonia diagnosis/therapy, phonatory spirometry application; clini-cal experience report; 9009797

expiratory lung pressure, phonation; airway interruption method, mean air flow/vocal pitch/intensity measurement combination; professional singers; 9002300

German as a second language pronunciation instruction, phonation/ oral structures' articulatory movements illustration; 9000316

giant cell arteritis signs/symptoms, speech/respiratory manifestations; elderly female; 9002342

glottis/vocal fold contact area, four-parameter model; specific fea-tures, vocal fold imaging techniques application; 9002305

hearing-impaired speech therapy, DYNAMO system application, articulatory movements display/imitation; males/females aged 8-11;

human vestibular fold, larynx; age-related changes; histomorphometric study; male Caucasians aged 16 weeks-78 years; 9004713

laryngeal/velopharyngeal/labial activity temporal relationship, nasometric/phototransductive measurements, normal adults' reaction times; 9004712

male laryngeal cartilages, morphometric change/aging process; 9004716

Mohawk (North Amerindian) laryngeal consonants status/ "degenerate" nature; /2/-/h/ discrepancies; 9000942

palate shape measurement, inner contour; palatotracer developed; 9002304

phonetics, English/French bilingual dictionary; 9002271

phonology model, gestural approach; synchronic/diachronic phonologi-cal patterns; 9002295

soft palate role, laryngeal functions/selected voice qualities; simultaneous velolaryngeal videoendoscopy technique; subjects aged 23-69;

speaking rate effects, formant trajectories/inter-speaker variations; adult male Japanese speakers, adult aphasics; 9002297 speech delivery speed, interrogative vs declarative sentences; adults;

speech synthesis, various voice qualities; polynomial glottal source model; male/female Japanese speakers; 9002287

supralaryngeal categories modification, supralaryngeal element elimination; laryngeal specification/Korean neutralization/laryngeal sourcing/Icelandic preaspiration examples; 9003554

surface waves growth, vocal folds' mucosal wave application; 9002302 tongue dorsum contact, VCVCV sequences; long-range coarticulation effects; 9007202

tongue position, vowel production precision, differing inventory size effects; native English vs Spanish speakers; 9007201 vocal cord vibration, intervocalic consonant release; sustained phona-

tion, high-speed digital image recording observations; 9002298 vocal nodules, fundamental frequency effect; children with/without nodules aged 6-13; 9004811

voice change factors, aging process; 9004714

voice characteristics, elderly males vs females; 9002340

voice disorders, cri-du-chat syndrome, phoniatric-psychometric evaluation; Italian patients; 9009756

voiced plosive sounds perception, acoustic cues' influences; 9004673 voicing distinction aerodynamic characteristics, electric larynx speech; 9004715

voicing/voicelessness control, vocal folds' longitudinal tension changes role, cricothyroid muscle activity; American English/Dutch speakers; 9002299

American Spanish phoneme occurrence frequency; transcriptions; Spanish-speaking authors; computer-assisted statistical analysis; 9008322

auditory training, analytic distinctive feature approach; 9007331 automatic speech synthesis, diphone as a speech unit; computational system's development, linguistic requirements; 9002283

Capeverdean phonological aspects, theoretical framework; 9000976 Chilean Spanish /s/ variation, linguistic/sociocultural factors; Concepción educated residents aged 25-55; 9003574

coarticulation, planned vs automatic, known vs unknown segments; 9007175

complex s- onsets, Latin, historical trends; 9000940

English phoneme /s/ articulation, Japanese learners' difficulties; tongue placement differences emphasized; 9002965

Esperanto phonological/lexical/morphological systems; 9009198 European Community individual languages, computer-coded phonemic notation; 9004711

French grammatical gender identification, inanimate nouns' initial phoneme effects; 9004966

French phoneme /R/ optional deletion, parce que 'because'; working-class French children aged 10-12; 9004671

frequency-compressed voiceless fricatives, frequency normalization characteristics; /s, f/ perceptual boundary determination, synthetic stimuli; 9002274

Indo-European laryngeal phonemes, phonological reconstruction; 9003537

Jakobson, R., phoneme concept, Kliment Ohridski U lecture, Sofia, 1963; 9006467

lexical monitoring, normal vs compressed speech, frequency effects; French speakers; 9005076

Mexican Spanish voiced labiodental, phoneme /b/ phonetic realiza-tion; labiodental articulations frequency; 9000974

Modern Russian phonetic basis compilation, characteristics/ components; 9002261

Modern Standard German palatal fricative (c)/velar fricative (x) distribution, lexical phonology theory reference; 9000963

NetSpraak neural network, grapheme-to-phoneme conversion; 9007507

Nostratic languages, comparative phonology; 9002002

on-line sentence comprehension, syntactic/thematic contributions; phoneme monitoring/self-paced reading tasks; 9000038

phoneme awareness tests' reliability/validity/relative difficulty; kindergartners; 9002423

phoneme definition, minimality/linearity/reality; phoneme as language fundamental; 9003581

phoneme monitoring, dual representations use/role; 9005077

phoneme status, generative phonology/phonological change; 9000979 phonemic analysis, word properties effects; primary school children; 9003338

phonemic processing, grapheme context effects; Dutch undergraduates; 9005658

phonemic reconstruction, comparative method use; 9003564

phonemic segmentation effects, code acquisition, poor/normal phonetic decoders; Spanish-speaking Peruvian 2nd graders; 9005024

honemic transcription, International Phonetic Alphabet characters, IBM PC/compatibles use; 9004683

phonemic/nonphonemic bilabial stops categorial identification; infants/children/adults; 9009746

reading readiness skills development, phoneme segmentation training effect; kindergartners; 9005505

Romany phonological system/alphabet, phonemes inventory/Latin script; 9004365

Russian-nominal suffixes phonemic structure, consonant/vowel fre-quencies; morphophonological/phonetic perspective; 9001190 Spanish nonsyllabic /u/, phonetic/phonological interpretation; rising diphthongs' auditory/syllabic segmentation/spectral analyses; 9007164

Spanish phoneme /s/ variants, Mazatlán, Mexico; native speakers, different socioeconomic backgrounds; 9009145

Spanish rising diphthongs, nonsyllabic element (u) phonemic status;

speech synthesis, Dutch diphonemic/allophonemic systems description/evaluation/comparison; 9002292

speech understanding system left-to-right/top-down vs island-driven/ bottom-up parsing use; simulated phoneme recognizer; 9002291

Teguima (Central Amerindian) phonology, N. Lomardo's phonetic interpretation; 9005983

Ukrainian Vlodav dialects phonological systems, Eastern/Western Vlodav phoneme systems differences; 9004179

Welsh language audiometric speech test; error patterns analysis;

word boundary detection, feature-based continuous speech recognizer; phonemes/broad classes sequences; 9002285

word recognition ability, phoneme segmentation/single sound-letter correspondence skills; prereading 4-year-olds; 9008068

**Phonetic Transcription** 

stressed vs unstressed syllables informativeness, consecutive segments transcription effects; 9002258

Vachek, J., written language studies, functional perspective; 9005771 onetics

acoustic speech analysis, long-term average spectrum; inter-/intraspeaker variation/similarity; French material; 9007161

acoustic/phonetic cue integration time course, sensorineural hearing impaired; 9004731

acoustic/phonetic vocalization patterns/characteristics, young children's prelinguistic utterances; syntax emergence; 9002536 Ancient Greek speech, musical content; computer reproduction, sto-

chastic Markovian process use; 9004710

Andalusian Spanish phonetic features, orthographic errors evidence, 16th-century writing samples, geographic patterns; 9000946

aphasic speech, phonetic/phonemic disruptions, ideas evolution;

Argentine Spanish voiced stops fricative status, vowel-consonant-vowel sequences; noise characteristics; 9007171

Aromanian l' > i evolution; 9009012

articulation rate "just noticeable difference," sentence level, Dutch; 9007156

articulatory gestures timing, rhythmically even sequences production, P-center location potential articulatory correlate; 9004685

articulatory movements, English vowel production; x-ray microbeam system; Midwestern American English speakers; 9009734

articulatory perception, phonetic gesture level; word recognition task, visual linguopalatal contact patterns; 9007158

auditory/phonetic memory use, normal aging effects; identification/ discrimination/anchoring tasks; undergraduates, individuals aged 55-70; 9002454

Australian English /h-d/ words pronunciation, acoustic phonetic de-scription; spectrographic data; male broad/general/cultivated dia-lect speakers; 9009678

automatic consonant recognition, discriminant analysis/hidden Markov method integration; 9009688

automatic speech recognition problems, large vocabulary/speaker-independent continuous speech recognition; SPHINX system; 9004708

automatic speech recognition systems, regional accent problem approach; 9002282

automatic speech recognition, speech signal feature parameters com-parison; 9007196

automatic speech recognition/comprehension, lexical level study/ implementation, general principles; 9007197

Azorean Portuguese-Santa Catarina contacts, phonetic peculiarities/ affinities; 9001787

Azorean/Santa Catarina Portuguese contacts, phonetic similarities, Azorean Portuguese influence; 9005953

babbling, linguistic significance; tracheostomized infant; 9005016 babbling/early speech patterns, vocal/verbal/gestural behaviors; structured/unstructured situations; infants aged 0:9-2:0; 9005039

Barberà del Vallès speech, two phonetic phenomena evolution; Catalan-speaking generations; 1900-1970; 9009167

Bengali/Turkish long/short voiceless stops, consonant length perception; closure duration cue dominance, geminate/nongeminate distinction 2004678 tinction; 9004678

British motherese, pitch alterations, acoustic data; 9002275 Bulgarian/Romanian lexical contacts' phonetic peculiarities, vowel changes; Middle Bulgarian forms reconstruction; 9006728

Caracas Spanish final -s realization; experimental study; 9008362 Catalan voiceless stops, place of articulation acoustic correlates; 9009698

categorical perception, phonetic phonomena, phonetic substance/ phonological form mediating processes; 9000990

child language impairment, cross-linguistic perspective; 9004999 children's dialect choice; age/family dialect model/demographics; acoustic/perceptual vowel analyses; urban Detroit families; 9009139 children's phonetic ability, normal vs disordered development; theory, assessment, treatment; 9005007

Chilean Spanish /s/ variation, linguistic/sociocultural factors; Concepción educated residents aged 25-55; 9003574

coarticulation patterns, apparent random distribution resolution; 9009679

coarticulation, planned vs automatic, known vs unknown segments; 9007175

code-excited linear prediction speech coding algorithm, coder parameters joint optimization; 9007195

communication aids, nonvocal persons, linguistic methods; symbol-to-speech systems' linguistic components; 9007188

communicative language-teaching methods, phonetics introduction, classroom exercises; 9000195

consonant articulation; coronal places; 9009689

Croatian sibilation, nominal classes/semantic categories; Standard Croatian norm violation; 9005988

French speech timing, tempo change micro/macro effects; 9007157

French timing, acoustic study; 9002266

French vocalic quantity temporal/spectral correlates, A. Martinet's data compared; 9004670

French vowel changes, 20th century; Francien dialect, Paris region; modern data compared; 9006567

frequency-compressed voiceless fricatives, frequency normalization characteristics; /s, J/ perceptual boundary determination, synthetic stimuli; 9002274

fricative consonant production, aerodynamic/acoustic phenomena; quantitative relationships, vocal tract acoustic modeling, different parameters influence; 9002259

frontally misarticulated /s/, acoustic analysis; children aged 5-6/7-8; 9007150

fundamental frequency, sentence type/syntax/stress pattern relation-ship, boundary/accent; Argentine Spanish; 9007173

German incomplete neutralization, phonological rules inadequacy, pragmatic factors effects; native speakers/listeners; 9004693

German phonetics/phonology bibliography, 1972-1988; 9009716 German vowels, continuous vs categorial perception; sound identifica-tion/discrimination tests; native German/Korean learners of Ger-

"glottalized" term, redefinition advocated, glottalized consonants, Lendu (Central Sudanic) data; 9003545

Great Polish dialects, Borek Wielkopolski region, phonetics/ consonantism; 9004202

Greek dialect Sphakia /1/ pronunciation, sociophonetics; age-related differences; 9004700

Greek intervocalic -s- restoration proposal, phonetic regularity questioned: 9001584

Haitian Creole vs French/Fon (Niger-Kongo) morphologies; creoles morphological simplification assumption contradiction; 9001211

Hindi dental/retroflex stops, linguotectal contact patterns; electropalatographic data; native speakers; 9009682

human voice fundamental frequency value, male/female variation, morning-noon-evening; Italian adults aged 19-47; 9004668

Hungarian/English vowel systems, articulatory/acoustic comparison; 9004106

Icelandic pronunciation reform, normative dictionary compilation need; phonetic form/Southwest Icelandic bases; 9004542

Indonesian accent, stress position theories compared; 9003559 infant repetitive babbling, multisyllabic vs other types; empirical data; infants aged 0:7-0:11; 9007426

information processing theory, Parallel Distributed Processing Net-works; overview, application; 9003560

intelligibility, normal older vs younger speakers; consonant-vowel-consonant syllables, carrier phrase; 9007172

International Phonetic Alphabet auditory transcriptions' validity; tape-recorded tokens transcriptions; professional phoneticians; 9009691

International Phonetic Alphabet principles revisions, Kiel Convention, 1989; 9002257 International Phonetic Alphabet, recent revisions; 9009692

International Phonetic Assoc meeting report, Kiel, West Germany, 1989; IPA computer coding/representation; 9007176

International Phonetic Assoc meeting report, Kiel, West Germany, 1989; IPA revision issues; 9007177 intonation phonostylistics, social background/sex influences; inter-

views; male/female Venezuelan speakers; 9009704 Italian dialect's diachronic evolution, Intelvi Valley, Italy; 9009162

Japanese consonant recognition, pair-wise discrimination method application, two-class discriminant analyses combination; 9002288

Japanese mora/syllable structure role/reality, speech errors evidence; 9007165

Japanese palatal syllables /ni/, /ki/, electropalatographic study; 9002301

Japanese word accent/vowel devoicing/duration; adult male/female Tokyo dialect speakers; 9002268

Japanese-Dutch phonetic contrasts, Japanese immigrants' pronunciation errors, Netherlands; 9009034

jaw height positions, vowel-consonant-vowel utterances; Swedish/ English speakers; 9009690

Jju/Tyap (Niger-Kongo) prevocalic consonants fortis/lenis contrast, acoustic correlates; field recordings, sonagraphic analysis; native speakers; 9009702

Chinese National Phonetic Alphabet juhin fwuhaw computerization, typeable letters, teaching materials; 9004364

juvenile speech, Sonora, Mexico; phonetic analysis, tape-recorded conversations; males/females aged 16-22; 9005933

Kabardian (Circassian) vowel system; spectrographic study; Literary Terek dialect native speakers; 9009681

Kanamari (South Amerindian) phonology/phonetics; interviews; native speakers; 9008359

Kharkov Russian accentuation variants, nominal forms; 9002269 Korean declarative intonation, acoustic features, fundamental frequen-cy declination hypothesis basis; Seoul dialect speakers; 9007163

language didactics, corrective phonetics, nonverbal parameters importance; 9002260

language-contact lectures, formal linguistic perspective; 9004150 lexical diffusion, phonetic routes; Hispanic dialects' ongoing sound changes; 9003540

linear prediction analysis, speech parameter set-membership theory basis; experimental application; 9002284

literary texts prosody, nonexhaustive model, auditory/acoustic analyses basis; 9004686

male vs female voice source characteristics, inverse-filtering, timedomain based method; biological/sociological/acoustical effects;

male/female pitch description, incorrect characterizations/ experimental measurements interpretations; literature review; 9004681

Mandanici Italian, phonetic/semantic changes, social causes; 1924 at-las/contemporary data; 9009154

Mandarin Chinese tone recognition, vector quantization/hidden Markov models; mono- vs polysyllabic recognition rate compared; male speakers; 9002289

Mandarin tonal coarticulation/values; carryover/anticipatory effects; tape recordings, spectral analysis; native female speakers; 9009711

Mandarin tone 2/3 distinction perception, syllable duration effects; native English vs Mandarin speakers; 9007152

mental representations language model, intonation, ethological vs cog-nitive human communication approaches; 9002267 metrical structure, phonetic manifestation, orally produced poetry;

tape recordings; native speakers; 9009695

Mexican Spanish voiced labiodental, phoneme /b/ phonetic realization; labiodental articulations frequency; 9000974

Modern French, phonetic norm evolution; 9004666

Modern Greek vowels, acoustic structure, spectral characteristics defi-nition; 9004701

Modern Russian phonetic basis compilation, characteristics/ components; 9002261

nasality, acoustic characteristics, vocal tract manipulation; 9009680 Old Russian anthroponyms' phonetic alterations, 14th- to 16th-century business records; Greek borrowings assimilation; 9004045 oral discourse pause phenomena, ambiguous sentences meanings;

9002262

oslyshki 'hearing mistakes' role, linguistic research; modern colloquial Russian instruction; 9000191 palatal consonants, articulatory characteristics, phonetic classification;

phonemic transcription, International Phonetic Alphabet characters,

IBM PC/compatibles use; 9004683

phonetic category perceptual structure, speaking rate effect; 9000128 phonetic focus, Standard British English; 9009715

phonetic science development history, French Enlightenment, encyclo-pedists' conceptions; 9006453

phonetic stretching process, A. Woodbury's Yupik data vs English analysis, semantic vs pragmatic interpretation; 9000971

phonetic stylistics, Russian material; second-language teaching impli-cations; 9006336

phonetic transcriptions reliability, pertinent data proposal; 9009713 phonetic vocoder evaluation, intelligibility; 9009726

phonetic/semantic activation, picture-/word-naming tasks; 9000094 phonetic/semantic contingency levels, mother-child interactions; video-taped play sessions; normally developing vs Down syndrome chil-dren; 9007316

phonetics, English/French bilingual dictionary; 9002271 phonetics, fundamental problems, onsei (language as spoken) notion; 9002265

phonetics, new technological developments; 9004679

phonetics/phonology explanations integration, phonological representa-tion/phonetic interpretability relationship; 9007168

phonolinguistic research, Phonetic Linguistics. Essays in Honor of Peter Ladefoged outlined/reviewed; 9002279

phonological aperture, different manifestations; acoustic/articulatory traits; 9005981

phonology-phonetics disciplines integration; 9009706

phonology/phonetics relationship; 9000968

phonology/phonetics/grammar relationship, linguistic science; 9005934

pitch detection, zero-phase filtering basis; 9007154

Poitou (French) dialect, phonetic/phonological evolution; 9008957 Polish obstruents, conditional voicing neutralization, 14th-/15th-

"possible speech sound" notion, anthropophonic approach; 9009697 prenasalized stops, timing patterns/duration relation; Fijian speakers; 9007167

preverbal infants' vocal behaviors, prosody patterns; 9007149 pronunciation patterns, real-time spectrographic displays, language instruction aid; 9009703

prosodic macrosegmentation/syntactic constituents segmentation coincidence; French telephone conversations; 9004702

prosodic signs, central phrases; acoustic study; Buenos Aires speakers; 9007174

Proto-Costanoan (California) numerals reconstruction; 9008948 Provençal language status, advanced/retarded French form, French Swiss/Savoie dialects' syllable/vowel comparative-historical analy-

quasiarticulatory tactile syllables, long-term training experiment; tac-tile patterns extensive inventories acquisition possibility; 9004698 Qur'an recitation, sound system analysis/description; 9000961

reading disabilities/foreign-language learning difficulties relationship; case reports; learning-disabled college students; 9007293

Received Pronunciation, phonetic update; 9009714

Romanian phonetic alternations, Slavic-Romanian 15th-/16th-century documents; 9009118

Romanian/English orthographical differences anecdote, English phonetic spelling adoption argument; 9004361

Russian intonation, perceptive/linguistic description, linear predictive coding method, Russian-Dutch comparison, glottodidactic relevance;

Russian nominal suffixes phonemic structure, consonant/vowel fre-quencies; morphophonological/phonetic perspective; 9001190 Russian phonetic fund, components, phonetic knowledge base design/

development; 900413

Russian phonetic nature, historical/cultural aspects; 9004021 Russian phonetics history, articulatory tension weakening; vowel/ consonant reduction/articulational space expansion; 9004051

Russian soft consonant + a sequence, contemporary occurrence patterns; 9007166

Saanich (North Amerindian) actual aspect, infixation/reduplication/ metathesis, fundamental cognitive differences; 9006215

Scottish Gaelic phonetic dialect data, computer-readable form encod-

second-language vocabulary acquisition; keywords' phonetic/semantic features recognition/use; German adults learning Russian; 9007807 segment length/amplitude manipulation influence, simple consonant-vowel syllables' P-center position; 9004682

Semitic vowel/guttural consonant relationship, vowels' quantitative/ qualitative changes; word's rhythmic structure role; 9007153

Shona (Niger-Kongo) velarization; audio recordings/intraoral air pres-sure readings; native Shona speakers; 9009699

silent-center vowels identification/discrimination, target vs dynamic theory; perceptual experiments; adults; 9007159 singing voice, electroacoustic analysis, procedure description/application; Italians; 9004694

Spanish dialects, predominant phonetic/grammatical/lexical characteristics; first-/second-/third-generation speakers; Santa Barbara, California; 9001799

Spanish garra 'animal paw armed with sharp, strong, curved claws', proposed onomatopoeic origin, other Romance cognates; 9001621

Spanish nonsyllabic /u/, phonetic/phonological interpretation; rising diphthongs' auditory/syllabic segmentation/spectral analyses;

Spanish pronunciation description, J. Howell's 1662 A New English Grammar; 9001547

speaker-independent continuous-speech recognition, phoneme-based word spotting/time-synchronous context-free parsing; 9002290

speech bandwidth conservation, adapted packet speech interpolation methods unique/substantial advantages; 9004707

speech communication, bimodal acoustic/optical signals perception, vi-sion role; current knowledge status, cognitive pscyhology/phonetics; 9004669

speech delivery speed, interrogative vs declarative sentences; adults; 9002281

speech intelligibility/modulation transfer function, nonexponential decay fields; 9004691

speech interface, computers; SAM assessment methodology; French spoken-language input capabilities; 9004704

speech motor programming, vowel similarity/connectionist models/ syllable structure; 9004703

speech perception, stimulus variability/processing dependencies; W. R. Garner's speeded classification procedure basis; 9007229

speech phasing patterns, simple/double French consonants; timed linguistic task; adults; 9009676

speech processing technologies, speech production/coding/analysis/ synthesis/recognition research; 9004706

speech production/parameters, age-related physiological changes; Caucasian females aged 20-35/75+; 9004690

speech recognition, synthesized codebook use; 9004709

speech sample duration effects, speaker identification accuracy; Fast Fourier Transform-based long-term average spectrum approach; 9004677

speech signal database, labeling/segmentation methods; 9004664 speech sounds processing/tritone paradox relationship; experiments; 9009747

speech studies, major divisions historical overview; speech recognition systems development difficulties; 9004665

speech synthesis, various voice qualities; polynomial glottal source model; male/female Japanese speakers; 9002287

speech synthesizing/transmission/digital processing/automatic recognition, recent progress, technological contributions; 9004705

speech technology foundations/current research/future prospects; Australian International Conference, 1988; 9004689

speech understanding system left-to-right/top-down vs island-driven/ bottom-up parsing use; simulated phoneme recognizer; 9002291

speech utterance temporal decomposition, parameter sets comparison; good performance/speech signal resynthesis criterion; 9002280

speechreading signal, /p,b,m/ visible articulatory movements; 9004695 spelling curriculum, traditional memorization vs new approaches methods, English phonetics comprehension emphasis; 9005131

spoken English, Japanese speakers, American vs Japanese listeners' evaluations; duration/pitch/intensity changes effects; 9002276

Standard Mandarin Chinese sentence understanding, sentence-level prosody rule; lexical decision tasks; native Mandarin speakers; 9009712

Standard Modern Greek vowels/vowel sequences/stress, phonological-phonetic investigation; 9000988

Standard Slovene tonemic accentuation, J. Rigler's speech analyzed;

stop voicing perception, acoustic vs contextual factors, spontaneous French speech; Belgian adolescents/adults; 9009708

stressed vs unstressed syllables informativeness, consecutive segments transcription effects; 9002258

Sulcis Italian, dialect's history/geography/phonetics; 9009166 sustained vowels fundamental frequency contours, spectrum analysis; listening task; singers, experienced listeners; 9002277

Taiwanese tones perception cues, height/movement/syllable duration dimensions; 9002270

tongue position, vowel production precision, differing inventory size effects; native English vs Spanish speakers; 9007201

UCLA Language Database uses; 9009693

UPSID (UCLA Phonological Segment Inventory Database), new version; 9009700

visible speech synthesis, facial animation system implementation; mus-culoskeletal models, parametrically controlled polygon topology; 9007180

vocal periodicity objective/noninvasive assessment, fundamental frequency cycle-to-cycle perturbations investigation usefulness; unre-solved methodological jitter movement issues; 9004675

vocal timbre perceptibility/differentiability, French e/e variation; recorded broadcasts; 9009696

vocal tract modification, French (i)/(y) transition, formant change role; empirical data; 9009710

voice onset time intrasubject variability, alcohol-induced changes, physiological state; 9004696

voice onset time, oscillographic vs spectrographic measurements; 9004667

voiced plosive sounds perception, acoustic cues' influences; 9004673 vowel intelligibility oral manipulation/maintenance, choral singing; spectral analysis; 9004672

vowel length phonological distinction, duration vs spectrum underlying control mechanism; recorded randomizations; native Thai speakers;

vowel length/closure duration, English word-medial vowel-consonant sequences; male native speakers; 9004674

vowel normalization/contrast relation; experiments; undergraduates;

vowel perception, large-scale integrated spectral representation existence; "trace of F'2 in memory" search; 9002273 vowel "quality" interpretation, lip-rounding dimension; 9004687

vowel "quality" interpretation, lip-rounding dimension; 9004687 vowel quality, transmission channel/speaker effects perceptual compensation; formant frequency differences, /1/-/\varepsilon/\text{vowel continuum}; 9002264

vowel symbols representation, quadrilateral format use, International Phonetic Alphabet; 9007147

vowel variation parameters, world's languages; 9009694

Welsh suprasegmentals transcription, phonetic symbolization proposals; 9007148

word boundary detection, feature-based continuous speech recognizer; phonemes/broad classes sequences; 9002285

written/oral syllabification tasks, English medial consonant clusters; 9004699

Xhosa (Niger-Kongo) phonemic clicks, acoustic characteristics; recorded data; 9009709

Yushmanov, N. V., phonetic typology study posthumous publication, stadial phonetics issues; 9004002

### Phonics

average/low-average 2nd graders' reading achievement; phonics reading program; 9007924

dyslexia, recent investigations/directions; possible causes/diagnosis/ remediation, conflicting theories; 9002370

English-language beginning reading instruction; meaning emphasis/ phonics emphasis approaches; 2nd-/3rd-grade bilingual Spanish readers; 9007591

hyperlexic development, contributing factors; identification/ remediation suggestions; 9005556

kindergartners' emerging literacy; daily self-generated writing/word processing/phonics instruction; pre-/posttests/Rating Technique for Early Attempts to Rate Stories/Metropolitan Readiness Test; 9007840

phonics instruction methods origins/development; 9000514 phonics meaningful/functional instruction, invented spelling activity; preschoolers, kindergartners; 9000626

reading achievement, phonics/reading comprehension/vocabulary achievement causal relationship; cross-lagged panel/path analysis; 2nd graders; 9007895

reading comprehension, phonological mediation development; phonological recoding tasks, printed words; children aged 6-8; 9008031

reading instruction methods, Spain, phonics emphasis; 9005554 reading instruction, phonics skills benefits; 9003176

reading proficiency development/nature, contemporary research overview; 9005504

Phonological Analysis

Brazilian Portuguese syllable structure, central conditioning factor, phonological processes; 9000960

Hadiyya (East Cushitic) two-consonant constraint violations, phonological implications; 9001000

phonological constraints/repair strategies, Fouta Toro (Niger-Kongo) examples; 9001447

phonological lexicon role, oral reading, neurologically damaged left hemisphere patient; 9007251

phonological phenomena explanations, skeletal tier role, spreading/locality domains; 9000994

Proto-Romance lenition process historically/linguistically traced; geographical/distributional/chronological factors; 9006609

Russian funeral laments, 9-/13-syllable suntactic/phonological parallelisms; 9002138

sequential approximations, phonological analysis, charm/government theory basis; conduction aphasic's spontaneous discourse; 9004752

Phonological Stylistics

Diyari (South Australian) metrical foot existence, stress placement/ reduplication/versification/stem vowel allomorphy evidence; 9000992

English "dolnik" verse form, semantic associations, thematic/stylistic particulars; 19th-/20th-century English poets; 9002151

European humor research trends; cognitive vs linguistic levels, phonological/semantic interactions, pragmatic aspects; 9006236

event-related potentials, rhyme-matching task; pictorial stimuli; righthanded young adults; 9007483

German complex sentence melodic architecture; experimental/applied phonostylistic study; 9005990

Guillevic, poetic forms; 9008865

iconic index uses/functions, description/explanatory tool, sound change/rhyming slang; 9007106

Kayabi (Tupi-Guarani) expressive words, ideophones/onomatopoeias; communicative function, syntax, phonology; 9006869
Latin mergus 'gull', Old Czech rendition; 9006574 lexical processing; associative/mediated/rhyme priming; auditory lexical decision task; 9007380

lexicological contributions, Czech sports terminology/onomatopoeic words formation; Sborník Pedagogické fakulty v Plzni, Jazyk a literatura journal contributions; 9001971

Macedonski, Al., poetry, A. Marino's edition, prosody inaccurate/ erroneous marking; 9009562

metrical analysis recent theories' applicability, R. Frost's poetry; 9002143

Old English compounds, metrical study; 9009578

Old English stress/high vowel deletion, West Germanic gemination, two prosodic plane theory analysis; 9008331

onomatopoeia, late medieval poetry; O. von Wolkenstein's/J. Vaillant's/N. Soldanieri's lyrics; 9002133

post-tonic rhyming contrast a/o use, A. S. Pushkin's/others' works; 9002178

reading-disabled/dyslexic children's counting/naming rate/ phonological sensitivity/memory span; test battery, statistical analysis; children aged 9-12; 9009801

rhyme usage/conception, M. Eminescu's poetry; 9009558

rhyme/alliteration phonological sensitivity, attention deficit disorder vs dyslexic children aged 7:0-11:0; 9009800

Shingazidja (Niger-Kongo) accentual system; nominal accent tonal shape prediction; 9005940

syntax-phonology interface, French liaison; 9006017

text reception; meter; aesthetic responses/memory probing tasks; undergraduates; 9007469

timing, linguistic control; oral/nasal airflow data; Yoruba/Akan speakers; 9009685

Tokyo Japanese downstep, syntactic/rhythmic effects, unmarked pitch pattern determination; 9000970

Unamuno, M. de, poetry analysis, sound/rhythm/music role; 9002132 visual word recognition, orthographic/phonological code role; 9007466 vowel harmony, morphologically conditioned vowel assimilation rule type, nonlinear phonology accounts, Turkish/Icelandic/Koya/Tunica; 9008341

### Phonology

Abha (Saudi Arabia) dialect phonology/morphology, modern linguistic descriptive methodology; 9006517

accent/word length reciprocal relationship; Bulgarian/Macedonian dictionaries; 9008333

Afrikaans boundary signals/pronunciation variation relationship; 9005994

Aleppo Árabic, Christian/Muslim varieties, geographic/sociolinguistic variation; Christian Aleppo texts' phonological/morphological peculiarities; 9004173

Algerian Arabic verb phonoloy/morphology aspects; 9000944
Alutiiq (Yupik Eskimo) stress patterns, M. Hammond's arboreal stress assignment theory possible accounts; nonprosodic phenomena integration; 9005978

American English, Niger-Kordofanian language family genetic relation/exerted phonological/morphological/syntactic/semantic influence; 9001775

American prejudice, stigmatized pronunciations; British attitudes compared; 9000981

American Sign Language phonological simplification, morphological complexity effects; profoundly deaf children aged 4:5-9:0; 9007099 American Sign Language, phonological structures/processes, spoken languages compared; 9002183

American Spanish phoneme occurrence frequency; transcriptions; Spanish-speaking authors; computer-assisted statistical analysis; 9008322

American Spanish pronunciation, theoretical/applied perspectives; 9003534

Anatolian \*h3, word-initial position reflexes; 9001624

Andalusian /1/ > /r/ change, diachronic perspective, explanations evaluated; 9001660

Andalusian Spanish phonetic features, orthographic errors evidence, 16th-century writing samples, geographic patterns; 9000946 Arabic doublets, diachronic phonological study; determinants alterna-

tions; 9003561

Arabic grammarian tradition, earlier vs later theories; hollow verbs morphophonological analysis; 9003999

Arabic theoretical linguistics, major trends, modern-day contributions; 9006374

Arabic verbs, phonological/morphological structure, semantic valence classification; 9006137

Argentine Spanish syllable frequency/combinatorial restrictions, drama corpus; 9005956

Armenian, G. Klingenschmitt's etymologies questioned, phonological constraints violation; 9004044 articulation/phonological disorders, textbook; 9002323

Asturias-Cantebria (Spain) dialects vowel-harmony processes, autoseg-mental/metrical spreading; 9000965

Athapaskan linguistics, current perspectives; 9004015

Australian English, connected speech processes, phonetic/ sociolinguistic viewpoint; adolescents; 9003553

Australian/Mana languages relationship, phonological similarity evidence; 9004394

Austronesian languages, contact-induced change; comparative Austronesian Project Symposium, 1989; 9004143

autosegmental feature-spreading, phonology; Chiyao (Niger-Kongo) evidence; 9005972

autosegmental phonological representations, formal/phonetic/ computational interpretation; point- vs ontology-based approaches; 9005931

autosegmental phonology, no crossing constraint validity; 9008314 Azorean/Santa Catarina Portuguese contacts, phonetic similarities, Azorean Portuguese influence; 9005953

back consonants, articulatory modeling; 9008329

backgrounding, natural phonology process; word frequency effect; new evidence; 9003541

Bafut (Niger-Kongo) language structure; 9008921

Baltic studies, 10th biennial conference, Scandinavia, 1989; 9009348 Bambara (Niger-Kongo) names' lexical tone; association principles, general organization; 9005977

Bantu (Niger-Kongo) languages tone system description, "floating tone" notion nondistinctive feature matrices use; 9000945

Bapotó-Móngo (Niger-Kongo) dialect, preliminary description; phonological processes, noun/verb morphological classification/conjugation; 9001566

binarity hypothesis, modern phonology, distinctive feature theory; brief history, varied opinions; 9000959

Black English Vernacular sound change, final unstressed -y realizations; East Palo Alto, California residents; 9006755

Bologna Italian consonantal variation, age/sex/education/occupation correlation; questionnaire; Bologna native residents; 9009172

Bologna Italian dialect, morphophonemic alternation, C. F. Hockett's description methods limited applicability; 9009171

Brazilian Portuguese native language instruction, regional phonetic variation; 9005120

Brazilian Portuguese oral vs nasalized /a/, vowel timbre/duration variation; 9003555

Brazilian Portuguese speech variability, vocalic sequences substitu-tion/hiatus phenonema; 9005985

Brazilian Portuguese syllable structure, central conditioning factor, phonological processes; 9000960

Brazilian Portuguese syllable/diphthong/triphthong analysis; autosegmental/metric phonology, phonological features geometry; 9000941
Brazilian Portuguese vowel harmony rule, pretonic e/o vowels optional raising; interviews; native speakers; 9005932

Brazilian Portuguese vowel harmony/lowering/nasalization interac-tion; 9008357

Brisbane adolescents' speech, social differentiation/phonological varia-tion relationship; 9004495

British English unaccented syllables, vowels occurrence, synchronic perspective; 9008304

Bulgarian as a second language, Spanish-speaking students, vowel pro-nunciation difficulties; phonetic interference, error analysis; 9005332

Bulgarian colloquial vocalism, vowel devoicing, /ə/ occurrence; 9008353

Cambridge English speakers' /l/ vocalization; speaking rate/style; experimental speaking task; 9008375

Canadian French I deletion/gemination, morphologically conditioned sound change; 9009006

Capeverdean phonological aspects, theoretical framework; 9000976 Caracas Spanish final -s realization; experimental study; 9008362

Caribbean Spanish word-final /s/ deletion, phonological/grammatical-functional factors; 9003558

Catalan regular verb inflection/formation, lexical phonology frame-work; 9001024

categorical perception, phonetic phonomena, phonetic substance/ phonological form mediating processes; 9000990

Central Alaskan Yup'ik Eskimo vs Central Siberia Yupik Eskimo,

phonology/morphology/syntax/history; 9009042
Central Australian Aboriginal languages' differing trill-released stops distribution, historical changes evidence; 9003531

Central Sudanic phonological reconstruction difficulties; 9003538 Chadic languages, syntactic/phonological/diachronic research;

charm & government phonological theory, computer-assisted implementation/sesting; 9005943

Chi Tumbuka (Bantu) ideophone; phonological analysis; 9008346

Chilean Spanish /s/ variation, linguistic/sociocultural factors; Concepción educated residents aged 25-55; 9003574

Chinese fanqie languages, reduplication process, autosegmental phonology framework; 9008305

Chinese regulated verse, tonal structure hierarchical organization, uni-fied account proposed; 9001004

Chinese syllable structure, consonant-vowel coarticulation role, articulatory physiology; 9005926

Choctaw (North American) tone association, right-to-left association; 9005989

Colloquial Jordanian Arabic stress/pitch contour/rhythm, instrumental/auditory analysis; 9003567

colloquial Russian utterances, perceived stress, rhythmical organiza-tion; native speakers; 9000983

colloquial vs literary Russian style, phonological/syntactic elipsis; context/text cohesion role, overall system; 9001562

colloquial/dialect pronunciations representation, contemporary French novel; 9005954

complex s- onsets, Latin, historical trends; 9000940

consonant epenthesis as regular sound change; universal conditions/ constraints establishment possibilities; 9005975

consonant-vowel theory validity, Karok (northern California) compensatory lengthening data; 9008313

consonantal assimilation, principle of similarity operation, synchronic/diachronic phonology; 9008311

contour tones/affricates parallel properties, initial tone association/ spreading/OCP effects; Chinese/Lalana Chinantec/Japanese data; 9001005

contrastive analysis/perceptual tests use, phonological norms determination; 9009068

contrastive phonology, pronunciation accuracy, Russian as a second language teacher training, East German pedagogical colleges;

coronal underspecification, segments' structural representations rule application assumptions; 9003532

coronals' vs other consonants' internal structure, place node presence/ absence; Fula, Guere/Mau (Niger-Kongo) vowels comparison;

Corrientes (Argentina) Spanish glottal stop, peculiar characteristic phonetic feature; 9003572

Croatian Kajkavian dialects prosody, structural diversification; 9006763

Croatian sibilation, nominal classes/semantic categories; Standard Croatian norm violation; 9005988

cross-modal visual-auditory interference effects presence, picture-word interference task; Dutch-speaking adults; 9007465

Cupan (North Amerindian) absolute nouns, vowel length/stress relationship; 9008347

Czech phonetics/phonology/word formation, Mlovnice češtiny l (Czech Grammar, Part 1), content outline; 9000948

Daco-Romanian, northwestern dialects' labials/palatals/dentals convergence, morphophonological rule generalization; 9008373

Daishan (Chinese)/Mende (Niger-Kongo) tone spreading, autoseg-metal representation, acoustic phonetics viewpoint; 9003573

Dakota (North Amerindian) reduplication, ablaut/palatalization rules over-/underapplication; 9005984.

Danish language structure/nature; 9008933

decoding ability prediction, phonological awareness tasks role; reading-disabled/normally reading 3rd-/4th-grade males; 9007307 dental obstruent realization, /r/ environment, Early Middle/Modern

English; 9003550

developmental phonological disorders/normal speech development; 4-year-olds; 9009767

year-olds; 9009767
dialect diachrony, traditional vs contemporary dialect; Eastern Moravian dialect phonetic/phonological changes; 9006766
Diyari (South Australian) metrical foot existence, stress placement/reduplication/versification/stem vowel allomorphy evidence; 9000992

Dutch derived words, lexical category determination, sound structure determining factor; 9001002

Dutch dialects' umlaut alternation/variation/contact; umlaut reconditioning/deconditioning; J. Goossens's analysis basis; 9005935

Dutch perceived word segmentation, acoustic-phonetic word boundary markers influence; 9008356

Dutch pluralia tantum formation, lexical phonology account; 9003762 Dutch standard pronunciation, phonological vs phonetic variation, nor-mative/empirical views; tape recordings, multidimensional analysis; native speakers; 9008334

Dutch toponym Kontich, history/phonetics, -k->-ch change explana-tion; 9004261

Dyirbal (Ngajan dialect, Australia) language change, vowel length/ rhotic contrast loss, internal motivation; 9005948

Early Modern English sound changes timing reevaluated, contemporary phoneticians' statements interpretation; 9005963

East Baltic vowels ēļō, Western Lower Lithuanian counterparts; 9008959

Eastern Algonquian (North Amerindian) intrusive nasal vowel development, nasality/vowel duration/height connections; 9001003

Eastern Dutch dialects' consonant-nasal assimilation; W. de Haas's fusion mechanism; 9004183

Ecuadoran Spanish /s/-voicing, consonantal modification patterns/ principles; 9000972

English as a second language acquisition, Brazilian Portuguese/ Chilean Spanish phonological transfer errors; 9007806

English consonants/vowels pronunciation, phonological errors; native Thai speakers; 9003530

English dialect establishment, Ballyvourney area, West Cork (Ireland); phonological description; 9006769

English dialects, phonological systems correspondences; 9005961 English intonation, systematic perspective; tones/keys account; 9005946

English language learning, Finnish primary-school pupils; prediction/ monitoring tasks; 9007796

English learners'/native speakers' nasalization habits; BBC news broadcasts; stylistic analysis/pronunciation instruction implications; 9003529

English nucleus placement problems; central rules vs highlighting debate implications; 9000956

English rhythm/language change relationship, disyllabic nouns/verbs asymmetry; psycholinguistic approach; naïve raters/listeners; 9000126

English syllabic nasals' constitutive parameters; 9008372

English vowel durations, vowel height/tense-lax distinction/position/ post-vocalic consonant voicing/articulation manner effects; 9005937

Esperanto phonological/lexical/morphological systems; 9009198 Esperanto, linguistic topics; 9006783

Fante (Niger-Kongo) language, spoken/written form relationship; existing/proposed orthographic system; 9004355

feature geometry, co-occurrence restrictions; E. C. Sagey's articulator node model supported; Yucatec Mayan/Ponapean/Pomo examples; 9003577

feature representations phonological reality; labiodental fricatives; 9007151

Finnish imperfect forms, ti ~ si alternation; 9005962

foreign-language phoneme acquisition, initial stages, influencing factors; English-speaking Polish as a second language learners; 9003014

foreign-language pronunciation instruction, top-down method advocated; 9000331

French (5, e,  $\epsilon$ ) relation, paracyclic autolexical phonology solution; 9008368

French accentual noncontiguity; recorded sentences; Quebec French speaker; 9008363

French configurational accents, simple/complex patterns, rules/ constraints; 9005947

French familiar/popular/vulgar speech, morphophonological/phonetic features variations; B. Pivot's French TV literary talk show "Apostrophes"; 9006768

French foot hypotheses failure, various linear/nonlinear phonological frameworks; 9000947

French phoneme /R/ optional deletion, parce que 'because'; workingclass French children aged 10-12; 9004671

French phonetic variations, formal representation, natural language automatic analysis database integration; 9008337

French phonological rules/representations constraints; more constrained phonological theory proposed; 9005992

French phonology, lexical processes, three levels proposed; 9005959
French phonology, pedagogical aspects; past/present research efforts; 9005991

French schwa, L. M. Hyman's "weightless" vowel analysis refuted; 9005971

French speech, phonematic alternations, "popular" vs "familiar" varieties; phonematic syncope/accent role; 9005965

French word-final (a) - (o) tensing, morphophonological rule, phonologization; 9008345

Frisian rising/falling diphthongs representation; 9000943 Friulian vowel length, diachronic/synchronic analysis; 9008327

functionally illiterate adults, spelling strategies/spoken code use; Montevideo, Uruguay; 9003054

Galician patronyms formation models, suffix -z, morphological/ phonological factors interaction; medieval documents; 9009224 Galician vowel system, distinctive features matrix, Galician/Spanish/ Portuguese relationship; 9008325

Galician-Portuguese intervocalic -n- loss evolutionary divergence; J. I. Pérez's explanation critiqued; phonological interpretation; 9004178 generative phonotactic theory attempt; P. Postal's claims addressed,

phonological rules elimination proposed; 9005986 generative-based grammatical analyses, Spanish, 1985-1986; supplemental annotated bibliography; 9003942

German as a second language instruction, Bulgarian students, German fricatives pronunciation difficulties; 9005374

German final devoicing, contradictory theories reconciliation, lexical phonology framework; cyclic syllabification; 9005980

German phonetics/phonology bibliography, 1972-1988; 9009716 German phonological historiography, distinctive features diachronic evolution; 9005974

German syllabification/velar nasal/schwa nature reexamined; R. Wiese's stratal division/D. Steriade's claim supported; 9000962

German umlaut, phonological/nonsegmental/multilevel analysis, diachronic perspective, morphological/lexical factors; 9005967

German vocabulary characterization, phonological/morphological system contributions; language/culture interaction; 9001982

German/Icelandic plosive systems comparison; second-language pronunication teaching relevance; 9008370

gestures as basic phonological structure atoms characteristics, computational model context; feature geometry proposals relation; 9003535

Gitksan (North Amerindian) obstruent voicing/glottalic obstruents, J. G. Hoard's observations critiqued, alternative formulations proposed; 9008360

glottalized consonants, definition proposed, glottalic airstream mechanism; Lendu (Nilo-Saharan) preglottalized/implosive stops phonological contrast; 9007160

"glottalized" term, redefinition advocated, glottalized consonants, Lendu (Central Sudanic) data; 9003545

Greek names' transcriptions, Latin inscriptions, aspirates; 9000996
Greek stress/prosodic structure, phonological/acoustic/physiological/perceptual study; 9008308

Guarani agreement paradigms morphophonology, derivational domain analysis; 9008361

Hadiyya (East Cushitic) two-consonant constraint violations, phonological implications; 9001000

Haitian Creole diphthongs, syllabic representation/distribution; recent generative grammar advances framework; 9005936

Haya (Niger-Kongo) verbal morphology, linear order determining factors/co-occurrence restrictions; 9003788

Hebrew triconsonantal root system, combinatory phonology, quantitative analysis; 9008371

Hindi dialect stress rule, syllable weight sensitivity; 9008319

Hispanic dialectology diversity, phonological phenomena/syntactic differences; 9004197

Honduran Spanish s-aspiration/deletion process, spirantization interaction; interviews; native speakers; 9005927

Indo-European laryngeal metathesis, Tocharian evidence; 9004049 Indo-European laryngeal phonemes, phonological reconstruction; 9003537

Indo-European phonological reconstruction, The New Sound of Indo-European: Essays in Phonological Reconstruction reviewed/ critiqued; 9006606

Indo-European suH 2nto- 'sunny', Germanic/Tocharian forms, syllable restructuring; 9001600

information processing theory, Parallel Distributed Processing Networks; overview, application; 9003560

intonation grouping, psychological perspective; metrical phonology, empirical support; 9005944

intonation phonostylistics, social background/sex influences; interviews; male/female Venezuelan speakers; 9009704

intonation's emotive nature, D. Bolinger's views; French/Hungarian support; 9003543

intonational syntagm analysis; Quebec French speakers; 9008354 Iraqi Arabic morphophonemics, generative phonology framework;

Iraqi educated Spoken Arabic variation; sociolinguistic study; 9009401 Iraqw (Southern Cushitic) vocabulary list, morphological/ orthographic/phonological information; 9001565

Irish English r-coloured vowels, metathesis/epenthesis operation; 9003551

Italian spalla "shoulder", phonetic anomaly; -tl- cluster problematic nature/further development; 9008984

Japanese inflectional leveling process, change-resistant infinitive forms, dialectal data quantitative analysis; 9008343

Japanese language rhythm, acoustic-spatio-temporal characteristics; French as a second language Japanese learners' experience perspective; 9005979

Japanese minor phrase formation constraints, prosodic tree structure model; 9005982

Japanese, bimoraic foot structure evidence; 9005976

Japanese/Ainu descriptive studies, grammar/phonology/morphology/ typology; 9008931

Japanese/Korean phonological comparison, J. B. Whitman's contribu-tion; 9004102

Timucua (North Amerindian) phonological/grammatical systems description; 9008923

Tokyo Japanese downstep, syntactic/rhythmic effects, unmarked pitch pattern determination; 9000970

Toledan Mozarabic diphthong /ey/, Proto-Hispano-Romance /ay/ ori-gin; Á. Galmés de Fuentes's monophthongization claim rejected; gin; A. C 9004032

tonal representation/tone sandhi, Chinese languages, Mandarin/ Danyang/Shanghai; 9003580

Tubu (Saharan) desegementalization/tone, Daza dialect "definite" marking; 9006231

Tunisian Arabic dialect, social change/linguistic variation; Korba, Tunisia; 9009495

Ukrainian consonants g/l pronunciation, loanwords adaptation, Polish/ Russian influence; 9005973

Umbrian perfect suffix -nky-, alternative explanation, phonological reanalysis; 9009018 UPSID (UCLA Phonological Segment Inventory Database), new ver-

sion; 9009700

Uralic weak -p-/-t-, Indo-European equivalents; 9006531

Venezuelan Spanish consonantal force hierarchy, Foley's/Hooper's formulas modified; 9005952

Vietnamese English interlanguage phonology; natural communication setting, quantitative variation approach interpretation; 9000997 "voiced aspirated/breathy voiced/murmured/phono-aspirated" terms dispute; Hindi data; 9003568

vowel length phonological distinction, duration vs spectrum underlying control mechanism; recorded randomizations; native Thai speakers; 9009675

yowel merger, statistical tests evaluated; Japanese data; 9000977 vowel specification, coronal articulator role; 9008355

Welsh soft mutation morphophonological phenomenon, R. Lieber's/A. Zwicky's discussions reviewed/critiqued; 9001420

Welsh vowel quantity, dynamic analysis; 9003547

Welsh word-initial consonants mutation effects, finite verbs, default phenomena; 9000993

Wenling (Wu) nasalization changes, historical nasal consonants em-phasized; M. Chen's hypotheses/phonetic universals compared; 9003549

West Balkan Slavic-Early Romance contacts evidence, Early Slovene/ Serbo-Croatian vowel systems data; 9001664

West Germanic consonant lengthening, reconstruction/formulation; 9008952

"word" definition problems, text division; distinctive phonological elements importance; 9001959

word, lexical/morphological/syntactic/phonological definitions, A. M. Di Sciullo's/E. Williams's On the Definition of Word reviewed; 9009322

word-final /r/ occurrence constraints, North East Yorkshire English dialects; 9003544

Yiddish, Hebrew-Aramaic origin component verbs, inherited form/ synchronic phonology interplay; 9001602

Žu/hōasi (Northern Khoisan dialect) sound patterns, irregularities/ complications origin; J. W. Snyman's data; 9000955

## Phrase Structure Grammar

abstract/morphological case distribution, government-binding theory vs generalized phrase structure grammar; 9006358

Chinese complex noun phrases, empty categories' formal properties, generalized phrase structure grammar framework; 90088

clause structure, N. Chomsky's Barriers conception incorporation, phrase structure grammar framework; 9001391

English grammar formalism/parser algorithm implementation, generalized phrase structure grammar basis; 9004122

English personal names, grammatical treatment rules; 9001833

extended phrase structure theories, English adverb constructions' internal structure; 9008766

focus inversion, syntactic valence/SUBCAT list role; generalized phrase structure grammar based proposals; 9001436

generalized phrase structure grammar dialect, practical parsing sys-tem; 9004115

generalized phrase structure grammar, P. Jacobson's review critiqued; 9008800

German auxiliaries, auxiliary flip construction, feature structure specifications; 9008429

German noun phrase agreement, generalized phrase structure gram-mar approach; 9008414

Hindi-Urdu agreement system, generalized phrase structure grammar perspective; 9006366

Korean phrase structure grammar, restricted syntactic framework; 9006061

lexicon organization model, head-driven/generalized phrase structure grammar, English-Korean machine translation system application; 9008828

lexicon role, government-binding/generalized phrase structure grammar, "generative enterprise" approach differences; 9001466

licensing principles/principle-based phrase structure's language appli-cability, redundant rules/X-bar theory versions elimination; 9001430

linear phrase structure grammar, generalized phrase structure grammar conventions basis; binary/linear-ordered rules use, semantic/syntactic operations homomorphism; 9006413

Maithili (Indo-Aryan) verb agreement, control agreement principle, generalized phrase structure grammar framework; 9006432

Mandarin Chinese phrase structure condition, conceptual/empirical questions; 9008543

phonological theory proposal, unification-based grammar formalism, Korean phrase structure grammar approach; 9008312

phrase structure theory, unisinistrality concept; 9008819

Romanian prepositions/prepositional phrases, phrase structure aspects, generative framework; 9001125

subject-auxiliary inversion, Generalized Phrase Structure Grammar gaps; 9001459

translations' stylistic acceptability, two contemporary Finnish translations compared, L. Frank Baum's *The Wizard of Oz*; 9005901

unbounded dependency constructions transformational analyses/ nontransformational feature passing models, H. Basri's/D. L. Finer's distinction; 9001426

Welsh analysis, head-drive phrase structure grammar terms; English-based grammatical theories applicability; 9001390

word order/agreement interaction, generalized phrase structure grammar predictions; Tamil/Korean data; 9006397

X-bar theory use, phrase structure hypotheses delimitation; new version, heuristic language-description tool; 9006395

# Phraseologism, Phraseology

Azerbaijani dramas, Russian translation; phrases/idioms rendition techniques; 9000898

Balto-Slavic language contacts/equivalences, vocabulary/phraseology; 9001757

computer-aided phraseography, principles/criteria; 9009077 contrastive phraseography principles, glottodidactic orientation; Russian/German adverbial phrasemes; 9006648

contrastive phraseology, phraseographic theory/practice, English/ German lexicons compilation; 9009035

Czech comparative phraseologisms, form changes, syntactic/ morphological alterations; 9003652

English phraseologisms occurrence, Russian; political/economic/ historical phrases, journalistic texts; 9004156

English/Bulgarian zoonyms figurative/idiomatic use, comparativesemantic analysis; 9006642

German length/weight designations, phraseological occurrence; meaning/connotation/origin/attestation; 9001958.

German phrase wir sitzen alle in einem Boot 'we are all in the same boat' origin/history/usage; 9009315

German-Czech/Slovak phraseology, comparative studies; 9001972 German/Finnish typologically identical phraseological units, partial/ quasi-equivalence; 9009314

German/French comparative phraseology, typological/cultural as-

German/Polish phraseologized participial constructions, syntactic/ pragmatic aspects; 9006663

German/Russian phraseology, semantic/formal equivalences; glottodi-dactic relevance; 9006623

interlinguistic homonymy, Russian-Bulgarian nedelya 'Sunday' meanings/phrases overlap; 9004098

Old English h/r alternation, uvular/velar R presence; J. P. Hughes's dialectal evidence extended; 9009028

Old French phraseology, lexical/grammatical variants, statistical analysis; 9001633

phrase/idiom translatability, German/French/Norwegian/English; second-language teaching implications; 9003509 phraseological derivation, translational aspect; German/Russian/

Ukrainian material; 9003770

phraseological formation, inner form role; expressive-motivational base/meaning mediation; German/Ukrainian material; 9003731 phraseological intensifier, lexical iten's literal meaning loss; Polish material; 9006860

phraseology, culture-specific nature, German/Hungarian material; 9009300

Romanian-German phraseological parallels, comparative study; 9001697

Romanian/Turkish language contacts, Turkish-calqued Romanian ver-bal phrases typology; 9009102

Russian journalistic/socio-political texts, phraseologisms use/ modification; 9006341

Russian noun + adjective phrases, syntactic/discursive functions; 9001044

Russian phrase gól kak sokól, 'poor as a church mouse' etymology; 9004041

Russian phraseological lexicography, N. M. Shanskiy's/E. A. Bystrova's/V. I. Zimin's Frazeologicheski oboroty russkogo yazyka (Phraseological Forms of the Russian language) reviewed; 9006832

Russian-French literary-linguistic contacts, 18th/19th centuries; Gallic phraseology, calques/periphrases; Russian poetry; 9001756

Russian-Hungarian phraseological studies, Hungarian linguists' contri-butions; bibliography; 9001494

Russian-Ukrainian phraseology, formation history/development; 9004101

Soviet contemporary prose, folk/dialectal sayings/phrases use/ expressive-stylistic value; 9007088

text/phraseme semantic/grammatical interrelationships; text's stylistic-expressive dimensions, phraseme's emotive-semantic values; 9001354

typological language comparison, phraseological analysis, German/ English/frish; 9009335

Ukrainian adjectival phrases, animal-like component; structuralgrammatical characterization; 9003594

Ukrainian phraseological synonyms, elements/meaning variation, synonymic series, typology; 9003730

Weltanschauung/language relationship, French/Bulgarian existential idioms comparison; 9009046

word formation/phraseology, German Language Instit's annual con-ference report, Mannheim, 1988; 9003777

word/phrase structure/formation compared, semantic/syntactic aspects; 9001962

Piaget

causal language assessment/facilitation, learning-disabled adults/ adolescents, Piagetian theory approach; 9007308

English as a second language learners' reasoning ability measurement, TOEFL reading comprehension subtest validity; adults; 9000434 first-language acquisition, methodology/descriptive aspects; 9005011 language teaching/grammatical models interaction, neurosemantic

model, J. Piaget's major hypotheses reformulation; 9002919

literacy programs impact, Brazilian school children; J. Piaget's psy-

chogenetic theory aspects; 9007903 localist hypothesis/catastrophe theory, N. Chomsky's/J. Piaget's 1975 debate commentary reexamined; 9003945

psychotherapeutic treatment, dyslexic/personality-disordered child; J. Piaget's assimilation/accommodation concepts; 9007340

reading/cognitive learning processes development, learner cooperation importance; 9005649

Picture. Visual Media

aphasics' naming difficulty differences, fluent vs nonfluent patients' confrontation naming/picture description tasks; 9009751

aphasics' word retrieval, picture/word matching tasks facilitative use; case studies vs group study; 9009776

auditory comprehension impairment, aphasics; array size/picture relatedness/situational context influence; 9009782

children's memory, semantically related sentences/pictures; 6-/7-yearolds vs 10-/11-year olds; 9007460

cognitive processes effect, word/picture identification test scores; 7-year-olds; 9000028

component times analysis, word-finding difficulties, picture-naming tasks; language-impaired children; 9004813

event-related potentials, rhyme-matching task; pictorial stimuli; righthanded young adults; 9007483

nonnative language lexical processing; language proficiency/learning strategy; Cantonese speakers; 9007370

phonetic/semantic activation, picture-/word-naming tasks; 9000094 phonologically delayed children's responses, pictured stimuli; 9004755 pictograms, aesthetics/ideology/pictographic tradition/grammatical structure analogy viewpoints; 9009635

pictorial memory; immediate/delayed picture-recognition task; aphasics/nonaphasic left-/right-brain-damaged patients/normal controls/Alzheimer's disease patients; 9007491

picture name recall, semantic/nonsemantic verbal elaboration effect; 9000107

picture/word association performance, preliterate children/adults; 9004761

psychiatric patients' speech, paralinguistic characteristics; schizophrenics/depressives/anxiety neurotics; 9009835

reading comprehension instruction, story map use; 9007888 sentence word order, emotion effect; C. E. Osgood's motivation effect hypothesis; picture description task; Slovenian undergraduates; 9004927

speaker's emotional state recognition, listener's cognitive profile; pic-ture interpretation test; Russian undergraduates; 9004926 speech synthesizers, cerebral palsy users; pictogram phonological entry

system; 9007344 text interpretation, illustrations/pictures use strategies positive/ negative evidence; 5-year-olds, New Zealand; 9000545

text/illustration relationship, children's books, translator's perspective; 9008273

TV language's visual/auditory elements, word/picture relationship; 9002034

Pitch

British motherese, pitch alterations, acoustic data; 9002275

Colloquial Jordanian Arabic stress/pitch contour/rhythm, instrumental/auditory analysis; 9003567

English intonation/Japanese pitch accent training system, high-speed speech analysis system/personal computer use; 9002286

French configurational accents, simple/complex patterns, rules/ constraints; 9005947

French intonation, native speakers' vs beginning students' pitch movements; 9004688 fundamental frequency variation, conversational discourse, raised pitch

aspects; Fo values data; 9008705

global pitch motion perception, random chord sequences; psychoacoustic experiments; 9000121 male/female pitch description, incorrect characterizations/

experimental measurements interpretations; literature review; 9004681

Mandarin Chinese tonal instruction, pitch register approach; American students aged 19-27; 9002899

phonetic vocoder evaluation, intelligibility; 9009726

pitch detection, zero-phase filtering basis; 9007154 pitch register improvement training program, profoundly hearing-impaired young adults; 9004899

pitch/lateralization recognition, interaural phase effect; auditory back-ward recognition masking paradigm, binaural masking-level difference task; 9007231

Quebec French stress accent vs pitch accent; spontaneous speech data; Montreal speakers; 9008309

spoken English, Japanese speakers, American vs Japanese listeners' evaluations; duration/pitch/intensity changes effects; 9002276
Standard Slovene tonemic accentuation, J. Rigler's speech analyzed;

9001001

Tokyo Japanese downstep, syntactic/rhythmic effects, unmarked pitch pattern determination; 9000970

Welsh suprasegmentals transcription, phonetic symbolization propos-als; 9007148

Plurilingualism

Algeria's sociolinguistic situation, official dogma vs observable realities, Algerian Arabic/French multilingualism; 9002045

Belorussian-Polish-Russian relationship, contact history; 9006746 bilingual education, minority children, policy issues/programs; 9000878

bilingualism/multilingualism/diglossia/polyglossia, sociolinguistic ter-minology, developing countries; 9006952 child plurilingualism development, Hungarian/German/Serbo-Croatian acquisition/interaction patterns; longitudinal study;

9005433

code-mixing aspects, multilingual (French, English, Kikongo, Lingala) child; natural/spontaneous speech samples; 9008200

code-mixing, structural constraints determination, general linguistic principles basis; 9005785

"diglossia/polyglossia," "bilingualism/multilingualism" terms defini-tion, Third World perspective; 9008170

English literacy achievement, bilingualism vs trilingualism effects, Philippine high school; written essays/holistic scoring, cloze tests; 9005838

English varieties, multilingual setting, Nigeria; social/diatypic/ geographical varieties; 9004172

French Revolution linguistic politics, ideological foundation, "language war": 9002123

German as a second/first language instruction, Luxemburg, teacher training/upgrading; 9005203

Guinea-Bissau language situation, native languages/creole varieties/ Standard Portuguese relationship; 9006802

Italian second-generation immigrants' language acquisition, dialect/ Standard Italian/English mastery; longitudinal study; fifth/sixth graders, Sydney elementary school; 9005834

language acquisition/interlanguages, multilingual settings, descriptive framework development; 9003023

language competition, dominance/diversity/decline issues; 9004523 language instruction/multilingualism necessity, U Zagreb Professor Guberina interviewed; 9005378

language planning, competing models, multilingual countries, English as a second language presence; library research, fieldwork; 9007031

language planning/policy, languages in contact, plurilinguistic management; German Association of Applied Linguistics 19th Annual Conference report, 1988; 9000141

Lebanon's multilingual/-cultural history; Literary Arabic/native Lebanese dialect diglossic situation; French/English roles; 9007012

Luxembourg language behavior, social organization; intended vs implemented language planning policies; 9007022

Luxemburg language situation, trilingualism, French-German-

Luxemburgian, status/communicative domain; 9002061

multilingual Montreal Italian speakers, inter-/intracultural communication distinction; home conversations, interviews; 9008177

multilingual situations, European countries; conflict concept outlined/ applied; 9005824

plurilingual poetry, Góngora's/Lope de Vega's production; 9004550 preschool multilingualism, second-language learning as cultural learning, paedolinguistic approach; 9000868

Russian as an international language, functional bilingualism policy, Soviet republics; 9000861

second-language competence improvement efforts, Switzerland; bilingual instruction use possibility; 9005776

second-language instruction, European Council's general recommenda-tions; conference conclusions, Strassburg, 1988; 9000285

Shevchenko, T. Y., poet-linguist, foreign-language knowledge/use, works surveyed; 9004565

South Tirol language situation, German-Italian-Ladin coexistence, 1972 autonomy statute; 9006961

Swiss plurilingualism myth, linguistic/cultural tensions, second nation-

al language teaching programs; 9000884 US official language movement, US English/English First efforts; 9006949

ancient Greek postpositives position, Pindar's/Bacchylides's choral lyrics; 9008962

Azerbaijani poetry, Russian translation, lexical synonyms' semantic peculiarities; denotative/significative synonyms distinguished;

9000907

Bacovia, G., "Décor" (Decoration) poem, phonosyntactic analysis;

Beowulf critical analysis, language/sign/gender studies; 9007073

Beowulf, epithetical style; 9009577

Biblical Hebrew verb syntax, prose vs poetry; 9006020

Bryusov, V., poetic language renovation program; 19th-/20th-century Russian poetry; 9004554

Calvino, I., Fiabe Italiane (Italian Fables), English translations comparison, form vs content focus; 9003528

Cassandre, French graphic poster artist, typography/form harmonization; 9009622

Castilian poetry, theoretical model, Provençal theories inappropriateness; E. de Villena's Arte de trovar; 9004564

Catalan-Castilian bilingual poets' work evaluated/related, Cataluña/Valencia, 5th century; 9002137

Central American poetry translation, allusion problems; 9005864 Chinese poem, English translations; native English speakers' ratings, poetic feeling degree; 9005875

Chinese poetry, English translation difficulties; 9000906 Cima, A., "Cherubino" (The Cherub) interpretation/translation; liter-ary-critical perspective; 9008292

code-switching, monolinguals'/bilinguals' attitudes, causes; multilingual poetry; 9005840

coherence/cohesion means/strategies, M. Eminescu's "Replici" (Replies) text-linguistic analysis; 9009583

coherence/cohesion, deep/surface structure aspects; 9008727 comparative translational studies, G. A. Bürger's "Lénore" 19th-century French translations; 9008231

concrete/abstract poetry, comparative demonstration, modern French poets; 9007055

Corinna's poem title βεροια meaning/origin, Sanskrit borrowing; 9008968

Dante's Divina Commedia (Divine Comedy), M. Lozinskiy's Russian translation; 9008236

Dill, C., Wörterbuch zu Goethes West-östlichem Divan (A Dictionary on Goethe's Wes-Eastern Divan) reviewed; J. W. von Goethe's terms lexicon, Divan poetry; 9006829

dramatic efficiency, Alexandrine verse, Racine's plays; statistical study; 9004551

Duncan, R., "Often I Am Permitted to Return to a Meadow," poem's key words analysis, thematic/symbolic/metaphoric/contextual properties: 9002130

Early Greek poetry, alternating rhythm; 9004559

Eminescu, M., poetry, English translations' errors/distortions/ inaccuracies, 1930-1986 translations survey; 9009553

Eminescu, M., posthumous poetry, lexicographic treatment; 9009573 English as a foreign language instruction, literary vs theoretical texts use; 2nd graders; 9005174

English "dolnik" verse form, semantic associations, thematic/stylistic particulars; 19th-/20th-century English poets; 9002151

English written genres, historical evolution; multidimensional approach; 9001365

English-Hindi code-mixed varieties range/functions, Hindi poetry; aesthetic effect; 9005808

figures classification, discursive mechanism conception; 9008689 Fizuli, M., Azerbaijani poetry, syntax characteristics; 9004563 folkore epithet, Russian/Slavic epic texts; invariable epithet notion, historical folk memory; 9002145

free verse, 20th-century graphics; modern visual form theory develop-ment; coherence/openness simultaneous goals; 9007044

French as a second language, traditional French small verse forms as teaching material; German students; 9007668

French poetic theory texts, context, intertext role; 9008883

French-language use/Arab identity, Francophone countries' writers; T.
B. Jelloun's poetic voice; 9002164

Gaulish inscription meter, Archaic Irish poetry similarities, significant alliteration presence; 9004296

German national socialism songs/poems, simple lyrics' indoctrinating effect; 9002153

German stüblein meaning, Lochamer-Liederbuch (The Locham Song-Book), container designation, Germanic parallels; 9004066 Guillevic, poetic forms; 9008865

Hausa (Chadic) poetry theme changes, social concerns reflection; 9002136

historical poetics, scientific discipline's objective/domain/methodology; 9009564

Italian migrant's German-language poetry production, difficulties/ frustrations; 9002966

Keats, J., "Lamia"/"Peræa" identity; 9004602

language poetry, language-oriented/-centered writing; structural/ideological limits; 9002146

language-human communication relationships, intellectual deteriora-tion; poetry examples; interviews; 9009563

Lessing, G., word play analysis; 9004566

lexical ambiguity, J. del Encina's poetry; 9004548

linguistic restructuring, M. Eminescu's poem "Atît de fragedia" (So Much of Tenderness); 9009575

linguistic sign/speech sign/poetic sign, characteristic features; F. de Saussure's linguistic sign conception; 9007112

linguistic/metalinguistic markers interaction, poetic text, J. B. P. Molière's La Critique de l'école des femmes (The Critique of the School for Wives); 9009570

linguistic/stylistic changes, M. Eminescu's elegy "Despărțire" (Separation) consecutive versions; 9009580

literature interpretation, East-West comparative poetics viewpoint; 9009585

Lorca, F. G., "The Arrest of Antonito Camborio on His Way to Se-ville" analyzed, inner semantic connections formation; 9002139

lyric poetry, B. J. Grosz's/C. L. Sidner's discourse structure analysis method application; 9004555

Macedonski, Al., poetry, A. Marino's edition, prosody inaccurate/ erroneous marking; 9009562

Majcen, S., poet/literary critic, living/spiritually productive lexicon as poetic axiom; word's conception outlined; 9004569

Marlowe, C., verb use, stylistic analysis; 9002152

"Martin Fierro," gaucho Argentinian Spanish poem, Italian transla-tion problems; word plays, Italian koine; 9000909 medieval poetic language conception, French poetics analysis; alchem-

ic/poetic objectives overlap; 9007049

Medieval Spanish poetry, erotic allegory, genital terms metonymic synonymy; 9009571

metaphor typology, H. Crane's poetry; C. Brooke-Rose's classification application; 9002142

metrical analysis recent theories' applicability, R. Frost's poetry; 9002143

metrical structure, phonetic manifestation, orally produced poetry; tape recordings; native speakers; 9009695

mimetic syntax, word order metaphor use, Ovid's poetry; 9009566 Modern English poetry, syntactic features; W. H. Auden's early poetry; 9002134

modern French poetry, punctuation omission, line division employ-ment; 9007059

Modern Shona (Niger-Kongo) poetry, linguistic trends; 9009557 Northern/Mediterranean Italian poets' dialect use, 15th-century courts; 9009582

Old English compounds, metrical study; 9009578

Old English poetry coordination/apposition/syntax, half-line unit role; Beowulf/Chaucer conjunction patterns; 9004549

Old English poetry, tradition/alternative styles; 9007050 Old English verse dating, vowel contraction criterion; 9007047

Old French V1-type null subject constructions characteristics, prose/

verse; government/binding theory framework; 9006046
Old Kamil poem "Maturaikkandgi" grammatical description; phonematic/morphological/syntactic analyses; 9002140

Old Norse poems, simultaneous machine collation, COLLATE programs development; 9001737

onomatopoeia, late medieval poetry; O. von Wolkenstein's/J. Vaillant's/N. Soldanieri's lyrics; 9002133

oral rhetoric strategy, 17th-century pamphleteers; comprehension/ retention facilitation, mixed literate/illiterate audience; 9001340 oral vs written poetry criticism/teaching/translation; 9004568

oral-formulaic theme "hero on the beach," Archaic Greek (Homeric)-Germanic similarities; common Indo-European origin; 9002147

Pasternak, B. L., "Zimnyaya noch" (Winter Night), R. Jakobson's poetics principles; 9007046

Petrarch's works, Russian translations, chronological-historical presentation; 9008239

plurilingual poetry, Góngora's/Lope de Vega's production; 9004550 poem title linguistic status, function-semantic/compositional characteristics; English material; 9003874

poetic art/figures, functions/uses; seminar report; 9009576 poetic figure/text relationship, A. Philippide's poems; 9009555 poetic figures, fictional discourse function; poetry; 9009568

poetic irony, direct/tacit methods effects, students' interpretations; 9th-11th graders; 9003444

poetic language use, T. S. Eliot's poetry; 9004562

poetic language, piety/impiety opposing attitudes; 9009565 Poetic Linguistic Analytical Index, complex literary texts analysis; S. Y. Agnon's complete works; 9006711 poetic text deconstructivist analysis, text self-negation, final verse semantics; A. S. Pushkin's poetry; 9007052

poetic text's suprasegmental organization, vowel intonation/harmony; Russian poetry; 9004567

poetic text's symbolism, A. A. Akhmatova's Rekviem (Requiem);

poetic text, figure/motif/symbol relationship, Romanian poetry;

poetic translation, poetic viciousness exposition; 9003527

poeticity discourse quality, verbal/nonverbal mental processes distinguished, cognitive psychology framework; 9001323

poetry hermeneutics, three reception models evaluated; 9002150 poetry interpretation/translation relationship, P. B. Shelley's poems, Ukrainian translation critiqued; 9007043

poetry pragmatics, deictic words yon/yond/yonder use, interiorization process; 9004552

poetry theme determination, collaborative learning/reading vs teacher-centered transmission/discussion approach; 12th graders; 9007056 poetry translation hypotheses; Romanian/French/English examples; 9000885

poetry translation processes, empirical model; 9005876

poetry translation, stylistic analysis role; 9009559

poetry, oral performance/silent reading similarities; 9007057

poetry, translation difficulties; W. Shakespeare's Sonnet No. 135; 9000920

poetry, writing/performing/interpreting complex interrelationships; 9007051

post-tonic rhyming contrast a/o use, A. S. Pushkin's/others' works;

poststructuralism/linguistics tense relationship; French structuralism/ poststructuralism development history; 9007133

reading instruction, L. Ferlinghetti's poetry issues introduction importance; 9007992

reading process, personal response role, poetry use strategies; 9007893 Rgvedic cadences, overlong syllables, various limiting mechanisms; 9004556

rhyme usage/conception, M. Eminescu's poetry; 9009558

Roman poetry word-repetition patterns, systematic analysis; 9002154 Russian funeral lament lines typology, syntactic/pattern relationships, colon structures; 9002148

Russian funeral laments, 9-/13-syllable suntactic/phonological parallelisms; 9002138

Russian-French literary-linguistic contacts, 18th/19th centuries; Gallic phraseology, calques/periphrases; Russian poetry; 9001756

Scandinavian poetry, Grimm Brothers' linguistic/philological contribu-tions; 9003992

second-language instruction, poems as teaching material; 9007732 secondary English curriculum, poem as center model/rationale; 9002634

semiotic textology usefulness, conceptual framework/global category system provision, communication instruction; 9008742

sensory experiences effect, 9th graders' understanding, selected poem's figurative language; 9000167

Shakespeare's English, finite complement clauses syntactic description; 9008411

shared poetry use, disabled readers; remedial reading teacher's experiences; 9008005

Shevchenko, T. Y., poet-linguist, foreign-language knowledge/use, works surveyed; 9004565

Shevchenko, T. Y., poetry translation/interpretation adequacy; Russian/German renditions; 9004570

silence, communicative value, poetic-aesthetic/biblical emphasis; 9002181

Slavic countries/languages, Italian Trecento poets' ignorance; 9009604 Slovene folk poetry/songs, two-word/same-root combinations, characteristic feature; 9003775

Somali (Cushitic) oral poetry, nouns/verbs without lexical meaning occurrence (infills), listerner's active role increase; 9002129

song analysis, Alfonso X the Wise; philological interpretation; 9007064

Sonnets à Orphée (Sonnets to Orpheus), R. M. Rilka's vs M. Betz's/ J. F. Angelloz's/A. Guerne's French translations; 9005903 Spanish El Romancero, word-order inversions characteristics; 9004561

Spanish ideographic structure use, J. J. Tablada's Li-Po y otros poemas (Li-Po and Other Poems); 9002141

Spanish poem "Mandorla," French translation; gorge 'throat' vs cou 'neck' use; 9004547

Spanish/Russian folklore symbolism comparison, F. García Lorca's poetry; 9009556

speech acts analysis, I. Compton-Burnett's A Family and a Fortune; 9002161

text reception; meter; aesthetic responses/memory probing tasks; undergraduates; 9007469

textual figure, realistic literary discourse relationship; 9008733 theme/structure statistical measure, W. Blake's The Four Zoas semantic patterning; 9003909

Towneley Judgment Play, pronouns thou/thi/ye/you/youre use; 9009567

translated literature, Canadian "literary polysystem" reference; L.-P. Le May's "Evangeline" translation; 9000887

translation's syntactic aspects, generative grammar effects; Baude-laire's English/French poetry compared; 9002131

transpoetization phenomenon, B. Miljković's poetry analyzed; 9009574 typographical/graphological shape function, T. lo Liyong's poem "Another Nigger Dead"; 9002144

Unamuno, M. de, poetry analysis, sound/rhythm/music role; 9002132 Vasalis, M., Dutch poems' German translation; 9005878

visual poetry style, "words-in-freedom" denotation, F. T. Marinetti's symbolic poetry; 9007058

visual poetry, 17th-/18th-century pattern verse/modern free verse; 9007045

West African poetics, black preaching style socio-interactional/ aesthetic qualities; "rapping," possible Bantu panegyrics origins; tape-recorded oral text, Alabama preacher; 9001313

Williams, W. C., poetry's sound/punctuation patterns; 9002135 word structure/verse form relationship, Spanish poetry; word/rhythm formation interrelationships; 9007054

Polish women's names, inventory size/popularity/frequency; Great Poland region, 17th/18th centuries; 9004266

Polish word order description, free word-order phenomena treatment relevance, syntactic theory basis; 9006038

Polish words' computerized lexical-grammatical classification; G. G. Belonogov's/I. M. Davydova's morphological analysis modified; 9001716

Polish-Czech conversations, first printed material; 9003977 Polish/Bulgarian quantity expression, word-formational/syntactic means; 9006670

Polish/German causal relation expression, causality as tertium com-parationis, complex sentences; 9006624

Russian/Polish imperfect motion verbs' distribution/variation, colloquial speech; 9001692

Russian/Polish motion verbs' negated dependent infinitives aspect se-lection, 3-way opposition, perfective vs indeterminate/determinate imperfective sub-aspects; 9001041 Slavic comparative studies, second Polish-Bulgarian colloquium, Poznań, Poland, 1988; 9001694

Slavic loan/relic words, pre-Pomeranian/Mecklenburg area; 9009105

speech acts invitation, suggestion, agreement, German/Polish comparative analysis; 9006660

Ukrainian consonants g/l pronunciation, loanwords adaptation, Polish/ Russian influence; 9005973

## Port-Royal School

grammar/logic argumentation, methodological issues; Port-Royal grammarians' vs C. Serrus's logico-grammatical parallelism;

Kleiber, G., Relatives restrictives et relatives appositives: une opposi-tion "introuvable"? (Restrictive Relatives and Appositive Relatives: An Unfindable Opposition?) reviewed; 9001134

adverbial clauses use/pragmatics, conversational English; telephone/ face-to-face conversations; 9001259

agrammatic patients' language deficits, pragmatic linguistic perspective; case study; 9002322

aphasics' pragmatic factors/patterns of reference retention ability, cross-linguistic generalization; picture task, interview; English-/ German-/Italian-speaking Broca's/Wernicke's aphasics; 9009799

assertive/directive speech acts meanings, analytical concepts critiqued;

axiological modality, classifier/nonclassifier distinction, pragmalinguistic framework; 9008661

Banfield, A., Unspeakable Sentences: Narration and Representation in the Language of Fiction reviewed, pragmatic perspective; 9001337

bilingual conversation translation, translatory interaction pragmatic aspects; conversation-analytic viewpoint; 9003521

bilingual equivalents creation constraints, contextual variation role; French adverb déjà 'already, before'/Romanian equivalents; 9001147

case, pragmatic/semantic uses relationship, R. W. Langacker's cognitive grammar application; 9006390

Catalan riddles, pragmatic analysis; 9006239

causative constructions typology, pragmatic/syntactic/semantic factors consideration; 9008381

child language acquisition, contrast pragmatics; 9007403 child story comprehension/pragmatic awareness development/ correlation; age factor; Italian 4-/5-year-olds; 9005028

children's metapragmatic abilities, polite/impolite requests identifica-tion; 5-/7-year-olds; 9004985

children's negation production, V. Volterra's/F. Antinucci's typology; high/low socioeconomic status; Chilean Spanish-speaking children aged 2:8; 9000067

class/gender portrayal, pragmatic/syntactic code use strategies, prime-time TV shows; 9002032

commic narrative, literary form vs joke theories; semantic/pragmatic elements; 9006281

computational linguistics introductory textbook, POP-11 natural language processing; 9004117

Contemporary German public discourse shortcomings, P. Jenninger's address, communicative/ideological failure; 9006301

conversation, observable facts definition, alternative model; utterancetoken interpretation detailed analysis, connectors role emphasized; 9001300

conversational behavior, semantic-pragmatic-disordered children aged 8-12; inappropriate utterances characterization; 9007238

conversational implication standardization, diachronic pragmatics; 9008702

conversational remarks pragmatic interpretation, right hemisphere damage effects; 9007263

conversational units, pre-treatment proposals; natural French conversation; 9001296

deontic speech pragmatics, systematic study; 9007121

direct/indirect discourse strategies, psychotherapy group; interactional conflict expression/negotiation challenges, pragmatic functions; 9002027

direct/indirect requests, children's pragmatic judgments; 3rd/5th/7th graders; 9005001

discourse features/language functions development, Spanish-speaking preschoolers aged 3:0-4:5; spontaneous speech samples; feature classification, English data compared; 9000049

discourse pragmatics/semantic categorization, tense-aspect systems/ negation interrelation; Swahili (Niger-Kongo) data; 9006147

discourse-vocabulary relationship, text's lexical realization; word as symbol/index, pragmadiscursive/indexical meaning; English material; 9001308

discursive argumentation, pragmatic connectives use; argumentation/ discourse structure/relevance theory approaches; 9003839

Dutch conjunction/conjunctional particle dus 'thus, so, consequently' semantic/pragmatic/syntactic features, part-of-speech status, sentential position/combinability; 9001022

Dutch conjunctions want 'for'/omdat 'because'/aangezien 'since, as' semantic/pragmalinguistic differences; nomenclatural changes proposed; 9003757

Dutch nominal compounds, functionalist perspective; 9008398

English as a second language written pragmatic competence test, con-struction/concurrent validation; 9007828

English because after all meaning difference, D. Sperber's-D. Wilson's/D. Blakemore's pragmatic interpretation theories basis; German particle auch 'also'/Sissala (Niger-Kongo) examples compared; 9003708

English imperative sentence meaning, semantic vs pragmatic analyses; 9008546

English-Japanese dictionary, pragmatic information/considerations importance; 9004323

European humor research trends; cognitive vs linguistic levels, phonological/semantic interactions, pragmatic aspects; 9006236

Finnish existential clauses' syntax/pragmatics/intonation; 9003687 focus/presupposition, pragmatic/syntactic/semantic viewpoint interrelationship; 9003592

French ce qui/ce que 'who/which' clefts pragmatic functions, conver-sational discourse; 9006238

French interrogative clauses, communicative function classification; 9008659

French passé récent, venir de + infinitive, usage restrictions; tense/ mood meaning, time adverbs co-occurrence, pragmatic constraints; 9001127

French/Romanian "cooperation connectors" pragmatic function/ translatability; belletristic material; 9009033

French/Romanian epistemic verbs of attitude, functional equivalence; 9008660

German as a second language instruction, Austrian cultural informa-tion teaching, language's formal/pragmatic aspects; 9000294

German conditional sentences, word order/pragmatic function con tions; semantically/pragmatically based explanation; 9003633

German incomplete neutralization, phonological rules inadequacy, pragmatic factors effects; native speakers/listeners; 9004693

German political language, the Green party; 9009470 German weiterführende Nebensätze (subordinate clauses), syntax/ semantics/pragmatics; 9008383

German/Polish phraseologized participial constructions, syntactic/ pragmatic aspects; 9006663

grammar-pragmatics relationship, autonomous/interdependent sys-tems; German material; 9001411

grammar/pragmatics relationship, German/Swedish research program theoretical framework; 9008740

Greimas, A. J., meaning conception outline, transcodification/ transformation process; interpretative semantics/formal semiotics/ pragmatics integration; 9002209

hearing impaired, language therapy, pragmatics relevance; 9002312 illocutionary acts, threats' nonassimilation; conventionalist speech act theory confirmed, internationalist theories discredited; 9001303

Indian English requesting expressions, native vs indigenized varieties, pragmatic differences; 9006291

indirect speech acts, ellipsis theory account; A. Lötscher/A. Burkhardt opposition; 9001295

interlanguage pragmatic competence, second-language learners' speech act performance; Spanish as a second language English-speaking adults; 9000421

interrogative speech pragmatics; regular associations, question type/ suggestions conveyed; 9003835

Kiswahili political style, ethnolinguistic text analysis, pragmatic model proposals, political language/intercultural communication implica-tions; 9008724

language acquisition research, indices management general principles; competition model, semantic/pragmatic elements; local/topological treatments; 9002991

language acquisition/use, world experience necessity; pragmatic approach; 9002427

language contextualization, philosophical/pragmatic/empirical aspects; symposium report; 9008697

language naturalness concept, pertinence, language learner; 9007783 language structure/use, part-whole relationship, pragmatic foundation; 9003831

Latin fore ut use, available future infinitive substitute; synchronic/diachronic/syntactic/semantic/pragmatic factors; 9004080

lexical naturalness, native/nonnative discourse; recorded natural conversations; 9008649

linguistic behavior conceptualization, restricted conceptually based linguistic action verbials; questionnaire; 9006300

linguistic pragmatics, research trends/theoretical frameworks survey, 1980s; interdisciplinary approach, communication dynamic conception; 9006263

linguistic profiles, pragmatically disordered children; case studies; 9007404

literary names' pragmatic/literary/stylistic functions; R. Bradbury's

The Martian Chronicles, Russian/Ukrainian translation; 9004571 Mandarin Chinese sentence-final/post-verbal particles, pragmatic

study; 9003697

mental terms know/think/sure functions, children's distinctions; children aged 3-6; 9000080

Mey, J., language politics/pragmatics views; 9004521

Romanian direct-object constructions choice, verbal complementation/ discourse strategies factors; 9001074

Romanian prepositions/prepositional phrases, phrase structure aspects, generative framework; 9001125

Russenorsk creole preposition po, P. Bakker's treatment reconsidered;

Russian coordinated/uncoordinated word combinations, adjectival/ prepositional attributes, semantic typology, syntactic synonymy; sec-ond-language teaching implications; 9001198

Russian prepositions v 'in'/na 'on' usage, denotative/connotative rules; second-language teaching implications; 9000236

Russian/Bulgarian concessive relations expression, prepositions nesmotrya na/vupreki "in spite of compared; 9006620

Russian/Bulgarian horizontal prepositions pered-pred 'in front of 'za-zad' 'behind' semantic similarity; statistical analysis; 9006640 Saudi Arabian dialectology, verb forms/tenses; 9008929

Serbo-Croatian/US English contact/interference, American Croatian newspaper language; preposition use, US English pattern; 9006723 Slovene s-formations, lexicalized Proto-Slavic preposition \*5ъ source;

9001653 Slovene-Croatian instrumental case/syntagm comparison; Croatian prepositionless instrumentals, Slovene counterparts; 9001679

Spanish prepositional system, traditional/structural definitions/ systems; 9006161

suspended object notion, linguistic expression/characteristics, young child's environment; 9006188

Turkish morphologization tendencies, postposition ile 'with' case suffix transformation; 9003763

## Preschool

big meaning acquisition; age differences; shape/object descriptions; preschool children, adults; 9007435

book-reading styles, preschool teachers' variation, book familiarity/ complexity effects, children's participation; 9003816

child cognitive development, category representative types, German preschool/elementary school students' age/typicality norm correlations; experiments; 9007414

child language acquisition, syntactic competence development; imita-tion/transformation/word recognition tasks; preschoolers aged 5:1-6:0, adults; 9007412

child language/cognition development, social interaction role; Italian-speaking preschool girls; 9006237

child linguistic consciousness development, age/school length factors; Italian preschool pupils; 9004997

children's elicited fictional stories, cohesion analyses application compared; age differences, coherent story construction ability; pre-schoolers/2nd graders; 9000086

children's literature, school adjustment topics; preschool-adolescent audiences; 9000571

children's print awareness development, various print environments classrooms; 9007849

communicative behavior patterns, severely handicapped preschoolers; microethnographic research; 9004426

computer literacy skills development curriculum, language-disordered preschoolers; 9007346

conceptual language measurement tests, one-year predictive validity; preschool children; 9007358

developmental articulatory dyspraxia, Milloy Assessment of Praxis va-lidity; original/subsequent experiments; children; 9009778

developmental phonological disorders/normal speech development; 4year-olds; 9009767

discourse features/language functions development, Spanish-speaking preschoolers aged 3:0-4:5; spontaneous speech samples, feature classification, English data compared; 9000049

early reading movement, Italy; preschool pupils' reading instruction research/methodology; historical essay; 9005621

emergent literacy behaviors, home environment effect; preschoolers; 9003063

emergent literacy, recent research; traditional kindergarten writing limitations, current recommendations; 9000473

English as a second language acquisition, preschoolers, "silent period" role; Vietnamese child; 9005390

expressive language therapy; acoustic amplification; mean length of utterance/attention span measures; language-impaired preschool children; 9009738

expressive/receptive language/motor responses, integrated motor program effects; developmentally delayed preschoolers; 9000085

German for special purposes instruction, migrant children, secondary vs elementary/preschool level introduction; 9002823

handicapped preschoolers' spontaneous language, teacher estimates vs direct observations; 9002395

invented spelling, conscious phonological knowledge use/reading rela-tion; preschoolers; 9005652

language functions identification/use, working-class families' black children aged 3-4.5; naturalistic language samples, videotapes; 9004989

language intervention principles/procedures, classroom-based model, language-impaired preschoolers; 9002417

language learning/instruction, grammatical concepts introduction de-termination, preschool-aged children; 9005274

language problems screening test adaptation, bilingual/bidialectal mi-nority preschool children; Fort Worth Head Start Program; 9002415

linguistic/metalinguistic prerequisites, language-disordered children's reading/spelling ability development; 9007269

literacy learning, psychological/social interaction role; preschool students; 9007845

literacy programs, prekindergarten, research base; 9007847 literate behavior, pretend play episodes; children aged 4/5; 9003071 Maori (Polynesian) language revitalization attempts, preschool,

elementary/high school immersion programs development; 9000879 metalinguistic awareness, child language development, intellectual

abilities relationship; English-speaking Australian elementary pupils;

native-language learning, "incidental teaching" procedure use; teacher training, appropriate communicative responses; kindergarten teacher; 9000152

native-language pedagogy, Ivory Coast, experimental program; 9007525

negotiation skills, preschool children; gender differences; conversation analysis; same-sex dyads; 9009378

nonverbal language training, simultaneous sign vs graphic symbol communication methods; severely handicapped preschool children;

one-to-one correspondence denotation, preschoolers' number words use; matching/counting tasks; 9000051

parent-child conversations, reciprocity/involvement/positive/negative factors; less-liked vs popular boys; 9006906

phonics meaningful/functional instruction, invented spelling activity; preschoolers, kindergartners; 9000626

phonological awareness stimulation, extensive program effects; longitudinal study; Danish preschoolers; 9002647

playschool literacy event, children's own name writing; descriptive study; 9004995

precocious bilingual education, French as a second language, Italian five-year-olds; 9005801

prereaders' print concepts acquisition, school type effect; children aged 3-5; 9005506

preschool children's reading attitudes; picture symbol prereading program; tests; children aged 4-5; 9007839
preschool children's story dictations, written register use; functional/
structural skills independent development; 9005030

preschool hearing-handicapped students, communication mode deter-mination; 9009857

preschool literacy/writing development/strategies; longitudinal study; kindergarten-grade one; 9005659

preschool multilingualism, second-language learning as cultural learning, paedolinguistic approach; 9000868

preschool reading instruction effects, 4-year-olds; 9000504

preschool stutterers' disfluencies, mothers' judgments; 9004824 preschool/kindergarten friends vs acquaintances interaction, gameplaying situations; 9006908

preschoolers' inquiries content/frequency, parents reading aloud, home environment; longitudinal study; audiotaped interactions; 9005517

preschoolers' oral conversational language, written texts formalized language relation; D. Olson interviewed; 9003257

preschoolers' phonological development, longitudinal study; 9002497 preschoolers' polyadic language/linguistic/social interaction skills identification/examination; 9002500

preschoolers' spoken communication, form/content distinction, literacy relationship; 9007838

preschoolers' symbolic play/metalinguistic verbs use/emergent literacy; short-term longitudinal study; 9003066

proper name usage, mother-child interactions; language-impaired vs non-language-impaired children; 9006909

reading instruction, high risk beginning readers; students' taperecorded oral story renditions, enlarged text compilation result; 9005623

reading readiness, preschoolers; parents'/reading specialists' home environment contributions; 9003073

school readiness, social/educational/linguistic factors influence; ecological perspective; preschool Hispanic children; 9000069

second-language acquisition conflict resolution; observation/notetaking/tape-recording/interviews; 4-year-old girl; 9007764

second-language instruction, preschool/elementary school levels; objections refuted; 9002740

sign reading instruction, language training procedures use; handi-capped preschoolers aged 3/4; 9000622

social nonverbal communication behaviors, preschool children/severely retarded special education students; 9002189

southern black children's final consonant production, PROPH computer program analysis; preschool-3rd-grade children; 9000066 spontaneous language/cure responses, adult-/child-directed play; dy-namic assessment, statistical/descriptive analysis; normally develop-ing vs language-impaired preschoolers; 9002419

Stanford-Binet IV test validity, precocious toddlers; 9009867

stressing patterns, language-impaired preschool children; L. A. Wie-man's results compared; 9004782 teacher speech act adjustment, preschool language-delayed children, conversational/task-oriented/language-teaching behaviors; 9009786

TV-assisted assessment, unintelligible preschool child's speech-language evaluation; 9004902

verbal interaction, Swedish language-disordered preschool children; grammatical/interactional ability assessment procedure develop-ment; 9007260

verbal interaction/knowledge acquisition relationship; classroom discourse, Italian preschoolers aged 5-6; 9003844

verbal production/social interaction/play behavior, language-impaired preschool children; 9004817

vocabulary ability measures comparison; Peabody Picture Vocabulary
Test-Revised/Picture Vocabulary subtest of the Test of Oral Language Development/Expressive One Word Vocabulary Test/
Receptive One Word Vocabulary Test; normal-hearing older preschool children; 9002420

vocal response increase procedures effectiveness, therapist prompt, Down syndrome infants/preschoolers; 9002392

word-retrieval test development, preschool children; 9002528 writing skills development, 6-year-olds; observational data; 9004994 Zairian preschools, French language use; surveys; Lingala-speaking preschoolers, Kinshasa; 9007662

Presupposition

English demonstrative pronouns, cognitive status, givenness hierarchy; 9008674

Mangap-Mbula (Austronesian) modality system, irrealis dimension; free-form adverbial particles ko 'uncertainty with regard to the factuality of a proposition'/be 'nonassertion of factuality'; 9006009 natural language semantics, meaning theory, grammar role; 9008552 presupposition concept, language-teaching grammatical explanation; English preterite, unitary description framework; 9000291

presupposition, logical-semantic category computation, expert systems; 9006677

sentence meaning framework, three-layer model; 9008593 Van der Sandt, R., Context and Presupposition reviewed; 9001394 Printed Type

identical letters, lower-/uppercase judgments, different stimuli effects; size interpretation vs perceived size change; 9002561

language change, information-processing systems role/effect; 9006543 literacy crises, print-to-electronics transition destabilizing effects; 9001348

reading comprehension/mathematical problem-solving performance, print size adjustment effects; 1st-3rd graders; 9003308

situation-specific reading self-efficacy, interest/vocabulary difficulty/ print size influence; high-/low-achieving high school readers; 9003320

speech perception, printed word simultaneous presentation influence; 9000125

standardized listening tests results; printed information amount; 3rd-8th graders; 9008036

**Problem Solving** 

critical reading skills development, cooperative problem-solving approach, active participation emphasis; 9007901

English as a second language students' problem-solving success/ interaction styles; same-sex dyads; 9000208

higher order thinking skills instruction, current difficulties; 9007860 problem-solving schemata, narrative vs expository text structures; comprehension facilitation strategies; 9000724

Abe (Niger-Kongo) pronominal system, logical variables/ logophoricity; 9001058

anaphora, general definition attempt/failure, characteristics reexamined; 9003631

autism condition, missing I/pronoun reversal distinctive feature;

autistic children's speaker-addressee personal pronouns use/ comprehension, normally developing/mentally handicapped children; 9004789

binding theory principles B/C, nonpragmatic reduction possibility; 9001408

Bulgarian first/second person plural pronouns "illogical" use, lexico-graphic treatment urged; 9006056

Bulgarian/Romanian dative pronominal clitics use, possessivity expression; diachronic/synchronic aspects, Balkan perspective; 9009065

Cajun French linguistic structures, variation/change nature; quantitative treatment, social context significance; 9001014

Catalan prepositional syntagm behavior, holistic predication, null sub-ject issue reference description/definition; 9006099

child/adolescent language development, deictic system competence syntactic acquisition/pragmatic use; Germans aged 10-16; 9000092 Chinese reflexivization, pronoun ziji, N. Chomsky's/D. Lebeaux's movement to INFL framework; 9001386

colloquial Modern Persian; pronominals/controlled elements binding; 9008425

contextualist language theory emergence, historical/comparative review; 9009670

coreference/disjoint reference relations, anaphors/pronouns/full refer-ring expressions, Italian children's mastery; 9000078

Czech temporal/local relative adverbs, attributive sentences, relative adverb/pronoun exchangeability; 9001073

discourse/anaphor resolution structure, nouns/pronouns role; ambigu-ous antecedent paradigm; 9008681

donkey sentences, E-type pronouns interpretation; 9008808 Egyptian Arabic illi 'that, because', relative pronoun/conjunction change, reinterpretation process; 9001671

English demonstrative pronouns, cognitive status, givenness hierarchy; 9008674

English double prenominal modifiers, codification/decodification diffi-culties; Time magazine data; 9000045

English objective case pronouns loss trend, hypercorrection tendency; 9003642

English reflexive pronoun interpretation, nonnative speakers; multiple-choice questionnaire; K. Wexler's/M. R. Manzini's parametersetting model extended; 9000443

English reflexive pronouns occurrence, sentence/discourse; anaphor binding, narrative viewpoint; 9003959

English second-person pronouns of address, sociolinguistic aspects; 9002111

English third-person pronouns function, unified treatments review;

English untriggered reflexive pronouns' use/acceptability; 9008484 European Portuguese cliticization/tense, language-specific conditions; 9006102

French celui nominal syntagm role; 9008430

French comparative constructions, ce pronoun presence, wh-movement indication; 9003691

French coupled coreferential representers, rightward movement, nominal syntagms, contrastive relation; modern prose data; 9006128

French embedded constructions, que/qui/dont status; 9008460 French generic aspect/middle voice, restrictions; middle/neuter/ passive constructions distinction; 9006070

French neuter pronoun role, 13th-20th centuries; 9004061

French nominalized relative celui qui 'he who' constructions, generic/ specific use; 9006087

French personal/indefinite pronoun on 'one/we/they/people', referential functions/occurrence constraints, Japanese/French constrastive analysis: 9008516

French reflexive lui-même 'himself', cocedent co-occurrence, dis-course/sentence organization role; 9001122

French relatives, M. Pierrard's La Relative sans antécédent en français moderne. Essai de syntaxe propositionnelle (The Relative without Antecedent in Modern French. Outline of a Propositional Syntax)/D. Godard's La Syntaxe des relatives en français (The Syntax of Relatives in French) reviewed; 9008461

French second-person pronoun usage complexity, conflicting/changing values representation; 9006240

French/Bulgarian pronouns, style-specific usage frequency comparison; 9009030

French/Romanian causation, pronominal operators; argument distribution schema; 9001686

French/Romanian conjunct pronominal forms, behaviors compared;

French/Serbo-Croatian pronominal verbs, morphological/syntactic equivalence; 9006669

generic masculine pronominal usage effects, high school students' sex-linked occupational stereotypes; 9004458

generic word choices, age-/sex-related differences; 1st/7th graders;

genitive-adjectives/appartenance-derivatives, pronominal origin, func-tional/formal viewpoints; 9008941

German es 'it' complementary distribution, empty pronominal pro, sentential arguments; 9008389

Germanic unemphatic pronoun subject obligatory use, strengthening theory framework; pronoun's unaccentedness role; 9006086 government-binding theory "i-within-i" principle, strict anaphora con-dition argument; 9008796

indefinites/anaphoric pronouns/quantificational determiners, discourse representation theory vs E-type analyses; 9008792

language/gender/social identity/thought relationship, feminists' generic he elimination attempts effects; 9006973

lexical noun phrases subcategories, morphological/semantic/ referential/syntactic/interpretive aspects; 9008513

linguistic reconstruction, typological analysis importance, Latin/ Berber ipsa 'that itself, herself'/ta 'that' contact; 9009334

Medieval French null subjects/syntactic change; subject pronoun omission; word-order change, pro-drop correlation; 9003690

Middle English reciprocal pronouns' historical development; selected Early Modern English comparisons; morphological analyses;

Middle French, address pronouns use rules; 9008986

Misiones (Argentina) Spanish pronoun use variations, dialectal fea-tures; tape recordings; 9004205

Modern Greek PRO lack consequences; control theory/empty pronominals arbitrary interpretation, government/binding perspective;

Modern Italian relative pronouns' syntax, temporal antecedent relative clauses che vs preposition + cui/il quale; 9008459

Navajo/Choctaw (North Amerindian) verb agreement parameters;

noun phrases' null pronominals syntactic representation, N. Chomsky's Lectures on Government and Binding consistency; 9001414

null pronominal agreement identification conditions, government-binding framework; arbitrary interpretation, identification-based definition; French material; 9006379

Old English prose, relative clause/antecedent position relationship, compound relative sebe occurrence; 9004037

Old Spanish relative pronouns, historical morphosyntax, qui 'what'/quien 'who'; 9006025

Papiamento Spanish-based pronouns system organization; 9009228 personal pronouns, mothers' use effects, child's verbal interaction; audiotaped interactions; 2-year-olds; 9006917

Polish/Bulgarian indefinite pronouns semantics/morphology, transla-tional equivalence, statistical analysis; 9006655

Portuguese language acquisition, lexical anaphors/pronouns develop-ment; native Brazilian Portuguese children aged 2:6-7:6; 9007436 pronominal occupation reflection, pronominal resolution cognitive mechanism; 9004948

pronoun anaphor resolution ability, old vs young adults; 9007376 pronoun use, normal vs language-impaired children; spontaneous speech samples; 9005034

Proto-Piawi (Papuan) personal pronouns possible origin, Nisgha (North Amerindian) compared; 9006529 relativized minimality, XP/X<sup>0</sup> traces relevance; incorporated noun roots/pronominal morphemes unified explanation; 9006351

Romanian direct object complement, pronominal repetition/ nonrepetition; resumptive clitic presence/absence, affective factors; 9001049

Russian antonymic pronouns tam-tut 'there-here' semantic analysis, written vs oral language use; 9009308

Russian drugoy/inoy 'another, other', pronominal vs adverbial status, semantic scope; 9009297

Sark (Norman-French) dialect, pronominal clitics morphophonemics, assimilation/deletion rules; 9000975

Saudi Arabian dialectology, verb forms/tenses; 9008929

Scottish English emphatic pronouns, lower- vs middle-class speakers' use; 9006980

Serbo-Croatian reflexive pronouns' sentence part function/status; at-tribute/adverbial marker/opposition/predicative extension; 9005999 situational reference/deixis, misunderstanding/misinterpretation

causes; English material; 9006235 Spanish empty/full pronouns distribution/interpretation, government-binding framework; 9003604

Spanish forms of address origins/history/current usage, research review; 9008686

Spanish se-phrases, syntactic-semantic composition, active vs passive status clarification; 9006114

Spanish/Bulgarian possessive pronouns, possessor gender/number morphological similarities/formal differences; 9006645

Spanish/Quechua language contact, clitic pronoun system contrast; in-terviews; lower-/middle-class/professional bilingual adults; 9006737 synchronic ambiguity, first-person inclusive dual, Australian languages evidence; J. H. Greenberg's diachronic ambiguity account modifications; reply; 9006075

Thai second pronominal acquisition, central Thai vs Lahu children; field observations, interviews, pronominal eliciting production tasks;

third person, discursive-pragmatic focus; 9008667

Towneley Judgment Play, pronouns thou/thi/ye/you/youre use; 9009567

Tully (northeastern Australia) dialects; interviews; 9009129 Tzotzil (Mayan) comitatives, agreement controllers, plural pronoun construction; 9001382

Urim (Papuan) discourse, demonstrative pronouns pa 'that/there'/ti 'this/here' functions; 9006258

Yokuts (North Amerindian) demonstrative/personal pronouns, pro-posed Stammbusch details demonstrated; 9001592 unciation Accuracy

Afrikaans boundary signals/pronunciation variation relationship;

American English as a second language vowel duration acquisition, Arabic/Korean/Spanish/Thai speakers; 9003019

American prejudice, stigmatized pronunciations; British attitudes compared; 9000981

American Spanish pronunciation, theoretical/applied perspectives;

articulatory organs movement, computational representation, DYNA-MO system; 9009723

articulatory organs movement, computational representation, DYNA-MO system; signal control, voiced/voiceless/nasalization/vertical jaw position; 9009728

Bulgarian as a second language, Spanish-speaking students, vowel pro-nunciation difficulties; phonetic interference, error analysis; 9005332

Bulgarian/Dari (Afghanistan) vowel systems comparison; Afghan Bulgarian as a second language learners' pronunciation problems; 9006630

contrastive phonology, pronunciation accuracy, Russian as a second language teacher training, East German pedagogical colleges; 9006662

developmental phonological disorders/normal speech development; 4year-olds; 9009767

English as a foreign language learners'/teachers' speech comprehensibility improvement strategies, teacher-led groups task variation effect; Japan; 9000198

English as a foreign language pronunciation instruction, dark vs clear /1/; 9002696

English as a second language pronunciation instruction goals/ methods/scope, current literature reviewed; 9007543

English as a second language pronunciation, Serbo-Croatian accent, monitor theory application; adults; 9002990

English as a second language, consonant pronunciation/reception, Azerbaijani learners; phonetic interference errors; 9002943

English consonants/vowels pronunciation, phonological errors; native Thai speakers; 9003530

English learners'/native speakers' nasalization habits; BBC news broadcasts; stylistic analysis/pronunciation instruction implications; 9003529

English phoneme /s/ articulation, Japanese learners' difficulties; tongue placement differences emphasized; 9002965

English-language lexical/cumulative change, insecure hypercorrect pronunciation trend; 9009136

foreign-language pronunciation instruction, top-down method advocated; 9000331

French consonants l/r correct pronunciation, Bulgarian students; French/Bulgarian phonemic equivalence, comparative analysis; 9007625

French phonology, pedagogical aspects; past/present research efforts; 9005991

Genoa Italian tonic e, Standard Italian comparison; speaker's age/ socioeconomic status; 9008340

Secretories status, 7000540 German as a second language instruction, Bulgarian students, German fricatives pronunciation difficulties; 9005374

German as a second language instruction, Soviet schools, pronunciation stylistic variants; 9003913

German as a second language pronunciation instruction, phonation/ oral structures' articulatory movements illustration; 9000316

German orthoepics history, pronunciation models, borrowings' phonetic codification; 9006584

German/Icelandic plosive systems comparison; second-language pronunication teaching relevance; 9008370

Icelandic pronunciation reform, normative dictionary compilation need; phonetic form/Southwest Icelandic bases; 9004542

Japanese palatal syllables /ni/, /ki/, electropalatographic study; 9002301

Japanese-Dutch phonetic contrasts, Japanese immigrants' pronunciation errors, Netherlands; 9009034

language didactics, corrective phonetics, nonverbal parameters importance; 9002260

language planning, corpus planning subfield, literature review; 9009504

language/dialect/speaker evaluation/attitude, Standard/regional Dutch pronunciation; E. B. Ryan's status/solidarity model supported; 9004491

place-name pronunciation, local vs outside differences; 9009213 Received Pronunciation, phonetic update; 9009714

Russian as a second language, phonetics/pronunciation teaching principles/method/material; 9007622

second-language instruction, pronunciation teaching, orthophonodidactics; 9000228

second-language learning, critical period hypothesis, J. E. Flege's account refuted; 9005441

second-language pronunciation learning, delayed audio feedback use; German as a second language learners; 9002818

Serbo-Croatian Anglicisms orthographic variants, adaptation models; original orthography preservation vs pronunciation spelling; 9006730 Spanish pronunciation description, J. Howell's 1662 A New English Grammar, 9001547

spoken language instruction, current approaches; 9007735 Standard Chinese pronunciation vs Chengdu speech/Sichuan dialects;

Standard Chinese pronunciation vs Chengdu speech/Sichuan dialects 9003579
Standard German pronunciation, norm codification history: Grosses

Standard German pronunciation, norm codification history; Grosses Wörterbuch der deutschen Aussprache (The Great Dictionary of German Pronunciation) proposals; 9007037

Standard vs Southern Dutch, Belgian Dutch standardization; 9009183 Ukrainian consonants g/l pronunciation, loanwords adaptation, Polish/ Russian influence; 9005973

**Psychoacoustics** 

auditory components fusion, amplitude modulation frequency effects; 9002597

auditory perception, music/speech similarities; 9002318

categorical perception, speech/nonspeech stimuli; research survey; 9007475

dichotic discrimination/ear differences, 4-day-old neonates; highamplitude-sucking procedure, speech/music stimuli effects; 9002596 English rhythm/language change relationship, disyllabic nouns/verbs asymmetry; psycholinguistic approach; naïve raters/listeners; 9000126

global pitch motion perception, random chord sequences; psychoacoustic experiments; 9000121

infant crying, adult tolerance; fundamental frequency, temporal patterns; acoustic feature analysis; nonparents; 9007472

intensity discrimination/loudness, tones in broadband noise; 9002598 isolated words recognition, cohort reduction dynamics; response activation; 9002599

isolated words/phrases auditory perception, vowel sequences; 9005082 letter rhymes detection, visual similarity effects; decision tasks;

lexical monitoring, normal vs compressed speech, frequency effects; French speakers; 9005076

lipreading/audiovisual speech perception abilities measurement, psychoacoustics/speech audiometry analogous techniques adaptation; 9007092

Mandarin tone 2/3 distinction perception, syllable duration effects; native English vs Mandarin speakers; 9007152

morphological structure representation, lexicon, auditory lexical decision experiments; 9000124

phoneme monitoring, dual representations use/role; 9005077

phonemic similarity effects, prelexical phonology; visually presented Serbo-Croatian words/pseudowords; adult native speakers; 9005079 phonetic category perceptual structure, speaking rate effect; 9000128 phonetic coherence acquisition protection.

phonetic coherence, acoustic patterns; music vs speech listeners' perceptions; 9000122

psychoacoustic/speech comprehension abilities relationship, unilateral/ bilateral cochlear hearing-impaired patients; 9004724 psychophysical data applicability, longer speech sequences; musically experienced females; 9005078

experienced females; 9005078
signal detectability, monotic/dichotic noise bands presence, equal/
unequal levels; power-spectrum masking model supported; 9005081

unequal levels; power-spectrum masking model supported; 900508 simultaneous auditory signals, perceptual pulse train/vowel segregation separate identification; crossing glides vs steady-state F0s; 9000123

six-tone rhythmic patterns discriminability, differing tempos; 9005080 song-syllable perception, song/swamp sparrows; operant conditioning procedure advantages; 9007103

speech perception, printed word simultaneous presentation influence; 9000125

speech processing/plate sorting tasks simultaneous performance; speech stimuli type/noise level/speech processing stage/sorting task difficulty level; 9000127

time duration estimates importance, criminal testimony; retrospective duration estimates, "abductor's" speech; 9005083

tone sound level change, aftereffect occurrence; experiments; 9007474 voice onset times discrimination, preceding context effects; 9000129

Psychoanalysis and Psychotherapy

bilingualism impact, psychotherapy; therapist's perspective; 9004861 communication theory, language/mind/society relationship; 9009476 direct/indirect discourse strategies, psychotherapy group; interactional conflict expression/negotiation challenges, pragmatic functions; 9002027

Italian rock language, juvenile jargon synchronic/psychoanalytic analysis; R. Giacomelli's Lingua Rock (L'italiano dopo il recente costume giovanile) (Rock Language. Italian according to Recent Youth Usage) reviewed; 9008646

Kierkegaard, S., depressive cyclothymaniac personality, psychosemiotic analysis; 9004619

language distortion, Freudian psychoanalytic reflections; word/ unconscious structure/relational meaning unusual relationship; obsessive female aged 26; 9004870

language origin, metaphorical/metonymical processes; S. Freud's language origin/evolution hypothesis, sexual needs foundation; 9007131 language/thought/interiorization, L. Vygotsky's/psychoanalytic perspective; 9004876

mental representation, differing views' weaknesses/strengths; 9007320

psychotherapy process congruence/responsibility effect, matched mode utterances, therapists'/clients' speech; sequential analysis; 9004875

schizophrenics' electroencephalogram P300 component abnormalities, psychological intervention possible effects; 9032389

Stalin's terror/persecution, Saussurian semiotic/Freudian interpretation; 9002203

therapeutic discourse structure/construction, sociolinguistic perspective: 9001257

therapeutic writing process; female's journal writing/think-aloud protocols, 6-year period; 9004867

translation, psychoanalytic material difficulties, W. Benjamin's/P. de Man's conflicting theories; 9005900

verbal interaction, group psychotherapy; sequential analysis; 9004863

Psycholinguistics

active/passive sentences production, syntactic priming effects; 6-/9year-olds, adults; 9002468 Alzheimer's/Huntington's disease, associated category fluency deficits

compared; 9002351

ambiguity detection, Japanese biased/unbiased sentences; R. A. Hoppe's/J. F. Kess's work extended; 9002474

analogical mapping theory, source/target analogs, interacting structural/semantic/pragmatic constraints basis; ACME computer program implementation; 9002449

anatomical correlates, dizygotic twins aged 4:9; atypical left-right perisylvian configurations, elevated gonadotrophic hormones level influence; 9002614

anomalous suspense, outcome uncertainty; well-known US history episodes, minor changes; 9000100

anomia, moderate aphasia; lexical representation access problems, affected psycholinguistic process; 9002336

aphasia, current standardized formal tests vs alternatives; 9007241 auditory components fusion, amplitude modulation frequency effects; 9002597

auditory/phonetic memory use, normal aging effects; identification/ discrimination/anchoring tasks; undergraduates, individuals aged 55-70; 9902454

automatic speech recognition/comprehension, lexical level study/ implementation, general principles; 9007197

babbling/early speech patterns, vocal/verbal/gestural behaviors; structured/unstructured situations; infants aged 0:9-2:0; 9005039

bilingualism, deaf communities' psycho-social/cognitive necessities;

bilingualism/psychological adaptation, Tunisian immigrants' children, France; personality/intelligence/psycholinguistic tests; children aged 3:2-4:9; 9005783

blame, psychological concept/linguistic realization, emotion cognitive theory framework, German subjunctive/blame modals; 9001108

body part names auditory comprehension, body awareness visuospatial tasks relationship; verbal tests; female/male aphasics aged 54-75; 9004753

Braille learning, visual/haptic/bimodality conditions effects; 9002583 causal relatedness memory effect, sentence pairs, varied encoding task effect; 9002562

cerebral functions intrahemispheric organization, sex differences; anterior/posterior lesions incidences evaluated, aphasic/nonaphasic lefthemisphere-damaged males/females; 9000132

child language acquistion, early words referential extension evidence; case study; 9002507

child language learning/development, facilitating guidelines; 9002511 child language, argument structure acquisition; 9002533

child language-learning process, mysteries examined; 9002548

child linguistic development, child-adult interaction model; 9002541

children's color terms development, recent psycholinguistic/ neurolinguistic data reference; established patterns, methodological issues; 9002506

children's concept/word meaning development, nominal/natural kinds; 9005013

children's elicited fictional stories, cohesion analyses application compared; age differences, coherent story construction ability; preschoolers/2nd graders; 9000086

children's metaphor comprehension development, situational linguistic context effects; 9000046

children's novel verb acquisition patterns, canonical sentence schemas generation hypothesis support; experiments; 2-/4-year-olds, undergraduates; 9007402

children's object-name extension patterns, category evolution; children aged 1:1-1:3; 9000054

children's reading/listening comprehension monitoring; 9002462 children's speech adaptation, influential social/linguistic factors; childadult interactions; 9002544

children's temporal terms experimental task performance, contextual information influence; children aged 3:5-5:10; 9000065

children's writing, research potential, South Africa; methods/ resources, educational sociologial benefits; 9002518

clausal representations building/accessing, advantage of first mention vs clause recency, contradictory phenomena; 9000099

code-switching, extralinguistic factors/models; 9009430 code-switching, language-contact phenomenon, structural-linguistic/ psycholinguistic aspects; code-switching/borrowing distinction; 9004473

code-switching, social/psychological/communicative functions, standard-dialect switch; East German women aged 40-60; 9006935 code-switching/-mixing studies, 1970-1988; selected bibliography;

9005810
cognition, connectionist system description, relative status/accuracy systematization; 9002442

cognition, ideas vs concepts, blind persons' color conceptions/beliefs; 9002444

cognitive achievement/psychological orientation, ethnic-language dominance/socioeconomic status/parental involvement theoretical link validity; Asian/Hispanic/Anglo sophomores; 9000883

cognitive mechanisms, learning from metaphors; concretizing/ assimilation/structurizing theories' theoretical/empirical support; 9000433

cognitive processes effect, word/picture identification test scores; 7-year-olds; 9000028

cognitive science, contemporary research directions; 9002459 cohesive ties use, incongruent discourse information verbal explanations; cognitive development assessment; preschoolers/1st/3rd/5th graders/undergraduates; 9003802

colloquial tautologies comprehension, context/syntactic form/lexical content role; 9007386

communication apprehension/anticipated interaction effects, student recall, instructional messages; 9000096

contextualist language theory emergence, historical/comparative review; 9009670

contralateral processing, ipsilateral influences; normal adults vs neglect patients; 9000137

contrast alternative, E. V. Clark's position challenged, adult/child language evidence inadequacy; 9000061

conversational discourse, incidental recognition memory, familiarity/ personal participation role; 9002570 Corson, D., Oral Language across the Curriculum review/critique;

9005346 cry/noncry sounds, temporal patterning; female infants aged 0:8; 9005038

deaf signers' short-term memory coding, M. A. Shand's primary language coding hypothesis reinterpreted/refuted; 9005057

deaf signers'/hearing subjects' similar visuo-spatial orientation; H. Poizner's/E. S. Klima's/U. Bellugi's What the Hands Reveal about the Brain reviewed; 9007096

developmental dyslexia, literature review, cognitive psychological framework; 9007306

developmental psycholinguistics theories' learnability constraints; mother-child dyads; 9002484

dichotic discrimination/ear differences, 4-day-old neonates; highamplitude-sucking procedure, speech/music stimuli effects; 9002596 digits, odd vs even judgments, reaction time lengths; 9002569

discourse comprehension, text-based/situation-based information representation; 9002461

discourse comprehension/recall, knowledge schemas use; parallel distributed processing vs nonconnectionist biofunctional schema theories; 9002450

discourse features/language functions development, Spanish-speaking preschoolers aged 3:0-4:5; spontaneous speech samples, feature classification, English data compared; 9000049

Dromi, E., Early Lexical Development reviewed; 9005025

dual-task performance, reduced speech intelligibility effects; degraded speech use, sentence verification/visual picture-sorting tasks; 9002587

dyslexia research, skill automatization/conscious compensation hypothesis evaluated; dyslexic children aged 12-13; 9007309

early child language control/coreference; children aged 3:1-8:0, adults aged 30-55; 9000070

embossed codes relative utility; braille, printed capital letters, Morse code; blindfolded sighted subjects; 9002568

emotion words, rule-governed semantic analysis, K. R. Scherer vs T. Boll/R. Neppl debate; 9003709

emotional/cognitive profile determination, B. I. Dodonov's unfinished sentences method reliability/validity; 9002421

English as a second language acquisition, psychological process, be-haviorist account critique; 9000428

English as a second language instruction, German students, listening comprehension, psycholinguistic conception; 9005290

English aspect comprehension/production/choice, children/adults; 9002465

English double prenominal modifiers, codification/decodification diffi-culties; *Time* magazine data; 9000045

English family names, Bulgarian transcription; Reeves/Tomkins, final

s vs z; aesthetic acceptability ratings; 9006875

English syntax comprehension, native monolingual English/bilingual English-Yiddish/English as a second/third language speakers aged 71-93; 9000036

evaluation, knowledge-theoretical/philosophical/psychological aspects, language-evaluation dialectics, Marxist-Leninist framework; 9003724

event-related potentials, verbal processing; word-reading/figure-matching tasks, handedness/sex effects; strongly right-/left-handed males/females; 9002621

everyday personality language use, scientific purposes; 9007362 extraposed relatives coreference possibilities, children's knowledge; plausibility judgment tasks, previous findings compared; children aged 4/5 vs college students; 9000063

figurative expressions comprehension/acquisition, phrasal/lexical memory use; computational models; 9000041

foreign-/second-language acquisition vs native-language transference, communicative competence approach; French secondary school English as a second language students; 9005200

foreign-language learners' attentional strategies use, cognitive approach; 9002447

foreign-language learning style/motivation, individual variation; cognitive theory framework; 9002441

foreign-language reading instruction, psycholinguistic approaches; 9008071

free association, voluntary response selection/reaction time; 9002580 French as a foreign language learner-centered teaching, beginning-level courses "Devive Voix"/"Archipel" compared; 9000342

French conjunction mais 'but', psycholinguistic perspective, acquisition data; 9004971

French conjunction mais 'but', psycholinguistic/syntactic description, possible inferences; 9000001

French gender acquisition, native speakers vs second-language learners; language acquisition model, linguistics/experimental psycholinguistics theories combination; 9005388

French intonation patterns, acoustic-perceptive spaces correlation; sta-tistical/psychological multidimensional analyses; native French speakers/listeners; 9009705

French-language script actions, structure/characteristics; sorting task; 1st-year psychology students, Lille/Nantes, France; 9007383

frontal language disorders, current clinical/anatomical profiles/ theories evaluated; general frontal lobe function theory developed; 9002600

functional-communicative language description, cognitive/ psycholinguistic research incorporation; 9006383

functionally illiterate adults, spelling strategies/spoken code use; Montevideo, Uruguay; 9003054

gender identification, inanimate nouns/noun endings' predictive value, frequent usage effects; native French speakers; 9000030

general/specific/autobiographic images generation retrieval, long-term memory information use; 9002443

German personality-descriptive terms, comprehensive taxonomy devel-opment; rating tasks; graduate students/psychologists; 9007359

gesture/speech production/comprehension, one-word-stage children;

glottodidactics, psychological basis, methodology/materials develop-ment, psychological principles; functional-communicative language description framework; 9004930

grammatical categories meanings/definitions, "mental operations" basis; 9000020

grammatical/lexical units segmentation, continuous speech; authentic/ quasi-Mandarin-Chinese words; native English speakers; 9002478 hemifield facial/letter identification, physical/name matching effects; 9000002

homonym meanings lexical access, context-independence questioned; 9000044

humor text, cognitive mechanisms/conceptual features; 9002472 identical letters, lower-/uppercase judgments, different stimuli effects; size interpretation vs perceived size change; 9002561

idiom processing, semantic decomposition role; normal figurative ex-pressions processing similarities; 9000043

imagery, "allusionary base" component; reading instruction/language

learning implications; 9002429

implicit-memory measures compared, anagram vs word-fragment solu-tion; 9000114

incidental learning tasks, word generation/verification/evaluation, cognitive effort reflection; 9000104

infant babbling behavior examination, later normal language/speech acquisition predictions; 9005015

information encoding/retrieval, textual context/prior knowledge effects, spreading activation theoretical construct basis; 9000098

information memorization, semantic representation issue reexamined; children aged 4/5; 9002473

information processing, conflicting cues effect; Stroop vs Simon effects; 9004959

innate/acquired abilities interplay, language-learning processes mathematical models; stimulus-response/generative grammars explanations; 9000012

inner language/speech, historical development/Soviet psychology framework; subvocalization phenomenon; 9002425

intensity discrimination/loudness, tones in broadband noise; 9002598 interference amount/priming relationship, Stroop color-naming task; 9000039

isolated words recognition, cohort reduction dynamics; response activa-tion; 9002599

Japanese garden path/center-embedded/multiply-left-embedded sen tences processing; reading time data, eye movement study; 9000037

Kafka, F., early works' physiological/phenomenological/linguistic psy-chology; 9007086

kanji/kana words, orthographic difference effect, incidental memory; 9002595

language acquisition planning, Hebrew language case study; 9004533 language acquisition, empiricist vs prototype theories; 9002543

language acquisition/use, world experience necessity; pragmatic approach; 9002427

language comprehension strategies use, script routines; children aged 2-5; 9002513

language development theory, H. Werner's developmental psychology framework experimental support; 9002482

language of thought hypothesis, A. Clark's vs J. Fodor's theories; 9007368

language processing principles, text data as evidence; English complex sentences' ordered events grammar; 9002466

language production skills, high functioning elderly vs young women; 9004924

language production, representations/cognitive processes construction; endogenous/exogenous factors influence; 9002446

language representation, acoustic-phonetic/lexical level interface;

language, neurolinguistic/psycholinguistic/cognitive aspects, epil-inguistic activity; aphasics' language behavior, therapist as regula-tor/epilinguistic action stimulator; 9004767

language/speech processing laboratory, U Neuchâtel, basic/applied research; 9004923

language/thought/interiorization, L. Vygotsky's/psychoanalytic per-spective; 9004876

lateral asymmetries, verbal stimuli processing; cerebral dominance/language/emotion, divided visual field study; 9002611

letter searching, words/nonwords, time differences; initial encoding/ subsequent scan emergence; 9002572

lexical access, semantic/phonological stages, picture-word interference studies; 9002475

lexical ambiguities resolution, semantic priming techniques use;

lexical expectations, complement-verb temporarily ambiguous sen-tences parsing; single-word self-paced reading task; 9000033 lexical organization/representation access procedures, bilingualism effect; 9005781

lexical representation access mechanisms/organization mode, affixed words; morphology studies contribution; 9006207

lexical representations, linguistic processing role; 9002426

lexicon organization, lexical unit/word signification terms, general model; perceptual/interpretive cognitive functions separation; 9004941

liestruth concepts/terms, children's use/development/comprehension; age/faculty/beliefs effects; children/adults; 9002545

linguistic awareness, isolated words' semantic/phonological features; children aged 5-9; 9000052

linguistic treatment modeling/sentence processing devices implementa-tion, connectionist approach proposed; 9000009 linguistics, cognitive research applications; 9000025

MacCormac, E. R., A Cognitive Theory of Metaphor reviewed; 9002471

Massaro, D. W., Speech Perception by Ear and Eye: A Paradigm for Psychological Inquiry, precis/reviews; 9002453

memory organization packets, generalized knowledge structures, story comprehension; memory associations evaluation; 9000109

memory psychophysiology, electrocortical approach; 9000112

memory/consciousness functional relationship, word/nonword recognition recollective experience; 9002564

mental lexicon access, major models; 9002430

mental lexicon organization model; morphological rules, lexemes/ affixes dictionaries; 9000016

metalinguistic consciousness/linguistic awareness distinction, applied psychology perspective, child language development; 9004943 metalinguistic development, child language acquisition; age/sex/

socioeconomic factors; 9004946

metaphor comprehension, context effects; 9000042

metaphor comprehension, literary texts, discourse-theoretical approach; 9002476

metaphor comprehension, preschool children; lexical theory implications; 9002530

metaphor theories/models, neuropsychological research implications; 9000018

mirror writing speed, left- vs right-handers; R. Tankle's/K. Heilman's claim refuted; 9002620

modern linguistics, R. P. Jacq. Van Ginneken's contributions; 9008895 morphological structure representation, lexicon, auditory lexical decision experiments; 9000124

music/natural language perception/comprehension/processing analogy, heuristic value; 9007365

naming abilities, closed head-injured children aged 8-16; error analysis; 9002608

naming, phonological information use; rapid naming tasks; 9007473 naming/lexical decision brief stimulus onset asynchrony, graphemic/associative/syntactic priming effects; 9002589

natural kind/artifact categories, membership determination, physical characteristics/functions/chromosomal/molecular structure; 900256

neologistic speech automatisms, complex partial seizures; right-handed female aged 18; 9002603

neuroscience's pedagogical applications, brain development/organization; 9000139

novel words, children's response, play setting; new labels, familiar objects; 9002488

numeral processing, Chinese vs Western numerals; Chinese speakers aged 24-38; 9002448

object/action words processing, adults'/children's semantic/ phonological performance differences; 9000116

occurrence/origin memory, mental operations repetitions effects; 9002585

oral comprehension, second-language learning/instruction; semasiological/onomasiological comprehension models; 9002757

oral movements/speech output control relationship; aphasia/Token/ apraxia/speech production/syllable identification tests; right-handed unilateral right-/left-hemisphere-damaged patients; 9002610

oral/silent reading miscues, 2nd/4th/6th graders; post hoc psycholinguistic analysis; 9008050

parameter fixation conceptualization attempt, domain-specific learning explicit model; grammar ontogeny problem; 9000013

Pateman, T., Language in Mind and Language in Society: Studies in Linguistic Reproduction reviewed; 9002452

pedolinguistics emergence, Brno; interdisciplinary science's principal research directions; 9002559

perceived reality, quantum aspects; perception's active/creative role reconsidered; 9000008

personality terminology classification, five-factor model reliability;

personality-descriptive terms taxonomy, Dutch nouns, CELEX database; experiments; psychology students/psychologists/ undergraduates; 9007361

phonetic/semantic activation, picture-/word-naming tasks; 9000094 phonological knowledge/generalization learning relationship characterization, phonologically disordered children; 9002594

prehistoric man's intellectual development/technological innovations interaction, language origin new perspective; 9000017

preliterate thought characteristics, oral cultures expression/child language; post-literate thought/mental process characteristics contrasted; 9000021

pretend play, modeling effects; action/language-based expressions changes; children aged 2.6-3.6; 9002526

pronominal occupation reflection, pronominal resolution cognitive mechanism; 9004948

propositional logic, D. Sperber's/D. Wilson's "Précis of Relevance: Communication and Cognition" reviewed; response; 9004962

psycholinguistic abilities/nonfluency patterns, stutterer/languageimpaired child/nonstutterer aged 3:8-3:9; initial follow-up conversations; 9007273

psycholinguistics' "pragmatic turn," problems/perspectives; 9000004 psycholinguistics, Yugoslavia; discipline history/present status; 9004928

psychological verbs, "inaccusativity" property designation, Dutch material; 9008797

psychology contributions, language sciences; 9000005

reading ability, related cognitive skills, individual differences, deaf students aged 16-19; 9002308

recoding/presentation format effects, recency/suffix effects; M. A. Shand's/E. S. Klima's hypothesis tested; American Sign Language stimuli, normal-hearing subjects; 9005062

recognition units, single-/two-kanji-compound words, lexical access; priming effects; 9002586

reduplicated/variegated babbling, phonetic complexity evaluation; quantitative analysis; infants aged 0:6-0:8; 9005037

relations naming, lexical/conceptual factors; 9002460

response time theory development attempt, observed phenomena description, judgment connection; 9005047

Reynell Developmental Language Scales, subscales' discriminant predictive validity; 9009864

rhyming performance deficits, callosal agenesis children; brain organization/lateralization implications; 9002619

right-hemisphere advantage, lexical decision tasks; two-character Chinese words/nonwords tachistoscopically presented; 9002609

rudimentary second-language exposure/pre-reading disposition/ metalinguistic aptitude, cognitive relationships; Spanish kindergartners/1st graders; 9002458

Russian color terms salience; W. F. Battig's/W. F. Montague's method; native speakers; 9001746

schizophrenic patients' language, verbal expression/cognitive processes; 9004877

script actions recall, relevance/detail expectancy effects/roles; 9002576

Searle, J. R., Minds, Brains, and Programs reviewed; response; 9004932

second-language acquisition research, linguistic/psychological traditions, sequence/growth models; 9005397

second-language acquisition, personality factor, female-learners' difficulties; F. Reimann's typology; 9005464

second-language discourse analysis, utterance as potential base unit, psycholinguistic/practical grounds; 9007756

second-language learning, collective activity use, psycholingustic rationale; 9000406

second-language learning, input acquisition description methods; 9003017

second-language learning, learner's personality change effect; psycholinguistic remarks; 9002999

second-language learning, motivation role, psycholinguisticsociolinguistic approach; 9005263

selective access, cued recall; retrieval cues/encoding domains roles; 9002578

semantic classification, philosophical approaches; language-teaching implications; 9004970

semantic illusion phenomenon; semantic relatedness effect; inaccurate name statements; undergraduates; 9007392

semantic memory enhanced activation; generation effect, word vs nonword rehearsal frequency effects; 9002566

semantic priming skills, multiple sclerosis patients; 9007379 semantic processing, centrally masked binocularly presented words; 9004982

9004982 sentence frames, content/structure dissociation; 9004964

sentence word order, emotion effect; G. E. Osgood's motivation effect hypothesis; picture description task; Slovenian undergraduates; 9004927

sentence, recognition memory, single unit vs simple elements series status; experiments; 9007457

serial recall, stimulus suffix effect, positional uncertainty; 9000103 short-term memory rehearsal development, pictorial vs spoken stimuli; children aged 6-8/10-11; 9005058

signed/spoken language patterning duality, psychological perspective; 9004607

single word processing, positron emission tomographic studies; subjects aged 18-49; 9005094

situational psycholinguistic semantics, K. Bühler's/P. Wegener's language/meaning conception; 9008859

socio-cultural linguistics; C. E. Osgood's selected papers; 9006988 Soviet psycholinguistics history, A. A. Leont'ev's speech action theory development/elaboration; 9007360

space orientation/movement direction, linguistic representation, Viet-namese peculiarities, Vietnamese-Russian comparison; 9004925

space perception, psychological models survey; D. Marr's computational model; 9002424

spatial locatives in front of/behind, deictic/nondeictic interpretations; 5-/6-/9-/10-year-olds; 9007405

spatial relations reasoning, spatial inference model tested, model-based theory supported; adults; 9000097

speaker's emotional state recognition, listener's cognitive profile; pic-ture interpretation test; Russian undergraduates; 9004926

speaker's individual/personal peculiarities expression, text levels analysis; 9004929

speech accommodation theory, speakers' convergence/divergence strategies, statistical/dynamic interpretation; 9009357

speech acts identification, contextual/linguistic information use; answer obviousness rule tested; adults; 9004963

speech errors analysis, psycholinguistic investigations tool, mental processes insights; 9000003

speech production process, modular organization; 9000006 speech/speech-like acts natural logic, unified categorization system; developmental data; retarded/normal children; 9005027

spelling, grapheme-phoneme correspondence rules/word-specific mem-ory interaction theory proposed; 9002574

spoken language ontogeny, genetic factors, mono-/dizygotic twins evidence; 9000075

spoken/written sentence comprehension, phonological short-term memory store role; G. Vallar's/A. D. Baddeley's approach/ conclusions questioned; reply; 9000034

spontaneous speech, temporal/syntactic/lexical form differences, Alzheimer's/Huntington's/Parkinson's disease patients; 9002607 subject/object relative clause processing, verb-object/object-verb languages; comprehension tests; adult English/Spanish/Basque second-language learners; 9007377

successive cyclicity, grammar/parser; self-paced reading, end-of-sentence acceptability judgment tasks; 9000031

synesthetic experience consistency degree, vowels vs consonants; synesthetes vs nonsynesthetes; 9002590

syntactic categories learning, structured input use; natural language coherence appropriate use, learning process guidance/facilitation; 9000010

target letters selective identification, target/noise letters size effects; C. W. Eriksen's/J. E. Schultz's assertion supported; 9002592

target words recognition/recall, identical targets/cues; 9005059 task-based conversational interaction, first-/second-language dyadic problem-solving activity, Vygotskyan psycholinguistic theory; native/nonnative English speakers; 9002008

telecommunication, psychological studies, sender/medium/receiver re-lationship; new/ecological approach; 9004441

tense variability, verb fluency microstructure; M. Yela's three-dimensional structure; high school students aged 15-20; 9004950 text coherence, linguistic/psychological/computer science perspectives;

text comprehension monitoring activities, processing variables effects; 9002581

text evaluation/revision skills developmental differences, difficulty sources; 4th/6th graders; 9002483

text retention/comprehension, contributing/influential factors; text features analysis; 9002591

text-based materials recall facilitation, organizational word visuals use; 9002593

texts' coherence relations, readers' identification; M. A. K. Halliday's/ R. Hasan's account criticized; psycholinguistic approach possibilities; 9001357

time-sharing paradigm reassessment, standard ANOVA/ANCOVA procedures use; 9000138

transfer/interference problems, second-language/translation teaching perspective; psycholinguistic/sociolinguistic literature survey; 9007609

verb phrase development, perfective marking, Standard English/ Trinidad Creole; audiotaped recordings; Trinidadian children;

verbal reasoning analysis; conclusion acceptance, syllogism pattern/ verbal content effects; 9002477

verbal utterances/reality pattern relationship, ill persons; law-like knowledge acquisition necessity; interview techniques; 9004869 verbal vs figural display memory, coded representations, kanji/kana/figures; dual-coding model reference; 9002563

Vietnamese spatial relations, linguistic expression; 9000007 vision-action route impairment, right-handed unimanually apraxic pa-

tient; 9000136 visual thinking facilitation, computers use; 9002457

visual/verbal communication, various message forms, language model; 9002435

word identification facilitation, episodic information involvement; non-analytic generalization model; 9002573

word naming, frequency/lexical access roles; 9002579

word reading, Stroop-like interference components; 9005675

word recognition process, children's "automatic" context use; 9002535 word recognition, word-/sentence-level contexts effects; Italian under-graduates; 9005050

word repetition strength/duration, stimulus repetition/spacing effects; adults; 9005049

word retrieval, incidental memory; elaboration; recall/recognition tasks; undergraduates; 9007467

word/picture interference effects, free recall; 9005048

written/oral expression improvement, visual statements deconstructing; 9002445

## **Psychotic Disorders**

bizarre/intermingled speech, impaired self-monitoring relationship; psychiatric patients; 9004791

body/language interaction, failing symbolization manifestation, schizo-

coherence, psychotic discourse; interviews; 9009836

computer-assisted linguistic analysis, mentally retarded psychotic fe-males' texts; 9004856

paranoid schizophrenics' linguistic devices use, speech fragments, structured interviews; neologisms' source; 9004866

psychotic adolescent's/mother's discourse, linguistic manifestations; 9002013

schizophrenic communication disorders, incomplete cerebral lateralization role; 9004872

schizophrenic communication features, delusions/auditory hallucina-tions; cerebral lateralization relevance; 9004873

schizophrenic communication/cognition; Communication & Cognition 20th Anniversary Conference introduction, 1987; 9004871

schizophrenic speech acts, meaning/interpretation relation, form/ content/function; therapist-schizophrenic patients interaction; 9004864

schizophrenic speech characteristics, neuropsychological theories alternative model, frontal lobe dysfunction; error analysis, confrontation naming task; 9004862

schizophrenic speech investigation, cognitive/communicative approaches; 9004868

schizophrenic thought disorder, communication failure, semantic-level incoherence, private speech formal characteristics; speech samples; 9004874

schizophrenics' electroencephalogram P300 component abnormalities, psychological intervention possible effects; 9002389

verbal utterances/reality pattern relationship, ill persons; law-like knowledge acquisition necessity; interview techniques; 9004869 **Public Speaking** 

public oratory, conversational aspects, call-response relationship; M. L. King's "I Have a Dream" speech; 9001282 self-reference use, specific identification contexts, political debate;

9008714

## Punctuation

automatic text processing, hyphen use, Russian material; 9001743 comma's distinctive function, sentences; judgment/orthographic tasks; children aged 8-9/10/11-12/14-15/17; 9001032

English/Romance languages improper/proper apostrophe uses;

German comma placement, clarification rules proposed; nativelanguage teaching implications; 9004370

German comma usage rules, methodology proposed; 9004356 German comma use rules, separating/inclusive comma; Duden rules modification; 9004372

German orthography, in-word capital I origin/diffusion; orthographic problems/advantages; 9004376 indigenous writers, self-editing training courses; 9005103

modern French poetry, punctuation omission, line division employ-ment; 9007059

Old Kajkavian texts transcription, modern Croatian orthography; punctuation role, transcription principles/rules; 9006883 punctuation marks use/distribution, kindergartners; 9000789 punctuation marks/connectors use, 2nd graders; 9000778
Williams, W. C., poetry's sound/punctuation patterns; 9002135

Quantification

aphasic speech production, quantification system development/possible applications; 9002344

Chinese question words, existential quantifiers status; 9003756

Chinese relative scope, adults' vs children's sentence interpretation, universal/existential quantifiers; 9002492

Chinese scope ambiguity, quantifier distribution constraints, linear or-der-thematic hierarchy principles involvement; 9008542

conversational charactristics, semantic-pragmatic-disordered children; quantification method reliability/validity; 9007232

Daishan (Chinese)/Mende (Niger-Kongo) tone spreading, autoseg-metal representation, acoustic phonetics viewpoint; 9003573

Dupin, L., political poster's intellectual/emotive impact; semiological study; 9009634 Dutch positive/negative polar expressions, semantic division, nominal

constituents combinability basis; 9008526 English bare noun phrases in direct object position, quantificational

interpretations; 9008806 English imperative construction, government-binding perspective;

9001387 English third-person pronouns function, unified treatments review;

English/French tensed sentences/infinitives compared, surface differ-

ences; 9001451

English/Romanian syntax, gradual evaluation realization, quantifier phrase structure; comparative analysis; 9009055

French quantifying adverbials, temporal semantics-generalized quanti-fier theory analysis; 9008515

German/Swedish adnominal determinative elements, semanticsyntactic category description/comparison; 9008514

Grimm brothers' stories revision evidence, emotional tone scores levels/patterns comparison; J. M. Ellis's theory supported; 9004587

logical form, adequate syntax theory/semantic interpretation properties; quantificational interpretation, symmetrical theory; 9001439

Moore (Niger-Kongo) nominal suffixes, classifying/quantifying func-tions pluralism name; verbal quantification parallels; 9006218 natural language semantics, meaning theory, grammar role; 9008552

numerically quantified sentences interpretation, semantic/pragmatic components, theoretical strategies; 9001148

plurality quantification, generalized quantifiers interpretation rejected; 9008603

polyadic quantifiers, natural language; standard unary reduction, Fregean style; 9001468

quantification, G. Frege's syntactic categorization problematic nature; constructivist framework, P. Martin-Löf's type theory adapted version; 9002252

quantification, null operator constructions, government-binding theo-ry/logical form representation framework; N. Chomsky's analysis reviewed; 9001405

quantified noun phrases, surface differences, Standard Italian, Genoese/French; government-binding theory framework; 9008380 quantifier absorption, semantic analysis; 9008582

Romanian clitic doubling/wh-movement/quantification, governmentbinding theory revisions; 9008781

Spanish exclamatory structure comparison, explicit quantifier presence vs no quantifier; syntacto-semantic characteristics; 9001119

Standard Japanese distributional data, computerized multidimensional analysis methods; tentative quantificational dialect division; 9001790 structural distance notion, R. van Hout's/H. Münstermann's concept evaluation, parameters/applicability; 9004190

temporal reference, natural language; H. Kamp's discourse representa-tion theory supported, Dutch evidence; 9001165

interpretation, charity principle, empirical basis; 9007125 radical translation situation, W. V. O. Quine's thesis rejected;

Rating Scale

conversational behavior, semantic-pragmatic-disordered children aged 8-12; inappropriate utterances characterization; 9007238

dialect attitude, listener's sex/origin effects; matched guise technique, personality traits rating; West German 10th graders; 9006764

English family names, Bulgarian transcription; Reeves/Tomkins, final s vs z; aesthetic acceptability ratings; 9006875

French nonstandard vocabulary, speakers' perceptions; questionnaire;

Italian as a second language teaching materials, pedagogical gram-mars evaluation guidelines/rating form; 9005278

Nigerian media language, Second Republic period; young/old Nigerians' perception, "foreignness" vs "Nigerianness"; 9002031 simultaneous interpretation qualities rating, content-/prosody-related features; Bulgarian interpreters; 9005867

stutterers'/nonstutterers' fluent/disfluent speech segments evaluation; videotaped speech segments, stutterers'/speech pathologists'/naïve college students' ratings; 9009787

US English varieties' correctness/pleasantness perception/rating; males vs females; southern Indiana residents; 9006772

Readability

basal readers workbooks' readability/format/directions/objectives; preprimer-eighth levels; 9005645

college textbooks' readability levels effects, students' academic performance; 9003288

Dutch as a second language instruction, self-reading authentic material design criteria; text's affective factors, syntactic/lexical complexity; 9000271

Dutch boxed vs unboxed (chained) constructions readability/ comprehension; question answering time, central element's attention value; undergraduates; 9005688

English as a second language content area texts readibility, Malawi; 9000217

English texts' readability assessment; Austrian pupils; 9008012 foreign-language learners' reading development, theoretical issues

French reading instruction; Brrazilian students aged 10-15; 9005280 German/Turkish children's scholastic performance, German chemistry textbook comprehension/readability; Berlin high school students;

IBM PC user's manual readability/comprehensibility, French version's significant potential problems; 9001727

readability assessment, discourse-based approach; 9005642

readability formula development, novels' stylistic age basis; 9005634 readability level differences discrimination, single sentence stem test items, Homan-Hewitt Readability Formula validity; 9005715

reading instruction strategies restructuring, unstructured basal stories; 9000481

science textbooks'/standardized tests' content comparability/ readability; 9003276

standard reading achievement test critically analyzed, Bormuth Mean Cloze Readability Formula basis; Metropolitan Achievement Test compared; 9005711

syntactic simplification effect, English for science/technology texts, native/nonnative speakers' comprehension; 9005354

technical paragraphs, readability improvement; 9008142

translations' stylistic acceptability, two contemporary Finnish translations compared, L. Frank Baum's *The Wizard of Oz*; 9005901 voting behavior, simulated state question ballots readability effects;

Reading Ability

Braille prose reading, articulatory suppression; 9008054 deaf students' reading vocabulary increase, fingerspelling method; 9002182

educational process, interrelating variables interaction, sociolinguistic model; 9009500

lationship, French immersion/English programs children; 1st graders; 9002538 English reading/spelling/internal words structure analysis abilities re-

immediate factual learning performance; pre-/post-/adjunct questions; experiments; profoundly deaf postsecondary students; 9009735

infinitival complements, children's knowledge; story completion/actout comprehension/grammaticality judgment tasks; 3- to 5-year-olds; 9007408

precocious readers, early elementary grades; longitudinal study; 9005691

reading ability, related cognitive skills, individual differences, deaf stu-dents aged 16-19; 9002308

reading ability/attitude; children's home/school book reading; stu-dent/parent interviews, observations; 9007835

reading ability/text type/response task effects, college freshmen's main idea conceptions; 9000704

reading disabilities incidence/characteristics, Japan; reading ability/intelligence tests; 5th graders; 9002363

reading extensiveness/written composition improvement relationship; Nelson-Denny Reading Test, Forms E/F; 9th-/12th-grade students;

reading fluency, role redefinition; 9007956

reading instruction, direct vs facilitating methods effects, gifted students' creative reading ability; 5th graders; 9000627 reading skills expectation vs ability; Nelson Denny Reading test vs

student responses; junior college students; 9003212

reading skills/grammaticality judgments, 2nd graders; sentence-level knowledge/reading disability association; 9002360

reading, pleasure vs utilitarian purposes, dualistic social implications; 9003204

residual reading ability, deeply dyslexic patient; 9007492

silent reading rates/grade level correlation; Carver/Taylor/Nelson-Denny/NAEP data sources; students grades 1-18; 9005533

texts' phrase boundaries, adult readers' sensitivity; reading ability/text difficulty interaction; good vs poor college-aged readers; 9003332 voluntary summer reading behavior; survey/reading log/parent interviews; 10-/11-/12-year-olds; 9008052

Reading Achievement

average/low-average 2nd graders' reading achievement; phonics reading program; 9007924

beginning reading instruction, whole language/language experience vs basal reader approaches; 9000645

beginning reading, metalinguistic abilities role; 1st graders; longitudinal study; 9000654

children's reading achievement, grouping/parental participation effects; case studies; 9005552

children's reading skills/TV viewing relationship, research reviewed;

cognitive/auditory memory abilities, higher vs lower reading achieve-ment gifted children; 9003313

DISTAR vs traditional basal reading program use effectiveness, learning-disabled students' reading achievement; 9004838

gifted readers' learning styles/cognitive characteristics definition importance, effective reading program development, regular classrooms: 9000631

integrated reading/language arts curriculum, comprehensive evalua-tion; low-achieving children's experiences emphasized, primary classrooms; 9000588

language/reading skills improvement, shared story reading/total communication use; multiply handicapped children; 9002390

listening comprehension as reading gains predictor; 1st-8th graders; 9003137

oral reading, reading/literacy development classrooms; adult poor readers' positive/negative memories/current reading achievement correlation; 9000499

Preschool Reading Experience Program effects, 4-/5-year-olds' attitudes/prereading skills; 9005523

rapid reading ability improvement, skimming/scanning/behaviorchanging skills acquisition effects; 9000648

reading ability assessment, words/letters attention shifts; 9003322 reading ability/writing fluency link evidence; students aged 6-7;

reading achievement assessment importance, effective diagnostic teaching implementation; 9005722

reading achievement evaluation, Cuban schools; existing literature, of-ficial documents, interviews, direct observation; 9000591

reading achievement growth comparison, learning-disabled/low-achievement readers; 3rd-6th graders; 9000730

reading achievement potential, at-risk 1st-3rd graders; contrasted tra-ditional/multi-sensory reading instruction groups; 9000646

reading achievement test performance, group size/examiner familiarity effects; junior high school remedial readers; 9000751

reading achievement, basal vs whole language approaches use; 1st graders; 9007917

reading achievement, boys vs girls, teachers' expectations effect; 9007950

reading achievement, Head Start participation effects; longitudinal study; kindergarten-6th grade; 9003191

reading achievement, kindergarten screening as predictor reliability/ validity; 9007842

reading achievement, phonics/reading comprehension/vocabulary achievement causal relationship; cross-lagged panel/path analysis; 2nd graders; 9007895

reading achievement, psychological processes/sex/cognitive processing reading treatment effects; 1st-3rd graders; 9003363

reading achievement, sex differences, recent research reviewed;

reading achievement, social factors/classroom interactional patterns effects, low-literate black adults; 9000522

reading achievement, success predictors, 1st graders; 9003186 reading achievement, transitional 1st grade attendees; SRA Achievement Test scores; Oklahoma 1st-4th graders; 9003239

reading achievement/birth order relationship; Metropolitan Achievement Test Scores; 7th/8th graders; 9005626

reading achievement/disability prediction, memory/naming speed use, IQ control methods effects; children aged 8-11; 9004826

reading achievement/hemispheric performance relationship, black vs caucasian 4th/5th graders; 9005653

reading achievement/metalinguistic awareness relationship, 1st/2nd graders; 9000694

reading achievement/self-concepts/reading attitudes; direct training in active comprehension; at-risk 6th graders; 9007977

reading achievement/television exposure relationship reexamined; 9000510

reading achievement; cost/demographic factors; Metropolitan Achievement Test-6 scores; 4th graders, Arkansas school districts; 9008088

reading achievement; cost/demographic variables; 4th graders, Arkansas; 9007999

reading achievement; whole language approach; standardized tests; differing scholastic ability/cognitive style intermediate-grade students; 9007856

reading amount/achievement relation; out-of-school activities survey; 5th graders; 9003060

reading attitude achievement relation, East Los Angeles junior high school; lower-class Hispanic vs talented/gifted 7th graders; 9005601 reading comprehension training/performance; 3rd/5th graders; 9000603

reading growth/time spent reading relationship; 5th-/6th-grade students; 9008070

reading instruction framework reconstruction/alteration, specific activities/differing learning styles relationship; 9003145

reading instruction programs comparison; 3rd/4th/5th graders; 9003114

reading instruction, gifted students; higher comprehension levels emphasis, appropriate vocabulary/literature development; 9000565

reading performance/IQ genetic correlations, Colorado Adoption Project data; standardized tests, multivariate path model application; 9007369 reading skills/academic self-concept improvement, home tutoring reading program effectiveness; poor readers aged 7-10; 9003098

reading/mathematics achievement/attitude, remedial 6-weeks summer school program effects; 4th-8th grade; 9003153

reading/writing achievement relationship extent, international students, university freshman composition course; 9008119

reading/writing achievement, complex syntactic structures production/comprehension relationships; undergraduates; 9003348

remedial English program effectiveness, achievement test scores analysis, university level; 9000549

standard reading achievement test critically analyzed, Bormuth Mean Cloze Readability Formula basis; Metropolitan Achievement Test compared; 9005711

compared; 9003/11 successful Navajo readers' sociocultural environments/home charac-teristics; 5th graders; 9003146 TV viewing/reading performance relationship, displacement hypothe-sis, framework; 9003070

verbal coding deficits, learning-disabled readers; multiple-stage model;

9004854 verbal/visual literacy, symbiotic relationship, student achievement fa-cilitation; 9003122

visual perception deficits/learning disability relationship; letter-like forms task; learning-disabled/normal children, aged 6-7; 9009808 visual processing tests, hearing-impaired students' performance; reading performance relationship; 9007220

Reading Aids for the Blind

adult Braille instruction, Finnish Central Federation of the Visually Handicapped; 9007914

blind newspaper readers, computer voice synthesizer use; experiment; 9009845

braille importance, blind persons' quality of life; 9005698

Braille learning, visual/haptic/bimodality conditions effects; 9002583 braille literacy decline causes, societal beliefs/misconceptions;

Braille prose reading, articulatory suppression; 9008054 embossed codes relative utility; braille, printed capital letters, Morse code; blindfolded sighted subjects; 9002568

literacy issues, legally blind learners; 9005690

Reading Comprehension

adult reading comprehension, expository text structure strategy, read-er-only vs reader-author instruction; 9000478

adults' reading attitudes, Adult Survey of Reading Attitudes test development; 9008065

beginning reading instruction, whole language/language experience vs basal reader approaches; 9000645

causal reasoning on-line assessment, comprehension process; 9003294 Chapter One/special edcuation literacy instruction evaluation; 2nd graders; 9009815

chemistry text comprehension/recall problem, excessive ideas; 9003279

child story comprehension/pragmatic awareness development/ correlation; age factor; Italian 4-/5-year-olds; 9005028

children's comprehension evaluation/regulation, reading ability effects; 6th graders; 9005705

cognitive/literacy development relationship; additive seriation, hierarchical classification, reading comprehension, literacy interview; 5th graders; 9005542

coherence as reader/text/situational context interaction, readers' interpreting/inferencing role; 9005670

comprehension instruction, elementary school teachers; observations, statistical comparison; 9008001

comprehension monitoring performance, text difficulty/error type effects; good vs poor 7th-grade readers; 9005681

comprehension monitoring, postresponse information role; retention tests; high school students; 9008069

comprehension monitoring/reading comprehension; text difficulty; average 5th-grade readers; 9008046

comprehension performance, average readers; summarization strategy, varied test patterns; 9th graders; 9008043

comprehension strategy instruction, recent studies' methodological adequacy; 9007934

comprehension/comprehension monitoring influence, teacher verbal modeling characteristics relative merits; 8th graders; 9003124

computer-presented text recall/comprehension, on-line learning aids use effects; 9005535

conceptual mapping strategies use, reading-disabled children's text information comprehension improvement; 9003129

content text comprehension; rewriting; 11th-grade students; 9007526 content-area comprehension facilitation, writing as essential/effective instrument evaluation; 11th graders; 9000578

context dependence, commercially prepared comprehension materials; 5th graders; 9000668

deaf adolescents' reading comprehension, hearing mothers' communication strategies/skills relationship; residential schools; 9007212

deaf children's reading ability/comprehension problems, interrogative/ declarative sentence distinction test; 9002314

direct narrative instruction effects, 8th graders' comprehension abilities; 9003084

disabled readers' metacomprehension ability development, expository text summarization training use; 9009826

Dutch as a second language instruction, self-reading authentic material design criteria; text's affective factors, syntactic/lexical complexity; 9000271

Dutch boxed vs unboxed (chained) constructions readability/ comprehension; question answering time, central element's attention value; undergraduates; 9005688

elaborative inferences, psychological theories; schema-theoretic comprehension notion implications; 9000740

elementary reading/writing instruction, comprehensive cooperative learning approach; 3rd/4th graders; 9000736

English as a foreign language advanced reading comprehension improvement, summarizing techniques vs short-answer questions; 9005151

English as a foreign language reading comprehension evaluation, narrative vs expository texts translation; 9007554

English as a foreign language reading comprehension, redundancy influence, coherent/cohesive properties; native Hebrew speakers; 9005710

English as a second language learners' reasoning ability measurement, TOEFL reading comprehension subtest validity; adults; 9000434

English as a second language reading, metacognitive strategy training; 9005167

English expository texts reading comprehension; rhetorical structures; native Chinese speakers; 9008035

English-language acquisition process, Comprehensible Input/Language Experience Approach use; 4th-6th graders; 9003183

error analysis use effectiveness, reading comprehension assessment, college freshmen; Applegate Reading Comprehension Test/Cooperative English Test, Reading Section composite scores; 9000743

expository prose comprehension, field independence/dependence, textprovided vs learner-generated summary effects; 9005693

expository structures comprehension improvement, questions into paragraphs (QuIP) writing strategy use; 9000597

expository text comprehension, previews effects; more vs less skilled 5th-grade readers; 9007939

expository text comprehension/recall, prior knowledge role; undergraduates; 9005699

expository text comprehension/retention, content-related attitude ef-

fects; Likert-scale questionnaire; pro-/antinuclear attitudes; 9003312

expository text comprehension/retention; reading strategy direct instruction; 7th-grade students; 9007967

expository text structure teaching/learning strategies; 9000616 factual/inferential comprehension, pre-instruction vs previous experience development effects; 5th/6th graders; 9003218

figurative language, severely/profoundly hearing-impaired children's comprehension; 9004729

fluent reading development, paired repeated reading classroom strategy; 9000579

foreign-language readers' expository prose recall/retention, top-level rhetorical structure effects; advanced placement Spanish students; 9000709

foreign-language reading comprehension testing, English-speaking students; methodological flaws, possible alternatives; 9000753

French as a foreign language reading, comprehension strategies role, direct instruction effectiveness; 9002791

French as a second language reading comprehension process, prior knowledge importance; students' schema approach use, instructional method; 9002710

French as a second language reading comprehension/word inference ability, explicit reading skills instruction strategy effects; undergraduates; 9000284

German as a second language instruction, Italian students; German texts reading, comprehension aids; 9000302

German as a second language reading skills instruction, East German universities' foreign undergraduates; 9002891

German majuscule/minuscule writing, syntactic function, text division/comprehension facilitation; 9004377

German-language/-literature instruction, text treatment/processing, cognitive model; 9000164

German/Turkish children's scholastic performance, German chemistry textbook comprehension/readability; Berlin high school students; 9000151

good vs poor readers' text comprehension, cuing conditions effects; 9003335

high school students' narrative passage retention/comprehension, schemata activation effects, different structural levels; 9003319

inference thinking, instructional strategy; 9000531

inference training, expository text, cloze use; 9005532 informational/attitudinal metadiscourse as glossing effects, compressional actions and the second sec

hension/decision-making practices, business setting; 9003328 instructional reading levels determination, 1986 Metropolitan Achievement Reading Comprehension Test vs basal reader placement tests'

ment Reading Comprehension Test vs basal reader placement tests' validity; 2nd/4th/6th graders; 9000756
intelligence/oral language/reading comprehension/written expression

intelligence/oral language/reading comprehension/written expression relationships, dyslexic vs nondyslexic 2nd-6th graders; 9003337 learning-disabled adolescents' content area text comprehension, adjunct questions dyadic use effects; 9004846

junct questions dyadic use effects; 9004846 linguistic/metalinguistic prerequisites, language-disordered children's reading/spelling ability development; 9007269

istening/reading comprehension measurement, sentence verification technique, developing countries; 9005714

listening/reading/writing comprehension facilitation, visual imagery strategy use; 9000542

literal/inferential reading comprehension, short story types effects; 10th-grade language arts students; 9005696

literal/inferential reading comprehension, various prereading activities effects; 5th graders; 9000480

literary text comprehension, foreign experiences processing; high school students' literary narrative reception analysis, cognitive processes; 9000711

literary text written interpretation, personal/formal modes; qualitative/elemental analysis; 10th graders' essays; 9005583

literary/expository texts comprehension, interactionist approach; high school/trade school students; 9003325

literature predictability, children's preferences/comprehension link; 3rd-8th graders; 9000582

main idea comprehension assessment, informal reading inventories suitability; 9005713

main idea comprehension, text effects; 4th/6th/11th graders; 9005669 meaning construction testing; meaning consensus criterion answer basis proposed, reading comprehension test relative meaning; 9000461 mediated learning/spontaneous comparison/categorization/reading comprehension, functional relationship; deaf children; 9003090

comprehension, functional relationship; deaf children; 9003090 mental imagery execises use, elementary comprehension instruction; 4-stage procedure; 9000538

metacognitive reading ability, preservice teachers; protocol examination; 9003105 metaphor interpretation instruction strategy, overcoming figurative language comprehension breakdown; 3rd graders; 9000623

metaphor performance; direct feedback/practice; pre-/posttests; learning-disabled children; 9009802

metaphorical language comprehension facilitation, proverb instruction use/effects; 4th-6th graders; 9000532

multicultural reading instruction, necessary schema establishment im-portance, advance organizer use; 9003166

music education, reading/writing/thinking skills integration; 9000528 narrative comprehension, causal structure effects; 9005702

narrative comprehension, story impression method; Degrees of Reading Power test; junior high school remedial reading students; 9007863

narrative prose comprehension/production/story grammar, learning-disabled vs normally achieving students; 9004842

narrative text comprehension processes, adults vs children; comparative study segmented auto-presentation method application; 9000702 oral rhetoric strategy, 17th-century pamphleteers; comprehension/ retention facilitation, mixed literate/illiterate audience; 9001340

"ownership of language experience" concept, comprehension process application; 9000553

paper/CRT modality factors effects, reading rate/comprehension; 8th graders; 9000503

problem-solving schemata, narrative vs expository text structures; comprehension facilitation strategies; 9000724

pronoun anaphor resolution ability, old vs young adults; 9007376 reading ability/textual structures instruction relationship; La Fon-taine's fables reading activity; fifth graders; 9008073

reading achievement, phonics/reading comprehension/vocabulary achievement causal relationship; cross-lagged panel/path analysis; 2nd graders; 9007895

reading achievement/self-concepts/reading attitudes; direct training in active comprehension; at-risk 6th graders; 9007977

reading comprehension ability assessment, domain-specific knowledge facilitative effects; low-achieving readers; 9005682

reading comprehension ability improvement, seatwork activities class-room implementation; 2nd grade; 9000636

reading comprehension assessment dilemmas; 9005721

reading comprehension assessment measures, studies' findings summa-rized; 9008078

reading comprehension assessment, standardized test/Illinois Inventory of Education Progress passages; retellings/semi-structured interviews vs multiple-choice test items scores; 9003362

reading comprehension conception, text content perception/ restructuring integration; 9000703

reading comprehension evaluation problems, theoretical framework in-adequacy; literature survey; 9000688

reading comprehension evaluation, error detection/verbal report measures; 9008090

reading comprehension improvement, cohesive ties use techniques; 9005521

reading comprehension improvement, expressive/analytical writing in-struction integration; undergraduates; 9000556 reading comprehension improvement, POSSE reciprocal teaching method, structured lession dialogue; 9003126

reading comprehension improvement; advance organizers; 4th graders; 9008061

reading comprehension increase, rereading activities; 9003255

reading comprehension instruction, alternative strategies/questions; R. G. Stauffer's Direct Reading-Thinking Activity; 9000607 reading comprehension instruction, character event mapping technique; 5th graders; 9005543

reading comprehension instruction, critical/creative readers development; 9003099

reading comprehension instruction, K-W-L/K-W-L Plus strategies' effectiveness; 9007936

reading comprehension instruction, main idea determination, goal setting purpose/effectiveness; 4th/5th graders; 9007969

reading comprehension instruction, pervasive attitudes, necessary changes; 9003251

reading comprehension instruction, sharing/extending activities; 9007974

reading comprehension instruction, story frames strategy, 1st-grade classroom; 9003112

reading comprehension instruction, story map use; 9007888

reading comprehension instruction, teacher-directed strategies, college level use; 9003180

reading comprehension instruction/post-reading discussions, teacher feedback; 3rd-6th graders; 9000604

reading comprehension levels; metacognitive strategy training; Hispanic college women; 9007930

reading comprehension monitoring strategies incorporation, basal reader instruction; 9000637

reading comprehension monitoring, grade level/text type effects; 3rd-6th graders; 9003333

reading comprehension monitoring; gifted 7th graders; 9003235

reading comprehension performance, 5th graders, listening/silent read-ing/round robin oral reading conditions; 9000589

reading comprehension performance, cultural schemata influence, able vs less-able English as a foreign language 12th graders, Thailand; 9000737

reading comprehension process, theoretical foundations, experiential factors; 9005667

reading comprehension processes described/compared, multiple choice/cloze tests/retellings/nonassessed reading task; 6th graders; 9005720

reading comprehension processing bottleneck hypothesis tested, dis-abled reader training program; 9003151

reading comprehension repair strategies, use/predicted use/use aware-ness relationship, methodologies' converging evidence; 9003306

reading comprehension skills/metacognitive reading skills/reading at-titude development, childhood-adulthood; longitudinal study; 9000734

reading comprehension strategies, process-oriented measures vs norm-/ criterion-referenced tests; 9000760

reading comprehension strategies, reciprocal teaching effects; 9000602 reading comprehension strategy, subject-area lessons use, cognitive learning theories/research basis; 9003230

reading comprehension test items, discourse analysis; English/ Japanese subtests, Japan university entrance exam; writers /readers' perspectives; 9000748

reading comprehension testing, listening as alternative method; oral reading styles effects; high school students; 9003359

reading comprehension testing, multiple-choice format questioned; 9008081

reading comprehension tests' inappropriate penalization, poor shortterm memory readers; 7th graders; 9003361

reading comprehension, adequate sight vocabulary development goals; 9003249

reading comprehension, causal network representation as psychologically valid analysis supported; 9005701

reading comprehension, causal reasoning, process model; 9005662 reading comprehension, component subskills isolation; reading/ spelling/information-processing speed tests; German 2nd graders; 9005692

reading comprehension, direct instruction strategies use, learning-disabled students; 9004851

reading comprehension, expository prose, structural (signaling) cues effects; research reviewed; 9003344

reading comprehension, expository text structure training effect; 9th graders; 9003213

reading comprehension, first- vs second-language prose; national culture interaction/effect; Nigerian 7th graders; 9000717

reading comprehension, first/second language covariation; reading tests; Japanese-speaking English as a foreign language students; 9007786

reading comprehension, informational text pattern influences; college developmental readers; 9003148

reading comprehension, interactive video instructional system material, forced pauses effect; undergraduates; 9000733

reading comprehension, intervention assessment, disabled readers; 9000752

reading comprehension, lawyers'/law professors' metacognitive strategies, comprehension instruction, legal experts/novices; 9000722

reading comprehension, machine metaphor applicability; schematheoretic models/alternatives; 9000492

reading comprehension, multiple-choice test-taking strategies; native Hebrew-speaking 10th graders; 9005484

reading comprehension, prior knowledge/advance organizers relation-ship; children aged 7:1-10:0/7:4-9:11; 9005622

reading comprehension, procedural facilitations effects; 5th-/6th-grade poor readers; 9003315

reading comprehension, reading management system effects; 3rd graders; 9003111

reading comprehension, recent research, first/second languages; foreign-language instruction implications, curriculum development suggestions; 9000651

reading comprehension, schema-related strategies effects; 8th graders; 9005577

reading comprehension, semantic/syntactic complexity effects, learning-disabled 7th/8th/9th graders; 9002354

reading comprehension, student-generated paragraph summaries effects; 7th/8th graders; 9005656

reading comprehension, systemic-functional language model; 9008038 reading comprehension, traditional vs contemporary views/definitions;

reading comprehension/classroom performance, selected teaching methods' effects; personalized instruction system's written compo-

reading comprehension/composition/speaking/listening skills, wholistic reading technique effects; 6th/8th graders; 9007885

reading comprehension/ideational prominence, expository prose; earlier study replicated; 9005045

reading comprehension/learning strategies activation/development, co-operative learning use; 9003243

reading comprehension/"athematical problem-solving performance, print size adjustment effects; 1st-3rd graders; 9003308

reading comprehension/memory, individual differences; 9000115 reading comprehension/recall improvement, retelling strategy use; 9003162

reading comprehension/recall strengthening, recitation principle, teaching strategies; 9000621

reading comprehension/recall; prior knowledge, content-related attitude; written free recall/multiple choice tests; 6th graders; 9007918 reading comprehension/self-concept improvement, Gestalt Educational

Therapy effectiveness; intermediate grade students; 9005538 reading comprehension/text recall, research-supported effective strategies, direct-explanation approach emphasized; 9000618

reading comprehension/topical interests relationship, below-average reading 3rd-6th graders; 9008044

reading comprehension/vocabulary/attitude, repeated readings methods' effects; 5th-/6th-grade middle school students; 9003078

reading comprehension/word recognition ability, specific reading in-struction techniques effects; 1st graders; 9003234

reading comprehension/word recognition/metacognitive performance relationship; 4th graders; 9000697

reading comprehension/writing performance, mapping strategies effects; 9003330

reading comprehension; logical language training; 4th/5th graders; 9007979

reading comprehension; signaling effects; 9008066

reading difficulty indicators, oral reading accuracy/comprehension validity; instructional-/frustration-range performance; functionally illiterate adults; 9000464

reading disabilities identification, listening/reading discrepancy scores use; learning-disabled vs normal 4th-6th graders; 9004853

reading extensiveness/written composition improvement relationship; Nelson-Denny Reading Test, Forms E/F; 9th-/12th-grade students;

reading fluency/comprehension, repeated reading effects; 2nd-grade transitional readers; 9000700

reading instruction basalization, US; reading comprehension misconception; 9005559

reading instruction improvement, responsive elaboration use; 2nd-/3rd-/5th-grade teachers; 9000524

reading instruction, computer program use, reading comprehension improvement; 9003117

reading instruction, gifted students; higher comprehension levels em-phasis, appropriate vocabulary/literature development; 9000565 reading instruction, second-language teaching; 9005183

reading performance measures, computer-mediated text system, self-questioning use; 3rd graders; 9003175

reading performance, mildly educationally handicapped vs learning disabled children aged 12-15; 9009806

reading process, full graphemic cues use/spelling ability relationship; 5th graders; 9000689

reading rate/comprehension, repeated readings vs segmenting written texts instructional methods effects; below grade level 4th-/5th-grade readers; 9003237

reading research, cohesion/coherence approaches conflict, theoretical differences; 9005548

reading tactics/aims correlation, psycholinguistic-pragmatic occur-rences; English texts, Brazilian science students; 9005686

reading-writing connection development activity, remedial readers; an-alytical discussions, developmental writing exercises; 9005602

reading-writing improvement, text organization direct instruction effects; high school students, Mérida, Venezuela; 9003089

reading/comprehension deficiencies remediation, reasoning guide use; undergraduates; 9000489

reading/reading comprehension, oral tradition/parenting skill influential role; low-income families; 9000491

remedial readers' comprehension problems, helpful strategies/ activities; 9008062

remedial reading instruction, computer networking system/guided practice effectiveness; middle-school students; 9005551

Russian as a second language instruction, reading/listening comprehension teaching methodology; colloquium report, Potsdam, 1988; 9002804

second-/foreign-language reading processes, psycholinguistic model; 9007780

second-language instruction, reading/comprehension models/approaches; literature survey; 9007594

second-language learners' reading strategies use, reading comprehension tests versus academic reading task; Spanish-speaking English as a second language learners; 9005708

second-language reading comprehension, English scientific/popular science texts, Russian students; comprehension process facilitating factors; 9003326

second-language reading instruction, metacognitive awareness strategies; beginning-advanced English as a second language Spanish speakers/Spanish as a second language English speakers; 9000396 second-language reading instruction, reading ability development didactic factors, drills; 9002802

semantic/structural information/constraints integration, reading process, information integration theory/functional measurement basis; high school students; 9003352

sensory experiences effect, 9th graders' understanding, selected poem's figurative language; 9000167

sentence sequencing/coherence relationship, written academic dis-course; sentence order reconstruction task; Botswana students;

silent reading comprehension, 4th graders' self-monitoring; 9003299 simultaneous/sequential processing scores, reading comprehension re-lationship; 4th/5th/6th graders; 9000584

specialized language teaching, reading comprehension development; 9007698

standardized reading comprehension performance, reciprocal teaching benefits; 4th-/7th-grade students; 9007935

story comprehension improvement, below average readers; story imessions writing activity, narrative texts reading preparation;

story grammar comprehension strategy effects, low-performing stu-dents' short-story comprehension ability; 9th/10th graders; 9000517

story grammar/interestingness effects, children's narrative recall/ preference, standardized reading comprehension tests; 1st/2nd grad-ers; 9003364

story writing ability/reading comprehension, simplified story schema effect; good/poor 6th-grade readers; 9003431

summary writing effects, American/English as a second language university freshmen's reading comprehension: 9000566

syntactic comprehension difficulties source, young poor readers; 2nd graders; 9002378

syntactic simplification effect, English for science/technology texts, native/nonnative speakers' comprehension; 9005354

teacher-directed/student-mediated textbook comprehension strategies;

technical expository prose comprehension, headings/previews/logical connectives effects; sophisticated college-level readers; 9000735 technical texts' "substitution" verbs, German for special purposes students' reading comprehension; 9007618

temporal terms before/after comprehension, good vs poor 2nd-grade readers; 9000723

Test of English as a Foreign Language, multiple-choice cloze items re-

lation; reading comprehension/grammar knowledge distinction; text comprehensibility, contributing factors; 9006306

text comprehension ability/self-monitoring process correlation; reading experiment; Japanese 4th/6th graders; 9008056 text comprehension enhancement, D. Durkin's ideas/cognitive science

field developments; 9005604 text comprehension monitoring activities, processing variables effects;

9002581 text comprehension, 4th-6th graders self-evaluation ability, three standards use; 9008075

text comprehension, illustrations effect; Arabic-speaking 5th graders;

text comprehension, inference role; 9008059

text comprehension, inference role; age/knowledge differences; causation descriptions; kindergartners, 1st/2nd/3rd graders; 9007398 text comprehension, oral/silent reading influence; 6th graders;

text comprehension, prior knowledge/interactive/constructive process-

es role, content vs formal schemata influence; 9003297

text comprehension, unfamiliar text, prior knowledge/difficult vocabulary interaction/effect; 6th graders; 9005070

text comprehension/strategy transfer, reading guides differential effects; 11th graders; 9000484

text information rearrangement, creative graphing process; reading comprehension benefits; 9003158

text material content comprehension, audiotaped versions effects; 7th graders; 9000649

text reading/comprehension processes, field dependence/reading suc-cess relationship; Group Embedded Figures Test/Nelson Denny Reading Test; college students; 9008025

text recall/comprehension, reading goals effects; 9003346

text structure schema differences, Filipino freshmen college students' reading comprehension; 9000692

text-comprehension process modeling, cognitive perspective shortcom-ings; concept/predicate/knowledge notions ambiguity; 9000026 textbook comprehension, text structure strategy acquisition/

effectiveness; 9007851

thinking skills absence, evaluation process as cause; 9000535

tree diagram effects, students' comprehension, multiple-theme expository text's main ideas; 9005668

vocabulary recall/comprehension, keyword learning method effects; learning-disabled adolescents; 9004841

voluntary summer reading behavior; survey/reading log/parent interviews; 10-/11-/12-year-olds; 9008052

word knowledge/content area text comprehension; preteaching vocab-ulary, vocabulary/comprehension measures; freshmen; 9007942

word recognition/spelling ability variance, orthographic processing ability explanation; 9008067

written spatial descriptions, comprehension/recall processes; experiments; undergraduates; 9007450

eading Deficiency

able/disabled readers' performance, intra-/inter-modal haptic/visual processing tasks; elementary school grades; 9003318

abstract letter identification, developmentally dyslexic children; 9009805

adolescent dyslexic boys' naming ability/oral fluency; spoken vs writ-ten work, teacher awareness importance; 9002381

adult basic education recruitment/retention, research review/synthesis, success factors; English speakers aged 17+; 9000486

adult learners' reading/writing acquisition, "literacy continuum" stages; case study; 9000536

adult literacy intergenerational project, family intervention/prevention model; low-reading-skilled adults; 9000608

adult poor readers' inference generation ability, content/structure clues effects; 9000699

adult readers' code use assessment, nominal matches; visual processor module; experiments; 9008026

anomalous binaural coordination, dyslexic/nondisabled dextral boys aged 9-14; 9002362

assisted reading efficacy, reading success facilitation strategy, adult disabled readers; 9003241

at-risk readers' comprehension improvement, four Chapter 1 teachers' successes/problems, 4th-6th grade; 9009823

basal readers' introduced vocabulary words increase, necessary instructional adjustments; 9005643

Chapter One/special edcuation literacy instruction evaluation; 2nd graders; 9009815

children's literature use, remedial readers' self-image improvement;

children's spoken/written language, impairments/delays types/causes; 9002328

cognitive processing rates, assessment, disabled/normal reading young adults; 9008079

component reading/spelling/language processes familial resemblance, dyslexics subgroups; 9004855

computer-assisted reading instruction, learning-disabled students; 9003128

computer-assisted reading instruction, reading-disabled students; psy-chological/intellectual/procedural needs identification, "whole lan-guage" software packages use; 9000658

computer-assisted reading instruction, remedial readers' motivation improvement; junior high school students; 9005539

conceptual mapping strategies use, reading-disabled children's text in-formation comprehension improvement; 9003129

content study skills application, co-listed reading classroom; 8th-grade remedial reading students; 9007887

decoding ability prediction, phonological awareness tasks role; reading-disabled/normally reading 3rd-/4th-grade males; 9007307

decoding strategies comparison, dysphonetic dyslexic children aged 10-13: 9002361

decoding training use, older reading-deficient students; discrediting arguments refuted; 9000586

deep dyslexia, semantic paralexis symptom possible origin; K. A. No-lan's/A. Caramazza's dual-deficit model supported; 9005088

developmental dyslexia, distributed interactive model; 9004830 developmental dyslexia, literature review, cognitive psychological framework; 9007306

developmental reading disabilities cause variables, reading-level-/ chronological-age-match designs use; 9008084

direct instruction program effectiveness, "hard to teach" students;

direct instruction/process writing/time on task observations, elementa-ry/junior high school classrooms; 9003402

disabled readers' metacomprehension ability development, expository text summarization training use; 9009826

disabled readers' phonetic/semantic deficits distinction; 8th graders; 9002367

disabled readers' spontaneous correction behavior, self-correction strategies, word-level comprehension improvement priority; 4th graders; 9009809

disabled readers, computer-based text impact, hypermedia systems de-velopment/use; 9009804

dyslexia causes/characteristics, simplified spelling use; 9004837 dyslexia research, skill automatization/conscious compensation hy-

pothesis evaluated; dyslexic children aged 12-13; 9007309 dyslexia treatment, tinted glasses use; 9002383

dyslexia, coherent conception establishment difficulties, cognitive hypotheses development demonstrated; 9002380

dyslexia, lateralization/space structuration relationship; normal vs dys-lexic children aged 10-12; 9007297

dyslexia, recent investigations/directions; possible causes/diagnosis/ remediation, conflicting theories; 9002370

dyslexia/other reading disabilities qualitative differences, criteria development difficulties; 9002353

dyslexic readers' object-naming deficits; children aged 8-10; 9002379 dyslexic students' learning difficulties, teachers' identification/ teaching methods; 9009818

dyslexic subtypes, developmental model/perspective application; 9002371

dyslexic/learning-disabled students, Dartmouth College; successful instructional methods/services, accommodations; 9002374

dyslexics' electroencephalograms; rest closed/open eyes, reading task; dyslexic/normal Spanish-speaking children aged 8-11; brain wave/ activity; 9007302

dyslexics' literacy, syllable division ability prerequisite; dyslexics aged 7-15; ten-year project; 9002356

dyslexics' word-recognition problems, assessment strategy; 9004834 English-/Hebrew-speaking dyslexic children, impairment aspects; 9009825

executive functions/free recall, normal vs dyslexic children aged 6-12; neuropsychological analysis; 9007464

fingerspelling decoding technique, word identification alternative route; deaf/dyslexic readers; 9000560

fluent reading development, paired repeated reading classroom strate-gy; 9000579

French dyslexic children's family characteristics, retrospective study;

functionally illiterate adults, spelling strategies/spoken code use; Montevideo, Uruguay; 9003054

good vs poor readers' classroom behaviors, objectively observable categories; 9003244

grapheme-phoneme correspondences acquisition, normally achieving vs disabled readers; children aged 6-14; 9003339

hyperlexic development, contributing factors; identification/ remediation suggestions; 9005556

inflectional morphology, poor/normal readers, verbal deficit hypothesis aspect; 2nd/4th/6th graders; 9008033

informal reading inventories use, reading problems diagnosis, second-ary-level students; text type/structure analysis; 9000612

integrated reading/language arts curriculum, comprehensive evalua-tion; low-achieving children's experiences emphasized, primary classrooms; 9000588

intelligence/oral language/reading comprehension/written expression relationships, dyslexic vs nondyslexic 2nd-6th graders; 9003337 learning difficulties effect, students' emotional well-being; effective

learning environment provision importance; 9005550

letter clusters recognition instruction, mnemonics efficacy; readingdisabled students; 9005613

library use encouragement strategy, reluctant readers; 9003223 literacy crises, print-to-electronics transition destabilizing effects; 9001348

literacy definition expansion, adult remedial readers; competency-based definitions vs adults' needs; interview; 9000557

literacy instruction attempt failure, 21-year-old male; remedial sugges-tions, whole language theory base; 9000600

meaning-focused cues effects, underachieving readers' context use/ self-corrections/literal comprehension; 9005579

mental modeling processes use, poor readers' strategic ability improvement; 9003118

motor-perceptual function/performance, nondisabled vs reading-disabled males; neuropsychphysiological analysis; 9009807

music reading/text reading abilities measurement, alexic subject case study; 9002606

narrative comprehension, story impression method; Degrees of Read-ing Power test; junior high school remedial reading students; 9007863

Ohio Reading Recovery Program, at-risk 1st-graders' good reading strategies development/acquisition; 9003123

oral reading, reading/literacy development classrooms; adult poor readers' positive/negative memories/current reading achievement correlation; 9000499

oral reading, teacher behavior/responses; moderately mentally retarded children; 9003232

phonological deficiencies role, developmental reading problems; kindergarten/1st grade; 9002372

poor readers' classroom management, problem-solving framework;

poor readers' coping strategies, secondary school level; classroom observations, interviews; 9007872

poor readers' negative attitudes modification, reading growth/interest increase; 9000564

poor readers' success. Navy recruit training, different program struc-tures effects; 9005569

protocol analysis, reading research/teaching technique; 9007909 pseudohomophone effects, lexical decision task; 8-/11-year-old good vs poor readers; 9000714

psychologically induced dyslexia/learning disabilities possibilities, pro-fessional resistance; 9002373

psychotherapeutic treatment, dyslexic/personality-disordered child; J. Piaget's assimilation/accommodation concepts; 9007340

reading achievement growth comparison, learning-disabled/low-achievement readers; 3rd-6th graders; 9000730

reading achievement, kindergarten screening as predictor reliability/ validity; 9007842

reading achievement/attitudes; sustained silent reading approach; reading/writing tests; 7th/8th graders; 9097920

reading achievement/disability prediction, memory/naming speed use, IQ control methods effects; children aged 8-11; 9004826

reading achievement/self-concept/control locus; play therapy; Gates MacGinite Reading Test/Piers-Harris Childrens' Self-Concept Scale/Intellectual Achievement Responsibility Questionnaire; 1st graders; 9007883

reading acquisition process; hemisphere-specific stimulation; P-/L-dyslexics; 9009803

reading acquisition, decoding accuracy/word-recognition skills devel-opment importance, poor reader remediation ideas; 9003222

reading comprehension ability assessment, domain-specific knowledge facilitative effects; low-achieving readers; 9005682

reading comprehension assessment, self-report techniques use; student questionnaire; 4th-11th graders; 900807

reading comprehension improvement, expressive/analytical writing instruction integration; undergraduates; 9000556

reading comprehension instruction, K-W-L/K-W-L Plus strategies' effectiveness; 9007936

reading comprehension, direct instruction strategies use, learning-disabled students; 9004851

reading comprehension, informational text pattern influences; college developmental readers; 9003148

reading comprehension, intervention assessment, disabled readers; 9000752

reading comprehension, procedural facilitations effects; 5th-/6th-grade poor readers; 9003315

reading comprehension/composition, language experience approach, students' story concepts; 6th-grade remedial readers; 9005561 reading comprehension/memory, individual differences; 9000115

reading comprehension/topical interests relationship, below-average reading 3rd-6th graders; 9008044

reading deficiencies, individualized remediation program; elementary level teachers/students; 9000573

reading deficiency remediation, reciprocal teaching vs direct explana-tion lessons use: 9005563

reading difficulties, diagnosis/remediation procedures; Harvard Reading Laboratory; 9000502

reading difficulties, preadolescents, componential approach; 4th-6th graders; 9000583

reading difficulties, stress reactions, self-regulatory skills instruction effects; 9003139

reading difficulty indicators, oral reading accuracy/comprehension va-lidity; instructional-/frustration-range performance; functionally illiterate adults; 9000464

reading disabilities cognitive profiles, monozygotic/dizygotic reading-disabled twins, genetic influence; 9004833

reading disabilities genetic/environmental etiologies; Colorado Read-ing Project twin data; 9002368

reading disabilities identification, listening/reading discrepancy scores use; learning-disabled vs normal 4th-6th graders; 9004853

reading disabilities incidence/characteristics, Japan; reading ability/intelligence tests; 5th graders; 9002363

reading disabilities, social/emotional problems interrelationship; moti-vation/empowerment techniques; 9005665

reading disabilities/cerebral laterality relationship; dyslexic vs normal reading children; 9009812

reading disabilities/foreign-language learning difficulties relationship; case reports; learning-disabled college students; 9007293 reading disability remediation, cognitive-adaptationist vs diagnostic-prescriptive approach effectiveness; 3rd-grade student; 9002355

reading disability subtypes, cluster analysis classification; psychometric test battery results; reading-disabled children aged 8:5-16:9;

reading disability, cerebral laterality/other cognitive/ neuropsychological functions relationship; reading-disabled/non-reading-disabled boys aged 8-12; 9002369

reading disability, emotional/neurological factors role; psychoeducational techniques; 9:005518

reading disability, normative/pathological incidence viewpoints; 9004845

reading disability, school history as diagnostic criterion validity; read-ing-disabled children/matched controls/twin pairs; 9008083

reading disability, with a family transmission, gender-influenced polygenic threshold model's prediction abilities; 9002359

reading failure Fustration, remedial strategies; teachers'/parents' roles; children/adult students; 9005527

reading failure remodiation/maintenance program, elementary school level, Denmark; 9000615

reading group, nonreader inclusion importance; remedial techniques; 9003113

reading incentive programs development, independent reading habits motivation; reading-disabled elementary school children; 9003131 reading instruction optimal setting, at-risk students; pullout vs inclass programs; 9005524

reading instruction recommendations, reading clinicians/reading-disabled students; 9005.55

reading instruction strategies profiles, adult disabled readers; "The Literacy Prescription" project findings, 9000575 reading instruction, reading-disabled students' attentional difficulties;

reading instruction, special needs students; 9005603

reading learning rate, sex differences, intensive summer reading clinic; 9004827

reading lesson content/reading ability, metacognitive awareness; explicit instruction; 3rd-grade low group students; 9007943 reading performance improvement, hyperactive children; Ritalin use appropriateness/differential effects; 9000507

reading performance/symbol-processing speed, reading-disabled vs control children; longitudinal analyses; 9002358 reading problem screening/identification, SEARCH utilization; kindergartners, 1st/2nd graders; 9002414

reading problems, dysfunctional educational dynamics perspective; 9007305

reading process, German noun capitalization effect, skilled/uskilled/ dyslexic readers; German orthography reform debate implications; 9000690

reading rate/comprehension, repeated readings vs segmenting written texts instructional methods effects; below grade level 4th-/5th-grade readers; 9003237

reading rate/recall ability, instructional/mastery levels; repeated readings; learning-disabled vs nondisabled 3rd-5th graders; 9008064

Reading Recovery early intervention program, individualized reading/ writing instruction, low-achieving children; school/home support im-portance; case studies; 9000628

Reading Recovery intervention program, New Zealand case study;

reading skills/academic self-concept improvement, home tutoring reading program effectiveness; poor readers aged 7-10; 9003098 reading skills/grammaticality judgments, 2nd graders; sentence-level knowledge/reading disability association; 9002360

reading-disabled children identification, Digit Naming Speed Test ef-fectiveness/incremental validity; 9004831

reading-disabled children's differential prognosis, gender/ socioeconomic status/IQ/severity basis; longitudinal study; 9004839 reading-disabled children, commonly used teaching approaches vs the-oretical instructional framework, reading acquisition problem basis; 9009814

reading-disabled students' spelling remediation, process-based approach; J. P. Das's/R. Conway's CAP program aspects basis; 9004852

reading-disabled/dyslexic children's counting/naming rate/ phonological sensitivity/memory span; test battery, statistical analysis; children aged 9-12; 9009801

reading-level-matched designs, results interpretation ambiguities;

reading/comprehension deficiencies remediation, reasoning guide use; undergraduates; 9000489

reading/mathematics achievement/attitude, remedial 6-weeks summer

school program effects; 4th-8th grade; 9003153
reading/spelling processes, impaired literacy functions, Klinefelter
XXXY syndrome; U. Frith's reading/spelling development framework; 9002387

reading/spelling/memory impairments, cognitive analysis; learning-disabled children; 9004835

reading/writing disabilities, causes/evaluation/treatment; 9003220 reading/writing disorders, brain-damaged adults, A. R. Luria's neuro-dynamic approach application; 9004768

reading/writing improvement principles, upper elementary groups; 4th grader; 9003252

remedial readers' comprehension problems, helpful strategies/ activities; 9008062

remedial readers' mispronounced words' characteristics; computer-assisted analysis; junior high school students; 9008051

remedial reading instruction, AROBAR students; difficulties, strategies; 9005547

remedial reading instruction, vowel-sound-stick word attack; secondary remedial students; 9003226

remedial reading instruction/learning activities unit; content-area teaching, nonfiction book writing; adolescents; 9000501

remedial/developmental reading program, community college; stu-dents' opinions, program development recommendations; 9003094 residual reading ability, deeply dyslexic patient; 9007492

rhyme/alliteration phonological sensitivity, attention deficit disorder vs dyslexic children aged 7:0-11:0; 9009800

right hemisphere language/reading processes; callosotomy/ hemispherectomy patients; 9007484

scotopic sensitivity syndrome treatment, Irlen lenses/overlays; reading problems improvement; 9002366

selective attention/lexical knowledge interaction, neglect dyslexia patients; 9007501

sensory perception/reading disability misconceptions, sensory screening/training programs; 9004829

shared poetry use, disabled readers; remedial reading teacher's experiences; 9008005

sight vocabulary instruction with/without centext, S. J. Samuele's "fo-cus of attention" hypothesis; disabled readers; 9007923

sign reading instruction, language training procedures use; handi-capped preschoolers aged 3/4; 9000622

specialized reading program development, dyslexic students; screening/identification guidelines; 9002376

specific reading disorders, Irlen lenses treatment viability; scotopic-sensitive children; 9007881

spelling/sight word reading accuracy remediation, oral fluent model use, reading-deficient senior high school students; 9000653 standardized reading comprehension performance, reciprocal teaching benefits; 4th-/7th-grade students; 9007935

story comprehension improvement, below average readers; story impressions writing activity, narrative texts reading preparation;

story grammar comprehension strategy effects, low-performing stu-dents' short-story comprehension ability; 9th/10th graders; 9000517 strategic/independent reading promotion, think cards use; 9005531

surface dyslexia, grapheme-phoneme conversion mechanism deficiency; Italian case studies, nonsemantic reading; males aged 60/62/67;

syntactic comprehension difficulties source, young poor readers; 2nd graders; 9002378

syntactic comprehension difficulties, source identification; good/poor 2nd-grade readers; 9004850

temporal processing role, dyslexia; word identification task; dyslexic children aged 10.3-14.9; 9004848

theory-based basal reading program materials evaluation, Program Profile Continuum Survey/Program Profile Instrument; 9003140 "top down" reading instruction method, severely deaf children; inter-active model basis; 9004721

verbal coding deficits, learning-disabled readers; multiple-stage model; 9004854

visual approach as organizing framework, various discourse styles writing planning/execution; low-literacy-achievement 6th/7th graders; 9003441

vocabulary increase, at-risk students, literature/multimobility techniques use; 9007869

vocabulary instruction, remedial teachers' strategies; 9003227 word identification strategy effectiveness, learning-disabled adoles-cents' reading comprehension improvement; 9004840

word recognition process, children's "automatic" context use; 9002535

word-recognition ability, varying spelling-to-sound correspondences; good/poor readers/spellers aged 9-11.5; 9000732

word-recognition/math ability improvement, token reinforcers use; severely learning-disabled youth; 9004844

writing placement test success/reading placement test failures, community college students; case studies; 9003324

**Reading Instruction** 

A Priori Chapter I Reading Program effects, Asian/Hispanic students; 9000555

academic foreign language texts reading; Nepal undergraduates;

academic reading/writing, adult college/university students; academic language use, cultural/economic/political interactions; 9003147 adolescent literature instruction, characterization study, Johani Win-

dow use; 9003161 adult basic education recruitment/retention, research review/synthesis, success factors; English speakers aged 17+; 9000486

adult illiteracy, educational/sociological/psychological consistencies observed; 9003219

adult learners' reading/writing acquisition, "literacy continuum" stages; case study; 9000536

adult literacy improvement, annual reports use; 9003056 adult literacy instruction, computer technology use; privacy, immediate feedback, individualized instruction; 9000655

adult literacy instruction, Kenya; 9003185

adult literacy instruction, Language Experience Approach; 9003053 adult literacy instruction, students' background knowledge, activation/cooperative learning methods; 9003199

adult literacy intergenerational project, family intervention/prevention model; low-reading-skilled adults; 9000608

adult literacy programs appraisal, distortion sources; 9000515

adult literacy programs, computer integration; 9000666 adult literacy programs, effective psychological design criteria;

adult literacy promotion politics, international perspective; develop-mental strategies/approaches; 9000493

adult literacy, computer-assisted instruction/technology use impor-tance; 9007921

adult literary, tutor training, paired reading technique; 9000638 adult reading comprehension, expository text structure strategy, read-er-only vs reader-author instruction; 9000478

adult reading, instructional assumptions; 9003058

analogy performance, instructional approaches'/peer tutoring effects; gifted/nongifted 6th graders; 9000572

Appalachian English miscues, trained preservice teachers' correction responses; 9003203

applied linguistics research, Brazil; current reading research; 9005606 assisted reading efficacy, reading success facilitation strategy, adult disabled readers; 9003241

at-risk readers' comprehension improvement, four Chapter 1 teachers' successes/problems, 4th-6th grade; 9009823

attrition problem, adult literacy programs; causes, solutions; 9003082 authentic vs imitation reading/writing distinction importance, improved school-based literacy experiences; 9005111 average/low-average 2nd graders' reading achievement; phonics reading program; 9007924

background knowledge effects, learning-disabled students' acquisition, self-questioning reading comprehension improvement strategy; 7th/8th graders; 9005608

Baka literacy project, Southern Sudan; limited community involvement; motivation/attitudes/needs; 9003085

basal programs' influence, 4th-grade reading instruction; 9005631

basal reader abandonment, transition process; 9005519

basal reader assessment, skill trace method proposed; 9003268

basal reader selection/reading curriculum, local censorship impact; informal survey techniques, Florida/Alabama/Tennessee cases' effects; 9003273

basal readers use, teachers' decisions; 9003272

basal readers' impact, reading curriculum; research-based reading program; 9003269

basal readers' role, elementary school reading programs; improvement techniques; 9005629

basal readers' story structure, Houghton Mifflin/Scott, Foresman Reading Programs; 9000681

basal readers'/social studies textbooks' visual displays evaluated;

basal readers, real literature as complement; 9007937

basal readers, sentence-combining instruction source; 9000683

basal reading instruction, children's understanding, social/academic significance/consequences; 9005632

basal reading program, teachers' within-program decision-making resistance; 9003286

basal reading program, whole language approach compared; teacher's opinions/frustrations; 9005637

basal reading programs rejection, whole language approach adoption; Milwaukee teachers' experiences; 9005590

basal reading series critics addressed; 9005641

basal reading texts evaluation/selection, teacher survey; 9000680 basal skills lesson, direct instruction model application; 9000496

basal textbook readers, award-winning stories adaptations/ simplification claims refuted; 9003267

beginning reading instruction techniques, real literature use, purpose-ful reading; 9000678

beginning reading instruction, whole language vs language experience approaches' effects; S. A. Stahl's/P. B. Miller's study critiqued; 9007968

beginning reading instruction, whole language/language experience vs basal reader approaches; 9000645

beginning reading program implementation, language study inquiry approach application, primary-grade teachers underlying assump-tions; case study; 9007971

beginning reading, metalinguistic abilities role; 1st graders; longitudinal study; 9000654

British Columbia elementary schools' literacy curriculum, 1945-1960; critical analysis; 9005640

buddy journal benefits, natural reading/writing connection facilitation, 3rd graders; 9007871

censorship/student literacy relationship; 9000665

Chapter One diagnostic reading materials development, student interview use importance; 9008092

Chapter One diagnostic reading profiles development, interviewing use importance; 4th graders; 9008091

Chapter One/special edcuation literacy instruction evaluation; 2nd graders; 9009815

chemistry text comprehension/recall problem, excessive ideas; 9003279

child's early reading development, parents' role; 9005516 child's written meaning creation, kindergarten/1st-grade Hispanic migrant children's compositions; 9005546

children's biographies, Nigerian figures; critical/cultural assessment;

children's books, characters' resiliency traits; 9008020

children's database use/creation, 2nd grade-secondary school; 9005557 children's literacy achievement, parents'/teachers'/principals' roles; middle- vs lower-class background influence; 9005513

children's literacy development, parent's critical role, empowerment suggestions; 9007955

children's literature, school adjustment topics; preschool-adolescent audiences; 9000571

children's literature, visual interpretation instruction; 9007906

children's reading achievement, grouping/parental participation effects; case studies; 9005552

children's storytelling, meaning prediction/language patterns anticipa-tion accuracy, repetitious language patterns/cumulative story events facilitative effects; 9005581

children's TV/movie/video exposure, visual interpretation instruction advocated; 9007905

children's word structure knowledge, decoding/spelling instruction im-plications; 3rd-5th graders; 9007415

children's writing acquisition, process writing techniques/language ex-perience approach incorporation; 9008127

Chinese/English bilingual classroom, reading instruction, prediction strategies/materials adaptation; 9005790

classroom library reading, kindergarteners; 9003178

classroom reading program evaluation, context/input/process/product (CIPP) model; 9003188

cloze tests/response analysis results, listening/reading ability; children aged 8-9/11-12/13-14; 9003184

cognitive/literacy development relationship; additive seriation, hierarchical classification, reading comprehension, literacy interview; 5th graders: 9005542

college developmental reading curriculum, cultural literacy advocated; 9007997

college freshmen reading/writing courses integration, theoretical/instructional support; 9007933

college reading/study skills classes, cooperative learning; 9003205 college students' study skills updating, self-report questionnaire; 9000487

college-level reading instruction, standardized reading tests use; 9003366

complex prose structures, instructional strategy; 9005570

comprehension instruction, elementary school teachers; observations, statistical comparison; 9008001

comprehension strategy instruction, recent studies' methodological adequacy; 9007934

comprehension/comprehension monitoring influence, teacher verbal modeling characteristics relative merits; 8th graders; 9003124

computer literacy instruction, reading-disabled vs non-reading-disabled 8th graders; Cognitive Scale of the Minnesota Computer Literacy Awareness Assessment; 9007964

computer-assisted instruction effect, 1st/2nd graders' vocabulary per-formance, pre-/posttreatment assessments; 9005565

computer-assisted instruction impact, direct reading instruction teachers' effectiveness; 9000635

computer-assisted literacy training, low income adults/children; 9005104

computer-assisted reading instruction, learning-disabled students; 9003128

computer-assisted reading instruction, reading-disabled students; psy-chological/intellectual/procedural needs identification, "whole language" software packages use; 9000658

computer-assisted reading instruction, remedial readers' motivation improvement; junior high school students; 9005539

computer-assisted reading instruction; texts' visual nature/ characteristics; 9003225

computer-assisted reading/writing instruction, structured/packaged software programs vs unstructured/creative applications; Navajo Reservation; 9003116

computer-assisted reading/writing instruction; 9003109

computer-assisted writing instruction, linguistic perspective; 9005750 computer-assisted writing/reading instruction, 1st-grade students;

computer-presented text recall/comprehension, on-line learning aids use effects; 9005535

concentration improvement strategy, content classrooms; follow-up activities; 9000598

conceptual mapping strategies use, reading-disabled children's text in-formation comprehension improvement; 9003129

content area vocabulary understanding evaluation, alternative formats, mental operation processes incorporation; 9000643

content instruction changes, action research use/teachers' involvement; 6th graders; 9000634

content material learning, mnemonic technique effectiveness, keyboard instructional method; 9003160

content reading activation, historical computer simulations use; 7th/ 8th/10th graders; 9000686

content reading programs development/rationale/influential effects; questionnaire survey; 9000543

content reading specialists' evaluations/beliefs, successful teacher practices; 9000544

content reading strategies, postsecondary research base; 9005617 content study skills application, co-listed reading classroom; 8th-grade remedial reading students; 9007887

content-area comprehension facilitation, writing as essential/effective instrument evaluation; 11th graders; 9000578

content-area learning enhancement, writing use, primary grades;

content-area material learning/retention, prereading strategies effects; high school students; 9003141

content-area reading assignments, high school classroom discussions, 5-step intervention program; 7th-12th graders; 9007852

content-area reading difficulties experience, electronic journal excerpt use; 9005679

content-area reading resistance, preservice teachers; questionnaires; 9003236

content-area reading teacher candidates' attitudes, early field experience program effects; 9000488

content-area reading techniques use difficulties, Black South African secondary school; economic/linguistic/cultural/social factors; 9000596

content-area reading, student motivation/interest activation strategies/lesson plans/guidelines; 9005573

content-area reading-writing lessons, critical text information extraction/organization ability improvement; 9000509

content-area texts, teacher-student mediation approaches; 9005105 conversation skills instruction, interactive videodisc use; 9005589

cooperative learning research overview; classroom grouping techniques use, middle/secondary level classrooms; 9000664

critical reading instruction, counter-construction role, socially critical perspective; 9003233

critical reading skills development, cooperative problem-solving approach, active participation emphasis; 9007901

critical reading skills failure, causes explored; 9007911

critical reading, familiarity/distance effects, English as a foreign language texts; Brazilian students aged 15-18; 9000617

critical reading, theoretical/methodological factors; 9003101 critical reading-thinking instruction, changing approaches, 1960s-1980s; 9007996

critical thinking instruction, language experience approach, commercial advertising use; elementary schools; 9003076

Curious George series experimental use, 2nd-/3rd-grade poor readers improvement; 9005596

deaf children's reading ability/comprehension problems, interrogative/ declarative sentence distinction test; 9002314

deaf students' reading vocabulary increase, fingerspelling method; 9002182

decoding training use, older reading-deficient students; discrediting arguments refuted; 9000586

developing readers' literacy learning, whole language curriculum, cognitive/social aspects; 9007864

developmental spelling, traditional teaching methods/instructional theory/practices comparison; 9007948

developmental writing program, word processing use; 9007946

direct instruction concept, myths reconsidered; 9000490 direct instruction program effectiveness, "hard to teach" students;

direct instruction/process writing/time on task observations, elementary/junior high school classrooms; 9003402

direct narrative instruction effects, 8th graders' comprehension abili-

ties; 9003084 directed notetaking activity, structured format/self-questioning strategy/direct explicit teaching basis; 9005614

directed reading-thinking activity content, nonfiction material comprehension instruction; data charts incorporation, model lessons; 9005639

Directed Reading-Thinking Activity, critical thinking development; 9003142

directive/interactive prereading strategies, teachers'/elementary learning disabled students' verbal interaction; 9007904

disabled readers' metacomprehension ability development, expository text summarization training use; 9009826

disabled readers' spontaneous correction behavior, self-correction strategies, word-level comprehension improvement priority; 4th graders; 9009809

disabled readers, computer-based text impact, hypermedia systems development/use; 9009804

DISTAR reading program effectiveness, primary students' developing language skills; 9007973

DISTAR vs traditional basal reading program use effectiveness, learning-disabled students' reading achievement; 9004838

early literacy as social/cultural phenomenon, bilingual home; natural, istic research methodology; participant observation, journal keeping, written products analysis; 9003110

early literacy learning, microcomputer use; developmental writing approach application; 9000534

early literacy, frequent story reading exposure positive effects; 4-yearolds; 9000475

early literacy, interest/purpose/choice roles; 9003209

early reading movement, Italy; preschool pupils' reading instruction research/methodology; historical essay; 9005621

early reading promotion, merits/inappropriate pressure creation; proper encouragement techniques; 9000659

early reading/writing instruction/development, names use; 5-/6-yearolds; 9000508

effective English as a second language instruction strategies; case study; 9000625

elementary reading/writing instruction, comprehensive cooperative learning approach; 3rd/4th graders; 9000736

elementary school author program, teachers'/students' activities/ benefits: 9007912

emerging literacy preparation, two-fold theory, parents' roles; 9003072 English as a foreign language instruction, reading/writing interactive relationship; practical implications, beneficial outcomes; 9000242

English as a foreign language reading instruction, authoring languages use: 9007947

English as a second language adult reading class, collaborative research, teachers' practices; audio-taped sessions, biweekly/one-time interviews; 9005353

English as a second language instruction, computer-assisted introductory reading teaching, Dutch high schools; software adaptation; 9005180

English as a second language reading instruction, literary transfer process; Chinese students; 9002854

English as a second language reading instruction, non-Western literature use; 9002866

English as a second language reading/writing instruction integration, authentic discourse, dialogue journal writing; 9007580

English as a second language remedial reading instruction, closecaptioned commercial TV; high-school classroom; 9000677

English as a second language students' content classroom texts comprehension, "key visuals" use; 9007582

English competency tests, regular vs remedial class preparation, postacquisition phase; 9000644

English spelling proficiency; Latin language study; spelling tests; 11th graders; 9007876

English/French-speaking school settings/instructional strategies use, learning-disabled children; questionnaire; Toronto teachers; 9003138

English-language acquisition process, Comprehensible Input/Language Experience Approach use; 4th-6th graders; 9003183

English-language beginning reading instruction; meaning emphasis/ phonics emphasis approaches; 2nd-/3rd-grade bilingual Spanish readers; 9007591

English-language curriculum changes, at-risk high school students; 9007533

English-language development/learning skills/intercultural knowledge, integrated course curriculum; international students, US universities: 9000619

English/language arts instruction, recent trends, professional literature; 9005128

English/Spanish reading readiness/language development, basal vs Ashton-Warner language experience approaches' comparative effectiveness; Spanish-language-dominant 1st graders; 9000656

environmental education instruction, children's literature use; annotated booklist; 9003193

Exemplary Center for Reading Instruction development, E. Reid interviewed; 9003095

expository structures comprehension improvement, questions into paragraphs (QuIP) writing strategy use; 9000597

expository text comprehension, individual/teacher-directed/cooperative learning instructional methods effects; 7th graders; 9003179

expository text comprehension, previews effects; more vs less skilled 5th-grade readers; 9007939

expository text comprehension, student written response; 9003097 expository text comprehension/retention; reading strategy direct instruction; 7th-grade students; 9007967

expository text reading instruction, knowledge channeling strategy; 9003187

expository text reading, students' predictive questions/teachers' prequestions, cognitive levels; kindergarten-5th grade; 9000667

expository text recall; directed reading activity/mapping; 5th/6th graders; 9007868

expository text structure teaching/learning strategies; 9000616 expository text, interest/student recall improvement strategies; 4th/6th graders; 9003149

Expository Writing Program, literacy environment creation; 9003206 factual/inferential comprehension, pre-instruction vs previous experience development effects; 5th/6th graders; 9003218

fictional texts/young people interaction, cultural/ideological/ experiential factors; educational setting/framework; subjects aged 11+/14+; 9005605 fingerspelling decoding technique, word identification alternative route; deaf/dyslexic readers; 9000560

fluent reading development, paired repeated reading classroom strategy; 9000579

foreign-language curriculum, literary study reintegration, W. Iser's reader-response theory framework; 9002715

foreign-language learners' reading development, theoretical issues; French reading instruction; Brrazilian students aged 10-15; 9005280 foreign-language learners' reading skills improvement, pre-text exercises, UK students; 9007601

foreign-language reading instruction, psycholinguistic approaches; 9008071

foreign-language reading proficiency, linguistic code acquisition vs specific ability; 9005251

foreign-literature teaching, theoretical/practical issues; 9007718
French as a foreign language independent reading; French reading
proficiency, literature instruction, book selection process; survey;
high school students, Amsterdam; 9007537

French as a foreign language reading instruction, common methodologies use, 1980s; past/present text characteristics role assignment; recent relevant cognitive science/neurosciences advances; 9003104

French as a foreign language reading, comprehension strategies role, direct instruction effectiveness; 9002791

French as a foreign language writing/reading instruction, recently published related volumes reviewed; 9000238

French as a second language reading comprehension/word inference ability, explicit reading skills instruction strategy effects; undergraduates; 9000284

functional literacy promotion, cooperative learning use; college students' medical procedure enactment/recall; 9003194 functional literacy, children's vs adults' values; 9007886

German as a second language instruction, adults, beginning level; reading activities role, culture-oriented didactics; 9000347

German as a second language instruction, Italian students; German texts reading, comprehension aids; 9000302

German as a second language reading skills instruction, East German universities' foreign undergraduates; 9002891

German/Turkish children's scholastic performance, German chemistry textbook comprehension/readability; Berlin high school students; 9000151

Ghana literacy programs, local management implementation; 9003181 gifted readers' learning styles/cognitive characteristics definition importance, effective reading program development, regular classrooms; 9000631

"good" reader inconsistent definitions, adults/middle/secondary/ elementary levels; 9005594

good vs poor readers' classroom behaviors, objectively observable categories; 9003244

good vs poor readers' text comprehension, cuing conditions effects; 9003335

Greek/Latin word roots instruction, disadvantaged 6th-grade readers; activities, materials; 9000541

hearing-impaired children's linguistic education, oral language/reading skills development; total communication vs audio-oral method effectiveness; 9002307

higher order thinking skills instruction, current difficulties; 9007860 holistic program, collaborative teaching development/planning/administration, children's learning/mind improvement focus; 9003174

holistic/child-centered 1st-grade literacy environment description; 9000660

hyperlexic development, contributing factors; identification/ remediation suggestions; 9005556

IBM Writing to Read program critique; response; reply; 9003134 illiteracy problem, US education system, immigrant influx/demographic change/undereducated/disadvantaged populations; 9007907

illiterate parents problems, children's successful school preparation; 9000537

imagery, "allusionary base" component; reading instruction/language learning implications; 9002429

incidental word learning/word meanings derivation from context ability, instruction effects; 8th graders; 9005568 independent reading, principals' narrow views/educators' limited per-

independent reading, principals' narrow views/educators' limited perceptions; remedial strategies; 9000633

independent seatwork assignments, 1st-grade reading instruction, students' responses; observational study; 9003250

individual reading inventory value/actual use, kindergarten to 6thgrade teachers/support specialists; 9000641

individualized reading instruction, university level; I. N. McCollom's course outlined; 9000662

inference thinking, instructional strategy; 9000531 inference training, expository text, cloze use; 9005532

informal reading inventories use, reading problems diagnosis, secondary-level students; text type/structure analysis; 9000612

informal reading inventories, elementary teachers' use/evaluations; questionnaire survey; statistical/ethnographic analyses; 9000554 informal reading inventories, invalid accompanying vocabulary questions; 3rd/4th graders; 9008080

informal spelling assessment use, students' orthographic knowledge levels evaluation, student grouping, primary classroom word study/directed reading; 9007859

information retrieval skills importance, classroom/educational settings; 9005587

initial reading/writing instruction, West German discovery approach pedagogical/methodical principles; 9000500

instructional choices, theoretical orientations belief systems basis, preservice vs inservice teachers; 9003159

instructional text design models, M. F. Graves's work partially replicated/extended; 11th graders; 9007892

integrated reading/language arts curriculum, comprehensive evaluation; low-achieving children's experiences emphasized, primary classrooms; 9000588

Intergenerational Literacy Model Project, Spanish-speaking parents'/
children's Spanish/English literacy development; bilingual model
evolution, curricular components; 9005593

introductory English curriculum, "hard-hat crowd," U of Massachusetts, 1965-1985; 9005575

job-specific literacy instruction; military literacy programs; 9000614 kindergarten reading acquisition, teachers' conceptual frameworks/instructional behavior relationship; reading profile/observations/interviews; 9007874

kindergarten reading program, learning environment establishment framework; 9003125

kindergartners' reading/spelling/writing performance; Writing to Read program; Atlanta, Georgia; 9008162

Kuo language development project, Chad/Cameroon regions; 9003130 language abilities development/extension, Computer Pals across the World Project activities/benefits; 9005525

language arts instruction materials, California's ambitious reform; 9003260

language experience approach, content-subject matter use, middle school; 9005609

language experience approach/invented spelling integration, kindergarten; 9007878

language structure relationship, basal readers/1st/2nd/4th/6th graders' oral language patterns; 9000520

language/reading skills improvement, shared story reading/total communication use; multiply handicapped children; 9002390

learning assistance models elements combination, prospective college students use; 9000581

learning difficulties effect, students' emotional well-being; effective learning environment provision importance; 9005550

learning-disabled children's reading/thinking skills enhancement, Informal Strategies for Learning program; reading-disabled 3rd/4th graders; 9009820

learning-disabled students' reading performance; computer-assisted extensive decoding practice; 9007908

letter clusters recognition instruction, mnemonics efficacy; readingdisabled students; 9005613

lexical development, written context learning; kindergartners; 9002499 library use encouragement strategy, reluctant readers; 9003223

lieracy development, affective conditions; undergraduate prospective vs graduate student professional teachers' beliefs; 9000590

lifetime reading habits creation, social studies teachers' role; 9007965 limited English proficient elementary-grade students' reading improvement, specific activities; 9007991

listening comprehension as reading gains predictor; 1st-8th graders; 9003137

listening comprehension improvement, structured listening activity use; kindergarten-grade 3; 9003103

listening/reading/writing comprehension facilitation, visual imagery strategy use; 9000542

literacy acquisition topography; Quebec literacy provision effects, public attitudes; 9005560

literacy activities, Spanish-speaking 2nd-grade classroom; ethnographic evaluation methods; 9005540

literacy as social process/issue, Kaingang Indians, Guarapuava, Paraná, Brazil; Portuguese/Kaingang oral/written functions/uses; questionnaires, observations, interviews; 9005526

literacy assessment, classroom context, internal alternative; 9000742

literacy campaigns successes/failures, Third World countries vs technologically advanced societies; 9005553

reading achievement/attitudes; sustained silent reading approach; reading/writing tests; 7th/8th graders; 9007920

reading achievement/performance, whole language vs basal approach 1st graders; Gates-MacGinitie Reading Survey Test Level A; 9007960

reading achievement/self-concept/control locus; play therapy; Gates MacGinite Reading Test/Piers-Harris Childrens' Self-Concept Scale/Intellectual Achievement Responsibility Questionnaire; 1st graders; 9007883

reading achievement/self-concepts/reading attitudes; direct training in active comprehension; at-risk 6th graders; 9007977

reading achievement/television exposure relationship reexamined; 9000510

reading achievement; cost/demographic variables; 4th graders, Arkansas; 9007999

reading achievement; supplementary reading approaches; 1st-grade students; 9007962

reading achievement; whole language approach; standardized tests; differing scholastic ability/cognitive style intermediate-grade students; 9007856

reading acquisition approaches compared, 1st-grade high/middle/low reading groups; "whole language" approach supported; 9000539 reading acquisition enhancement, communication strategies use; 9003190 reading acquisition failure, disability/disadvantage reconceptualiza-tion/changing definition; policy formulation problems; 9000594

reading acquisition process; hemisphere-specific stimulation; P-/L-dyslexies; 9009803

reading acquisition, decoding accuracy/word-recognition skills development importance, poor reader remediation ideas; 9003222 reading acquisition, nonstandard English dialect-speaking elementary

students; 9007990

reading aloud importance, child's imagination/language development; book selection guidelines, classroom-level activities; 9002626

reading aloud, traditional vs modeled approach, children's responses; enlarged texts use; kindergartners; 9000505

reading assessment, current knowledge/theories discrepancies; 9000758

reading attitude development, childhood to adulthood; longitudinal study, multiple regression analysis; 9007982 reading books, distinct discourse structures use, possible social worlds/characters presentation, beginning school level; 9003262

reading comprehension ability improvement, seatwork activities class-room implementation; 2nd grade; 9000636

reading comprehension assessment dilemmas; 9005721

reading comprehension enhancement, trade books use, high school English classes; 9007910

reading comprehension improvement, cohesive ties use techniques; 9005521

reading comprehension improvement, expressive/analytical writing in-struction integration; undergraduates; 9000556

reading comprehension improvement, POSSE reciprocal teaching method, structured lession dialogue; 9003126

reading comprehension improvement; advance organizers; 4th graders; 9008061

reading comprehension increase, rereading activities; 9003255

reading comprehension instruction, alternative strategies/questions; R. G. Stauffer's Direct Reading-Thinking Activity; 9000607

reading comprehension instruction, character event mapping technique; 5th graders; 9005543

reading comprehension instruction, critical/creative readers develop-ment; 9003099

reading comprehension instruction, K-W-L/K-W-L Plus strategies' ef-

fectiveness; 9007936 reading comprehension instruction, main idea determination, goal set-ting purpose/effectiveness; 4th/5th graders; 9007969

reading comprehension instruction, pervasive attitudes, necessary changes; 9003251

reading comprehension instruction, sharing/extending activities; 9007974

reading comprehension instruction, story frames strategy, 1st-grade classroom; 9003112

reading comprehension instruction, story map use; 9007888

reading comprehension instruction, teacher-directed strategies, college level use; 9003180 reading comprehension instruction/post-reading discussions, teacher feedback; 3rd-6th graders; 9000604

reading comprehension levels; metacognitive strategy training; Hispanic college women; 9007930

reading comprehension monitoring strategies incorporation, basal reader instruction; 9000637

reading comprehension monitoring; gifted 7th graders; 9003235 reading comprehension performance, 5th graders, listening/silent reading/round robin oral reading conditions; 9000589

reading comprehension processing bottleneck hypothesis tested, dis-abled reader training program; 9003151

reading comprehension strategies, reciprocal teaching effects; 9000602 reading comprehension strategy, subject-area lessons use, cognitive learning theories/research basis; 9003230

reading comprehension test achievement, test-wiseness/positive test motivation vs test-taking self-esteem awareness training influence; 8th graders; 9003355

reading comprehension training/performance; 3rd/5th graders; 9000603

reading comprehension, adequate sight vocabulary development goals; 9003249

reading comprehension, direct instruction strategies use, learning-disabled students; 9004851

reading comprehension, expository text structure training effect; 9th graders; 9003213

reading comprehension, first/second language covariation; reading tests; Japanese-speaking English as a foreign language students;

reading comprehension, informational text pattern influences; college developmental readers; 9003148

reading comprehension, interactive video instructional system material, forced pauses effect; undergraduates; 9000733

reading comprehension, machine metaphor applicability; schematheoretic models/alternatives; 9000492

reading comprehension, prior knowledge/advance organizers relationship; children aged 7:1-10:0/7:4-9:11; 9005622

reading comprehension, reading management system effects; 3rd graders; 9003111

reading comprehension, recent research, first/second languages; for-eign-language instruction implications, curriculum development sug-gestions; 9000651

reading comprehension, schema-related strategies effects; 8th graders; 9005577

reading comprehension/classroom performance, selected teaching methods' effects; personalized instruction system's written component; 9000599

reading comprehension/composition, language experience approach, students' story concepts; 6th-grade remedial readers; 9005561

reading comprehension/composition/speaking/listening skills, wholis-tic reading technique effects; 6th/8th graders; 9007885

reading comprehension/learning strategies activation/development, co-operative learning use; 9003243

reading comprehension/recall improvement, retelling strategy use; 9003162

reading comprehension/recall strengthening, recitation principle, teaching strategies; 9000621

reading comprehension/recall; prior knowledge, content-related attitude; written free recall/multiple choice tests; 6th graders; 9007918

reading comprehension/self-concept improvement, Gestalt Educational Therapy effectiveness; intermediate grade students; 9005538 reading comprehension/text recall, research-supported effective strategies, direct-explanation approach emphasized; 9000618

reading comprehension/vocabulary strategies, textbook authors' recommendations, research base; 9003080

reading comprehension/vocabulary/attitude, repeated readings methods' effects; 5th-/6th-grade middle school students; 9003078

reading comprehension/word recognition ability, specific reading in-struction techniques effects; 1st graders; 9003234

reading comprehension; logical language training; 4th/5th graders; 9007979

reading content, teacher questioning/student response interactions; 7th-grade social studies classes; 9005598

reading curriculum goals/instructional methodologies, prosocial atti-tudes development importance; 9003207

reading deficiencies, individualized remediation program; elementary level teachers/students; 9000573

reading deficiency remediation, reciprocal teaching vs direct explana-tion lessons use; 9005563

reading development, paired reading technique, parental involvement; 9000652

reading development/achievement; environmental "press" variables; The Reading Biographer measure; secondary school students;

reading difficulties, diagnosis/remediation procedures; Harvard Reading Laboratory; 9000502

reading difficulties, preadolescents, componential approach; 4th-6th graders; 9000583

reading difficulties, stress reactions, self-regulatory skills instruction effects; 9003139

reading difficulty indicators, oral reading accuracy/comprehension validity; instructional-/frustration-range performance; functionally illiterate adults; 9000464

reading disability remediation, cognitive-adaptationist vs diagnosticprescriptive approach effectiveness; 3rd-grade student; 9002355

reading disability, emotional/neurological factors role; psychoeducational techniques; 9005518

reading effects/integration, composition course; instructional strategies, student traits; inteviews, survey, test instruments; 9005522

reading efficiency; quasi-computerized speed-reading package; college students; 9008002 reading environment, adult silent/pleasurable reading examples impor-tance; 9000570

reading failure frustration, remedial strategies; teachers'/parents' roles; children/adult students; 9005527

reading failure remediation/maintenance program, elementary school level, Denmark; 9000615

reading fluency, repeated reading vs listening-while-reading effects; 3rd graders; 9003208

reading fluency, role redefinition; 9007956

reading for test-taking, college students' beliefs/assumptions; open-ended reading questionnaire, retrospective reports; 9000494

reading group, nonreader inclusion importance; remedial techniques; 9003113

reading groups establishment, curriculum-based measures use;

reading growth/time spent reading relationship; 5th-/6th-grade students; 9008070

reading habit promotion/material availability improvement efforts, Nigeria; 9000609

reading improvement course, community college students' academic performance/persistence; 9005501

reading incentive programs development, independent reading habits motivation; reading-disabled elementary school children; 9003131 reading instruction basalization, US; reading comprehension misconception; 9005559

reading instruction behavior dependency, classroom's theoretical orientation; teachers' self-profiles/practices incongruencies; 9007932

reading instruction experiences application, reading teaching; 9003108 reading instruction framework reconstruction/alteration, specific activities/differing learning styles relationship; 9003145

reading instruction guidelines/techniques, informational text comprehension improvement; elementary students; 9003253

reading instruction improvement, responsive elaboration use; 2nd-/3rd-/5th-grade teachers; 9000524

reading instruction methods, Spain, phonics emphasis; 9005554 reading instruction methods/materials, adult beginning readers; teach-

er survey; 9005529 reading instruction optimal setting, at-risk students; pullout vs inclass programs; 9005524

reading instruction practice/literacy theories relationship; 2nd-grade

classroom's reading time observations; 9005600 reading instruction practices, middle-level schools surveyed; 9003154

reading instruction problems, Georgia's secondary schools; 9007993 reading instruction programs comparison; 3rd/4th/5th graders;

reading instruction recommendations, reading clinicians/reading-disabled students; 9005545

reading instruction status, Nigerian primary schools; 9000530 reading instruction strategies profiles, adult disabled readers; "The Literacy Prescription" project findings; 9000575

reading instruction strategies restructuring, unstructured basal stories; 9000481

reading instruction strategies, aboriginal adults, traditional communities; 9007630

reading instruction techniques, middle class population vs at-risk mi-nority school, personal experience; 9007880

reading instruction techniques/attitudes/strategies, past/current beliefs; 9005599

reading instruction, Alberta's Diagnostic Reading Program evaluated; 9003171

reading instruction, appropriate program development, language-minority children; 9005619

reading instruction, classroom reading aloud programs acceptance; 9007995

reading instruction, classroom/beginning reading books discourse analysis; C. Baker interviewed; 9003258

reading instruction, cognitive theory application; 9003156

reading instruction, computer program use, reading comprehension improvement; 9003117

reading instruction, different classroom settings; 2nd graders; 9007896 reading instruction, direct vs facilitating methods effects, gifted students' creative reading ability; 5th graders; 9000627

reading instruction, elementary school teachers' beliefs/practices; eth-nographic perspective; 9000661

reading instruction, fluency instruction incorporation principles, com-mercially produced curricula/materials failure; 9007954

reading instruction, gifted readers; challenging curriculum develop-ment importance; 9005595

reading instruction, gifted students; higher comprehension levels emphasis, appropriate vocabulary/literature development; 9000565

reading instruction, high risk beginning readers; students' tape recorded oral story renditions, enlarged text compilation result; 9005623

reading instruction, high-/low-achieving students; exemplary/ satisfactory 4th-grade teachers' expectations; 9007938

reading instruction, incarcerated adults, personal experiences; 9007850 reading instruction, International Assoc of Reading research results; 9000741

reading instruction, kindergarten level, Georgia; 9007848 reading instruction, L. Ferlinghetti's poetry issues introduction importance; 9007992

reading instruction, meaningful practice activities; 9003093

reading instruction, mildly handicapped elementary students; quantitative/qualitative aspects; 9003196

reading instruction, night school program, Thematic Experience Approach; 9007516

reading instruction, phonics skills benefits; 9003176

reading instruction, reading-disabled students' attentional difficulties; 9009813

reading instruction, real literature use approaches, elementary level; 9007981

reading instruction, recent experiments, new perspectives; 9005630 reading instruction, schools' standards/philosophies; written declara-tion effects, Nevada school; 9005627

reading instruction, second-language teaching; 9005183

reading instruction, selected inference types generative-reciprocal pro-cedure, key vocabulary highlighting; 3rd graders; 9003214

reading instruction, special needs students; 9005603

reading instruction, successful literature incorporation; 9007915 reading instruction, systems-based/integrated approaches effectiveness; San Francisco Unified School District elementary/middle schools;

reading instruction, teacher educator vs classroom teacher, theory/ practice conflict; 9003102

reading instruction, teacher training; 9007919

reading instruction, vocabulary learning/world knowledge relationship;

reading instruction, whole language approach use explanation, parents; 9003127

reading instruction, "word" concepts/definitions; preschool/kindergarten/1st-grade students; 9007846

reading instruction/evaluation, teacher as facilitator; 9000642

reading instruction/library creation challenges, illiterate population, Republic of Togo; 9005520

reading instruction/new technologies interaction, materials bibliography; 9003201

reading instruction/process; L. Rosenblatt's reading transactional theory; 9000521

reading instruction/testing, current/new methods/techniques, London schools; 9000518 reading instruction; federal government's increased accountability em-

phasis; 9007902

reading interactive instructional model, teacher's role highlighted; 9007891

reading journals vs conventional writing assignments use; 4th graders; 9008007

reading lesson content/reading ability, metacognitive awareness; explicit instruction; 3rd-grade low group students; 9007943

reading lessons, students' responses/teachers' rejoinders; 2nd-grade classrooms; 9003245

reading materials preference, textbook vs peer stories; San José (Costa Rica) third graders; 9000671 reading motivation instructional methods, reluctant readers; 8th graders; 9005534

reading performance improvement, hyperactive children; Ritalin use appropriateness/differential effects; 9000507

reading performance measures, computer-mediated text system, self-questioning use; 3rd graders; 9003175

reading performance/disruptive behavior treatments' comparative effects, behavior-disordered children; 9000482

reading performance; reading while listening/listening/silent reading testing modes; 6th-grade boys vs girls; 9008087

reading placement considerations/criteria, bilingual Spanish-English code-switching students; 9005814

reading prediction strategies, children's pattern books use; 9008021 reading prediction strategies, expert readers' use; 9008023

reading problems, dysfunctional educational dynamics perspective; 9007305

reading process, didactic implications; 9007985

reading process, personal response role, poetry use strategies; 9007893 reading programs evaluation instrument, correctional institutions residents; 9005562

reading programs' necessary elements/goals, basal reading as founda-tion; 9005615

reading programs, parental involvement suggestions; 9003210 reading progress predictors, mainstream handicapped students; 9009841

reading rate/comprehension, repeated readings vs segmenting written texts instructional methods effects; below grade level 4th-/5th-grade readers; 9003237

reading readiness, phoneme segmentation training effects, kindergart-

ners; 9000485

reading readiness, preschoolers; parents'/reading specialists' home en-vironment contributions; 9003073

reading recall performance, teacher feedback types compared; 9003136

reading recall/recognition measures, PORPE-trained vs question-answer strategy use; college freshmen; 9003231

Reading Recovery early intervention program, individualized reading/ writing instruction, low-achieving children; school/home support importance; case studies; 9000628

Reading Recovery intervention program, New Zealand case study;

reading research community's paradigmatic diversity, journal articles, statistical analysis; 9005607

reading research, cohesion/coherence approaches conflict, theoretical differences; 9005548

reading research, single-subject methodology use supported; 9005574 reading skills as strategies instruction, background knowledge/text cues use vs drill exercises; 9000525

reading skills development effective facilitation, guided reading/ reading-while-listening/computer-based independent reading; 1st graders; 9000624

reading skills expectation vs ability; Nelson Denny Reading test vs student responses; junior college students; 9003212

reading skills/academic self-concept improvement, home tutoring reading program effectiveness; poor readers aged 7-10; 9003098

reading skills/strategies instruction, secondary school teachers' atti-tudes; content field knowledge influence; 9005620

reading software selection/evaluation guidelines, decision-making process improvement; 9000639

reading specialists' changing roles, transition assistance, annotated sources/practical suggestions; 9000551

reading strategies integration, secondary content classroom, inservice delivery model designed; 9000593

reading strategies, research-based teacher-training/-coaching model; case study method; 9003189

reading strategies, staff development program perceived effectiveness; questionnaires; Baltimore County, Maryland, public elementary schools; 9007867

reading tactics/aims correlation, psycholinguistic-pragmatic occur-rences; English texts, Brazilian science students; 9005686

reading teacher discourse improvement, self-directed materials use, fairy-tale-based reading lesson; 9005616

reading teachers' education improvement, video technology use; 9007853

reading teachers' image improvement, schoolwide public relations dual-faceted program; 9000546

reading theory/research integration, reading instruction practices; 9007931

reading time allocation, regional changes, elementary schools, 1961-1985; survey, z-tests sample; 9005530

reading workshop development/implementation/effect, learning-disabled 6th-8th graders; 9005585

reading, culturally based assumptions/attitudes, English as a second language/bilingual education implications; 9007588

reading-disabled children, commonly used teaching approaches vs theoretical instructional framework, reading acquisition problem basis; 9009814

reading-writing connection development activity, remedial readers; an-alytical discussions, developmental writing exercises; 9005602

reading-writing improvement, text organization direct instruction effects; high school students, Mérida, Venezuela; 9003089

reading-writing relationship, combined instructional approach princi-ples/guidelines; 9003228

reading-writing strategy, question framing/answering; college reading class; 9000650

reading/academic writing connection, mapping strategy; 9000601 reading/cognitive learning processes development, learner cooperation importance; 9005649

reading/communication arts integrated K-12 program development, Cincinnati schools; 9005555

reading/comprehension deficiencies remediation, reasoning guide use; undergraduates; 9000489

reading/information skills instruction, integrated approach; elementary school children; 9003254

reading/language arts curriculum determination, efementary class-rooms, teacher vs independent activities; 9007530

reading/language arts curriculum, commercial television entertain-ment programs integration, 5th-grade level; 9007861

reading/learning disability, ecological systems view evolution; 9007295

reading/learning strategies development, interactive computer program use; concept mapping instruction, undergraduate biology class; 9005576

reading/listening comprehension; sentence combining practice; 4th/8th graders; 9008006

reading/literacy instruction, optic technology use; laser-based media history/development, current/potential uses; 9000495

reading/mathematics achievement/attitude, remedial 6-weeks summer school program effects; 4th-8th grade; 9003153

reading/reading attitude improvement, self-image psychology techniques use; 9000568

reading/reading comprehension, oral tradition/parenting skill influential role; low-income families; 9000491

reading/science team teaching, cross-curriculum substance abuse unit; 9000516

reading/spelling performance; word study computer program; word knowledge inventory; 9008000

reading/spelling skill/phonological awareness/spelling-to-sound knowledge, visible model vs word list treatment effect; good 2nd-/average 3rd-/poor 4th-/5th-grade readers; 9003107

reading/vocabulary instruction tensions/mutual benefits/unavoidable clashes; 9002726

reading/vocabulary instruction/improvement, picture nouns use; 9003135

reading/writing achievement, bilingualism effects; Aragonese/Catalan native-speaking 8-/10-year-olds; 9008182

reading/writing achievement, Italian first-grade normal/extendedhours school students; sociocultural variables; tests, questionnaire, observation, interviews; children/adults; 9007953

reading/writing connections facilitation, word-processing skills use; related programs/materials; 9000657

reading/writing creativity, microcomputer effectiveness; 9000797 reading/writing curriculum, informal note writing/exchanges incorporation, high school students; 9003456

reading/writing disabilities, causes/evaluation/treatment; 9003220 reading/writing improvement principles, upper elementary groups; 4th grader; 9003252

reading/writing improvement, text structure teaching use; 5th graders; 9007854

reading/writing independence, teacher encouragement/student choices; teachers' changing roles; 9000567

reading/writing instruction methods, sound analysis vs writing fundamentals; Russian kindergartners; 9005727

reading/writing instruction, creatively designed learning environment; 9007882

reading/writing instruction, integrated program development, elementary school; 9002632

reading/writing instruction, meaningful experiences; first-graders; 9003415

reading/writing instruction, process approach, Afro-American short story use; secondary-school guide; 9005564

reading/writing instruction, vocabulary knowledge/sociocultural level relationship; 9003170

reading/writing instruction, whole language approach, writing-to-read system introduction impact, kindergarten classroom; 9005736 reading/writing integration, daily curriculum; anecdotal reports; kindergarten-4th grade; 9002641

reading/writing lessons integration approach use, beginning basal readers; 9000640

reading/writing practices observation, cross-section classrooms, New Zealand 5-year-olds; 9003200

reading/writing proficiency improvement, content area cognitive map-ping use, school district's failure rate remediation steps; 9007952 reading/writing uses, children's knowledge/values; 1st graders; 9003157

reading/writing/reasoning strategies integration, students' self-controlled learning facilitation; 9007927

reciprocal reading technique, reading behavior modeling; 9005541 remedial English program effectiveness, achievement test scores analysis, university level; 9000549

remedial readers' categorizing behavior, cognitive styles; case studies; subjects aged 10-13; 9005657

remedial readers' comprehension problems, helpful strategies/ activities; 9008062

remedial reading instruction, AROBAR students; difficulties, strategies; 9005547

remedial reading instruction, computer networking system/guided practice effectiveness; middle-school students; 9005551

remedial reading instruction, cooperative groups use effects; grounded theory methodology, participant observation/key-informant interviewing/document analyses; 9th-11th graders; 9005610

remedial reading instruction, vowel-sound-stick word attack; secondary remedial students; 9003226

remedial reading instruction/learning activities unit; content-area teaching, nonfiction book writing; adolescents; 9000501

remedial/developmental reading program, community college; stu-dents' opinions, program development recommendations; 9003094 repeated reading benefits/uses, remedial/regular students; 9007890

repetitive reading/recall relationship; low/high achievers; 9007858 revision process, writing/critical reading relation; group thinking conference excerpts; 9007900

Rostowski, M. I., 1987 IRA Children's Book Award winner (After the Dancing Days) interviewed; 9000511

Russian as a second language instruction, reading/translation teaching, East German school; 9000265

Russian as a second language reading instruction, rational/independent reading development approach; 9007710

Russian as a second language, phonetic stylistics didactic use, artistic texts reading; 9002673

school developmental placement program, behavioral/maturational vs chronological age as criterion; 9007836

seatwork cost estimation, 2nd-grade classroom; 9008015

seatwork during reading instruction, elementary teachers' theoretical knowledge use/students' on-task behavior relationship; 9007970

second-/foreign-language reading comprehension, background infor-mation/schemata role; 9005249

second-language instruction, delayed language use notion; authentic reading materials use; 9000221

second-language instruction, reading/comprehension models/approaches; literature survey; 9007594

second-language reading instruction, materials/annotation method; French as a second language Dutch learners; 9003150

second-language reading instruction, metacognitive awareness strategies; beginning-advanced English as a second language Spanish speakers/Spanish as a second language English speakers; 9000396 second-language reading instruction, reading ability development di-dactic factors, drills; 9002802

second-language reading instruction, strategies-oriented approach development; literature survey; 9000386

second-language reading, native-/second-language reading process; French as a second language instruction, reading teaching methodology; 9005202

second-language reading, prereading importance; 9007721

secondary reading programs, US-sponsored overseas schools; descriptive study; mailed questionnaires; 9003083

sex equality changes, Caldecott winners/Honor books, 1981-1985 vs earlier award winners; 9000672

shared knowledge development, classroom/specialist teachers' new role; 9003077

shared poetry use, disabled readers; remedial reading teacher's experi-ences; 9008005

sight vocabulary instruction with/without context, S. J. Samuele's "fo-cus of attention" hypothesis; disabled readers; 9007923

sign reading instruction, language training procedures use; handi-capped preschoolers aged 3/4; 9000622

simultaneous/sequential processing scores, reading comprehension re-lationship; 4th/5th/6th graders; 9000584

social studies vocabulary introduction, semantic feature analysis, microcomputer database program use; 9000540

Spanish methods/materials proper use, US Hispanic students; reading process, current understanding reflection; 9003132

specialized reading program development, dyslexic students; screening/identification guidelines; 9002376

specific reading disorders, Irlen lenses treatment viability; scotopic-sensitive children; 9007881

spelling instruction guidelines, elementary school level, relevant re-search/literature basis; 9000168

spelling strategies, 1st graders; journal-writing samples, observations; 9007940

spelling/decoding instruction integration, word order/structure basis; 9000558

spelling/sight word reading accuracy remediation, oral fluent model use, reading-deficient senior high school students; 9000653

spontaneous pleasure reading, antecedents/consequences/psychology;

standardized reading comprehension performance, reciprocal teaching benefits; 4th-/7th-grade students; 9007935

story comprehension improvement, below average readers; story impressions writing activity, narrative texts reading preparation; 9000595

story grammar comprehension strategy effects, low-performing stu-dents' short-story comprehension ability; 9th/10th graders; 9000517

story schema use, black inner city 5th/6th graders' written narratives; good vs poor readers; 9005730

storybook reading, kindergarten teachers' instructional methods, fa-cilitative characteristics, child's literacy development; 9005572

storyreading/basic skills development, scaffolding use; 9005588 storytelling use, teaching tool, spoken/printed media communication improvement; 9007963

strategic reading, associated mental acts direct explanation effects, naturalistic classroom setting; 3rd-grade low reading group teachers/students; 9000526

strategic/independent reading promotion, think cards use; 9005531 student answer completeness/correctness; advance organizers; experiments; 8th graders; 9007983

student classification systems interactions, central office/local schools planning/implementation cooperation; 9003152

student learning preferences/professors' behaviors/expectations differences, A. F. Gregorc's mind styles theory; 9000620

study-reading instruction types effects, history text exam performance; college-level students; 9000519

successful Navajo readers' sociocultural environments/home characteristics; 5th graders; 9003146

successful reading program, local education superintendent's support/ active involvement importance; 9003120

Sudanese rural-area literacy programs, Gudschinsky method adaptation; 9003197

summarizing strategies, junior college freshmen; protocol analysis, ho-listic scoring; 9005654

summary writing effects, American/English as a second language university freshmen's reading comprehension; 9000566

supplemental instruction program, learning/thinking skills develop-ment; community college students, high-risk course; 9000663 sustained silent reading program modification, kindergarten/1st-grade use; 9000574

Tanzanian postliteracy, socioeconomic/political impact; 9003164 taxonomic linguistic hierarchy, instructional suggestions; reading/ reading research impact; 9005578

teacher education, pre-/in-service educators, strategic overlay model implementation; 9007922

teacher-directed/student-mediated textbook comprehension strategies; 9003215

teachers' connection questions use, student identification facilitation, text ideas relationship; 9000605 technical texts' "substitution" verbs, German for special purposes stu-

dents' reading comprehension; 9007618

test preparation, text patterns/question prediction use, organizational patterns/specific content relationship; 9000533 test-taking strategies, self-sufficient learners; information-processing

approach, cognitive psychology research basis; 9000479 text comprehension ability/self-monitoring process correlation; reading experiment; Japanese 4th/6th graders; 9008056

text comprehension enhancement, D. Durkin's ideas/cognitive science field developments; 9005604

text comprehension strategies instruction, adult poor readers; self questioning/summarizing techniques; subjects aged 17-66; 9005502 text comprehension/strategy transfer, reading guides differential effects; 11th graders; 9000484

text information rearrangement, creative graphing process; reading comprehension benefits; 9003158

text interpretation, illustrations/pictures use strategies positive/ negative evidence; 5-year-olds, New Zealand; 9000545

text interpretation, syntactic/pragmalinguistic means; Brazilian jokes; 9003897

text material content comprehension, audiotaped versions effects; 7th graders; 9000649

text strategies development/use, whole language classroom effects; retained 1st graders; 9005625

text structure/summarization instruction, expository text learning facilitation; 5th graders; 9000483

textbook comprehension, text structure strategy acquisition/ effectiveness; 9007851

textbook use, elementary vs secondary teachers; survey; 9000512 theory-based basal reading program materials evaluation, Progra Profile Continuum Survey/Program Profile Instrument; 9003140

thinking processes improvement, inductive towers use; 9005536 thinking skills absence, evaluation process as cause; 9000535

titles analysis, pragmatic standpoint; French magazines; 9006307 'top down" reading instruction method, severely deaf children; interactive model basis; 9004721

traditional reading instruction alternatives implementation/evaluation, 2nd-grade classroom: 9000529

TV viewing time/pleasure reading relationship, self-reported behavior, 11-to-16-year-olds; 9000559

universal literacy concept; Denmark's vs US's techniques/educational philosophy; 9003248

university reading clinics' clientele/functions/tests, national US survey; 9000569

US literacy function/significance; historical perspective; 9007866 US newspaper literacy program, Nigerian application possibilities; 9003195

verbal/visual literacy, symbiotic relationship, student achievement fa-cilitation; 9003122

visual/print literacy, theoretical considerations/contact points;

visually impaired students' reading medium determination, diagnostic teaching approach; 9005674

vocabulary acquisition, deficient readers' past/current strategies influence, mnemonic-/semantic-based strategies application; 4th/5th graders; 9007407

vocabulary increase, at-risk students, literature/multimobility techniques use; 9007869

vocabulary instruction as prewriting technique; 7th graders; 9000527 vocabulary instruction method, long-term retention; 9007980

vocabulary instruction, basal reading lesson observations; 6th-grade classroom; 9003092

vocabulary instruction, current methodologies' ineffectiveness; 9000576

vocabulary instruction, individual word meanings vs word-meaning contextual derivation approaches; 5th graders; 9005566

vocabulary instruction, remedial teachers' strategies; 9003227 vocabulary instruction, writing skills promotion; 9003119

vocabulary instructional practices, 4th-/5th-grade reading teachers; questionnaire; 9003173

vocabulary learning, student self-instruction; 9003224

vocabulary recall/comprehension, keyword learning method effects; learning-disabled adolescents; 9004841

vocabulary teaching instruction, semantic elaboration/fit methods effectiveness; hearing-impaired/learning-disabled students; 9000160

voluntary reading promotion, innercity children; recreational reading effects, children's reading behavior/attitudes; New York City children aged 6-10; 9003182

volunteer adult literacy program, success factors; 9007889

volunteer read-aloud program design/development feasibility, 2nd-grade level; 9007989

whole language instruction philosophy, authorship as key facet impor-tance, literacy development; 9007929

whole language instruction practices evaluation, 2nd-/6th-grade class-rooms; 9002640

whole language instruction, applications, literacy development; 9002627

whole language program implementation, New Hampshire rural school; 9002656

whole language program, teacher's role, direct/indirect instruction model; oral/written language development, high risk kindergartners-2nd graders; 9005612

whole language, content learning/literacy/language overriding theory/viewpoint; 9003079

whole-language instruction, future influence; 9002639

wholistic learning environment, literacy learning natural facilitation; children aged 8:6-11:9; 9000497

word knowledge improvement/increase, three procedures effects; older disabled readers; 9005580

word knowledge/content area text comprehension; preteaching vocab-ulary, vocabulary/comprehension measures; freshmen; 9007942

word learning, contextual information use limitations; R. Vacca's/J. A. Vacca's strategy outlined; 9000577

word reading ability, isolation vs context effects controversy; good vs poor 6- vs 8-year-old readers; 9005584

word recognition instruction, bigrams use, high/low segmenters; kindergartners; 9007978

word recognition learning, primary basal series, repetition require-ment; mildly handicapped students aged 8-13; 9000552

word recognition/spelling ability variance, orthographic processing ability explanation; 9008067

word sorting as teaching strategy, automatic word-recognition/spelling abilities improvement, informal spelling inventory errors/creative writing samples evaluation basis; 9007857
word-meaning derivation, morphological analysis use effects; multiple-choice vocabulary tests; 3rd/4th graders; 900804; multiple-choice vocabulary tests; 3rd/4th graders; 90806; 9006628

word-part clues use instruction, elementary students; 9005628 word-recognition development; closed-captioned TV use; below-average 3rd-/4th-grade readers; 9007986 writing/reading collaborative instruction importance, thinking/ reasoning/meaning expression abilities development; 9000632

writing/reading instruction, computer enhancement, kindergarten classroom; 9000550

writing/reading instruction, sentence-combining approach; W. I. M. van Calcar's critique refuted; 9003438

written-language instruction/process, personality/task/cognition/text type variables, writing/reading instruction relationship; 9000803 written/oral storying, educational value; 9000513

youth/adult educational reading materials, Chinese Little Man's Book use/history; 9008009

Reading Materials

African children's literature growth, oral storytelling tradition continuation; 9003284

analogical reasoning existence, basal reading materials; 9003261 basal programs' influence, 4th-grade reading instruction; 9005631

basal reader abandonment, transition process; 9005519

basal reader assessment, skill trace method proposed; 9003268

basal reader selection/reading curriculum, local censorship impact; in-formal survey techniques, Florida/Alabama/Tennessee cases' effects; 9003273

basal readers use, teachers' decisions; 9003272

basal readers workbooks' readability/format/directions/objectives; preprimer-eighth levels; 9005645

basal readers' effectiveness/fundamental role, US education system; claims/counterclaims; 9005644

basal readers' impact, reading curriculum; research-based reading program; 9003269

basal readers' introduced vocabulary words increase, necessary instructional adjustments; 9005643

basal readers' readiness/priming sequence, content analysis; recent publications; 9003285

basal readers' role, elementary school reading programs; improvement techniques; 9005629

basal readers' story structure, Houghton Mifflin/Scott, Foresman Reading Programs; 9000681

basal readers'/social studies textbooks' visual displays evaluated;

basal readers, past vs present female characters portrayal; 9003277 basal readers, primary school children's judgments/perceptions; 9003266

basal readers, real literature as complement; 9007937

basal readers, sentence-combining instruction source; 9000683 basal readers, state-level adoption goals/processes/recommendations;

9005636 basal reading instruction, children's understanding, social/academic

significance/consequences; 9005632 basal reading program, teachers' within-program decision-making re-sistance; 9003286

basal reading program, whole language approach compared; teacher's opinions/frustrations; 9005637

basal reading programs rejection, whole language approach adoption; Milwaukee teachers' experiences; 9005590

basal reading series critics addressed; 9005641

basal reading series, visible minorities frequency appearance; 9008010 basal reading series/standardized reading tests, comparative content analysis; 9003282

basal reading texts evaluation/selection, teacher survey; 9000680 basal textbook readers, award-winning stories adaptations/ simplification claims refuted; 9003267

beginning reading instruction techniques, real literature use, purpose-ful reading; 9000678 British Columbia elementary schools' literacy curriculum, 1945-1960; critical analysis; 9005640

British primary reading schemes, ethnic Chinese/Japanese peoples' portrayal; 9000684

chemistry text comprehension/recall problem, excessive ideas; 9003279

children's biographies, Nigerian figures; critical/cultural assessment;

children's books, characters' resiliency traits; 9008020

children's classics, 4th/5th graders' ratings; 9003290

children's decontextualized language use, parents' storybook reading strategies influence; 9005036

children's literature use, remedial readers' self-image improvement; 9003287

children's literature, epideictic rhetoric function, multifaceted theory; 9000685

children's literature, language adjustment/variation, Swedish books; 9008466

children's literature, school adjustment topics; preschool-adolescent au-

children's literature, visual interpretation instruction; 9007906 children's literature/literacy, A. P. L. Sarrat Saumell's opinions;

children's reading materials, M. Russo interviewed; 9003289 children's storytelling, meaning prediction/language patterns anticipation accuracy, repetitious language patterns/cumulative story events facilitative effects; 9005581

Chinese children's books, imagination role changes; content analysis;

college textbooks' readability levels effects, students' academic performance; 9003288

comprehension monitoring/reading comprehension; text difficulty; average 5th-grade readers; 9008046

content reading activation, historical computer simulations use; 7th/ 8th/10th graders; 9000686

content-area material learning/retention, prereading strategies effects; high school students; 9003141

content-area reading, student motivation/interest activation strategies/lesson plans/guidelines; 9005573

context dependence, commercially prepared comprehension materials; 5th graders; 9000668

Curious George series experimental use, 2nd-/3rd-grade poor readers improvement; 9005596

directed reading-thinking activity content, nonfiction material compre-hension instruction; data charts incorporation, model lessons; 9005639

disabled readers, computer-based text impact, hypermedia systems development/use; 9009804

DISTAR reading program effectiveness, primary students' developing language skills; 9007973

elderly treatment, children's fiction books, primary grades, 1960-1972/1973-1986; content analysis; 9005646

English as a second language instruction, reading materials selection, contemporary fiction, German gymnasium; 9005279

English as a second language reading instruction, non-Western literature use; 9002866

English as a second language remedial reading instruction, close-captioned commercial TV; high-school classroom; 9000677

English as a second language writing development, simplified readers effect; subjects aged 10-11; 9005624

English texts' readability assessment; Austrian pupils; 9008012 environmental education instruction, children's literature use; annotat-

ed booklist; 9003193 fictional texts/young people interaction, cultural/ideological/ experiential factors; educational setting/framework; subjects aged

11+/14+; 9005605 Francophone literature instruction, French-language students' needs consideration; secondary school diploma possibility; 9008016

French as a second language, reading materials description; 9002733 friendly texts' features/determinants; 9005635

Hispanic images/portrayal, US basal reading series; 9000676 independent reading promotion/motivation, English as a second language Japanese students; 9003278

informational action books as special resources, middle-school level

science/social studies concepts portrayal; 9003264 instructional text design models, M. F. Graves's work partially replicated/extended; 11th graders; 9007892

language arts instruction materials, California's ambitious reform; 9003260

language content, selected college English textbooks; 9003281 language structure relationship, basal readers/1st/2nd/4th/6th graders' oral language patterns; 9000520

library materials, cultural pluralism representation importance/ demand; 9003283

literacy/social knowledge access, basal readers' limitations; 9005638 literal/inferential reading comprehension, short story types effects; 10th-grade language arts students; 9005696

literary assignments' dual purposes, across curriculum, college level; 9000613

literature predictability, children's preferences/comprehension link; 3rd-8th graders; 9000582

literature webbing strategy lesson use, predictable children's books;

literature-based reading instruction, research findings; 9008022 literature-based reading programs development, teacher/student con-ferral importance; 9003229

literature-based reading, teachers' interpretations; qualitative data, ethnographic techniques; elementary classroom case studies; 9008008

low-vision students' print access methods compared, reading speeds/ cost efficiency; visually impaired students aged 4-22; 9007321

main idea comprehension assessment, informal reading inventories suitability; 9005713

mass media as beneficial didactic resource, journalism class; personal newspaper writing; 9003263

McGuffey Eclectic Readers, past/present value; 9000670

middle school reading program development, thematic units/individual reading assignments use; 9005537

mythology relevance/inclusion, junior high school language arts program; 9008017

narrative vs expository textbook structure, students' achievement/ attitudes effects; high school students; 9008011

native language literacy acquisition, post-second-language literacy dif-ficulties, transition primers use; 9003280

newspapers use, nonnarrative/narrative reading/writing instruction techniques/activities; 9003265

oral reading speed, foreground/background computer-display color effects; visually impaired junior/senior high school students; 9003340 Pine Barrens (New Jersey) characters/legends, childrens' reading en-

joyment; 9008014

popular reading literature history, UK case study; 9006948 predictable literature selections/activities, language arts instruction; traditional literacy evaluations vs continual observation; 9003275

preschoolers' oral conversational language, written texts formalized language relation; D. Olson interviewed; 9003257

preservice teacher training, reading texts evaluation ability importance; 9003106

readability assessment, discourse-based approach; 9005642 readability formula development, novels' stylistic age basis; 9005634 reader response, experienced adolescent readers' author constructs; 9008032

readers' meaning creation process, literary texts; think-aloud protocols, interviews; 9005660

reading ability/attitude; children's home/school book reading; stu-dent/parent interviews, observations; 9007835

reading achievement, basal vs whole language approaches use; 1st graders; 9007917

reading achievement, sex differences, recent research reviewed; 9007925

reading achievement; supplementary reading approaches; 1st-grade students; 9007962

reading acquisition approaches compared, 1st-grade high/middle/low reading groups; "whole language" approach supported; 9000539 reading aloud, traditional vs modeled approach, children's responses; enlarged texts use; kindergartners; 9000505

reading books, distinct discourse structures use, possible social worlds/ characters presentation, beginning school level; 9003262

reading comprehension enhancement, trade books use, high school English classes; 9007910

reading comprehension instruction, story grammar use; learning-disabled high school students; 9009811

reading deficiencies, individualized remediation program; elementary level teachers/students; 9000573

reading habit promotion/material availability improvement efforts, Nigeria; 9000609

reading instruction basalization, US; reading comprehension misconception; 9005559

reading instruction methods/materials, adult beginning readers; teacher survey; 9005529

reading instruction strategies restructuring, unstructured basal stories; 9000481

reading instruction, classroom/beginning reading books discourse analysis; C. Baker interviewed; 9003258

reading instruction, fluency instruction incorporation principles, com-mercially produced curricula/materials failure; 9007954

reading instruction, high risk beginning readers; students' tape recorded oral story renditions, enlarged text compilation result; 9005623

reading instruction, real literature use approaches, elementary level; 9007981

reading instruction, successful literature incorporation; 9007915 reading instruction/library creation challenges, illiterate population, Republic of Togo; 9005520

reading materials development/production/distribution, ongoing ver-nacular literacy program establishment conditions; 9003271

reading materials overproduction, tongue-in-cheek solution; 9005748 reading materials preference, textbook vs peer stories; San José (Costa Rica) third graders; 9000671

reading materials selection, pedagogical practices improvement, Bue-nos Aires schools; 9003270

reading prediction strategies, children's pattern books use; 9008021 reading primers preparation, non-Western cultures' learning styles importance; Sabaot (Nilotic) example; 9008045

reading processes description/analysis, remedial reading college freshmen; short story interactions; 9005661

reading theory/research integration, reading instruction practices; 9007931

reading/learning strategies development, interactive computer program use; concept mapping instruction, undergraduate biology class; 9005576

reading/science team teaching, cross-curriculum substance abuse unit; 9000516

reading/writing instruction, process approach, Afro-American short story use; secondary-school guide; 9005564
Rostowski, M. I., 1987 IRA Children's Book Award winner (After the

Dancing Days) interviewed; 9000511

science textbooks'/standardized tests' content comparability/ readability; 9003276

seatwork cost estimation, 2nd-grade classroom; 9008015

seatwork during reading instruction, elementary teachers' theoretical knowledge use/students' on-task behavior relationship; 9007970

second-grade basal readers, universal moral values content analysis; 9008018

second-language reading instruction, materials/annotation method; French as a second language Dutch learners; 9003150

second-language skill development; similarly organized extensive read-ing programs; essays; male secondary school English learners, Paki-stan; 9007602

sex equality changes, Caldecott winners/Honor books, 1981-1985 vs earlier award winners; 9000672

sex role portrayal, English texts/reading materials, Nigerian second-ary schools; 9000673

Southern English dialects introduction, literature use, elementary level; 9005633

Spanish methods/materials proper use, US Hispanic students; reading process, current understanding reflection; 9003132

standardized reading tests' effectiveness, elementary school level; basal readers'/assessment tests' inconsistent writing types; 9000745

text cohesion effects, student recall; 9000669

text material content comprehension, audiotaped versions effects; 7th graders; 9000649

text organization/structure, prereading questions/advance organizers; 4th-/6th-grade science textbooks; 9000674

text/illustration relationship, children's books, translator's perspective;

textbook comprehension, text structure strategy acquisition/ effectiveness; 9007851

textbook use, elementary vs secondary teachers; survey; 9000512 theory-based basal reading program materials evaluation, Program
Profile Continuum Survey/Program Profile Instrument; 9003140

US reading series complete cross-referenced index, kindergarten-8th grade; 9003274
US young adult fiction, Singapore readers' responses, cross-cultural differences; interviews; 9008013

vocabulary increase, at-risk students, literature/multimobility techniques use; 9007869

voluntary summer reading behavior; survey/reading log/parent interviews; 10-/11-/12-year-olds; 9008052

whole language program implementation, New Hampshire rural school; 9002656

wordless picture books use, reading instruction, linguistically/ culturally different students; 9000675

young readers' novels, style/narratology; 9008019

youth/adult educational reading materials, Chinese Little Man's Book use/history; 9008009

Reading Proces

able/disabled readers' performance, intra-/inter-modal haptic/visual processing tasks; elementary school grades; 9003318

abstract letter identification, developmentally dyslexic children;

adult nonreaders' reading concepts, knowledge- vs print-based strategies; 9005678

adult poor readers' inference generation ability, content/structure clues effects; 9000699 adult readers' code use assessment, nominal matches; visual processor

module; experiments; 9008026 adults' reading attitudes, Adult Survey of Reading Attitudes test development; 9008065

advance organizers, knowledge activation/integration view support; reading/paraphrasing texts; 9003309

automaticity/naming/reading processes, learning-disabled vs normally achieving college students; 9002365

beginning readers' linguistic retrieval/written words concept/naming ability, developmental course; kindergartners/1st graders; 9003300 beginning reading, metalinguistic abilities role; 1st graders; longitudinal study; 9000654

bilinguals' reading strategies transfer, native/second language; English as a foreign language reading instruction implications; 9008204 biliteracy framework, interrelated continua series proposed; 9005806 braille importance, blind persons' quality of life; 9005698

braille literacy decline causes, societal beliefs/misconceptions; 9005694

Braille prose reading, articulatory suppression; 9008054

causal reasoning on-line assessment, comprehension process; 9003294 children's comprehension evaluation/regulation, reading ability effects; 6th graders; 9005705

children's literature, school adjustment topics; preschool-adolescent audiences; 9000571

Children's reading performance/processing styles, Kaufman Asssment Battery for Children (K-ABC)/Prescriptive Reading Performance Test/modified Analytic Reading Inventory scores compared; elementary school children; 9004921

classroom reading problems; interviews; 13-/14-year-old students; 9008058

cognitive abilities/reading behavior/academic skills characterization, Upward Bound Project participants; 9008063

cognitive distance patterns, narrative text representations; connectivity vs position hypothesis; 9003304

cognitive processes description, reading/writing activities; above average 17-year-old vs below average 18-year-old; 9003323

cognitive processing rates, assessment, disabled/normal reading young adults; 9008079

cognitive style/performance field-dependent/-independent dimension, specific reading tasks; 3rd graders; 9003345 cognitive/auditory memory abilities, higher vs lower reading achievement gifted children; 9003313

coherence as reader/text/situational context interaction, readers' interpreting/inferencing role; 9005670

complete sentence reading, automatic-spreading activation effects, target-word naming latency; 3rd/6th graders; 9005703

comprehension monitoring performance, text difficulty/error type effects; good vs poor 7th-grade readers; 9005681

comprehension monitoring, postresponse information role; retention tests; high school students; 9008069 comprehension monitoring/reading comprehension; text difficulty; average 5th-grade readers; 9008046

comprehension performance, average readers; summarization strategy, varied test patterns; 9th graders; 9008043

computer-based word study program, response automaticity emphasis effects, reading/spelling ability; 3rd-5th graders; 9005704

computer-mediated text, comprehension differences, reading time/ reader preference/learning estimation roles; 5th/6th graders; 9003334

Concepts about Print test booklet, child's mental processes determina-tion; English/other languages/cultures adaptations/incorporation; Braille readers, preschoolers; 9005507

content instruction changes, action research use/teachers' involvement; 6th graders; 9000634

content reading activation, historical computer simulations use; 7th/ 8th/10th graders; 9000686

content reading strategies, postsecondary research base; 9005617 content-area reading difficulties experience, electronic journal excerpt use; 9005679

cooperative reading teams use, poor readers' attitudes improvement;

critical reading readiness development, primary grades; classroom activities; 9005510

critical reading-thinking instruction, changing approaches, 1960s-1980s; 9007996

critical thinking instruction, language experience approach, commercial advertising use; elementary schools; 9003076

critical thinking, reading/writing effects; 9005700

cumulative cloze use, contextual build-up investigation, deaf vs hearing readers; 9004728

deaf vs hearing children's emergent literacy, associated environmental factors; children aged 5:3-6:11; 9005663 decoding ability prediction, phonological awareness tasks role; reading-disabled/normally reading 3rd-/4th-grade males; 9007307

decoding strategies comparison, dysphonetic dyslexic children aged 10-13; 9002361

didactic narratives' morals, comprehension-generating model; adult/child readers; 9003305

direct-speech beginning reading texts, 1st-/2nd-year students' comprehension ability; 9000720

discourse comprehension/interpretation, narrative them delayed presentation effect, left/right hemisphere-damaged patients; 9005087 document information location tasks, analytical reasoning ability influ-

ence, cognitive process model; 9000707

Dutch as a second language instruction, self-reading authentic material design criteria; text's affective factors, syntactic/lexical complexity; 9000271

Dutch boxed vs unboxed (chained) constructions readability/ comprehension; question answering time, central element's attention value; undergraduates; 9005688

dyslexia, coherent conception establishment difficulties, cognitive hypotheses development demonstrated; 9002380

dyslexic subtypes, developmental model/perspective application; 9002371

elaborative inference, reading; compatibility hypothesis refuted; 9000108

elaborative inferences, psychological theories; schema-theoretic comprehension notion implications; 9000740

elderly adults' reading perceptions, abilities/needs; age differences; 9005503

elementary reading/writing instruction, comprehensive cooperative learning approach; 3rd/4th graders; 9000736

English as a second language learners' prereading activities, cultural groups' differential effects; Hispanics, Orientals, Arabs; 9003343

English as a second language learners' reasoning ability measurement, TOEFL reading comprehension subtest validity; adults; 9000434 English as a second language reading instruction, literary transfer process; Chinese students; 9002854

English as a second language reading, compensatory processing strategies; university students' cloze task performance, thematic context effect; 9000435

English expository texts reading comprehension; rhetorical structures; native Chinese speakers; 9008035

English-/Hebrew-speaking dyslexic children, impairment aspects; 9009825

English/Spanish oral reading miscues, comparative analysis; Spanishspeaking bilingual 6th graders; 9003314

speaking diffiguation in graders, 9003114
executive functions/free recall, normal vs dyslexic children aged 6-12;
neuropsychological analysis; 9007464

expository prose comprehension, field independence/dependence, textprovided vs learner-generated summary effects; 9005693

expository structures comprehension improvement, questions into paragraphs (QuIP) writing strategy use; 9000597

expository text comprehension, bridging/expectation knowledge-based inferences construction; timed lexical decision task; 9008055

expository text comprehension/recall, prior knowledge role; undergraduates; 9005699

expository text comprehension/retention, content-related attitude effects; Likert-scale questionnaire; pro-/antinuclear attitudes; 9003312

expository texts' sequential elements recall, diagrams impact; 9003310 expressive writing/aesthetic reading, cognitive/affective links; 9008034 eye fixations, reading, letter/word information integration; sentence

reading task; university students; 9008041
eye fixations, words' internal information distribution influence;
9003350

eye movements facilitation, repeated text reading paradigm; university students; 9008039

eye movements, temporal settings variation effects, sight-reading trumpet music/reading language aloud; 9003342

fiction/nonfiction cohesion processing, good vs poor secondary school readers; 9003321

fluent reading behavior, definitive characteristics; literature review; 9000705

foreign-language learners' scientific journal recall, text structure instruction effects; 9003302

foreign-language readers' expository prose recall/retention, top-level rhetorical structure effects; advanced placement Spanish students; 9000709

foreign-language reading instruction, psycholinguistic approaches; 9008071

foreign-language reading, proficiency level/reading outcome relationship; 9002979

gifted readers' learning styles/cognitive characteristics definition importance, effective reading program development, regular class-rooms; 9000631

gifted spellers' early/current reading/spelling practices; questionnaires; spelling bee finalists; 9005683

"good" reader inconsistent definitions, adults/middle/secondary/ elementary levels; 9005594

good vs poor readers' classroom behaviors, objectively observable categories; 9003244

good vs poor readers' text comprehension, cuing conditions effects; 9003335

grammatically/lexically ambiguous sentences' dual meanings, normal vs language-disabled teenagers' interpretation/paraphrase abilities; 9008030

grapheme-phoneme correspondences acquisition, normally achieving vs disabled readers; children aged 6-14; 9003339

hearing/seeing/reading complementarity; 9005664

high school students' narrative passage retention/comprehension, schemata activation effects, different structural levels; 9003319

higher order thinking skills instruction, current difficulties; 9007860 HOPALONG computer reading pacer; English as a second language students; 9007916

hyperlexic development, contributing factors; identification/ remediation suggestions; 9005556

inconsistent text, adult vs.7th-grade readers'/listeners' recall; 9000731 inflectional morphology, poor/normal readers, verbal deficit hypothesis aspect; 2nd/4th/6th graders; 9008033

informational/attitudinal metadiscourse as glossing effects, comprehension/decision-making practices, business setting; 9003328

intelligence/oral language/reading comprehension/written expression relationships, dyslexic vs nondyslexic 2nd-6th graders; 9003337 invented spelling, conscious phonological knowledge use/reading relation; preschoolers; 9005652

Japanese kana words reading, dual-route lexical access hypothesis validity; lexical decision task; Japanese university students; 9008074

Japanese kanji, linguistic properties affects, children's writing/reading skills development; elementary/junior high school students; 9001991 kana/kanji text reading, eye fixation/saccade, Japanese vs English text processing; 9000726

Kannada (Dravidian) script, vowels/consonants misreadings nature, good vs poor readers; 9003331

language processing immediacy, real time; moving window displays vs silent reading; 12th graders; 9008042

learning disability diagnosis, Jordan Left-Right Reversal Test validity; children aged 5-12; 9009865

learning-disabled adolescents' content area text comprehension, adjunct questions dyadic use effects; 9004846

letter naming ability development, critical/transitory importance; kindergartners/2nd graders; 9000739

letter processing, spelling vs reading; neurologically impaired subject's spared/impaired performance, complex pattern; 9002615 letter-by-letter reading, prelexical basis; case study; right-handed

male; 9005689 letter/word recognition, set-theoretic feature theory; 9008053

lexical decision task; repetition priming proportion; 9008060 lexicon models, morpheme's organizing/accessing role; paraphrase task; 10th/11th graders; 9008072

literacy issues, legally blind learners; 9005690

literacy promotion, effective educational conditions; traditional notions vs new perceptions; 9002665

literacy, contemporary teaching changes, children's reading/writing acquisition insights basis; 9002660

literal/inferential reading comprehension, various prereading activities effects; 5th graders; 9000480

literary assignments' dual purposes, across curriculum, college level; 9000613

literary text comprehension, foreign experiences processing; high school students' literary narrative reception analysis, cognitive processes; 9000711

literary texts reading, cognitive procedures; English as a foreign language students; 9007612

literary/expository texts comprehension, interactionist approach; high school/trade school students; 9003325

literature response, aesthetic/efferent stances use, age-level differences; 4th/6th/8th graders; 9008049

main idea comprehension, text effects; 4th/6th/11th graders; 9005669 main idea identification, picture stories/written narratives; alternative main idea statements ranking; 2nd/5th/8th graders; 9003353

math word problem solving, reading/reasoning skills instruction; 9003240

mental modeling processes use, poor readers' strategic ability improvement; 9003118 metacognition definition/illustration, reading activity context; 9003198 metacognition, teachers' classroom uses; 9000548

metadiscourse/anxiety interaction, children's social studies textbooks materials acquisition determination; 6th graders; 9003301

metaphor performance; direct feedback/practice; pre-/posttests; learning-disabled children; 9009802

mislocation errors, cued target letter reporting; lateral masking; experiments; 9008029

mnemonic imagery use, science content information recall; above-/ below-average 8th graders; 9003317

monitoring strategies development/use, good vs adequate readers; 8th graders; 9005651

music education, reading/writing/thinking skills integration; 9000528 narrative comprehension, causal structure effects; 9005702

narrative text comprehension processes, adults vs children; compara tive study segmented auto-presentation method application; 9000702

necessary knowledge types, newspaper reading; 9000011 oral reading behavior, culturally familiar/nonfamiliar expository texts; Miscue Analysis Profile/Reading Miscue Inventory; Iranian English as a second language readers; 9008048

oral reading performance improvement, self-monitoring strategy training; 8-year-old female; 9007926

oral reading performance, proficient vs nonproficient Chinese elementary students; psycholinguistic analysis; 9008028

oral reading speed, foreground/background computer-display color effects; visually impaired junior/senior high school students; 9003340

oral/silent reading miscues, 2nd/4th/6th graders; post hoc psychol-inguistic analysis; 9008050

oral/silent reading rates comprehension, various difficulty levels; 4th graders; 9000687

orthography/phonology relationship, Japanese/English/Serbo-Croatian; 9007471

"ownership of language experience" concept, comprehension process application; 9000553

parent-child book-reading events, language functions; 9005684 phonemic analysis, word properties effects; primary school children; 9003338

phonemic processing, grapheme context effects; Dutch undergraduates; 9005658

phonological sensitivity/sex/spoken language functions, search-passage type effect, letter cancellation task; Black English- vs Standard English-speaking 4th graders; 9000729

poor vs good middle-school readers, characteristics/deficits compared; 7th/8th graders; 9000712

predictive reading, questioning strategy development; 9008037 primerese text controls/distinctive features counterproductivity, 1stgrade reading instruction; 9003341

print information processing, encoding strategies; prelingually/ profoundly deaf children; 9008040

problem-solving schemata, narrative vs expository text structures; comprehension facilitation strategies; 9000724

proofreading, irrelevant/unrelated speech effects; memory disturbance, attention disruption, arousal; university students vs nonstudents; 9005672

proposition recall, imagery effects, text micro-/macrolevels; 5th graders; 9000713

prose processing abilities, self-generated learning strategy training effects; 4th/6th graders; 9000721

protocol analysis, reading research/teaching technique; 9007909 pseudohomophone effects, lexical decision task; 8-/11-year-old good vs poor readers; 9000714

reader autonomy framework, integrated perspective; specific classroom techniques; 9003316

reader response efficacy, elicitation vehicle, higher-order/abstract thinking skills use; 4th/8th/11th graders; 9000701

reader response, selected short stories, imagery/affect/structural importance relationships; convergence/divergence, quantitative/ qualitative methods; college classroom; 9003336

reader's pre-existing passage topic knowledge, memory as function, headings effect; 9003351

reader-text confrontation maximization, extended anticipation guide use, students' beliefs accommodation; 9000523

reader-text interaction, foreign-language learning; theoretical/practical aspects; 9000728

reader/text characteristics effects, reported imagery, pre-/postreading; 5th graders; 9008047

reader/text relationship, text computerization reference; 9003329 readers' meaning creation process, literary texts; think-aloud protocols, interviews; 9005660

readers' prior knowledge, assessment methods/techniques; 3rd-6th graders; 9000562

readers' word meaning recognition, unknown words; developmental changes; students aged 9/11; 9008024

reading ability assessment, words/letters attention shifts; 9003322 reading ability/text type/response task effects, college freshmen's main idea conceptions; 9000704

reading ability/textual structures instruction relationship; La Fontaine's fables reading activity; fifth graders; 9008073

reading achievement assessment importance, effective diagnostic teaching implementation; 9005722

reading achievement growth comparison, learning-disabled/lowachievement readers; 3rd-6th graders; 9000730

reading achievement/hemispheric performance relationship, black vs caucasian 4th/5th graders; 9005653

reading achievement/metalinguistic awareness relationship, 1st/2nd graders; 9000694

reading acquisition process; hemisphere-specific stimulation; P-/L-dyslexics; 9009803

reading acquisition, development considerations, biological/linguistic development correlation; 9003298

reading anxiety paradigm, empirical/theoretical extension; psychoanalytic framework, statistical analysis; 9005706

reading comprehension ability assessment, domain-specific knowledge facilitative effects; low-achieving readers; 9005682

reading comprehension assessment measures, studies' findings summa-rized; 9008078

reading comprehension assessment, standardized test/Illinois Inventory of Education Progress passages; retellings/semi-structured interviews vs multiple-choice test items scores; 9003362

reading comprehension conception, text content perception/ restructuring integration; 9000703

reading comprehension facilitation, learning-disabled students; meta-cognitive goals, instructional strategies; 9007296

reading comprehension monitoring, grade level/text type effects; 3rd-6th graders; 9003333

reading comprehension monitoring; gifted 7th graders; 9003235

reading comprehension performance, cultural schemata influence, able vs less-able English as a foreign language 12th graders, Thailand;

reading comprehension process, theoretical foundations, experiential factors; 9005667

reading comprehension repair strategies, use/predicted use/use awareness relationship, methodologies' converging evidence; 9003306

reading comprehension skills/metacognitive reading skills/reading at-titude development, childhood-adulthood; longitudinal study;

reading comprehension, causal network representation as psychologi-cally valid analysis supported; 9005701

reading comprehension, causal reasoning, process model; 9005662 reading comprehension, component subskills isolation; reading, spelling/information-processing speed tests; German 2nd graders; 9005692

reading comprehension, expository prose, structural (signaling) cues effects; research reviewed; 9003344

reading comprehension, first- vs second-language prose; national cul-ture interaction/effect; Nigerian 7th graders; 9000717

reading comprehension, interactive video instructional system material, forced pauses effect; undergraduates; 9000733

reading comprehension, lawyers'/law professors' metacognitive strategies, comprehension instruction, legal experts/novices; 9000722

reading comprehension, phonological mediation development; phonological recoding tasks, printed words; children aged 6-8; 9008031

reading comprehension, procedural facilitations effects; 5th-/6th-grade poor readers; 9003315 reading comprehension, schema-related strategies effects; 8th graders; 9005577

reading comprehension, spatial representation effects; 5th/6th graders; 9005677

reading comprehension, student-generated paragraph summaries ef-

fects; 7th/8th graders; 9005656 reading comprehension, systemic-functional language model; 9008038

reading comprehension, traditional vs contemporary views/definitions; 9003349

reading comprehension/mathematical problem-solving performance, print size adjustment effects; 1st-3rd graders; 9003308 reading comprehension/rate/decoding ability, teachers' evaluations/ subjective judgments accuracy; 9005712

reading comprehension/topical interests relationship, below-average reading 3rd-6th graders; 9008044

reading comprehension/word recognition/metacognitive performance relationship; 4th graders; 9000697

reading comprehension/writing performance, mapping strategies effects; 9003330

reading comprehension; signaling effects; 9008066

reading difficulties, preadolescents, componential approach; 4th-6th graders; 9000583

reading disabilities, social/emotional problems interrelationship; moti-vation/empowerment techniques; 9005665

reading disabilities/cerebral laterality relationship; dyslexic vs normal reading children; 9009812

reading fluency/comprehension, repeated reading effects; 2nd-grade transitional readers; 9000700

reading goal/textual support effects, children's inferential generation loci; 3rd/5th/8th graders vs adults; 9002491

reading growth/time spent reading relationship; 5th-/6th-grade students; 9008070

reading instruction, gifted students; higher comprehension levels emphasis, appropriate vocabulary/literature development; 9000565 reading instruction, recent experiments, new perspectives; 9005630

reading instruction, second-language teaching; 9005183 reading instruction/process; L. Rosenblatt's reading transactional the-

ory; 9000521 reading performance, individual differences/functional cerebral asym-

metry relationship; literature review; 9000696

reading prediction strategies, expert readers' use; 9008023

reading primers preparation, non-Western cultures' learning styles importance; Sabaot (Nilotic) example; 9008045

reading process components, experimental data/methods reexamined; 9000706

reading process, didactic implications; 9007985

reading process, full graphemic cues use/spelling ability relationship; 5th graders; 9000689

reading process, German noun capitalization effect, skilled/uskilled/ dyslexic readers; German orthography reform debate implications; 9000690

reading process, phonological activation; lexical decision/tachiscopy reading aloud tasks; 9003292

reading process, simplified/pedagogical definition; silent/oral reading distinction; 9000691

reading processes description/analysis, remedial reading college fresh-men; short story interactions; 9005661

reading processes, second-/foreign-language instruction; 9000727

reading psychophysiological bases, sensation vs perception; 9000695 reading rate, temporal features sensitivity; 9008027

reading rate/recall ability, instructional/mastery levels; repeated readings; learning-disabled vs nondisabled 3rd-5th graders; 9008064

reading strategies assessment, strategy interview guides' limitations; 9005119

reading strategies, syntactic/semantic/grapho-phonic cue systems reli-ance; inner-city children aged 7:6-8:6; 9005687 reading strategies, word/phrase presentation; good vs poor 4th-year junior readers; 9003293

reading subprocesses, eye movement methodology use; eye movement/ cognitive processes relationship; 9005673

reading tactics/aims correlation, psycholinguistic-pragmatic occur-rences; English texts, Brazilian science students; 9005686

reading universals hypothesis; French prose reading performance, English-speaking American college students; 9000698

reading, pleasure vs utilitarian purposes, dualistic social implications; 9003204

reading-writing strategy, question framing/answering; college reading class; 9000650

reading/cognitive learning processes development, learner cooperation importance; 9005649

reading/spelling processes, impaired literacy functions, Klinefelter XXXY syndrome; U. Frith's reading/spelling development framework; 9002387

reading/writing achievement, complex syntactic structures production/ comprehension relationships; undergraduates; 9003348

recall-recognition tasks, informative extended discourse concretization facilitative effects; 9000738

reciprocal reading technique, reading behavior modeling; 9005541 remedial readers' categorizing behavior, cognitive styles; case studies; subjects aged 10-13; 9005657

remedial readers' comprehension problems, helpful strategies/ activities; 9008062

repetitive reading/recall relationship; low/high achievers; 9007858 residual reading ability, deeply dyslexic patient; 9007492

script-typical events encoding, script theory assumptions contradicted; distracting task; 9000118

second-/foreign-language reading processes, psycholinguistic model; 9007780

second-language acquisition process, cognitive-psychological theory; Russian as a second language East German learners; 9003024

second-language instruction, reading/comprehension models/approaches; literature survey; 9007594

second-language reading comprehension, English scientific/popular science texts, Russian students; comprehension process facilitating factors; 9003326

second-language reading proficiency, first-language vocabulary knowl-edge effects; 9002994

second-language reading, native-/second-language reading process;
French as a second language instruction, reading teaching methodology; 9005202

semantic/structural information/constraints integration, reading pro-cess, information integration theory/functional measurement basis; high school students; 9003352

short paragraph reading/recall, inconsistent text-structure detection ability; 4th/6th/8th graders; 9005697

silent reading comprehension, 4th graders' self-monitoring; 9003299 situation-specific reading self-efficacy, interest/vocabulary difficulty/ print size influence; high-/low-achieving high school readers; 9003320

skilled reading processing requirements, behavioral/ electrophysiological responses relationships; componential/ electrophysiological analysis; 9003303

Spanish methods/materials proper use, US Hispanic students; reading process, current understanding reflection; 9003132

speech repetition/phonological encoding abilities, good vs poor 3rd-grade readers; 9005650

spelling errors, orthographic-specific comparison; learning-disabled vs normal children; 9005671

spelling instruction program development; third-grade class; 9000715 spelling/oral reading abilities connections; 3rd/5th graders; 9005707 spelling/reading/phonological skills development, early interactive processes; 1st-3rd grade; 9000693

spontaneous pleasure reading, antecedents/consequences/psychology; 9000606

standardized listening tests results; printed information amount; 3rd-8th graders; 9008036

story writing ability/reading comprehension, simplified story schema effect; good/poor 6th-grade readers; 9003431

strategic reading, associated mental acts direct explanation effects, naturalistic classroom setting; 3rd-grade low reading group teachers/students; 9000526

strategic/independent reading promotion, think cards use; 9005531 students' word schemas understanding; semantic regularities ratings; 7th/10th graders, undergraduates; 9007392

summarizing strategies, junior college freshmen; protocol analysis, ho-listic scoring; 9005654

syntactic comprehension difficulties, source identification; good/poor 2nd-grade readers; 9004850

technical expository prose comprehension, headings/previews/logical connectives effects; sophisticated college-level readers; 9000735

temporal terms before/after comprehension, good vs poor 2nd-grade readers; 9000723

test-taking strategies, self-sufficient learners; information-processing approach, cognitive psychology research basis; 9000479

text comprehensibility, contributing factors; 9006306

text comprehension ability/self-monitoring process correlation; reading experiment; Japanese 4th/6th graders; 9008056

text comprehension strategies instruction, adult poor readers; self questioning/summarizing techniques; subjects aged 17-66; 9005502 text comprehension, 4th-6th graders self-evaluation ability, three stan-dards use; 9008075

text comprehension, illustrations effect; Arabic-speaking 5th graders;

text comprehension, inference role; 9008059

text comprehension, oral/silent reading influence; 6th graders; 9003347

text comprehension, prior knowledge/interactive/constructive process-es role, content vs formal schemata influence; 9003297

text comprehension, unfamiliar text, prior knowledge/difficult vocabu-lary interaction/effect; 6th graders; 9005070

text genre/format effects, mothers' teaching strategies, black Head Start children's reading tasks; 9005685

text inferencing, individual knowledge structures dependence, "strong method" vs "weak" alternatve; 9003327 text reading/analysis definitions, Portuguese material; 9005655

text reading/comprehension processes, field dependence/reading success relationship; Group Embedded Figures Test/Nelson Denny Reading Test; college students; 9008025

text recall/comprehension, reading goals effects; 9003346

text structure schema differences, Filipino freshmen college students' reading comprehension; 9000692

text structure/content schemata operation, isolation/interaction; 5th/7th/9th graders/adults; 9000725

text structure/summarization instruction, expository text learning facilitation; 5th graders; 9000483

text's communicative topic/intention reconstruction, procedure operations identified; Russian material; 9000716

text-comprehension process modeling, cognitive perspective shortcomings; concept/predicate/knowledge notions ambiguity; 9000026

text-signaling devices effects, reading/memory processes; 9002451 texts' phrase boundaries, adult readers' sensitivity; reading ability/text difficulty interaction; good vs poor college-aged readers; 9003332

thematic selection, didactic text reading; speed changes, time-of-day effects; 9002467

thinking processes improvement, inductive towers use; 9005536 thinking skills absence, evaluation process as cause; 9000535

tree diagram effects, students' comprehension, multiple-theme expository text's main ideas; 9005668

visual perception deficits/learning disability relationship; letter-like forms task; learning-disabled/normal children, aged 6-7; 9009808 visually impaired students' reading medium determination, diagnostic teaching approach; 9005674

vocabulary teaching instruction, semantic elaboration/fit methods effectiveness; hearing-impaired/learning-disabled students; 9000160 voting behavior, simulated state question ballots readability effects; 9005680

wholistic learning environment, literacy learning natural facilitation; children aged 8:6-11:9; 9000497

word definition/prose recall, vocabulary difficulty/text length effects; 9003295

word learning, children's early reading processes; eye movements; 9003296

word meaning incidental acquisition, varied text features influence; 8th graders; 9000710

word processing, text as evolving structure; reading/writing implications; 9000768

word reading ability, isolation vs context effects controversy; good vs poor 6- vs 8-year-old readers; 9005584

word reading, Stroop-like interference components; 9005675 word recognition ability, phoneme segmentation/single sound-letter correspondence skills; prereading 4-year-olds; 9008068

word recognition during reading, underlying cognitive mechanisms, experimental techniques; 9000719

word recognition latencies, end-of-year 1st-grade readers; repeated readings, consistent vs varied syntax; 9000718

word recognition speed, related words frequency relationship; lexical decision task; 9008057

word recognition, silent vs oral reading; context influence/use; 2nd/6th/8th graders; 9005695

word recognition/spelling cognitive relationship; 1st-3rd graders; 9005666

word-reading strategies, comprehension/reading time/phonemic awareness relations; 2nd/3rd graders; 9003307

word-reading times, moving-window methods; word type effects/ subject-paced experiments; 9003311 word-recognition ability, varying spelling-to-sound correspondences; good/poor readers/spellers aged 9-11.5; 9000732

good/poor readers/speilers aged 9-11.5; 9000/32 writing placement test success/reading placement test failures, community college students; case studies; 9003324

written language knowledge, environmental/functional print reading; children aged 3-6; 9003068

cemaren aged 3-6; 9003068 written response/orthographic knowledge relationship; mixed-grade (1st-3rd)/-ability classroom; 9005648

written text comprehension, making texts "talk" concept, discourse analysis; 9005676

## Reading Rate

computer-assisted reading instruction, remedial readers' motivation improvement; junior high school students; 9005539

HOPALONG computer reading pacer; English as a second language students; 9007916

oral reading speed, foreground/background computer-display color effects; visually impaired junior/senior high school students; 9003340 reading comprehension/rate/decoding ability, teachers' evaluations/subjective judgments accuracy; 9005712

reading fluency, repeated reading vs listening-while-reading effects; 3rd graders; 9003208

reading rate, temporal features sensitivity; 9008027

reading rate/comprehension, repeated readings vs segmenting written texts instructional methods effects; below grade level 4th-/5th-grade

readers; 9003237

reading rate/recall ability, instructional/mastery levels; repeated readings; learning-disabled vs nondisabled 3rd-5th graders; 9008064 word-reading times, moving-window methods; word type effects/ subject-paced experiments; 9003311

Reading Readiness

alphabet learning, kindergarten child's perspective; 9007841 basal readers' readiness/priming sequence, content analysis; recent publications; 9003285

beginning reading, metalinguistic abilities role; 1st graders; longitudinal study; 9000654

book-sharing techniques, mothers/infants aged 0:6/1:0/2:0; linguistic/ literary/positional/effective behaviors; videotapes; 9000476

child literacy/reading readiness, conservation notions/semantic correlates; 9002487

child's early reading development, parents' role; 9005516

children's early metalinguistic skills development, parental involvement effects; 9005512

children's literacy achievement, parents'/teachers'/principals' roles; middle- vs lower-class background influence; 9005513

children's print awareness development, various print environments classrooms; 9007849

children's reading skills/TV viewing relationship, research reviewed; 9003061

Concepts about Print test booklet, child's mental processes determination; English/other languages/cultures adaptations/incorporation; Braille readers, preschoolers; 9005507

cooperative reading teams use, poor readers' attitudes improvement; 9005571

critical reading readiness development, primary grades; classroom activities; 9005510

curiosity/print awareness relationship; 4-year-olds; 9003064 early literacy, frequent story reading exposure positive effects; 4-year-olds; 9000475

early reading promotion, merits/inappropriate pressure creation; proper encouragement techniques; 9000659

emergent literacy behaviors, home environment effect; preschoolers; 9003063

emergent literacy, recent research; traditional kindergarten writing limitations, current recommendations; 9000473

emerging literacy preparation, two-fold theory, parents' roles; 9003072
English/Spanish reading readiness/language development, basal vs
Ashton-Warner language experience approaches' comparative effectiveness; Spanish-language-dominant 1st graders; 9000656

First Grade Readiness Assessment initiation, historical description; 9008076

initial reading/writing instruction, West German discovery approach pedagogical/methodical principles; 9000500

kindergarten readiness/admittance criteria, chronological age vs developmental ability; 9005515

kindergarten reading acquisition, teachers' conceptual frameworks/ instructional behavior relationship; reading profile/observations/ interviews; 9007874

kindergarten reading program, learning environment establishment framework; 9003125

kindergarten reading programs testing practices, developmental vs academic tests; 9000744

kindergarten reading success program development/approach/ application/objectives, Durham, North Carolina; 9007837

kindergartners' emerging literacy; daily self-generated writing/word processing/phonics instruction; pre-/posttests/Rating Technique for Early Attempts to Rate Stories/Metropolitan Readiness Test; 9007840

kindergartners' oral reading performance/attitudes, beginning reading programs' effects; 9003067

kindergartners' print concepts attainment, specific read-aloud strategies effects; 9003062

kindergartners' writing/reading performance relationship; California Achievement Test; 9007843

literacy achievement, cognitive skills prerequisite questioned; severely retarded Italian boy aged 8:11; comment, reply; 9005508

literacy development, readers'/writers' empowerment; belief questioning; low-/regular-achieving 3rd/6th/9th graders; 9007897

literacy instruction/learning, kindergarten classrooms' social/linguistic environments; naturalistic study; 9000472

literacy learning, psychological/social interaction role; preschool students; 9007845

literacy programs, prekindergarten, research base; 9007847 literacy role description/explanation, New York state public schools discussions; recursive questions, naturalistic inquiry; 9000474 literacy, young children's experience/knowledge, reading-writing relationship; 9007941

literacy-related behavior development, classroom exercises/ experiences; kindergarten classroom; 9000471

literate behavior nature, pretend play episodes; 4-/5-year-olds; 9005514

literate behavior, pretend play episodes; children aged 4/5; 9003071 prereaders' print concepts acquisition, school type effect; children aged 3-5; 9005506

prereading skills assessment, informal reading readiness inventory development proposed; 9003356

preschool children's reading attitudes; picture symbol prereading program; tests; children aged 4-5; 9007839

Preschool Reading Experience Program effects, 4-/5-year-olds' attitudes/prereading skills; 9005523

preschoolers' inquiries content/frequency, parents reading aloud, home environment; longitudinal study; audiotaped interactions; 9005517 preschoolers' spoken communication, form/content distinction, literacy

relationship; 9007838

preschoolers' symbolic play/metalinguistic verbs use/emergent literacy; short-term longitudinal study; 9003066

print awareness development, three instructional approaches effect; kindergartners; 9007844

print literacy development, kindergartners' word processor use;

reading ability/attitude; children's home/school book reading; stu-dent/parent interviews, observations; 9007835

reading achievement, kindergarten screening as predictor reliability/ validity; 9007842

reading amount/achievement relation; out-of-school activities survey; 5th graders; 9003060

reading instruction, kindergarten level, Georgia; 9007848

reading instruction, "word" concepts/definitions; preschool/kindergarten/1st-grade students; 9007846

reading proficiency development/nature, contemporary research overview; 9005504 reading readiness skills development, phoneme segmentation training

effect; kindergartners; 9005505

reading readiness, developmental maturity/test performance relation-ship; kindergartners; 9005511

reading readiness, phoneme segmentation training effects, kindergartners; 9000485

reading readiness, preschoolers; parents'/reading specialists' home environment contributions; 9003073

reading, 1st graders' perceptions; participant observation, in-depth in-terviews, document analysis; 9003069

reading/writing practices observation, cross-section classrooms, New Zealand 5-year-olds; 9003200

reading/writing skills instruction, modified key vocabulary approach; lst graders; 9007966

school developmental placement program, behavioral/maturational vs chronological age as criterion; 9007836

text interpretation, illustrations/pictures use strategies positive/ negative evidence; 5-year-olds, New Zealand; 9000545 textual production, 1st-grade Brazilian students' readiness potential;

9003065

Thiberge Picture Test calibration, young children's language conditioning assessment; native French-speaking/immigrant kindergartners; 9005509

TV viewing/reading performance relationship, displacement hypothesis, framework; 9003070

word recognition ability, phoneme segmentation/single sound-letter correspondence skills; prereading 4-year-olds; 9008068

written language functions awareness, kindergartners' perceptions/ reading readiness relationship; 9003074

written language knowledge, environmental/functional print reading; children aged 3-6; 9003068

written language; preliterate children's conceptions; 9000062 Reading Testing

adult basic education reading testing practices, US; descriptive study; 9008095

adult education reading assessment, autonomous/pragmatic literacy models; Test of Adult Basic Education earlier vs modified version;

adults' reading progress assessment, classroom research development/ execution; teacher research advantages/limitations; 9005498

aphasia test batteries' appropriateness, adult closed-head-injured patients; 9007502

basal reading series/standardized reading tests, comparative content analysis; 9003282

Chapter One diagnostic reading materials development, student interview use importance; 9008092

Chapter One diagnostic reading profiles development, interviewing use importance; 4th graders; 9008091

children's literacy assessment, group administered norm-referenced tests vs individual teacher assessment; 9000749

children's reading performance/processing styles, Kaufman Asssment Battery for Children (K-ABC)/Prescriptive Reading Performance Test/modified Analytic Reading Inventory scores compared; ele-mentary school children; 9004921

cloze passages, group vs individual completion; graduates vs undergraduates; 9008086

Cognitive Levels Test/Woodcock Reading Mastery Tests/KeyMath Diagnostic Arithmetic Test results correlation; kindergarten through second-grade students; 9004920

college-level reading instruction, standardized reading tests use;

content area vocabulary understanding evaluation, alternative formats, mental operation processes incorporation; 9000643

conventional standard reading inventory formats upgrading/ expansion/diversification, disabled readers' assessment improve-ment, general framework; 9000747

developmental reading disabilities cause variables, reading-level-/ chronological-age-match designs use; 9008084

diagnostic information attainment, at-risk readers; informal analysis, Slosson Intelligence Test use; 9005717

English as a foreign language reading comprehension, redundancy in-fluence, coherent/cohesive properties; native Hebrew speakers;

English as a second language reading, schema theory tested; Stanford Diagnostic Reading Test, Level Brown; Egyptian adults; 9000322

English competency tests, regular vs remedial class preparation, post-acquisition phase; 9000644

English reading test performance, influential factors identifiation; Spanish-English bilingual 5th/6th graders; 9000746

error analysis use effectiveness, reading comprehension assessment, college freshmen; Applegate Reading Comprehension Test/Cooperative English Test, Reading Section composite scores; 9000743

First Grade Readiness Assessment initiation, historical description; 9008076

foreign-language reading comprehension testing, English-speaking students; methodological flaws, possible alternatives; 9000753 informal reading inventories' potential; 9003354

informal spelling assessment use, students' orthographic knowledge levels evaluation, student grouping, primary classroom word study/directed reading; 9007859

instructional reading level ascertainment, Betts criteria as guidelines use questioned; 9005718

instructional reading levels determination, 1986 Metropolitan Achievement Reading Comprehension Test vs basal reader placement tests' validity; 2nd/4th/6th graders; 9000756

instructional/independent reading levels analysis, 2nd/5th graders, selected Christian schools, central Alabama; 9000754

kindergarten reading programs testing practices, developmental vs academic tests; 9000744

listening/reading comprehension measurement, sentence verification technique, developing countries; 9005714

literacy assessment, classroom context, internal alternative; 9000742 main idea comprehension assessment, informal reading inventories suitability; 9005713

"main idea" questions presence, informal reading inventories; 9003357 metacognitive reading ability, preservice teachers; protocol examination; 9003105

metalinguistic awareness, assessment instrument development/ validation; secondary readers; 9005709

Michigan Educational Assessment Program's 1987 pilot reading test, 4th graders' performance; 9000750

Missouri Kindergarten Inventory of Development Skills, 1st-grade reading achievement prediction inability; 9008097

multiple-choice comprehension tests, university students' performance delusions; 9003360

Pepper Visual Skills for Reading Test validity/clinical uses; 9005724 performance testing, Georgia, retention/dropout rate correlation; 9008096

prereading skills assessment, informal reading readiness inventory development proposed; 9003356
pretesting use, increased free-time allocation, intermediate readers; average/above-average 5th/6th graders; 9005723

reading achievement assessment importance, effective diagnostic teaching implementation; 9005722

reading achievement test performance, group size/examiner familiarity effects; junior high school remedial readers; 9000751

reading achievement, kindergarten screening as predictor reliability/ validity; 9007842

reading achievement, psychological processes/sex/cognitive processing reading treatment effects; 1st-3rd graders; 9003363

reading achievement, school entry age effect; grades 1-3/6; South Carolina Basic Skills Assessment Program Test; 9005719

reading achievement; cost/demographic factors; Metropolitan Achievement Test-6 scores; 4th graders, Arkansas school districts; 9008088

reading assessment principles/techniques, emergent literacy years; standardized tests use contrasted; 9000755

reading assessment, current knowledge/theories discrepancies;

reading assessment, new definition/objectives/tests, current theory/ research consistency; 9000761

reading attitude survey development/testing, elementary school students; 9000757

reading comprehension assessment dilemmas; 9005721

reading comprehension assessment measures, studies' findings summa-rized; 9008078

reading comprehension assessment, self-report techniques use; student questionnaire; 4th-11th graders; 9008077

reading comprehension assessment; standardized test/Illinois Inventory of Education Progress passages; retellings/semi-structured interviews vs multiple-choice test items scores; 9003362

reading comprehension evaluation problems, theoretical framework in-adequacy; literature survey; 9000688

reading comprehension evaluation, error detection/verbal report measures; 9008090

reading comprehension measures, Sentence Verification Technique vs Michigan Educational Assessment comprehension tests; 9008082

reading comprehension processes described/compared, multiple choice/cloze tests/retellings/nonassessed reading task; 6th graders;

reading comprehension strategies, process-oriented measures vs norm-/ criterion-referenced tests; 9000760

reading comprehension test achievement, test-wiseness/positive test motivation vs test-taking self-esteem awareness training influence; 8th graders; 9003355

reading comprehension test items, discourse analysis; English Japanese subtests, Japan university entrance exam; writers'/readers' perspectives; 9000748

reading comprehension testing, listening as alternative method; oral reading styles effects; high school students; 9003359

reading comprehension testing, multiple-choice format questioned; 9008081

reading comprehension tests' inappropriate penalization, poor short-term memory readers; 7th graders; 9003361

reading comprehension, intervention assessment, disabled readers;

reading comprehension, multiple-choice test-taking strategies; native Hebrew-speaking 10th graders; 9005484

reading comprehension/rate/decoding ability, teachers' evaluations/ subjective judgments accuracy; 9005712

reading disability subtypes, cluster analysis classification; psychometric test battery results; reading-disabled children aged 8:5-16:9; 9008094

reading disability, school history as diagnostic criterion validity; read-ing-disabled children/matched controls/twin pairs; 9008083

reading groups establishment, curriculum-based measures use; 9008003

reading instruction, Alberta's Diagnostic Reading Program evaluated; 9003171

reading instruction/evaluation, teacher as facilitator; 9000642 reading instruction/testing, current/new methods/techniques, London schools; 9000518

reading performance, dynamic/naturalistic assessment basis, place-ment decision instruments modification rationale; 9003365

reading performance, mildly educationally handicapped vs learning disabled children aged 12-15; 9009806

reading performance; reading while listening/listening/silent reading testing modes; 6th-grade boys vs girls; 9008087 reading skills expectation vs ability; Nelson Denny Reading test vs student responses; junior college students; 9003212 reading test results use, students basal/content materials placement,

elementary school teachers; 9003358

reading time measurement, eye movement recording techniques reevaluated; 9000762

reading-disabled children identification, Digit Naming Speed Test ef-fectiveness/incremental validity; 9004831

reading-level-match designs, myths/uses; 9008085

reading-level-matched designs, results interpretation ambiguities; 9008093

reading-writing improvement, text organization direct instruction effects; high school students, Mérida, Venezuela; 9003089

remedial English program effectiveness, achievement test scores analysis, university level; 9000549

science textbooks'/standardized tests' content comparability/ readability; 9003276

second-language learners' reading strategies use, reading comprehension tests versus academic reading task; Spanish-speaking English as a second language learners; 9005708

silent reading rates/grade level correlation; Carver/Taylor/Nelson-Denny/NAEP data sources; students grades 1-18; 9005533

standard reading achievement test critically analyzed, Bormuth Mean Cloze Readsbility Formula basis; Metropolitan Achievement Test compared; 9005711

standardized listening tests results; printed information amount; 3rd-8th graders; 9008036

standardized reading comprehension performance, reciprocal teaching benefits; 4th-/7th-grade students; 9007935 standardized reading tests' effectiveness, elementary school level; basal readers'/assessment tests' inconsistent writing types; 9000745 standardized reading tests, local school districts' use; 9008089

story grammar/interestingness effects, children's narrative recall/ preference, standardized reading comprehension tests; 1st/2nd graders; 9003364

test preparation, text patterns/question prediction use, organizational patterns/specific content relationship; 9000533

text/passage organization, cloze procedure sensitivity; 10th graders' cloze restoration; 9000759

Thiberge Picture Test calibration, young children's language conditioning assessment; native French-speaking/immigrant kindergartners; 9005509

thinking skills absence, evaluation process as cause; 9000535
Woodcock Reading Mastery Tests' Word Identification Subtest,
Forms G/H different classification consequences; fifth-grade students; 9004922

Redundancy

anomalous prepositions, clausal/sentential occurrence; 9001092 English as a foreign language reading comprehension, redundancy in-fluence, coherent/cohesive properties; native Hebrew speakers; 9005710

suffix metastasis/redundancy, South German colloquial material; 9006227

Register

American Sign Language text, two English interpretations contrasted, content/register; 9007102

aural comprehension instruction, colloquial Russian; textual approach importance; 9000222

Berlin youth, urban vernacular use; questionnaire; youth aged 14-25; 9006950

Bulgarian colloquial vocalism, vowel devoicing, /ə/ occurrence; 9008353

Bulgarian nominalization means, literary/colloquial/neutral forms; 9008618

Chinese standard/colloquial/literary varieties, reference terms; 9006981

colloquial language varieties, community tie function; 9009487 colloquial Russian use, satire device, psychological characterization; 9001374

colloquial Russian utterances, perceived stress, rhythmical organiza-tion; native speakers; 9000983

colloquial tautologies comprehension, context/syntactic form/lexical content role; 9007386

colloquial variants' social/communicative functions, speaker's/ listener's/linguist's perspective; East German material; 9007001 colloquial vs literary Russian style, phonological/syntactic elipsis; context/text cohesion role, overall system, 9001562

colloquial vs prostoretchiye Russian, research overview; 9002080 colloquial vs "textbook" Russian instruction importance, material availability; 9000176 colloquial/dialect pronunciations representation, contemporary French

novel; 9005954
